SISCO TO BE HOST TORIGHT TO VFW HEAD

National Commander Will Speak at Dinner at Laguna

The Cisco post, Veterans of Foreign Wars, will be host this evening to National VFW Commander Scott P. Squyres of Oklahoma City, and his party, at a dinner on the Laguna hotel roof. The national commander's address will be broadcast over the Abilene radio Music by the Lobo band, which will play for the dinner, will also be broadcast. The radio feature is sponsored by the Cisco junior chamber of commerce as a courte sy to the VFW. The senior chamber of commerce and the Lions and Rotary clubs are assisting the post in entertaining its distinguish ed guest. The Schaefer-Hittson orchestra will play for the dinner. Accompanying Commande squyres will be State Commander Arthur D. Dodds of Dallas and C E. Garretson of Abilene, state de-

partment chief of staff. The Cisco post will be one of six to be visited by the national of the number. Its record in the ecent membership campaign in hich it ranked second in Texas. rompted Mr. Squyres to include on his itinerary

Between 100 and 150 are expectd to attend the dinner.

Following the program, the official party will spend the night at the Laguna hotel going to Abilens Tuesday and from there to Lub-

BIBLE THOUGHT FOR TODAY

Education in Democracy

THE conviction that the fundamentals

rowing directly out of the immediate needs opportunities of a free government

and experiences of the people. Its affair were a matter of common concern and knowl edge. But between those days and these lie is much difference as between the candle and the incandescent bulb.

'The present complex state of national and world conditions points unmistakably to the necessity for education in the increased responsibilities of citizenship. Education in history as it is related specifically to the rise and fall of systems of government, instrucion in the different forms of government as they relate to the individual, instillation of the ideals of democracy in the minds of youth, are needed if the school is to fulfill its rightful mission in the democratic system

T is certainly true that the percentage of Americans who have any real grasp of the fundamentals of democratic citizenship s relatively small. Most of these interpret UBSCRIPTION RATES: ONE YEAR \$5.00 citizenship in terms of immediate wants or class prejudices without any regard to long range effects. Neglect of a sound, planned program of education to prepare young people for intelligent participation in democratic ty of those principles upon which our system of self-government is founded. The cloistered precincts of many of our larger universities have developed areas of "idealisms" utterly unrelated to the practical application of these ideals in real experience tainted with these doctrines ultimately to ge nomic status. Consequently we find ther government. We have seen this dangerous

Constant Cry For Union

One of the earliest pictures you get of Hitler is that of an intense ad standing on a moon-drenched nillside, bawling a political speech o a couple of fruit trees. Schoolnates hidden nearby giggled their peopled with honest, illiterate enjoyment- and told the story to peasants, whose tragedy has long

Again you are told that Hitler' order birthplace was a natural spot to develop any political sense e may have had, for along the oorder was heard the constant cry or a union of all Germanic peooles-a dream Hitler himself has

only now brought close to reality. The next thing you know, the ad Hitler is being expelled from hool for smoking. That's odd, or Hitler, the man, neither smokes

ived only a few months after the Later Hitler attended a Catholic ped a teste for music and art-esspied tall, dark-eyed Clara Poelzl, ather's footsteps in the civil service. He punctuated the declara-

apredictable man for Vienna in her teens. Now she was back, a mature woman. Although Alois Hitler was more han forty and fond of tavern eve-Clara Poelzl, and their first child vas Adolf Hitler. He was born in 1889. Most accounts agree the elder Hitler thought Adolf some-

thing of a weakling. Certainly Adolf was a sensitive child, and now that he has become

a curious world years later.

an Austrian civil service job, and started a family, moving from nd Alois took a second wife. She nor drinks.

nonastery school and there develpecially art. This roiled Alois who old Adolf he was to follow in his ion with a spanking.

The young Hitler obviously preferred his mother. This favoritism seemed to develop in him into a reverential love for her, and a positive dislike of his father, Cerain it is he fought shy in later life of alcohol and over-eating, both liked, say biographers, by the elder Hitler

Fared Badly As Artist

When Adolf was 13, his father lied and the son continued his chooling for a while, making indifferent prograss, and leaning nore heavily toward that art career. Although his mother was slowly dying of cancer she determined Adolf should settle the curse of his life in his own way She helped him go to Vienna to tudy art when he was 17.

In a year or so the young paint. dubbed "handsome Adolf," ied to enter the Vienna School f Fine Arts but was turned down wice. Then his mother died,

For five years he lived from pillar to post, earning his bread as a hack artist, house painter, paer hanger. "In the years 1909-10," he wrote, "I had so far imroved my condition as not to have o earn my daily bread as an asistant worker. I was working independently as a draughtsman later a man's man. He was a hero

and painter in water colors." He was also dipping into history Iron Cross for personal valor, a and economics, and attending po- soldier who bore shrapnel wounds picture of the hen and of a numlitical meetings now and then, and the pain of war gas, Once, he says, he came across a This was the man who was one being in a long caftan, with black day to awaken Germany to a new track of how well she tends to side-locks, "My first thought was: day-for better, or for worse,
