

COMPLETE!—Despite a noble effort by Springlake-Earth's Mark Benton, Dimmitt split end Travis Hampton Jr. hauls in this pass from quarterback Ronnie Lawson for a 28-yard gain in the second quarter of Friday night's game. The Bobcats topped the Wolverines 33-6 to extend their season record to 3-0.

VIEW FROM THE LIBRARY

By MARY EDNA HENDRIX

The Amarillo Public Library sponsored a Library Booth at the Tri-State Fair and asked the area librarians to work in it. I took my sister, Mrs. Troy Cloer, from Tulia to help me. She thought she would just sit and watch the people from 2 until 6 o'clock, but she worked as hard as I, since we registered 350 people in 4 hours. It was fun but tiring. The Amarillo Friends of the Library and the Amarillo Public Library gave away a Webster's Dictionary, Lincoln Library, Guinness Book of World Records and a Dr. Suess book.

ancestors. Several came in last week to give a memorial for friends or loved ones who have died. This is a lasting memorial and one that others can enjoy for years to come as they read the books that are placed in the library with this money.

Here's how the opponents fared

SOME OF THE students from school have started working on their term themes. We have some material in the library but we never have enough, so we would like for the students to come in soon if we need to call the Amarillo Public Library and request books through the Inter-Library Loan Service.

There were 19 boys and girls (sounds like a repeat from last week) here for Children's Story Hour. Mrs. Goolsby and Mrs. Hill told several stories and directed some games. Mrs. Goolsby was representing the Town and Country Home Demonstration Club, which is sponsoring the Children's Story Hour again this year. Mrs. Goolsby and Mrs. Schacher served cookies to the group.

THE Genealogical Society met at the Rhoads Memorial Library last week for their first meeting of the fall season. Mrs. Ann Oldham gave an interesting talk about her knowledge and experiences in searching for the information she needed to help her as she worked on the history of her

HAYS HAS IT:

DUMP CHIEF

The new GT LOW-PROFILE ALL PURPOSE HYDRAULIC DUMP BOX is the most unique forage wagon available. With greater capacity, the all hydraulically operated side dump forage wagon carries 8 to 9 tons of forage in the 600 cubic foot dump box.

It's a proven money and labor saver because it eliminates extra men and trucks. Use the side dump forage box for almost any crop, especially alfalfa and other silages. The wagon follows the forage cutter and virtually eliminates crop loss due to wind and spillage.

GALLEY SLAVES—Charlie White pours and Bob Caddell flips during the Dimmitt Lions Club Pancake Supper Friday evening in the South Elementary School cafeteria. They got no rest from their hot slaving as Garnett

A HAT TO MATCH—If there can be such a thing as a maitre d' of pancakes, Dr. W. J. Hill was it during the Dimmitt Lions Club Pancake Supper Friday evening. The Boss Lion was decked out in a pancake-shaped

chef's hat and a matching apron as he helped serve pancakes, sausage and bacon to almost 200 persons before the Dimmitt-Springlake football game. The pancake supper is an annual Lions Club event.

Here are week's best food buys

Grapes and prunes lead the "best buy" list at supermarkets this week, one observer says.

"BUNCHES seem larger, and the grapes are very sweet," Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, said.

Texas oranges—selling by the pound or by the bag—also are on the market, and the cranberry outlook indicates a six percent crop increase, Mrs. Clyatt reported.

Vegetable counters currently show signs of fall with supplies of soft shell and hard shell squash, cabbage, carrots, dry yellow onions, rutabagas, potatoes, celery, green peppers, cooking greens and cushaw.

"BEEF PRICES are about the same—at the high level.

"In general, look for best values on round steaks and roasts, calf liver, ground beef, arm and blade pot roasts and steaks."

Although fryer chicken prices are up, specials on whole birds and parts still offer good values.

"With the exception of pork chops, fresh pork is seeing few features at most markets—semi-boneless hams, canned hams, bacon and frankfurters remain the greatest value in smoked cuts.

CONSUMER WATCH-WORDS: Homemade frozen dishes are more economical than commercially prepared frozen foods.

Prepare in the usual way—but cook until almost done, season lightly and add crumb or cheese toppings just before reheating.

Use only fresh, high-quality food ingredients.

TEMPER is what gets most of us into trouble. Pride is what keeps us there.

"Yes! I said 15%!"

For most Texas drivers, State Farm has rates that are 15% less than rates established by the State Board of Insurance. See me for all the details.

Rites held Tuesday for Mrs. Cora Cates

Funeral services were held Tuesday in the First Baptist Church of Kress for Mrs. Cora Ann Cates, 85, of Plainview, mother of Deroey Cates of Dimmitt.

REV. BILL Sessom, pastor of the First Baptist Church of Aiken, officiated, assisted by John Street, pastor of the First Baptist Church of Dimmitt, and Ronald Mooney, pastor of the First Baptist Church of Kress.

Mrs. Cates died at 8:45 p.m. Sunday in Hillcrest Convalescent Home in Plainview following a lengthy illness.

The former Cora Ann Immel, she was born in Greer County, Okla., an Indian territory.

She married Elzie Cates Sept. 21, 1907 in Oklahoma.

She and her husband moved southeast of Kress, where they farmed until his death in 1952. In 1953 Mrs. Cates moved to Plainview.

Mrs. Cates was a member of the College Heights Baptist Church in Plainview.

OTHER survivors include a daughter, Mrs. L. L. Scott of Aiken; a son, Alton L. of Lubbock; two sisters, Mrs. Ellen Lampton of Amarillo and Mrs. A. M. Sims of Childress; a brother, Joe Immel of Higgins; six grandchildren; 12 great-grandchildren and one great-great grandchild.

Burial was in Kress Cemetery under the direction of Wood-Dunning Funeral Home of Plainview.

KIWANIS CLUB OFFICERS—New officers for the Dimmitt Kiwanis Club were installed last Tuesday at a special installation banquet held at the DHS cafeteria. Officers pictured from left

The Consumer Alert

by John L. Hill
Attorney General

More and more consumers are turning to entertainment they can enjoy at home. Perhaps because of this, there has been an upsurge in do-it-yourself kits for hobbyists, artists, and home craftsmen who want to produce a useful or decorative item with their own hands.

FOR whatever reason, do-it-yourselfers can find a tremendous range of packaged kits on the market to satisfy any interest from jewelry making to telescope building, needle-pointing to greenhouse construction.

Children certainly haven't been neglected, either. As a matter of fact, many companies specialize in producing hobby and other do-it-yourself kits for children who want to make their own puppets, doll dresses or forts, or for older children who may be interested in ant farms, Indian beading, or woodwork.

A hobby or craft project can be absorbing when in progress and satisfying when completed. But some consumers have experienced inconvenience or disappointment after purchasing such kits and taking them home. Complaints range from inadequate or confusing instructions to missing parts, difficulty in completing the project, and inferior quality of finished product.

AND SOME say they find that the parts of the kit when examined at home look nothing like the illustrations that induced them to buy at the store—either in size or quality. Some craft kits are really only big boxes with just a few small parts and a substantial amount of "filler" packaging—with

lavish, oversized, color pictures.

The Federal Trade Commission has been investigating this particular practice of deceptively oversized packaging, known as "slack filling," along with those misleading depictions, and has ordered one craft manufacturer to cease such packaging.

The decision was based on the fact that "slack filling" and oversized illustrations give purchasers the mistaken impression that they are receiving a larger product, or a product of greater volume, than they actually are. This is especially true when children are doing the purchasing.

Some manufacturers claim that "artistic requirements" of telling the product story determine their package size and artwork, occasionally resulting in larger-than-necessary boxes and illustrations. But the FTC says smaller pictures could do the job just as well, while more

accurately reflecting the number and size of the completed products.

HOWEVER, some consumers may have been responsible for their own dissatisfaction because they didn't take the time to read the product descriptions carefully, to check the illustration for its scale, or to look for a list of included parts before purchasing.

Then, when they assembled the "Super-Duper All-Purpose Cordless Kitchen Knife" and wanted to test it before going to bed, they discovered the fine print that said "Batteries Not Included."

They may also have found that the colorful picture showing the knife slicing a tomato was drawn four times actual size, and that the only thing their pocket-knife sized tool could handle would be a cherry tomato.

TO AVOID such problems, the Attorney General's Consumer Protection Division recommends that consumers take a few extra minutes to examine the hobby or craft kit they are buying.

*Check dimensions or quantities given for the finished item.

*Do the illustrations seem realistic? Check the package for any disclaimer such as "Illustration one-fourth actual size."

*Open the package, if possible, to see that all parts are included and that the quality is

as represented.

*Read the instructions and determine if you need any additional supplies.

*If the kit is an expensive one for a product that will receive heavy use, such as a radio or tricycle, is there any guarantee on parts?

If you have a consumer problem, consult our Consumer Protection Division, your county or district attorney, or your local Better Business Bureau.

WHILE farmers comprise less than 5 percent of the nation's population, they buy nearly 20 percent of the country's output of steel, petroleum, rubber, and other major products.

Engine trouble forces plane down

Five Dimmitt men escaped injury Monday when their light plane developed engine trouble near Canyon and the pilot made an emergency landing.

BUSTER Tidwell was piloting the plane when one engine went out and he lost power on the other. He set the plane down in a wheat field about nine miles southeast of Canyon.

Allan Webb was the copilot. Others aboard the craft included Truman Touchstone, Jerry Watts and Doyle Morris.

According to Webb, he and Touchstone were practicing instrument landings along with Tidwell when the trouble developed.

"Jerry and Doyle were just along for the ride. They said they got quite a thrill," Webb reported.

THE PLANE was not damaged in the incident and was to be flown out following engine repairs.

GT is here!
with a G-T dryer... you can reduce field losses and improve grain quality!

GT TOX-O-WIK CONTINUOUS RECIRCULATING GRAIN DRYERS

G-T DRIES GRAIN FASTER AND MORE ECONOMICALLY!

G-T Grain Dryers will help you save far more grain and have better quality grain enough of both to be a high-yielding investment. You have field losses of at least 5 per cent while waiting for grain to field dry after it matures even if weather is ideal. During this waiting period, you can have losses up to 100 per cent from wind, hail, rain, snow, insects, birds, lodging and other hazards. Low harvest-time prices for grain too wet to store can cost you plenty too.

When you have a G-T Dryer, you prevent field loss and improve grain quality for a much smaller investment. You dry faster and dry faster. You dry automatically so you can continue harvesting as you dry. Come to see G-T soon at our place!

THE PLACE TO GO!

CITIES force growth, and make men talkative and entertaining, but they make them artificial. —Emerson

I'M GONNA WHAT?—Mrs. Leona Stiles, a resident at Ruskin Circle Apartments, looks over a newly-installed slide at the Ruskin Circle Swim Club with some misgivings. The slide was installed at the club during a maintenance shutdown recently. Adventurous swim club members can plunge into 8½ ft. water after slithering down the long slide.

Class officers elected at DJHS

Class officers at Dimmitt Junior High School were elected recently.

ELECTED 8th grade class president was Gary Bruegel. Other 8th grade officers include Johnny Merritt, vice president, Dennis Veals, secretary and Diane Love, treasurer.

Sponsors are Nancy Greer, Zelda Ellison and Celia Simpson. Room parents are Sue Merritt, Mary Cluck, Shirley Wise and Nell Kelly.

Class officers for the 7th grade include Lori Dyer, president, Frank Domiquez, vice president, Elizabeth Olivera, secretary and Ramonda Young, treasurer.

Sponsors include Wynema Adams, Mary Brooks and David Bellinghausen.

Bobbie Bruegel, Carolyn Sides, Geneva Dobbs, Dorothy Nutt, Courtenay Armstrong, Sandra Bagwell and Marilyn Ginn are room parents.

'School for parents' to open here Monday

A unique "school for parents" will open its doors to interested residents Monday when Roy Alexander and Laura Vincent, psychologists with the Central Plains MH/MR Center, begin an eight-week session of a new nationwide educational program called Dr. Thomas Gordon's Parent Effectiveness Training.

THE CLASSES will be held on eight consecutive Mondays, from 7 to 10 p.m. at the Mental Health Outreach Office, 412 N.W. 3rd in Dimmitt. The course is open to parents of children of all ages, to single parents, and to all interested adults working with youth.

PET, as the course is called, was started in California by Dr. Gordon in 1962. It has now spread into hundreds of communities in virtually all of the 50 states and 5 foreign countries. To date, many thousands of parents have taken the course nationwide. Over 1000 licenses instructors now teach classes of approximately 25 parents how to listen so children will talk, talk so their children will listen, and solve problems so that no one in the family loses. The resulting closeness and cooperation has been reported to make both children and parents happier and to help eliminate the so-called generation gap.

became accredited as instructors in PET in July, 1974, when they attended an intensive workshop in Denver, Colo. Persons interested in attending the sessions are asked to call the Dimmitt Mental Health Outreach Office, 647-2409.

A TUITION is charged which covers the 24 hours of instruction and includes a soft-cover workbook and a new hard-cover textbook entitled "Parent Effectiveness Training," written by the creator of the course, Dr. Thomas Gordon, and published by Peter H. Wyden, Inc. Tuition is charged on a sliding scale according to family size and income, with a maximum fee of \$50 per parent.

Groundbreaking set at new hospital

The Lubbock County Hospital District Board of Managers announces it will hold groundbreaking ceremonies tomorrow (Friday) to signify construction of its teaching hospital to be built adjacent to the Texas Tech University School of Medicine in Lubbock. The event is scheduled to begin at four o'clock in the afternoon at the hospital site at Fourth Street and Indiana Avenue on the Tech Campus where the Medical School is already under construction.

THE HOSPITAL is scheduled for completion around mid-1977 and will serve as an important regional referral health center for the West Texas-Eastern New Mexico area.

Total construction and equipment costs are expected to exceed \$18,000,000 with funds secured from the 1970 Lubbock County bond issue and tax levies together with an \$8,000,000 Hill-Burton loan and \$1,000,000 in Hill-Burton grants.

The District Hospital will provide adult and pediatric bed facilities, intensive and coronary care units. The structure will include many new and innovative labor-saving features to reduce personnel and other operating costs. Other services, such as emergency room, laboratories, x-ray, and ambulatory clinics will be provided by the School of Medicine.

The exterior will be composed of pre-cast concrete panels and a bronze aluminum curtain wall system using tinted glass. With four floors rising above the grade and one below, the building will contain a gross area of 296,000 square feet.

ANGER is an expensive luxury in which only men of a certain income can indulge. —G. W. Curtis

On Wall Street
By Bob Hill
Lentz, Newton & Co.

It looks as if sugar is headed for 40 cents a pound, double the price bulk consumers were paying just last spring. Producer costs are up sharply; fertilizer has doubled in price and the chains, sprockets and drives used in harvesting equipment have tripled in cost. Fuel and rubber costs are also up sharply from a year ago.

ANOTHER visitor from the Caribbean like Hurricane Carmen could force sugar prices even higher. Carmen wipes out up to 200,000 tons of raw sugar in Louisiana. That amounts to a

Rotary Club to see THD slide program

Sept. 22-28 has been proclaimed as "Highway Week" throughout District 5 and in observance of the week the Dimmitt Rotary Club will be presented a slide program, "The Highway Story" tomorrow (Friday).

MERLIN Bennett of the Texas Highway Department will present the program.

An open house will also be held at the Dimmitt Highway Dept. that day from 8:30 a.m. to 6 p.m. All interested persons are invited to attend the open house.

According to State Highway Engineer Luther DeBerry, the highway system has opened opportunities to individual Texas families by widening their range in which to seek education and recreational activities.

"Even so, we have some 14,000 miles of primary highways in Texas which are in need of reconstruction," DeBerry said. "Funds available for this work as well as needed maintenance always have been tight. Inflation has further cut into money available. It is estimated that highway expenditures in Texas this year will be \$133 million short of actual needs," he added.

POVERTY wants some things, luxury many, avarice all things. —Cowley

Dimmitt students make Dean's List

Two Dimmitt students were named to the Dean's List at Southwestern Oklahoma State University in Weatherford for the summer semester.

GARLAND E. Coleman and Sherry L. McGowan were named to the honor list.

The Dean's List is composed of students with grade-point averages of at least 3.0 on a 4.0 scale, and no letter grade below C.

To be eligible for the honor roll of top-ranked undergraduate students, an individual must have been enrolled in at least six semester hours of courses offering letter grades.

WHETHER YOUR CROP IS STANDING or DOWN

HESSTON ROW HARVESTERS

are the best "Crop Insurance" you can buy!

Save up to 90% of downed crops with a Hesston Row Harvester. In fields considered lost to conventional harvesting methods, the Hesston Row Harvester has demonstrated that it can "save" downed crops. It can pay for itself many times over in just a single drought-lodged field, or one leaning or even flattened by storm.

In normal harvesting conditions the Hesston Row Harvester eliminates reel shatter and "slobber." Experience in the heavy sorghum areas shows that you get more grain with the Row Harvester than you get with straight combining...enough in fact, to more than pay for one quickly.

Easy Adjustment Matches Row Harvester To Crop Conditions
Harvest up to 8 rows of standing or down crops planted as close as 24" or on double rows.

Noses Open Wide for Standing Crops Use Narrow Nose Opening for Down Crops

SIMPLE ADJUSTMENT lets you set the noses wide for high speed operation in up to 8 rows of standing crops planted 24" or wider and in double rows. When crops are down, set the noses narrow to get at the base of every stalk.

JERRY KILLINGSWORTH (LEFT) AND BOB BAKER Ready to serve you at Killingsworth Builders' Supply

Killingsworth Builders' Supply serves both handyman and 'pro'

Killingsworth Builders' Supply is many things to different people.

To the contractor, agri-businessman, stockman, farmer and homeowner, it's the place to get ready-mixed concrete. The company supplies approximately 6,000 yards of concrete per year here for flooring, buildings, homes, sidewalks, feed troughs, curbs, patios, etc.

To the builder, it's the place to go for all the lumber, masonry products and finishing materials needed to build a home or building.

To the handyman, Killingsworth is the place to get top-quality paints, floor and wall coverings, hand and power tools, paneling and hobby supplies—as well as nuts, bolts and lightbulbs.

The company's concrete plant has been serving the Dimmitt area since 1949. In 1963 the firm added the lumber yard and store to become a full-service builders' supply company.

The Killingsworths first came to Dimmitt in 1948. Claude Killingsworth had the contract to build the First United Methodist Church building in Dimmitt and the Holy Family Catholic Church building at Nazareth. His son Woodrow—who was then an independent

contractor at Pueblo, Colo.—came for a visit, pitched in to help on the Dimmitt church job, then got talked into relocating here.

Claude and Woodrow worked together in the contracting and concrete business until 1956, when Claude retired and Woodrow took over complete ownership and management.

When the lumber yard and store were added in 1963, Bob Baker moved to Dimmitt from Amarillo to become manager of Killingsworth Builders' Supply. His staff includes Jerry Killingsworth, salesman; Bill Patterson, concrete foreman; Ruben Lopez, Demasio Barron, Roy Anes, Benny Espinoza, Max Martinez and Manuel Martinez, concrete crew.

Killingsworth Builders' Supply offers such well-known brands as Stanley, Crescent, Diss-ton, Camillus, Fuller and Globemaster hand and garden tools; Skil, Black & Decker and Rockwell power tools; Valspar and Valentine paints; Old Masters and Flecto finishes and antiquing kits; Johns-Manville, Flintkote and GAF roofing; Armstrong, Congoleum and GAF flooring; Armstrong ceilings; Masonite paneling and coverings; W. J. Hancock wall coverings; and GE home products, as well as custom wood products, moldings and paneling.

We've *doubled* our storage capacity and more than doubled our drying capacity since last harvest, to serve you more quickly and efficiently. We look forward to serving you.

KIWANIAN OF THE YEAR—Joe Nelson, right, receives a plaque from Dale Fowler after being named as Dimmitt's Kiwanian of the Year at the club's installation banquet held last Tuesday at the Dimmitt High School cafeteria. Nelson was named for the honor in recognition of his work on club projects during the past year.

Seamstresses take ribbons at fair

Nazareth seamstresses captured several honors in needlework competition at the Tri-State Fair in Amarillo last week.

MRS. DAVID Acker won first place in the ladies suit division and second in blouses.

Taking a blue ribbon in the blouse division was Sharon Brockman.

Mrs. Catherine Hochstein copped top honors in the sport jacket division.

AC to administer SCAT test Friday

The School and College Aptitude Test (SCAT) will be administered by Amarillo College tomorrow (Friday).

THOSE TAKING the test will meet at 1 p.m. in Room 124 of Ordway Hall.

"The test covers verbal and mathematical areas," said Fred Dodson, director of the AC Testing and Counseling Center. This test is given to persons who have been out of school for some time. It covers areas that they should have had in high school, he said.

Administered by Counselor M. D. Gentry, the test will take approximately an hour and 15 minutes to complete.

Those who have questions or desire additional information may call the Counseling Center or the registrar's office.

Rites conducted for Donald Sopher

Funeral services were held Saturday in the First Baptist Church of Olton for Donald Frank Sopher, 27, brother-in-law of Mrs. Dub Holley of Hart. Rev. Randall Scott, pastor of the First Baptist Church of Hart officiated.

SOPHER was killed Thursday at his farm near Halfway when an electrical charge from a gas pump motor struck him while he was filling a car at the farm.

He was apparently standing on wet ground when a 110-volt shock hit him as he placed a gas nozzle to the auto tank.

Mr. Sopher was born Aug. 8, 1947 in Houston and he and the former Terri Miller were married in Olton May 30, 1970. He was a member of the First Baptist Church of Hart.

OTHER survivors include his widow; his parents, Mr. and Mrs. Doug Sopher of Olton; and grandmothers, Mrs. H. L. Witten and Mrs. Mavis Bass, both of Olton.

Burial was in Olton Cemetery under the direction of Parsons Funeral Home.

Hutchins is named state crop champ

David Hutchins, 18 year-old son of Mr. and Mrs. David H. Hutchins of Summerfield, has been named Texas champion in the 1974 FFA Crop Production Proficiency Award Program.

HUTCHINS is now eligible to compete against other state winners for regional and national honors.

The crop production award program is sponsored by the producers of Funk's G-Hybrids in cooperation with the National FFA Foundation, Inc.

Program applicants are judged on crop production during the previous year.

Hutchins' crop production program in 1973 consisted of 60 acres of wheat and 90 acres of grain sorghum. He averaged 50 bushels per acre on the wheat while the grain sorghum averaged 7,500 pounds per acre.

A FRESHMAN at Texas Tech University, Hutchins is an agriculture economics major.

BOOSTER CLUB FOOTBALL CONTEST

CONTEST RULES:

1. Contestant must be at least 18, and must be a member of the Dimmitt Athletic Booster Club. If you are not a Booster Club member, you may send in your dues with your entry. Dues are \$5 per couple, \$3 per person.
2. Circle your choice of winning team in each game on this week's list. Be sure your name and address are on your entry.
3. Your entry must be turned in before 5 p.m. Friday at the Castro County News office, 108 W. Bedford St. Entry also may be mailed to "Football Contest," Castro County News, PO Box 67, Dimmitt, 79027, and must be postmarked before 5 p.m. Friday.
4. A committee of Booster Club members appointed by the club's officers will compile the weekly contest list and score the entries.
5. The tie-breaker score will not be used except in case of a tie on the number of correct choices. On the tie-breaker, circle your choice of winner and pick the TOTAL POINTS you think will be scored in the game.
6. Contest winners will be announced at the next meeting of the Booster Club at 8 p.m. Tuesday in the Dimmitt High School Cafeteria. Any questions concerning the contest or individual scores should be brought up at that time.
7. Contest winners' names will be posted in next week's issue of the Castro County News.

PRIZES.

PRIZES

WEEKLY prizes of \$5 cash for first place and \$3 cash for second place will be awarded by the Dimmitt Athletic Booster Club. SEASON prizes will also be awarded. The Booster Club scoring committee will compile weekly totals of contestants' correct predictions to determine the season prize winners.

Bobcats score in every quarter to down S-E Wolverines, 33-6

By JIMMIE CHAPMAN

The Dimmitt Bobcats scored in every quarter Friday night on a rain-drenched field to down the visiting Springlake-Earth Wolverines 33-6 for their third victory in three outings.

SPRINGLAKE'S Class A Wolverines proved to be a very worthy opponent for the Class AA Bobcats as they moved the ball on the ground continuously all night against a leaky Cat defense that buckled up when the visitors were close to the goal line. The Wolverines scored the first TD against the Bobcats in over 10 quarters of play this year. The score came through the right side of the Bobcat line, which at times this season has been very impressive.

Jake Miller sparked the Wolverine attack with sweeps and smashes that netted the senior halfback 172 yards in 29 carries for the night. Miller, Doug Jones and fullback Rodney Geissler provided practically all of the offense for the night for the Lamb County visitors. Springlake-Earth could not move the ball in the air as the Wolverines tried only four passes, completing one for no gain. Quarterback Lee Brown threw the only completed pass on the next to the last play of the second period with the Bobcats leading 20-0.

DIMITT halfback Robert Mayberry was the leading offensive carrier of the night, gaining 190 yards on only 10 carries. Quarterback Ronnie Lawson came in second for the Cats in the ground gainers with 41 yards on four carries. Gene Veals ran with the ball only five times on the ground, gaining only 18 yards, but two of the carries were for TD's.

The Bobcats built up a 20-0 lead on the first play in the

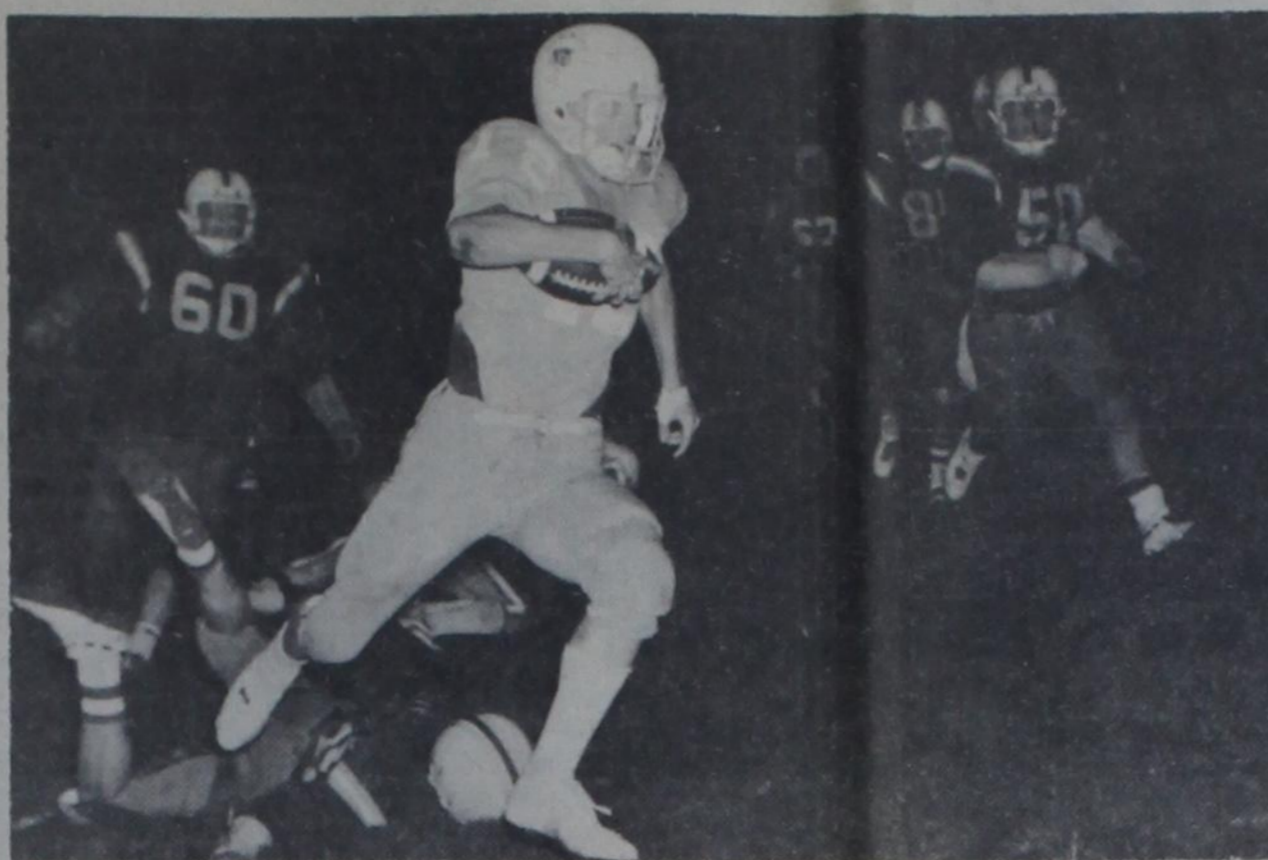

second quarter and then coasted to victory in a contest that saw the first quarter, part of the third and all of the fourth period played in a steady drizzle.

Springlake received the opening kickoff and could get only to the 18 yard line. After running a play which gained Doug Jones a couple of yards, Robert Calhoun recovered his first of two fumbles in the game on the Springlake-Earth 20 yard line. After two plays had netted nothing, quarterback Ronnie Lawson kept on the option on third down and went into the end zone from the 20 for the first score of the game. Ricky Wright kicked the extra point and Dimmitt led 7-0 with 9:57 left in the opening stanza.

The Bobcats got the ball again after holding the Wolverines in their end of the field. Jones got off only a 23 yard punt that gave Dimmitt the ball at the midfield stripe. Mayberry gained 27 yards on the first carry but the Wolverine defense stiffened and the Cats found themselves facing fourth and needing 16 yards for a first down at the Wolverine 27 yard line. Lawson found good blocking, kept and rammed 17 yards to give the Cats a first down at the visitors' 10 yard line.

ROBERT Mayberry burst through the middle where he found a hole and went into the end zone for the score. Ricky Wright missed the extra point but the Cats had a 13-0 lead with 4:36 left on the clock in the first quarter.

SPRINGLAKE-EARTH gained three first downs and moved the ball to the Dimmitt 24 yard line where Robert Calhoun stopped Doug Jones on fourth down and the Bobcats took over. Calhoun literally picked up Jones short of the first down

RONNIE LAWSON keeps on an option play and races down the right sideline for 17 yards to keep a Dimmitt drive alive in the first quarter of Friday night's game against Springlake-Earth here. The Bobcats were facing fourth-and-16 when the junior quarter-

back made his run to give Dimmitt a first down on the Wolverines' 10-yard line. On the next play, halfback Robert Mayberry scored Dimmitt's second touchdown with 4:36 still remaining in the first quarter. The Bobcats won the rain-drenched contest, 33-6.

★ to give the Cats possession. The sturdy end turned in his best defensive game of the year for the Cats in his performance Friday night.

★ **AFTER** Mayberry gained 28 yards on the first carry after the exchange, quarterbacks Brad Sanders and Lawson both threw incomplete passes before Sanders hit Veals for 13 yards and Lawson hit Calhoun for 32 yards to the Springlake-Earth 2 yard line as the first quarter ended.

★ On the first play of the second quarter Veals went through the line and into the end zone for the Bobcats' third TD of the night. Wright kicked the point and Dimmitt had a 20-0 lead with 11:57 left in the first half.

★ There was no more scoring in the first half, though the Bobcats moved the ball to the Wolverine 28 yard line once before turning it over on downs. The Wolverines moved to the Bobcat 39 with Miller and Jones carrying the brunt of the attack. The score at halftime was Dimmitt 20, Springlake-Earth 0.

★ Thompson Mayberry ran the second half kickoff back to the 30 yard line but a clipping penalty against the Bobcats

★ pushed the ball back to the 8. It took the Cats only five plays to move the ball out to the 49 yard line. From there Robert Mayberry swept around the right side of his offensive line and rammed to the 1-foot line before he was downed. The run pulled all of the Wolverines over into the corner and Mayberry, thinking he was over the goal line, was pulled down on the one-foot line. Gene Veals got his second short TD of the game when he bulled over the left side for the necessary foot. Wright booted the point through the uprights into the

31 yard line. Leon Sandoval gained three yards the hard way and then Gene Veals ripped off 14 yards and a piling on penalty against the Wolverines moved the ball to the Springlake-Earth 37 yard line.

★ **ROBERT** Mayberry burst through right tackle, was hit by two Wolverines in the secondary, but rammed into the end zone for a 37-yard touchdown run. The snap from cen-

ter was high on the extra point try and Wright failed to get a chance to kick. The score was 33-6 with 10:52 left in the game with the rain coming down steadily.

★ The Wolverines moved the ball to the Dimmitt 19 yard line and had a first and ten there late in the fourth period but good defensive plays pushed the Wolverines back to the 26

yard line and the Cats ran out the clock to end the game. **LEON SANDOVAL** and Robert Calhoun played their best defensive games of the year to spearhead a leaky defense for the Bobcats. The Cats also had a total of 65 yards stepped off against them in penalties for the night.

★ The Bobcats travel to Tahoka this week for their most distant out-of-town game.

Horns down Chiefs 20-6 with sparkling defense

By PAT STEIERT

The Hart Longhorns rolled over the Crosbyton Chieftains 20-6 in a rain soaked battle at Hart Friday night.

THE KEY to the third straight Hart victory this season was the Longhorn defense, which allowed only one Crosbyton touchdown before shutting out the Chieftains' air and ground attacks.

Ronald Wiley carried for 23 yards for Crosbyton's only score.

Gilbert "Rod" Rodriguez scored twice for the Horns and Danny Carson caught a touchdown pass from Danny George. George also dropped the Chief punter in the endzone for a safety to add to the Hart tally.

Hart started its first drive from its own 30 and moved 62

yards in two plays on runs by Randy Finch and Terry Hill. However, Hill lost the handle at the Crosbyton 8 and the Chiefs recovered.

Behind the powerful running of Ronald Wiley, Robby Karr and Max Lawson the Chiefs

broke two 20 yard runs before the Longhorn defense settled in and forced a punt. Hart took the ball at its 36 and the Maroon Machine got untracked.

WITH FINE blocking provided by the Hart interior line the

Horns drove 64 yards to draw first blood. Rodriguez and Finch handled the ball totting duties and Finch went the final 8 for the TD with just over a minute left in the first period. The extra point attempt was blocked and Hart led 6-0.

The Chiefs struck back quickly as they started a drive from their own 44 following the kickoff. On third down and with six yards to go Ronald Wiley broke through the Longhorn defense and traveled 25 yards for the Chiefs' only score of the night. The try for extras was wide and the score was knotted at 6-6 with just over 11 minutes left in the half.

Hart's Maroon Machine was rolling and on its next possession the Horns drove 59 yards in 11 plays for another score. Hill, Rodriguez and Finch handled the ball carrying duties and Rodriguez capped the drive with a two yard scoring run with six minutes left in the half. The try for extras failed and Hart led 12-6.

The remainder of the second half saw the Horns get the ball on two Crosbyton turnovers but the Horns were unable to capitalize on the breaks.

CROSBYTON took the opening kickoff of the second half on its 17. Max Lawson carried for 13 yards on first down before he fumbled and the Horns recovered.

Hart moved to the Chief 17 before the drive stalled and the Chiefs took over on downs. Crosbyton failed to mount a drive and on fourth down a high snap from center sailed over the head of Chief punter Ronald Wiley and into the endzone. Wiley picked up the ball and attempted to run but Danny George nailed him for a safety and the Maroon Gang handed the offense a 14-6 lead.

Hart mounted a drive to the Crosbyton 25 following the kick before being forced to turn the ball over to the Chiefs on downs.

The Maroon Gang dug in and pushed Crosbyton back to its 20. Chief quarterback Marty Davis launched a desperation pass on fourth down but Longhorn defensive end Danny Carson intercepted and returned the ball to the Crosbyton 22 as the fourth period began.

HILL AND Rodriguez shared ball carrying duties and the Horns drove to the Crosbyton 12 before falling short of a needed first down.

The Horns got another break

on first down as the Chiefs fumbled and Hart recovered on the 18.

From there, Hart rolled to its final score of the night. Danny George passed to Danny Carson in the corner of the endzone for the score and the Horns led 20-6 with 8 minutes left in the game. The try for two failed.

Crosbyton drove to the Hart 14 following the kickoff but the Maroon Gang held and took over on downs with 1:51 left in the game.

THE HORNS ran out the clock to wrap up their third straight win of the season.

The Maroon Gang performed well, hitting hard and causing numerous fumbles on the part of the Chiefs.

Drizzle during much of the game slowed the offense but Longhorn ball carriers did a good job of holding on to the ball.

Tomorrow (Friday) the Horns travel to Petersburg, shooting for their fourth straight win. Game time is 8 p.m.

TELL ME with whom thou art found, and I will tell thee who thou art. —Goethe

THE MAROON GANG swarms in on a Crosbyton ball carrier during Friday night's game at Hart. Hart tacklers in the foreground include Jim Clifford and Pat Steiert. Other defenders closing in for Hart include Jimmy

Kennedy [83], Jesse Flores [31] and Brad Sharp [64]. Hart rolled to a 20-6 victory over the visiting Chieftains during the rain-soaked game as the Longhorn defense performed brilliantly.

Ropesville Eagles hand Swifts first loss of season Friday

By MARTHA CATOE
The Nazareth Swifts suffered their first defeat of the season

13-0 at the hands of the Ropesville Eagles Friday night at Nazareth.

NEITHER TEAM displayed an effective offense as both had difficulty holding onto the slippery football in the fine mist that prevailed through the entire game.

Both teams managed deep penetrations during the first half but the defenses prevailed and the halftime score was 0-0.

The third period proved to be much the same. Ropesville halfback Bobby Trevino took a Swift punt and returned it 40 yards to the Nazareth 10. Charles Heck made the tackle and saved the score. The Swift defense then held the Eagles.

The first score came early in the fourth quarter on a 38 yard touchdown pass from Eagle quarterback Frank Quintanella to split end Monty Moore. The extra point was kicked by Ricky Streety and the Eagles led 7-0. Nine minutes remained in the game.

THE EAGLES came back to score again with four minutes left on the clock. Halfback Craig Turner got the call and scored on a 30 yard run. The point after attempt failed and the Ropesville Eagles defeated the Swifts 13-0.

Charles Heck was the leading ground gainer for Nazareth

with a total of 81 yards. Junior Joiner, suffering with an ankle injury, managed 49 yards for the evening. Glenn Dobmeier, Keith Birkenfeld and Ted Huseman led the defense with seven tackles each.

Tomorrow (Friday) the Swifts meet the Lazbuddie Longhorns at Lazbuddie. Kickoff time will be 8 p.m.

JAPAN and West Germany were the biggest customers for US farm exports in fiscal 1973. Together they purchased \$9.3 billion worth, or 72 percent of the nation's total farm exports.

CHEVROLET FOR 1975. CARS THAT MAKE SENSE FOR TODAY.

NOVA LN Sedan
The small car of tomorrow will probably be a little more powerful, handy and comfortable than ever. The 1975 Nova 2+2, shown above, offers this today. It has advances like rectangular headlights set in a soft front end, fold-down rear seat, and a new 4.3-liter V8 engine available.

CAMARO Our sensibly sporty compact. It looks like a million and drives like it looks.

IMPALA America's favorite car continues to provide the room many families need plus plenty of quiet and comfort. Sell the great American value.

WAGONS Big ones, small ones, in-between ones. Practical wagons that make sense for America. And you.

CHEVELLE Mid-size, easy to drive, room for six, mid-priced, strong reputation for value. America's most popular intermediate.

MONTE CARLO Its special ability: making you feel good. About the way it looks and drives. About your own taste and judgment.

CHEVROLET'S NEW EFFICIENCY SYSTEM FOR 1975 It's the key part of a program aimed at helping our new cars run leaner (more economically), run cleaner—and save you money every mile.

The Efficiency System is standard on all 1975 Chevrolets with V8 or 6-cylinder engines. It's a series of significant engineering improvements working together for the very first time.

Components include High Energy Ignition, catalytic converter, Early Fuel Evaporation and steel-belted radial ply tires. In sum, the System is designed to heighten the pleasure and lower the cost of driving a 1975 Chevrolet—to bring you a better running car in many ways, along with improved fuel economy, more miles between recommended maintenance and an engine that stays cleaner internally because of no-lead fuel.

Your Chevrolet dealer will gladly give you the details and answer your questions. See him and the sensible 1975 Chevrolets starting September 27.

Church schedules evangelistic meet

The First Christian Church of Dimmitt will hold an evangelistic meeting Oct. 6-11.

ROBERT H. Jones, a 1952 graduate of the Cincinnati Bible Seminary and recently appointed director of public relations for Johnson Bible College, will be the evangelist.

In addition to holding revivals in many midwestern and southeastern states, Jones has played an active part in the management of several Christian service camps. He has also served as chairman of Christian Audio Visual Aid Service, Kentuckiana Christian Missions Inc. and the Kentucky State Convention.

Mr. and Mrs. Bedford Smith will lead the singing at the meeting. All interested persons are invited to attend.

Letter to the Editor

**Keep backing the Cats
DHS cheerleaders urge**

DEAR EDITOR:
We, as the varsity cheerleaders of DHS, would first like to commend the Dimmitt Bobcat fans and boosters on the wonderful support and backing they are giving our team. We feel that the turnout at the games has been tremendous and we hope that it lasts throughout the year. The spirit is great and we encourage you to keep it up. You can never get enough spirit!

WE HAVE worked hard to support our team and we would like to thank all the people who have helped us make the job easier. The cheerleading job is hard, although we enjoy it very much. It is very rewarding to see the results we have seen this year, and since the year has hardly started, we are hopeful of even greater improvements. If you have any helpful suggestions, we would be glad to listen to you.

The cheerleaders would also suggest that each and every sport should get the backing and support this year that our great football team is getting. With your help we would like to

recognize these sports more. After all, they're Bobcats too and deserve a pat on the back also!
The Bobcats have great potential and have done a wonderful job this year. We're proud of them and hope you are too. Plan to attend the next game and share their victory with us. We feel sure you'll enjoy every minute of it. See you there!

Gratefully,
THE DHS CHEERLEADERS
Mary Ann Nino, Tanya DeVaney, Kerry Broderson, Jana Hill, Loretta Young and Kay Phillips

Fun After 50 Club sets meet Tuesday

Who gave Dave Flake modern equipment to install in your home?

Continental Telephone did... with your help.
Your telephone is a vital part of your daily life you can take for granted because Continental people, like Dave, don't. Continental reinvests your revenues to provide installers, like Dave, with the equipment, tools and transportation to fill your requests for new phones. Dave's busy all day long installing telephones and making repairs. When he's in your home, he listens to you, and we listen to him.
Dave isn't the only one you can talk to about your phone service. We have given someone at the business office the very important job of listening to you because we want your comments.
New phones and solving your problems are parts of Continental Telephone's continuing planned program to upgrade service everywhere as we work toward our goal of providing you the best service at the lowest rates.

JAYCEE OF THE MONTH—Dimmitt Jaycees president Les Clary presents Jim Baker with a plaque naming him as Jaycee of the Month for August as nominees Mike Bruegel, [far left]

and Ron Montgomery [far right] look on. Baker was honored for his work on the Jaycee float which won first place in the Roundup Parade last month.

Nazareth

Long wet spell worries grain farmers

By MRS. AGNES BROCKMAN

We're having rain, and more rain here the last week or so, and they say there's more on the way. The farmers are getting a little worried about their grain crops and feed for their cattle. Don't know how much it's rained as of now, most likely several inches some places. I am sure we will accomplish some good from it by and by for the wheat, etc.

Cyrilla Brockman and Evey Wilhelm spent the weekend with the Tom Brockmans in Friona. Sunday afternoon Tom brought them back and visited relatives while here.

Helen Backus spent several days in Dumas with the Edmund Backus family.

The Terry Hutsons spent the weekend with Janelle's folks the Paul Venhaus family. Janelle was honored with a stork shower in Dimmitt Sunday afternoon at the home of Philomina Garza.

MR. AND MRS. Herbie Wethington and children visited their relatives in Nazareth last Sunday.

Mrs. Anna Albracht, 91 years old, resident of the parish, was laid to rest in Holy Family Cemetery Wednesday, Sept. 18. Mass celebrants were Rev. Father Stanley and Rev. Father Ralph. Mrs. Albracht moved here with husband and her family of four children in 1914 from St. Bernard, Neb. Six children were born here, two preceded her in death during childhood. Her husband Joe preceded her in death in 1961. Eight children mourn her passing. Those from out of state who came to attend her funeral were Andy and daughter, Mrs. Ledvina Pohlmeier of Reseda, Calif., her daughter Mrs. Veronica Heiman of Inglewood, Calif., her sister Mrs. Kate Sayles of Rosmead, Calif., brother Pete Deitrich of Orange, Calif., sister Mrs. Clara Neibur and son Ralph of Minneapolis, Minn., Richard Neibur, Cleveland, Ohio., Al Albracht, Omaha, Neb., Paul Deitrich, Denver, Colo., Dennis and Marvin Hoelting, Denver, Colo., Mr. and Mrs. Walter Albracht, Mr. and Mrs. Leonard Frye and Wilfred Keimig of Lindsay, Neb., and also a host of relatives and friends from the surrounding communities.

ROSE Birkenfeld, her son Leslie and his girls spent the weekend in Lubbock last week. The Gene Schacher children, Danny, David, Becky and Kathy, spent Saturday with the

Allen Dobmeiers. Mrs. Bill Bowers of Umbarger and Mrs. Harold Schaefer of Windhorst visited Rose Birkenfeld Monday.

LUCY LEINEN spent Sunday with her son and family, the Jerry Leinens in Amarillo.

Mrs. Val Acker entertained with a dinner Sunday for all her children, Mr. and Mrs. Hugo

Lutkenhaus, Mrs. Annie Kathman, Helen Burt and Agnes Brockman.

Agnes Brockman spent Wednesday afternoon and the night with the Tom Brockmans in Friona.

BORROWING is not much better than begging.

—Lessing

Goldsmith top guesser in football contest

Ted Goldsmith and Patti Cartwright proved the best guessers in the third week of the Dimmitt Athletic Booster Club's football contest.

GOLDSMITH picked 10 winners correctly from last week's list for first place honors.

Mrs. Cartwright had nine correct picks and was 11 points off the Floydada-Post tiebreaker score.

Jerry Cartwright, Bullet Adams, Sue Broderson and Vickie Bryant each picked nine games correctly, but all missed the tiebreaker by more than 11

points. There were 38 entries in last week's contest. FOR DETAILS on this week's contest, see page 10.

Lee Street Church schedules singing

The Lee Street Baptist Church will hold its fifth Sunday singing Sunday from 2-4 p.m. at the church.

All interested persons are invited to attend.

COMING SEPT. 27.

THE '75 FORDS, INCLUDING THE NEW GRANADA!

The new Ford Granada designed to give you efficient use of space, fuel and money.

Almost identical in size and weight to the Mercedes 280, the Granada is about two feet shorter and half a ton lighter than most standard size cars.* So you can expect excellent gas mileage, and exceptional handling ease. Yet there's

family-size room inside: front legroom and headroom front to rear, comparable to many standard size cars. The trunk holds 8 pieces of luggage.

And here's just the top of the list of standard equipment: 200 CID 6-cylinder

engine; 3-speed manual transmission; steel-belted radials; solid state ignition; front disc brakes; full wheel covers and accent moldings; individual reclining seats; cut-pile carpeting, and much more.

Ford LTD Landau: a logical alternative to longer, heavier, more expensive luxury cars.

Compare the workmanship in LTD Landau as well as its size, comfort and luxury to much more expensive luxury cars. The main thing you *don't* get is hundreds of pounds of extra weight and almost a foot of extra length (compared to longer, heavier, costlier cars). You *do* get the security of a solid, full-size, well-made automobile.

The small Fords: BIGGER VALUES THAN EVER.

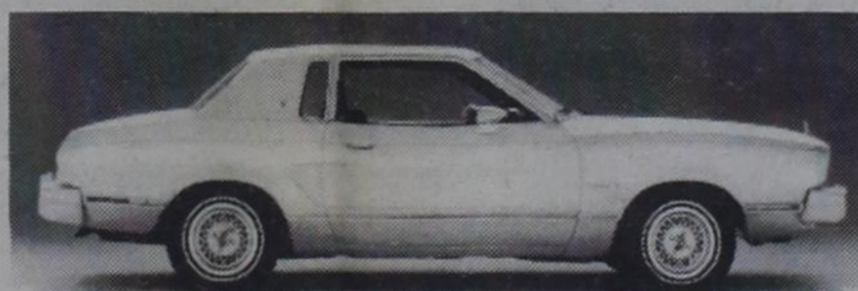

Maverick: the proven family compact.

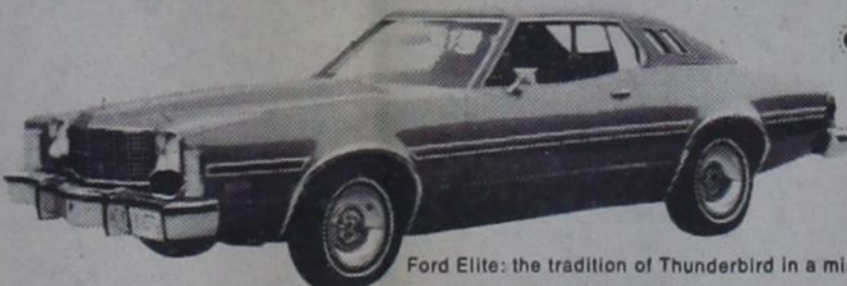

Pinto: still the leader in basic transportation.

*All comparisons made to 1974 cars.

Personal luxury in 3 sizes . . . and at three price levels.

Mustang II: the sporty personal luxury car new with optional V-8 engine.

Ford Elite: the tradition of Thunderbird in a mid-size car.

Thunderbird: could it be the best luxury car buy in America?
