## City to host Corn Growers

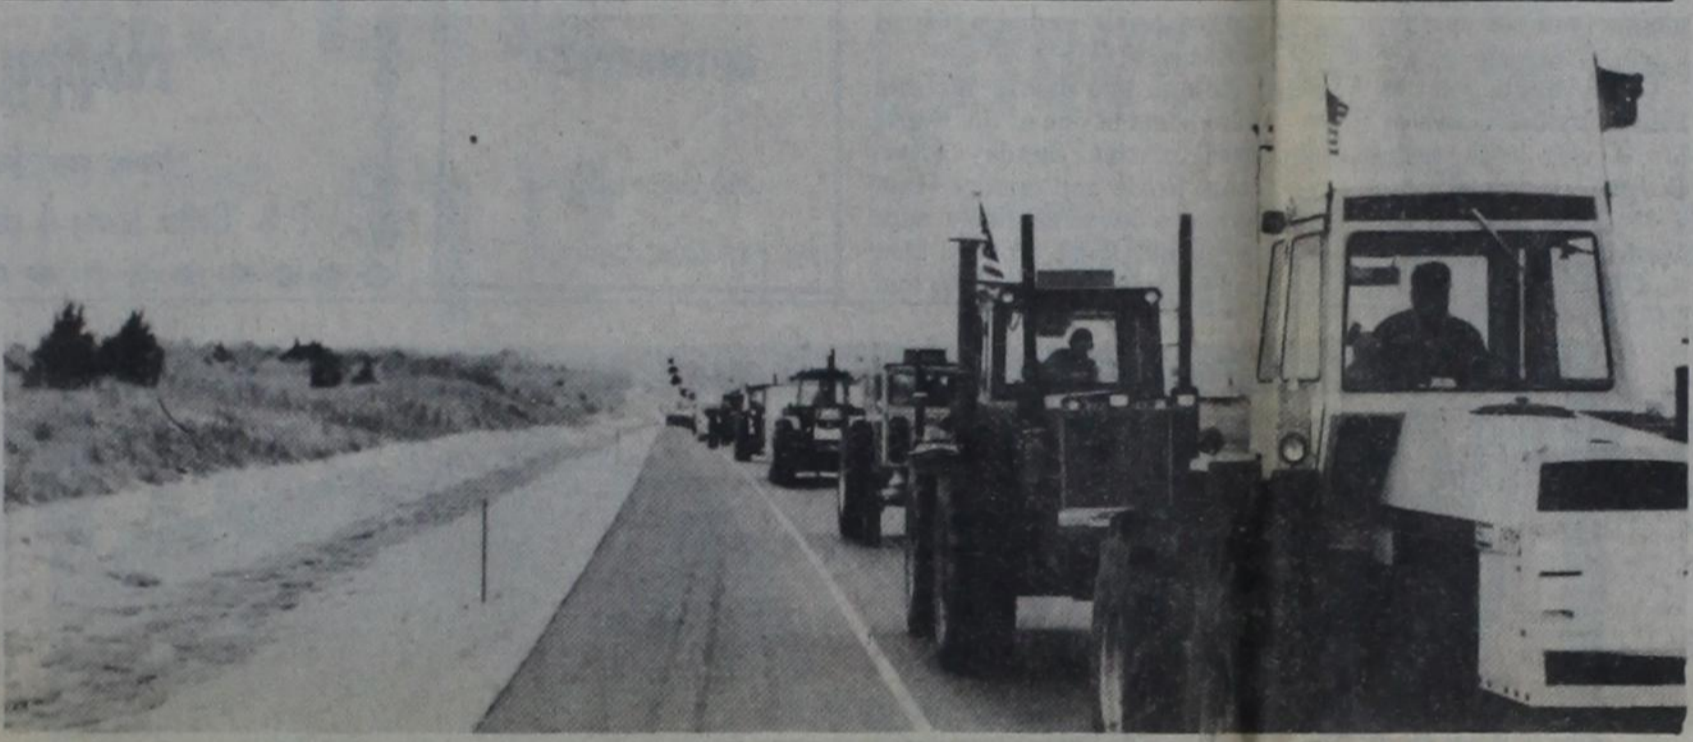

Reagan Brown, Texas Commissioner of Agriculture, will be guest speaker when Texas Corn Growers Association members convene Monday in the Castro County Expo Building for their sixth annual meeting.

Between 200 and 250 members of the association are expected for the state convention, according to Carl King of Dimmitt, president.

A barbecue lunch will be served at noon, and a business session will feature election of officers and consideration of resolutions to be presented by a committee with Ray Joe Riley as chairman.

Discussion is expected to include farm crop prices in general, recent attempts to form an organization which can speak for High Plains farmers in bargaining for sale of crops, and rising costs of growing crops.

Brown's address is scheduled immediately after King welcomes guests at the convention opening at 9:30 a.m. It will be followed by introduction of special guests and [See GROWERS, Page 12]

## Tractors move through Arkansas

Tractors driven by farmers are joining the Tractorcade to Washington, D.C. in states it passes through, according to a Dimmitt man in the group that started Jan. 15 from Amarillo and was in the vicinity of Nashville, Tenn. Wednesday.

Few of the farmers are enjoying the experience more than a 65-year-old man from Perryton who is driving his 1949 Chevrolet pickup in the Tractorcade convoy, the spokesman said.

The Perryton man drove along with the group the first day out of Amarillo, then decided to spend the night with them.

He was having so much fun he called home and asked his wife to send him money and clothing because he was "going all the way."

At last report he was still chugging along with the tractorcade through Mississippi and had had no trouble from

his old pickup. The Tractorcade spent Tuesday night east of Jackson, Miss., and was near Nashville Wednesday night, making their schedule of 100 miles per day.

As they crossed into Tennessee they were 450 tractors strong and expecting to pick up 300 more in that state.

"We are getting real fav-

orable comments on our CB's from passing truckers," the Tractorcade spokesman said, "and in one town two busloads of kids came out from school to greet us. We've run into hardly any hostility at all."

Other Castro Counties were to leave Wednesday to meet the Tractorcade in Nashville to make the final week of the cross-country trek, then

still more are scheduled to leave the first week of February to join the Tractorcade forces in Washington.

Sponsored by the American Agriculture Movement, the Tractorcade is moving across the nation from several starting points, by different routes, to converge on the nation's capital and confront legislators and government officials with their story of farmers' critical need for relief from their dilemma of rising production costs and low selling prices.

## Hance gets appointment to ag post

Kent Hance, new US Representative from the 19th Congressional District, has been named to the House Agriculture Committee in fulfillment of one of his expressed goals as a congressman.

Hance was recommended last Wednesday by the Democratic Steering and Policy Committee. The Dimmitt native, more recently a Lubbock resident, succeeds veteran Congressman George Mahon as representative from the district, and had hoped to serve on the agriculture committee as Mahon did.

Expressing his pleasure at the appointment, Hance said this week that he is awaiting further committee appointments for his freshman year in Congress. He is a former state senator.

## County grants raises; new salary draws fire

Pay raises were granted to most of Castro County's employees at the County Commissioners' Court meeting Monday.

Four sheriff's deputies and 14 on the road crews were given \$40-per-month raises, while all other included employees will receive \$32 more per month.

Not included in the pay-raise schedule were the salaries for the county judge and his secretary, and the salaries or the county's portion of salaries for the county VA officer, county Extension agents, district officers and justices of the peace.

Marshall Young, JP of Precinct 2, will continue at his present salary, while Gary Lilley, the new JP of Precinct 1, will receive \$10 per month as earlier ruled by the court.

The commission voted to start Shirley Maurer, newly hired secretary for Judge M. L. Simpson Jr., at the \$8,395-per-year salary that had been paid last year to Ruth Carter, who had held the position for 20 years. This action overrode a previous standard adopted by the court which had set the starting salary for clerical workers at \$500 per month, with a \$50 raise after six months.

Commissioners Anna Margaret Moss and Ed Bennett voted in favor of the higher salary for Miss Maurer. Edd Wilson voted against, and Al Maurer, Miss Maurer's father, abstained.

A previous motion by Edd Wilson to start Miss Maurer at the standard \$500 per

month died for lack of a second.

Commissioners voted 3-1 to leave the judge's salary at the same level. This included having the county make up a portion of the salary that had been previously paid by the state for the performance by the judge of the duties of county school superintendent.

County Clerk Zonell Maples told the commissioners she did not feel it was fair for a new worker to start at a higher salary than is being paid to the clerk's top deputy, who has been employed for 10 years. County Auditor Harold Irlbeck also commented that he did not feel the higher starting salary for the judge's secretary was fair if other secretarial employees are started at the \$500 per month standard.

The salaries that were set were to be in effect from the first of the year or from the time of hiring. The raises are to take effect Feb. 1.

Also, a travel expense increase was granted to the new county Extension agent, Teresa Criswell, from \$66.67 per month to \$100 per month.

Miss Criswell was introduced to the court by District Extension Agent Catherine Crawford, and her appointment was approved unanimously.

## Mrs. Jouett's funeral rites to be Friday

Funeral services for Mrs. Alpha Fern Jouett, 73, will be held at 3 p.m. Friday at First Methodist Church with Bedford Smith, retired minister of First Christian Church, and Rev. Howard Quiett, pastor of First United Methodist Church, officiating.

Burial will follow in Westlawn Memorial Park under the direction of Dennis Funeral Home.

Mrs. Jouett died Tuesday morning at Plains Memorial Hospital.

She had been a resident of Dimmitt for 12 years and a resident of South Hills Manor the past nine months.

She is survived by five sons, J. T. and Milfred, both of Dimmitt, Bobby of Cisco, Doyce of Grand Prairie and Monte of San Angelo; three daughters, Mrs. E. D. Mayhew of Dimmitt, Mrs. Joe Combs of Euless and Mrs. Fred Pallett of Euless; 23 grandchildren, 27 great-grandchildren and two great-grandchildren.

The largest crowd to attend a Dimmitt Chamber of Commerce Banquet in years gave standing ovations Monday night to Carl King as Citizen of the Year, Bob McLean as Citizen Through the Years and Mary Jo Brown as Teacher of the Year.

An audience of 380 gathered in the County Expo Center for a program that included a lively pre-dinner concert by the Dixieland Bobcats, recognition of chamber officers and directors, presentation of the citizenship awards, and a fast-moving speech by humorist Joe Griffith.

Jack Edwards, last year's winner, presented the Citizen of the Year award. He cited King for his leadership in farm and commodity organizations, the Democratic Party and community activities.

King, 54, is serving his fifth term as president of the Texas Corn Growers Association, which he helped organize in 1974, and also represents the state's corn producers in the National Corn Growers Association. He is a past president of the Castro County Farmers Union and the Farmers' Coalition, serves on the executive board of the High Plains Research Foundation, is a director of Dimmitt Agri Industries, Inc., and serves as an advisor to the Texas Energy Commission. He is a member of the Castro County Crops Committee, Deaf Smith Rural Electric Cooperative, Plains Irrigation Gas Users Association, Texas Lamb Feeders' Association and Texas-New Mexico Sugarbeet Growers' Association.

"Our Citizen of the Year has made numerous trips to Austin and Washington to plead the cause of the farmer and High Plains agriculture," Edwards said.

In the Democratic Party, King served 14 years as county chairman and is now the Texas Democratic Party committeeman for the 31st Senatorial District. He was named to the party's state finance committee in 1975, and the same year he was named to "Who's Who in American Politics."

At the community level, King is a member of the Dimmitt and Deaf Smith County Chambers of Commerce, a charter member and former officer of the Castro Memorial VFW Post, former officer of the local American Legion Post, a past director and lifetime member of the Boy Scouts of America, a past director of the Camp Fire Girls of Dimmitt, and a member of the Fourth & Bedford Church of Christ and the Dimmitt Lions Club. He was elected in 1976 to "Personalities of the South."

Raised at Cotton Center, King served with the Navy Seabees in the South Pacific in World War II, earning three battle stars. After the war he lived six years in Los Angeles, where he met and married his wife, Frances. They moved to Nazareth in 1953 and to Dimmitt in 1956. The Kings have three children—Janet Poole, Stephen and Carla. He presently farms 1,700 acres.

"This is the greatest honor I've ever had bestowed upon me," King told the audience, which included his mother, two of his children and his grandson. "My wife and family thank you, and I thank you, and we love you."

Later in the program, a telegram was read from Texas Democratic Party Chairman

Billy Goldberg, who noted that King "has consistently made clear his devotion to the people of Dimmitt and to the entire region. He has spoken out forcefully and effectively for those he represents."

A telegram also was read from Congressman Kent Hance, congratulating King, McLean and Mrs. Brown on their awards and commending them as "fine citizens of Dimmitt and also great Texans and true Americans."

G. L. Willis presented the new Citizen Through the Years award to McLean. "This introduction is a great pleasure for me, because this man is a lifelong friend of mine," Willis said. "It was not a surprise to me, nor will it be to most of you who have known him long, that he has been given this award. He has been a civic and business figure in this community for many years."

"Gosh, I don't know what to say," McLean commented after receiving the plaque. "I can think of a thousand people who deserve this more than I do. But I do appreciate

it, more than anyone will ever know."

McLean was Dimmitt's Citizen of the Year in 1949, a year after the award was started. Mrs. Brown, the chamber's first Teacher of the Year, teaches second grade in Richardson Elementary School. She is president of Delta Kappa Gamma, professional fraternity for women in education.

In presenting the award, Weldon Skinner quoted those who nominated Mrs. Brown: "She has kept abreast of current trends in education, attending many workshops and in-service educational programs, and giving leadership in many instances. "She has maintained membership and leadership in professional organizations. "She is a quiet, reserved and warm person with an inner glow... a person who works quietly where the most good can be done. "She is an elder in the Presbyterian Church of Dimmitt... has helped in the March of Dimes drive... firmly believes in the united family doing things together... helped organize the local chapter of Beta Sigma Phi sorority and served as its president... is listed in 'Who's Who'... initiated birthday parties for students in the Satellite School... organized the annual 'Harvest Hoedown Dance' to raise funds for community projects... and is involved with the 4-H Horse Club, Scouts, Little League baseball and Little Dribblers basketball."

In accepting the award, Mrs. Brown said, "My second graders would probably tell you that I never do run out of words, but I don't know where to go when I do." [See CHAMBER, Page 12]

## Special mass and reception are scheduled

A special Mass of Thanksgiving is scheduled at 10 a.m. Sunday in the Holy Family Catholic Church at Nazareth, and a reception from 3 to 5 p.m. in celebration of the centennial of the Benedictine Sisters.

Everyone is invited to attend a reception from 3 to 5 p.m. in the CCD building hosted by the Catholic Daughters and Christian Mothers.

Sisters of this order have taught in Nazareth schools since 1915, serving in the Nazareth parish and also in some neighboring parishes.

The centennial celebration marks the founding on Jan. 23, 1879, by Benedictine Sisters from Indiana, of a school at Shoal Creek, Ark., which grew into the St. Scholastica motherhouse, now located at Fort Smith, Ark.

The public is invited to the special mass Sunday morning.

## Museum group schedules meeting

Castro County Museum Association will hold its regular monthly meeting at 7 p.m. today (Thursday) at the museum building on West Hallsell St.

In addition to members, any county residents interested in the museum's aim of preserving area history are invited to the meeting.

## Miss Criswell named new Extension agent

A new county Extension agent for home economics, Teresa Lynn Criswell, has been named for Castro County.

Announcement of her appointment, effective March 16, was made by County Judge M. L. Simpson and Mrs. Catherine Crawford, district agent for the Texas Agricultural Extension Service.

Miss Criswell replaces Irene Keating, who transferred to Potter County Nov. 1. The new Castro County agent has served for the past two years as assistant agent in Gaines County.

A native of Lubbock County, Miss Criswell graduated from Idalou High School. While in high school she earned the State Degree as a member of the Future Homemakers of America and was

the recipient of the Area I Young Homemakers Little Sister Award.

Miss Criswell was a member of 4-H for six years. She received food and nutrition, clothing and health awards and held a number of offices in her club. She was the 4-H princess of the South Plains Junior Livestock Show in 1971.

Following graduation from high school, Miss Criswell attended Lubbock Christian College for two years before transferring to Texas Tech. She graduated from Texas Tech University in May of 1976, receiving the B.S. degree in home economics. At Tech, she was on the Dean's List.

Miss Criswell is the daughter of Mr. and Mrs. W. B. Criswell of Idalou.

Letter from Rotarians in Taiwan read to club

"The great thing in this world is not where we stand but where we are moving," a Taiwan Rotary Club letter said. The letter was read by Woodrow Killingsworth to the Dimmitt Rotarians at their Friday noon meeting.

In the letter the Taiwan Rotarians were asking for Rotary Club members throughout the United States to write their congressman about the continued security of Taiwan.

Teresa Lantz, Dimmitt's Junior Miss, played a medley of tunes on her clarinet, as Betty Parish accompanied her on the piano.

Doug Henry introduced four of his choir students who sang solos for the Rotarians. They were Anne Guy singing "Longing for Spring," Lisa Seaver, "Long Long Ago," Jacquie Washington, "How Do I Love Thee" and Belinda Black, "If Thou Lovest Me," in Italian. Accompaniment was by Mrs. Parish.

A total of \$100 has now been donated to the Rotary Foundation by the Dimmitt Club.

It may come as no surprise to the reader that the computer age is now coming to libraries. At some libraries computers have actually been in use for some time now.

For pure speed of spitting out materials, a computer cannot be beat. Getting material out of a computer is called "instant retrieval," or the act of the computer being able to disgorge the Encyclopedia Britannica in 30 seconds.

As a matter of fact, the computer people will be mighty impressed with this article when they learn that it was fed into a computer up at Amarillo and "instantly retrieved" this morning for the newspaper even before I could get to the typewriter. Now that's fast!

Obviously they don't fit now, but some day he, or she will grow to fit them. At the same time imagine that they are trying on our lives. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish.

Hart woman wins court swindle suit

Mrs. Nora Ray, 80, of Hart waited for more than three years for a Texas Supreme Court ruling, finally made in her favor last Wednesday in a case where she claimed she had been victimized in a swindle for the amount of \$1,851.50. The Court ruled last Wednesday that the Farmers State Bank of Hart must bear the \$1,850 loss resulting from the cashing of a fraudulent check drawn on the account of Mrs. Ray. Mrs. Ray sued the bank charging negligence in cashing of the check. She had been victimized in a swindle by men posing as electrical repairmen, May 7, 1975 when a man representing himself as a repairman gained entry to her home to check wall outlets. He asked for \$1.50 payment by check for the inspection, which he filled out and Mrs. Ray signed. When the man left she discovered her phone line had been cut when she tried to call the bank. By the time she got to a neighbor's home she called the bank she found her check for \$1,851.50 had been cashed. The Seventh Court of Civil Appeals in Amarillo reversed the trial court ruling, holding she had been negligent in leaving enough space on the check for forgers to change the figure. The Supreme Court concluded Mrs. Ray was not negligent as a matter of law. The two men believed to have been involved in the incident and other similar swindles in Eastern New Mexico and Oklahoma were arrested in August 1976 at Boise City, Okla. After being convicted of swindling an elderly Boise City man of \$1,800 they were sentenced to six years in an Oklahoma state prison. They were released on probation 18 months later.

## Century-old reference books given to library

Anthony Steiert, former Hart resident now living in Colorado Springs, donated a complete set of century-old Encyclopedia Britannicas to Rhoads Memorial Library.

Steiert came across the Encyclopedia set some years ago when he was stationed in England.

The first volume of the set was written in 1880 with other volumes being published in intervals of a year. "The set is in fair shape with all pages and indexes intact," Librarian Brick Autry said.

At the time of publication Tascosa was larger than Amarillo, Canyon was called Canon City and the map of West Texas showed Tulia but no Dimmitt. No roads through the Panhandle were shown.

The encyclopedia is now on display at the library and Steiert said he hopes information like this will be inter-

esting to visitors at the library. He would like the books to be used, Autry said.

Steiert sent the books from Colorado Springs in boxes he had built for them.

Class sponsors are Duane Cox and Pat Burrows.

A pie auction will be held, with purchasers given the privilege of tossing the pastries at the visiting newsmen's faces.

**1979 cotton program provisions detailed**

By CHARLEY E. HILL  
County Executive Director

1979 Cotton Program - Secretary Bergland has announced the 1979 cotton program will not have a set-aside, or diverted acreage requirement. The national program acreage is 10,634,181 acres.

All the acreage planted on a farm will be eligible for price support (CCC loans) and disaster provisions if only cotton is planted. If feed grain and/or wheat are planted with cotton, then you must stay within the NCA with the total acreage of all NCA crops, plus the required set-aside acreage.

The tentative target price for cotton is 57.7 cents and the average loan rate is 50.23 cents.

With this announcement, you can make plans for your 1979 planting pattern. Here is a brief review of the 1979 program provisions:

-NCA - The same as established in 1978. Notice will be sent out sometime after Feb. 15.

-Wheat - required set-aside of 20% of the acreage planted for harvest in 1979. Any acreage for harvest, plus the required set-aside will be counted against the NCA.

-Barley - required set-aside of 20% of the acreage planted for harvest in 1979. Any acreage for harvest, plus the required set-aside will be counted against the NCA.

-Corn and grain sorghum - Required set-aside of 10% of acreage planted in 1979. No comparison with 1978 plantings. No payment on this 10%.

-Voluntary diversion - For corn and grain sorghum is 10% of planted acreage, optional for one or both crops. Payment for voluntary diversion is \$1 per bushel times the established yield, times the voluntary diversion for the crop (10% of the 1979 planted acreage).

-Cotton - No set-aside required and no voluntary diversion program.

-Soybeans, sunflowers, dry beans, sugar beets are other NCA crops. No required set-aside and no disaster provisions apply to these crops.

If you only plant the crops shown above that have no required set-aside acreage you do not need to stay within the NCA. All the cotton and soybeans would be eligible for CCC loan and all cotton would be eligible for disaster program consideration.

If you plant any acreage of wheat for grain, barley, corn or grain sorghum, then you must keep the total acreage of all crops, including cotton, plus the necessary set-aside acreage within the farm's NCA.

Off-setting compliance provisions apply, which means that you must keep all farms planting crops with required set-aside acreage within the NCA.

Planting only crops requiring no set-aside acreage on a farm eliminates the need to stay within the NCA for that farm. This will not cause this farm to be out of compliance and will not affect compliance on any other farm.

For 1979, you will sign an intention to participate between Feb. 15 and April 16. Also you will measure and report your crop acreage the same as in past years. Wheat and barley acreage will be reported by about May 1, and other crops by about Aug. 1.

1979 set-aside acreage - Set-aside acreage for the 1979 crops should have a cover of small grain or a spring or summer seeded crop, such as forage sorghum or legumes. Grain sorghum or corn will not qualify as a cover crop.

The committee has recommended the non-grazing dates for set-aside acreage to be May 1 through Oct. 31, 1979.

If small grain (wheat) is used as a cover crop, it must be designated separately from wheat for grain and a furrow or some separation from the wheat for grain made on the ground.

Then the wheat cover must be plowed up, shredded, or mowed before heading and no heads be allowed to show on this acreage. This cover crop may be reported in April when you report wheat for grain.

A.G. Edwards & Sons, Inc.

A run on the dollar overseas is now imminent in the foreign exchange markets now that the Christmas and other holidays are over.

Only eight weeks ago the US thought it had finally brought stability for the dollar overseas for the coming months when it launched a massive program to bolster the dollar. But now that time-table has been extended sharply in the face of a tremendous loss of confidence abroad in the Carter Administration's ability to provide necessary leadership at home and abroad.

Unfortunately for the Carter Administration, the unpleasant outlook for the dollar overseas has less to do with the 14.5% increase in OPEC oil prices than in the feeling in other countries that the Carter Administration has lost credibility at the hands of Saudi Arabians. The Saudis obstinately went along with the aggressive price hawks of the Organization of Petroleum Exporting Countries (OPEC).

But the dollar had begun to sag even before the OPEC meeting. Although the Federal Reserve had announced a

sharp boost in interest rates on Nov. 1 as an inflation fighting step, the Fed had to go to extra lengths to supply added reserves to the banking system to keep the economy percolating.

The fact is that credit is still available, though more expensive. Europeans are suspicious of this fact and the dollar had begun to fall. In Europe, psychology has turned against the dollar again, because there is a growing feeling that the US will not succeed in defending the dollar. Likewise, the same feeling is true of the Federal Reserve policy. The biggest problem for the dollar today is simply a lack of confidence.

**Hance to give keynote speech to Water Inc.**

US Rep. Kent Hance, who just last week was named to the powerful House Agriculture Committee, will be the keynote speaker at the twelfth annual membership meeting of Water, Inc., here next month.

Hance will open the Water, Inc., session Saturday, Feb. 17, in the Lubbock Memorial Civic Center. He joins Texas Agriculture Commissioner Reagan V. Brown on the program.

Speakers will discuss the importance of High Plains agriculture and its dependence upon water.

Registration for the Water, Inc., meeting is \$7.50 per person and may be made in advance by writing Water, Inc., P.O. Box 367, Lubbock, 79408. The registration fee includes the cost of the luncheon at which Commissioner

Brown will speak.

Hance was sworn into office last week replacing the retired George Mahon as Representative from the 19th Congressional District.

Hance is a former state senator. He and Rep. Charles Stenholm of Stamford, both

elected to the House in November, are the first graduates of Texas Tech to serve in Congress.

Water, Inc., is a non-profit corporation promoting water importation for the High Plains of West Texas and Eastern New Mexico.

# Heart Fund dance crowds expected

The Dimmitt Promenaders are getting ready for their fifth annual Heart Fund Dance at 7 p.m. Feb. 3 at the Expo Building, preparing to welcome scores of visitors from area dance clubs as well as local dancers.

Round dancing will begin at 7 p.m. cued by Les Grumke, and the grand march will begin at 8 p.m.

Sid Perkins of Amarillo, Johnny Gillenwater, club caller and Jack Thompson of Tulia will call the tips.

"Square Up for the Heart Fund" in the past four years has raised over \$3,500. The proceeds from the dance are used to buy equipment for training CPR classes and other training tools and equipment for care of heart attack victims.

Blood pressure cups have been bought with the money which are used each

Saturday morning in free blood pressure clinics in the hospital lobby and in surrounding area communities.

The proceeds from this year's dance will help buy an Inturbation Annie manikin, a device used to open airways for mechanical ventilation.

Jerrold Welborn, Beral Hance and several other members of the Castro County Heart Association will be at the dance to help the Promenaders.

The Promenaders' goal for the Feb. 3 dance is \$1,500 and they ask for the support of the area people to meet this goal.

All the equipment bought by the annual square and round dances will be on display at the Expo Center the night of the dance.

ANNA Edson Taylor was the first person to go over Niagara Falls in a barrel.

PURPLE will be the predominant color in the All-Region Band concert in Lubbock Saturday night when 32 Bobcat Band members perform with the Class B-A-All North Zone Band. Shown here are 29 of Dimmitt's all-regional performers. They earned places in the honor band in auditions conducted here

Jan. 13, with five DHS musicians receiving first-chair appointments. DHS Band Director Ralph Smith is the organizer for the North Zone All-Region Band this year, and the conductor is Howard Dunn, director of the SMU Symphonic Band which performed at the governor's inauguration last week.

## Nazareth

### Nazareth woman attend debate

By VIRGIE GERBER

Thursday a group of concerned citizens from Nazareth, Dimmitt, Hart and Happy attended the Freedom Rally in the Lubbock Civic Center. Clay Smothers, State Representative from Dallas, gave an electrifying address. Rep. Smothers has introduced several bills in the House concerning moral issues in our state. HCR 22 concerns the rescinding of the ratification of the ERA. He will also introduce a bill against legalized abortion. Later in the evening we attended a debate on the ERA, Phyllis Schlafly versus Karen DeCrow. Mrs. Schlafly is the president of Eagle Forum and a member of the Illinois Commission on the Status of Women. Ms. DeCrow is author of Sexist Justice and the Young Woman's Guide to Liberation. We felt that Mrs. Schlafly's arguments against ERA were far superior in knowledge and content to her opponent.

Those attending from Nazareth were Aurelia Schoenberger, Willie Faye Huseman, Catherine (Dennis) Huseman, Irene Wilhelm, Patsy Huseman, Sandee Hoelting, Sister Adrian Wewers, Catherine (Arnold) Huseman, Carol Hooper, Mae Hochstein, Imogene Drerup, Mary Lou Schmucker, Julie Huseman, Alta Mae Hartman and daughter Arlene from Happy. We especially want to thank the Hart Church of Christ for

providing bus transportation to Lubbock.

Those attending the golden wedding celebration of Gus and Teresa Schlabs of Hereford Saturday the 13th were Mr. and Mrs. Philip Pohlmeier, Mrs. Lizzie Birkenfeld, Petronilla and Marcella Birkenfeld, Mrs. Max Acker and Mr. and Mrs. Alvin Anderle. Mrs. Edna Schulte, Brenda Hartley and Debbie Neal of Hereford spent Saturday with Cornelia Annen. Debbie is a niece of Mrs. Annen and a genealogy student. They spent the day working on the Annen family tree.

Jim and Evelyn Ball have moved from Plainview to Wichita, Kan. where Jim is

manager of the MBPXL meat packing plant. Larry and Douglas Ball, who are both seniors in Plainview High School, are staying there to finish school. Mrs. Lucille Drerup, their grandmother, enjoys them coming to spend the weekends.

Mr. and Mrs. Anthony Acker and son Norbert drove to Galveston to the John Sealy Hospital to attend a parent-child care clinic Jan. 13 through 19. This was on the care of Norbert, who is a diabetic. The clinic was under the supervision of Dr. Luther Travis, Dr. Cunningham and Debbie Speegle, R.N., a diabetes specialist.

Father Bob Schmitz and Brother Herman of Petersburg, Neb., who are cousins of Alfred Schacher, were guests at a dinner Monday at the home of Mr. and Mrs. Alfred Schacher.

### Water district committeemen, board named

Complete but unofficial returns from the High Plains Underground Water Conservation District No. 1 election held Saturday show that George Elder and Floyd Schulte of Dimmitt have been elected as County Committeemen from Castro County. The two men will serve four-year terms on the committee that represents Castro County residents at Water District meetings and activities. They will join Jackie Clark, W. A. Baldrige and Frank Wise, all of Dimmitt, on the five-member committee that handles approval of water well drilling permits and other related activities in Castro County.

Also at the election Webb Gober of Farwell was elected to the District Board of Directors from Director's Precinct 3 which consists of Castro, Bailey and Parmer Counties.

MR. AND MRS. DAVID SCOTT GREGORY  
... Bride is former Mary Elizabeth Jones

### Recently-wed couple at home in Abilene

Mr. and Mrs. David Scott Gregory are at home at 1750 N. 5th in Abilene, where both are students in Abilene Christian University, after a trip to Santa Fe and Angel Fire ski areas following their marriage here.

Mrs. Gregory is the former Mary Elizabeth Jones, daughter of Mr. and Mrs. Bobby Jones. The groom's parents are Mr. and Mrs. Bill R. Gregory.

Rev. Howard Quiett, pastor of First United Methodist Church, read the marriage ceremony in the church sanctuary, where a large arrangement of white glads and Fujiums centered altar decorations of rose azaleas and white crystal mums. Tree candelabra, each holding 51 lighted tapers, flanked the altar and glossy holly garlanded the prayer rail.

Amy Merritt was the maid of honor and bridesmaids were Jeton Gregory of Odessa, sister-in-law of the groom, Carla King and Sherri Wright. Becky Gregory, the groom's cousin, was junior bridesmaid and Jamie Baker the flower girl.

Bill Gregory of Odessa served his brother as best man. Bryan Gregory, Jeff Bell and Joe Collins were groomsmen. The groom's brother Blaine carried the rings.

Guests were shown to pews by Craig Jones, Keith Gregory, Rodney Craig and Kelley Hill. Craig and Hill also lighted candles.

A prelude of Bach and Handel music was played by Mrs. Dale Winders. Ruby Moultrie sang Schubert's "Ave Maria" as the couple's parents were seated, and also sang "One Hand One Heart" and "Dedication." Missy Quiett played piano solos and, for processional music, preludes by Bach.

The bride's gown of ivory organza was fashioned with fitted bodice, wide A-line skirt and bishop sleeves. The high neckline, finished with ruching edged in satin ribbon, was fastened with a cameo brooch belonging to her grandmother, Mrs. Elizabeth Bridgers.

Venice lace outlined the wide yoke and three bands of narrow ribbon ornamented the cuffs, matching ribbons around the waist. Her skirt flowed into a chapel train with a ribbon-edged flounce at the hemline. She carried a cascade of white and red roses around a white orchid, with ribbon streamers.

Qiana in wild rose shade made the attendants' dresses with ruffles around the sheer yoke and at the wrist, fitted

## Dimmitt nets clean sweep over Littlefield Friday

Dimmitt's Bobcats breezed to an easy victory but the Bobbies had a fairly close call as both teams won over Littlefield here Friday night to keep their perfect district records intact.

The Bobcats stunned their visitors 77-45, while the Bobbies survived a cold fourth quarter to gain a 42-38 victory.

Dimmitt's junior varsity teams made it a clean sweep by outscoring their opponents by 2 to 1. The JV girls won by a 42-21 count and the JV boys rang up a 56-28 victory.

In the girls' varsity game, the Bobbies jumped to a 14-8 lead in the first period and stretched their margin by two points to 25-17 at halftime. But the Littlefield girls fought back in the second half and gave Coach Jimmy Hoyle's Bobbies a scare.

Littlefield matched Dimmitt point-for-point in the third as the quarter ended with the Bobbies still leading by eight, 36-28. Then Littlefield pressed the attack in the fourth, scoring 10 while holding the Bobbies to six, but the rally fell short as Dimmitt held on for a 42-38 win.

Vicki Cleveland led Dimmitt's attack with 15 points, and also chalked up 12 credits (seals, assists, etc.). Lori Dyer also scored in double figures with 12, while Norma Sandoval led in rebounds with eight. Carla McCanlies was Littlefield's top scorer with 12.

Littlefield led in field goals, 16-15, but the Bobbies made up their winning margin at the free-throw line, hitting 12 of 18. Littlefield was awarded only nine charity shots, and sank six of them.

The victory extended the Bobbies' season record to 20-3 and their District 3-AA mark to 3-0.

The Bobcats used their zone press defense and the not hands of Mark Summers, Vicente Salinas and Randy Roberts to roar to a 77-45 victory over the respected Mulehoes, who earlier had defeated Morton into a double overtime.

Summers swished the net for 28 points while Salinas added 18 and Roberts 10. Roberts also led in rebounding with 10 as the Bobcats dominated the boards 41-28. Johnny Merritt was Dimmitt's floor leader with 10 assists.

The Bobcats, who have been ailing for three weeks, played without the services of Dennis Veals, who had paced Dimmitt's victory over Morton last week. Merritt was added to the sick list this week.

"Littlefield has a good team, but our kids got after them," Coach Ken Cleveland commented. "This is the first time in quite a while that

we've had three players score in double figures."

Forcing turnovers with their full-court press, the Bobcats jumped to a quick 17-6 lead in the first five minutes, and Cleveland cleared the bench. But the Wildcats closed Dimmitt's edge to 17-13 before the first-quarter buzzer sounded.

The Bobcats went on a 26-point scoring spree in the

## County Republicans attend inauguration

Eight Republican party members from Castro County attended the gubernatorial inaugural last week in Austin to witness the inauguration of Bill Clements as the first Republican Governor to be inaugurated in Texas in 104 years.

Those attending from Dimmitt were Juanita Bruegel, Tina Rawlings, Dale Maxwell, Bill and Deanne Clark, Marguerite and Lawrence McLain of Hart and Helene McFarland of Arney were in the group also.

"The group was rewarded by a handshake and visit with Bill Clements and a visit with the newly appointed secretary of state, George Strake Jr.," said Deanne Clark. Bill Clayton, Pete Laney, Tati Santiesteban, Jim Granberry and Reagan Brown were a few of the other notables on hand.

This was the first time any members of the Castro County delegation had attended an inaugural.

Bill Hobby, lieutenant governor, spoke of the need for cutting government costs and traced the historical implications of keeping government in the hands of the people.

Gov. Clements reiterated his campaign pledges, his anticipated cooperation with the members of the Texas Legislature, and his promise to "persist and prevail," Mrs. Clark said.

"Following the inaugural ceremony, barbecue was served on the capitol lawn and an impressive parade capped the afternoon's activities. Numerous bands and legislators and floats were a sight to behold, but the donkey-elferant duo walking side by side held meaning for the observers," Mrs. Clark said.

Although the Castro County group did not attend any of the inaugural balls, there was something for everyone, regardless of financial means, the local group noted.

People from all walks of life were there: GOP campaign volunteers with buttons claiming "A Great Day for all Texans," students from area towns bused in for history in the making, staff members tending to their various res-

second to take a commanding 43-25 lead, leaving their coach with only the weather for a locker-room topic at halftime.

The third quarter was more of the same as the Bobcats netted 16 points to take a 59-36 lead going into the final frame.

It was the Bobcats' 16th victory against five losses and extended their District 3-AA mark to 3-0.

possibilities in order that schedules could be met and people taken care of, the press, the law enforcement officers and others.

"Perhaps though, the day was even more special for long-time supporters like Tina Rawlings, who dreamed one day a Republican would be elected and inaugurated governor and that she might live to see it," Mrs. Clark said. "Thanks to Texas independents and a thoughtful granddaughter who provided airline tickets and lodging, she did," Mrs. Clark added.

She mentioned that a highlight of inauguration activities was a prayer service in Austin's First Methodist Church with Dr. George Criswell of the First Baptist Church of Dallas as speaker. He delivered a "somewhat political" address, Mrs. Clark said, on the merits of the Puritan work ethic and the free enterprise system and their relation to the Christian equality of all men, with applause from the congregation.

Five Dimmitt High School students were injured in a hit-and-run accident Saturday night when a car plowed into three parked vehicles in front of A&H Supply on South Broadway.

The car's driver, Daniel Salinas, 19, has been charged with failure to stop and render aid. He posted \$2,500 bond Tuesday.

Police reported that 10 students were inside and around a 1974 Chevrolet Blazer which was angle-parked in front of the supply house—a traditional gathering point for teenagers at night—when Salinas' car veered off of South Broadway and struck the Blazer, knocking it into another

car parked nearby. Then, witnesses told police, Salinas backed up, hit another car and left the scene.

Injured were: Cara Miller with lacerations over the right eye, Cheryl Robb, treated for a hurting right arm, Heidi Bruegel with abrasions on her head, Becky Andrews with a hurt nose and hurt left hand and middle finger, Cleve Keating with a lacerated nose, left arm and bruises and contusions on his cheek.

They were treated and released at Plains Memorial Hospital.

Their first opponent was Springlake-Earth in a Thursday game that Dimmitt won 37-28. Sonya Andrews with 9 was the leading point-maker.

Dimmitt girls disposed of Tulia 51-38 in the second round Friday. Beth Benton led in scoring with 12 points, and was also the leader in the final game when she hit for 11.

## Nazareth wins two district openers

Opening district games for Nazareth's Swifts and Swiftettes were won by comfortable margins in both games at Silverton Tuesday night.

The Swifts built up a steady lead after trailing the Silverton boys 10-8 at the end of the initial quarter. By halftime the Swifts led 22-20, held the 2-point edge 31-29 going into the final quarter and built it up to a 42-36 close.

With a 17-4 record in pre-season games, Coach Bud

Birks' Swifts have been paced in scoring by Jeff Schmucker, who kept up his record with 15 tallies Tuesday night, followed by Kenny Gerber with 8 points.

Gary Book led in rebounds with 10. Neil Wilhelm and Schmucker had 8 each.

The Swiftettes coasted to a 50-29 victory led by Lori Gerber's 14 points. They were ahead 11-7 in the first quarter of play, 26-14 at the half.

## DHS teams survive scares at Muleshoe Tuesday night

Dimmitt's Bobcats and Bobbies escaped with narrow victories at Muleshoe Tuesday night to cinch at least a tie for the first-half titles in District 3-AA.

Both teams are undefeated in loop play as they prepare to host Friona Friday night in their final game of the first-half round-robin.

Victories here Friday night would put the Bobcats and Bobbies in the 3-AA driver's seat, assuring them of at least a playoff for both the boys' and girls' district championships at the end of second-half play.

The Bobcats fought off a second-half Muleshoe rally to take a 64-58 win Tuesday night, while the Bobbies escaped with a 38-37 victory in a low-scoring affair.

Four clutch free throws by Norma Sandoval and Lori Dyer late in the game gave the Bobbies their victory margin. The Mullettes had a chance to win it, getting the ball with 12 seconds left, but their shot rimmed out and the Bobbies came up with the all-important rebound to preserve the victory.

The teams fought to an 8-8 tie in the first quarter, and the Mullettes held an 18-16 lead at halftime. The Bobbies regained the lead at 26-22 by the end of the third, but the Mullettes surged again in the fourth and things looked dark for the Bobbies until Sandoval and Dyer did their thing at the charity line.

Dyer was Dimmitt's top scorer with 10.

The Bobcats played their game with 6-5 Mark Summers benched almost half of the contest with four fouls. But Dennis Veals—who had missed the previous game because

of illness—teamed with Randy Roberts to take up the slack in scoring and rebounding.

Veals finished as the game's top scorer with 22 points—including 12 of 14 from the free-throw line—and was Dimmitt's leading rebounder with 11. Roberts added 16 to Dimmitt's total, and Summers scored 12. Johnny Merritt led in assists with seven.

"All our kids did a good job on the floor, but Dennis and Randy really came through for us around the boards while Mark was on the bench," Coach Ken Cleveland said.

Hart's girls lose thriller

Playing at Kress Tuesday night, Hart teams dropped games to their hosts, the Longhornettes a two-point heartbreaker in overtime after an uphill battle to a 32-32 tie in regular play.

The Longhorns went down 55-27 in the district contest, and the Kress JV girls defeated Hart 33-26 in the third game.

Kress took a 12-3 lead over the Longhornettes in the first quarter but Hart scrambled to a 15-14 edge at the half, dropped back to a 4-point deficit in the third stanza, and then regained the ground for the final tie.

Kress held the Hart girls scoreless while making the decisive two points in the overtime period. Stacy Averitt tallied 11 for Hart's high.

Kress outdistanced the Longhorns throughout their game and was ahead 33-8 at the half. Keith Newsom's 8 points led Hart scoring.

## 7th grade boys place in tourney

Third place in the seventh grade tournament at Olton last weekend was won by Dimmitt's 7th grade boys in a hectic game against Tulla, after a 27-19 deficit at the end of the third quarter.

With Richard Saucedo, the team's leading scorer, absent because of flu, and two starters fouled out so only two starters were left on the floor, Mark Bruegel and Scott Simpson led the way back for Dimmitt. Final tally was 31-29.

The game-winning basket was a 5-foot jump shot by Bruegel with a minute 15 seconds left on the clock. Bruegel's 12 points were high for the game.

In the first tourney game Thursday, Dimmitt downed Floydada 28-20. Robert Nelson led scoring with 7 points and Saucedo got 6.

A frustrating game to Cotton Center's 8th graders ended 25-24 Friday. Simpson hit for 14 points in the losing effort.

Kennen Howell, the sixth man on the squad, "did an exceptional job and really baled us out," Coach Jerry Durham said.

The Longhorns battled the S-E boys to a 37-35 conclusion as Keith Newsom led scoring with 14 points.

Norma Catano hit for 21 and Stacy Averitt for 14 as the Longhornettes edged S-E 49-47. Hustling and teamwork gave the Hart girls their best game of the year, Coach Su Cox said.

The outmanned Hart JV put up a good fight, Coach Turner said, in their game which saw Roy Martinez score high with 10 points.

Kevin Cleveland topped scoring with 18 and Shan Powell followed with 16 tallies. Littlefield kept ahead of Dimmitt through the first half, but the local boys tied it at 38-all as Tommy Gibson hit a long shot at the third quarter buzzer.

Defensive play of Fermin Gonzales and Keith Gregory contributed to the victory.

Seventh graders brought their record to 8-5 with their 42-33 win from the strong Littlefield team which took an 11-1 record into the fray. Coach Shott Miller called it the best effort for his boys to date.

Mark Bruegel with 20 points and 12 rebounds sparked the Dimmitt push, and Richard Saucedo got 12 points and 5 rebounds.

## Informed views on ERA presented by debaters

By DEANNE CLARK

A "not-to-be-missed" event took place in Lubbock Municipal Auditorium last Thursday, when two well-informed women—both authors, both lawyers—met for the 15th time to debate the controversial equal rights amendment. More than 100 women from Castro County were in the audience.

Phyllis Schlafly of Illinois and Karen DeCrow of New York stand on opposite sides of what the constitutional amendment will do for the women of the US. Both Mrs. Schlafly and Miss DeCrow have achieved comparable fame, though they have come from two different viewpoints—Mrs. Schlafly from the role of wife and mother and Miss DeCrow from the single, professional role. Both are well-

read, have pleasant appearances, and represent opposing factions . . . factions whose members filled the auditorium and were exuberant in their acceptance of their respective leaders. About one-third of the audience seemed to be pro-ERA and two-thirds anti-ERA, and approximately one-third were students.

Each woman was allotted 10 minutes to give her views and then a shorter time for rebuttal, after which questions from the audience were posed. Long lines gathered at the microphones placed intermittently around the auditorium to ask questions.

Mrs. Schlafly pointed to the wording of the amendment, maintaining that the words "equal" and "sex" lead to vague interpretation and questioned who the responsible parties will be doing the interpreting. She also expressed concern that Congress has the power to enforce the amendment should it pass. She referred to the discrepancy in the rules that have led to extending the time for ratification in the light of past proposed amendments, and the possible refusal of the courts in allowing rescission.

Mrs. Schlafly contended that the present 14th amendment is enforceable and effective in guaranteeing persons rights that might be abridged, and called for reasonable rather than absolute interpretation. Threatened states rights, uncontrolled expenses and infringement of one person's rights over another's with the enactment of ERA were the primary thrusts of Mrs. Schlafly's concern.

Miss DeCrow, on the other hand, pointed to the inequities in women's rights and opportunities in the professional fields, domicile, voting, credit and the human rights of either sex in marriage, pregnancy or the military. Miss DeCrow looked to the desirable equal or balanced rela-

tionships that the ERA would further, and felt that attitudes need to be changed regarding life styles, male and female roles in professions or marriage, but that overall attitudes will not be changed regarding the support and care of families by husbands or homosexual marriage.

Both women are knowledgeable about varying states' laws, and were able to refer to individual legal cases and their outcomes quickly. Both women responded to each question and usually refuted a case decision or produced a counter case to invalidate the particular case mentioned by her opponent.

Although the audience was instructed by Professor Shank of the Texas Tech Law School, who served as moderator, to be brief and concise and not provide a commentary, several questioners were unable to refrain.

One questioner advised Miss DeCrow to read specific passages in the Bible, and Miss DeCrow responded by referring to the legal grounds

regarding ERA rather than the Biblical grounds.

Although both women were composed and alert, Mrs. Schlafly seemed better able (while standing the entire two hours) to understand the questions and the manner of communication.

Miss DeCrow said at one point that she must be suffering from jet lag because she could not determine exactly the question to be answered. In some instances, she was able to confuse the questioner and force him to express his own opinion.

Of course, few positions were altered by the audience, and each leader made points in favor of her stance. Mrs. Schlafly stated in an interview following the debate that the Lubbock audience was unusual on the college debate circuit in that most college audiences contain 90% De-Crow supporters and 10% Schlafly backers.

Rep. Clay Smothers, one of the Freedom Rally speakers from Fort Worth, told small groups lingering after the debate that he had introduced that day in the Texas House of Representatives a bill calling for a rescission vote of the ERA. Sen. Walter Mengden submitted the same bill in the Texas Senate.

Thirty-five states have ratified the ERA, four are attempting to rescind, and three more must ratify for passage.
