I am a little reluctant to mention the need of funds by organizations in this column, and the only reason I do it now is because an organization, that renders a popular and needed service, will soon be out of funds. The Meals on Wheels program, started last December, has met with good support while rendering a much needed service. Initial funding of Meals on Wheels came from an allotment of \$600 from United Way plus contributions from churches, organizations and individuals. No fund raising campaigns have been made by the Meals on Wheels organization, but contributions will be appreciated. Contributions may be made to Mrs. George Sides, president; Bill Birdwell, treasurer; Doug Proffit, accountant; or at the Castro County News office.

GEORGE BUSH JR., Republican nominee for Congress, emphasizes a point during a luncheon meeting here Saturday. In background is State Sen. Bob Price, who accompanied Bush on a five-county campaign swing. Bush is opposing Democratic nominee Kent Hance for the 19th District congressional seat being vacated by George Mahon.

Bush says Carter team would hamstring Hance

"We're going to win. We can meet people eye-to-eye and tell them, 'We can do a better job,'" Republican congressional nominee George Bush Jr. said here Saturday.

Speaking to a small gathering at a Colonial Inn luncheon, Bush said he could "buck the tide" in Washington better than his Democratic opponent, Kent Hance.

If Hance were elected, Bush said, "he'll be a member of the Carter Administration from the first day he steps into the House and votes for Tip O'Neal for speaker... whereas I'll be there thinking the way we think out here."

Bush hammered at the Carter Administration's policies on national defense, inflation, the farm economy, national health insurance and agricultural exports.

"If the make-up of the House remains the same after the off-year elections, with a

2-1 Democratic majority, Carter would have to interpret it as a reaffirmation of his policies," Bush said. "If you're interested in changing the direction we're going, or in having less government, who can go toe-to-toe with the Administration the best?"

He said an inflation rate averaging 11% per year is robbing Americans of their standard of living.

"In 1965, if you had a \$20,000 income, you paid \$3,000 in income taxes," he said. "In 1978 you'd have to make \$40,000 to have the same spending power, but you'd have to pay \$9,000 in taxes."

He advocated that agricultural producers do their own negotiating to provide food to other countries.

"Ninety percent of our exports are controlled by foreign companies," he said. "Let's

Nazareth challenges Pioneer rate increase

Nazareth's city commission Monday night became one of the first to challenge Pioneer Natural Gas Co.'s application for higher rates.

Pioneer announced Friday that it intends to raise its rates Sept. 15 by 26.36 percent, which the utility says would increase the average domestic customer's gas bill by \$6 per month.

The company has submitted a formal "Statement of Intent to Change Rates" with Dimmitt, Hart, Nazareth and the 60 other cities in the utility's West Texas Distribution System.

Since city governments are the "first line" of utility rate regulation, the city commissions have the option of approving or challenging the proposed new rates.

Nazareth's commissioners voted Monday night to join with the Panhandle Regional

Planning Commission to set up a study committee with consultants to examine Pioneer's profit-and-loss figures.

The matter is expected to go eventually to the Texas Railroad Commission, which regulates oil and gas prices in the state.

"I expect most of the cities within the distribution system to take the same action Nazareth took Monday—to band together and go to the Railroad Commission with it," said Jack Edwards, city attorney for Dimmitt, Hart and Nazareth.

He added, "I think that's the way Pioneer wanted it, too. The company has already agreed to the formation of the PRPC study committee, and has agreed to pay the basic costs of the study."

Schools set to open doors

Teachers will go to work Monday and students will start classes next Thursday in all three of the county's school districts.

Coaches and football players already have kicked off the 1978-79 school year with two-a-day workouts that started Monday. At Hart, the high school band started regular rehearsals last Thursday in preparation for football season.

But for most students and teachers, there's one summer weekend left before registration, in-service training and classes begin.

Here are the registration schedules for all three school districts:

DIMMITT

Dimmitt High School registration will begin today (Thursday) and continue through Wednesday.

Seniors will register today and Friday from 8 to 4; juniors will register Monday afternoon and from 8 to 4 Tuesday; sophomores are to register Wednesday morning from 9 to 10:30; and freshmen will register Wednesday from 10:30 a.m. to noon.

New students may report to the school any time from today through Wednesday. Vaccination records of each student must be presented upon registration, as well as verification of new vaccines. Students whose records show vaccinations are needed will be scheduled for shots.

Teachers throughout the Dimmitt school system will begin their in-service training Monday.

HART

Hart students will register Tuesday and Wednesday in

the high school library.

High school, elementary and kindergarten students are to register Tuesday, while junior high students will sign up Wednesday.

Tuesday registration times will be 8:30 to 10 a.m. for seniors; 10:30 to noon for juniors; 1 to 2:30 p.m. for sophomores; 3 to 4 p.m. for freshmen; and 8:30 a.m. to 4 p.m. for elementary and kindergarten students. Kindergarten pupils must bring birth certificates and health certificates.

Wednesday's registration times are 8:40 to 10 a.m. for eighth graders, and 10:30 to noon for seventh graders.

All junior high and high school students must attend all first-day classes next Thursday to be eligible for test exemptions, Supt. Ted Averitt said.

Breakfast and lunch tickets will be on sale during registration and on the first day of school.

NAZARETH

Nazareth students will register Wednesday and Thursday in their individual buildings.

High school registration will begin at 9 a.m. Wednesday with senior enrollment followed by juniors at 10:30, sophomores at 1 p.m. and freshmen at 2 p.m. in the high school building.

Registration time for kindergarten through eighth grade students is 9 a.m. Thursday in their home rooms.

Nazareth teachers will end their vacations Monday morning when they begin a preliminary in-service program.

LAKE BEDFORD — Highway construction workers were plagued with more woes Saturday morning when this water truck dropped into a hole on East Bedford, re-breaking a water main and turning a section of the street into a lake. Ned Smith, city director of public works, said the two-inch main already had been ruptured once, and that the city had repaired it Friday afternoon

and packed it in concrete Saturday morning, leaving a 6x8-ft. hole for the construction company to pack with dirt after the concrete dried. But the concrete was still wet when the truck fell in. Saturday's repair job took three hours. The East Bedford phase of the project has been plagued by broken water mains, severed telephone cables and a rash of traffic accidents.

Mrs. Mahan's last rites held Monday

Services were held Monday afternoon for Mrs. Fannie Sheffy Mahan, 85, of Dimmitt who died at 10:50 a.m. Sunday in Plains Memorial Hospital following a stroke.

Funeral services were conducted in the Dennis Funeral Home Chapel of Roses. The Rev. Howard Quiet, pastor of the First United Methodist Church, officiated, assisted by Thomas Collins, assistant pastor. Burial followed in Plainview Memorial Park by Dennis Funeral Home.

Mrs. Mahan lived most of her life in Childress with her husband, James, a lawyer and lived in Amarillo prior to moving to Dimmitt six years ago. She was a resident of South Hills Manor for five years and had been a homemaker most of her life. She was a member of the First United Methodist Church.

Pallbearers were Scott Sheffy, Brett Sheffy, Randy Bills, Graham Sheffy, Richard Jackson, Johnny Merritt and Lint Merritt.

She was the sister of Sid and Ray Sheffy, both deceased, and other brothers and sisters. She is survived by a son, Sheffy, of El Paso and several nieces and nephews.

News briefs

A CAMPAIGN CARAVAN representing gubernatorial candidate John Hill stopped in Dimmitt Tuesday afternoon for a rally with county Democratic officials and Hill supporters at the Castro County courthouse.

The caravan was one of five traveling across the state, headed by state representatives and other elected officials in support of Hill.

State Rep. John Bigham from Dist. 44, in the Dimmitt caravan, said the tour's purpose was to show that elected officials consider Hill's campaign important enough to take time out from duties to travel for him.

REMAINING RESERVED-SEAT TICKETS at Bobcat Stadium will go on sale to the public Monday on a first-come basis at the school administration office. Half the seats in the lower center section and 25 seats in the new upper deck are still available. Prices are \$15 in the old section and \$20 in the new deck.

AN ESTIMATED \$3,500 worth of silver and savings bonds was taken by one or more burglars between 3 and 5 p.m. Monday from the Jay Lee Touchstone home on the Clovis highway.

Taken were a silver service and silverware table settings from a downstairs buffet and hutch. A majority of the silver was antique and was made in Europe.

Burglars entered through an unlocked door in the garage and [See NEWS BRIEFS, Page 5]

County reviews rules for off-road services

The County Commissioners' Court Monday discussed the rules for use of county equipment on private property, signed a contract with the First State Bank of Dimmitt authorizing County Judge

Weldon Bradley to sign notes on behalf of the county, and approved a plat for a subdivision of four lots west of Dimmitt.

In discussing the use of county equipment on private property, commissioners said that drivers of the county "nail picker" should not accept tips for servicing individual driveways and yards. Commissioners added that the service is generally available to any county resident who requests it.

It was also emphasized that work on private property is allowed when such work is in the service of soil conservation "whenever, in the judgment of the county commissioners' court, such machinery is needed."

United Way budget requests due soon

Budget requests from agencies participating in the 1978 United Way campaign must be submitted by August 21 according to United Way president Doug Lapins.

The requests will be reviewed by the United Way Board and the Budget Committee in order to set the goal of October's campaign. The requests are being accepted by Bettye Huckabay and Lapins.

Agencies that participated in the 1977 campaign are also requested to provide the United Way Board with a short paragraph of their activities and highlights of the past year.

Cleveland finishes in national AAU finals

WAITING FOR THE CALL—Vicki Cleveland is introduced to the national TV audience as she awaits the start of the championship heat of the 100-meter girls' hurdles in the National AAU Junior Olympics in Lincoln, Neb.,

Saturday afternoon. At 16, she was the youngest and the smallest to make it to the finals in the 32-girl field. These photos were taken from a black-and-white cable-connected TV set.

RUNNING IN LANE 7 [arrow], Cleveland is locked in a tie for seventh as she clears the third hurdle. But with a strong surge over the final three bars, she crossed the line in a photo-finish with the sixth-place winner. The

girls in lanes 2, 4 and 5—Kim Turner of Detroit, Mich., finished 1-2-3 with Olympic-class times of less than 14 seconds.

Vicki Cleveland's hard-fought goal became reality Saturday afternoon as she hurdled her way to the nationally televised finals of the AAU Junior Olympics in Lincoln, Neb.

Competing in the 100-meter hurdles, the 16-year-old Dimmitt girl officially placed seventh in the championship heat and posted her best time to date, 14.3 seconds. Judges had to study video tapes later to determine the actual sixth-place winner.

The champion, Kim Turner of Detroit, Mich., finished in a blazing time of 13.65 seconds, while Kay Garnett of Seattle, Wash., and Kim Willis of Intercity, Mich., followed in 13.7 and 13.9 seconds. Any time below 14 seconds is considered Olympic class time.

Miss Cleveland, daughter of Kenneth and Libby Cleveland, was the youngest finalist in the hurdles. The other contestants were all 17 and 18 years old.

Her parents and brother, Kevin, attended the meet at the University of Nebraska [See CLEVELAND, Page 10]

Coed returns from month's journey through Europe

Connie Nelson returned recently from a month-long tour of Europe with friend Kikka Harrison from the University of Texas, who lives in Geneva Switzerland. She flew to Frankfurt, Germany, on July 4, made a stop in New York City on the way and saw the fireworks display over Manhattan as the plane took off. Connie and her friend met at Frankfurt and they went on a Rhine River cruise the next day.

They saw the old castles and vineyards, also saw German Chancellor Helmut Schmidt's "white house" on the banks of the Rhine. The cruise ended in Cologne. While there they went to the huge cathedral and the Romisch-Germanisches museum with artifacts from life when Cologne was part of the Roman Empire.

The girls had Eurailpasses and took the nice trains everywhere they went. Next stop was Amsterdam where they saw Anne Frank's house where she and her family hid during WWII. They went on a boat tour of the canals and saw the Rijksmuseum with all of Rembrandt's paintings. They also saw the Van Gogh museum.

They took a ferry from Calais, France to Folkestone, England, then a train to London. They stayed in a youth hostel in Holland Park. Connie said that London was one of her favorite places of the trip. They saw the changing of the guard at Buckingham Palace. There were so many tourists that the girls could barely see the guards.

While in the Abbey, everyone was asked to bow for a prayer for world peace and then recited the Lord's Prayer in their own language. It was a very moving service. Also seen was Big Ben and Parliament, Thames River, Trafalgar Square and Picadilly Circus.

They saw the Broadway musical "Annie" at Victoria Theater. It is a show about Little Orphan Annie. Kikka's father, in London on business took the girls out for a night on the town. First stop was the rooftop club at the Hilton Hotel. All of London could be seen from the club. Then they went to the White Elephant Club for dinner. It is a very exclusive club and Connie said she sat by Otto Preminger, the film producer.

She went on a tour of Oxford, Warwick Castle, Winston Churchill's home and Stratford-on-Avon, Shakespeare's hometown. Connie says she is a Shakespeare nut, so Stratford was quite an experience for her.

London has big black taxis that the girls enjoyed. They saw the Queen Mother's private car in front of them while riding in a taxi one night. The girls also went to Madame Tussaud's Wax Museum and the London Planetarium.

Found out later that Sharon Barker, Joy and Elvis Barker's daughter, was in London at the same time she was, as was Lelon Ginn who was with

a singing group touring Europe.

On to Paris. They were there on Bastille Day and it was very crowded with people and cars. Because of the holiday, all the shops and museums were closed for the weekend. Since everything was so expensive and not open anyway, they left Paris early and went to Kikka's home in Geneva. Did get to see the Eiffel Tower, Arc de Triomphe, Notre Dame and Mont Marte, where the artists paint pictures and there are many sidewalk cafes.

Geneva is a beautiful city with flowers everywhere and the beautiful lake. Kikka's step-father, the former mayor of Geneva, took Connie sailing on Lake Geneva one afternoon. She also saw the United Nations Building, the World Health Organization office, the International Red Cross headquarters and many other international offices. Geneva is very continental.

Kikka stayed in Geneva while Connie went to Oslo, Norway for a visit with her roommate from UT, Marian Morris, who lives there. The train to Norway also went through Denmark and Sweden. She didn't get to stop and tour those places, though.

Marian took Connie on a tour of Oslo's City Hall, Holmenkollen Ski Jump, the Kon Tiki Museum, Vigeland Sculpture Park and the Viking Ship Museum with Viking burial ships. Dr. and Mrs. Voss, Marian's grandparents, made dinner for the girls and wanted to show Connie how typical

Norwegians do things.

They went to see the movie "Saturday Night Fever" with some of Marian's friends. Connie said the film had Norwegian subtitles and also said that it is very big all over Europe.

Then they went to Asperoy in Southern Norway. It is an island owned by Marian's family. It was about 50 degrees every day, but everyone swam or water skied. Connie said she tried to brave it and ski, but the water was so cold that she immediately jumped back into the boat. She said they were all tickled that the Texan couldn't take the cold.

Norway was beautiful and had fjords, and pine trees everywhere. The sun didn't set until about 11 at night and rose again at three in the morning. Everyone flies the Norwegian flag in front of their homes and while Connie was on the island, Marian's family flew the Texas flag in her honor.

After Oslo, on to Munich where Connie again met Kikka and stayed with Mr. and Mrs. Harrison in their home there. They toured Munich and also Salzburg, Austria. She says this is the most beautiful city she has ever seen. The streets were narrow and made of cobblestone. Little shops and bakeries lined both sides and there were small churches everywhere. They toured a castle on the hill and could see all of Salzburg and the Bavarian Alps.

The Mozart Festival had just begun there and people

from all over the world were coming to hear the European opera stars and Philharmonic Orchestras from all over Europe.

They toured the house where Mozart was born, saw his first violin, piano, some of his musical scores and locks of his hair. Miniature scale models of each of his operas were also displayed.

Connie says she enjoyed talking to people from all over the world while riding on the trains and touring the places. She missed newspapers in English and ice water more than anything else. Lots and lots of tourists, she said, and everything is quite expensive too. She says she thoroughly enjoyed her trip and staying with her friends, though.

James and Reta Welch attended a buffet dinner and reception honoring their son Mark and his wife Brenda in Ann Arbor, Mich., Saturday night, Aug. 5. They attended church in Michigan with Mark, Brenda and her parents after which they flew to northern Michigan for a few days vacation at a resort on Lake Michigan. They visited an island that can only be reached by ferry. No cars are allowed on the island. The only transportation is by bicycle and carriage. Also visited the Soo Locks on the Canadian border. Watched the ships be transported from Lake Superior to Lake Huron by the adjusting of the level of water.

The delegates and alternates to the Democratic State

Convention met in Amarillo for a workshop Friday afternoon. Carl King was the leader of the workshop.

Tammy Ward is going to South Dakota State University at Brookings, S.D. She will go this fall in Sept. Probably will major in nursing or secretarial work. Tammy is a nurses aide at Plains Memorial Hospital and the daughter of Mr. and Mrs. Lee Ward. Her sister Cindy and husband live in S.D.

Mrs. Fannie Mahan, my sister-in-law, was in the hospital for several days before she passed away and the people here, nurses, doctors and Jerrold Wellborn and Fred Bolton are lovely hard-working folks. I am just meeting Kay Doss Mansell, a nurse; Paula Moore, Mrs. Jack or Leala Newsom, Mrs. Neal, Brenda Seeley, and many others.

A nice little nurse at South Hills is Rhonda Cole, a pretty golden-haired girl from Hart who is friendly and good.

Bee C. Bossett tells us that her daughter Mary went back

to Washington, D.C. where she attends Howard University. She is majoring in marketing and fashions. Mrs. H.G. Behrends has been quite ill at Plains Memorial Hospital and her family has been here to see her and Dad H.G. Their daughter Ethel Lockridge of Phoenix, Ariz., and Mr. and [See CHATTER, Page 9]

NOTICE

Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial, small industrial and air conditioning customer classes in the 63 cities and towns on its West Texas Distribution System, effective September 15, 1978. It is anticipated that the new rates will result in a 26.4% increase in Pioneer's gross revenues on its West Texas Distribution System, which increase is a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S. A Statement of Intent to change said rates was filed with each of the cities and towns (listed below) on or about August 11, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

apparently used a pillowcase from a downstairs bedroom to carry the silver. Patrolman Ronnie Ballew found one pillow case near the buffet with one silver serving piece in it. In addition to the silver taken, a jewelry box was forced open and jewelry was possibly stolen, as well as savings bonds from a kitchen drawer.

Farmers Union president calls for reorganization

Texas Farmers Union President Jay Naman of Waco appealed to local producers Monday night to reorganize the Castro County Farmers Union and help in the fight for better farm legislation in Austin and Washington.

Naman spoke to an audience of 45 in the Hart High School cafeteria. A second organizational meeting has been called for Monday night at 8 in the Farmers State Bank community room in Hart.

County Vice President Doug Higgins appointed James Welch, Theron Morrison, Vic Nelson and Weldon Jones to a nominating committee and urged all interested farmers to attend Monday night's session.

At this week's meeting, Naman gave an extensive report on state and federal legislation affecting farmers, and outlined the Farmers Union stance on bills pending in Congress.

"We are not in favor of deregulation of gas prices," he said. "We are opposing the Gas Bill, and it looks like it will be defeated."

The new \$190-million federal funding of the Agriculture Conservation Program "is a big victory for the Farmers Union," he said.

On the Farm Credit Bill, he said, "Although we support this, we don't advocate it as a substitute for farm income."

He said the FU supports the Melcher Bill, which would require foreign beef to meet the same standards as domestic beef, "but it looks like this bill is not going to pass the House."

ery or equipment is not demanded for the service of building and upkeep of the roads of the county and shall provide for compensation to the county road fund...for such employment of road equipment."

"Last month I had to sign a note for \$25,000 for operating funds for the county when our account became overdrawn by between \$6,000 and \$8,000 while waiting a few days for some certificates of deposit to mature," Bradley said, explaining the need for the contract with the bank.

The J.R. Brown Subdivision which the court approved will comprise nearly 11 acres cut into four lots on the north side of State 86 west of Dimmitt. The lots will average about 300 feet in width and from 300 to 530 feet in depth.

Carmen Henderson of the Texas Dept. of Human Resources asked the court to pay \$7 per day for 30 days to provide for a 16-year-old girl in the Amarillo Emergency Receiving Center. A resident of Castro County, the girl had been disowned by her family and is staying at the center until more suitable placement can be arranged. The court approved the payment and agreed to meet with Mrs. Henderson's supervisor at the Aug. 28 commission meeting at 1 p.m. to discuss the formation of a Child Welfare Board for Castro County.

In other business, the court:

—Approved payments of around \$3,739 for the overhaul of a motor grader in Precinct 2, \$2,635.39 for culverts in Precinct 3, and \$2,306.52 for culverts and blades in Precinct 4.

—Decided to pay attorneys' fees for the McDonald federal jail case out of the general fund.

—Tabled a motion to sign a new lease on the Mental Health-Mental Retardation building until a five-year option clause on the old lease could be studied further.

—Discussed combining the phone lines for the city police and the sheriff's office so that persons dialing the police after hours could still get an immediate response without having to re-dial. Action on the matter was postponed until further information could be obtained.

—Appointed board member Deanne Clark as the board's official delegate to the Texas Association of School Boards-Texas Association of School Administrators Convention, which will be held in San Antonio Sept. 23-25. Ryan and Gene King will also be attending.

—Tentatively set August 22 for a get together for board members and new faculty members.

—Set August 30 for the budget amendment meeting for the new budget. Also at this meeting approval on the new middle school student handbook will be sought.

—Adopted the high school student handbook.

—Approved payment of the bills.

—Toured the new ag farm, shop building and choir room, stadium seats and press box, tennis courts and remodeling at the middle school.

—Accepted the resignation of Monte White, kindergarten teacher.

—Hired: Annie Bell, Hart Plan A; Debbie Clary, Nazareth Plan A; Jackie Byrnes, replacing Mrs. White in kindergarten; and Martha Harmon, resource teacher for Richardson Elementary.

let OUR guys do it." Bush also said he's "dead-set against" national health insurance and is against an extension for the Equal Rights Amendment.

Bush was accompanied by State Sen. Bob Price, who reported on the Texas Legislature's recent special session to cut taxes.

Noting that Bush "wants people to be able to live in a free enterprise system with out coercion from the federal government," Price said, "Today, 45% of your money goes to pay for the programs of the Carter Administration. We're at the point where England was in 1965."

request Monday at 6:30 p.m., and Hart's city commission will meet Aug. 28 at 8 p.m. to discuss the proposal.

"When Southwestern Public Service Co. made its request for a rate increase, this same basic group of cities banded together, hired a single consultant firm and went to the Public Utilities Commission as a unified group," Edwards explained. "It will just depend on how the various city commissions want to handle it."

Pioneer, which first filed an advance notice of intent with the cities June 30, submitted its rate increase after completion of a study by company personnel and H. Zinder and Associates to determine the amount of deficiency in Pioneer's gas service revenues.

Pioneer President K.B. Watson said the rate requested is calculated to produce a gross revenue increase of \$19.8 million, "which is below the deficiency determined by the Zinder study."

In its original June 30 application, Pioneer said its last base rate increase was in 1970. Watson pointed out that the reason for higher gas bills since that time has been the state-authorized "cost-of-gas adjustment" or "pass-through" charge, designed to pass the increased cost of gas in the field directly through to the customer.

But Watson said Pioneer itself does not receive any of this pass-through charge. "In fact, Pioneer fails to recover much of the increase because of several cost items not recoverable in the cost-of-gas adjustment," he said.

"In spite of the increased cost of gas to the consumer, the company's rate of return has decreased substantially since 1970," Watson said.

The proposed rate increase will apply to all classes of customers served by Pioneer—domestic, commercial, small industrial and large gas air-conditioning and/or electric generating customers.

Several ladies from the Dimmitt LGA participated in the High Plains LGA play day Aug. 9, hosted by the Olton Country Club. Congratulations to Audrey Shottenkirk for tying for low putts in the first flight, Kathy Thomas for coming in with low putts in the second flight and to Neva Hickey for winning low net and tying for low putts in the fourth flight. This is always a fun day of golf with ladies from the High Plains area. Ladies from LGA who participate in this event are from the towns of Clovis, Farwell, Friona, Muleshoe, Littlefield, Olton, Tulia, Canyon and Dimmitt. This event will be hosted Sept. 13 by the Farwell Country Club. Play for this monthly event begins in April and ends in October. The last play day for the season is the tournament and this year will be hosted by Canyon Country Club on Oct. 11. Be sure to keep these dates in mind.

Having completed most of our tournaments for this season we still have play day on Tuesdays to look forward to and our monthly luncheon and business session will be Aug. 29.

Game nights are each Thursday night at the Country Club and we look forward to seeing you there. This is sponsored by the LGA and the ladies have been doing a good job in conducting this.

Since it is once again time for school to begin we are starting to wonder where the summer has gone. There is still time for much golf so we urge you to get out and take care of the last days of summer and fall and play a lot of golf before the winter weather arrives to keep us indoors.

small talk from South Hills Manor

On Monday, Wednesday and Friday, the manor is having story hour from 2 until 3 p.m. Refreshments are also served. The residents enjoy this time together.

Dorothy Musick, Sharon Leinen and Mr. and Mrs. Justice attended the funeral services of Mrs. Betzen in Hereford Thursday. We extend our sympathy to Mrs. Betzen's families.

Tuesday night a group from Sunnyside came to present a puppet show. Sunnyside folks are good, hard-working community people. They are so willing to give of themselves and their time to the home. Our residents enjoyed the show so very much.

Thanks to Mr. and Mrs. Cliff Brown, Mrs. Bruce Bridges, Mrs. David Sadler, Lynn Brown, Ray Lee Owen, Susan Sadler, Anna Guy, Ginny Guy, Rhonda and Tammy Ross.

Mrs. Pearl Gass passed away in an Amarillo hospital Thursday. The family requests memorials be made to Eastern Star in her memory. She was a member of the First Christian Church.

Frankie Walker and grandson from Estelline and Larry Tucker were here this week to visit with Velma Tucker. Also visiting Velma this week were Lana Tucker and friend Connie.

Mr. and Mrs. Armstrong have come to the Manor from Earth. They seem to be making our home theirs and they like our good food.

Mrs. Gaines Neill visited several of her friends in the home Saturday.

Luda Lynsey had a nice visit with daughter Irene Latham and great-granddaughter Stephanie Saturday.

Mrs. J.B. Seal visited her many friends in the home this week.

Helen Edlemen was here Sunday from Quitaque visiting Bailey Edleman.

Alta May Latham was born Oct. 2, 1900 as Alta May Toothman in Tipton, Kan. She spent her childhood and grew up in Down, Kan.

Here she met and married Hobart Bothwell in 1916. They had one daughter, Dorothy. After Dorothy's birth in 1918, Alta lost five babies who were all stillborn. After Hobart's death, Alta and

son we still have play day on Tuesdays to look forward to and our monthly luncheon and business session will be Aug. 29.

Game nights are each Thursday night at the Country Club and we look forward to seeing you there. This is sponsored by the LGA and the ladies have been doing a good job in conducting this.

Since it is once again time for school to begin we are starting to wonder where the summer has gone. There is still time for much golf so we urge you to get out and take care of the last days of summer and fall and play a lot of golf before the winter weather arrives to keep us indoors.

Mildred Kyle is now operating the dining room at the club house and is serving meals three times a day. If you have not made it out to eat one of her delicious meals come out to the club house and enjoy a good meal.

Free, reduced-rate lunches available

Applications for free or reduced lunch rates for students in Dimmitt schools are now being accepted, Business Manager Gene King said this week. Requests for the lunch rates can be made any time during the school year.

The free and reduced-price eligibility income scale, based on annual family income, is:

Family Size	Free Meals	Reduced Price Meals
1	\$0- 3,350	\$ 3,350- 6,530
2	0- 4,400	4,400- 8,580
3	0- 5,450	5,450-10,630
4	0- 6,490	6,490-12,660
5	0- 7,450	7,450-14,530
6	0- 8,410	8,410-16,400
7	0- 9,280	9,280-18,100
8	0-10,150	10,150-19,790
9	0-10,940	10,940-21,330
10	0-11,730	11,730-22,870
11	0-12,510	12,510-24,390
12	0-13,290	13,290-25,910
Each additional family member	\$780	\$1,520

If family income is greater than those shown, but there are unusually high medical bills, shelter costs in excess of 30 percent of your income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses, children may still be eligible.

The school children of parents or guardians who become unemployed are eligible for free or reduced-price meals during the period of unemployment, provided that the loss of income causes the family income during the period of unemployment to be at or below the levels shown on the scale.

To apply at any time during the year for free meals, or reduced-price meals, return the application to your child's school. Within 10 days of receiving the application, parents will be notified as to the child's eligibility.

If there is any disagreement with the school's decision, a fair hearing can be obtained by writing or calling Gene King, Business Manager.

In certain cases, foster children are also eligible for these benefits. All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color or national origin.

Water management

"Size is handicap without efficiency," Dannevik says

By William P. Dannevik, P.E. Hubert N. Casson once said "It's not size that counts in business. Some companies with \$500,000 capital net more profits than other companies with \$5,000,000. Size is a handicap unless efficiency goes with it." Let's apply Hubert's statement to our business of water management.

The pumping plant includes the fuel source, the engine or motor and the pump. The laws of physics tell us that energy applied over a period of time is called work. Work can be hard or it can be easy. That has to do with efficiency. The main objective of a pumping plant is to deliver water from underground to the surface to be used for irrigation. We can easily apply energy, natural gas or electrical, to this system, but mother nature has control of the time and the rate water enters the well from the aquifer.

Under a declining water table situation overdesign is the major problem. Being over designed is probably better than being under-designed but adjusting the energy input becomes very difficult. The more nearly matched these three elements of a pumping plant are to the inflow rate of water in the well the easier it is to select the most efficient energy input. The main items in the system that may need replacing are the bowls, the gear-head and engine or motor. Replacing one or all of these items may reduce the cost of fuel per year by more than enough to pay for the replacement. I believe Hubert is right "Size is a handicap

unless efficiency goes with it."

Conditions for irrigating have been very good. Plants, corn and sugar beets are still using water but evaporation rates are down because of the cool cloudy days. A typical reading from a 12 inch depth on a tensiometer is four centibars per day. From a 36 inch depth it is about one centibar per day. Most of the roots are within two feet of the surface on the soil and even though this area is kept moist, apparently some roots are three feet deep or more and using plant food and moisture from that area.

Harp named to advisory group

Elbert Harp, executive director of Grain Sorghum Producers Association, has been named to the National Advisory Committee on Cost of Production. The request was made by Preston Laferney, deputy director of the Commodity Economics Division of the Economics, Statistics and Cooperatives Service of USDA.

The 12-member committee was established in 1974 after GSPA initiated action to convince Congress that a national study of production cost should be conducted.

Harp was a member of the committee when it began work in 1974-75 to conduct the initial survey. The committee has not convened since that time.

Mike Heath

Local salesman wins honors

Mike Heath of Dimmitt has been recognized for his outstanding sales record by DeKalb AgResearch, Inc.

Heath was honored for his large increase in sorghum seed sales at the company's recent sales conference held at Hilton Head Island, S.C.

District Manager Heath is in charge of sales in north-eastern New Mexico and a portion of the High Plains area of Texas, where he oversees several seed dealerships.

IH field day set Tuesday

Hays Implement Co. will host a "Red Power Showdown Days" field demonstration, featuring International Harvester's Series 86 tractors from 2 to 5 p.m. Tuesday.

Participating farmers will be eligible for a national sweepstakes, with a top-of-the-line IH 1586 tractor as the grand prize.

Including all Series 86 models over 100 pto hp, the field day will be "one of the biggest IH promotions ever," according to David Hays. He noted that farmers will have the opportunity to test drive IH's 986, 1086, 1486, 1586 and Hydro 186.

"They will be able to try out the new park-lock transmission and heavy-duty power shift TA, which makes shifting easier," Hays said. "Also, farmers will be able to judge for themselves just how quiet the Control Center is."

He explained that the Control Center, a departure from the add-on cab of the past, is an integral part of the Series 86 models located forward of the conventional design.

Those wishing to visit the field demonstration should meet at Hays Implement Co. at 1 p.m. Tuesday to get directions to the demonstration site, Hays said.

Bradford receives Ed. D. from ETSU

Robert E. Bradford, son of Mr. and Mrs. James Bradford of Dimmitt, received a doctoral degree in education during summer commencement exercises Aug. 11 at East Texas State University in Commerce.

A total of 980 students received diplomas during the exercises held in the University auditorium. The largest single category of graduates was at the master's level with 525, followed by the bachelor's level with 423. There were 32 doctoral degrees conferred.

Cost-share sign-up set for Aug. 21-25

By CHARLEY HILL
Executive Director

There will be a sign-up for cost-share assistance under 1978 ACP Aug. 21 through 25. Funds are limited and applications will be approved on a basis of priority of need as in the past.

PRICE SUPPORT LOANS
The 1978 Corn Loan Rate, Grading #2, is \$2.06 per bushel for Castro County.

DISASTER PROGRAM
Corn or grain sorghum acreage affected by a disaster which will be harvested for non-grain use (silage, grazing or hay) must be appraised prior to harvest to be eligible for any disaster payments.

SET-ASIDE ACREAGE
Please remember that set-aside acreage cannot be grazed prior to Oct. 1, and nothing may be harvested from set-aside acres. Wind and water erosion must be controlled, and weeds must be controlled.

LAMBS AND WOOL REFERENDUM
A referendum will be held Aug. 21 through Sept. 1 to

determine whether producers approve of a new agreement between the Administrator, AMS, and the American Sheep Producers Council, Inc., for the advertising and sales promotion of lamb and wool.

If producers indicate approval in the referendum, deductions will be made from shorn wool and unshorn lamb payments for the years 1978-1981 to finance the ASPC's activities.

Any individual, corporation, partnership or legal entity which had an interest in one or more sheep six months old

or older for at least 30 days during 1977 is an eligible voter. If two or more producers are required to apply jointly for a payment under the wool payment program, only one ballot may be cast for all the producers.

Ballots will be mailed to known eligible producers on or near Aug. 21 and must be returned no later than Sept. 1. If you are eligible to vote and do not receive a ballot, you may pick up one at the Castro County ASCS Office.

THOUGHT: The less one has to do, the less time one finds in which to do it.

QUONSET QUALITY:

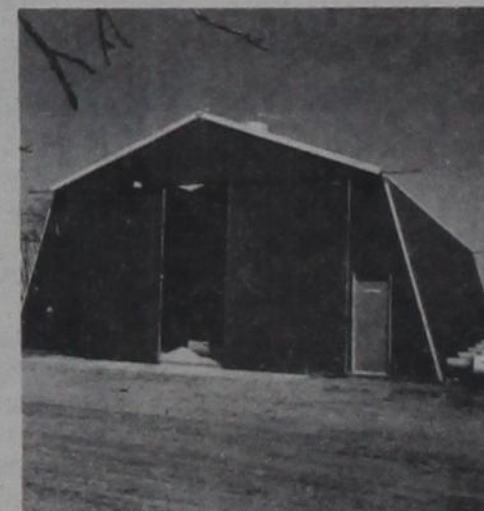

Just a few reasons why these all-steel farm buildings are your best buy.

Get the economy, but not the problems, of a wood pole barn in the all-steel Quonset Pol-Barn with straight-wall, peak roof designs up to 50' wide.

- The oldest name in metal buildings
- Quonset's high volume means lower cost
- Super-strong 80,000 psi steel
- Clear span - 100% useable space
- Wider, deeper, stronger panel configuration
- Choice of five shining, durable colors
- Easy access, easy storage for large equipment
- Self-drilling cadmium fasteners - won't loosen

Quonset Crestway, the versatile straight-wall building, makes the perfect choice for both farm and commercial users.

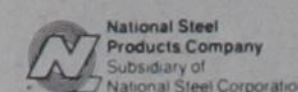

Pick either flat or pitched roof buildings up to 50' wide in the Quonset Ranchway series. Length starts at 48' and can be expanded with 24' bays.

The Quonset free stall loafing barn is built tough enough to withstand the rigors of animal housing while offering convenience and comfort.

Dear Friends, With pleasure I tell you that we are very proud of our program. In July the Amarillo State Center for Human Development was accredited by the Joint Commission on Accreditation for Hospitals. This

is a very high honor. Survey questions included: Who pays your immediate expenses? Do you have an active board? Do you feel you have adequate community support? With enthusiasm all of my answers were affirmative.

We are looking forward to the beginning of school. We will have three age groups, ages 8-10; 12-15; 16 and up. Our adult clients do contract work for Big "D" Chemical Company out of Oklahoma City.

Our oldest clients will be taking a self-earned trip to Six Flags Aug. 23-26. As of Sept. 1 Arci Catano, aide, will be employed full time. She had the privilege of attending the Texas Association for Retarded Citizens Convention in June. Thank you—Chem-Tex, Hays Implement, Braafadt Transport, Castro County News, Parsons Drug and Dimmitt Equipment Co., for the unique ways you helped us advertise Dimmitt in Castro County at this Amarillo State Convention on TARC.

I have already received word from Beta Sigma Phi that they will be giving birthday parties. Thanks ladies! I am always appreciative of your support, and am looking forward to another great year with you.

Sincerely, NORMA CONARD Director for Satellite Training and Work Center.

Gene and Bobbie Moore

Waco couple will lead Methodist revival here

Rev. Gene Moore and his wife Bobbie of Waco will lead revival services at Dimmitt's First United Methodist Church beginning with a noon covered-dish luncheon Aug. 27 and continuing nightly through Aug. 31.

Rev. Moore is an ordained minister having been appointed as evangelist in 1962. He was a pastor in a local church prior to becoming an evangelist.

Mrs. Moore is a musician, having had many years of formal training. Both received their degrees from an Oklahoma college.

The Moores have witnessed through the spoken word and music to thousands of people around the world. They have headed several missionary trips, the latest being to India in 1971. They have performed

duets for gospel meetings, camp meetings, retreats and for civic clubs.

They have been in charge of music for United-Christian Ashrams, the South Central Jurisdictional Conference on Evangelism and the National Committees of the Twelve. The Moores led music for the Southern Illinois Annual Conference in 1972. They have recorded four record albums.

A service featuring the Moores and the First United Methodist Church choir will be held each evening, followed by an "Afterglow" in the fellowship hall of the church.

Everyone is invited to attend the opening luncheon and the week-long revival. Each family is asked to bring a covered dish to the luncheon. Bread and drink will be provided.

VETERAN'S SERVICES

By BEDFORD W. SMITH County Service Officer

Beginning Monday our part-time office schedule will be Monday, Wednesday and Friday from 9 a.m. to 12 noon and 2 to 4 p.m., plus other times for emergencies and appointments. We are here to serve veterans, their survivors and dependents. Come see us at our office on the second floor of the courthouse.

The Veterans Administration reminds handicapped and elderly veterans about a guidebook, published by the Federal Aviation Administration, making air travel easier and more convenient.

Titled "Access Travel: Air-

ports," the publication lists design features, facilities and services that meet the travel needs of the wheelchair-bound, the blind, the deaf and the aged at 220 airport terminals in 27 countries.

The 20-page guide identifies 69 items important to aged and handicapped veterans and others. The list includes reserved parking, ramps, accessible rest rooms, elevator controls with raised lettering, telephones with amplifiers, and special transportation.

Single, free copies of the guide are available from the Consumer Information Center, Department 619F, Pueblo, Colo., 81009.

Organizations requesting more than single copies should write, citing quantity, use and justification to: Office of Public Affairs, APA-400, Federal Aviation Administration, 800 Independence Avenue, S.W., Washington, D.C. 20591.

View from the Library

By BRICK AUTRY

Many thanks to Friends of the Library who gladly paid for our special Walt Disney entertainment. The event was absolutely a success. The only way we could have gotten more kids into the film room was if we used a shoe horn. (If we had used a shoe horn, I'm sure someone might have thought it some sort of child abuse). There were over 150 people at this film, incidently.

Thanks also go to our Manpower aides, Alice, Christy and Ninfa who worked so hard right up to the last day. At the movie these girls decided to pop some popcorn for party favors. To tell the truth, I was skeptical when I saw all the crowd, but with a little dedication (and popcorn oil) 160 bags of hot popcorn were filled and handed out by the time the movie ended.

I'll now switch to a more serious subject. One patron complained about sundry children in the library. I deeply regret you did not bring this to our attention, dear library patron. Please note however, that babysitting is not one of our services nor is it one of my special fortes. If, in the future, you are bothered by the patter of

little feet, the chatter of little voices, or the rampages of a dozen wild undisciplined children, please let us know so that we can quell the misbehavior and exile the offending party. (You should also know that I flunked classroom monitor when I was in school—I liked watching eraser fights).

But now seriously, really we don't stand around the library and shush the kiddies, point to the quiet signs or keep our forefingers up to our lips—we are a little too busy for that. Children in the library will be expected to behave. If we are not around, you might do a little shushing yourself. If that doesn't work, let the library staff know the trouble and we'll try something else.

City man's brother dies

Services for James A. White, brother of Charlie White of Dimmitt, were held Thursday in Bell-Seale Funeral Chapel in Snyder. Rev. L. W. Hatfield, pastor of the Faith Baptist Church, officiated. Burial followed in the Snyder Cemetery under direction of Bell-Seale Funeral Home.

White, 64, died Tuesday in Cogdell Memorial Hospital in Snyder after a long illness.

He was born in Gonzales County and lived most of his life in Scurry County. He was a county employee and member of Faith Baptist Church. He married Nioma Terrell June 27, 1964 in Denver City.

In addition to his brother, survivors include his wife; a son, Roy of Beaumont and five grandchildren.

You can have a
CENTRAL VAC
installed in your present home!

CENTRAL VAC is the original "built-in vacuum system." It is more powerful, will clean better, faster, and easily reaches those previously inaccessible places. It slips your cleaning gear down to a featherlight wand with attachments, and a flexible hose that plugs into the wall. All dust and dirt is drawn through a sealed pipe system to a collection center mounted in your garage, basement or utility room.

We can install CENTRAL VAC in your home in less than a day, without removing walls or damaging your wallpaper or paint.

FORMULA 2 IS A NEW CONCEPT IN MAKEUP.

This new makeup is truly contemporary, and its formulation as unique as only a product developed by Revlon Research Group can be. It is:

SKIN ADJUSTED

For All Skin Types

Uniquely balanced to moisturize and blot oil where needed, Formula 2 will give you a perfectly natural skin finish. And it's pH-adjusted—to be compatible with your skin's normal pH balance.

COLOR ADJUSTED

For Maximum Color Fidelity

Formula 2 is specially processed to prevent color change from morning application to end-of-day's wear. Plus—its natural, semi-matte finish absorbs and softly diffuses light. So unlike many makeups, it maintains a truer color in any light.

CLIMATE ADJUSTED

For Longer Wear

Formula 2 gives you consistently beautiful coverage. Special ingredients resist humidity, repel surface moisture. Emollients and humectants protect against dry spells. And a sunscreen helps protect against harmful ultra-violet rays.

Lots more than power from a big-job tractor

Big-power jobs demand something equally important—big-job strength. And strength is the 4640's strong point. Evidence is everywhere... a bigger engine, longer wheelbase, more weight, new 4-pinion differential, bigger final drives, bigger drive axles. Even the drawbar is bigger and heavier than on the model it replaces. Now, bigger cooling systems are used for both engine coolant and transmission/hydraulic oil. Stop by the store for more details on the big-job strength of a 4640.

Bobcat editor, assistant awarded at Tech workshop

The editor and assistant editor of the Bobcat, Dimmitt High School's 1978-79 yearbook, received awards for their theme idea, layouts and design during the Texas Tech Journalism Workshop held July 30-Aug. 4 on the campus of Texas Tech University in Lubbock.

The first place award for the best theme idea in the entire workshop was given to Bobcat editor Laura Lapins and assistant editor Carla McRee. The two also received honorable mention for their ladder diagram, a page-by-page layout of the yearbook.

Miss Lapins placed second in layout and design achievement. Over 150 students representing 20 schools attended the workshop, sponsored by Taylor Publishing Company.

Awards were presented to the students and sponsors during an awards banquet held Aug. 3. Ralph Sellmeyer, head of Texas Tech's department of Journalism, presented the awards.

Mrs. Charlie Pennington and family from Billings, Okla., and the Ewings and Behrends from here.

Katy Burkett and Kathryn Birdwell were there for treatment, now home. And Brenda Buchanan was there at Plains Memorial Hospital. The twins are with her mom.

People tripping are C.J. and Omega Johnson. They are seeing the sights in Colorado. Going with them are J.B. and Thelma Moore. J.B. and Omega are brother and sister.

Colorado is the place where Arlon and Peggy Ewing went for a vacation. They stopped in Colorado Springs to see the Garden of the Gods and the zoo. Did you stop there? Do go and see all those monkeys. They look a little like people and are fun to see.

Mickey De La Cruz and daughter Yolanda are in the Mexico City area visiting her folks and touring that lovely and interesting city. Mickey makes those good hot rolls at Colonial Inn Restaurant, or did.

J.R. and Rickie Mixon and family have been to San Angelo to visit and enroute home made a stop in Odessa to visit Rickie's sister.

Cleo Guererra (a nurse) and husband Carlos have been to Dallas where Cleo had treatment on her arm that was broken a few months ago. It has been slow getting well, but okay now. Everyone is happy to have Cleo back at work. Carlos is going to New Orleans next week, will visit Mandy and Paul, his children and Sonny and Joell and children.

Little Brittany Sheffy, the 3-year-old daughter of Graham and Karen was the honored guest at a gift shower Wednesday evening in the home of Mrs. Arlie Petty on Sunset Circle. Many pretty

things were brought by the twenty young matrons and the kin.

The serving table was covered with a ruffled pink cloth over blue gingham. The centerpiece was a small baby basket with a doll and white double daisies. Brownies and little white baby decorated cakes were served by Meri Killingsworth, Janet Justice. Beverly Lindsey helped with the gifts. Out of town guests were Frances Lytle of Amarillo and Cindy Lytle and Virginia Sheffy of Canyon and Beth Wallace of Amarillo. Other hostesses were Doris Petty, Jan Edwards, Jackie Byrnes, Keri Carmichael. The grandmothers are Dorothy (Ted) Sheffy and Frances Lytle.

I met Pam Josselet at the party. Her husband Joe is manager of Hi-Plains Savings and Loan Co. here and he is also chairman of the United Way Fund Drive. Do give him and his workers your money gift soon. It is used locally for many things (not for heart or cancer).

Cletha George, her in-laws C.A. and Oleada Hance, Danny and Shelly Rice and babies, Martha Isaacs and son, Harry Joe Hance and his Mrs. from California and the Hance's and George's grandkids, Floyce and Jimmy George, too, went to Apache Shore southwest or east of Austin for a family reunion of the Hances. Cletha's sister Moeta and Robert Smith and their family were hosts to the crowd since they have a home there.

Don and Gladiola Shipley who live on West Clovis Road had their son Dr. Don Marvin and Mrs. Shipley their children Don Jr. and Chimene of Waco and her parents Mr. and Mrs. Clyde McClinton of Coolege for Thursday and Friday. They were enroute to Washington State for a visit.

Rev. I.W. and Mrs. Justice of Lakewood, Fla., have been here for a visit with his brother Virgil and Geneva Justice and Ken and Jan and children. I saw them when visiting at South Hills Manor.

Mr. and Mrs. Ronnie Stokes and boys of Opelika, Ala., have been here for a visit with his parents Mr. and Mrs. N.B. Stokes. Mrs. Stokes is a nurse at Dr. Lee's clinic and N.B. has not been well but doing okay at the time.

Mrs. Hope Josselet of Haskell has been here for a visit with son Joe and Pam and their children Renae and Karen.

Charlie and Jill McLean were the guests at a couples party Sunday evening when a group of friends went out with gifts for the coming baby. I didn't get names at this affair, too many folks to name.

Jeannie Miller was hostess to her bridge club Thursday with games and dessert, her guests were Betty Huckabay, Maxine Tidwell, Virginia Gilbreath, Jewell Watkins, Anita Morris, Ceal Carlile and Ann Carpenter won high score.

Bea Hawkins' company this week was her niece and husband, the Wallace Reagers of Vallejo, Calif., and grandchildren from Eugene, Ore.

Doyle and Eula Faye Martin of Altus were weekend guests of her sister Dorothy

and Rex Sheffy and brother Delbert and Jackie Smotherman and all the boys. They stayed to see Jackie receive her graduation certificate of nursing LVN at the service and reception at the Methodist Church.

I met Kim Barnett at the hospital. She is a student nurse from Olton and a sister of Dorothy Gilbreath. She plans to be an R.N.

David Gomez is a young man from the Hart area. He has a broken ankle he got at the Smith Potato Packing Plant when something heavy fell on him. He is doing fine, was watching the Cowboy and Denver game on a Saturday. He is a good-looking boy, also.

Frank and Shirley Wise were hosts for the family dinner Sunday to celebrate Ronda's birthday. Susan Coleman's brother Joel Nelson from Tech was also present as were Garland and Susan Coleman and Ruth Coleman the grandmother. Ronda is Mrs. Gary Wise. He was a guest of course.

Craig and Nancy Fuller went to Conchas Lake for a weekend vacation, fish a little, rest mostly.

Mr. and Mrs. Joe Scott and son Ben and his wife Mollie and girls attended a Scott family reunion at Brownwood last weekend.

Fannie S. Mahan died Sunday morning at 11 a.m. at Plains Memorial Hospital. She suffered a stroke Thursday. Mrs. Mahan was a sister of Ray and Sid Sheffy and grew up at Plainview. Attended college at Clarendon, married District Attorney Jim Mahan and lived at Wellington and Childress, one son Sheffy Mahan.

The Elmer Youtses had company over the weekend. Pat Greathouse of Monahans and her four daughters were here: Carrie and Bob Lee of Amarillo, Cindy and Dennis Schubert of Midland, Debra Greathouse of Austin and Julie Greathouse of San Angelo. Janice and Gerald Davis, Brad and Lindsay of Amarillo and Joe Mooney of Canyon also visited the Youts and the Bob Mooneys and Lester Gladdens. Bob is at home now but is ill and their children came to help with the yard work and did some

painting in the Mooney home. All had lunch at the Youts home Sunday.

Beral Hance spent the weekend in Panhandle with her daughter, Beth Hodges. Jack and Boyd were out of town. Beral met Beth in Amarillo and they had dinner at Applegate's Landing.

Jeannette Seely of Lubbock was here for the weekend with her parents, Gene and Cleo Seely and Brenda.

Cleo Seely and her daughter, Karen of Levelland, have been visiting in Dallas with Noble Seely and his family. Karen is lab supervisor at Cook Memorial Hospital in Levelland.

Rodeo play day set for Sept.

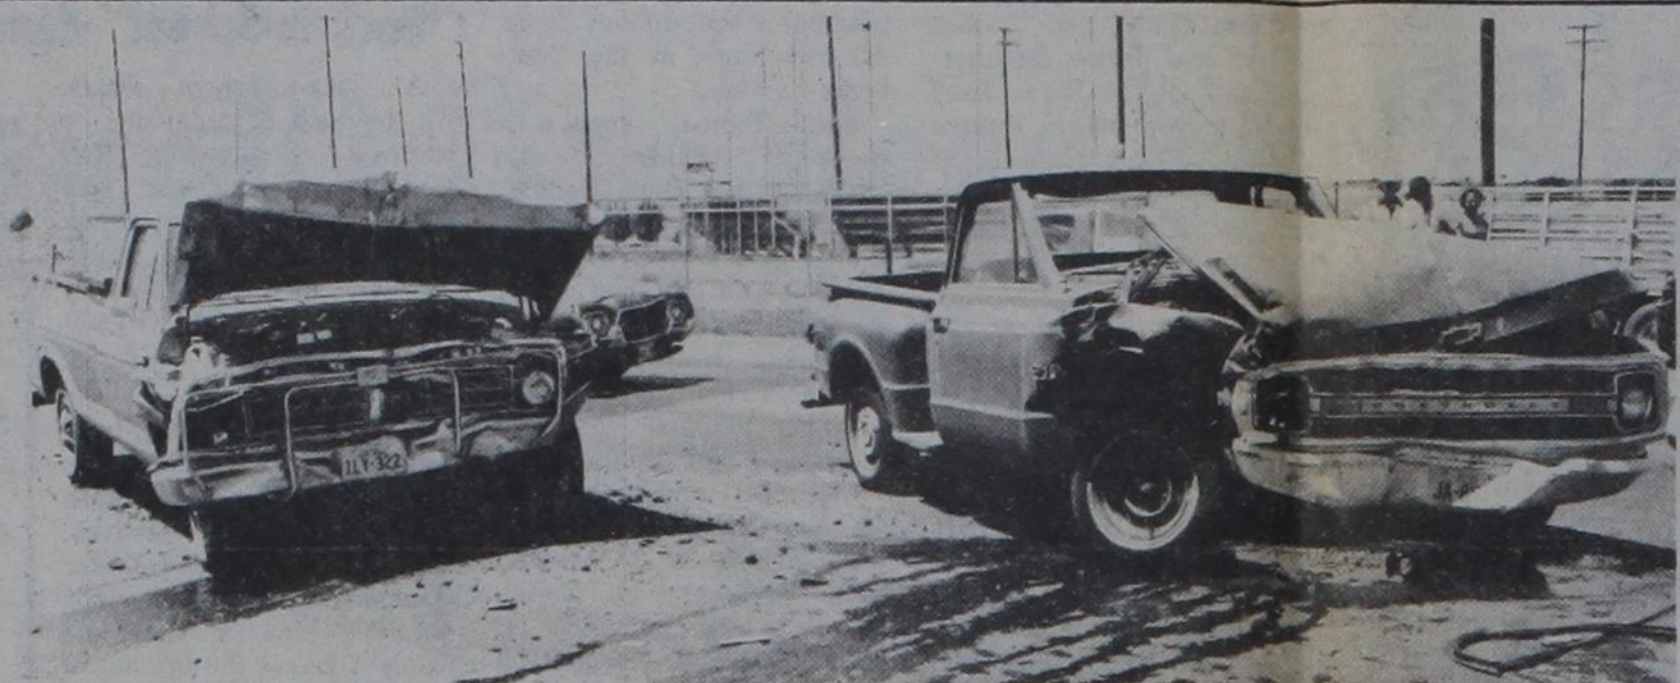

A stick horse race, calf scramble and Saturday night bath race are but a few of the featured events to be held during an old-fashioned western play-day set Sept. 9. The event is sponsored by the Dimmitt Rodeo Association and will be held at the Dimmitt rodeo arena.

Other scheduled events include a hide race, barrel race, pole race, goat tying, steer riding and break-away roping.

Contestants may enter by simply coming to the arena the day of the games. A \$5 entry fee will be charged for each event except the calf scramble and stick horse race. A \$2 fee will be charged for these two events.

The hide race and Saturday night bath race are open to all ages while the stick horse race is for children five years or younger and the calf scramble open to those 10 years and younger. All other events are open to anyone 16 years or younger.

Cash prizes, composed of the entry fees, will be awarded winners in each event. There is no admission charge to spectators.

TOTALED—These two pickups were demolished when they collided almost head-on in the 1200 block of West Bedford Street at 2:05 p.m. Sunday. The 1977 Ford pickup at left was eastbound driven by Johnny Webb, 21, and the 1970 Chevrolet pickup at right was westbound, driven by Derrell Musick, 50. City Patrolman Dewayne Haney said that Musick, approaching

Western Drive, turned left into the path of Webb's oncoming pickup. Webb's vehicle left 178 feet of skid marks before it collided with Musick's pickup. Webb sustained a knee injury and Musick and his wife received bruises, but all three declined treatment. Musick was cited for failure to yield right-of-way.

THREE-VEHICLE WRECK—This 1973 Ford Pinto, driven by Kelly Davis, 16, was heavily damaged when it rear-ended a pickup at the back of a line of traffic in the 200 block of East Bedford at noon Monday. The pickup it hit was a 1974 Ford Explorer driven by Soyla Lopez Thompson, 27, of Weslaco. The single lane of traffic along the East Bedford construction site was backed up 1 1/2 blocks from the Broadway-Bedford stoplight when the accident occurred. The impact propelled Mrs.

Thompson's pickup into the rear end of a 1978 Ford Ranger pickup driven by Jeff Robertson, 21. Police said Mrs. Thompson's pickup received slight damage, while Robertson's vehicle was not noticeably damaged. Kelly and his passenger, Rodney Craig, 18, both received bruises, while Mrs. Thompson and Robertson both told police they were not injured. Davis was cited for failure to control speed.

Cleveland makes finals . . .

[Continued from Page 1] campus.

Running more races in a shorter time than ever before, Miss Cleveland began her quest for the finals with the preliminaries at 1 p.m. Saturday. Coping with 100-degree heat and 80 percent humidity, 32 girls competed in four heats, with the top four in each heat advancing to the semifinals. Miss Cleveland placed third in her quarter-final heat with a 14.6.

Coming from behind and passing two girls on the last hurdle in the semifinals earned Miss Cleveland a berth in the finals.

She was in sixth place in the semifinal heat going over the eighth hurdle, but passed two runners at the last hurdle to place fourth in the heat. Miss Cleveland, who ran 14.4 in the semifinals, competed against 17-18 year olds who had qualified for the nationals several times.

When the races, worrying and tension for the runners had ended, Vicki emerged as the seventh best junior hurdler in the nation, having competed against 32 regional winners and runners-up. She is still eligible to compete for two more years.

"Very exciting, very impressive," was Libby Cleveland's reaction to the two days of competition. She added that the University of Nebraska stadium was filled with people from across the nation, college coaches on scouting trips, TV camera crews and AAU officials.

Opening ceremonies for the Junior Olympics were held Friday night in the University of Nebraska Sports Center. More than 1,800 athletes, entering alphabetically by states, marched into the center wearing white T-shirts bearing the AAU national emblem.

The governor of Nebraska, mayor of Lincoln, president of Sears, Roebuck & Co., and national AAU officials greeted the gathering, in addition to former Junior Olympic athletes who spoke to the group.

As the lights were lowered, a torch was lit and Olympic marathon champion Frank Shorter, Olympic wrestler Dan Gable and Olympic boxing champion Sugar Ray Leonard, along with other swimming and gymnastics Olympians, challenged the young athletes and praised them for their desire, determination and training.

Miss Cleveland roomed with Vickilee Coburn of Paint Rock, Texas, who won first place in the discus. The athletes were housed in the dormitories on the University of Nebraska campus.

Miss Cleveland will be used soon as a model for techniques of running hurdles in a training film for girls' track and field. Her coach, Margaret Ellison of Abilene, is producing the film, which will be funded by the University of Texas.

During the two days of competition in Lincoln, a team from Texas Tech University and the University of Nebraska conducted sports psychological tests, administering verbal tests before and after races. They were conducted

as part of a continuing study of the effects of competing, winning and losing and the psychological traits of championship athletes.

New meal prices adopted by school board in Nazareth

Nazareth's School Board met Aug. 9 in a regular meeting and adopted a new lunch program from the Texas Education Agency. The new meal prices are 45 cents for kindergarten through sixth grade, 55 cents for grades seven through 12 and 75 cents for adults.

Breakfast prices are 20

cents for a full breakfast, 10 cents for a reduced breakfast and 30 cents for adults.

The board voted to have agriculture students install a new motor in one of the spare buses.

Release time for students attending CCD classes of the Holy Family Catholic Church has been changed from Wednesday to Tuesday. Ralph Albracht represented the CCD.

The board is still interviewing applicants for girls' basketball coach. Coach George Cox resigned his position earlier this year.

I took lessons from a Specialist in Foot Reflexology while in Arizona and received a certificate showing I am certified to administer this method of treatment. I am opening an office in my home in the Huggins Addition on E. Hwy. 86, Dimmitt. I will be open from 2 to 5 p.m. Saturday and Sunday, Aug. 19 and 20 to explain this treatment, why and how it works and to prove it will tone up the body and make you feel better.

The regular price is \$7.00 per treatment, but to prove to people that it really works I will be giving treatments Saturday and Sunday evenings at only \$3.50, or half price, because this is the first time this method has been practiced in this county.

EVERYONE IS INVITED & REFRESHMENTS WILL BE SERVED

So come on out Saturday or Sunday evening.

I want to make a short talk explaining how this works and show charts and books which will help you see what I am doing.

Austin ceremony unites Miss Koeninger, Wendlandt

Stacy Dawn Koeninger and Ted Ludwig Wendlandt exchanged wedding vows Saturday in the Gethsemane Lutheran Church in Austin. Pastor Karl Gronberg officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Dowden Koeninger of Dimmitt. Parents of the groom are Mr. and Mrs. George L. Wendlandt of Austin.

The bride, presented in marriage by her father, wore an empire style gown of soft organza over bridal taffeta. The fitted bodice featured a Queen Anne neckline and full bishop sleeves which were accented with beaded Alencon lace.

The lace-edged skirt, which had beaded Alencon lace appliques, led to a chapel train. Her tiered finger-tip veil of illusion, bordered with lace matching that of the train, was attached to a crown of lace and pearls. She carried a cascade of yellow roses, white chrysanthemums and baby's breath.

Caron Marnocha of Corpus Christi served her sister as maid of honor. Bridal attendants were Chris Clark, Vicki Morgan and Carol Lundstedt, all of Austin, and Julie Wendlandt of Temple.

Each attendant wore a matching gown of a different pastel color. The colors which the bride chose for these empire style quiana gowns were yellow, blue, pink, green and apricot. The bridesmaids carried hand bouquets of mixed flowers in shades of the dresses highlighted with baby's breath and satin streamers to match each dress. Dyed-to-match daisies and baby's breath adorned their hair.

Serving his brother as best man was Gary Wendlandt of Temple. Groomsmen were Glen Bockhorn, Carl Wiruscheske and Rod Morgan, all of Austin, and Ben Marnocha of Corpus Christi. Ushers were Craig Shipman of Big Spring, cousin of the bride; Bobby Stevens of Midland; and Alan Hall and Gregg Werkenthin of Austin. Stevens and Werkenthin also served as candlelighters.

The musical prelude was played by Mrs. Carol Hinkelman, organist. For the professional, she played Bach's "Trumpet Voluntary" and the "Bridal Chorus" by Wagner. Following the wedding vows and lighting of the unity candle, Louise Kemp sang "The Wedding Song" and as the benediction, sang "The Lord's Prayer."

Following the wedding ceremony, a reception was held in the church fellowship hall. Guests were received by the bride and groom and their parents.

The bride's table was covered with a white cloth and taffeta skirt, with yellow bows

MRS. TED LUDWIG WENDLANDT
... The former Stacy Dawn Koeninger

and greenery adorning the skirt. The three-tiered wedding cake was decorated with fresh miniature pastel flowers and topped with wedding bells. A silver epergne with a floral arrangement matching the flowers on the cake and punch bowl completed the bride's table.

The groom's table held a chocolate swirl double-ring groom's cake, silver candlesticks entwined with greenery and punch bowl.

The bride graduated from the University of Texas at Austin in spring commencement exercises this year with a bachelor of business administration degree. She is currently employed by the Department of Human Resources. The bridegroom is a student at the University of Texas, where he is a member

of the Longhorn baseball team. He is employed at the Wendlandt Brokerage Co.

Following their wedding trip to the Texas coast, they will move to their new home at 1106 Village Green, Austin.

Pre-wedding activities included a rehearsal dinner hosted Friday night by the groom's parents. The dinner was held at the Tumbleweed Restaurant in Austin, overlooking Lake Austin.

A bridesmaid's luncheon was hosted Saturday by three of the bridesmaids. It was held in the home of Mrs. Rod Morgan.

Irene's Ideas Try these new recipes

Everyone loves recipes and I've got two that are yummy as well as easy.

Nell Ingram is well known for her good cooking and I'm sure your family will enjoy this squash dish.

Nell's Squash Patties
Mix together: 1 cup flour, 2/3 c. milk, 1 teaspoon sugar, salt to taste, 1/4 cup oil, 1 egg, beaten.

Add: 3 cups shredded raw squash, 1 small onion.
Add hot pepper or sweet pepper to suit taste.

Put 2 or 3 tablespoons oil in skillet. Drop by tablespoon into oil and fry on both sides till brown. (They should be lacy looking.) Drain on paper towels. Makes about 5 dozen.

These freeze well by cooling on a cookie sheet and then freezing. To use, take from freezer and warm in oven on cookie sheet.

My family loves homemade ice cream and we've really enjoyed this recipe from my sister in Colorado. Her recipe is for a 6 quart freezer, so remember to reduce amounts if your freezer is a 4 quart or less.

Schatzies' Ice Cream
Beat 10 eggs. While beating, add 3 1/2 cups sugar; beat till thick.

Pour into ice cream freezer. Stir in: 2 quarts half and half, 3 cans evaporated milk, 2 teaspoons vanilla, 3/4 teaspoon salt.

Freeze according to your freezer directions.

MRS. BOB SCHULTE
...nee Beverly McDaniel

Couple married in afternoon service

Beverly McDaniel and Bob Schulte were married in a double-ring ceremony Saturday afternoon in Nazareth's Holy Family Catholic Church. Father Stanley Crocchiola officiated.

The bride is the daughter of Mr. and Mrs. F.D. McDaniel of Petersburg. Parents of the groom are Mr. and Mrs. Ray Schulte of Nazareth.

Cynthia Schulte was the maid of honor while Cathy Wilson, Donna Blenden and Judy Perry served as bridesmaids. Best man was Mark Gerber. Groomsmen were David Bownds, Clyde Schulte and Gerald Birkenfeld.

Kenneth Blenden, Kenny Schulte, Bill Hoelting and Olen Schulte were ushers.

Escorted to the altar by her father, the bride wore a gown

of imported candlelight silk chiffon. It featured a czarina bodice and empress yoke of English net outlined with silk guipure lace. The same matching lace encircled the Victorian neckline and cuffs of the full bishop sleeves.

The softly gathered skirt and chapel train fell from a natural cinch waistband. Bordering the hemline was another row of guipure. The bride's waltz-length veil was made of imported candlelight silk chiffon. It was attached to a Juliet cap covered in matching lace.

Bridesmaids were dressed in gowns of blue quiana. Mrs. Jim Pegram provided organ music for the ceremony.

The bride is employed by the Dimmitt I.S.D. and the groom is fertilizer manager with Dimmitt Agri Industries.

Couple establish home in Amarillo

Mr. and Mrs. Smitty Lane are at home at Rt. 1, Amarillo, following their July 29 wedding in the Holy Family Catholic Church in Nazareth. Father Stanley Crocchiola read the double-ring vows in the afternoon ceremony.

The bride is the former Annaleen Venhaus, daughter of Mr. and Mrs. Paul Venhaus of Nazareth. The groom is the son of Mr. and Mrs. Harold Lane of Turkey.

Vina Birkenfeld was her cousin's maid of honor. Theresa Kern and Vera Schulte served as bridesmaids. Best man was Reggie Cathey of Turkey and groomsmen were Bruce Patrick and Ernie Lucero, also of Turkey.

Jeremy Hutson, nephew of the groom, was ring bearer while the groom's cousins, Michele Ferguson and Kelli Higgins, were flower girls. Harold Venhaus, Terry Hutson, Randy Woods and Jesse Ferguson were ushers.

Noreen Carson played guitar during the service and sang vocal selections along with her husband Allan. The bride's sister, Eileen Gerber, sang a solo during the wedding while Mrs. Leonard Conrad provided organ music.

Escorted to the altar by both her parents, the bride wore a floor-length gown of sheer organza and re-embroidered cluny lace over taffeta. The dress featured a Queen Anne neckline, empire waist and long sleeves. The full back ended in a chapel-length train.

The bridal bouquet consisted of daisies and pink roses. The groom was attired in a white tuxedo. His jacket was outlined in black and the

trousers featured black stripes on the sides. The bridesmaids were dressed in pink and maroon gowns. They each carried a single-stemmed daisy and wore daisies in their hair.

Following the ceremony, a reception dinner and dance was held in the Nazareth Community Hall. Guests were served a wedding cake made by the groom's mother. The cake was a light pink color, trimmed in maroon and topped with two doves.

The couple left for a wedding trip to South Fork, Colo. The bride is a graduate of Nazareth High School and the Northwest Texas Hospital School of Nursing. She is presently employed at High Plains Baptist Hospital.

The bridegroom graduated from Valley High and received a degree in welding from Amarillo College. He currently works at Gary's Heating and Air in Amarillo.

SORRY FOLKS ABOUT THE INCONVENIENCE

We are trying to make the best of a bad situation, but as long as the street paving project is in progress on Highway 385 North it will be impossible, at times, to reach our business location by the usual, and most convenient route.

If you will follow the route, marked below, you will find us at the north end of NW 3rd Street waiting and ready to serve you.

By using this back route into our business you will find every service we render readily available. We beg your indulgence for the duration of this inconvenience, and assure you that we want to serve you to the best of our ability.

Aircraft owners should file tax return soon

Most taxpayers who own aircraft must file a special

Federal tax return, Form 4638, by Aug. 31.

The return, Form 4638, must include the \$25 annual fee for each aircraft plus the tax of 3 1/2 cents for each pound of maximum certified take-off weight for turbine powered aircraft and 2 cents for each pound of maximum certified take-off weight over 2,500 pounds for piston powered aircraft, according to the Internal Revenue Service.

Revenue generated by the tax is used for construction and improvement of public airports and air control facilities.

The tax year for the use tax begins July 1 and runs through June 30 of the following year. If the first taxable use of an aircraft occurs after July 31, the tax based on weight is proportionately reduced.

Supplies of Form 4638 and the free IRS Publication 582, "Federal Use Tax on Civil Aircraft," providing additional information on the aircraft use tax, are available at many local IRS offices.

On the go

The Dan Heards have been having quite a bit of company lately. One day recently Mrs. Heard's cousins Jack and Vivian Taylor of Bonham came by. They enjoyed seeing all the pretty crops and irrigation and the vegetables in the fields and the potato digging.

Mrs. Gale Sadler, Cindy and Susan, Mrs. Phillip Jones, Mrs. Ray Joe Riley, Lonnie Wilson, Ricky Byers, and Chris Elkins took their final tests Friday night and all became official Emergency Medical Technicians. Only Ricky and Chris have completed their 40 hours of emergency observations.

Rev. Murlie Rogers of Calvary Church in Friona was guest speaker at the Baptist Men's breakfast Tuesday morning.

The Sunnyside Uppitts gave a performance for the residents of South Hills Manor in Dimmitt Tuesday night, accompanied by a delegation from the church. The Uppitts gave a performance in the First Baptist Church of Mator Sunday night. They were in their new tee-shirts in the local services Sunday morning, and presented the pastor with one during the service.

Mrs. Don Ott and baby daughter, Meri Lyn, were honored with a baby shower at the church fellowship hall Tuesday afternoon. Hostesses for the occasion were Mrs. Gene Ross and Tammy, Mrs. Lynn Cox, Mrs. Carl Dean Carson, Mrs. David Sadler, Mrs. Ezell Sadler, Mrs. Cliff Brown, Mrs. J. Paul Waggoner, Mrs. Lee Bradley, Mrs. Ricky Byers, Mrs. Jimmy Waggoner, Mrs. Bruce Bridges, Mrs. Larry Don Bills and Mrs. Phillip Jones.

A trace of rain was received Tuesday. 2.60 inches was received in July and .85 of an inch so far in August.

Mr. and Mrs. Jim Davis of Warren, Ohio, have visited with her sister, Mrs. Floyd Ivey since July 25. They and Mrs. Ivey went to Abilene last Friday to the 50th Wedding Anniversary of their oldest brother, Mr. and Mrs. Jack Wright at Tye. They also attended the Wright reunion in Abilene Sunday. Mr. and Mrs. Mokey Ivey took Floyd Ivey to the reunion last Sunday and brought back Mrs. Ivey and her niece, Reba Horton of Phoenix, Ariz.

Mr. and Mrs. Joe Montgomery of Peoria, Ill., arrived Monday afternoon to visit a few days with their daughter, Mr. and Mrs. Rickey Little and Lacey, and their son, Jimmy, who came home with Mrs. Little and Lacey about a month ago when she visited there.

Mrs. Dennis Barnett and children of Olton, Mr. and Mrs. James Barnett and children of Lubbock, and Mr. and Mrs. Raymond Rodgers and family of Gustine spent Saturday with Mr. and Mrs. John Gilbreath, Coby, Matt and Hal. Some of them spent

On the go

Charles, Nancy and Andrea Higgs came by recently and spent the night with the Heards. They were returning from California. They visited Charles' folks and he preached in his father's church in San Francisco. Also preached in the First Baptist Church there. They visited Disneyland and came by Grand Canyon then Dimmitt on their way back to Corpus Christi where Charles is pastor of the Forrest Park Baptist Church. They also visited the Milton Bagwell families.

Geneva Dobbs and a gang of kids came to the Heards and visited the Higs. Also coming were Pam Heard of Canyon and a friend, Walter White.

Saturday afternoon they fed watermelon to Pam and Walter, Kenny and Gary Smith and Lenora Hawthorne of Tulia. Later they had hamburgers before Pam and Walter returned to Canyon.

HE'S MAKING YOUR ELECTRIC BILL HIGHER!
WHO CARES? YOU DO AND . . .

WE DO!

If your electric bill has jumped this summer, take a good look up at that Texas sun. Sure, we all like sunny days, but our friend the sun can be a villain in disguise. On these Texas scorches, you'll need your air conditioning to run more. Sometimes running day . . . and night . . . all night. Well, that runs up your electric bill. Just when vacation and school expenses are here.

We know you care about higher electric bills. And we want you to know that we care, too. We can't cool off the sun, but there are still time and ways to keep your bill from going much higher. Here are just a few:

- Turn the thermostat to at least 78, or until you find the highest possible setting that feels reasonably comfortable to you. If you have window air conditioning units, run them only as much as is absolutely necessary.
- Check your insulation.
- When you buy major appliances, including air conditioners, be sure to check the EER (Energy Efficiency Rating). The higher the EER, the more energy and money you'll save.
- Clean and replace the filters regularly.
- Keep your drapes closed to block out direct sunlight.
- Weatherstrip around doors and windows.

At Southwestern Public Service, we care about you getting the most for your energy dollar. Call us for suggestions to help you change the size of your electric bill for the better.

Huseman starts workouts at WT

By VIRGIE GERBER

Derwin Huseman left Friday to start football practice at West Texas State University. Good luck Derwin, we hope you make the team. Bernie and Wanda Huseman of Hereford spent the weekend here visiting parents and family. Keith and Virgie Gerber spent several days in Temple visiting Donna and Larry Charanza and sons, Bryan and Kris. Kris came back to Nazareth for a few day's visit. Rick Gerber of Lubbock and

his "little brother," Ted, spent several days with the Albert Gerbers. Bobbie Hofernik and niece, Sunshine of Tyler, spent several days visiting with friends here. Roger and Edna Rae Schilling and their family and Jim and Sandra Hoelting and their family spent a week at Lake McClellan. They camped out at the lake and enjoyed fishing, swimming, skiing and boating.

Notice of Public Hearing

To maintain the same general level of revenue as was generated last year the Board of Trustees of the Nazareth ISD would have to adopt a tax rate of 97 cents. The Board of Trustees, in accordance with the requirements of Section 20.03(d) of the Texas Education Code, hereby announces its intent to adopt a tax rate which will exceed 97 cents per \$100 of assessed value. A public hearing on this action will be held at Nazareth High School's home economics department on August 22, 1978, at 8:30 p.m. Hubert G. Backus

In-service set for teachers

Summer vacation will come to a close for Dimmitt, Hart and Nazareth teachers as they head back for school Monday morning for in-service training. Dimmitt teachers will meet in a general morning session in the DHS auditorium and meetings in the teachers' home buildings will follow the session. Work pertaining to a self-study program for teachers will begin Tuesday with Dr. Mike King of the Region 16 Educational Service Center as the consultant. Teachers in Hart's schools will meet at 9 a.m. Monday in the high school library. Superintendent Ted Averitt will address the group and teachers will report to their individual principals in the afternoon. Two days of in-service is in store for Nazareth teachers. Ronnie Parker, former Church of Christ minister and current insurance executive from Dimmitt, will address the faculty at 9 a.m. Monday in the home economics department. Hobart McDonald, a consultant from PESO, will speak to the teachers on career education, overview and awareness. A general faculty meeting will be held Tuesday at 9 a.m. and insurance representatives will meet with faculty members. Teachers will spend the remainder of the day on individual room preparation.

Jackpot roping set for Saturday night

Open Jackpot Roping will be featured each Saturday night through Sept. 2 at the rodeo arena sponsored by the Dimmitt Rodeo Association. Books will open at 7 p.m. with the roping scheduled to begin at 8. Entry fee is three for \$16. A concession stand will be open each night with homemade ice cream, sandwiches and drinks for sale. Spectators are welcome and there will be no admission charge.

● On the go

Visiting the Dan Heards this past week were Dan's sister LaNita, Kenneth and Durward Dixon of Elida, N.M. Also, their daughter-in-law Brenda Dixon and Brecca of Ft. Sumner, N.M. They put up lots of corn and dug potatoes and sent the New Mexico folks home loaded with cucumbers and onions.

It's time to rent exhibit space for the county fair

Aug. 25 is the deadline for reserving an exhibit space for the Castro County Fair scheduled for Sept. 8-9 at the County Exposition Building. Spaces will be limited to businesses, political candidates and organizations serving the county and will be offered on a first come, first serve basis.

Rental fee for the spaces is \$10 for an eight-foot front footage inside the building and \$20 for outside spaces not limited in size.

Exhibitors in the fair must

be Castro County residents. The youth division will include persons 18 years or under and single while the adult division includes ages 19 or over.

Exhibit spaces may be obtained by contacting Shirley Hall at 647-2524 or Jo Behrends at 647-3176. Exhibits will be divided into two categories, commercial and non-profit organizations, and will be judged in two divisions, inside and outside.

Banners will be awarded the top three commercial ex-

hibitors in each division. Non-profit spaces will not be judged.

Carrier Systems

They're helping us control our costs and improve your telephone service.

It's in the best interests of all our customers for Continental to control expenses wherever it can. The reason, of course, is that expenses throughout our system affect rates throughout our system.

Importantly, however, we can't pinch pennies so tightly that we reduce the quality of your telephone service. The ideal situation is for us to control our costs and improve your service at the same time.

We sometimes have to spend money to save money.

That's why we're installing sophisticated new "carrier systems" in some of our faster-growing exchanges. These new systems let us provide a larger number of high-quality voice channels (circuits) with existing telephone lines. They eliminate the need for expensive construction of new telephone cables and poles, but help us provide improved service to more customers.

Our cost-effective carrier systems are working for your benefit wherever we install them. They are another way we're doing our best to do more for you.
