Salvation Army to Start \$1,500 Drive The Castro County News

Fund Drive is scheduled for next the Salvation Army. week, according to Dale Prather, Drive Chairman for the local Salvation Army Unit

The drive opens Tuesday and will continue for two weeks A portion of all funds raised during this campaign remains in Castro Hays. County to be administered by the local social unit

Heading the service unit is Rev. Darris Egger. Other members of the committee are Mr. Bob Mc-Lean, treasurer; Earl Brock, Sheriff Jack Cartwright, Judge Raymond E. Wilson, Joe Warren, Nazareth, and Casey Jones, Hart All cases, in which charitable

assistance is necessary, are administered by this committee. There is no red tape and emergency aid is given immediately. During the past year, approximately 200 people in the county were given some type of assis-

ance. Some of these were tran-

sients. Also available to the citizens of Castro County are the many state wide services of the Salvation These include the Home and Hospital for Unwed Mothers in San Antonio, Evangeline Home: in Dallas, Fort Worth, San Antonio and El Paso and Alcoholics Rehabilitation Center in Houston.

One of the major items in the list of state services is a summer camp for boys near Waxahachie. This camp provides for a week of summer enjoyment at no expense to the parents or the child. The committee of Castro County sends four boys each year.

Cranberries Out As Menu Item at School Cafeteria

Cranberries will not be served n the Dimmitt Grade School Cafeteria until it is fully determined that there is no danger in volved, according to a statement made last week by Mrs. Ear White, cafeteria superivsor.

Mrs. White said there were many cans of cranberries on the shelves at the cafeteria. "I don't think there's any danger at all. she said, "but of course we can't take any chances.'

The concern stemmed from an assertion by the Federal Food and Drug authorities that cranberries from certain northern states had been treated with a during the past year as an insect-Since this insecticide has been found to cause cancer in mice and rats, the government decided to clamp down on cranberry sales from the 1959 crop.

PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars . . . and what they want most in their 1960 cars. Here's what the people tell us they want . . . and here's how Chevrolet meets their needs.

"Price, that's what's uppermost in my mind." All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at

"And how about operating economy? And resale value?" You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

"Give me plenty of good old-fashioned comfort." There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under you'll know just how comfortable Full Coil suspension makes your ride.

"Safety-don't forget safety!" You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

"Let's keep upkeep down, too." More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, unruffled way of going, from the solid thunk of Chevy's big doors. Of course, if you should need service, you're always near efficient, economical attention to your needs.

"I want a car that will stand up to the driving I do." For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car-evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

"Me for a sweet-handling car." Handling's always been Chevy's forte, and 1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

"...a car you can look at and be smug about buying it." Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

"And performance. Let's have a hot one!" Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: value.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

Nearest to perfection a low-priced car ever came.
