County teams open at home

All three of the county's high school varsities will open their 1972 football campaigns on their home fields this weekend.

NAZARETH'S SWIFTS will lift the grid lid tonight (Thursday) when they host the Hereford Junior Varsity. Kickoff time is 8 o'clock.

For Dimmitt and Hart, the season will officially kick off Friday. The Bobcats will host the Muleshoe Mules and the Longhorns will entertain the Lazbuddie Longhorns. Kickoff time for both games is 8 p.m.

On the eve of the new season, the keynote is optimism.

LAST SEASON was one of frustration as Dimmitt finished with a 3-7 record, Hart with 3-6-1 and Nazareth with a 5-4-1 mark. This year the coaches say they intend—and expect—to do better.

All three head coaches are pleased with their teams' pre-season work.

Coach Brown I. Smith's Bobcats are heavy with sophomores, with only one starter back from last year's team. But they've got an attitude that is pleasing the sweat-soaked off their coaches. "THERE'S a big change of attitude this year over some of the past years," Assistant Coach Don Parker told the Dimmitt Lions Club Tuesday. "I've never in my career seen such unity as the boys have this year—it's all for one and one for all."

When the Bobcats take to the field Friday night, Dimmitt fans may think they're seeing a grid-

iron version of the Lavendar Hill Mob.

THE YOUNG Bobcats will be outfitted in new uniforms of TCU purple, a pastel version that looks—well, lavender. The jersey numbers are white with black outlines. The Bobcats' helmets will still be colored the traditional dark purple, though. And if their new TCU-purple pants don't arrive in time, the Bobcats will be wearing last year's dark-purple game pants.

HART HAS a new head coach, Lonnie Phillips, and 18 lettermen back from last year. Phillips is cautiously optimistic.

The Longhorns will likely get an acid test in their opening game Friday. To Hart, Lazbuddie seems to be like the rancher's tight boots—they hurt his feet, but he keeps wearing them because it feels so good to take them off at the end of the day.

During years of Class B play,

Hart always got its toughest game from Lazbuddie. Hart was moved up to Class A last year, but the Longhorns have kept powerful Lazbuddie on their schedule.

IF YOU HAD coached a defense last year that allowed only 9½ points per game, and had all but two of those defensive starters back this year, wouldn't be optimistic? Head Coach Clayton Neal of Nazareth is

Neal is working to whip the Swift offense into shape, and the backfield is the key. He has a young backfield behind a veteran line.

Neal, too, is cautiously optimistic. He has a squad that's capable of posting the best record in six years, but the Swifts face an incredibly tough District 2-B schedule that will begin in just one short week. For details on the lineups and opponents, see Page 13.

Five injured in Saturday wreck

A man evidently making an improper left turn at a liquor store caused a three-vehicle accident that injured five persons Saturday night.

THE WRECK, which involved two cars and a pickup, occurred 10 miles north of Dimmitt on US 385 shortly after 8 p.m. It was the Texas Panhandle's first major accident of the Labor Day weekend.

Three of the victims were hospitalized here and two others were treated and released. Two

of the three vehicles were totally demolished.

Involved in the smash-up were a 1968 Chevrolet sedan driven by Demetrio Zuniga, 25, of Hereford; a 1972 Ford pickup driven by Walter Spinhrne, 20, who lives on a farm in northern Castro County; and a 1966 Ford sedan driven by Leonardo Chavez Jr., 32, of Hereford.

HIGHWAY patrolmen said Zuniga, who was traveling south on US 385, turned left into the path of Spinhrne's northbound pickup. Spinhrne swerved to avoid hitting Zuniga's car, officers said, but the two vehicles collided almost head-on. The impact sent Spinhrne's pickup skidding into the liquor store's parking lot, where it collided with the left rear of Chavez's

car. Chavez was waiting to pull onto the highway from the parking lot, patrolmen said.

FFA boys start magazine drive

The Dimmitt FFA chapter will sell magazine subscriptions Sept. 8 through 25. The organization will sell new subscriptions and renewals to nearly all major magazines in conjunction with the Quality Magazine program, a Reader's Digest subsidiary.

CHAPTER members will go door-to-door and also may be contacted at the Dimmitt High School V-Ag building, telephone number, 647-3106.

Industry backers approve charter, will incorporate

The Dimmitt Industrial Foundation, Inc., came a step closer to reality Friday night when 22 local men voted to accept the proposed articles of incorporation.

JACK Miller, attorney who drew up the proposed charter, explained that the non-profit corporation could serve many functions in its efforts to attract new industry to Castro County. The charter would empower the foundation to make contracts "of every kind and description," to borrow or raise money, to lend money, to buy land, and to build and expand plants for lease or sale, Miller explained.

Initial officers of the foundation are five of its originators—Ralph Glover, president; Dr. David Bechtol and Bob Caddell, vice-presidents; E. B. Noble, secretary; and Jimmy Ross, registered agent.

DR. BECHTOL, who is president of the Chamber of Commerce, explained that the signatures of 25 persons will be needed to form the corporation. Glover said these 25 members of record "will primarily be workers to raise money when it's needed—not necessarily to 'out up the money.'"

The foundation could negotiate with any private or government agency to secure loans to help new industries locate here or present industries expand, Miller said.

MENTIONED specifically during the meeting was the Small Business Administration, which guarantees business loans up to \$350,000 for eligible businesses or industries.

Those attending the public meeting adopted a motion made by Bob McLean and seconded by Fred Brauel Jr. to organize and accept the proposed articles of incorporation.

DR. BECHTOL said that an organizational meeting will be held later to adopt by-laws, and that the Chamber of Commerce will pay the expenses of incorporating.

Enrollment edges upward

County-wide public school enrollment is still increasing, but totals remain below those of 1971, according to county school officials.

SUPT. Charlie White said Dimmitt's enrollment stood at 1,789 students at the close of school Friday. Although that's an increase of 162 over first-year enrollment, it still lags behind last year's Oct. 1 total of 1,952.

"Enrollment should keep increasing for the next month to six weeks," White said. "I predicted 1,852 students for this year and we're still below that number. I don't know why enrollment is down, and we were not expecting it."

"You can't point to any one grade though—it's all up and down the grades," White continued.

ACCORDING to White's figures, the biggest drop in student enrollment is in high school. Of the 1971-72 junior class of 91 students, only 68 are enrolled as seniors this year.

The 1971-72 sophomore class numbering 124 has dropped to 99 members this year.

"The biggest reason we can pinpoint for decreased enrollment in these two grades is marriage and parents moving," White explained. "We found that 38 high school students were married or had moved this summer and are not enrolled here this fall."

THE HART superintendent's office counted 690 students Tuesday, an increase of 41 over the first day of school. The drop in enrollment also shows up at Hart where 759 students were enrolled Oct. 1, 1971.

Enrollment figures are expected to fluctuate at Hart for the next month as migrant farm workers move into the county

to harvest the fall crops. **THE ONLY** bright spot in the county is Nazareth, where enrollment remains constant with last year's figures. The

superintendent's office said enrollment Tuesday was 405 students. The first-day total was 391 students at Nazareth, up three from last year.

Paper-recycling drive launched; proceeds to buy kidney machine

Please save this newspaper for recycling. It can help buy an artificial kidney machine to keep a 20-year-old Brownfield man alive.

CASTRO Countians are joining residents throughout the Panhandle-Plains area this week in saving their old newspapers to sell to a newspaper recycling plant in Amarillo. The used papers will bring \$8 per ton. Proceeds of the drive will go to Jerry Wilson of Brownfield. A victim of nephritis, Wilson has lost the use of both his kidneys and must depend on a dialysis machine to stay alive. It's the same type machine which Elvon DeVaney of Dimmitt used for 18 months before his successful kidney transplant in 1971.

Wilson, who is now in John Seely Hospital in Galveston, is already partially blind as a result of his disease. He and his wife are expecting a baby soon.

PEOPLE in Brownfield responded to Wilson's plight and located a used dialysis machine in Levelland which can be purchased for \$1,000. They started the area-wide newspaper recycling campaign to finance the machine.

Heading up the drive in Castro County communities are Elvon DeVaney and Chuck Braefladd in Dimmitt, Mrs. L. C. McLain in Hart and Mrs. Ezell Sadler in Sunnyside.

The City of Dimmitt, and Castro County Jaycees and the Panhandle Compress and Warehouse are major forces in the local drive, also.

STARTING today, Jaycees will bundle all newspapers delivered to the Dimmitt Fire Station and haul them to the Panhandle Compress, which will store them until a truck comes to pick them up Sept. 20.

And starting Monday City of Dimmitt garbage crews will collect all newspapers bundled and placed in city alleys, and will deliver them to the Panhandle Compress.

HERE'S HOW to recycle your old newspapers and take part in the fund drive:

If you live inside the city of Dimmitt, keep your old newspapers separate from your other trash. Bundle them together with twine and set them in the alley before your regular trash pick-up day next week.

A city flatbed truck—the one that usually is used for grass clippings and tree trimmings—will pick them up and deliver them to the Panhandle Compress. (And don't complain if the city doesn't pick up your grass clippings until later.)

If you can't bundle your newspapers with twine, or if you miss the city truck, take your papers to the Dimmitt Fire Station anytime before Sept. 16.

IF YOU LIVE in or around Hart, bundle your papers and take them to the Hart City Hall, then sign the register there.

If you live in Sunnyside, take your used papers to the Sunnyside Baptist Church and set them inside the hallway door.

If you live anywhere else in the county and want to take part in the drive, deliver your papers to the Dimmitt Fire Station before Sept. 16.

The drive is for newspapers only. Campaign workers said the recycling plant does not take magazines.

Dead men are identified

Three wreck victims who seemed destined to go to their graves unknown were identified before their burial last week, thanks to an international effort launched by local authorities.

ALL THREE were victims of a car-trailer wreck Aug. 25 at a dirt-road intersection near Arney, in northeastern Castro County. Four persons died in the crash, but until last Wednesday night the only one identified was Mrs. Ruben Garza of Amarillo.

The three unidentified men—all illegal aliens from Mexico—were passengers in the Garza car, which collided with an empty ammonia tank-trailer.

After the fatal accident, officers could find no identification on the three young men. The car's driver, Ruben Garza, told officers later that he had met the men only that morning and didn't know their names. They

had worked half a day in the county, and had stayed in a vacant farmhouse the night before their deaths.

TWO OF the three names ferreted out by local officials—which they believed to be fictitious—turned out to be the correct names. They were Eren Vasquez and Monserrato Rodriguez-Ortiz.

The name attributed to the third victim—Manuel Morales—turned out to be wrong, but Vasquez' family identified him last Thursday night as a young man who lived in their village in Mexico.

A father's letter led to the identification of Vasquez, County Coroner Elvon DeVaney said.

"HE HAD written his father, and the father wrote back in care of the man Vasquez was working for," DeVaney explained. "We went from that postmark on the letter, and a man here who had lived in that town placed the call for us. There was no phone in the town, so he called a nearby town and the message was relayed to his family."

Last Thursday evening, Vasquez's father, brother, sister

and brother-in-law arrived here and identified his body. They stayed with two local families while here.

Vasquez's family also recognized the young man identified as Manuel Morales, and explained that his only relatives were a widowed mother and a sister. After authorities here were unable to contact the man's mother or sister, the Vasquez family authorized his burial here and said they would notify his family when they returned home.

A RETURN address on a slip of paper led to the positive identification of Rodriguez-Ortiz. With help from telephone companies, local authorities learned that the address was that of a grocery store in Ciudad Chihuahua, Chihuahua, and called the number.

"They didn't recognize the name at first, but later they recognized him as a 17-year-old boy who had worked at a nearby ranch and had picked up his mail and groceries there once a week," DeVaney said.

"They contacted his family, who called and authorized him to be buried here. They couldn't afford to come up for his funeral."

Rodriguez-Ortiz was buried last Thursday morning as scheduled. Services for the other two young men were postponed until Friday, after the arrival of Vasquez's family.

A SMALL crowd of sympathetic persons here attended rosary services for the young men in the Immaculate Conception Church. Father Raphael Chen officiated. Burial was in Castro Memorial Gardens.

For the young men's families, grief was mixed with gratitude for the efforts of local authorities to notify them of their sons' deaths.

"They were very appreciative of our efforts to locate them," DeVaney said. "The Rodriguez-Ortiz boy's mother and father couldn't come to his funeral, but they asked us to give their son a good Catholic burial, and told us we were welcome in their home at any time."

HE ADDED, "I just figured if I were in their shoes—if something like that happened to my son—I would appreciate the local officials doing all they could to find me."

Former resident dies in flood; rites held here

Elbert Day Newton of Truth or Consequences, N.M.—a former long-time Dimmitt resident—was one of at least two persons who died in a flash flood at Hillsboro, N.M. Sunday.

NEWTON, a motel owner whose hobby was playing the fiddle, had performed at a dance Saturday night in Hillsboro, shortly before flash flood waters on Percha Creek crashed through the village in southwestern New Mexico. The rush of water struck shortly after midnight, causing an estimated \$200,000 damage.

Newton's body was found six miles east of Hillsboro. Earlier, searchers had located his car two miles from town, overturned in the water and filled with sand.

One other man is known to have died in the flood, and searchers were looking for four more persons listed as missing.

MEMORIAL services for Mr. Newton were held Monday afternoon in the French Mortuary Chapel in Truth or Consequences, then his body was returned here for burial.

Funeral services were conducted at the First United Methodist Church of Dimmitt at 3 p.m. Wednesday, with Rev. Jim T. Pickens, pastor, officiating. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

Born March 7, 1913, in Big Spring, Mr. Newton lived in Dimmitt from 1929 to 1955. He farmed west of Dimmitt for many years.

HE IS survived by his wife, Geneva; three brothers G. T. of Seminole, Homer of Dimmitt and Theibert of Texline; two sisters, Ola Davis of Hereford and Ivey Jackson of Dimmitt; and two stepchildren, Hugh Oburn of Houston and Barbara Horton of Mera Loma, Calif.

Active pallbearers were DeRoy Cates, Brad Fulfer, Joe Butler, Kenneth Jackson, Edd Wilson and Ben Merrill.

Schools hold line on expenditures

Dimmitt School Board members heard the final budget report for the 1971-72 school year in a called meeting last Wednesday, according to Supt. Charlie White.

WHITE SAID total expenditures for the year ending Aug. 31 were \$1,993,363, which were under the budgeted total of \$2,016,954.

In an earlier meeting, the board had adopted a budget of \$1,980,587 for the coming school year. The lower figure reflects the funding of the Head Start program through PESO.

The board also approved KDHV's request to broadcast the Dimmitt Bobcat football games this season.

LABOR DAY ART SHOW at Nazareth Monday featured nearly 80 paintings by 14 county artists. All exhibiting artists were Father Stanley Crocchiola's students. Part of the proceeds from the sale of paintings

went to the Holy Family Church. Almost 1,000 enjoyed the parade, dinner, games, art show and bazaars during the all-day celebration.

PROGRESS

Progress is on the march. There is a great boom in building. Cures are being found for maladies that have killed mankind for centuries. Industry is doing magnificent things. But what sort of progress is being made in human relations—this term that includes respect for the person and property of others and good will among men.

There is one agency striving for progress in this field. This agency is the church. At the birth of Jesus Christ, the following prophesy and promise was given to mankind by a host of angels: "Glory to God in the Highest Heaven! Peace upon earth among men of goodwill!" Luke 2:14. (Phillips translation). Only when the majority of men on earth are men of goodwill, will we have peace.

Attend church this week and align yourself with the forces of God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Reading winners receive Bibles

By TEENY BOWDEN
Award Bibles were presented to Rory Jones and Rhonda Ross during the Sunday morning services by the library of the church. The summer reading program for July and August ended last Thursday with Rory reading 19 books and Rhonda reading 17 for high point boy and girl. The Bibles were presented by Mrs. Cliff Brown assistant librarian.

MR. AND MRS. David Sadler and girls of Lubbock visited Friday afternoon with Ezell Sadler. Mr. and Mrs. Hershel Wilson and family, Debra and Randy Ball, Lee Brown, Renee Jones, Resa Carson and Cindy Sadler attended a Lay Witness Mission in Ropesville Saturday. Mr. and Mrs. Howard Cummings were a part of the team that went for the weekend.

Mrs. Phillip Jones received work Saturday that her aunt of Cotton Center had passed away. Mr. and Mrs. Ray Joe Riley and boys visited in Hereford Sunday with her parents, Mr. and Mrs. Ira Scott. Mrs. Lloyd Blanton visited in Clovis Sunday afternoon with her brother and other relatives visiting with him.

MRS. F. M. Sweeney sent a thank you note to all who had a part in her birthday quilt and this is one way to get the message around. She couldn't write to everyone but she does want to thank you and let you know she really appreciated it. Mrs. King came home from Amarillo last week.

Mrs. Ray Joe Riley was one of two area women selected recently as Outstanding Young Women of America for 1972. Later this fall one will be selected from this group to represent Texas. From this group of 50 ten will then be chosen to represent America. This is only the eighth year of the program, and we are proud that our community has this type of leadership.

Mrs. W. E. Loudder was admitted to Plains Memorial Hospital in Dimmitt Friday morning after having a light stroke. Mr. and Mrs. E. R. Sadler have been to Lubbock several times since last Tuesday when her father, M. H. Fowlkes, was admitted to University Hospital for tests. He was placed in traction to correct a pulled muscle in his back. He has also been taking therapy treatments.

Mrs. Bob Ball of Olton was admitted to Methodist Hospital in Lubbock Friday for tests. She was dismissed Sunday and will stay with the Garner Balls for a while. Her daughter, Mrs. Delmer McMillen, came in from Denver Saturday for a few days.

THE SUNDAY night Lay Witness service was continued Monday night and a few came back Tuesday night. After business meeting Wednesday several sharing groups were formed.

Mrs. Edward Calhoun has been busy this week with plans for the Lay Witness Mission at Lee St. Baptist Church in Dimmitt. She is serving as food chairman.

Mr. and Mrs. J. Paul Waggoner left Monday to spend the week with his dad and Mrs. Waggoner at Kerrville. They also visited in Houston with Mr. and Mrs. Mickey Waggoner and Jason.

Rev. Mack Turner attended the Llanos Altos pastor's noon luncheon in Muleshoe Monday. Mr. and Mrs. L. B. Bowden vacationed in southern Colorado Tuesday through Thursday.

THE LION'S Club met Monday night for their monthly supper.

Tommy and Michael Graham presented the program for the Littlefield Rotary Club recently. They demonstrated vacuum

cleaner care at the noon luncheon. Mrs. Gerald Graham was also a guest.

Mrs. Bill Smith and Linda of Houston visited last Saturday through Wednesday with their parents and grandparents, Mr. and Mrs. John Spencer. Also visiting with them were Noah Spencer and Mr. and Mrs. Howard Spencer. They all had dinner together last Sunday. Mr. and Mrs. Clyde Akers of Lubbock visited recently.

The Springlake-Earth "B" team and varsity team scrimmaged with New Deal Friday night. Lee Brown made a 64-yard touchdown for the "B" team.

Mrs. Wanda Gehring of Indianapolis, Ind. spent Sunday night and Monday with her niece, Mrs. Larry Sadler and girls.

20 INCH of rain was recorded for Thursday for the community and a trace for Sunday.

Mr. and Mrs. Ed Thompson visited in Hobbs Thursday and Friday with his twin brother, Mr. and Mrs. Orville Thompson. Mrs. James Powell and children of Dimmitt visited Thursday afternoon with Mrs. Larry Sadler and girls.

The view from your library

By MARY EDNA HENDRIX
The Friends of the Library held their first meeting of the fall last Friday morning with Maxie Horton presiding. Board members present were Mildred Bradford, Roxie Louder, Margaret Womack, Bobbie Hill, Shirley Wise, Virginia Hansen, and Hazel Merritt. We were glad Maxie brought her baby daughter with her to the meeting. We appreciate all the things the Friends are doing for the library as well as the library board members and the Dimmitt Book Club. Jack Miller and Hazel Merritt spent a few extra hours last week working on a report for the State Library.

WE STILL have several Summer Reading Program certificates. If you were entitled to one of these, please come by the library and pick up your certificate.

More donating books—Irene Keating, Dickie Holcomb, Mrs. Smotherman, Hazel Merritt, Mrs. Bob Ott and Mrs. Bill Clark.

Interesting people in the library: LaQuita Hill came in with Jana, who needed a book for a report in school. Martha Bauman brought me a pattern for a bonnet. She had a cute one on during the Round-up days. Mrs. Alton Loudder brought some fresh vegetables for the librarians and Hazel Merritt brought some of her good peach marmalade. Edgar Dennis and Dan Bruton came in just to visit. Mrs. Rex Gallou from Odessa came in with her sister-in-law, Helen Braafladt. Mrs. Gallou said her daughter works in the I.T.P.B. Library. Mr. and Mrs. William Moss and Jeff were in Friday afternoon. Mrs. Moss is searching for records of the Moss family. They spent part of their vacation in Alabama looking for these records. Kay Jackson came in for books and since her husband was at home asleep and her young son was out of town, she stayed awhile and visited Saturday afternoon.

I would like to apologize to Carle Farris for leaving her name off the list of those helping with the Summer Reading Program party. Carle furnished the punch and helped serve the children. Sorry, Carle! It is books that teach us to refine our pleasures when young, and to recall them with satisfaction when we are old.

According to bass-tournament winner, Bill Dance, there are three pieces of equipment that make tournament fishing possible, or any fishing more successful: an electric thermometer to reveal the lake's temperatures at various depths; a fathometer to indicate where the bottom is and its shape; and a topographic or hydrographic map of the bottom of a lake or reservoir.—SPORTS AFIELD

Farm ponds have been fish havens ever since the Chinese started building them 2000 years ago.—SPORTS AFIELD

Few fishermen know that trout often take hatching nymphs and pupae just under the surface, and make rise forms every bit as showy as fish taking adult flies riding the current. Such fish are taking aquatic insects as they migrate up toward the surface, and their porpoise rolls and swirls cause most fishermen to waste their time with dry flies when a wet nymph is needed.—SPORTS AFIELD

Cotton growers here will elect producer director Tuesday night

Castro County cotton producers and agribusinessmen will elect a producer director to Plains Cotton Growers, Inc. at an 8 p.m. meeting Tuesday at the First State Bank in Dimmitt.

ANNOUNCEMENT of the election came from Ray Joe Riley of Sunnyside, current Castro County producer director and PCG president, and Edd McLeroy of Dimmitt, businessman director. Each of the counties in PCG territory has two directors—one a businessman, usually a cotton grower as well, and the other a cotton producer. They serve two-year terms, with businessmen elected on odd years and producers on even years. Each is eligible for re-election every second year.

Riley and McLeroy said all interested parties are urged to attend, and that both farmers and businessmen are eligible to vote in the election.

In addition to the election, Riley said a member or members of the PCG staff will be on hand "to bring us up to date on cotton prices, supply and demand, the legislative situation and to answer any questions concerning the organization's activities."

He added, "Directors to PCG are the men who determine the organization's policies and actions on legislation, research, promotion, finances and other matters so vital to the cotton economy of Castro County, and all cotton people should make every effort to be on hand for this election."

Board approves state pay raises

A 6.8 percent pay raise for about 67,000 state employees effective Sept. 1 has won approval of the Federal Pay Board.

THE PAY boost was authorized under a special "catch up" provision of regulations permitting increases for employee groups where the average raises over the last three years was less than seven percent. Pay Board approval is necessary where raises are higher than the five percent limit established as a guideline to check inflation.

State employees received pay increases of 6.8 percent in 1969, 3.4 percent in 1970 and 6.8 percent in 1971.

OVERALL, the all farm products index shows prices received by Texas farmers and ranchers were at 356 percent of the 1910-14 base. This is an increase of 20 percent above a year ago.

White attends PCA seminar

Robert White of Dimmitt, Plainview Production Credit Association assistant manager, joined other agricultural loan specialists in Austin Wednesday for a High Level Credit Analysis Seminar.

BO BRYANT, who manages the PCA office in Dimmitt, said instructors for the three days of intensive training are University of South Florida professors, representing Advanced Management Research (AMR) International, Inc., New York City.

The PCA field office manager pointed out that AMR cites the workshop as "designed to challenge the most experienced agricultural credit specialist." Bryant said the seminar, prompted by the tremendous growth of PCA farm and ranch loans, is the first of its kind conducted for production credit in Texas.

"PCAs of Texas have increased their loans outstanding by almost \$100 million or one-third within the last two years," Bryant pointed out. Average size of a PCA farm and ranch loan in 1971 was about \$60,000, the president reported.

THE CONFERENCE is sponsored by the state's 33 Production Credit Associations which last year loaned almost \$1 billion to Texas farmers and ranchers, Bryant said.

Dean Wilhelm at Fort Ord

Army Pvt. Dean L. Wilhelm, 22, son of Mr. and Mrs. Leonard E. Wilhelm of Nazareth, is assigned to Ft. Ord, Calif., where he is training under the Volunteer Army Program.

THE PROGRAM combines basic and advanced individual training (AIT) into an average 16-week program, depending on the AIT the soldier receives after completing basic. Decentralized instruction at the unit level and a reduction of formations and inspections give the soldier more time to train and increased off-duty time. Fewer restrictions on off-duty travel and improved living facilities are other benefits of the program.

Pvt. Dean L. Wilhelm began his training with Co. C of the Second Brigades Fourth Battalion Aug. 8 and is scheduled to complete the first phase on Oct. 4.

The private is a 1968 graduate of Nazareth High School.

Board approves state pay raises

A 6.8 percent pay raise for about 67,000 state employees effective Sept. 1 has won approval of the Federal Pay Board.

THE PAY boost was authorized under a special "catch up" provision of regulations permitting increases for employee groups where the average raises over the last three years was less than seven percent. Pay Board approval is necessary where raises are higher than the five percent limit established as a guideline to check inflation.

State employees received pay increases of 6.8 percent in 1969, 3.4 percent in 1970 and 6.8 percent in 1971.

OVERALL, the all farm products index shows prices received by Texas farmers and ranchers were at 356 percent of the 1910-14 base. This is an increase of 20 percent above a year ago.

AGRI-INDUSTRIES OFFERS COMPLETE GRAIN HANDLING AND FARM SERVICES

Key personnel at Dimmitt Agri Industries include (from left) Ronnie Gfeller, Bill Goldsmith and Sam Morren . . .

Dimmitt Agri Industries started in 1936 serving the county farmers in wheat merchandising. Through the years storage was expanded to meet the growing needs for storage for grain sorghum producers.

A fertilizer department was added later to service the anhydrous ammonia and dry blend fertilizer demand of farmers.

The co-op offers two farm stores in the county—one at the main facility in Dimmitt and one at Nazareth. The association of farmstores specializes in co-op feeds, seeds, chemicals and farm storage and drying equipment.

Bill Clark is general manager of the elevator division at the local co-op. Key personnel at the Dimmitt plant are Donald Shelton, fertilizer dept. manager; Dan Irbeck, Dimmitt farm store manager; Sam Morren, retail field man; Ronnie Gfeller, entomologist; and Bill Goldsmith, elevator supt. Junior Lawson is the Flagg elevator operator and fertilizer serviceman, and Joe Lange is the Nazareth farm store manager.

In addition to the three grain handling points in Dimmitt, Agri Industries has four locations throughout the county to receive grain. Other pick-up points are at Tam Anne, Flagg, North Point and Nazareth.

The association started construction in 1969 of a starch processing plant and corn syrup refinery, Clark said. Construction was completed in early 1970 and the plant has been in production since that date.

"The plant processes locally grown corn and created another dependable market and outlet for another county farm crop," Clark said.

MRS. EARL D. DAVIS III
... The former Jane Ann Mooney

MRS. RICHARD BYRON BELL
... The former Sue Janine Mooney

Mooney sisters have double wedding

Miss Jane Ann Mooney became the bride of Earl D. Davis III and Miss Sue Janine Mooney became the bride of Richard Byron Bell in a double wedding in the First Baptist Church of Dimmitt recently.

BOTH BRIDES are daughters of Mr. and Mrs. Bob D. Mooney of Dimmitt. Davis is the son of Mrs. Jack Guthrie of Suray and E. D. Davis Jr. of Alex, Okla. Bell is the son of Mr. and Mrs. Lonnie Bell of Dimmitt.

Rev. John Street, pastor of the First Baptist Church, performed the ceremony for Mr. and Mrs. Davis; and Ronnie Parker, minister of the Bedford Street Church of Christ, read vows to Mr. and Mrs. Bell.

Both brides were escorted together down the aisle by their father to "Maria's Wedding March." As they approached the altar, Craig Vandiver read the poem, "How Do I Love Thee?"

MRS. DAVIS wore a formal gown of candlelight pesante with princess lines, trumpet sleeves and a slashed bateau neckline. The gown's bodice featured an inset trimmed in

Swiss braid, with self-covered buttons from neckline to hemline. Her fingertip veil was secured by a Juliet cap embroidered with seed pearls. She carried a crescent arrangement of crystal mums atop a Bible.

Mrs. Bell's gown was fashioned of white organza. The Empire waistline fell into a gathered, layered skirt. The scooped neckline, lantern sleeves, cuffs and waistline were trimmed with embroidered lace inserts. She wore a picture hat encircled with daisy inserts. She carried a bouquet of white daisies and bits of ribbon tuft, aqua net and cascading satin streamers atop a Bible.

Meri Kirkpatrick was maid of honor and Mrs. Gary Moore, sister of the bride, was bridesmaid for Mrs. Davis. They wore floor-length gowns of flowered chiffon with Empire waistlines, scoop necklines and bell sleeves. The waistlines were accented with satin sashes. They carried nosegays of crystal mums with variegated pastel ribbons and wore flowers in their hair.

MARTHA BATES was maid of honor and Rebecca Stanford was bridesmaid for Mrs. Bell. They wore floor-length gowns of organza featuring scooped necklines, short puffed sleeves and Empire waistlines. They wore organza hats trimmed in daisies and carried nosegays of daisies.

John L. Thomas served as best man for Davis. Groomsman was Clyde Damron, and usher was Johnny Vick.

Mike Bell of Abilene served his brother best man. Perry Graham was the groomsman and Max Hastings was usher.

HEAD USHER was Joe Mooney, brother of the brides.

Candlelighters were Janet Mooney, sister of the brides, and Jeff Bell, Rick Bell's brother. Flower girls were Judy Guthrie and Lori Bell, sister of the groom.

Mrs. Gerald Davis of Amarillo, sister of the brides, was organist and accompanied Mrs. Truman Touchstone, who sang "It Seems I've Always Loved You" and "All Our Lives."

VOWS WERE exchanged before a circular wrought-iron lattice entwined with greenery. An arrangement of white gladioli, pink and yellow mums and daisy pompons was centered under the lattice. Branched candelabra with white, pink and yellow candles flanked the lattice. Tall lemon trees and hurricane lamps completed the scene. The bridal paths were marked with satin bows and double rows of white satin altar cloth.

Hallie Fuller and Sheri Bruegel registered guests for the couples.

At the reception in fellowship hall, pink punch was served from a table covered with white net over a green cloth. Rhonda Dowse served punch for Mrs. Davis.

THE BRIDES' table was covered with an heirloom Irish linen cutwork cloth over blue. Silver candelabra and the bridesmaids' nosegays decorated the table. The double wedding cake had a rectangular base with two three-tiered cakes rising from each end. The Davises' cake was decorated with pink icing and daisies. The Bells' cake was decorated with blue icing and daisies. At the base of each cake was a gold cana cross, entwined with wedding rings. Mrs. Mike Bell of Abilene served cake for Mrs. Bell.

The receiving line was formed before an informal patio setting featuring a fountain simulating sea shells and surrounded by tree plants.

Members of the houseparty were Mrs. Charles Vandiver, Mrs. J. A. Jackson, Betty Boothe, Mrs. Odus Hastings, Mrs. Harold Stephens, Mrs. Ira Wimberley, Mrs. A. T. Morgan, Mrs. Jim Hays, Irene Carpen-

ter, and Mrs. Troy Kirby.

FOR THE wedding trips, Mrs. Davis wore a black and white pantsuit, and Mrs. Bell wore a navy blue and white pantsuit.

The Davises are at home in Dimmitt. Mrs. Davis, a graduate of Dimmitt High School, is employed at Nif-T Foods. Davis attended Dimmitt High School, served in the armed forces, and is employed by Kenneth Jackson Ditching. The Bells are at home in Abi-

lene. Mrs. Bell is a senior at Abilene High School and is employed by Grigsby's of Abilene. Bell, a graduate of Dimmitt High School, is attending Abilene Christian College and is employed by McCarty Music Co. in Abilene.

A pre-wedding rehearsal dinner and swimming party was given for the wedding party at the Castro County Country Club by Mr. and Mrs. Jack Guthrie and Mr. and Mrs. Lonnie Bell.

On the Go

Mr. and Mrs. Tommy Robertson, Christa and Andy of Oklahoma City and Mr. and Mrs. Roy Stollings and son Ryan of Darrouzett visited the girls parents Mr. and Mrs. M. E. Cleavinger and brother Mark last weekend.

Given in marriage by her father, the bride wore a frost voile gown that was designed and made by her mother. It featured long full sleeves with lace at the wrist bands and two rows of lace ruffling over the hands. The bodice featured rows of ruffling and lace over blue in a pinafore style. Lace ruffling accented the skirt's hemline, and a double bow sash completed the gown. Her headpiece was of fresh flowers; with a veil of illusion attached to the back. She carried a bouquet of white carnations, white roses and pink gladioli blossoms.

BARBARA HANSEN of Lubbock was maid of honor. Chris and Paula Curtis of Lubbock were flower girls. Book Club will meet Wednesday

Mrs. J. W. Walker of Plainview will be the guest reviewer at the monthly meeting of the Dimmitt Book Club Wednesday at 3:30 p.m. in the community room of the First State Bank.

MRS. WALKER will review "Captains and The Kings" by Taylor Caldwell. This novel uses America's roistering past as a setting for a drama on the consequences of savage ambition.

In the book, Joseph Francis Xavier Armagh is 13 years old when he first sees America through a dirty porthole on the steerage deck of "The Irish Queen." Some 70 years later on his deathbed, Armagh last glimpses his adopted land from the gleaming windows of a palatial estate.

"Captains and The Kings" is the story of the price paid for the consuming, singleminded determination of a man clawing his way to the top.

Members and guests are urged to attend the meeting and hear the book review.

Swifts field tough defense

Look for the Nazareth Swifts to be a tough defensive team this year.

AND IF their young backfield pans out behind their experienced offensive line, the Swifts will spell trouble for opponents with their offense, too.

Head Coach Clayton Neal isn't having to "rebuild" or "build around" anybody to put a defense together this year. He lost only two starters from the defensive unit that held opponents to an average of 9 1/2 points per game last season.

"That's our strongest point—our defense," Neal said. "On offense, we've got an experienced line and a young backfield. So far, they look real good."

WITH scrimmages against Texline and Hart behind them, the Swifts will get their first

official test tonight (Thursday) when they host the Hereford Whitefaces' B-squad at 8 o'clock in the 1972 season opener.

The Swifts will need to learn quickly, for their second game of the season will be a district contest against Whiteface. And down the road lurks a parade of rugged District 2-B foes—Happy, Lazbuddie, Sundown, Wilson, Matador, Amherst, Meadow, New Home.

Joining Neal as assistant coach this year is Terry Burkhalter, an Amarillo native and a graduate of West Texas State University, who has had two years' experience in the Austin Public Schools.

THE SWIFT offense is light in places but noticeably solid in others, with a team average of 154 pounds per man. Every starter on the team has lettered at least a year except for Junior Joiner, flashy freshman fullback.

The "old men" of the Swift offense—who have earned three letters apiece—are center Stanley Gerber (205, senior), tackle Kelvin Klemm (170, senior), guard Dennis Kern (140, senior) and wingback Kent Birkenfeld (145, senior).

Two-year lettermen in the offensive lineup are guard Joe Brockman (150, junior), tackle Steve Acker (190, senior), and tailback Pete Gonzales (135, junior).

THE SWIFT offense includes three sophomore starters, all of whom earned letters last year. They are end Glenn Ehly (140), end Charlie Heck (140) and quarterback Bernie Huseman (120).

Joiner, the only freshman on the starting offense, appears so far to be a coach's dream. He's fast, shifty and weighs a hefty 175.

Gerber, Acker and Joiner are considered top prospects for future all-anything teams, and several others seem capable of earning yeoman's status as the season progresses.

ON DEFENSE the Swifts will put up a five-man front averaging 160 lbs. per man—Dennis Kern at nose guard, Kelvin and Glenn Klemm at the tackle

posts and Steve Acker and Glenn Ehly at ends. Backing them up will be Stanley Gerber at middle linebacker and Junior Joiner and Kevin Gerber (140, junior) at the corner posts. Halfbacks are Kent Birkenfeld and Pete Gonzales, and at the safety post is Stan Maurer, a 145-lb. senior two-year letterman.

Coaches Neal and Burkhalter know they have a good crew. The main thing that's bothering them is that tough, tough District 2-B schedule.

3-AA sidelines

Littlefield again loop favorite as 3-AA's five teams start year

The alignment has been changed, but the team at the top could be the same as last year as District 3-AA starts into the 1972 football season.

DISTRICT 3-AA teams, with other schools from over the state of Texas, jump into the football waters this weekend, and expected to lead the league is the same one which led a year ago: Littlefield.

The Wildcats of Coach Jerry Blakely have been nominated for repeat honors in the eyes of opposing district coaches. The decision was unanimous among the other four coaches in the league.

The poll of coaches showed a closeness, too. The voting found Friona finishing second in the preseason voting, followed by Morton. Dimmitt and Olton finished in a deadlock for the fourth spot.

LAST YEAR, the district was larger. The eight team league lost three members, however, when the Interscholastic League realigned for this fall. Leaving for the newly formed District 4-AA were Floydada, Lockney and Abernathy.

Last year, Floydada and Littlefield shared the title with 6-1 records, but Littlefield advanced to the playoffs via a first down margin over the Whirlwinds.

The two teams struggled to a 0-0 standoff on the field last November, and penetrations were even, so the decision went down to first downs. And Littlefield had an edge there, 13-9, and the game went into the record books as a victory for Littlefield.

RETURNING from that championship team are 14 lettermen, with two of them starting on offense and five on defense.

Gone are such standouts as Ralph Funk, Matt Giles and Dennis Hartley, but returning is tailback J. E. Johnson (185), who was a halfback last year. Johnson is expected to carry most of the running load for the Wildcats, just as Funk shouldered that responsibility last year. Funk (now on the Baylor University varsity) scored 150 points and rushed for over 1,700 yards and was a second team all-state selection.

Friona Coach Bob Owen has quarterback Johnny Bandy on hand to direct his attack. Friona could be the league's most improved team, with six offensive and defensive regulars back from last year's 3-6-1 team.

Fullback Mario Perea, a member of a talented football family, and halfback James Bart-

Mules coming Friday

Bobcats are optimistic

By JOHN BROOKS

After a year where the Muleshoe Mules kicked up a little, it seems that they are going to rattle down a bit this year.

LAST YEAR they came out of the barn were they had been hiding since their one-win 1970 season to post a winning 6-4 ledger, including an 18-16 victory over the Bobcats in the first game of the season.

However, the Mules' secret of ball-control has graduated. Bobby Hayes has left, as have many other Mules. In fact, Coach Fred Hedgecock can count only six returnees that have any experience at all.

Hedgecock has not really settled his forces at definite positions, especially in the line. The backfield, minus Hayes, may lack the explosive power or

good ball control that characterized last year's team. David Wheat, Jarele Bere, quarterback Don Long and Ronnie Barker are top backfield candidates. Wheat, only a junior, hurt the Bobcats last year on his runs to the outside on power sweeps. David Faver should be a good receiver at end.

On the line, George Mitchell (6-0, 170) Jerry Hodge (6-1, 180), and Delmer Bleeker (5-9, 160) are the boys to watch.

DIMMITT will go into battle with a lot more experience than previously predicted, if everybody will remember their plays, says Coach Brown Smith. Despite their enthusiasm, the young Bobcats are either not studying their plays or forgetting them, Smith commented.

"We feel we can handle them

real well, since they don't have the man that hurt us last year, Hayes," Smith said.

The Cats go into battle with Robert Mayberry nursing a sore knee (although Assistant Coach Don Parker thinks Mayberry should be 100 percent by game time), and Keith Calhoun with a very bad ankle injury which keeps recurring.

THE BOBCATS looked impressive in their scrimmage against Stinnett Friday, with the score knotted at five touchdowns apiece.

"We looked great in the first half of the scrimmage, but they (Stinnett) really got after it in the second part."

Game time is 8 p.m. Friday in Bobcat Stadium. The Bobcat-Mule bout is one of only four games to be played here this season.

Longhorns have new ideas, hope

By KIPP BURNETT

The Hart Longhorns have a new coach this season, and along with this new coach comes a new spirit of determination and pride.

NEW HEAD Coach Lonnie Phillips, who tutored the past five years at Sanford-Fritch, comes onto the field with a herd of 16 returning lettermen and eight new recruits who like to play the game.

The Longhorns will open their 1972 season on their home field Friday night when they host a long-time foe, District 2-B powerhouse Lazbuddie, at 8 p.m.

Back this year from a 3-6-1 record of a year ago is second team all stater Stan Dyer. Ranked as one of the top five linebackers in the state, Dyer heads up the Longhorns' defense and adds strength to the backfield as starting fullback.

Other outstanding players back to help out the Longhorns are halfback Jimmy Brown, flanker Erasmo Castillo, tackle Wayne Ethridge, quarterback Dirk Rambo and defensive monster man David Barham.

BROWN, who won second in the 100-yard dash last spring at the state meet in Austin, with a time of 9.7, adds speed and quickness to the Longhorn offense.

Castillo, who won all-district

honors last year as an end, has moved to halfback-flanker to add depth and strength to the backfield.

Wayne Ethridge, a 196-lb., 6-2 tackle and defensive end, is rated as a good college prospect and adds the toughness and size it takes to the Longhorn line to make the big plays.

OTHER players for the Hart Longhorns this year include: Backs — John Robinson, James McLain, Juan Valdez, and Kenneth Davis.

Ends — Mike Bcoe, Danny Carson, Barry George and Dennis Hill.

Lineemen — Harley Malone, Duane Clevenger, Mario Martinez, Dan Sharp, Bill Clifford, Sonny Mancias, Kent Irons, Guillermo Carrasco and Cecil Jackson.

THE LONGHORNS will have a balanced attack this year, throwing the ball as well as running it. The attitude of the players is excellent, and the coaches say they are pleased with the team thus far.

The Longhorns seem to have the material to be champs this season, although District 3-A is ranked as one of the closest districts in the state. They have size, speed, experience and an attitude of determination which can make any team a competitor.

Over 800 attend Labor Day feast

By Mrs. Florance Albracht
The annual Labor Day Picnic was a big success. After several days of cold and damp weather, the sun came out and weather was perfect for the day. Over 800 people enjoyed the dinner. The auction brought in a good amount, with livestock, feed and many other items donated by parishioners. The art show, pony rides, hay rides, game booths, fish pond and fancywork booth all were enjoyed all afternoon with hamburgers going like hot cakes all evening.

Thanks to all for helping to make the day a big success, and to all our out-of-town visitors—we enjoyed having you.

LITTLE Troy Huseman, son of Edwin Huseman, spent a day and a couple of nights in Plains Memorial Hospital after eating the seeds of flowers that were planted in their yard causing a weakness and other symptoms of adverse reaction.

VISITING the Lon Brockmans over the weekend were their son, Gerald and family of Midland and their daughter, Lorene, of Kansas City.

Mr. and Mrs. Denis Mattingly and children came from Iowa to spend the weekend here. They came for the wedding of her brother, Billy Ed Hoelting. The Kennie Schultes are the

proud parents of a girl born Aug. 23 in Plains Memorial Hospital.

BOOTBALL season has already begun at Nazareth High with a "Parents Night" and intersquad scrimmage last Thursday night, and a scrimmage with Hart Friday night.

The Swifts will host the Hereford Junior Varsity at 8 p.m. Friday in their first scheduled game.

The Swift Band is busy drilling and practicing for the football games. New uniforms are badly needed if the band wants to participate in contests and parades. Band Director Nolan Froehner said. They need the help of all members of the community to achieve this goal.

1972 GRADUATES of Nazareth High who are in college this semester are Karen Book, Julia Huseman, Juanita Wilhelm, Debbie Acker and Agnes Hansen, West Texas University; Kerry Brockman, University of Texas at Austin; and Monica Huseman, Amarillo College.

Mrs. Ben Venhaus and Mrs. Annie Hilvers spent the past week with Agnes Brockman and other relatives here.

Anna Beth Hoelting of Lubbock spent a day with her folks, the Greg Hoeltings.

Mrs. Earl Backus is home and feeling better after her stay in the hospital.

L. C. BROCKMAN, De Kalb dealer, hosted a field day and supper last Thursday. Over 150 enjoyed the meal. Bill Caulwell of KGNC, Amarillo attended, and also a Lubbock TV station sent a newsmen to cover the event. The day was ideal for the occasion.

On the Go
Dr. and Mrs. W. H. Seale of Abilene visited his sister Mrs. Leona Rothwell in Golden Spread Nursing Home Friday.

On the Go
Karen Acker, daughter of Mr. and Mrs. Paul Acker was home for semester break. She is a pre-nursing student at Amarillo College and Northwest Texas Hospital.

SCREWWORM regulations relating to dipping or spraying of livestock have been changed. Livestock are no longer required to be dipped or sprayed before shipment from one screw-worm-infested state to another. However, all livestock shipped from or through areas where screwworms are a recurring problem must still be inspected, any wounds treated, and the shipment certified free of screwworms.
