King says

'Farm monkey on President's back'

"We have put the monkey on Ronald Reagan's back. He now has the opportunity to let farmers decide their own destiny, to decide if they want to have a chance to have a profit in agriculture."

That's Carl King's assessment of the 1985 Farm Bill that was passed out of the US House Agriculture Committee last week, which could be voted on as early as today or Friday.

Included in the final version of the bill passed out of the committee is an amendment presented by Rep Berkeley Bedell (D-Iowa) that would give farmers a chance to join in a voluntary certificate program that has been pushed by King and other farm group leaders for several months.

The program, as explained in the amendment, would offer a non-recourse loan of at least \$4.50 per bushel for wheat and \$3.25 per bushel for corn for each of the fiscal years 1986 through 1989, and marketing certificates equal to the

program yield times the allowable planted acres for their farm.

All wheat and feed grains that are sold domestically would have to be accompanied by a non-transferable marketing certificate. Producers who do not participate in the program may plant their entire wheat or feed grain acreage base, but would not receive a marketing certificate for their crops and would have to consume their own production on their own farm, or could sell the grain for export on the open market at world prices.

Certified grains would, if exported, be entitled to a subsidy equal to the difference between its domestic market value and the world price. The subsidy would be either an in-kind payment from CCC stocks or in cash.

The amendment, according to figures supplied by Bedell, would save \$5.2 billion over FY 1986-88, and \$9.6 billion if lengthened to FY 1986-1990.

"What really disturbs me is

that two representatives, our own Larry Combest and Charles Stenholm, voted against both of our amendments," King said. "The original amendment would have made the program mandatory, and it failed 22-19 with one committee member voting 'Present.' If we get those three votes, (ag committee chairman) Kika De La Garza had already told us he would vote in favor of the mandatory program."

"Well, we have a lot of problems with the Bedell amendment," said Frank Morrison, Rep. Combest's agricultural aide in Washington. "We have some questions that Larry has brought up and some questions that were brought up by some other folks, regarding how the program would work in reality."

"The idea of providing certificates for production is going to bring about and extensive and expensive policing program for the certificates themselves. When you have an artificial, high price, which you would under this program, you will have an incentive for people to try to find a way around the program, and that's probably going to be from people forging certificates."

"The congressman is also concerned about the provision that would require producers not in the program to consume their own grain, such as feeding it to their own livestock. They can do that in the Midwest where a lot of producers have a large feeding operation on their property, but you can't do that in our district, because many of the large feedlots buy their grain on the open market. That will give the Midwestern producer a big economic advantage over our cattle producers."

"We're also very concerned about the Administration's position, and what the President has already said he would do, which is to veto the farm bill if there is a mandatory reduction. Tom Foley (D-Wash., vice-chairman of the House ag committee) has told us he doesn't think it will pass the House with the Bedell amendment attached."

"Combest is not bending to the Administration's position, but we've got to have something workable to the farmer, and soon. We don't want to have spent all of this time working on something the Administration is going to veto."

"We see some other ways to increase the income for the farmer, mainly the marketing loan program developed by Rep. Arlen Stangeland (R-Minn.). If the Congress and the Administration can work together on this, then it will be a more plausible solution than mandatory controls."

"Texas Corn Growers and other farm groups have won the first round," King said, "but we still have a fight on our hands. There will be a big fight against this on the House floor, and (Sen. Jesse) Helms will try to shoot it down in the Senate. I'm sure the Administration will fight it all they can."

"Another fight we have is to try and block any continuing resolutions on the floor to extend the current farm program. I have assurances from (House Majority Leader) Jim Wright that we won't get a continuing resolution, because it's already proven it won't work. Farmers are going broke all around."

"But we may be all singing 'Jingle Bells' before we have a farm bill passed."

GAO ready to slap TRLA hands

The Legal Services Corp., the parent of Texas Rural Legal Aid, and the Government Accounting Office have found TRLA could be guilty of some wrongdoing in the formation of what a preliminary report terms a "mirror company."

US Rep. Larry Combest made public a report from the GAO that charges the Texas Rural Legal Foundation is a "mirror company" of TRLA, which was expressly forbidden by LSC and GAO, and could, pending further findings, result in the withdrawal of government funds from TRLA, according to the congressman's office.

"Legal Services Corp. told TRLA they could set up the Texas Rural Legal Foundation

as long as it was separate and apart from TRLA and had no ties to the organization," said Trudi Lewis of Combest's Washington office. "The preliminary report has found they are indeed mirror corporations and are not operating separately as they should be under the guidelines and rules prescribed by LSC."

"Because of the ongoing activities of TRLA, the final investigation is continuing," Combest said. "They continue to file lawsuits, including class actions, in Hereford and the surrounding areas. This GAO report further demonstrates that corrective measures are necessary to thwart these actions by TRLA."

"The report also reveals yet another example of LSC's inability to properly control the activities of its subsidiaries," Combest continued. "People desire to have their tax dollars used responsibly and efficiently, and the misuse by TRLA is intolerable."

"TRLA's counterproductive actions must stop and this critical situation must be resolved. Long term preventive measures in the form of legislation must be adopted if we are to eliminate the current unnecessary problems resulting from TRLA activities."

Lewis said it could be some time before the investigation by GAO is final because of the ongoing TRLA lawsuits and other activities.

This year's Harvest Days celebration had to be the best ever.

The Old Settlers' Reunion and Follies both drew record-breaking crowds, the parade was great, and if you couldn't find a "fun event" you could enjoy and participate in, you just weren't looking.

Even the weather cooperated, although it looked shaky there for a while. Saturday morning's rain held up the

Ag groups sue Cabot

An ongoing effort to find a source of cheaper natural gas for this region, especially for agricultural gas users, has resulted in an antitrust suit filed against Cabot Corp. and three other related companies.

The suit was filed in US District Court in Lubbock according to James Elliott of Witherspoon, Akin and Langley law firm of Hereford.

Defendants in the suit, which could be certified as a class action and include about 1 million consumers in the West Texas Transmission System, include Cabot, Westar Transmission Co. and Cranberry Pipeline Corp., all based in Delaware, and Gas Transmission Co. of Texas.

The plaintiffs include Carl King of Dimmitt, Texas Corn Growers Association, Texas Corn Producers Board, Texas Agricultural Energy Users Association, Texas Sugar Beet Growers Association and its president, Bill Clevinger of Wildorado, Irrigation Gas Users Association, Bill Rigler of Plainview, Virgil Marsh of Deaf Smith County, Hereford Feedyards and Bar G Feedyards.

All of the plaintiffs had worked through the organizations to try to find a cheaper source of natural gas for ag users. The plaintiffs claim they found a source much cheaper than what was available through the Cabot system, but the Cabot refused to ship the gas through its pipelines, prompting the suit.

The suit contends Cabot is in violation of state and federal antitrust laws by restricting trade and fixing gas prices. Elliott said Cabot is restricting natural gas supplies to the West Texas Transmission System and trying to monopolize gas transmissions through the system.

The plaintiffs also claim the defendants are in violation of state laws regarding the transmission of gas and duties owed in transmission.

The suit alleges the violations stem from an October, 1983 agreement between Pioneer Corp. and Energas Co. that sets price and price setting mechanisms for natural gas in West Texas for the next 15 years.

Pioneer sold Westar, which had the contract with Energas,

to Cabot in September, 1984, for what the plaintiffs say was "an exceedingly high price and at a great and unconscionable profit" because of the profit potential of the 1983 contract.

The suit contends the contract has since been used to restrain trade and set natural gas prices at a level higher than Energas could have purchased from other sources.

The suit also claims Cabot had affiliate companies take gas supply contracts from Westar and later "resell to Westar some of the gas under those contracts at increased prices over those obtained from the producers."

Schools set test, grading meetings

The Dimmitt Independent School District will hold three meetings next week to discuss recent changes in the school system with parents and other interested persons.

The meetings will be held Monday at 2 p.m., Tuesday at 7:30 p.m. and Wednesday at 10 a.m. All of the meetings will be held in the DHS Auditorium.

"We want to urge all parents to attend any of the meetings," said school Supt. Robert Ryan. "We'll present information on the exit exams that will be given to juniors Oct. 1 and Oct. 2."

"Those exams must be passed before students may graduate from high school. We will also discuss our new grading system and cur-

riculum, and we'll have plenty of time for questions and answers on these and other school topics.

"There have been many questions from parents about the changes we've implemented this year, and we urge anyone who has a question or is concerned to attend one of the sessions."

On the Go

with Mary Edna Hendrix, 647-3343

The Harvest Days Celebration was a big success again. Since I was working at the museum I just got a birdseye view of the fair, but what I saw was great! I took time to attend the "Creative Garnishes" program by Mary Blinderman with Southwestern Public Service Company. I watched the parade that was bigger and better this year with the theme "Celebrate Texas." I watched some of the "I.T." contests (even the messy egg competition), ate barbecue served by the Dimmitt square dancers, and attended the Harvest Day Follies twice. The Follies brings out talent from the young and old, and we do have talent in Castro County! I missed the Old Settlers Basket Dinner at the Senior Citizens Center but I was told there was plenty of food and fellowship!

We had a large attendance at the Castro County Museum open house. Bryce Dowell and George Bagwell ground corn and wheat and sold the meal and whole wheat flour. George Bagwell, Bryce Dowell, H. C. Nelson, Lon Woodburn, Ralph Lambright, Harley Dyer, and Jim Elder proudly showed the half dugout they had just completed. Madge Robb, Gail Nelson, and Mary Woodburn served lemonade and delicious watermelon that Jerry and Carolyn Watts so graciously donated. Don Moke, Helen Richardson, and Mary Edna Hendrix churned butter, with the help of Richard Young, who is an old pro! Thanks to Kenneth Malone with Plains Creamery for donating the cream. Since it was sweet cream and cold, it took 1 1/2 hours to churn 1 1/2 pounds of butter. (But the finished product was good!) The Road Rally, sponsored by the Easter Lions Club, made a five-minute stop at the museum.

Some of the out-of-town people attending the open house at the museum were: Janice Davis and her daughter, Lindsay, from Amarillo. Her husband and son, Gerald and Brad, were at a scout camp in New Mexico. Janice was interested in the grand piano we have at the museum. Janice and Lindsay were visiting her parents, Bob and Phyllis Mooney, Clara Gladden, Elmer and Mauzee Youts, and other relatives who came to the museum with her. Carole Cowsert Farris came from Dalhart and came to the museum with her mother, Myrna Cowsert. Others who registered from out-of-town were: Alton and Betty Louder and Janelle Hayden of Sunnyside; Ed and Kim Watson from Ranger; Nita and Mary Bryan and Terry Robinson from Hereford, Doris Siere and Daisy Waller from Oklahoma; Charlie and Charles Hastings from Lubbock; June Carroll from Anton; Mr. and Mrs. Giles Tate from Albuquerque, N.M.; Wyvonne Payte and Vivilene Duke from Big Spring; Brad and Juanita Fulfer from Hale Center; Wendy Downing from Dallas; James and Mary Whatley from Amarillo; and Velma Woodburn from Roswell and Vivian Rogers from Burnet. I am sure there were others from out of town who failed to register.

I visited with the Higgs family while they were in town for the Follies - Joe, Joyce, Cara, Mandy and Brian. Ruby Ramsey entertained her son, Charles and Mary Pitts, from Amarillo on Saturday and part of Sunday. They attended church and went on to Plainview for a company picnic.

The WMU met at the home of Louise Mears on Monday morning for the first program of the "Week of Prayer" for the 1985 State Missions. Ysleta Ball presided over the meeting, Jennifer Miller read the calendar of prayer and offered a prayer of the missionaries who were celebrating their birthday. Ginger Olson gave an in-

spirational program on "Prayer."

On Tuesday morning the WMU met at the Fellowship Hall of FBC for a brunch. Ysleta Ball presided over the meeting, Roberta Cole, Mary Edna Hendrix, Walter Maynard, and Dorothy Hopson gave a report of their trip to Glorietta last summer when they attended the WMU conferences. Joyce Davis gave an interesting program on "Missions in Texas." Texas is a vast mission field - "the world is coming to Texas."

Debbie Annen and Jennifer Miller decorated the tables with orange ribbons, fall leaves, and a centerpiece of two miniature hot air balloons. In the background was a scene of hot air balloons with the theme "Come join WMU - We are Rising to New Heights - 1985-86." On white fluffy clouds were written Foreign Missions, State Missions, Home Missions, Girls in Action, and Mission Friends. A delicious brunch of fresh fruit, quiche and cinnamon rolls was served to 20 women and three men, Bro. Ken Cole, Richard Young and Bro. Bentley Gwyn.

The WMU met in the home of Lorena Cates on Thursday morning. Ysleta Ball presided over the meeting, Jennifer Miller read the calendar of prayer, and Dorothy Hopson gave an interesting program on the River Ministry in the Rio Grande River area.

On Friday the group went out to the Canterbury Villa for a service to the residents there. Debbie Annen brought an inspirational program and they sang several songs since the residents like to sing.

The theme for the week was - Deny...Take Up...Follow.

Jimmy and Joyce Davis completed their adoption papers for their little three-month-old baby girl, Julee Ellen, on Wednesday, Sept. 11, in Lubbock.

Little Julee has a big sister, Jayme Leigh, who celebrated her 3rd birthday over the weekend. On Saturday they went to Lubbock and celebrated with Jayme's grandparents, Jack and Fern Davis and her uncle Jack L. Davis. On Saturday evening Jayme met her aunt Linda Hart for dinner. Joyce went along for the fun. Sunday Jayme's maternal grandparents, Milton and Zelma Hart, from Levelland, came to Dimmitt to celebrate the birthday.

Ronda Wise presided over the first meeting of the fall season of the Dimmitt Book Club. Reta Welch gave a delightful review of the book "The Bridge Across Forever" by Richard Bach. Teresa Nutt and Kim Hays served an after-school snack of cheese and crackers, fruit and iced tea from an interesting table decorated with a stack of books, a school straw hat, and a little basket of apples.

Decimae Ramey Beene gave me a report of their class of 1935 reunion that was held at the Colonial Inn Restaurant on Friday night. They had a big "Welcome" sign to Bobbies and Bobcats on a white background with purple letters. They used purple helium filled balloons that added color to the banquet room. The program was written on a cardboard football and megaphone with a poem "Things Change - Our 50th Class Reunion."

Nine class members were present: Christine Bagwell Bell from Perryton, Dugan Hardy Butler of Dimmitt; Tina Mae Wright Fulcher of Stephenville; Robert Singer of Tulsa; Pauline Duree Baird from Roy, Wash., who came 2,000 miles for the reunion. Pat Hyatt

came from Payson, Ariz., Emily McLean Clingsmith, Florene Houtchens Stafford from Dimmitt, and Decimae Ramey Beene from Friona. Their sponsor Herman Troutman came from Dumas.

Rachel Barnett Johanson from La Miracla, Calif. came to be with the group since she missed her 1934 class reunion.

From the class of 1935 there were seven who are deceased, four were unable to attend, and two could not be contacted.

Stefanie Love hosted her bridge club Tuesday, Sept. 10. She served spaghetti, French bread, salad and a white chocolate dessert to Martie Benton, Sandra Potts, Nancy Ross, Virginia Hanson, Sandra Clark, Patricia Braafladt, Martha Harmon and guest, and Dorothy Gilbreath. High scorer for the day was Virginia Hanson.

Betty Freeman, Ann Ethington, Loranel Hamilton and Deanne Clark attended the Annual Fall Luncheon and Style Show sponsored by the Amarillo Republican Women's Club Tuesday, Sept. 10. Mrs. Tom Loeffler, wife of the gubernatorial candidate, greeted the 235 guests and local officeholders were introduced to the crowd. "Patriotic," "Country" and "Dallas" themes were used by The Main Place in its presentation of fashion attire. Mrs. Mike (Donna) Bruegel was one of the models.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge with Louise Mears as hostess. Virginia Crider and Johnnie Vannoy tied for high score and Susie Reeves was second. Others playing were Ferne Dickey, Jo Gregory, Edith Graef, Sal DiCuffa, Emily Clingsmith, Jean Christian, Bernice Hill and Cleo Forson.

"Celebrate Texas" was the theme for the '85 Follies. Every act was perfect - now we can look forward to "Follies" next year.

Dustin Sammann, two-year-old son of Charles and Kathy, was a very young Dallas Cowboy, along with Jared Townsend, Kurt Webb, Taylor Matthews, Nathan Boothe, Terry Miller, Derek Merritt, and Chris Sammann played the part of Coach Tom Landry at the Follies. Dustin took his part seriously and tried to do everything just right, as his seven-year-old brother called.

Decimae Beene of Friona spent the weekend with Beral Hance. Sunday she visited April Guy and her family at Sunnyside. April's mother, Mrs. Lorene Fowler, is visiting here from Richmond, Ky.

Visiting in the home of Eddie and Lee Kimbell last week was Mrs. Clara Kimbell of Goldthwaite. Many of the "old timers" from here remember her husband, Morris, who died in 1961.

Services were held for Gene Kimbell in the Lemons Funeral Home of Plainview. Gene died Sept. 13 in his home after an illness and surgery. He grew up in Dimmitt and built a small

Why Missions

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv.

This old rock church building is typical of the Spanish mission architecture in the Southwest, but why were there missionaries here? What drove men to leave a comfortable place in civilization and go to distant and dangerous places? Did not people there already have a religion which they liked, and with which they were happy? The power which has continually sent Christians out as missionaries since the first century is the conviction that Christianity when embraced gives life and that abundantly. At its best the Christian mission to any people has been "that they may have life." As for other religions, especially among primitive peoples; it is obvious that they can give neither life nor freedom. They offer only fear and slavery to the cult and its practices. Christianity comes in the name of truth and freedom and life.

EDC \$ SIGNS

By GERALD M. HANNERS
Another Harvest Days Celebration has come and gone and what a weekend it was! Another wonderful Castro County Fair, a colorful Saturday morning parade, two exciting performances of the Follies and a variety of other events provided entertainment for all ages.

The success of the Harvest Days, as always, is dependent upon cooperation of all segments of our community and the willingness of everyone to "pitch in" and help. Hundreds of people worked for weeks on the various activities, providing manpower and ideas.

Each year, as the events get bigger and better, it is a celebration of community cooperation. It is a reaffirmation of our faith in ourselves and a rediscovery of the pride that we have in our community.

Like most other things that are worth doing, the Harvest Days is no small accomplishment. It is visual proof of a strong, positive community attitude.

To all of those who participated — Thank you! Your efforts will remain alive in our memories of another enjoyable time and you have shown us again some of what is best about small town life. Dimmitt, Texas is alive and well because of a lot of nice people who care enough to contribute.

Nazareth By Virgie Gerber, 945-2669

The new school year at Nazareth began Sept. 3, with the students attending a Mass of the Holy Spirit in Holy Family Church with Rev. Harold Waldow officiating. Flag raising ceremonies followed at the Nazareth School with Saige Annen and Matthew Kern portraying Betsy Ross and Uncle Sam. Father Harold gave the opening prayer. Superintendent Johnny Mason spoke words of encouragement to the students to try to do their best this year, and the officers of the FHA also participated in the program. We have a total of 236 pupils this year, 85 in high school, 33 in junior high and 118 in kindergarten through sixth grade.

The annual Labor Day picnic was held Monday, Sept. 2 beginning with a parade through Nazareth. A barbecue dinner was served to a large number of area residents at the Community Hall. There were many games during the afternoon for young and old, an auction and horse races with hamburgers being served for several hours. The dance was held on Saturday evening before Labor Day this year with a large crowd attending. The Catholic Daughters float won \$30 for first place in the parade, the Post Office float won \$25 for second place and the Legion Auxiliary won \$20 for third place. Special winners were the Nazareth School Band being awarded \$100 for their performance and the Amarillo Muleskinners were awarded \$30.

Joel and Mary Beth Gerber and their children have moved

into their new home north of town.

Helen Backus, Bert and Marie Venhaus, Sister Celestine Marie, Marie Brockman, Al and Aurelia Schoenenberger and Lavern and Ronnie Wilhelm attended the 75th anniversary celebration of Holy Name parish of Happy Sunday afternoon at their Parish Hall.

The 1985 graduates attending college are: Russell Hoelting and La Dawn Schmucker going to Eastern New Mexico in Portales; Leona Gerber at South Plains in Levelland; Patsy Birkenfeld at Amarillo College; Rick Backus, Chris Gerber and Mark Klemman at Texas Tech.

Many relatives and friends attended the funeral mass for Rose Warren, 82, Friday morning in Holy Family Church, with Rev. Harold Waldow officiating.

Albert and Virgie Gerber are both home after spending a week in the Dimmitt and Hereford hospitals.

Walter and Georgie Klemman are once more in Houston where Walter is receiving radiation treatments at M. D. Anderson Hospital. They should be home this weekend.

Lucy Leinen and Cornelia Annen visited with Rubye (Annen) Hubbard in Fort Worth a couple of days before going to Ottawa, Ohio, to visit Lucy's nieces and nephews and other relatives who live in and around Ottawa.

Roger Gerber is in his third week of radiation treatment at the Don Harrington Center in Amarillo.

Constitution Week slated Sept. 17-23

The Los Ciboleros Chapter in Hereford of the Daughters of the American Revolution presented a resolution to Dimmitt Mayor Wayne Collins declaring Sept. 17-23 as Constitution Week. Collins signed the resolution that was similar to resolutions signed by the Governor and the President of the United States.

The Constitution is the basic document of the US government. The 198-year-old document is the oldest Constitution still in active use in the world today.

The local chapter encourages observation of the special week and sponsors essay-writing

contests on various patriotic and historical subjects.

The DAR asks that you read, study and understand the meaning of the American Constitution.

ESL, GED classes to begin tonight

English as a Second Language (ESL), and GED classes will begin tonight at 7 p.m. at Dimmitt High School.

ESL classes will meet in Room 17, while GED classes will convene in Room 13.

ESL classes will meet Tuesday and Thursday nights from 7 to 10 p.m. and GED classes will meet Monday and Thursday nights from 7 to 10 p.m.

The classes are sponsored by Dimmitt ISD and the Education Service Center, Region XVI.

Instruction books for adults who want to read, write and speak English, improve mathematics and reading or prepare for the GED test are available free of charge.

For further information contact John Thomas at 647-3105.

Free cheese distributed Tuesday

Cheese and other commodities will be distributed Tuesday at 10:30 a.m. at the Castro County Expo Building in Dimmitt.

Doors will NOT be unlocked until the delivery truck is unloaded that morning.

The Community Action spokesman asks that you please do not crowd or other arrangements will have to be made, or the service will be discontinued.

Burial was in Castro Memorial Gardens. Survivors include his wife; a son, Merlyn

of Plainview; a brother, Edwin, of Dimmitt; two sisters, Ola Lankford of San Antonio, and Mabel Bills of Amarillo; two sisters-in-law, Clara Kimbell of Goldthwaite, and Mable Kimbell of Portales, N.M. and several nephews and nieces and their children.

Most of the relatives came to Eddie's and Lee's home for refreshments after the services.

Vernon O'Kelly will lead a study of Matthew, Chapter 4, for the Castro County Ministerial Alliance on Tuesday, Sept. 24 at 10:30 a.m. at the First United Methodist Church.

Presbyterian happenings

"Together Let Us Build Faith, Build Community, Build Skills" will be the theme of the Peacemakers Gathering at Ceta Glen Friday and Saturday. The Rev. Warner Bailey of Riddlee Presbyterian Church, Fort Worth, will lead the group in finding Biblical guidance in the 23rd Psalm and theological instruction from Calvin's Institutes.

"Changing Design—Unchanging Creed" will be the theme of the Fall meeting of Area II Women of Palo Duro Presbytery as they meet at the First Presbyterian Church of Plainview Saturday from 10 a.m. to 2:15 p.m. Inspirational worship will be led by Dr. Fane Downs of Abilene.

Presbyterians are responsible for the service at Canterbury Villa on Sunday at 9 a.m.

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult Bible class meets at the home of Mrs. Emily Clingingsmith. All other classes meet at the church.

"If It's Going to Be, It's Up to Me" will be the subject of Pastor Edward D. Freeman's sermon at the Christian Education Sunday morning church worship service at 11 a.m. The teachers, pupils, parents, session and congregation will all be recognized in the service.

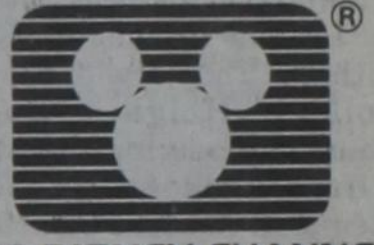

"The Three Things You Must Do" will be the subject of the Bible study on Wednesday, Sept. 25 at 7 p.m.

Harman finishes first in race

Renea Harman of Dimmitt finished first in the 1600 meter race at the Allsup's 11th annual Roadraces held in Clovis, N.M. over the weekend.

Harman, the daughter of Mr. and Mrs. Billy Harman of Dimmitt finished with a time of 6:48, breaking the Dimmitt Middle School seventh grade track record of 7:03.

She competed in the 0-14-year-old age group.

Sunnyside

By Teny Bowden, 647-5703

Noah and Ruth Spencer were honored with a going away fellowship dinner after the Sunday morning services. They will move the trailer house to Lubbock Monday. Cliff and Naomi Brown of Hale Center and June Carroll of Anton attended the services, and stayed for dinner.

Bruce Bridges and his brother Brad of Springlake were pallbearers at the funeral of their great-grandmother, Alma Ruth "Dear Mom" Chapman in the First Baptist Church of Earth last Friday. She was 94.

Alton and Betty Louder, Janelle Haydon, and Embree Roy and Willie Mae Sadler attended the Old Settlers reunion and the reunion for the Dimmitt School classes of the 30's Saturday, and the open house at the museum. June Carroll of Anton, also of these classes, spent Saturday night and Sunday with the Sadlers.

2.10 inches of rain was recorded for the community for Wednesday night, but there was more to the west of Hwy. 385 which was under water in several places. R. V. and Bess Bills reported 3.25 inches. There was also a trace Tuesday night and Sunday night. This brings our total for the year to 16.05 inches.

April Guy was dismissed from High Plains Baptist Hospital in Amarillo Monday since she was not strong enough at this time to undergo the chemotherapy treatment planned. She was up more than usual Thursday, and had to go into Dimmitt Thursday night for some oxygen to make her breathing easier. Her mother, Mrs. Bill Fowler, arriv-

ed from Kentucky Saturday to visit with her for a few days, and to give Terry a much needed rest.

Johnnie B. and Shorty Lilley attended the funeral services for Ina Dee Kendrick in Hart Friday afternoon.

Hershel, Lonnie and Jessica Wilson were honored with a birthday supper by Retha Wilson in their home Monday night, which was Hershel's birthday. Jessica's was Tuesday and Lonnie's was Saturday.

Rev. Bentley Gwyn attended the Llanos Altos Worker's Conference at the First Baptist of Muleshoe Monday night.

Hazel Pruitt of Lamesa spent Tuesday and Tuesday night with her parents, Mr. and Mrs. Floid Ivey.

Louise Alair spent the weekend in Ruidoso with a group of business ladies for a conference and a vacation. Her mother, Rachel Elsea, has been visiting in Dallas for a while with her brother Fred Cox and his wife, Jessie.

Mary Nell Foster of Hart visited Friday afternoon with L. B. and Teny Bowden.

Patricia Powell and her daughter, Tresa Sirmans, Ken, Amber and Tiffany from Canadian spent Friday night and Saturday with Ezell and Verba Sadler and canned beans and put up peas. Ezell and Verba left for Breckenridge Saturday evening for a meeting there Sunday night. Patricia and Tresa and kids stayed through Sunday.

Eules and Hazel Waggoner attended the Saturday activities in Dimmitt. Eules rode his cart pulled by "Minnie" in the parade. They at-

tended the Old Settlers Reunion, the class reunions and the open house for the museum. On Sunday they attended a church dinner at the Senior Citizens Center. Winston and Judy Waggoner also attended the dinner.

Eddie and Sandra Waggoner, Laura, Susan and John attended the follies in Dimmitt Sunday afternoon.

Phyllis Bridges, Erin, Robin and Jonathan attended the parade in Dimmitt Saturday morning to see Howard and Beck Bridges ride on the nursing home float.

Alton and Betty Louder fished at Stamford Lake last weekend through Tuesday with Lowell and Genevieve Westmoreland of Littlefield. They caught a lot of fish.

Gale Sadler started a Wayland class at the satellite location in Lubbock last week.

Verna Sadler played the electronic keyboard at the beginning of the Sunday morning services, and she and Kathy Gwyn sang a duet with Verna accompanying them on it.

Verna Sadler was a guest of her cousin, Dr. Dorothy McCoy, at a luncheon of the LLL club in the First Baptist Church of Plainview Thursday. The LLL stands for "Living Long and Liking It."

Alan Shive and his daughter, Leslie, from Hobbs, visited with Noah and Ruth Spencer while they were in Lubbock at their new home Monday.

Noah and Ruth Spencer attended church at Lee Street Baptist Church in Dimmitt Sunday night with Ann and Jerry Cox and Gregg to hear "little" Butch Stickland preach. They had supper after church with the Coxes.

Bobcats bounce back

After gifting Lockney with two touchdowns, one in the last six seconds of the first half and another in the first 1:30 of the second half, the Dimmitt Bobcats limited the Longhorns to just 20 offensive snaps in the second half, keeping the Longhorns off the scoreboard and grabbing a 16-14 win at Lockney Friday night.

Although Dimmitt completely controlled the second half, giving up just one first down and allowing just 11 yards of total offense, the Bobcats couldn't score the winning touchdown until just 2:25 was left to play in the contest on a nine-yard run by quarterback Woody Glass.

Glass, who picked up 49 yards on 15 carries, helped bolster the Dimmitt running attack by running the option to perfection with tailback Cruz Arce, who had to stay in the backfield the whole second half after Warren McDonald, who had been alternating at tailback with Arce, was injured on the opening kickoff of the second half.

Arce had 70 yards on 15 carries, combining with Glass on outside dashes as the inside game of fullback Mark Smothermon was cut off by the Lockney defense.

After a scoreless first quarter, the Bobcats drove from their own 49 to the Lockney 5, but the Longhorn defense stiffened and Todd Durham converted a 26-yard into-the-wind field goal to put the Bobcats ahead, 3-0.

Four plays later, Joe Torrez punted from his own 19, but the kick went off the side of his foot, giving the Bobcats excellent field position at the Longhorn 44. Aided by two crucial Lockney penalties, Dimmitt scored five plays later.

The Bobcats gained eight yards on their first three plays of the drive, then Lockney

jumped offside as the Bobcats decided to go for the first down on fourth and two.

Arce broke for a 15-yard gain on first down, then an illegal procedure call against the Longhorns gave Dimmitt first-and-five at the Lockney 11.

Two illegal procedure calls moved the Bobcats back to the Longhorn 21, but Glass then hooked up with split end Ben Benton for his only pass completion of the night. Benton caught the ball at the two, then weaved around Longhorn John Torrez and scooted into the corner of the end zone.

Durham's PAT put Dimmitt ahead, 10-0, with 6:06 left in the first half.

Lockney then went on its only sustained march of the night, starting at its own 22 and moving to the Dimmitt 4. They didn't score, but the drive set up the Longhorns first touchdown.

The Longhorns mixed 47 rushing yards from quarterback Steven Cates and halfbacks Matt Mitchell and Tony Banda with a 23-yard pass from Cates to fullback Dickie Hernandez to push deep into Dimmitt territory, but on second and goal from the four, Lockney fumbled the football away. Glass recovered on the Dimmitt two.

An illegal procedure call moved the ball back to the one. Smothermon picked up three yards and McDonald one yard, and Glass tried to pass the Bobcats out of the hole on third down.

His pass was picked off by Cates at the Bobcat 24. With just 24 seconds left in the first half, Mitchell gained five yards, then Cates threw an incomplete pass. On third down at the 19, Dimmitt was flagged for interference in the end zone.

Bobcat coaches protested the call, especially when they sighted Longhorn center Lupe Basaldua blocking in the end

zone, but their pleas fell on deaf ears.

With new life at the Bobcat nine, Cates went to the air. His first pass to Banda gained nothing, and he threw an incomplete. Then, with just 13 seconds left, Cates hooked up with split receiver John Torrez, who raced into the end zone. The PAT made it 10-7 at halftime.

McDonald's injury on the second half kickoff seemed to rattle the Bobcats on offense while giving the defense a charge.

Starting the second half at its own 25, Dimmitt gained just three yards, and, on fourth down, the snap to punter Durham dribbled past him and into the end zone, where defensive end Johnny Silva fell on the ball for the Longhorns. The PAT put Lockney on top, 14-10, just a minute deep in the third quarter.

Dimmitt started again at its own 29, and Durham, Jay Hopper and Glass combined to pick up a first down at the 40. On second down, a 25-yard gain by Glass was wiped out by a clipping penalty, then Glass was sacked twice. Durham punted from his own end zone, and Hernandez return set the Longhorns up at the Dimmitt 14.

Lockney couldn't capitalize,

though, with an Arce sack and a holding penalty moving the Longhorns back to the Dimmitt 33. On third and 29, Durham picked off a Cates pass at the Bobcat 8.

After the teams traded punts, Dimmitt started a drive with 8:31 left in the game that would eventually lead to the winning touchdown.

Beginning at their own 23, the Bobcats swept to the Longhorn 41, where they came up inches short after a fourth down plunge by Arce, who picked up 22 of the 36 yards on five carries. The Longhorns picked up eight yards, and, on fourth down, had a bad snap on a fumble that was recovered by Durham at the Lockney 27.

Glass picked up nine yards around right end, then was hit late out of bounds. On first down at the nine, Glass ran the same play, and scored the winning touchdown with just 2:25 left.

Lockney gained just three yards on four plays, giving the ball back to the Bobcats on a Durham interception at the Lockney 22 with 1:20 left, but the Bobcats could garner just nine yards, giving the Longhorns the ball again with 23 seconds left at their own 14. Cates threw three incomple- tions as time ran out.

OUR BALL!—With a firm grip on the football, Dimmitt's Woody Glass leaps high after recovering a Lockney fumble at the Dimmitt 2-yard line with 1:33 remaining in the first half of Friday night's game. However, the Longhorns returned the favor a minute later by intercepting a Dimmitt pass, and scored in the waning seconds of the half to pull within three points at 10-7. Dimmitt came from behind in the fourth to win the game, 16-14.

Kohagen wins 5K title

Lou Kohagen of Amarillo raced to a 43-second win Saturday in the annual Dimmitt Harvest Days 5K run at Bobcat Stadium.

Kohagen finished the all-new course in 16:54, besting Bobby Cunningham of Abernathy, who ran the 3.2 miles in 17:37.

Joe Alvarez was the top local finisher, running seventh overall in 19:05. Roger Malone was eleventh overall and second to Cunningham in the 45-and-over division, finishing in 20:32. Peter Bodskey finished thirteenth overall in 22:25.

Sonccia Tischler was sixteenth overall and second in the women's division, running at 24:02. Leroy Maxwell finished just behind Tischler in the overall race, running a 24:04.

"Overall, I was pretty pleased with the field," Malone, the race's organizer, said. "Allsup's changed the date of their race to conflict with ours, and we had a few people who came over here just because ours has been on this same date all five years we have had the race."

"I was really impressed with Lou Kohagen's time. That's

about a 5:30 per mile pace, and that's pretty good, especially when you consider the conditions."

The race was run in cool, rainy weather.

CRUZ ARCE breaks a pair of tackles on a 14-yard run in the second quarter of the Bobcats' game against Lockney Friday night. Arce's big gainer advanced the ball to the Longhorns' 16-yard line, and a minute later Dimmitt scored its first TD on a pass from Woody Glass to Ben Benton to go ahead, 10-0. The Bobcats went on to win, 16-14. Arce was Dimmitt's leading ground-gainer with 70 yards on 15 carries.

THE OLDEST runner in the Harvest Days 5K Run was 69-year-old Earl Manning of Nacogdoches. Manning finished 18th overall, finishing in 24:25.

Swifts maul Mustangs, 23-0

Bovina's mistakes and an improved Nazareth offense boosted the Swifts to a 23-0 victory at Bovina Friday.

The win was the first for the Swifts, evening their record at 1-1.

The Swifts struck midway through the first quarter when Kevin Hoelting picked off a Bovina fumble in midair and returned it 10 yards for a touchdown. Hoelting missed the PAT kick.

Late in the period, Todd Hill hoisted a 23-yard touchdown pass to Hoelting. On the PAT, Hoelting, set to kick the point after, picked up a bad snap and fired a two-point pass to Hill in the end zone.

The Swifts didn't score again until 3:21 were left in the third period, when tailback Mike Huseman culminated a Swift drive with a one-yard plunge. Hoelting tacked on the PAT to make the score 21-0.

Midway through the final period, the Swift defense produced a Bovina safety as the

Mustangs flipped a bad snap out of the end zone to make the score final, 23-0.

Nazareth rode a penetrating running game led by power-back Billy Steffens, who picked up 81 yards on 11 carries. Quarterbacks Todd Hill and Chris Schmucker combined for a perfect, 5-5, night passing, while the defense limited the hapless Mustangs to just four first downs and 116 total yards.

The Swifts missed two more scoring opportunities, as mistakes prevented them from scoring on two other possessions inside the Mustang 10.

"We blocked and ran the ball better, but we fumbled the ball away too many (five) times," said Nazareth coach Rex Minshew. "If we can just learn to hold onto the football, we'll be better off."

"Our defense did a good job, and our younger kids, the JV kids we called up for this game, played real well in the second half."

Cats face River Road

Naz, Hart meet Friday

Barring a tie, at least one county team will lose a football game this Friday night, as the Nazareth Swifts host the Hart Longhorns, while the Dimmitt Bobcats take their spotless record back on the road to Amarillo River Road.

All of the contests are scheduled for 8 p.m. starts.

Dimmitt at River Road

Anyone who saw last year's 28-25 offensive thriller between the Bobcats and the Wildcats will want to be on the north side of Amarillo Friday night.

You won't need an \$8 hand stamp for all the excitement of the best aerial game in town — just a \$3 ticket to watch the Jeremy Johnson air show that starred on five fall Friday nights on the north side of Amarillo last year and is making a return appearance this year.

"He's definitely the best quarterback we have faced this year, and may be the best quarterback we'll face this season," said Dimmitt coach Clifford Smith, who is probably still a little shell-shocked from Johnson's 300-yard-plus passing performance against the Bobcats last season. "He's a 6-4, 190 lb. senior who has an excellent arm and knows how to use it. He does a good job with the running game, too."

Last year, River Road displayed every offensive formation imaginable at Bobcat Stadium — and a few that were claimed only by Wildcat coach Lyndel Norwood. The Wildcats this year have stayed mostly with the split-back veer and the wing-T. They're both potent offenses, but they've already done a few "weird" things.

"They've run quads (four

wide receivers on one side of the ball," Smith said. "They've run three wide men on one side, one on the other, and twin receivers on each side, among other goodies. We'll have to be on our defensive toes all night."

The best receivers for the Wildcats have been tight end Jay Mosley (5-9, 145, Jr.), split end Jimmy Crutchmer (5-7, 140, Sr.), wingback Shane McMinn, and fullback Quinton McNabb (5-11, 183, Sr.), who is also the Wildcats' best running back.

"Their best linemen are Scott Isch (5-7, 185, Sr.) at center and Joey Read (5-11, 190, Jr.) at right guard," Smith said.

McNabb, at linebacker, heads the River Road 5-2 defense, which is also bolstered by noseguard Eugene Daniels (5-10, 187, Sr.) and Johnson,

who will play the deepest free safety the Bobcats will likely see this year.

The Bobcats will have to deal with some injury problems Friday, according to Smith.

"Warren McDonald had a muscle spasm in his neck, and a series of X-rays couldn't find anything more, but he's probably going to be out. On the 'questionable' list are Eddie Jordan (back), Mark Standlee (ankle), Jerry Gonzales (ankle) and Scott Stevens (left arm). Woody Glass (ankle) and Milton Carrasco (left leg) are 'probable'.

"Eddie was our lineman of the week and Woody was our back of the week, and it would really help us if they were at 100 percent, but you can bet they'll both be out there if they can."

(Continued on Page 11)

'Horns write off Lazbuddie

Friday the 13th was the final chapter for the Lazbuddie Longhorns as the Hart Longhorns spotted them an early touchdown then cruised to a 30-6 win.

Three minutes deep in the contest, Tim Lust connected on four straight passes, moving Lazbuddie from their own 47 to the goal line, with Paul Gonzales catching a 29-yard strike to complete the quick drive. The PAT kick failed, putting Lazbuddie on top, 6-0. Hart came back to score the eventual winning touchdown when quarterback Brett Ritter hooked up with tailback Johnny

Washington for a 43-yard touchdown pass on the last play of the first quarter. On the PAT, Hart ran a fake kick, with Ritter pulling up the ball and firing to a wide open Ronnie Rodriguez in the end zone to stake Hart to an 8-6 lead.

Paul Ramirez, Chris Rodriguez and Johnny Washington picked off three Lazbuddie passes in the second quarter to spark the Hart defense, which held the Longhorns to just 19 yards in the period, while the Hart offense added two touchdowns. Washington, behind the

blocking of Cecil Diaz, Arnulfo Carrasco and Manuel Ramirez on the right side of the Hart offensive line, broke for an 80-yard touchdown on Hart's first possession of the second quarter, with Arthur Guzman's kick moving Hart out to a 15-6 lead.

With 2:06 left in the first half, Washington scored again, from seven yards out. Ritter connected with Tony Sosa for the two-point conversion to give the 'Horns a 23-6 lead.

Just 58 seconds later, Washington picked off a Lust pass to the 'Horns 40 and raced

60 yards for a touchdown. Guzman's PAT made the score final, 30-6, with both teams going scoreless the second half.

"I felt the line blocked very well," said Hart coach Mark Stoebel. "That enabled us to run the ball successfully. The line is really improving, and they kept pressure off Brett most of the game, which enabled him to have time to throw the ball."

"Anytime you hold your opponent to 19 yards rushing, you're liable to win the ballgame, and our defense did a super job."

More about

Hart, Nazareth meet Friday...

(Continued from Page 10)

Hart at Nazareth

The two county rivals will square off Friday at 8 p.m. in Nazareth for bragging rights in the eastern half of the county. "I've been here five years, and we've never beaten Nazareth," said Hart coach Mark Stroebel. "It's always a real good game, and I think it's going to be a good game this year. I know I wish Friday

would hurry up and get here." "It's never been a blowout," said Nazareth coach Rex Minshew. "It ought to be pretty much a tossup. We won 10-6 last year, and either team really could have won it."

"This is going to be really important for us," Stroebel said. "It has been a long time since Hart was 3-0. It's important for the two towns, too — everybody in Hart knows

everybody in Nazareth, and everybody in Nazareth knows everyone in Hart. It's kind of the county championship game."

The game will feature the quickness and speed of the Longhorns against the size and brute strength of the Swifts.

"They're big and we're small — they'll just try to run over us," Stroebel said. "We'll try to use our quickness to our best advantage. Hopefully that will pay off, but they're so big I don't know if we can run the ball on them or not."

"We've seen the films of both of their games," Minshew said, "and we're worried about their tailback (Johnny Washington). We're going to have to keep them from getting outside on us. If they do, it could be six points, because we don't have anyone with their quickness."

"Their quarterback (Brett Ritter) has a real decent arm,

so we're going to have to contain their passing attack."

"Our defense is not quite as strong as it was a year ago so we're having to do a few different things," Stroebel said. "We'll have to stunt a lot, because they'll kill us if we try to go man-on-man. We need to stop them with our defense, and I think that means stopping their tailback (Mike Huseman). We played Anton, and they had a tailback about that same size (200). We did a good job stopping him, and our defense is going to be called on for a lot."

"They like to blitz a lot," Minshew said. "They have two good linebackers (Washington and Chris Rodriguez) who are probably their two best ballplayers. We'll have to pick up on that and everything else they do."

"Our defense is going to have to be on their toes, especially the secondary.

They've played good ball, but this is going to be their biggest challenge, both stopping the run and the pass."

"We're liable to pass 20 to 25 times," Stroebel said. "We'll run short and deep routes on them, and if they get to thinking pass too much we'll run the sweep. If we can get anything going inside at all, we'll be in good shape."

What's going to be the key for the two teams?

"We can't pull the ball on the ground," Minshew said. "We've fumbled 13 times in two games. We can't do that against Hart or they'll kill us."

"The key for us is them not killing us with their size," Stroebel said. "If we can just survive, and get our offense going and keep the pressure out of the backfield we'll be in good shape."

"We've got a couple of tricks up our sleeves, and we'll pull them out. We're ready for them, and we need to be. This could be the game that really makes our season for us, and it could be the game that tells us just how good we can be."

"It's not the end of the world if they win, but it could be the start of a lot of good things if we can win."

Campaña Evangelistica

La Iglesia de Cristo de Dimmitt, Texas, que se reúne en la calle E. Lee y S. E. 3rd, hace una invitación al público para asistir a una campaña evangelística los días 22-26 del

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 5, 1985

PROPOSITION NO. 1 ON THE BALLOT

Sections 1 and 2 of House Joint Resolution 6 propose a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$980 million of Texas Water Development bonds.

The additional bonds to be issued will be dedicated for deposit in the Texas Water Development Fund, with \$190 million of those bond proceeds to be used for water supply loans and facilities acquisition and with \$400 million of those bond proceeds to be used for state participation in the acquisition and development of facilities for storage, transmission, transportation, and treatment of water and wastewater. Of the remaining bonds authorized, \$190 million will be dedicated for use in water quality enhancement projects, and \$200 million will be dedicated exclusively for flood control projects.

The amendment would also allow the legislature to provide for the creation, administration, and implementation of a bond insurance program to which the state pledges up to \$250 million of its general credit to insure payment of the principal of and interest on bonds or other obligations issued by political subdivisions of the state for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control or desalinization. Unless authorized to continue by a two-thirds vote of the members of each house of the Legislature, the bond insurance program will expire on the sixth anniversary of the date on which this section becomes a part of the constitution. Bond insurance issued before expiration of the program will not be affected by such expiration.

The amendment would authorize the legislature to create and appropriate money to special funds in the state treasury to make grants, loans, and other financial assistance available to governmental entities for certain enumerated water planning purposes. Also, the legislature would be permitted to extend the benefits of constitutionally approved water projects to nonprofit water supply corporations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$980 million of Texas Water Development Bonds, to create special water funds for water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control, agricultural soil and water conservation, and desalinization, to authorize a bond insurance program, and to clarify the purposes for which Texas Water Development Bonds may be issued."

PROPOSITION NO. 2 ON THE BALLOT

Section 3 of House Joint Resolution 6 proposes a constitutional amendment that would allow the Texas Water Development Board to issue and sell Texas agricultural water conservation bonds in an

amount not to exceed \$200 million, if authorized to do so by a two-thirds vote of the members of each house of the legislature. The Texas agricultural water conservation bonds would be general obligations of the State of Texas, and would be paid from the first money coming into the state treasury in each fiscal year. The amendment would allow Texas agricultural water conservation bonds to be issued and sold only for four years after the date on which this Act becomes a part of the constitution.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance and sale of \$200 million of Texas agricultural water conservation bonds."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 54 proposes a constitutional amendment that would permit the legislature to authorize a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property if such relocation or replacement is done in conjunction with or immediately following the relocation or replacement of water mains serving the property. Any legislative enactment permitting the expenditure of funds for such purposes would authorize the city or town to fix a lien on the property, with the owners' consent, for the cost of relocating or replacing the water laterals, and would provide that such cost shall be assessed against the property, with repayment by the property owner to be amortized over a period not to exceed five years at the rate of interest set by law. Such liens could not be enforced until after five years from the date the liens were affixed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to enact laws permitting a city or town to spend public funds and levy assessments for the relocation or replacement of water laterals on private property."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 21 proposes a constitutional amendment that would authorize the use of the proceeds from the sale of permanent school fund land to acquire other land for the permanent school fund. Currently, the constitution requires that proceeds from the sale of such land be invested in certain bonds and other securities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing proceeds from the sale of land dedicated to the permanent school fund to be used to acquire other land for that fund."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 89 proposes a constitutional amendment that would enable the legislature to regulate the provision of health care by hospital districts by determining

the services the district must provide, by setting requirements a resident must meet in order to qualify for services, and by determining any other relevant provisions necessary for providing health care to residents.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to regulate the provision of health care by hospital districts."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would enable the State of Texas to enter into an agreement with another state to confine inmates from the state of Texas in penal or correctional facilities of the other state.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to permit state prisoners to be placed in penal facilities of another state pursuant to an interstate agreement."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 27 proposes a constitutional amendment that would authorize the commissioners court of Chambers County to divide Chambers County into not less than two and not more than six justice precincts. Under current constitutional law, Chambers County may be divided into not less than two and not more than five justice precincts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing Chambers County to be divided into two to six precincts."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 9 proposes a constitutional amendment that would grant an additional \$500 million in bonding authority to the Veterans' Land Board for the veterans' housing assistance program. Under the current constitution, the Veterans' Land Board is authorized by Article III, Section 49-b-1 to issue and sell not more than \$800 million in bonds, \$500 million of which may be used for the Veterans' Housing Assistance Fund. This amendment would increase that authorization to permit the issuance and sale of up to \$1.3 billion in bonds, \$1 billion of which would be used for the Veterans' Housing Assistance Fund. In addition, the amendment would remove the current definition of "veteran" from the constitution and permit the legislature to redefine "veteran" as the changing times and circumstances require.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing \$500 million in additional bonding authority for the veterans' housing assistance program and changing the definition of those veterans eligible to participate in the veterans' land program and the veterans' housing program by authorizing the legislature by law to define an eligible veteran for the purposes of those programs."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 72 proposes a constitutional amendment that would permit the legislature either to enact a statute or to attach a rider to the General Ap-

propriations Act to require prior approval of the expenditure or emergency transfer of any funds appropriated by the legislature to state governmental agencies.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to protect public funds by authorizing prior approval of expenditure or emergency transfer of state appropriations."

PROPOSITION NO. 10 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds, the proceeds of which would be deposited in a fund to be known as the farm and ranch finance program fund. The fund would be administered by the Veterans' Land Board and would be used to make loans and provide other financial assistance for the purchase of farm and ranch land. The amount of bonds outstanding at any one time would be limited to \$500 million. The principal and interest that becomes due on such bonds in each fiscal year would be paid from amounts remaining in the interest and sinking fund at the close of the prior fiscal year, with the balance due to be appropriated from treasury revenues in the fiscal year when such amounts become due.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds to provide financing assistance for the purchase of farm and ranch land."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment that would define indictments and informations as instruments charging a person with the commission of an offense, and would delete certain technical requirements as to the form of writs and processes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to the manner in which a person is charged with a criminal offense and to certain requirements applicable to state writs and processes."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 10 proposes a constitutional amendment that would grant the Texas Supreme Court and the Texas Court of Criminal Appeals jurisdiction to answer questions of state law certified from federal appellate courts. In addition, the two courts would promulgate rules of procedure relating to the review of those questions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting the Supreme Court of Texas and the Court of Criminal Appeals of Texas jurisdiction to answer questions of state law certified from a federal appellate court."

PROPOSITION NO. 13 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that would create a board with responsibility for the reapportionment of judicial districts, subject to legislative approval. The amendment would provide for the continued power of the legislature to provide for judicial reapportionment, and would provide that reapportionment

will be the responsibility of the Legislative Redistricting Board if the Judicial Districts Board fails to make a timely reapportionment. The amendment would provide for the creation of judicial districts smaller than a county in counties where the creation of such districts has been approved by the voters at a general election. The amendment would provide for more than one judge for a judicial district. The amendment would rename supreme judicial districts as courts of appeals districts. The amendment would provide that the jurisdiction and terms of court of district and county courts may be as provided by law. The amendment would provide for the jurisdiction of justice courts, which may have additional jurisdiction as provided by law. The amendment would provide for rules of judicial administration and civil procedure to be promulgated by the Supreme Court, and would provide that the legislature may delegate additional rule making power to the Supreme Court or to the Court of Criminal Appeals. The amendment would provide that courts and judges in existence at the time of its adoption remain in existence until otherwise provided by law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the reapportionment of the judicial districts of the state by the Judicial Districts Board or by the Legislative Redistricting Board, and providing for the administration and jurisdiction of constitutional courts."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 27 proposes a constitutional amendment that would abolish the office of County Treasurer in Andrews County and transfer the powers and duties of that office to the County Auditor. The amendment would also abolish the office of County Treasurer in El Paso County if, at the statewide election at which this amendment is submitted to the voters, a majority of the voters who vote in El Paso County favor the amendment. The functions of the office of El Paso County Treasurer will be performed by a person employed or designated by the El Paso County Commissioners Court. The amendment also provides for the abolition of the office of County Surveyor in Denton, Randall, Collin, Dallas, El Paso, and Henderson Counties upon approval of such abolition by a majority of the voters who vote on the question at an election called by the commissioners court of the county. If the office of County Surveyor is abolished in any county, the commissioners court may employ or contract with any qualified person to perform the duties of the office.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for:
(1) the abolition of the office of county treasurer in Andrews County and El Paso County;
(2) the abolition of the office of county surveyor in Collin, Dallas, Denton, El Paso, Henderson, and Randall Counties."

harvest (which boosted the turnout), but it was light enough that it didn't seem to hamper the 5K runners. Then it stopped in time for the Pet Show, and it didn't rain on our parade or any of our other outdoor activities. And wasn't the cool weather great?

To all the planners and workers who put the Harvest Days celebration together, to all the businesses and industries that supported it, and to all who took part in any way — you deserve a big pat on the back from a proud and grateful community!

Fourteen proposed amendments to the Texas Constitution appear on Page 11 of this issue. We'll vote on them in the Nov. 5 General Election. This is the last time they'll be printed as legal notices, so clip them out to study and refer back to.

The *News* will try to get the pro-and-con arguments on the 14 propositions before election time. The Texas League of Women Voters usually compiles one of the best studies; we've inserted their nonpartisan Voter's Guides in the *News* before the last three statewide elections as a public service.

When Bill Clayton was Speaker of the House, he issued excellent pro-and-con discussions on proposed amendments also. Don't know whether Gib Lewis will follow suit, but perhaps one of our other state legislators will.

Nonetheless, hang onto the proposed amendments from this issue. They'll be useful to you between now and Nov. 5.

ELLIE CLAY of Hart was joined in celebration by friends and family Sunday on the occasion of her 84th birthday.

Auxiliary prepares for Bazaar

The Plains Memorial Hospital Auxiliary will begin workshops in preparation for the Holiday Bazaar.

At the Enlistment Brunch, Edith Graef and Claudine Langford reported on the state hospital auxiliary convention in Dallas.

New members for 1985 are Virginia Nelson, Mary Edna Hendrix, Linda Graham, Zonell Maples, Betty Vaughan and Laura Broadstreet.

The Auxiliary will meet Wednesday, Oct. 2 and Oct. 9 in the Senior Citizens Center from 10 a.m. to 3 p.m.

SA drive underway

The annual fund drive for the Salvation Army is underway in Dimmitt with the opening of the business drive this week.

Dimmitt residents will also be receiving an envelope in their bank statements this month for the annual residential drive.

Campaign chairmen are Emmett Broderson and Dorothy Hopson, who, along with other Salvation Army volunteers, will be calling on county businesspeople.

The use of the envelopes, if enough funds are received, will not necessitate a separate door-to-door fund drive. The funds will be used for food, clothing, emergency medical care, care for destitute transients and other needs.

Correction

In the photo cutline in last week's issue about the ribbon-cutting at the new Medrano & Guajardo Plumbing, Heating & Air Conditioning, Margaret (Mrs. Rafael) Guajardo was identified as Maria Guajardo. The *News* regrets the error.

PAC meeting

A Parent Advisory Committee meeting will be held tonight at 6 p.m. in the Richardson Elementary School east cafeteria.

All parents of Chapter I, Migrant and Bilingual/ESL students in grades K through 12 are encouraged to attend.

Lindon Hollins' kindergarten students will present the program and there will be refreshments and a door prize.

Celery should be "blanched" during the last stages of its growth. This is done by placing soil around the plant to prevent sunlight from reaching any part of the plant except the leaves. If allowed to grow naturally, the stalks would have a dark greenish color and a bitter taste.

THE CLASS OF 1935 of Dimmitt High School held its 50th-year reunion Saturday in conjunction with the 1985 Old Settlers' Reunion. Among class members present were (from left) Pauline Duran Baird of Roy, Wash., Dugan Hardy Butler of Dimmitt, Christine Bagwell Bell of Perryton, Emily McLean Clingsmith of Dimmitt, Decimae Ramey Beene of Friona, Tina Mae Wright Fulcher of Stephenville, and

Robert Singer of Tulia. Also present but not pictured were Florene Houtchens Stafford of Dimmitt, Pat Hyatt of Payson, Ariz., and class sponsor Herman Troutman of Dumas. The former classmates gathered at Mrs. Butler's home Friday evening, then had dinner together at Al's Colonial Restaurant. At the Old Settlers' Basket Lunch Saturday, they dined with other DHS grads of the 1930s.

Reunion draws record crowd

Boosted by a gathering of Dimmitt High School grads of the 1930's, the Old Settlers' Reunion drew a record attendance Saturday as 205 registered.

Ted and Dorothy Sheffy of Dimmitt were elected to head the Castro County Old Settlers' Association for the coming year.

Mildred Bradford was elected secretary-treasurer during the Old Settlers' Association business meeting. She succeeds Emily Clingsmith.

The Sheffys succeed Van Earl and Waurayne Hughes in the association's top posts, and will be responsible for planning next year's Old Settlers' Reunion.

The day's agenda included a covered-dish lunch, a sing-along of old favorites,

reminscences by Van Earl Hughes, presentation of awards and a short business meeting with a financial report and election of officers.

Don Sheffy was named the winner of the Senior Citizens' Quilt which was awarded during the program.

This year's event featured a 50th-year reunion of Dimmitt High School's Class of 1935 and a gathering of other DHS exes who graduated during the 1930s.

Twelve members of the 1935 graduating class of 21 are still living, and nine of them were here for the reunion. They were Dugan Hardy Butler, Florene Houtchens Stafford and Emily McLean Clingsmith of Dimmitt, Pauline Duran Baird of Roy, Wash., Christine Bagwell Bell of Perryton, Decimae Ramey Beene of Friona, Tina

Mae Wright Fulcher of Stephenville, Robert Singer of Tulia and Pat Hyatt of Payson, Ariz.

Also, Herman Troutman of Dumas, who was the class sponsor, joined class members Friday evening for a gathering at Dugan Butler's home and dinner at Al's Colonial Restaurant.

Mrs. Baird and her husband, Bob, won the travel trophy at the Old Settlers' Reunion for having come approximately 1,000 miles to attend. Other award winners were George Bagwell, 85, oldest man present; Grace Lust, 92, oldest woman present; and Cecilia Annen, longest-time county resident (80 years).

As usual, there was more food on the covered-dish tables than even the record crowd could put away.

VFW sets anniversary observance

Castro Memorial Post 8056 of the Veterans of Foreign Wars will observe its 25th anniversary Oct. 5 at the local post home east of Dimmitt.

The post was chartered Oct. 3, 1960, with the Auxiliary chartered Dec. 14, 1960. The late Reese Kesler is believed to have been the first post commander, and Flo Kesler is thought to have been the first Auxiliary president. The post had 54 charter members, while there were 29 original members of the auxiliary.

The local post is attempting to contact some of the charter members who are thought to still be living, including:

Thomas F. McGowan, Jimmie B. Owen, Claudie C. Ragan, J.W. Daugherty, J.R. Singleton, Neale W. Sloan, James F. Thornton, H.C. Hamblen, Robert E. Morgan, Eddie D. Tabor, George A. Hendrix, Charlie S. Coffman, Thomas R. Taylor and Herman C. Jones.

Anyone knowing the whereabouts of those charter members is asked to call Florene Leinen at 647-5424 or Harold Broadstreet at 647-4166.

Sheffy assumes Easter Gin post

Graham Sheffy has been named manager of Easter Farmers Gin.

Sheffy assumed his duties Sept. 1 and succeeds Layne Myatt, who has joined Shaeffer, Sutton & Schaeffer, Dimmitt accounting firm.

Sheffy, 35, is a graduate of Dimmitt High School and attended West Texas State University, where he studied agricultural business. He also served three years in the US Marine Corps.

He was a partner for 10 years with his father, Ted, in farming, and for the past two years was associated with Marble Brothers Farms.

Happy birthday!

FCA enjoys singing, film

The Fellowship of Christian Athletes enjoyed singing and a film about the first 25 years of FCA Tuesday night in the Dimmitt High School weight room.

58 people in attendance listened to talks by Woody Glass, Kerry Lewis and Pat McDonald on their experiences at the FCA conferences they attended this past summer.

Refreshments furnished by Todd Durham were served during the meeting.

Police Calls

Three automobile accidents, one auto theft report and a case of criminal mischief were handled by local law enforcement officials this week.

Roberto Lomas was traveling northbound in the 300 block of SW Fourth when he lost control of the 1973 Chevrolet pickup he was driving and struck a light pole. According to police, Lomas left the scene of the accident, but was later questioned at his residence and was cited for no driver's license, no proof of liability insurance, and for leaving the scene of the accident.

Improper backing was the cause of a traffic accident in the parking lot of Allsups, according to police reports. Carmen Henderson was backing out of the parking lot in a 1977 2-door Oldsmobile when she struck a 1979 Buick Le Sabre parked beside her.

Joe Williams was traveling west in the 600 block of East Bedford preparing to turn into Dimmitt Agri Industries when the 1955 grain truck he was

driving pulled to the right striking a gas meter. Defective brakes caused the truck to pull to the right stated officers. Damage to the meter was estimated at \$100.

Keith Gooch told police someone had broken a window out on the east side of the Post Office building Monday morning. The window was in the men's restroom and was situated approximately eight feet from the pavement according to reports. Police report no projectile was found inside or outside the building. It is unknown when the window was broken, but it had not been broken the last time the Post Office was open.

A 1973 4-wheel drive ¾ ton green Chevrolet pickup was reported stolen from the Eddie Peralta residence Monday. The pickup was located approximately two miles east of Dimmitt on Hwy. 86 Tuesday. The two-way radio was missing from the vehicle. No arrests have been made.

Police also arrested three persons on DWI's during the past week.
