Charles Summers to be honored Star Farmer

Charles Summers of Dimmitt will be honored as the Area 1 Star Young Farmer during the 26th annual convention of the State Association of Young Farmers of Texas in San Antonio at 6 p.m. Jan. 18.

The area award winner is selected on the basis of the farmer's inventory; cropping and livestock practices; soil

and natural resource conservation practices; contributions to community, state and nation; as well as general information on the success of his farming operation.

Summers owns 134 acres and rents 765 acres. His crops include cotton, corn, wheat and sunflowers.

Summers has served as reporter, secretary and president in the Dimmitt Young Farmers chapter.

The State Association of Young Farmers is an educational organization sponsored by the Texas Education Agency for persons under 35 years of age who are involved in agriculture. The association has 4,000 members in 200 local chapters.

FIRST TICKET SOLD—Myrtle Sheffy purchased the first ticket for the Bill Clayton Appreciation Dinner to be held in Dimmitt Saturday, Jan. 19 at the Expo Building. The

dinner will be the kick-off for five separate appreciation events to honor the state representative. Maxine Childers, new CofC president, is making the sale to Mrs. Sheffy.

Carla King makes honors

Carla King, daughter of Mr. and Mrs. Carl L. King, has been named to the Dean's Honor Roll for the fall 1979 semester at Clarendon College.

To receive this honor a student must achieve a grade point average of 3.6 or above on 12 or more semester hours of credit or receive a grade of A in a vocational program.

Plans completed for Clayton dinner

Plans were completed Monday for an appreciation dinner Jan. 19 to honor Speaker of the Texas House Bill Clayton.

The dinner, to be held in the County Expo Building, will be the first of five such banquets being planned by Clayton supporters in his home district.

Citizens from Castro, Bailey, Cochran, Deaf Smith, Lamb, Oldham and Parmer Counties are putting together five separate appreciation events to honor the state representative from this district.

Clayton, a statewide political figure through his service as Speaker of the Texas House of Representatives for three terms, is being honored "for what he has done for the people of this area," according to Dr. B. W. Armistead of Littlefield, coordinator for the events.

Tickets at \$10 each may be purchased at the First State Bank, Hi-Plains Savings & Loan Association and the Castro County News in Dimmitt; at the Farmers State Bank in Hart; and from Home Mercantile, Jerome Brockman, Rita Book and Joe King at Nazareth.

Co-chairmen of arrangements for the Dimmitt ban-

quet are Bob McLean of Dimmitt and James Werner of Hart.

The banquet menu will feature barbecued ham, green beans almondine, rice and broccoli casserole, cranberry snow and carrot cake. Edd McLeroy is food chairman for the dinner.

Jimmy Ross will be the master of ceremonies, and Zella Ellison will provide special music.

Decorations Chairman Maurice Carson of Hart said Clayton will be honored as "No. 1" in a red, white and blue color theme.

This is not a fund-raising dinner, McLean said. "It's just to show our state representative and Speaker of the House that we appreciate all that he has done for us."

The banquet is open to anyone who would like to attend.

The Cochran County appreciation dinner will be held Feb. 2, in the Morton High School Cafeteria.

Both Deaf Smith and Oldham County committees are working on the Feb. 11 event

in Hereford at the Community Center.

Parmer and Bailey County committees will hold their affair in Friona Feb. 18 in the High School Cafeteria.

The final event will be for Lamb County on Feb. 23 at the High School Cafeteria in Olton.

"Bill Clayton has touched every citizen in every one of these seven counties at one time or another. He has always been a staunch defender of our rights and the number of people he has helped directly can't be accurately measured," Armistead said.

"He will be serving the district only one more two-year term and there has been an overwhelming desire from throughout the district to show appreciation for the 20 years of his life he has given to us all," Armistead added.

All of these events called "Bill Clayton Appreciation Dinners" are being held throughout the district and are local events hosted by local people, Armistead said.

'Goose' Ramey speaks to Rotarians Friday

"Aesop's goose that laid the golden egg has immortalized the goose for all time," said Edwin "Goose" Ramey as he started his presentation on wildlife to the Dimmitt Rotarians at their Friday noon meeting.

The topic of Ramey's talk was "Wildlife in a Fowl Way."

J. B. Noland introduced Ramey as one of the true philosophers, saying "he learned to learn all you can when you are young because when you get old it's no load to carry." Ramey, a Dimmitt pioneer, celebrated his 90th birthday Jan. 7 and said he will make no more public speeches.

"Wildlife has three guards," Ramey said, "air, eyes and nose."

The goose is common upon the monuments of ancient Egypt (390 B.C.) and is the favorite food of the Chinese, the speaker said.

"A cackling goose saved Rome," he said. "The cackling goose is the same as our Canadian wild goose today."

In 1913 Ramey started his studies with the wild goose.

Some of the facts he gave about the goose:

He is true to his mate and he has a fighting area the size of a city block. The goose has a setting time of 28 to 35 days and at the age of 8 to 9 weeks the gosling begins to fly.

The goose has a life span longer than that of a human. The main black tail feathers on the wild goose range from 14 on a small, 16 on a medium and the big Canadian honker has a total of 18.

When a gander sees a goose other than his mate on his nest he will run off the goose and break all of the eggs even if his mate is in another nest setting.

When it is time for the

geese to go north in the spring they get restless and begin to "talk." They always come back to the same place and at the same time in the fall.

Seventy-five to 100,000 geese are killed each year. "Mr. Goose" quoted the Texas Almanac.

A goose can see an area of 95 to 98% around it because of the way his eyes are set in his head.

"Kind treatment will gentle anything from wildlife to humans but nothing will cook your goose faster than a boiling temper," Ramey said.

Attendance at Rotary last Friday was 99%.

Kevin Ginn gave an update on Interact Club and its new fund raising project. The money raised from the project may go toward equipment for the new city park, Ginn said.

A board meeting was announced for 6:30 a.m. Jan. 16.

Genealogical society to meet Tuesday

The Castro County Genealogical Society will meet at 7 p.m. Tuesday, Jan. 15 at Rhoads Memorial Library. It will be the first meeting of the New Year.

All interested persons are invited to attend.

Members are urged to bring their indexes, genealogical quarterlies and other books and materials to share with new members.

Any material members would like to show to the group or any problem that needs to be solved is welcome.

Farmers Union members from Castro, Gaines, Yoakum, Bailey, Cochran, Parmer and Deaf Smith Counties have been invited to join New Mexico Farmers Union members for their fifth annual state convention to be held Jan. 17-19 at the Motel Stevens in Carlsbad.

These Texas counties join those in New Mexico in making up the Plains Development Project of National Farmers Union. They will hold an information meeting and leadership conference in conjunction with the convention.

Highlighting the convention will be addresses by New Mexico Governor Bruce King on Friday and by National Farmers Union President Tony Dechant on Saturday evening.

Of special interest to producers in the West Texas area, with a beef referendum scheduled and with problems in cotton research and promotion, will be a panel discussion on 'Check-Off Programs' to be held Saturday.

Comment asked on plans for aging service

The Panhandle Area Agency on Aging invites residents of Castro, Deaf Smith, Oldham, Parmer and Swisher Counties to participate in the public review of the 1980 Area Plan for Progress Toward a Comprehensive Coordinated Service System for Older Persons.

Review copies of the Plan and forms on which to make comment will be available at the Hereford Senior Citizens Center, 406 W. 4th, from 8:30 a.m. to 5 p.m. Jan. 9, 10, 11, 14 and 15.

Staff members from the Panhandle Area Agency on Aging in Amarillo will be at Hereford Center from 1-3 p.m. Wednesday, Jan. 16 to answer inquiries about the plan and to receive the written comments and suggestions of interested parties.

CONTRACTING FOR 1980 SUGAR CROP—Holly Sugar is now contracting for the 1980 sugar crop in the area served by the firm's Hereford plant. Signing a contract is beet grower Wayne Collins, watched by Paul Scott, left, Holly agriculturist for the Dimmitt-Hart sector, and Cal Jones, agricultural manager for the company.

Beet growers signing contracts

Holly Sugar is now contracting for the 1980 sugar crop. "Five agriculturists are in the field right now doing contracting and soil sampling," Cal Jones, Holly's agricultural manager, said. Soil sampling is one of the services provided for customers of the Holly plant at Hereford, Jones said. Nitrogen content of the soil is determined by this sampling.

View from the Library

By BRICK AUTRY
Librarian

In all the newspapers the year 1979 has been summarized day by day. I thought it was nice and it would be interesting to do the same in this piece. Fortunately, reader, you will be spared.

Although it would be interesting to go through the 1979 library calendar and make snide remarks, this writer would rather make caustic remarks about something else—that is, the public around here.

In most of the libraries now there are records and cassettes and players to use them on. Why are there no record

players or tape players in Rhoads Memorial Library? We'll get to that in a moment. In the meantime, it is noted that a lot of libraries have places in the library designed for those who want to visit and drink Cokes and smoke. Why doesn't Rhoads Memorial Library? We'll get to that, too.

In the space before the explanation, however, this story needs to be told. When the French met the Chickasaw Indians in Mississippi long ago they found them eating with their hands. Various Frenchmen tried to remedy this lack of table manners by introducing forks. The Chickasaws loved the forks, but used them as small knives with which to slash each other.

"Forks are used for pronging the meat and carrying it to your mouth."
"But we eat with our hands. Why use the forks?"
"Use the forks so you won't dirty your hands."
"But you see, by using the forks, we dirty them."
"Ah, yes, but forks are washable, you know."
"Yes, we know they are. But so are our hands. What's the point of using forks?"

So the Chickasaws merrily went on slashing themselves with the table services which they bought from the French. They really had fun with the steak knives. For the most part, they continued to eat with their hands.

It took some time before the Chickasaws benefited from the use of eating utensils. They didn't know how to use them.

Similarly, there are sundry citizens around this county who will not be able to benefit from the use of the public library and enjoy things other libraries have, like sitting rooms, tape players and new records, because they do not know how to use them correctly.

Does that mean the public around here is like a bunch of Chickasaw Indians? Maybe. Now, wasn't that caustic?

ASCS notes Farmers will receive census survey forms

By CHARLEY E. HILL County Executive Officer

Report forms for a farm energy survey to provide current data on agricultural energy consumption and needs will be mailed to farmers and ranchers early in January by the Bureau of the Census, US Department of Commerce.

The survey is a follow-on part of the 1978 Census of Agriculture conducted earlier this year. A sample of 30,000 farm operators were drawn from the nationwide census mail list for the survey.

Data on gasoline, diesel oil, electricity and other energy consumption by farmers will be collected. The survey is being conducted at the request of the US Departments of Agriculture and Energy.

Census Bureau officials say the information requested by the Departments of Energy and Agriculture will provide the basis for timely and adequate distribution of fuel to farmers.

Data for 1979 derived from the survey will be published for use by farmer and business organizations, the congress, and federal and state

agencies. Survey questions will be asked on energy conservation practices and expenditures; fuel sources; crop drying and curing facilities; farm building heating, air conditioning and water heating; acreage owned or leased; crops produced and sold; and sales of livestock, poultry and their products.

The data will be published in early 1981, as part of Volume 5, Special Reports of the 1978 Census of Agriculture. Response to the survey form is mandatory; however, officials stress that the same law requires that individual reports be kept confidential and that only statistical totals be released for publication.

Census bureau officials urge a speedy response requesting that the forms be returned within 20 days from receipt, noting this will facilitate early publication of data and avoid the expense of additional requests. They note that if book figures are not available, best estimates will be accepted.

Missionary leads study program

By TEENY BOWDEN

Dr. Strauss Atkinson of Plainview, beginning his 10th year as area missionary, started the teaching of the Book of Ephesians in the Sunday morning worship services and will continue the study through Wednesday night. The text for the January Bible study is "Ephesians: God's New People."

Mr. and Mrs. Ezell Sadler, Mr. and Mrs. Alton Loudder, Mr. and Mrs. E. R. Sadler, Rev. and Mrs. Raymond Jones, Mr. and Mrs. Roy Phelan and Mr. and Mrs. R. V. Bills attended the New Year's Eve "42" party in the home of Mr. and Mrs. Weldon Bradley in Dimmitt Monday night.

Stephanie Jones came home with her grandparents, Rev. and Mrs. Raymond Jones, Monday for a visit.

Mr. and Mrs. Gale Sadler returned home from their South Texas vacation Thursday. Susan flew home to Lubbock Wednesday from Harlingen. They visited several places in the Rio Grande Valley, vacationed on Padre Island, fished and shopped, and went over into Mexico.

Mr. and Mrs. Hershel Wilson and Daneen and Mr. and Mrs. Lonnie Wilson, Samantha and Jessica visited in a Lubbock hospital with Dwayne Ferguson Friday and met Mr. and Mrs. Doug Freeman and Sonya of Farmington, N.M. in Ropesville with the L. E. Wilsons. They went to the Grady Eppersons in Wolforth Friday night for a birthday party honoring Mr. Epperson and Debbie Freeman. The Hershel Wilsons

brought Samantha and Jessica home with them Friday night and Mr. and Mrs. Lonnie Wilson visited Saturday with Mr. and Mrs. Randy Ferguson.

The W.M.U. Council met Thursday morning for their quarterly meeting with the director, Mrs. Raymond Jones, in charge.

Mr. and Mrs. Ezell Sadler visited with Mr. and Mrs. David Burnett of Tokio Saturday. They are second cousins.

Gary and Rhonda Wise skied this week Wednesday through Saturday with Jerry and Sherry Matthews and Darrell and Beth Buckley. The children stayed with their grandparents.

Mr. and Mrs. E. R. Little attended the funeral services of a friend, Harold Keith, in Wilson Monday. He was the brother of her brother-in-law.

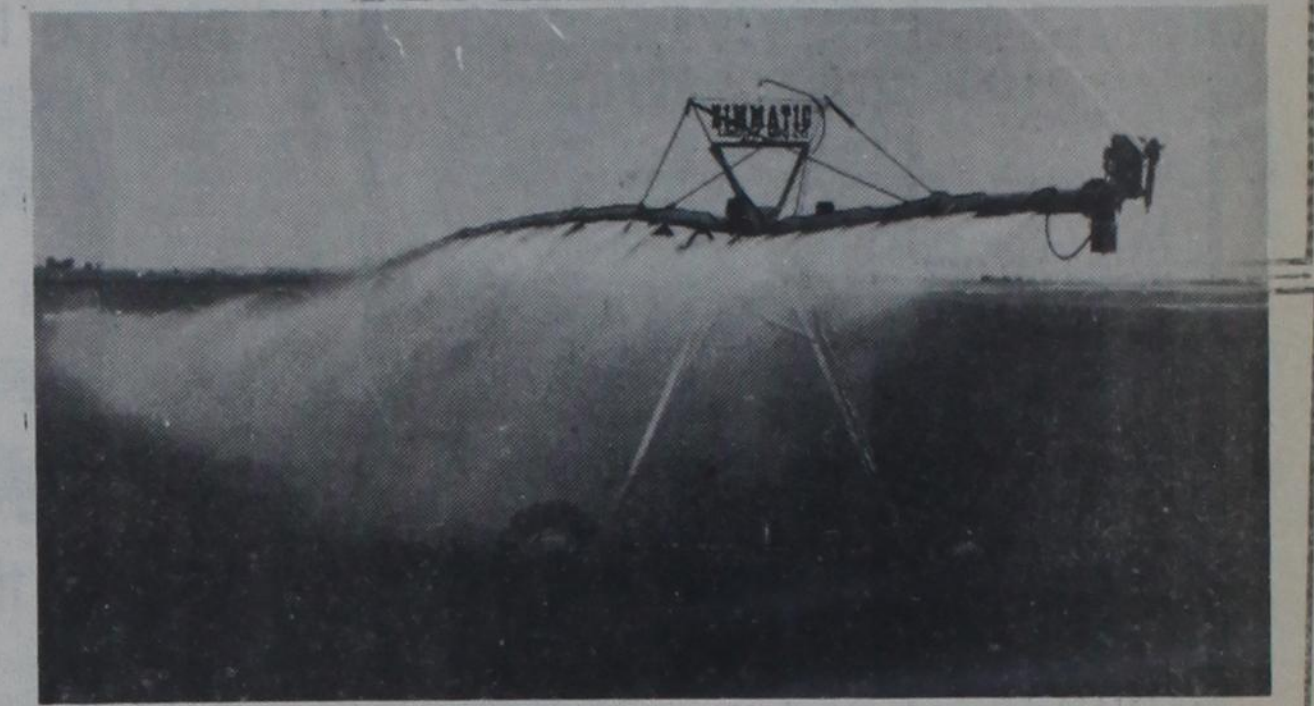

Terry Guy was the KDHN Good Neighbor of the Day last Wednesday.

Mr. and Mrs. Raymond Spencer and children from Plainview had dinner Sunday with Mr. and Mrs. R. V. Bills and spent the day with them.

Lynn Brown left the 29th with the BSU of Levelland's South Plains College for Juarez, Mexico to do some work on an orphanage there and conduct a VBS for them. He was admitted to the hospital New Year's Day with a virus which caused dehydration and a diabetic reaction. He was in intensive care at first, but was allowed to return home on the bus with the group Saturday.

Paula and Karen Ivey of Dalhart left Tuesday after spending most of the holidays with Mr. and Mrs. Floyd Ivey and Mr. and Mrs. Mokey Ivey and Jimmy. They also had as their guests Gay Waggoner and Laura, Susan and John Waggoner. Mr. and Mrs. Curtis Pruitt and granddaughter, Dawn Merriott, of Lamesa had a late Christmas with them the 26th and 27th. Rev. and Mrs. David Warren and son James spent Friday night with Rev. and Mrs.

Raymond Jones and grand-daughter Stephanie. David Warren is the language missions director for the state of Oklahoma. They live in Oklahoma City.

Zimmatic Low Pressure waters down overhead

Cutting overhead is one of the keys to profitable irrigation. With a Zimmatic Low Pressure System over your crop you can unlock the door to big savings. Start by cutting horsepower requirements by as much as one-third and keep saving because your system will likely be more efficient and use less water.

And choosing Zimmatic Low Pressure gives you more than an economical center pivot. You get the company that pioneered low pressure in center pivot irrigation. Lindsay developed Zimmatic Low Pressure to cut horsepower without cutting performance. Your pivot is still 100% Zimmatic with all the dependable features and top-quality material that Lindsay is known for.

If you're considering center pivot irrigation, consider Zimmatic Low Pressure the pioneer. Come in soon and find out how to water down your overhead while you pump up your profits.

small talk from south hills manor

There is an old saying, used most frequently at Christmas-time, that reflects not only the true spirit of Christmas but the old-time spirit of our heritage: "Tis better to give than to receive." The meaning of that adage was beautifully exemplified this past month by the members of our community and surrounding area when residents of South Hills Manor were recipients of at least 1,218 hours of volunteer service, including the usual dependable services of our auxiliary.

Our residents represent a cross-section of our area and our history. Our auxiliary and volunteers, both individuals and groups, come from Dimmitt, Nazareth, Hart, Earth, Springlake, Frio, Easter, and even Tulia and other areas. They also ranged in age from toddlers to persons in their eighties. It would be impossible to list here all the volunteers and their greatly varied services and programs, but we can say that each and every resident was visited at least 20 times. More importantly, each resident was "adopted" by at least one individual volunteer and two to four groups.

We know the residents' enjoyment proved the adage; we have never known them to be so happy. And we also know that the givers of such enjoyment and happiness reaped the full benefits and blessings of the Christmas message. We and the residents cannot adequately express our gratitude to the wonderful people of our area for their generosity and support. We hope to see all of you again soon. Please don't limit your visits to this season. Christmas is a day, but the true meaning of Christmas is not to be found on a calendar. Christmas is every day, and the giving of oneself is the most blessed of all gifts. Our residents need to know they're loved, valued and still involved in community life. Your visits and services help meet those needs, needs that are manifested every day of the year. South Hills Manor is a home, and you are welcome in our home every day.

CHARLES Hill of Sydney, Australia has the undesirable distinction of having undergone more surgery than anyone in history. In 1975 the 61 year old Hill underwent his 87th major operation.

A beety response to your long-term needs

The 4440 is indeed a powerful performer. But just as important, it has the strength to back up that power in the field. From stem to stern, it's beefier than its predecessor. There's a bigger-displacement engine, new engine cooling system, bigger transmission/hydraulic oil cooling system, 4-pinion differential, wider final drives, and bigger drive axles. These are just a few of the points we'd like to cover when you stop by the store and ask for more information on the 4440.

Nazareth vows are recited; couple will live in Italy

MRS. TERRY LYNN HALE
... Formerly Roanne Marie Acker

Mr. and Mrs. Terry Lynn Hale, married in a late December wedding in Holy Family Catholic Church at Nazareth, will make their home in Ariana, Italy, where he will be stationed after March 31 with the US Air Force.

The bride is the former Roanne Marie Acker, daughter of Mr. and Mrs. Don Acker of Nazareth. The groom, presently stationed at Nellis AFB at Las Vegas, Nev., is the son of Mr. and Mrs. J. T. Hale of Walls, Miss.

Germaine Pohlmeier was the maid of honor, and other bridal attendants were Cindy Hale, sister of the groom, and Evey Wilhelm. Best man was Mark Latham of Tulia. Brothers of the bride, Clayton and Frank Acker, served as groomsmen.

Don Jackson of Tulia, Clint Culwell of Kansas, Dwayne Acker and Dewayne Heck were the ushers.

Wedding music included the selections, "We've Only Just Begun," "Time in a Bottle" and "For Baby, For Bobby" by Laura Bernera and Becky Hoelting.

Miss Acker wore a hooded gown of ivory bridal satin with deep V-neckline, full sleeves gathered to buttoned cuffs and skirt of circular cut, flowing into a chapel train.

She carried pink rosebuds, daisies and babybreath tied with pink ribbon. "Something old" in her costume was a handkerchief carried by her grandmother as a bride.

Her attendants were dressed in mauve polyester jersey gowns of similar design and carried long-stemmed pink roses.

● On the go

Elberta Dyer is home from her trip to Baltimore, where she visited her daughter Harlene and husband Tom Trlica and grandsons Shane and Derek. They went to the Chesapeake Bay area and had extra good fish dinners. They went on a tour of quaint old homes there. Then they went to the US Naval Academy and were much impressed with it.

Couple is married in church at Hart

An evening marriage ceremony in the sanctuary of the Hart United Methodist Church was read Dec. 28 for Sandra Heck of Levelland, daughter of Mr. and Mrs. George Heck of Hart, and Curtis Broadstreet, who is stationed at Bremerton, Wash. in US Navy service.

Parents of the groom are Mr. and Mrs. Harold Broadstreet of Dimmitt.

The couple's wedding trip took them to Bremerton, where they will be at home.

Rev. Buddy Payne, associate pastor of First UMC of Dimmitt, officiated for the double ring ceremony at an altar backed by poinsettias and candelabra set in greenery and tied with large red bows.

Attending the bride were her sister, Reta Martin of Friona, as matron of honor and the groom's sister, Barbara Broadstreet of Dimmitt. Another sister of the bride, Sharon, lighted the candles.

Best man was Robert Kramp of Dimmitt. Gerald Broadstreet, the groom's uncle, was groomsman. Brothers of the couple, Don Heck of Amarillo and Dale Broadstreet of Dimmitt, served as ushers.

Young members of the wedding party were Meredith Booe of Friona, the bride's niece, flower girl, and Christopher Broadstreet of Dimmitt, the groom's nephew, ring bearer.

A musical prelude to the ceremony included solos, "We've Only Just Begun" and "O Perfect Love" by Robbie Hawkins with Mark Broadstreet as organ accompanist who played the marches also.

The bride, whose father gave her in marriage, wore a gown of ivory bridal satin styled on classically simple lines. The fitted bodice, with portrait neckline, had long sleeves. The softly flaring

Newlyweds at home here after Illinois honeymoon

Mr. and Mrs. Robert L. Kramp are at home at 407 NW 2nd after a trip to Chicago which followed their recent marriage in Lee Street Baptist Church. The bride is the former Rita Wall.

The couple's parents are Joe and Daveine Wall of Dimmitt and Al and Carol Kramp of Gurnee, Ill. The groom's parents were unable to be here for the wedding and were represented by Harold and Laura Broadstreet, parents of his best man and friend from years in US Naval service, Dale Broadstreet.

Rev. Harvey Hudson of Amarillo officiated for the evening wedding, at an altar marked by an arch of greenery set between baskets of white flowers.

Tops members record loss of 201 pounds

A total weight loss of 201 pounds in the year 1979 was recorded by members of the Dimmitt Tops Club, it was reported at the first 1980 meeting Monday.

For December, Oleta Raper was Tops of the Month with a loss of 5 pounds, 4 ounces and Duward Davis was Male Tops of the Month with a loss of 6 pounds, 12 ounces. P. O. Goodwin was Kops of the Month.

The weigh-in for the first week in January is not counted for the club records. A brief meeting was held Dec. 31 for the weekly weigh-in. James Slough had the biggest weight loss, 4 pounds, 12 ounces, and Ruth Slough showed the most loss for women members, 12 ounces. P. O. Goodwin was cited as Kops of the Week.

Alyce Killingsworth was named Angel of the Month for December.

as matron of honor and Pam Rickert, bridesmaid. Jerry Baldrige and Garry Baldrige were ushers.

Mark Broadstreet played wedding selections, "If," "Color My World" and "Twelfth of Never," on the organ.

The bride's gown, fashioned by her mother, was of white crepe de chine styled with high waistline, the bodice gathered to a narrow circular yoke and the flaring sleeves of elbow length. The fully gathered skirt fell straight to carpet length.

She wore Mrs. Rickert's bridal veil, a pouf of illusion fastened to a plain coil. Her bouquet was of silk flowers in varied shades of blue.

Blue floral print dresses in the same style as the bride's gown were worn by attendants. Each carried a single blue flower.

A reception in the church fellowship hall followed the wedding. The triple-tiered cake was served by Sheri Baldrige, Lisa Polvoda and Janet Broadstreet. Also in the

reception houseparty were Barbara Hudson, Bessie Strickland, Lois Waggoner and Yvonne Wakefield.

The bride, an employee of Continental Telephone Co., is a graduate of Dimmitt High School and attended South Plains College at Levelland.

Kramp served four years in the US Navy after his graduation from high school in Camdenton, Mo. He is employed here by Paxton Tire Service.

Preceding the wedding, the bride was honored with a kitchen shower by her fellow employees, and a lingerie shower in the home of Mrs. Garry Baldrige with Mrs. Tommy Cleavinger as co-hostess. A miscellaneous shower is planned for Saturday in the home of Mrs. George Hudson, 1623 Sunset Circle, 2:30 to 4 p.m.

THERE are presently 200,000 one thousand dollar bills in circulation in America, 375 \$5,000 bills and 400 \$10,000 bills according to the US Treasury Department.

NEW CHAMBER OF COMMERCE PRESIDENT—Maxine Childers was elected Dimmitt CoC president last Thursday morning at the board of directors meeting. She is vice-president and assistant trust officer of First State Bank of Dimmitt, where she has been employed 18 years. "This is a most distinct honor, as well as a challenge for me," Mrs. Childers said. "We have a very strong, active board of directors and a growing, supportive membership. As we begin a new year and a new decade, it is my hope our combined efforts will result in continued growth and prosperity for our community."

GOLDEN WEDDING ANNIVERSARY—Mr. and Mrs. L. G. Manning will be honored at a 50th wedding anniversary celebration hosted by their children from 3 to 5 p.m. Saturday, Jan. 19 at the Senior Citizens Building. Friends are invited to attend. The family requests no gifts.

County FB wires stand on embargo

The Castro County Farm Bureau's board of directors, in a telegram and follow-up mailgram Tuesday to President Carter, Secretary of Agriculture Bob Bergland and Texas' congressional delegation, said:

"Grain embargo causing panic in markets. Urge continued suspension of trading on all grain exchanges through Friday, Jan. 11. Suggest trading be suspended on Chicago Mercantile Exchange including cattle, hogs, bellies, broilers. Trading on cotton should also be curtailed through Friday, Jan. 11.

"Extension of suspended trading urgent to allow time for interior elevators to formulate plans to curtail losses. Interior elevators purchased large amounts of grain from farmers. Face threatened bankruptcy. Result, huge inventories. Risks and losses of elevators probably equal or exceed exporters.

"Suggest emergency program be announced immediately by USDA to provide loans to elevators at 90% of local market price at time of embargo. Loans to be low rate interest. Plan should allow elevators six to nine months to orderly market inventories.

"Urge USDA announce immediately paid diversion of 20% of wheat and feed grain acreage. Paid diversion should equal established farm yield times target price times 20% diversion."

The telegram and mailgram were signed by Castro County, FB President Gale Sadler and all 15 other local directors.

They were sent to President Carter, Bergland, Sens, Lloyd Bentsen and John Tower, Congressmen Kent Hance, Jack Hightower and Charles Stenholm.

Country club board facing money problem

Directors of the Castro County Recreation Association are working with representatives of the FHA state office in an effort to solve financial problems of the Dimmitt Country Club, according to a letter recently mailed by the board of directors to stockholders in the association.

The aim is to work out a payment plan which will enable the association to pay off its indebtedness, beginning with a catch-up of the \$37,000 now in arrears on payments.

"We're working with the club directors and hope to develop a payment plan they can follow," Lee Tunnell, assistant district director of the FmHA at the Amarillo office, said Wednesday morning.

He said the Dimmitt group has until Jan. 15 to make the payment or present an alternate plan, and a decision will be made by the agency after that date.

The board has received the assistance of US Rep. Kent Hance in working out a plan with the federal agency.

Dimmitt's SCS chief to be Texas 'first'

Texas' first female district conservationist, Stephanie Brooks, has been named to fill that position in the Soil Conservation Service office in Dimmitt. Miss Brooks will become the state's first Feb. 10.

She will replace N. A. Bryson who will retire Jan. 12 after 32 years of service.

Miss Brooks has served as a conservationist for the Soil Conservation Service in Amarillo almost six years.

She will lead and direct all phases of soil and water conservation work in Castro County and the Running Water Soil and Water Conservation District.

She has been active in all phases of field office operations of the local SCS and Canadian River Soil and Water Conservation District while in Amarillo.

She earned a bachelor's degree in plant science and a masters in agriculture from West Texas State University, where she graduated in 1974. She is a 1970 graduate of Amarillo High School.

Miss Brooks is a member of the Golden Spread Chapter of the Soil Conservation Society of America. She is active in various youth programs including serving as an adult leader for 4-H clubs.

She was nominated as an Outstanding Young Woman of America in 1979.

While in Amarillo she has worked on the promotion of trees as windbreaks, both on farms and ranches and in the city.

NAZARETH SWIFTTETTES ACCEPT INDIVIDUAL CHAMPIONSHIP TROPHIES After defeating strong Abernathy team in finals Saturday night

Swifts win consolation in Abernathy Tourney

Consolation honors in the boys' division of the Abernathy '80 Invitational were won Saturday afternoon by the Nazareth Swifts, after their recovery from an initial loss to Springlake-Earth.

In an up-and-down game, the Swifts pulled ahead in closing minutes for a 56-52 defeat of Happy in the consolation finals. Coach Bud Birks' charges were ahead 16 points at one time, only to be tied by a determined Happy team in the last quarter.

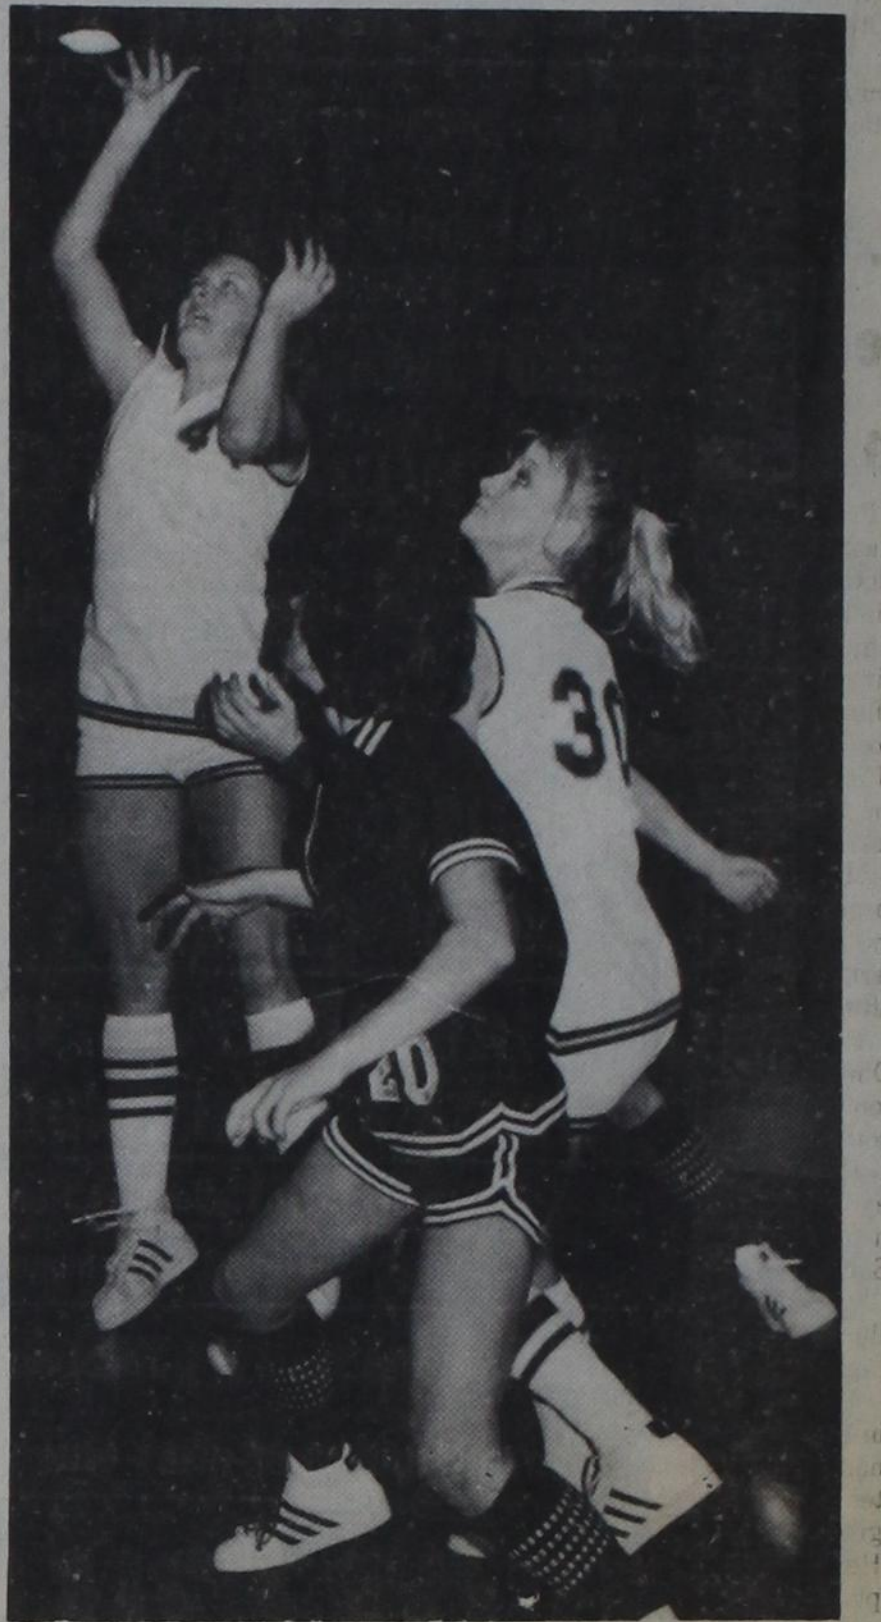

The score stood at 50-50 when Gary Book hit the basket to start a new push by the Swifts, and a steal and score by Calvin Schulte near the end of the quarter cinched the Nazareth victory.

The Swifts were ahead as each quarter ended, 18-12, 34-24 and 46-40. Bryan Huseman led the scoring with 18 tallies, Book and Jeff Schmucker got 12 each.

In their first game Thursday night, Birks said the Swifts had an off night, and dropped their game 43-40 with Schmucker's 12 points leading the scoring.

They easily disposed of Olton, which had lost to Brownfield, in a 52-32 contest Friday afternoon. Book hit for 15 points, Schmucker for 12 and Huseman for 10 in this second

round effort. Now at 14-4 on the season, the Swifts are pointing toward the opening of district play Jan. 22, when they will meet Valley.

DIANNE HOCHSTEIN drives in for a center-lane shot against Abernathy in the fourth quarter of the Abernathy Tournament championship game Saturday night. Her shot rimmed out, but teammate Michele Acker [30] rebounded and put it back up to give the Swiftettes a 36-35 lead with 3:40 remaining. The Swiftettes went on to win, 44-39.

Swiftettes win Abernathy title

Nazareth's Swiftettes used bonus free throws in the fourth quarter to defeat Abernathy's tall, smooth Lady Lopes 44-39 Saturday night for the championship of the Abernathy Tournament.

Stifling defense by both teams highlighted the game as the Swiftettes trailed by 22-24 at halftime and by 24-31 after three quarters. It appeared that Nazareth had had

it as Abernathy went into a bonus free-throw situation midway in the third.

But the Lady Lopes collected only one bonus point on the one-and-one free throws. The Swiftettes, meanwhile, moved into a bonus situation in the final minute of the third, then started chipping away in the fourth with their free-throw accuracy.

The Swiftettes struck for

eight unanswered points to start the fourth, and went ahead by 32-31 on a pair of free throws by Michele Acker with 5:05 remaining.

As the Lady Lopes fought back with their deadly inside game, Acker netted a follow shot and Dianne Hochstein came through with a pair of clutch field goals to keep the Swiftettes out front.

Doretta Ramaekers put the

game away from the free-throw line, sinking four charity shots in the final 55 seconds to seal the Swiftettes' victory over the District 4-AA favorites.

Acker paced Nazareth's scoring with 13 points, while

Hart splits games with opponents

The Hart Longhorns, varsity and JV were winners against visiting Sudan teams last Thursday, while the Longhornettes dropped their game. But there was a reverse Friday, as Lazbuddie beat the Longhorns but lost to the Hart varsity and JV girls.

Hart teams played at home both nights in their first action since before the Christmas holidays.

The Lady Longhorns were decisive winners over Lazbuddie Friday, running up a 61-29 score led by 15 points apiece from Norma Catano and Teresa Kittrell.

Junior Varsity girls got by Lazbuddie 26-23. Robin Bowden scored the most Hart points, 14, and Diane Martinez contributed 10.

In the Varsity boys' outing, the visitors downed the Longhorns 53-45.

Hart's boys trounced Sudan 70-65 Thursday, with Chad Black scoring a sizzling 25 points followed by Keith Newsum's 18.

No trouble at all was experienced by the Junior Varsity Longhorns in downing Sudan 71-45. Jorge Barretero led the scoring with 20 points and Philip Hawkins got 13 for Hart.

In the girls' game that evening, it was Sudan 55, Hart 47. Making high points again, Catano hit for 14 and Suzahn Rowland for 11.

DHS splits games with Tulia Friday

Dimmitt's Bobbies ripped past the Tulia Hornettes 77-45 here Friday night for their 13th victory. But the Bobcats weren't so fortunate as they fell to the visiting Hornets for the third time in four meetings, 51-48.

Becky Andrews swished 24 points, Lori Dyer 16, Vicki Cleveland 10 and Janice McLaughlin 9 as the Bobbies chalked up three 20-point quarters. They dominated the Hornets by 16-6 after the first period, by 36-22 at halftime, and by 56-28 after three.

McLaughlin pulled down 13 rebounds to lead Dimmitt's defense, while Cleveland and Dyer led in credits with 10 and 9 respectively.

In the boys' varsity game, the Bobcats spent the last three quarters trying to climb out of the hole they got into in

the disastrous first. They almost made it but time ran out with the Bobcats still three points short in a gripping finish.

The Hornets used outside shots, steals and rebounds to zoom to a 10-0 lead before Joe Nino sank Dimmitt's first bucket with three minutes left in the first period. By the time the buzzer sounded, the Bobcats were in the hole by 18-4.

Paced by Nino and postman Gary Naylor, Dimmitt won the next three quarters. The Bobcats cut Tulia's lead to 29-21 by halftime, outscoring their visitors 17-11 in the second frame.

Tulia built its lead back to 11 with 30 seconds left in the third, but Nino sank a long shot, Tulia rimmed one out, Norris Cole rebounded it and Robin Ryan put up a basket at the buzzer to cut the Hornets' lead to seven, 40-33.

Free throws by Steve Stone, Vicente Salinas and Kevin Cleveland trimmed the Hornet lead to three, 42-39, midway in the fourth. But Tulia responded with another long shot and three charity tosses to build its margin back up to 47-39 with three minutes left. Stone finally got Dimmitt's first field goal of the fourth

with 2:10 left.

The rest of Dimmitt's game was nearly all Nino. He stole the ball and laid it up to cut Tulia's lead to 49-45 with 2:00 left, canned a long shot at 1:20 to make it 47-50, drew a foul on Tulia's inbound pass four seconds later to give Dimmitt the ball, then drew another foul for a one-and-one chance and sank both of them to cut Tulia's lead to 48-50 with 1:12 left.

But Tulia successfully stalled it out and sank a free throw with 11 seconds left to survive the Bobcats' charge.

Nino led Dimmitt in scoring (11), credits (8) and rebounds (6). Naylor with 10 points was the only other Bobcat to score in double figures. The Bobcats were effective at the charity line, hitting 20 of 26 for 77%. But from the floor, their accuracy sagged to 31% (14 of 44).

Golfers set for second Eskimo Open

The Dimmitt Country Club's second annual Eskimo Open Golf Tournament will start with shotgun tee-offs at 1:30 p.m. Saturday regardless of the weather—and members are hoping the weather will be milder than it was for last year's event.

Nine holes will be played Saturday and nine Sunday afternoon in a three-person team scramble style, according to Club Pro Bob Lindsey. Starting time Sunday will also be at 1:30 p.m.

Open to men and women, the tournament is for all interested golfers, Lindsey said. A dinner Saturday evening at the clubhouse will entertain the entrants.

The first Eskimo Open was played in January of 1979 in ice and snow, during the area's midwinter cold spell.

"We hope it won't be quite so cold this year," Lindsey said, "but we don't expect the weather to be the best possible for championship golf. However, this tournament is for fun and we don't recommend it as good preparation for the US Open."

Junior High teams win 3 from Olton

Wins against Olton were scored by Dimmitt 7th and 8th Grade boys at Olton Monday night, while the 7th Grade girls were winning and the 8th Grade losing to Olton Junior High girls here.

This weekend the 8B boys and 8th Grade girls will go to Bovina for tournament action. Next Monday the girls will be at home to Morton and the boys teams will go to Morton.

Against Olton, Dimmitt's 7th Grade boys won 37-13 to bring their record for the season to 6-2. Now 10-1 on the season, the 8th Grade boys beat Olton 32-12.

Seventh Grade girls won their game 21-10 but the 8th Grade girls were unable to outdo their foes from Olton, and were downed 22-25.

JV girls take title in tourney

Dimmitt High's Junior Varsity girls took the title in the Littlefield Tournament last weekend with a 60-35 win over Friona in the finals Saturday night. It gave the JV girls a record of 11-3 for this season.

Bonnie Nino topped Dimmitt scoring with 14 points and Brenda Parker followed with 12.

Dimmitt opened the tourney with a 55-11 defeat of Frenship. Dana Vaughn's 14 points led scoring for Coach John Thomas' squad.

In the second round Friday the tournament host team fell to Dimmitt, 50-34. Nino was the leader in scoring, hitting for 10 points.

School nurses tell club of their varied duties

School nurses' work in the Dimmitt Independent School system was outlined for the Kiwanis Club at its lunch Monday, when Carol Lantz and Gracie Killough were program guests.

They stressed the vast amount of paper work required of them, as Mrs. Lantz spoke and Mrs. Killough handed members samples of each form and report sheet.

Individual health records are kept of each student, daily report sheets of the nurses' schedules and reports on each child they see, also on contacts with parents and home visits.

One of the two DISD nurses is based at Richardson Elementary School. Elmer Berryhill, Richardson principal, introduced them to Kiwanians and mentioned that the nurse's office is usually a busy place, "as the little kids come to school with a stomach ache and after she takes care of them, the older ones begin going to her office; their problem is headaches."

School nurses refer pupils to doctors when necessary and take them to doctors' offices when parents cannot. Parents are contacted by telephone or home visits in numerous cases, concerning

health records and immunizations as well as actual illness or accidents at school. Service to children under the Title I or Title I Migrant programs adds considerably to nurses' paper work, the speaker said. The nurses supervise spending of federal funds for shoes and coats available to some of the pupils.

Talks and film showing to various groups of pupils are also a part of their duties.

Kiwanians made arrangements at the lunch for representation at a regional council meeting in Canyon Tuesday night.

Pam Nelson and Lisa Davis were guests from the Dimmitt High School Key Club, and another guest was Fred Bruegel Jr.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Beginning this date we will be giving information which many veterans, their surviving widows and/or children should know about VA benefits in our Castro County News column.

1. The veteran's Service Record which came with his discharge and his social security number are necessary to make any claim for any VA benefit. If we have on file a certified copy of these it will expedite claims that may be made by a veteran or his survivors.

2. Every veteran with a need for hospitalization with even one day of service and an honorable discharge is eligible on a bed available basis under the following conditions: (a) that he is a pensioner or 65 years of age or older

or (b) can show that he is unable to pay for same. Service-connected disabled veterans who are drawing compensation have priorities.

3. Burial flags are available to the next of kin of war veterans with at least 90 days of service or peacetime veterans who have completed a full enlistment period or who were discharged due to a service-connected disability. Certain burial benefits are available for qualifying veterans as stated above.

3. VA pensions are available to non-service-connected disabled veterans or those 65 years of age or older with low incomes. Widows and children of deceased veterans with income limitations or low incomes may receive VA pensions. Income limitations will be given in future columns.

Check with us or call toll free 1-800-792-3271, Waco Veterans Administration Regional Office, for information on eligibility for any VA benefit.

4. We carry VA forms and are ready to aid in making claims.

DYF slates pre-show work days

Getting ready for the annual Castro County Junior Livestock Show and Sale of Feb. 14-16, Dimmitt Young Farmers have scheduled work days each weekend until that date at the County Expo Center where the event will be held.

Members were scheduled to begin work at sunup this morning (Thursday) unloading baled sawdust at the stock pens at the Expo Center.

They will work Saturday beginning at 10 a.m., and members who cannot work that morning are asked to join the task force at 1 p.m., according to Larry Mauldin, DYF reporter.

Young Farmers, sponsors of the annual show, are putting covers over the wash racks and building more pens on the east side of the hog barn to improve facilities for animals which will be entered by FFA and 4-H Club members over the county.

Lisa Hill going to school in Rome

Study in Rome, with intervals of travel over Europe, is in prospect for Lisa Hill, Dimmitt student at Southern Methodist University who is one of three selected from SMU applicants for a term in the American School just outside Rome.

She will fly to Philadelphia Jan. 16 and visit for a time in the home of her college roommate, Michelle Williams, at Mount Laurel, N.J.

With Miss Williams, another of the three SMU students bound for European study, the Dimmitt coed will leave New York Jan. 21 on the plane trip to Rome.

Their classes in the American School, which has students from various colleges of the United States, will be on five days a week the first month, then three days a week to allow time for travel over Italy and other European countries.

A 10-day cruise to Greece will begin the second week, with classes held enroute.

The American School is for students who do not speak Italian, but Miss Hill plans to learn some Italian and French while she is there, hoping that her background in Spanish will enable her to pick up the other Romance languages quickly.

One of her subjects, art history, will include visits to museums, ancient buildings and other places that make Rome an art center of the world. She will also study the history of western civilization as well as English and Italian.

Students in the school are encouraged to visit as many parts of Europe as possible, and Miss Hill plans to go to France, Germany, Spain, Austria and England while she is abroad.

She has her Eurailpass which will enable her to travel by train through most of Europe. Trips to Switzerland for skiing head her list of excursions. Definite plans will be made after she reaches Rome.

The students will live in dormitories at the American School or in a nearby hotel while they are in Rome.

Their studies will continue

Lisa Hill

until the end of May, and Miss Hill says "We'll be back just in time for me to enter SMU's summer school to catch up on work on my major."

The subjects she will pursue in Rome will not apply on her major, criminal justice, or her minors in sociology or psychology. She will have one more full year before graduation, then she plans to attend paralegal school in Philadelphia or Atlanta for graduate study.

"That would be the basis if I decide to go on to law school or into psychology as a career," she explained. The coed is looking ahead to a possible position in the law firm of a large corporation.

The daughter of Mr. and Mrs. Bud Hill, Miss Hill was a 1977 graduate of Dimmitt High School.

Martin says he doesn't object to phone relay

In last week's edition, the News reported that city and county officials, in finalizing a new jail and dispatching-service contract, had agreed to have a relay switch installed on the Dimmitt Police Dept.'s private phone so that any calls made to that phone after hours would be switched to the private line at the Sheriff's Office.

The News reported that the phone relay system was approved "over Sheriff Granville Martin's objection."

But Martin said this week that he didn't object to an extension of the police department's private phone line being run into his office. "What I don't want is to have another line tied in to our department's private line (647-3311)," Martin said. "I don't mind having an extension of 647-4545 (the police department's private line) run into our office as a separate line on our present phone, and I've told the commissioners' court that. We'll just run in a separate line for the city and activate another key on our telephone, the way we have now for the Highway Patrol—we answer their calls when they're out, too."

Nazareth

School children see 'Nutcracker' in Amarillo

By VIRGIE GERBER

The Nazareth third grade and their teacher, Sister Immaculata Homer, along with all third graders from the Panhandle, received free tickets to the Christmas fantasy, "The Nutcracker," presented by the Lone Star Ballet Company in the Civic Center Auditorium in Amarillo. The fantastic program was enjoyed not only by the third graders, but also by the chaperones, Mary Beth Wilhelm, Mrs. Cyril Brockman and Sister Adrian. Sisters Herman Joseph, Josetta and Adrian were guests of Mrs. Brockman. Before the program, Santa Land was enjoyed by all and afterwards punch and cookies were served. On the way home the group enjoyed hamburgers at MacDonalds in Canyon.

The day after Christmas Sister Immaculata Homer accompanied her niece to Fort Worth, where she visited her sister, the Ralph Lewis family, her niece, the Chet Witkowskis in Arlington and her brother, the Albin Homers, whose wife Gertrude is undergoing radiation for bone cancer in All Saints Hospital. On Friday she left for Munday, where she visited her mother, who is a resident of Leisure Lodge, her sister's family, the Alvin Michaliks, the Donald Michaliks from Austin and Donna and Douglas Michalik from Lubbock. She returned to Nazareth New Years Eve.

A holiday reunion of the Arthur Kleman family was held at the Legion Hall with 77 members present out of a possible 82. Out-of-town relatives were Lavern Kleman of Des Moines, Iowa and daughter Jeanne of San Antonio, Elmer and Anne Kleman and son Pat of Santa Anna, Cindy Burner of Plainview, Bernard and Irene Kleman of Amarillo, Jim and Sheryl Green of Leota, Kan. and Keith and Carla Kleman of Amarillo.

Pat and Corinne Dulsky of Denver, Colo. and Julian Huseman of London spent a couple of weeks here with their mother, Mrs. Katie Huseman and families. They also attended the Teafattler-Huseman wedding on Saturday.

Charley, Bev, Todd and Traci Hill and Charley's mother, Mrs. Ella Hill of McLean, spent the weekend in Scott City, Kan. visiting Dave and Lee Ann Brown and children Shawn and Stacey.

Mrs. Helen Backus is in Dumas for 10 days to keep her grandchildren while Edmund and Sharon Backus are on vacation.

Chris Book has graduated from the Spartan School of Aeronautics in Tulsa, Okla. as an airframe technician. He graduated with honors with a grade point of 3.9 out of a possible 4.0. He is now employed at Hobby Air Field in Houston with Texas International Airline.

Harry Kleman is still in Plains Memorial Hospital but is improving some.

Man wanted in Tennessee is apprehended

The Castro County Sheriff's Department and Department of Public Safety officers apprehended Bobby Marlin of Franklin, Tenn. at 8 p.m. last Friday on Farm Road 1055 in Castro County.

Marlin is wanted in Franklin for grand larceny, selling stolen property and flagrant breach of trust on a pickup, Sheriff Granville Martin said. Bond has been set at \$75,000 (\$25,000 on each charge).

Marlin is waiting extradition to Tennessee.

Sheriff's officers also apprehended Daniel Mata, who had jumped bail recently. Bond has been set at \$7,500. Mata was picked up by customs agents, Martin said. He was originally charged with involuntary manslaughter.
