

Dimmitt Takes 1st Place Award In Amarillo Contest

Band Rates First In Appearance Among 42 Entries

A snappy 70-piece Dimmitt High School band under the able direction of Ralph Smith made a prize winning appearance during the band contest in Amarillo Monday morning to cop top honors for being the best dressed band among a field of 42 entries from four states.

Band members, overwhelmed with surprise and gratitude, spent most of Monday afternoon celebrating the honor accorded them. A cash award of \$200 was presented to Smith at the conclusion of the contest on behalf of the Amarillo Chamber of Commerce, sponsor of the contest. Other bands winning awards were Phillips High School Band and Liberal, Kansas. The Phillips band received \$200 for being judged the best playing band and \$200 also went to the Liberal High band for winning first place as the best marching band.

All three prize winning bands have been invited to return to Amarillo to give concerts. The Dimmitt band will give a performance Saturday at 11 a. m. at the fair grounds as band members will be guests of the Tri-State Fair on that day. The local band has also been invited to participate at pre-game ceremonies of the West Texas State College-McMurray game Saturday night at 8 o'clock as an additional reward for their fine showing in the contest.

After the awarding of prizes, which was broadcast over Amarillo Station KGNC, Smith remarked, "I'm very proud of them. We have been working toward winning one of the honors for some time. It was difficult for the band to march because of the crowd but they gave a good account of themselves."

Winning the award was quite a distinction for the local band as they have never been accorded top honors before in an Amarillo contest, according to Smith.

The band parade started at 11 a. m. as the 42 participating bands wound their way down Amarillo's main thoroughfare, Polk Street. Bands were judged on appearance, marching and playing. Gwen Thurmond of Lefors was judged the "best baton twirler" in the parade.

Smith said the band hopes to use the prize money to make a trip to the Carlsbad Caverns in New Mexico when school closes next May.

Death Claims Life of County Auditor

Funeral services for G. A. Sahli, 59, of Amarillo, who audited Castro county records for approximately 20 years, were held from the First Presbyterian Church in Amarillo Monday at 10 a. m. Mr. Sahli died of a heart attack Thursday night, September 17, in a motel at Wheeler. The Rev. Lynn Rankin and Rev. Benjamin Bush officiated at the services. Interment was in Llano Cemetery in Amarillo.

Among those attending the services from Dimmitt were Posey Cunningham, Gene Ivey and County Judge Robert Estes. Mr. Sahli was well known here and had done auditing work for a number of county residents. He was well acquainted with many past county officials.

A native of Wisconsin, Mr. Sahli came to Texas in the late twenties. He had been in auditing work for thirty years.

District Court To Open Here Nov. 30

Four damage suits, an action on a lease suit and a "trespassing to try title" suit are on the docket of the next term of District Court to be held here, November 30. Judge E. A. Bills of Littlefield will preside over six civil cases.

A list of damage suits follow: T. H. Hanev vs H. G. Dieter; Raymond Adams vs L. P. Davis and Sons; R. D. Mayfield vs Austin Mobley; and Glenn Maples vs James Miller.

R. C. Bum vs John T. Walton are listed as the plaintiff and defendant, respectfully, in the lease suit while Susan McCormick vs M. S. McGreger are the plaintiff and defendant in the "trespass to try title" action.

Garden Club Gets Year Underway

The Dimmitt Garden Club will open its new season Saturday at 9:30 a. m. with a breakfast in the home of Mrs. J. C. Gilbert, co-hostess will be Mesdames R. B. Boren, C. G. Miller, and Robert Singer.

Petition Bearing 500 Names Sent To Benson

Castro Farmers Seek Three Year Cotton Acreage Basis

Castro county farmers and businessmen this week petitioned Secretary of Agriculture Ezra Taft Benson to direct the Production and Marketing Administration to issue cotton acreage allotments, national, state, county and on individual farms using a three year average, 1951-52 and '53, rather than the present five year base. Some 500 names have been affixed to the petition.

In preparing signatures for the petition, Oliver Tunnell, Big Square farmer, said, "There has been a trend toward cotton in Castro county since 1951 as irrigation has come into the county and cotton has become a more

practical money crop. We feel that if the cotton allotment is based on a present five-year basis our percent of allotted cotton will be greatly decreased whereas if the 1951-52 and '53 cotton acreage is used for a base acreage the farmers will serve to benefit more."

Parmer, Deaf Smith, Swisher and Hale counties have sent similar petitions to the agriculture secretary as cotton is displacing wheat and rapidly becoming the number one money crop.

Cotton acreage in Castro county since 1947 has increased 1000 percent. In 1951 there were only two gins in the county compar-

ed to a total of 11 that will be in operation this fall.

Copies of the petition have been sent to Congressman Walter Rogers, Senators Lyndon Johnson and Price Daniels and the State PMA Committee. Text of the petition follows:

Dear Mr. Secretary: In 1947 wheat acreage for Castro county was 287,000 and has decreased to the allotted acreage of 134,000 with the advent of irrigation, and the necessity of finding a more intensively farmed crop. As a result of this changing economic situation, cotton acreage has increased from 46 acres in 1947 to 105,000 acres in 1953. In view of these facts we believe that farmers of this county are being unduly penalized.

Therefore we the undersigned farmers and businessmen of Castro county, Texas, a relatively new cotton producing area, do hereby petition the Secretary of Agriculture, that in order to reach a more equitable basis for determining cotton acreage allotments and in as much as wheat has been set approximately on this basis, to direct the Production and Marketing Administration to issue cotton acreage allotments, national, state, county and on individual farms using a three year average, 1951, 1952 and 1953 rather than the present five year base.

Farmers in the Hart vicinity have sent 400 postal cards each, bearing essentially the same information as above, to Rogers, Johnson, Daniel and Benson. All 1600 cards were signed by a farmer in the area.

Owls Rank Among Top Ten

Bobcats Hold Down 1st Place Among Class A Teams; Hale Center Next

Coach Leo Field's powerful Purple and White griders remained atop the heap in the second week of ratings for Class A teams in the Panhandle area. The locals were picked the second straight week by virtue of their stunning 25-12 victory over the Lockney Longhorns of District 2-AA. Wins over the Amarillo Stormies and Lockney have boosted Dimmitt stock considerably. Sports writers in the area have now dubbed the Bobcats as the team to beat.

A strong defense coupled with a sensational running attack has established the Dimmitt club as a ranking football power. Their chances of winning the district title are now considered good by

football experts. Springlake vaulted into second place after taking their second win of the season.

The Bobcats will put their 2-0 record on the line Friday night when they tangle with the highly regarded Hale Center eleven. The team will be at full strength against the Owls with the possible exception of "Gallop" Gail Saddle, who injured an ankle in the Lockney tilt. Richard Wood, fleet-footed quarterback, was sidelined with injuries following a scrimmage this week but is expected to be able to go against the visitors.

Hale Center dropped their opener to Springlake in a close battle that ended 7-6. The Owls came roaring back in their second game, however, and breezed past Amherst, 52-13. This should prove to be an interesting game to watch as the Owls appear to be vastly improved and the seasoned Bobcats are anxious to keep their slate clean. Hale Center now ranks among the top ten in Class A.

Kickoff time is set for 8 p. m. in Bobcat Stadium. Admission prices will be 50 cents and one dollar.

The Cats will take to the road for their fourth game which will be against Panhandle. The following week they will play here again against the Olton Mustangs of District 2-AA.

Panhandle Clubs Hosted By Frio

A Panhandle-wide Rural Neighborhood Progress Club training meeting was held in the Frio Community, Thursday, September 17, under the auspices of the Frio Progress Club. Some 70 representatives were on hand for the meeting, which was termed a big success.

Instruction in the areas of community improvement was provided by C. H. Bates, farm management specialist from the state extension service; Mrs. Eula Newman, home management specialist, both from College Station; and Miss Doris Leggett, district HDA, and Knox Parr, both extension agents stationed in Amarillo.

Dinner was served by ladies of the Frio Community Progress Club.

Also present for the meeting were Mrs. Sybil Stringer, new Castro County Home Demonstration Agent, and County Agent Charles Hudson.

Dean Barden, chairman of the Jumbo Community Progress Club, served as chairman for the meeting. Committee reports were given by Mrs. Noble Howard and Mrs. Cecil Curtis, both representatives of the Sunnyside Club, and Mrs. George Pope of the Jumbo Club.

Community progress reports were given by Mrs. Howard of Sunnyside, Dean Barden of Jumbo and Mrs. W. A. Springer of the Frio Club.

Those communities that have enrolled in the rural neighborhood progress contest are doing outstanding work in community improvement and are to be complimented, according to the local agents.

District One 4-H Awards Are Listed

Castro County Agent Charles Hudson and Sybil Stringer today released the names of county winners in the Extension District One National 4-H Club awards.

Placing first in the district in the achievement awards program was Jack Acker of Nazareth. One of the winners in the Sarta Fe award group was Joe Nelson of Nazareth who took place on a district basis in the meat animal awards.

Contest records of these youths will be sent to College Station where they will be judged in competition with winners from the other eleven extension districts for states and sectional awards. Prizes in the state competition include trips to the national 4-H Club Congress in November and college scholarships.

Wilbur Cook is visiting his uncle in Hamilton county this week.

County Soil Tour Set For Wednesday

A soil conservation and fertility tour with stops at four Castro county farms has been arranged by residents of the Jumbo Community. The tour is slated for Wednesday at 1 p. m.

Starting on the M. L. Simpson farm ten miles north of Dimmitt on Highway 51 the tour will cover some of the more outstanding conservation demonstrations in the Jumbo area.

All farmers in the area are urged to attend the tour as it is believed that they will be able to see some of the more practical applications of better farming methods, according to planners of the tour.

Variety Show Set For Legion Meet

A short variety show by students of the Dimmitt School under the direction of Mr. J. W. Bates will highlight the regular business meeting of Greer Estes Post 445 on Monday night beginning promptly at 8:30 P. M.

Under the new program the Legion and Auxiliary open their meetings, together after which the program by Mr. Bates students will be conducted, then any joint business. The Auxiliary then adjourns to have their separate meeting and the Legion conducts their own business meeting.

After closing of both meetings refreshments will be served by the Auxiliary. Members are urged to bring any prospective members to see the entertainment and old members are invited to attend.

Don Noble Stationed At Arizona Air Base

A/1c Dorr L. Noble, who was stationed in Casablanca, Africa, the past two years returned to the States Aug. 14. He spent two weeks of his 30-day furlough on a vacation to the western states with his parents, Mr. and Mrs. Ester Noble and Jerry and Wilma. The remainder he spent visiting with other relatives and friends and working around home.

He left Amarillo recently for Phoenix, Ariz. where he will be stationed at an air base there.

Cats Overcome 12 Point Lead To Beat Lockney

Demonstrating plenty of spirit and determination a good Dimmitt Bobcat eleven overcame a 12 point deficit to soundly beat a tough Lockney team, 25-12, before some 2000 cheering football fans in Bobcat Stadium, Friday night.

Sparking the Bobcat attack were Richard Wood, Edgar Dennis and Bobby Brock. Showing up well in the line were Chad Moore, Melvin Witt, George Ray, Bennie Gollehon, and Don Johnston. The entire team played headsup ball both on offense and defense.

Wood got two touchdowns while Dennis and Brock made one each. Lockney threw a scare into Dimmitt fans in the first half, however, before they finally succumbed to the superior Bobcat team. Jimmy Williams, shift Longhorn quarterback, started the scoring for his club only ten minutes after the game started.

Williams surprised Dimmitt players by suddenly taking to the air and flipping a 30 yard pass to Mickey Jones in the end zone for the initial score of the game. The try for extra point failed, though, and Lockney led 6 to 0. Before the first score Dimmitt held the visitors on their own one yard stripe and took over on downs.

Shortly after the second kickoff, Wood excited fans by running around right end for each yard. On the very next play the Dimmitt scabbard moved the pig-

(Continued on back page)

Rev. Leeper Is New Arney Pastor

The Rev. Verrell Leeper, currently enrolled at Wayland College in Plainview, assumed his duties as pastor of the Arney Baptist Church recently.

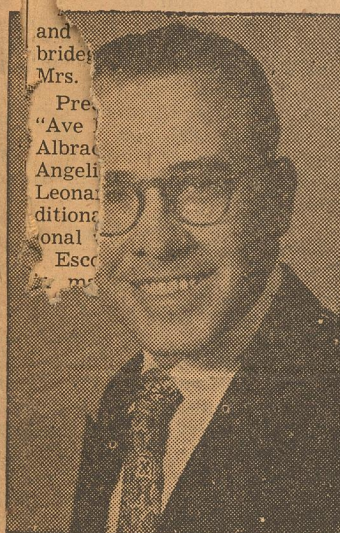

Rev. Leeper succeeds the Rev. Bruce Rich who resigned to become pastor of Robertson Baptist Church near Lorenzo, Texas. He enrolled in Decatur Baptist College in May of 1951 and after one year of study transferred to Wayland College where he is currently studying.

Rev. Leeper is married and has two children. The new pastor expressed his appreciation and confidence upon being called to preach at the Arney Church.

Post Office Job Open

Applications for the job of substitute-carrier at the Dimmitt Post Office are still being accepted, according to Postmaster Tom Bice. All patrons of the local post office interested in such employment are urged to file application with Bice immediately.

Written tests will be scheduled as soon as possible after applications are received, Bice explained.

LEADS SINGING — Singing during the Joe Boyd Tent Revival, slated to be held on the local Baptist Church grounds, Oct. 2 through Oct. 11, will be under the capable direction of Bill Harvey. A former music director at Houston and Minola. Mr. Harvey was called to special Christian service in 1948. He attended Southwestern Seminary in 1949 and '50. The 32-year-old music director is married and has three children. The theme of the forthcoming revival is, "Castro County for Christ."

Baptist Revival Dates Changed

Dates for the Joe Boyd Tent revival here have been set up. Due to overflow crowds at a tent revival now being conducted in Houston by Rev. Boyd and the reported big success of the meetings there, it has become necessary to postpone the revival originally scheduled to be held on the Baptist Church grounds, September 27 through October 7.

New dates, according to the Rev. George Ray, pastor of the church here, are October 2 through October 11 with morning services scheduled for 7:30 o'clock and evening services at 8 o'clock. Prayer meeting will be conducted each evening at 7:30. The revival will still be held ten days. Only the dates have been changed.

Cotton Official To Appear Here

L. O. Buchanan, head of the Lubbock cotton classification office, will appear at Dimmitt High School Thursday, October 8, to answer all questions pertaining to classification of cotton and to explain the reasons for more than one grade of cotton out of a trailer load.

Buchanan's appearance will be a highlight of the quarterly meeting of the Castro County Farm Bureau. His coming here is a result of a previous meeting in Lubbock attended by four county farmers. Each farmer reported that he was highly pleased with Buchanan's speech there and felt that it would be of great benefit to Castro farmers for the classifier to appear here and explain the various classifications.

County Booth Tops All Others at Event

Castro Produce and Cattle Place High at Amarillo Fair

Castro county walked off with top honors for county booths displaying agricultural products at the Tri-State Fair in Amarillo this week, according to County Agent Charles Hudson and Chamber of Commerce Manager Bill Davis, who were instrumental in erecting the county booth and arranging exhibits.

Castro captured 20 blue ribbons, ten second place red ribbons, six third place white ribbons and four fourth place pink ribbons, for its fine array of products. The county topped all other booths by winning a total of 40 ribbons out of a possible 55. Swisher county was a close second with a total of 19 blue ribbons.

Leo Witowski of the Wheatland Farm in the northeastern part of the county also made a fine showing with some of his prize cattle. Witowski showed the reserve champion bull in the Milling Shorthorn division. The same animal placed first in 1952 at the South Plains Fair, second in the Louisiana State Fair and third in the Dallas Fair. The grand champion female in the Shorthorn division was also displayed by Witowski. This animal, too, has won top prize money at a number of other fairs.

Witowski won six other awards in addition to a number of lesser awards for his entries. Animals entered by Harry Rothwell and Bob Warren, owners of Rothwell Acres Ranch near Dimmitt, also placed high in the Short-horn judging. They showed the Junior Champion Female and four individual first place entries.

The complete list of ribbon winning exhibits in the agricultural produce booth at the Amarillo fair follows:

CLASS ONE—Head or Ear Grain: first and third on combine type Kafir; first on white dent corn; first and second on yellow dent corn; first on popcorn; second on bonita; second on yellow milo with a sample on common crook neck; fourth on Plainsman milo; and fourth on Hegari.

CLASS TWO—Grains and Seeds Thrashed: 2nd Martin milo; 1st and 2nd on combine type Kafir; 1st on Hegari; 1st on vetch; 1st on Austrian winter peas; 1st on soy beans; 2nd and 3rd on field peas; 1st on sweet Sudan grass; 2nd on common Sudan grass; 1st on Safflower; 3rd on Castor beans; 2nd and 4th on wheat sheafs; and 1st on barley sheafs.

CLASS FIVE—Bales of Grass and Forage: 1st on native hay grasses; 1st on vetch; 1st on Sudan grass; and 1st on improved irrigated pasture mixture.

Lions Discuss 2 Coming Events

Lion Club members mapped publicity and advertising campaigns for two forthcoming events at their Tuesday luncheon meeting.

Club President Joe Benson heard reports on the progress of the magician show scheduled to be held at the high school auditorium October 5 and of the event which will bring Stephen A. Hobash, famed Holy Land lecturer, to the auditorium on October 20.

In commenting about the latter event, Benson stated, "I think Stephen Hobash's lecture on the Holy Land is a very worthwhile project and will prove to be most beneficial to youngsters as well as adults." He urged the committee working on both events to emphasize that residents of Dimmitt are fortunate in having the opportunity to attend these events.

Named by Benson to serve on the publicity committee for the Hobash lecture were Gip Hudson, Russel Moran and Rev. Raymond Van Zandt.

Lion T. A. Singer suggested to the group that a "speaking school" be conducted by the Lions Club whereby each member would give a short talk during one of the regular meetings in order to cultivate better speech and improve a member's ability to give an unembarrassed talk.

Coach Leo Fields reminded club members at the conclusion of the meeting that the local football team is in store for a tough game come Friday night. The coach said that Hale Center breezed past Amherst and added that the Owls have the best defense against a running attack of any team in their class. He said that his club would be at full strength with the possible exception of Gail Saddle who is recuperating from an ankle injury.

Guests at the meeting were Garland Hoover and John McClesky. McClesky was voted a new member of the club.

Cotton Burr Waste In County High; Composting Offered As Solution

Thousands of dollars in cotton burrs go up in smoke each year in Castro and other Panhandle-Plains counties, according to Jay Moore, organic soil culture distributor from Lubbock.

Moore points out that every time a load of cotton burrs are burned it costs the farmer money. On the other hand, he explains, cotton burrs, when composted with bacteria, are one of the most valuable sources of fertilizer.

Moore, who was in Castro county this week, talked with several ginners and reached an agreement whereby his company will offer this composting process to farmers through the various gins in the county. He pointed out that a gin can compost the cotton burrs with bacteria and have them put back on the soil at the end of the ginning season without any effort on the part of the

Damage Up to 50 Percent In Some Areas

Cotton, Feed Crops Destroyed As Hail And High Winds Hit County

Hail, accompanied by winds reaching tornadic proportions, hit Castro county late Friday cutting a path of destruction from the county line north to the Hart Community and causing up to 50 percent damage to cotton and a few other crops on some farms, according to a report from County Agent Charles Hudson, Monday.

One of the hardest hit farms in the county was the E. B. Wright place six miles north of Dimmitt. Wright reportedly suffered a 50 percent loss to all crops under cultivation on his farm when hail and high winds struck. The total loss in money was not disclosed but is expected to be high.

Feedstuffs were cut up to one-third in many fields in the county that were inspected by the county agent. As to the cotton damage, Hudson said, "Leaves were completely stripped off many

stalks. Bolls were left but they were badly pecked up. As a result the more immature bolls won't stand it; they'll fall off and the ones that do open will be low quality."

Hudson said that any cotton that was open when the freakish weather struck was a total loss. The only crops to escape damage were cantaloupes and some lettuce, he added.

Cotton losses north of Dimmitt on the Hugh Ritch, J. N. Burch, Carleton Dobbin and Zimmerman farms were up to 50 percent, the county agent said. Hudson reported that damages were intermittent as some crops were missed. Hugo Buiers, farmer east of the city, also reported heavy damage; probably up to 50 percent or cotton.

In the Hart area the full impact of the storms fury was also felt as cotton crops on the Paul Brooks, J. R. Riley, Dean Sanders, O. D. Dinwiddie, Harvey Davis and Easton Wall farms were hard hit. About one-half inch of rain fell in Hart and east of the town.

Heavy damage to cotton and feed crops were also reported on the Lawrence Acker, Jerome Brockman and Val Acker farms between Dimmitt and Nazareth.

Just what effect these losses will have on the cotton yield for the county, which is estimated between 60,000 and 65,000 bales, has not yet been determined.

Heavy damage were also reported in Deaf Smith and Hale counties.

Work Starts Soon On 2 New Dimmitt Office Buildings

Construction on two new office buildings in Dimmitt is expected to start sometime within the coming week as the unparalleled building boom in the city continues at a fast pace.

The new buildings will be located on lots immediately east of the PCA office building on the south side of the square. Harrison Insurance Agency will occupy the structure to be built next to the Production Credit Association while the other building will house offices for Scoggin Real Estate.

Both buildings will have dimensions of 25 by 45 feet and will be constructed of brick and tile at a cost of approximately \$12,000 each. Completion time is set for around November 1.

The Harrison Insurance Agency building will house three private offices, a reception room, vault and two rest rooms. The structure will have forced air heating and cooling system. The interior of the other building is expected to be divided up into a similar arrangement.

Both firms are moving their headquarters for the convenience of customers and to acquire more space.

4-H, FFA Members To Attend Fair

A delegation of Castro county 4-H Club and FFA members will be among representatives attending the Tri-State Fair Saturday as guests of the fair association.

Heralded as Rural Youth Day and dedicated to the young leaders of the rural areas, Saturday will be filled with entertaining activities for the youngsters attending the event from over the Panhandle. A highlight of the day will come at 10 a. m. when the program for crowning the wheat kings and baking queen and recognizing other winners gets underway.

In the afternoon at 2 o'clock various delegations with their agents and teachers will be admitted free of charge as fair guests to the Joe Show.

All Castro county youths who plan to attend the Rural Youth Day program need make arrangements with County Agent Charles Hudson or Home Demonstration Agent Mrs. Sybil Stringer prior to the event.

Dimmitt Girls In Program At Jumbo

Entertaining the Jumbo Rural Neighborhood Progress Club Thursday night, September 17, at their regular meeting was a group of Dimmitt High School freshmen girls. The eleven girls appeared in a musical program under the direction of Miss Thelma McMinn, music teacher in the local schools. The program consisted of several songs, two piano solos and a vocal solo.

Appearing on the program were Nancy Neumayer, Myrna Thompson, Sue Bagwell, Nelda Jean Bagwell, Betty Faye McDermitt, Judith Cleavinger, Gail Cooper, Kaye Killingsworth, Karen Bell, Wilton Ivey and Billie Sue Regland.

Castro County Agent Charles Hudson, also present for the meeting, showed the group an interesting film on safety.

The meeting was held in the Community House with Club chairman Dean Barden presiding. Refreshments were served at the conclusion of the meeting to the large group in attendance.

Bovina School Is Destroyed By Fire

The main building of the Bovina Schools caught fire Thursday night, Sept. 17, and was reduced to smoldering ruins before fire crews from Clovis, Texico, Hereford and Friona could suppress the raging inferno.

Origin of the fire, which caused an estimated \$250,000 loss, is believed to have been caused by a short in a wire. Shortly after the fire started the boiler in the basement exploded. This coupled with high winds caused the fire to spread rapidly over the two-story brick structure.

Firemen reportedly were notified about the blaze soon after it started but lack of water pressure is believed to have prevented them from bringing the inferno under control. The building was partially covered by insurance.

Mr. and Mrs. J. B. Wright of Ft. Worth and Mr. and Mrs. Jim Burke of Verion visited in the home of the Dewey Wrights and E. B. Wrights last weekend.

Auctioneer Moves Here

D. B. (Rob) Robertson and family moved to Dimmitt recently from Malakoff, Henderson county. The Robertsons have four children, three of whom will be enrolled in the local schools. Mr. Robertson has been employed as auctioneer at the Lubbock Auction Commission Company. Auctions are held each Tuesday and Thursday.

Cotton Burr Waste ...

(Continued from page 1) other gin waste, either in a pit or in a confined area on the surface, and keeping the pile sufficiently moist to facilitate decomposition and to control heat.

"For more rapid decomposition, and for adding more life to the soil, experiences of several of those engaged in composting have found that applying soil culture very materially increases efficiency and value of the material.

Another writer says, "In West Texas nearly 200,000 tons of burrs have been burned in the last three years in Lubbock county alone. If composting is not the answer there, then a practical and economical method of hauling them back to the farm ought to be worked out. This would eliminate the objectionable smoke hazard and improve the land."

Mr. and Mrs. Bob Mooney and children of Borger were here recently for a visit with relatives.

CATS OVERCOME ...

(Continued from page 1)

skin to the ten yard line and it appeared the locals were going to score. Lockney took over on downs, however, and Williams and Quisenberry, a Longhorn tackle, alternated with the ball to pick up a first down. The Dimmitt line held and the Bobcats took over on their own 30 yard line. Brock and Maxie Warren picked up a few yards but Dimmitt was forced to kick on fourth down. On the first play from scrimmage, back Jimmy Scott astonished fans by scampering around left end for 72 yards and a score. The conversion failed and the visitors led, 12-0.

Wood took the kickoff and returned it to the Lockney 48 yard line before being brought down. The little elusive quarterback picked up ten yards more around left end to the 38. Just as it seemed the Bobcats were sure to score the locals fumbled the ball and Lockney recovered. The Longhorns once again took to the air but were unable to do any good as the first half ended.

The snappy 70-piece Dimmitt High band paraded during the halftime activities. Lockney's band, decked out in maroon and white uniforms, also marched in several formations.

A completely rejuvenated Bobcat squad took to the field in the second half after Coach Leo Fields injected some life into his charges by giving them a pep talk. A series of plays later with Dennis, Wood and Brock carrying the ball the Bobcats moved to the Longhorn 44 and Wood, getting good interference, went through center for 44 yards and a touchdown. The extra point failed and the scoreboard read, 12-6.

Brock kicked off and Quisenberry returned the ball to his own 40 yard stripe. The visitors were penalized for being off side and after failing to gain were forced to kick on last down. Wood returned the ball to his own 44 yard line and after bogging down elected to pass on fourth down. Lockney intercepted and took possession of the ball on their own 35. A penalty enabled the visitors to pick up a first down. The forward wall of the Bobcat team held fast on the 20 yard stripe and the Longhorns lost the ball on downs. The Dimmitt club moved the pigskin to the Lockney 28 after Brock and Dennis carried for several sizable gains. The Bobcat machine stalled at this point, however, and the Longhorns took over only to fumble on the next play. Dennis, Wood and Brock alternated with the ball in

the last quarter and moved it to the Lockney 10 yard line. Wood scampered through center for ten yards and a score. The score was tied at this point as Dimmitt missed the try for extra point.

Soon after the next kickoff by Brock the Longhorns developed an acute case of fumbalitis losing the ball on their 45 yard line. Brock set up the next touchdown by lunging the ball to the Longhorn 28. Dennis then plunged through center for 28 yards to score the third Bobcat touchdown. Dennis also made the extra point by running the ball over to give the locals a 19-12 advantage. Brock racked up the final score of the night in the last minute and half of the game by plowing through center for 35 yards. As the conversion failed the game ended with Dimmitt on the long end of a 25-12 score.

Dimmitt now boasts of a 2-0 record, having run over the Amarillo Stormies in their opening game of the season. The undefeated Cats will battle a potent Hale Center team here Friday night. Hale Center lost their opening game to Springlake by one point but bounced back the second week to crush Amherst, 50-13. This game shapes up as the best so far this season and will probably be witnessed by several thousand spectators.

FRIO NEWS

Airman Loyal Miller, who is stationed at Kingsville, is visiting his parents, the H. C. Millers and other relatives during his 15 day leave.

Mr. and Mrs. O. Z. Kunkle of Pampa visited his sister, Mrs. A. D. Johnson, and family Sunday.

Cheatham, Johnnie and Joy, Mr. and Mrs. T. L. Sparkman, Jr., Tommie, Bonnie and Barbara, Mr. and Mrs. Bill Boyd, Houston, Jimmy and Edwin, Mr. and Mrs. Orville Francis of Texico, Miss Alma Andrews, Mr. and Mrs. Henry Dobbs, James Clark and Larry. In the evening a sister of W. H.'s, Mrs. Wiley Littrell of Orange, Calif., called him on the phone to send her birthday greetings.

Mr. and Mrs. C. N. McClure visited their daughter and family, Mr. and Mrs. David Breitl at Midland during the weekend.

Mr. and Mrs. W. A. Springer, Mr. and Mrs. J. E. Warrick visited their relatives the Carl Parrishes and Mrs. Philip Parrish at Canyon Sunday.

Mr. and Mrs. Geo. A. Springer and Dianne visited the Elbert Summers at Dimmitt Sunday.

WCS Metting Held Monday at Church

The Womens Society of Christian Service met Monday, Sept. 21 at the church. There were 31 present. Mrs. Sid Sheffy conducted the business session.

The devotional was given by Mrs. Posie Cunningham. "Three ways to Personal Peace" by Norman Vincent Peale, D. D. Mrs. Myrna Cowsett and Mrs. Geo. Blanton sang a duet, "Sweet Peace the Gift of God's Love."

Our first lesson on "The Life and Task of the Church" was led by Mrs. Margaret Wilson.

Those having parts were Mesdames Geo. Bagwell, Homer Newton, Pearl Sheffy, Howard Hershney, and Posie Cunningham.

The Society adjourned with a prayer in unison.

This a very interesting study. We would like to have even more out next Monday for our second lesson.

The Society had a very interesting discussion on "How to Buy Sheets" was given by Mrs. Clifton Harper.

The following members were present: Mesdames Jack Streun, George Delozier, Clifton Harper, Melvin Hamm, Roy Botkins, Mrs. Behrends and a visitor, Mrs. Roy Campbell.

Mr. and Mrs. Frank Sheppard of Las Cruces, N. M. are here to visit his brothers, Percy and Dave and family.

Mr. and Mrs. Eugene Noel are announcing the birth of a daughter on Monday, Sept. 21st.

Castro Fair Is Huge Success As Attendance Record Is Broken

The 1953 Castro County Fair shattered all attendance records as an estimated 7000 persons from the Panhandle and neighboring states attended the gala event. Also ranking among the best ever displayed at the fair were the fine livestock, produce, community and educational exhibits.

Castro County Agent Charles Hudson, who was instrumental in helping to plan and arrange the various classes and divisions said, "Although this is the first fair I have seen in Castro county all reports indicate it was one of the most successful we have had. Fair officials felt that attendance, cooperation of exhibitors and all of those many who worked to make the '53 fair a big success was most gratifying."

Fair Association President Wes Anthony remarked, "It's the finest cooperation we've ever had. As far as the fair being a success, I don't see how it could have been any better. Every fair committee did a splendid job. We had a capacity house for the agricultural exhibits and the pet and poultry shows were better, too. The individual exhibits were fine." Anthony added, "The local setup of carnival attractions proved to be the best thing yet. Every ride or concession operator seemed to take pride in whatever he or she was doing. I feel that the fair was also a financial success."

As to cleanliness and neatness of barns, Hudson commented, "The livestock barns were kept in excellent condition throughout the fair and the exhibitors were very well satisfied with the facilities for housing livestock as well as other agricultural products as provided them by the fair association."

The grand champion bull in the livestock judging for milking shorthorn was from the Rothwell and Warren herd, Leo Witkowski, owner of Wheatland farms in the north-eastern part of the county, exhibited the champion and reserve champion cow and the reserve champion bull.

Mr. and Mrs. John Bridges of Hart showed the grand champion buck, ewe and lamb in the mut-

tor show to capture top honors. Showing the grand champion commercial calf was Milton Moore, 15, son of Mr. and Mrs. Odie Moore of Dimmitt. This was a Scotch Shorthorn entered in 4-H Club competition.

The largest watermelon on display at the fair was entered by Mrs. Billie King of the Sunnyside Community. The 60 pound Black Diamond melon was grown in the King garden. Sunnyside also took first place in community project competition. Other communities entering this competition and the order they ranked follows: Big Square, Hart, Nazareth, Jumbo, Northedge and Flagg.

Placing first and second in the home demonstration club educational booth exhibits were Sunnyside and Big Square, respectively.

In the swine show, which created a lot of interest, David Cole of the Dimmitt 4-H Club entered the grand champion gilt and Stanley Nelson showed the reserve champion gilt. Fred Acker of Nazareth entered the grand champion hog and Bobby Bradley of the Dimmitt club displayed the reserve champion barrow.

In the quarter horse show, supervised by Chamber of Commerce Manager Bill Davis, Vernon Bradley of Clovis, N. M. showed the first place 1953 filley, Ralph May of Plainview entered the prize winning animal among the 1952 filleys. First place among the 1951 mares went to Bobby Bradley of Dimmitt while Robert Patterson took first place in the aged mare entries.

Harry McDaniel of Petersburg showed the first place 1953 colt and A. E. Johnson of Kress captured first place among the 1952 horse colts that were entered. Orville Hicks of Hale Center displayed a winner in the 1951 horse stallion class. First in the aged stallion class was the animal shown by Herbert Stewart of Clovis.

The grand champion stallion was shown by Stewart and reserve champion by Hicks. Joe Smith of Dimmitt displayed the champion gelding and Orville Hicks showed the champion in

the reining class. In the dairy division Dennis Huseman of Nazareth took top honors for his first place Jersey heifer. Joe Minshew displayed the blue ribbon winner in the Holstein heifer class.

Dennis Huseman had the grand champion Brown Swiss and Alphonse Huseman the reserve champion.

H. D. Robbins of Hereford was a blue ribbon winner in the Hereford class for bulls over two years and under three.

In the class for Jersey cows four years old and over, Frank Huseman of Nazareth took first place while Rayford Smithson was accorded top honors for his entry in the class of cows two years old and under four. Frank Huseman also showed the grand champion female banner and Smithson the reserve champion.

Keeps its value better than any other car!

Used car dealers report that
Fords return more of their original cost than any other car—and there are 41 reasons why:

Take power. Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.

Take build. Ford's one-piece Crestmark body gives you style-setting beauty with rugged "build" underneath. Where many other cars are bolted, Fords are welded hull-tight to keep out rust-causing weather and dirt.

Take ride. Ford's wonderful, new ride reduces front end road shock up to 80%. And Ford's new, more responsive spring and shock absorber action gives you the comfortable easy ride you want without gas-eating extra weight.

Take savings. Ford's economy-minded Automatic Power Pilot saves you money on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas ("regular" at that) work its heart out.

Take visibility. Ford gives you the "all-around" view you need in today's fast-moving traffic. A curved one-piece windshield, car-wide rear window and large "picture windows" all around make sure you have Full-Circle visibility.

Take drives. Only Ford in its field gives you a choice of a completely automatic drive, Fordomatic, the finest, most versatile automatic you can buy... fuel-saving Overdrive... or easy-shifting Conventional Drive.

The swing is to

FORD

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT!

Bobcat Band Best Dressed At Tri-State Fair

"The kids went up there to win." This is Director Ralph Smith's comment on winning in the TriState Fair Band Contest Monday. He said, "I was really proud of them and a great many people remarked about their beautiful uniforms." Mr. Smith explained further that the band had to march well and play well, too, to win, and that they had to wear the uniforms well. This is where each of the '70 members comes in.

The Dimmitt Bobcat Band stepped out to a fast march and continued through 15 blocks of Amarillo streets Monday to win \$200 and the honor of being the best dressed at the Fair. They marched in open competition with 41 other high school bands from three states, from all sizes of schools, in all classes. Every group in the event was a fine band. Spectators and officials agreed that this was the best contest that the Fair had ever had.

Following the awarding of the prize the band was invited to return Saturday as guest band of the Fair. The prize was presented to Mr. Smith by the Amarillo Chamber of Commerce in a Fair Broadcast over KGNC. Judges of the contest were Warrant Officer Pat Veltre of the Amarillo Air Force Base, Clyde Roller, Director of the Amarillo Symphony Orchestra, and Wees Izzard, Editor of the Amarillo Daily News.

The "Best Dressed" band dates back to September, 1952, when the band began a movement for the purchase of the present uniforms. The movement became community wide under the Band Boosters Club, the PTA, the Athletic Association, and individual citizens contributed. A check was received from an admirer at Silverton.

The uniforms are made in a modified West Point style with a West Point Front but no tails. The material is a gray wool gabardine with purple and white trim.

Senior Class Meeting

The Senior Class adopted a suggested budget for the year in a class meeting held Friday at noon. This budget included three "money-making schemes" because the class needs to make a lot of money this year. Committees were appointed to work on these plans.

Don Sheffy Turns Calendar Back

Don Sheffy yooked back a few thousand years last week into the lives of Early Man. What he found was not surprising, but natural and very wise. Here are the results.

"About the beginning of the New Stone Age men ate the grain from a plant and the grains they liked they saved and planted. Then they needed tools to cut their crops and they needed something to store the grain in so they made clay pots. They had too much work for a man to do so they tamed ox and horses and made them pull their wooden plows. Then a drought came and their crops needed water so they irrigated from a river. After a while several families moved close to the river and they fought over the land and water so they made a government to settle their arguments. Pretty soon they got tired of living in caves so they made houses out of stone and sun-dried bricks. They needed to know when the river would flood their land so they made a calendar and they began to trade ox and horses and started trade. The New Stone Age people needed to write letters on stone and leather so they made picture writing."

This is the paper which was submitted to Miss Merritt in World History as a part of work in that course. The BOBCAT TALES is pleased to print it and invites other contributions.

H. M. Girls See Demonstration

A demonstration on electric ranges was given Monday afternoon, September 21, by Miss Clyde Little. Miss Little is with the Southwestern Public Service and her office is in Clovis, New Mexico. She gave the history of electric ranges. The electric ranges are still quite new. Cooking with electricity was first successfully used in 1910. She also explained thoroughly the care and use of the electric ranges.

The homemaking girls know how to cook on them now and are eager to try them.

Senior Who's Who

Carolyn Bagwell has an unusual distinction. She is the only four year old in high school. Don't let that fool you, though; she was born on February 29, 1936 and is now really 17 years. A five-foot five and one half inch blue eyed blonde, Carolyn is active in school activities. Her hobby, music, requires most of her time. She is the only girl cornet player in the band, and is secretary-treasurer of that organization. She is a member of the Honor Society and F. H. A. Last year she was Junior Class Favorite and was in the Junior play. Her favorite subject is English, but her lifetime ambition is to learn math. She has attended Dimmitt for all of her twelve years. Carolyn's favorite food is "home made ice cream." Her choice of best actor and actress are Tony Curtis and Doris Day.

CLASS 7B

The Lone Star Club was organized on Sept. 1, 1953, in 7B. The officers were elected. They were as follows: President—Neal Honea, Vice-President—Darleen Sexton, Secretary—Linda Hance, Program Chairman—Norman Westberry, Treasurer—Norman Nelson, Sergeant-of-Arms—Earnest Beavers, Reporter—Jo Beecher.

We elected out room mothers. They are as follows: Mrs. Hance, Mrs. Beecher, Mrs. Maples, Mrs. Honea.

We have divided our club into four different groups. Each group will study what they wish. These are captains of each group and what they will study: Judy Patterson—Cooking, Linda Hance—Styles in Clothes, Norman Nelson—Science, Houston Frie—Science.

Jeanie Gladman's Ideal Boy

Most handsome—Gaylon Patterson
Best dressed—David Honea
Most athletic—Maxie Warren
Nicest—Burt Higgins
Best Personality—Jerry Vandiver
Most friendly—Chad Moore
Cutest—Clinton Glenn
Best Physique—Clark Dobbs
Best All Around—Alton Whitworth
Most Likely To Succeed—Bob Anthony

Mr. Morgan Has Operation

Mr. Morgan has been in the Veterans Hospital, Oklahoma City, since September 11. He underwent surgery last Monday morning.

Bobcats Outfight Longhorns In The Fourth

Some 1500 fans witnessed the battle Friday night between the Bobcats and the Lockney Longhorns that ended in a scoring spree for the home team. At the end of the first half the Longhorns led 12-0. In the second half the Bobcats came back with plenty of determination to slash back. The Bobcats started their fight back with one tally in the third and three in the final quarter.

Woods, Dennis and Brock did the scoring for Dimmitt. Jones and Scott tallied for the Longhorns. The Bobcats are preparing for a hard encounter with Hale Center this week. The Owls were edged by Springlake 7-6, but they romped over Amherst 53-13. This game is on the home grid Friday night.

Pepper Upper

Mr. Bates directed the Pep Squad and student body in the second pep rally on Friday, September 18 at 3:15. The band opened the rally with marches and pep songs. George Ray, pastor of the First Baptist Church, gave a short pep talk on good sportsmanship and clean living. A song stunt was presented by eight girls. They sang football parodies and featured false face costumes worn behind ready for a quick surprise change. By an about-face each singer became a different person. Members of the stunt group were Hazel Rogers, Joy Walker, Omata Bradley, Shirley Williamson, Pat Board, Ann Golenon, Charlotte McElroy and Jonlynn Allredge.

YELL PRACTICE

The pep squad met at 12:20 on Thursday and Friday in the auditorium to practice several yells and discuss the pep rally. Mr. Bates gave everyone a list of the yells we are to yell this year.

New Students

A new sophomore in Dimmitt High School is Vernon Robertson, from Malakoff, Texas. He is studying Typing I, English II, Algebra I and Vocational Agriculture. He commented that he liked Dimmitt High School.

Barbara Cantwell is a new Freshman in Dimmitt High School from Alamogordo, New Mexico. The subjects she is taking are Junior Business, Homemaking I, Algebra I, English I and Choral. Her comment about Dimmitt High School was, "I enjoy it very much."

Sandra Owens is a new Freshman and she formerly came from Abilene, Texas. The subjects Sandra is taking are Junior Business, Algebra I, English I, Choral and Home Ec. I. When asked how she liked Dimmitt High School, her reply was, "I think it is a fine school."

In a community of 25,000 population about 100 persons at one time will be under treatment for cancer, the American Cancer Society estimates.

Senior Who's Who

Eileen Ballard has maintained an "A" average throughout her school years. She has attended school in Dimmitt for the past 9 years. She attended Frederick, Oklahoma for her first three years. Eileen is 17 years of age

and stands 5' 3 1/2" in height. Eileen is a member of the Honor Society and F. H. A. She received the award for being the outstanding student in F. H. A. last year. Some of her favorites are: Food—Home made ice cream. Actor—Jeff Chandler. Actress—Joanne Dru. Pastime—Day dreaming. Pet peeve—None especially

LEGAL NOTICE

NOTICE
TO ALL THE OWNERS OR CLAIMANTS OR PERSONS INTERESTED IN ANY PROPERTY UPON THE HEREINAFTER MENTIONED PORTIONS OF THE STREET IMPROVEMENT PROGRAM COVERING PORTIONS OF WEST NINTH STREET AND VARIOUS AND SUNDRY OTHER STREETS, AVENUES AND ALLEYS IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS.

The governing body, the City Commission, of the City of Dimmitt, Texas, has ordered that a portion of West Ninth Street and various and sundry other streets, avenues and alleys in the City of Dimmitt, Texas, be improved, and contract has been made and entered into with Bryan and Hoffman and L. A. Purcell for the making and construction of such improvements, to-wit: Raising, grading and filling, and installing curbs and gutters where not already constructed on proper grade and line, and paving with three coat topping on six inch compacted caliche base, the streets, avenues and alleys hereinafter mentioned.

Estimates of the cost of such improvements for each portion or unit of the streets, avenues and alleys to be improved have been prepared and approved by the City Commission, and the same is on file with the City Clerk in the City Hall of the City of Dimmitt, Texas.

The portions of said streets, avenues and alleys so to be improved are as follows:

EXTENSION UNIT NO. 3
Fourth Street from 50 feet north of the north line of Lee Street, thence north to a point 85 ft. S. of the south line of Belcher Street; Dulin Street from the west line of existing pavement on West Third Street, thence west 75 feet; and the north one-half of Dulin Street continuing on to pavement on the east line of West Fourth Street.

Etter Street from the west line of existing pavement on West Eighth Street to the east line of Ninth Street; and the north one-half of Andrews Street from the west line of existing pavement on West Sixth Street to the boundary of Miller Addition.

EXTENSION UNIT NO. 4
Jones Avenue, from existing pavement on East Second Street to the east line of East Third Street;

East Third Street from the north line of pavement on Jones Avenue to pavement on the south line of East Bedford Avenue; and the north one-half of Jones Street along the south line of Lot 12, in Block 110.

The estimated cost of improvements, the amount per front foot proposed to be assessed, the name of the abutting property owners thereon, and the cost to the city for such improvements are as follows:

EXTENSION UNIT NO. 3
33 ft. paving
\$5.01 per front ft.

Hearing will be given and held by and before the governing body of the city of Dimmitt, Texas, on the 25 day of September, 1953, at ten o'clock a. m., at the City Hall of the City of Dimmitt, Castro County, Texas, and may be continued from time to time to accomplish the purposes hereof, to afford all persons owning or claiming any property on or abutting upon said portions of above streets, avenues, and alleys, and to all persons owning or claiming any interest in such property, at such time and place all such persons shall be and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by reason of such improvements, and concerning the regularity, validity and sufficiency of the contract and all proceedings relating to such improvements and proposed assessments therefor, and concerning any other matters to which they are entitled to a hearing under the laws of the State of Texas.

Following such hearing, assessments will be levied against the abutting property and the owners thereof, and such assessments, when levied, will be a personal liability of the owners of such property and a first and prior lien upon such property as provided by Art. 1105-B of the Revised Civil Statutes of the State of Texas.

The improvements on each said portion of each said streets, avenues and alleys, constitute an entirely separate and distinct unit of improvements all to the same extent and intent as if entirely by separate and distinct proceedings had been taken with reference to each separate unit and the assessments against the property abutting upon any unit shall not be and are not in any way affected by any fact or circumstance related to or connected with the improvements in any other unit.

Done and approved by order of the City Commission of the City of Dimmitt, Texas, on this the 9th day of September, A. D. 1953.

County Library Adds "Miracle of The Hills" to Collection of Books

Miracle in the Hills, by Dr. Mary T. Martin Sloop.

In 1951 Dr. Mary T. Martin Sloop, a woman who had spent over forty of her seventy-eight years in the isolated mountains of North Carolina, was honored with the coveted award of American Mother of the year. "Miracle in the Hills" is the story of this amazing woman's unique crusade in the hill country of North Carolina. Told in her own words, it is an amusing, heart-warming account of a one-woman revolution.

Dr. Sloop and her husband, also a doctor, began their lifelong dedication to the mountain people when they rode horseback into the remote hill region in 1909. The conditions they encountered were shockingly primitive. The people had neither doctors nor schools and were suspicious of both medicine and "learning". Electricity and running water were unheard of, roads were rough mountain paths, diet consisted of "hog meat, greens and grease." The main industry was moonshining.

One look at this state of affairs and the two Drs. Sloop rolled up their sleeves. They performed operations under an apple tree and in mountain shacks. They crusaded against ignorance and superstition. Mrs. Sloop coerced and beguiled the town into becoming education-conscious—she once even carried a pistol to a meeting to stress her point—and in the end she spear-headed a movement which resulted in a modern twenty-five room building school.

She declared a personal war on moonshiners, tracking down hidden stills with a reluctant sheriff in tow. She fought against child marriages in a region where girls often married at the age of fourteen. With the help of the mountain people, she reinvigorated the weaving trade, built a church and a modern, well-equipped hospital. When faced by enormous obstacles and seemingly insoluble problems, Dr. Sloop did everything within her power—and then called upon the aid of God.

Her story is told in the rich, anecdotal vernacular of the Southern mountains. She knows and loves. She spins yarns not only of her work but of mountain characters, square dances and bear hunts. Her wry wit, her steadfast faith and her affection for the mountain people make her tale one to amuse and inspire the reader.

CLEO NEWS

(delayed)

Mr. and Mrs. Walter Bradley and Mr. and Mrs. Billy Bradley and family of Portales, N. M., visited in the homes of Ross and Jack Summers Sunday.

Mr. and Mrs. Lamb and family and Mr. and Mrs. Melvin Summers visited in Lamesa Sunday.

Colorful Flower Show Is Success

The flower show at the '53 Castro County Fair, under the direction of Mrs. B. J. Brannan, was declared a big success by those viewing the colorful display.

There were quite a few persons to bring flowers to the show, although exhibitors were not competing for prizes. Some of the flowers on exhibition were roses, dahlias, asters delphiniums and gladiolas.

One of the most interesting displays, according to Mrs. Brannan, was an arrangement of wild flowers in sea shells. Some of the arrangements emphasized fall colors. There were also some specimen plants on exhibit.

Mrs. Brannan pointed out that the show was open to everyone in the county who wished to bring flowers.

To Everyone in Castro County I wish to extend to every individual, civic club, corporation, business or otherwise that so generously gave of their time and money, toward the success of the fair, my most sincere thanks.

It was your spirit of cooperation and understanding which made our fair so successful. It is something that each of us should be proud of (and rightly) for it is a very rare thing for so many people to work in such harmony. There is only one place where this can be done and that is in Castro County.

Again we say thanks a lot and let's begin planning right now for a bigger and better fair next year.

Very Sincerely,
C. W. Anthony.

Mr. and Mrs. Clint Cox of Clayton, N. M. were here last week-end for a visit in the home of Mr. and Mrs. Brad Fulmer and other friends. They are former Dimmitt residents.

Dimmitt PTA Assn. Lists New Officers

The Dimmitt Parent Teachers Association met recently with Noel Gollehon, newly elected president, presiding over the meeting. Miss Thelma McMinn played the piano as the group sang "America," which was followed by prayer by Mr. Williams.

Mr. Gollehon introduced the new officers for the year, which are as follows:

President—Noel Gollehon
Vice President—Mrs. Jack Bradley

FLAGG NEWS

Smith, Pope, Gray, Clowdus, Borden, Goodpasture, Lamb and Hunter.

Mr. and Mrs. Dean Barden, Mr. and Mrs. George Pope, and Mrs. Bill Goodpasture went to Frio September 17th to a Rural Neighborhood Progress meeting. It was enjoyed by those who attended.

Saturday the Jumbo people met again to work on the butane and painting, lunch was fixed for 17. Those present were the Goodpas-

tures, Leslies, Smiths, Popes, Bardens and Grays. Then a steak supper was fixed for everyone including the Lambs and Clowdus while the men listened to a football game and built a dining table.

Thursday night the Jumbo people met for their monthly meeting. The program was presented by 11 freshmen girls from Dimmitt, and was enjoyed by everyone. Coffee, lemonade and donuts were served.

Sunday guests of Mr. and Mrs. Clyde Damron were Mr. and Mrs. Hammer of Plainview and Mr. and Mrs. Reed of Sudan.

Mrs. Warren Thatcher, the former Laquita Johnson, is visiting her parents, Mr. and Mrs. Claude Johnson, while her husband attends a training school in Illinois.

Mrs. Ernest Jones and Mrs. Clyde Damron visited Mrs. Bob Mapes and son, Danny Joe, Monday afternoon.

Week-end guests of Mr. and Mrs. James Bradford were Mr. and Mrs. H. G. Watts and children of Floydada. Mr. and Mrs. Watts and Mr. and Mrs. Bradford attended the Texas Tech-W. T. football game Saturday night at Lubbock.

Mr. and Mrs. Clyde Ray Davis were home last week-end. Mrs. Davis has been caring for her mother at Earth.

Sunday visitors in the Joe Smith home were her parents, Mr. and Mrs. Williams and her sister, Mrs. Myers, all of Amarillo.

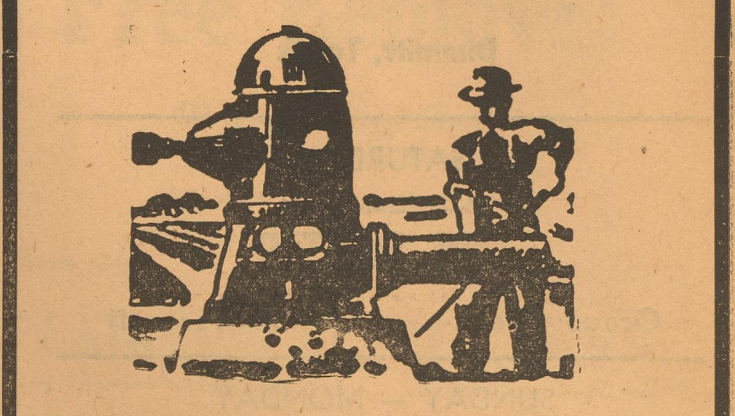

Jack Williams of Texarkana, Texas, visited his sister, Mrs. Joe Smith and family, two days last week.

JUMBO NEWS

Thirteen families of the Jumbo community gathered at Jumbo Monday, September 14, and worked on a butane system and painted woodwork. The women fixed lunch for 31 people and then supper was fixed for those that stayed and worked until 9 o'clock.

The families present were M. L. Simpson, Sr., M. L. Simpson, Jr., Bill Simpson, Leslies, Boozers,

PROMPT PUMP REPAIR

What can you gain by waiting? If you have gearhead trouble, or a faulty pump, it won't get better until someone fixes it. You'll have to fix it before you can pump, so why not call Kenny right now. If you've taken work to Kenny before, you know he gets it done right. Ratio changes and gearhead repair are done right in Kenny's well equipped, well staffed, shop. Call Kenny for pump repair too.

HART NEWS

J. D. Tyler of Kress spent last week visiting his brother, Robert, and family. J. D. moved his family to the Furche Riley place on Monday.

On the sick list this week are Mrs. E. J. Keith, surgery; Bill Wood, pneumonia; Luke Davis, broken ankle; Melvin Aven, throat ailment; Mrs. Roland Shepard, heart.
Mr. and Mrs. Alex Reitz and Roy Wingard of Baroda, Mich.,

spent Monday and Tuesday in the home of Mr. and Mrs. Bill Swindle. Alex and Bill were buddies in the army in World War II.
Joseph Bauman, of Fort Hood spent the week-end with his parents, Mr. and Mrs. Frank Bauman. Sunday dinner guests in the

Bauman home beside Joseph were Miss Gladys Amen of Nazareth and Gus McLain.
Miss Peggy Davis and Mr. Porter Buchanan are new employees at the Farmer's Grain Company. Mrs. Sarah Alice Hart and Mrs. Martha Bauman are employed at the Lindsay Gin.

Mr. and Mrs. Clay Anderson and family visited Mrs. Anderson's sister in Amarillo on Sunday. Gaylia remained to show a Brown Swiss calf at the Tri-State Fair.
L. L. Swindle has returned from a short business trip to Paris, Texas.

Mrs. Bob Hill has joined her husband in Valejo, Calif. Bob is in a hospital there.

Mr. and Mrs. Merle Pickereil went to San Antonio on Tuesday. They expect to return on Friday.

Mr. Ralph Perry and Chas. Martin, Jr., attended a citizens meeting in Edmondson on Friday night. Purpose of the meeting was to discuss with officials of the West Texas Gas Company the possibility of a natural gas line to serve Edmondson and Hart.

Eugene Buie of the Soil Conservation Service whose home is in Fort Worth spent Thursday night with his uncle, Fred Hamm and Mrs. Hamm.

One of the Hart school busses driven by Mr. Fred McCollum overturned about 2 1/2 miles south of town Monday afternoon. A mechanical failure caused the accident. Although the bus was loaded with children no one received serious injury. Some minor cuts and bruises were received.

Mr. and Mrs. T. R. Davis entertained with a birthday dinner to honor their son, Bob, on Sunday. Guests beside the honoree and his family were Mr. and Mrs. Tom Crotchett of Harlingen, Dr. and Mrs. Jim Roberts of Lubbock, Mr. and Mrs. Doyle Davis and children, Luther Davis, Peggy Davis and the hosts.

Luther Davis returned to Lubbock with his daughter, Mrs. Roberts to remain until his ankle heals.

Mr. and Mrs. Boyd Smith of Lubbock visited Mr. and Mrs. Clarence Williams and Mr. and Mrs. Buster Aven. Mrs. Smith is a sister of Mrs. Aven and Mr. Williams.

Hart had quite a storm on Friday night about 6 P. M. A very high wind from the north west brought up a black duster which was immediately followed by rain and hail. Stones were not so large but the velocity of the wind caused them to hit with such force as to cause much damage. Cotton stalks were stripped of all leaves on the Paul Brooks farm. Others damaged were J. R. Riley farms, Dean Sanders, O. D. Dinwiddie, Harvey Davis, Easton Wall and perhaps others. We received about 1/2 inch of rain in town and east.

Nazareth News

Initiating the year's activities, the Nazareth P. T. A. met Sept. 18, with a large membership present. Mrs. Leo Witkowski, president, commended the school children on their success in the recent membership drive. Committees were appointed by the president, who further outlined briefly the scope of work assigned to each committee.

Mrs. James Cornette, district P. T. A. president, defined the objectives of the parent-teacher organization, pointing her discussion toward the role of the home in the education of the child. The P. T. A.'s relationship to the school was explained by Dr. James Cornette, West Texas State president.

The Catholic Daughters of America met Sept. 17 in the community hall. Mrs. Leo Ehly, grand regent, appointed Regina Brockman to head a committee for the purpose of visiting the aged and sick and for furthering the practice of the corporal works of mercy.

Collection of clothing to make layettes to send to European needy will be another project of the organization. Mrs. Tony Ackler, committee head, will collect the articles from the members and arrange for shipment to Europe.

In cooperation with the accent or religious vocations now evident in the Amarillo diocese, the C. D. A. voted to sponsor a prayer crusade. A member of the organization will attend Mass each day for the intention of religious vocations.

Lecturer Mrs. Tom Annen reported the success of the Country Store Booth at the parish picnic on Labor Day. She also appointed group chairmen to raise money for the purpose of helping to pay for the pavement ahead of the community hall. Mrs. Henry Wilhelm, Mrs. Joe Warren, Mrs. Frank Leinen and Mrs. Florence Albracht are the appointees. Completion of this project was scheduled for Thanksgiving.

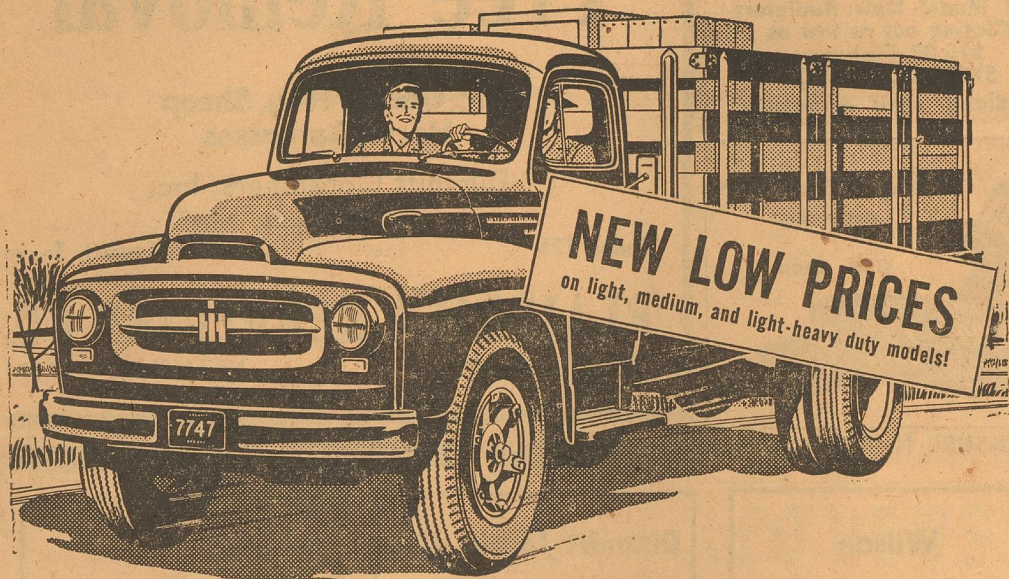

Hosts at a dancing party Sept. 11 were Lois and Joan Book and Fred Annen. Guests included a number of out-of-town friends.

Mildred Patterson of Hart is enrolled at Ottawa University, Ottawa, Kansas, for the fall semester. She is a senior. Miss Patterson is the daughter of Mr. and Mrs. C. E. Patterson of Hart.

Mr. and Mrs. Boyd Watkins, Annette and Emily of Lubbock were Sunday guests of the M. F. McRee's.

Mr. and Mrs. Joe Hastings have returned from a trip to Colorado.

Our Neighbors News of

PLAINVIEW (from the Plainview Evening Herald) Plainview city employees have been given salary increases totalling \$15,000 a year. The across the board raises were awarded at a called session of the city council recently. Most of the increases became effective October 1, beginning of the next fiscal year. City salaries were raised about a year ago, giving them a total pay increase for the past fiscal year of approximately \$9,000.

QUITAQUE (from the Quitaque Post) Quitaque Schools opened Monday with a spirit of optimism that presages a successful year. Two hundred and fifty-seven students have been enrolled in the white school and forty-five in the colored school. The high school enrolled a total of 86 students. School officials stated they were very pleased as to the way things are rolling into shape.

CHILDRESS (from the Childress Reporter) The county commissioners court set a 92 cent tax rate for the county and approved the distribution of the Road and Bridge Administrative fund for the 1953-54 fiscal year. The new tax levy is a three cent decrease from the rate of 95 cents last year.

TULIA (from the Tulia Herald) Howard N. Love, who farms 11

miles east of Tulia, delivered the first bale of 1953 cotton to Swisher Co-op Gin Friday afternoon. The 595 pound bale sold for a premium price of 50 cents a pound. The Tulia Chamber of Commerce paid a bonus of \$25 for the first bale fund.

Contract for the widening of Highway 87 into a 4-lane divided highway between Tulia and the Randall county line is expected to be let in January, according to officials. The road will match the one just completed between Tulia and the Hale county line.

MULESHOE (from the Muleshoe Journal) Approximately 100 barrows were placed on feed this spring by Bailey county 4-H Club members. The barrows are being groomed for the Barrow Show here October 10 and also the State Fair at Dallas. Following the show bids from all hog buyers in this vicinity will be invited.

EARTH (from the Earth Sun) A new shoe shop, owned by M. N. Taylor and C. O. Taylor, opened here recently. The new business is also handling handmade boots, moccasins, Army surplus and lots of western wear.

W. V. Reynolds who had the first bale ginned at Amherst this season, received a total of \$372.61 in premium money for the bale. Reynolds received \$200.50 in premium money and \$172.11 for the bale.

MATADOR (from the Matador Tribune) Opening ceremonies for the farm-to-market road between Flomot and Quitaque were held this week. The Lions Club and business firms of Quitaque have made plans for a community barbecue to celebrate the opening. The paving will greatly benefit residents of Flomot and surrounding area as well as provide another paved outlet to Silvertown, Tulia and Amarillo.

SILVERTON (from the Briscoe County News) A new dry goods store, located near the Palace Theatre building here, was opened recently under the management of Ted Dakil, brother of Frank Dakil, Childress merchant for many years. A number of interior changes were made to the store prior to its opening. A complete line of dry goods are offered the public.

CAUTION IN PASSING SCHOOL BUSES URGED TO AVOID SERIOUS MISHAPS

EDITOR'S NOTE: This information is prepared under the supervision of the State Bar of Texas and is presented by this newspaper as a public service.

School buses over the state have now begun the task of carrying thousands of children to and from their studies. Soon to be expected are the inevitable tragic reports of death and injuries occurring when impatient youngsters dash across busy highways to greet their waiting parents or to board the bus. Most of such accidents could be avoided if motorists would adhere strictly to the letter of the law pertaining to the passing of a school bus.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he then is allowed by law to proceed past same at a speed "which is prudent, not exceeding 10 miles per hour, and with due caution for the safety of such children."

Hold's Both Ways

What many persons do not realize is that the very same rule applies when meeting a stopped school bus. While everyone is interested in protecting our chil-

dren, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

Common Sense Rules

When it comes to overtaking or passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed or pass it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the

prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right side in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four lane highway.

However, our traffic laws state that even when passing on the right is allowed it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Exceptions Few

Even when not engaged in passing another vehicle, a driver is prohibited from driving to the left of the center of the roadway at all times except in a few specified instances. The few exceptions where the center may ordinarily be crossed do not apply in the no passing zones designated by dash lines placed to one side of the center stripes on our highways.

Neither may you cross the center line for any purpose when approaching within 100 feet of any bridge, viaduct or tunnel. The prohibition also applies when approaching within 100 feet of when traversing any intersection

or railroad grade crossing. A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of coming traffic.

Cole-McKinney Vows Pledged in Double Ring Ceremony at Clovis

Miss Braunita Cole, daughter of Mr. and Mrs. Bill Cole of

Dimmitt, became the bride of Wayne McKinney, son of Mrs. A. M. Proctor of Hereford, Sept. 5th at Clovis. Members of each family attended. Mrs. Ray E. Stovall was maid of honor and Mr. Ray E. Stovall was best man. Both are from Amarillo.

Mrs. McKinney was a graduate of the '53 class of Dimmitt high school.

Mr. McKinney is in the Navy serving aboard the U. S. S. Kaskackia (AO-27).

The couple are now at home at 32 S. Golden Ave., Long Beach, Calif., for a few months. He has just returned from a second tour of duty in the Korean waters.

W. S. C. S. Meets With 13 Present

(delayed)
The Womens Society of Christian Service met Monday, Sept. 14 at the church with 13 members present.

Mrs. Van Zandt gave the devotional and Mrs. Geo. Bagwell led the Study, "The Rural Mission of the Church". Others helping with the program were Mrs. Dodd, Mrs. Cowsart, Mrs. Newton and Mrs. Cunningham.

The Society adjourned with a prayer in unison.

Mr. and Mrs. Andrew Bolton of Salt Lake City, Utah and Mr. and Mrs. J. W. Scruggs and son of Seminole, Okla. are here this week for a visit in the home of Mr. and Mrs. Ray Bearden. Mrs. Bolton and Mr. Scruggs are sister and brother of Mrs. Bearden.

Kleman-Ramackers Vows Exchanged at Nazareth in Double Ring Ceremony

Leola Kleman and Ed Ramackers exchanged Nuptial Vows Tuesday, Sept. 1, in Holy Family Catholic Church at Nazareth. The Very Rev. Peter Morsch read the double ring ceremony.

Parents of the bride are Mr. and Mrs. Arthur Kleman. The bridegroom's parents are Mr. and Mrs. Florence Albracht.

Preceding the exchange vows "Ave Marie" was sung by Andrew Albracht who also sang "Panis Angelicus" at the offertory. Mrs. Leonard Conrad played the traditional processional and recessional wedding marches.

Escorted to the altar and given in marriage by her father, the bride was a picture in a gown of white chantilly lace over satin. The bodice featured a Peter Pan collar and long sleeves, which tapered to petal points over the hands. The boufant skirt fell into a cathedral train. Her elbow length veil of nylon net was attached to a lace cap trimmed in pearls. She carried a bouquet of white roses and stephanotes.

For something old the bride wore her grandmothers engagement ring. For something new she wore a rhinestone necklace and earrings, a gift from the bridegroom. For something borrowed she carried her mother's prayer book, and for something blue she wore a tiny blue ribbon on the bottom

of her petticoat.

Serving as Matron of Honor was Mrs. Francis Wilhelm, sister of the bridegroom. Bridesmaids included Agnes Kleman, Estella Hoelting and Lorene Albracht. They wore ballerina length gowns of net and lace over satin in pastel colors of orchid, blue, green and yellow. Each carried bouquets of bronze mums.

Alphonse Kleman was best man and groomsmen were Lawrence Schmucker and Harold Kleman.

For her daughter's wedding Mrs. Kleman chose a navy blue rayon suit, the bridegrooms mother wore a black dress with red accessories. Both wore corsages of white carnations.

A wedding breakfast was held at the home of the groom's parents, after the Mass.

The reception was held at 4 P. M. at the home of the bride's parents.

After a wedding trip to Missouri the couple will make their home in Nazareth.

Eula Pearl Coston left recently to begin college work at Bethary-Peniel College, Bethany, Okla. Doris Dean Coston is a home economics teacher at Freedom, Okla. Both girls are daughters of Mr. and Mrs. Oscar Coston.

Mr. and Mrs. H. G. Behrends and Clarence returned recently after spending a week in Phoenix, Ariz., visiting A. L. C. and Mrs. Travis Yates. Mrs. Yates is

the former Ethel Behrends. Rev. L. D. Hawkins of Denver, Colo., is visiting his brother, J. W. Hawkins.

A message to every prospective new car buyer:

You can have the most popular automatic transmission to be found in any low-priced car **Chevrolet's Famous 1953 Powerglide!***

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

Much More Economical
Chevrolet's 1953 Powerglide Automatic Transmission*—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you *entirely new operating economy* in city driving and on long trips.

Far Livelier Getaway
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in *seconds*.

Important New Gas Savings
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a more efficient use of engine power, make it extremely thrifty.

In fact, bring you the most important gain in gasoline economy in Chevrolet history.

Great New Passing Ability
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

Smoothest No-Shift Driving at Lowest Cost
Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

Safe Eyes-on-the-Road Driving
Safety is served in many ways. And one of the most important, perhaps, is that Powerglide permits you to *concentrate* on

driving. You can keep your hands always on the steering wheel and your eyes always on the road.

Full Engine Braking-Power on Hills
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

Rock Out of Trouble
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

Push-Proof Parking
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

Time-Proved, Owner-Proved Dependability
Come in. Drive a Chevrolet with this finer, more popular automatic transmission. *Test it and you'll want it.* It's time-proved, and road-proved by hundreds of thousands of owners, in over a billion miles of driving.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering available on all models.
