"I CHALLENGE YOU---"

Yes, I challenge you to study the Word of God. Not jus read it. But, do as Jesus enjoined, SEARCH the scriptures, John 5:39. Thus, Jesus challenges you to study. Will you accept the challenge of the Bereans of old who searched the scriptures daily? Acts 17:11. They didn't think it unreasonable to study daily. Do you?

God's people were destroyed in times past for lack of knowledge. Hos. 4:6. God's people today are required to add knowledge along with the other graces, 2 Pet. 1:5. er. 10:23; with the desire to know the truth, John 8:31,32 as a truth-seeker, Acts 17:11; as a truth-lover, 2 Thess :10,11; with the desire to do the truth, James 1:22.

Competition is a demanding taskmaster-but it can also be the greatest rewarding factor in merchandising or servicing. It is a taskmaster when competition defeats, when it sets the rut that engulfs the businessman. Competition is rewarding when the merchant forces it to become his tool, when he knows he has a thriving, growing business that will never want for customers. Business goes where it is invited—and competitive prices, outstanding courteous service with a good selection, and promotional advertising will do the most

Do yourself, your customer, and your community a favor by using the pages of the Castro County News to sell your goods and services. It is not only good business but it will help you gear your operation to today's quickly changing trends and increasing competition.

Success stories of large businesses almost always hinge around concentrated advertising and other sound business practices. Start a campaign now-you'll be amazed at how quickly you will feel the difference. Just telephone 88 and a salesman will call on you at your convenience.
