The thrill

Nazareth's Swifts burst into celebration as the buzzer sounds on the Class A state championship game Saturday morning in the Erwin Special Events Center at UT-Austin. Billy

Steffens had just sunk a final basket with one second remaining to give the Swifts their final victory margin of 53-49 over the Archer City

Swifts grab Class A title

"They kept telling us at school, before we came down here, the third time was a charm. I guess it was - this feels great. After the last three years down here, it really makes it super."

That's how Darryl Hoelting summed up the 53-49 win over Archer City that gave the Nazareth Swifts their first state championship - one made even sweeter after runnerup finishes the last two years to Snook and LaPoynor.

"I was just hoping it wasn't going to be the third time in a row," said Nazareth's other allstate tournament player, Randy Leavitt. "The Lord was with us and we pulled it out."

"I am just overjoyed," Coach Johnny Hampton said. "The third and fourth quarters we didn't play real intelligent basketball, but I am so proud of what we've accomplished. We won the game, I think, in the first half, when we did everything we wanted against their 1-3-1 defense, plus we forced them out of their of-

Archer City's 1-3-1 defense didn't last long against the Swifts, who, like they did against Laneville in the semifinal Thursday, bounced to a quick, commanding lead, were pressured later, but then played well enough to win. The well-enough Saturday earned the Swifts their first-ever gold medals.

"In the first half we were able to take the ball inside, but they started sagging on us in the second," said Leavitt, "and that caused some problems for me. "It got real physical for a while, and I was worried more about getting back at some of them than playing ball."

Swifts ("We were really pumped up," Hoelting said) jump to a quick 8-0 lead as the Swifts shot 8-of-11 from the floor, including a four-of-five performance by Leavitt, who scored the game's first basket on a follow-up, then powered on the backside of the Archer City zone for three more baskets in

Chris Schmucker and Darryl Hoelting added 16-foot jumpers in the first period, while Archer City was befuddled by the strength of the Swift inside game, the man-to-man defense and its own 4-of-13 shooting in the first period. Nazareth also outrebounded the Wildcats 8-3 in the first

quarter. Archer City never got closer than five points in the first half as the Swifts built on their lead despite shooting only 36%. Archer City shot just 33%, 3-of-9, but the Swifts got into foul trouble that would lead to a late Archer City surge that almost made bridesmaids of The first quarter saw the the Swifts for the third straight year.

> Leavitt picked up two fouls in the second quarter, his second and third of the game, and felt both were unnecessary.

Bobcats fall to Cleveland in 3A finals

"It was the kind of game that will keep you awake at night thinking . . .

Dimmitt Coach Kenneth Cleveland was obviously fighting back a few tears of his own while others in the Bobcat dressing room were racked, sobbing, as the Dimmitt Bobcats felt the pain of a 57-56 loss to the Cleveland Indians in the Class 3A finals at the Super Drum in Austin.

"I'm broken-hearted but not disappointed," Cleveland said. "This will hurt for a while, but our kids gave it all they had. I couldn't ask for anything more out of them. These are hard, and it wouldn't hurt so bad if we didn't have a chance. But I'll get up in the morning. The sun will come up."

But it will be a sun shaded by clouds for a long time for the Bobcats, who saw free throws bounce away and a last-chance try stripped away by the Indians who won the state championship in their first-ever finals appearance.

The Bobcats, who have won four previous state championships, were in the tournament for the thirteenth time, a 3A record, and were making their ninth title game appearance.

The Bobcats had never trailed during the fourth quarter, building as much as a sevenpoint lead before Cleveland's Richard Johnson hit a six-foot jumper to give Cleveland a 57-56 lead with just 10 seconds left.

Dimmitt then called timeout to set up its last play.

"We did what we wanted to do — get the ball to Pat and let him do the job," Cleveland said. "We got it in our shooter's hand, but he got stripped. It just didn't work

Pat McDonald got the ball on the inbounds pass from his brother, Warren, who was under Cleveland's basket, then dribbled to the Dimmitt free throw line. There, he was stripped by Cleveland's Clyde Davis, who was fouled by Pat with a second left.

"I don't know for sure what happened," Pat said. "I saw an opening to the basket and tried to take it, but they just closed it up and got the ball.

"We had plenty of chances, but God just didn't have it in his plans. But we'll be back this team will be back down here. Look at Warren over there. He'll get two gold

medals. That kind of makes me mad - all I've got are two silver medals - Warren's going to get two golds, and Dwight (the McDonald's older brother) has a gold."

"I've got no regrets," said senior Woody Glass, who fouled out with 4:55 to play after holding his 6-1 hold underneath against much taller opponents during the two state tournament games. "These have been the best three years of my life, playing basketball in Dimmitt, and I guess a state championship just wasn't meant to be. It's nobody's fault, it just didn't come out our way, but it's all been fun."

The Bobcats never let the Indians, who finished 33-5, get out of range, thanks mostly to 15-of-25 shooting in the first half (60%), while the Indians were just 12-of-26, 46%. The Indians' advantage, though, came from taking twice as many shots in the second half as did the Bobcats, 37-19, and a 40-to-30 rebounding edge, which included a 21-14 margin in the second half.

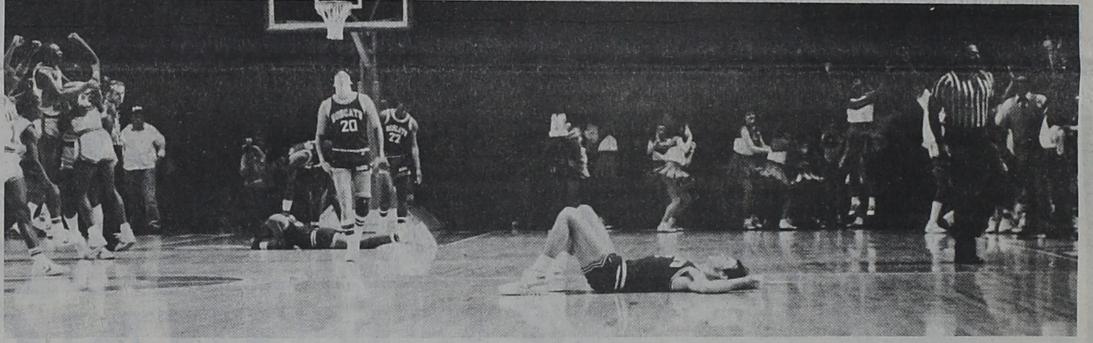

For the game, Dimmitt was 24-of-44 from the field, 55%, while Cleveland was just 37%, but put up 19 more shots than did Dimmitt.

Danny Martinez gave the Bobcats the early lead, starting the game with an 18-footer before Lillie answered with his own 18-foot bomb. The Bobcats continued to hit from the outside as Pat McDonald hit four jumpers from 13-to-20 feet out, Jeremy Warren canned a 20 footer, and James Alexander added a jumper from the free-throw line to an inside bucket.

The Alexander bomb was Dimmitt's last basket of the quarter as Cleveland added three baskets in the last 1:51, including a spectacular Carl Davis dunk at the buzzer that gave the Indians a 22-16 lead.

The Bobcats scored three straight baskets to open the second quarter, including a power basket by Alexander, a Pat McDonald 13-foot jumper and a spinning, reverse layup to knot the score at 22 in the first minute of the second stanza. McDonald gave the Bobcats the lead with 4:45 to play in the second quarter on a follow-up off his own miss, and reclaimed the lead midway through the period on a goaltending call on Casanova

The agony . . .

Suddenly it's over, and Dimmitt's Bobcats have lost the Class 3A state championship game by a single point, 57-56, after having led throughout the fourth quarter. While Cleveland's Indians and their fans go wild, the Bobcats collapse in frustration. Jeremy Warren drops to the floor at midcourt (foreground). Danny Martinez (20) stares up at the scoreboard to confirm the awful truth. James Alexander tries to pull up Pat McDonald, who has collapsed at the spot where he was whistled for a foul in the final second, after having the ball stripped away while he was going for the game-winning shot. Pat's brother Warren (22) slumps his shoulders and weeps, realizing that the hoped-for championship is not to be.

Commissioners accept insurance bid

sioners agreed to accept the bid from Associated Insurance for the purchase of the county's insurance coverage at their

meeting Monday. Prices quoted on the insurance were \$13,078 for comprehensive auto coverage; \$23,529 for multi-peril coverage; \$10,796 for heavy equipment floater coverage; \$656 for boiler and machinery coverage; and \$376 for coverage on the two tenant dwellings.

Quotes on liability coverage for public officials and employees will not be available until Friday, according to representatives from Associated Insurance.

Emmett stresses trucking, energy in campaign for Railroad Commission

State representative Ed Emmett was in Dimmitt last Thursday to meet with residents and to discuss his campaign for the Texas Railroad Commission.

Emmett, 36, of Kingwood, joins three other Republican candidates for the vacated seat of Buddy Temple who resigned from the RRC.

He and his wife, Gwen, have four children.

He is executive director of the North Houston Associa-

"I grew up in the Texas oil country," continued Emmett. "I was elected state representative from East Harris County in 1978 and have served since that time. I am serving as chairman of the House Energy Committee and have been a member of the Transportation Committee during my four terms of office.'

Ed Emmett

"I am running for the RRC because several issues need to be addresssed by the commission and they are being pushed aside," Emmett revealed.

The three issues Emmett is basing his campaign on involve energy and the trucking industry.

"The recent deregulation of the trucking industry has forced consumers to pay high shipping rates because they (truckers) are not allowed to deliver between cities if they are hauling a variety of commodities," Emmett said.

"We must put competition back into the trucking industry," added Emmett. "The RRC requires truckers to prove a route is inadequately served before they can get a permit to haul a load."

"The RRC has also failed to pass truck safety regulations. This has become a major issue around Houston because motorists don't like looking in their rearview mirrors and seeing the grill of a truck," stated

Emmett. He also added that in Texas, anyone can get a commercial license by driving a car. Then they are legal to transport hazardous materials in trucks.

More about

(Continued from Page 1) Caldwell, who turned away a Martinez jumper near the rim.

Brian Davis hit a 15-footer and Lillie hit a backwards layup to give Cleveland a threepoint lead before Alexander hit the front end of a one-and-one and Lillie was charged with offensive goaltending and charging.

Pat McDonald tied the score at 29-all with a layup off a feed by Martinez, then McDonald hit Glass on a backdoor play to knot the score at 29.

With five seconds left, Clyde Davis was fouled by Martinez as Davis was moving toward the basket. Martinez, already nursing a sore knee, was stepped on by Davis.

"I was trying to get in front of him and he stepped right on my ankle," Martinez said. "I guess it was a foul—they called it, but I thought I had position on him.'

Martinez limpd back to the floor during the third quarter after being tended by University of Texas trainers, and was forced into action as Warren and Glass picked up fouls in the second half, "but it hurt me I couldn't really play, but you've got to go out there if you can. I sure couldn't shoot the ball."

Pat McDonald and James Alexander, who were cut off inside, simply moved outside and each hit two outside jumpers as Dimmitt came back from the one-point halftime deficit to build a five-point lead during the third quarter.

Alexander also added two free throws, while Warren McDonald hit a driving layup and Jeremy Warren added a 15-footer to give the Bobcats a 45-40 lead by quarter's end.

Glass, who was playing with four fouls, hit a 17-footer from the corner to give Dimmitt its largest lead, 47-40, with 7:30 to go in the game, but Cleveland then went into the lane for 12 of its last 17 points. Half of those 12 points came off offensive rebounds.

the free throw line, where the Indians had four shots. Dimmitt had nine chances at the charity stripe, but made just five of them, including three front-ends of one-and-one opportunities in the last 2:37 by Warren McDonald.

"I feel bad, real bad," Warren McDonald said. "I don't know what was going on. I felt confident when I went to line, even after missing the first two, I thought I could make them the last time, but I guess it just wasn't meant to be."

McDonald was fouled the first time with the score tied at 52 with 2:37 to play. His miss was rebounded by Pat McDonald, who hit an 11-footer. Caldwell answered with an offensive rebound and bucket with 2:03 to play, then Alexander hit both ends of a one-and-one after a Cleveland timeout with 1:51 left to give Dimmitt its last lead, 56-54.

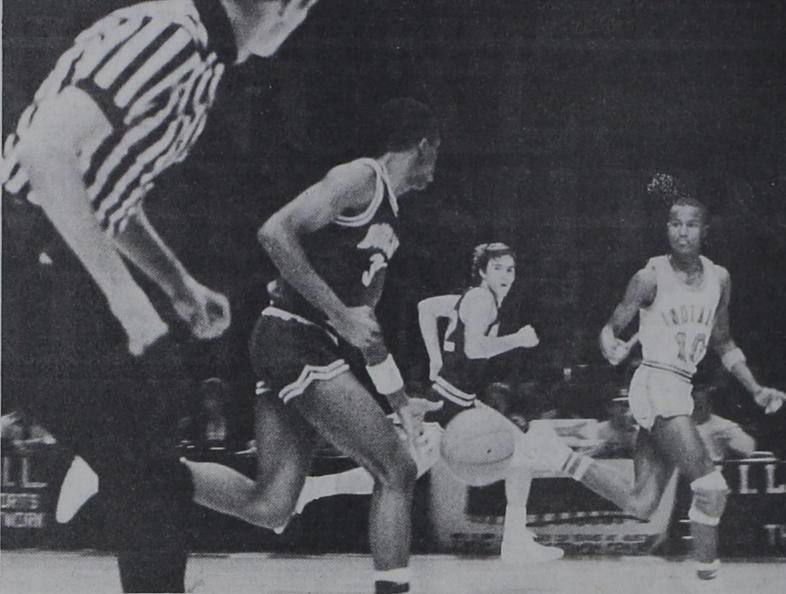

Lillie hit the front end of a one-and-one after being fouled by Jeremy Warren with 1:39 left, then, as the Bobcats went into a semi-stall, Clyde Davis fouled Warren McDonald with 1:22 left.

The free throw bounced off the front of the iron and into Cleveland's Richard Johnson's hands. Brian Davis was short with a 10-foot jumper, which was rebounded by Alexander with 55 seconds to play.

The Bobcats again froze the ball, but the Indians waited for a chance to foul the sophomore McDonald. Lillie grabbed his arm with 22 seconds left.

"I thought it was a two-shot foul," Warren McDonald said. "He really grabbed me, and I thought for sure they'd give me two shots. That (not getting two shots) might have bothered me some.'

The Indians grabbed McDonald's errant toss, and worked the ball around to Johnson, who canned an easy six-footer with 10 seconds left to give the Indians the championship.

FAST BREAK—Dimmitt's Pat McDonald (31) and Jeremy Warren (12) flank Cleveland's Clyde Davis in a two-on-one fast break in the second quarter of the Class 3A state championship game Saturday morning in Austin. The game was nip-and-tuck

point lead over the state's top-ranked team early in the fourth. But the Indians fought back and went ahead with 10 seconds left to win the title, 57-56.

"We were completely blocked away from him (Johnson) on that last shot - there was no way to get to it. But no words can describe how I feel about coming back down here next year and the next year. It's going to be just like Seminole this year. We're not about to let this happen again. We are going to dominate."

"We're coming back," Jeremy Warren said. "This is going to make me practice that much harder, and work that much more in the summer league. The summer league helps, especially when you have all of our players and all of Nazareth's players going up against you. But I think we played well (in the finals). I'm

proud of what we got, but next year we are going to get it all.'

Bobcats 58 West Oso 57

Jeremy Warren's free throw with three seconds left gave the Bobcats a 58-57 win over Corpus Christi West Oso last Thursday in the Class 3A state semifinals as the sophomore canned the second shot of a two-shot foul after a dramatic block-and-steal of a West Oso shot by Pat McDonald with seven seconds to play.

The last-minute heroics were needed because the Bobcats were so-so against Oso during the first and third quarters,

but outpaced the Bears in the last period of each half. Dimmitt outscored West Oso 26-12 in the second quarter after the Bears had piled up a 14-7 lead in the first quarter, while Dimmitt outscored the Corpus Christi squad 17-15 in the fourth quarter after West Oso outscored Dimmitt 16-8 in the third quarter.

throughout, until the Bobcats built a seven-

"We sure didn't play up to par," said Dimmitt Coach Kenneth Cleveland. "Pat is 10 times better than what he showed, but I'm proud of our kids for coming through."

Oso led by as much as nine points late in the first quarter and early in the second quarter before the Bobcats went on a 26-10 tear in the second

quarter to practically claim the lead for good. West Oso did come back and take the lead briefly late in the third quarter and again late in the game, but the Bobcats never let the Bears dominate again like they did early in the game.

West Oso had practically no trouble in the first period finding seams in the usually tight 2-3 Dimmitt zone as the Bears got four of their seven baskets in the first period on the inside. Three of those inside buckets came on inside rebounds, enough to get Cleveland off the bench and calling for a hurried timeout. After the timeout, West Oso outscored the Bobcats 4-0, but got no more easy inside baskets.

After Randy Haywood picked off Dimmitt's inbounds pass and hit a layup to start the second quarter, giving West Oso a 16-7 lead, the Bobcats started charging back, with a Pat McDonald tip-in, two free throws from Warren, two 16-foot jumpers by James Alexander, a Pat McDonald layup, and a goaltending call on Haywood all going in the hole while the Bears could get just two baskets during the middle of the second quarter. Woody Glass put the Bobcats ahead as he hit both ends of a one-and-one with 3:02 left in the first half.

In the last three minutes, the Bobcats, like Oso in the first quarter, charged to the inside with baskets by Pat and Warren McDonald and Alexander all coming just underneath the bucket as the Bobcats surged to a 33-26 halftime lead.

Dimmitt hit another cold streak in the third quarter as Oso outscored the Bobcats 16-8 in the quarter. The Bears went back to the inside while the Bobcats were held to a 14-footer by Warren, an 18-footer by Danny Martinez, a driving layup by Alexander and a 23-footer by Martinez at the buzzer.

who later fouled out of the Hampton said, "but we shot game), and the third one I was trying to go up for a rebound for which I had no chance of getting. They were just dumb, and I was afraid I had hurt us.

Leavitt, however, didn't foul again until midway through the fourth quarter.

Kenny Kern came in after Leavitt picked up his second foul and responded immediately, hitting a layup and a free throw as Davis tried to block his layup. The bucket and free throw extended the Swifts lead back to eight and started a 9-0 surge by the Swifts during the quarter that gave Nazareth a 27-13 lead with 4:05 to play in the first half. Kevin Hoelting's layup gave Nazareth the 14-point lead and was the Swifts' last basket of the first half, but Archer City only hit six more points in the second quarter to give the Swifts an eight-point advantage at halftime, 27-19.

Wildcat Robert Starnes, who had just three points in the first half, responded with 15 points in the second half as Archer City stormed back in the second half with a ballhawking press and improved shooting as the Wildcats forced 16 turnovers in the second half and shot 13-of-29 from the field while the Swifts could make just 7 of 19 attempts.

"I think the turnovers were more us than them," Hampton said. "We weren't intense in the second half, and we weren't making sharp passes like we were in the first half. It started to snowball on us, and we lost our confidence for a little while."

Nazareth's big edge in the second half, though, came at the free throw line, where the Swifts were 13-of-16 for the game and 12-of-15 in the second half, while Archer City made good on 9-of-11 attempts, including a 4-of-5 effort in the second half.

Starnes started the second half with a 20-footer, then, after a Leavitt layup, hit a 21-footer. After Billy Steffens picked up his third foul of the game three minutes deep in the third quarter, Archer City's Billy Dugan canned both free throws to pull the Wildcats back to four. Davis then pulled down a rebound on the defensive boards, went to the other end, picked up an offensive rebound and put the ball back in, then helped set up a Starnes steal and layup that tied the score at 29 with four minutes to go in the third quarter.

Archer City then came down and took its first lead of the game on a layup by Eric Powell, 31-29, before the Swifts answered back with buckets in the paint by Huseman and Leavitt. Starnes re-tied the game on a layup off a backdoor play, when Mark Crelia hit him through the Swifts' man-toman with a thread-the-needle pass to leave the two squads tied at the end of the quarter, 33-33.

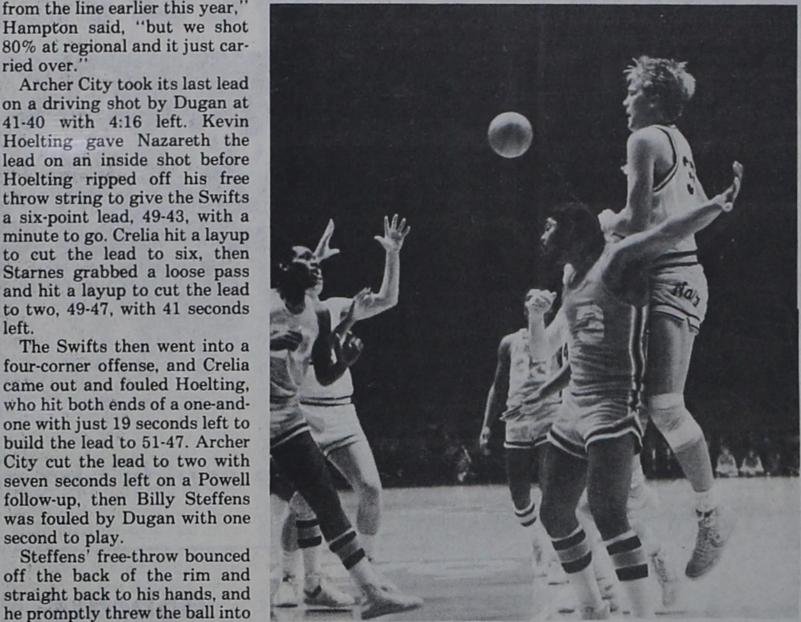

In the fourth, Archer City got in foul trouble, and the Swifts responded by making 12 of 15 attempts from the line in the quarter to grab the win.

"The free throws saved us," Hoelting, who made seven of his eight of his free throws in the last 2:06 of the fourth quarter, said. "We practice them all year - I was the only one on the team who didn't play football so I was sure practicing my free throws and they had to foul someone. I don't know, I didn't feel any pressure, because I knew I could make them."

Swifts win...

KEVIN HOELTING dishes off to teammate Randy Leavitt after finding his lane to the basket blocked by Laneville's Homer Anderson (23) in the second quarter of the Swifts' Class A semifinals game Thursday in Austin. Hoelting scored four points and collected 10 rebounds as the Swifts won handily, 57-47.

out for their 8:45 a.m. yawn, the Nazareth Swifts had already won their Class A Anderson, who had scored 55 semifinal game Thursday morpoints in a game earlier this ning, 57-47 over Laneville in season, could have had 55 against the Swifts, if he had hit the first game of the state toureverything he put up, but he canned just 7. of his 27 at-Actually, the score wasn't final in just 15 minutes, but the tempts, a cool 27%. Anderson game was practically over as was joined in his malfeasance by Kerbie Henry, who was just the Swifts raced to an early

20% on 3-of-15 shooting.

After jumping to its early 12-point lead, Nazareth found itself in trouble as the Swifts committed 10 first-half fouls, including three each on Steffens and Schmucker, and Laneville hit eight of its 11 first-half free throw opportunities to help cut the once commanding lead down to four points, 16-12, early in the second quarter before the Swifts suddenly quit fouling (only three fouls on the Swifts in the last 7:19 of the first half) while Leavitt started finding more seams on the inside to pad the Swifts' margin to as many as 13 points, 35-22, late in the first half before Kerbie Henry hit a layup at the buzzer to cut the margin to 11.

Laneville went on to outscore the Swifts 23-22 in the second half, but the Swifts were able to ride their first half surges to the win.

"We played well the first five minutes, but, no, overall we didn't play that well," said

Nazareth Coach Johnny Hampton. "We didn't handle their press that well (Nazareth had 25 turnovers that led directly to 18 Laneville points), and we played like we were trying to hold on to the lead instead of trying to win.

"It seemed like the fouls came in streaks, six against us, six against them. But after we got in foul trouble early, we tried to quit fouling, because we didn't want to let them beat us at the free throw line.'

Early in the second quarter, the Swifts did have problems with the Yellowjacket press, but got 20 point on easy layups to Swifts who were left wide open in the forecourt as Laneville threw a four-to-five man pressure package in the backcourt. Laneville prevented a blowout with the press, which wasn't employed until the second quarter, but the Swifts also found at least two

people open on the opposite side of the time line for the easy baskets.

"We had too many turnovers . . . the press shook us up," said Darryl Hoelting, the only other Swift in double figures with 10 points. "When we were able to set things up we were alright, and we had some people who got wide open.

"We did whatever we wanted to on them early, though, and it wouldn't have been so close if we hadn't let up a little in the second half. On a scale of 1 to 10, we played about a 7."

After the Yellowjackets came back to within four, the Swifts peeled off a 19-12 run over the rest of the first half, with Leavitt getting eight points and Todd Hill adding four more points, all on layups off 40-foot passes as Nazareth escaped the backfield pressure with long tosses, often with the ball never touching the floor.

The Swifts extended their lead to 16 points by the end of the third quarter while outscoring the Yellowjackets 8-3 during a slowed-down period which was plagued by fouls six on Nazareth and four on Laneville, including back-toback charges on Laneville that rubbed out potential points. Kenny Kern gave the Swifts their 16-point margin with a 17-foot jumper at the buzzer.

Laneville outscored the Swifts 20-14 in the fourth quarter as they finally got its offense going while Nazareth emptied its bench.

County quartet named all-tourney

Four Castro County players were named to allstate tournament teams released Sunday by the University Interscholastic League.

Nazareth's Randy Leavitt, a unanimous pick, and Darryl Hoelting, who had 13 points and a 7-of-8 performance at the freethrow line in the last 2:06 of the Swifts' 53-49 championship win Saturday, headed the Class A team, while Dimmitt's Pat McDonald and James Alexander were named to the Class 3A team.

Leavitt led all Class A scorers with 36 points and also pulled down 19 re-

bounds in the two state tournament games.

Hoelting was 11-of-12 from the line during the state tournament and was 6-of-12 from the field. Hoelting also added nine rebounds.

Also receiving consideration for the all-tourney team was Nazareth's Billy Steffens, who had 10 points and 15 rebounds in the two Class A games.

McDonald had 36 points and 16 rebounds in Dimmitt's two games, while Alexander had 33 points and 20 rebounds for Dimmitt's state runnerup squad.

FINAL STRATEGY SESSION—The scoreboard tells the story as Coach Johnny Hampton gives his Swifts their instructions during the final time-out of the state championship game Saturday. The Swifts inbounded the ball and held onto it until Billy Steffens was fouled with a second remaining. He missed the free throw but got the rebound and scored the final basket to give the Swifts their victory margin of 53-49.

TODD HILL sinks a break layup and is fouled by Laneville's Archie Johnson in Laneville's Archie Johnson in the second quarter of the Swifts' Class A state semifinals game Thursday. Hill sank the free throw to complete a three-point play and give Nazareth a 25-16 lead. The Swifts went on to win, 57-47, as Hill finished with five points.

KENNY KERN sinks a 12-footer to give Nazareth a 36-33 lead over Archer City in the fourth quarter of the Class A state championship game Saturday morning in Austin. Moving into rebounding position are the Swifts'

Randy Leavitt (52) and Billy Steffens (40). In background is teammate Chris Schmucker (20). Kern finished with eight points as the Swifts won, 53-49.

Bobcats...

(Continued from Page 2) though, Oso had claimed a

42-41 lead. Dimmitt reclaimed the lead 16 seconds into the fourth quarter on two Pat McDonald free throws, 43-42, and clinged to that tenuous lead through most of the quarter. However, missed free throws by the Bobcats almost proved to be their undoing as Alexander, Warren McDonald and Woody Glass, who tied the game at 57 with 1:08 on a power drive down the baseline, all missed free throws down the stretch.

After Pat had given the Bobcats the lead, Alexander muscled in a basket, before Haywood answered with a 15-foot banker. Warren then hit a 12-footer, and Oso's Lance Harper, who had earlier sustained a hand injury, hit one of two free throws. Johnson grabbed the rebound on the second shot and put the ball in the hole to tie the game at 47-all with 6:28 to play.

Dimmitt answered with a 15-footer from Alexander, then Woody Glass stole the ball and fed Warren for an easy layup for a 51-47 Bobcat lead with 5:54 left.

Harper hit both ends of a one-and-one after Warren was called for his fourth foul with 5:47 left — the last time West Oso went to the line as the Bobcats played foul-free basketball the rest of the game. After the teams traded turnovers, Alexander gave Dimmitt its last four-point lead as he powered past the 6-7 Yellets to give Dimmitt a 53-49 lead with 4:54

Oso tied the score 20 seconds later, though, as Harper hit a layup, then stole the ball on the inbounds pass and hit another easy layin.

Pat McDonald gave Dimmitt the lead again with 3:25 left on an eight-foot jumper, then Oso tied on a Johnson follow-up. The Bobcats moved to their end of the floor before Haywood stripped the ball and dribbled coast-to-coast to hit the basket that gave Oso its last lead 57-55.

Glass tied the score with a basket, then Oso went into a four-corner offense, working for a last-second game-winner.

The Bears whipped the ball around for 40 seconds before finding Freddy Fillmore open about 15 feet out. Fillmore, who had scored twice earlier on

WE'VE WON!—An elated Jeremy Warren (12) does high-fives with teammates James Alexander (left) and Warren McDonald (right) after sinking the free throw that gave the Bobcats their 58-57 victory margin over Corpus Christi West Oso with three seconds left in the state Class 3A semifinals Thursday. In background is Danny Martinez. Dimmitt had missed four free throws in a row in the final 2:19 of the game before Warren sank his pressure-packed second attempt after a two-shot foul to break a 57-57 tie. The victory propelled the Bobcats into the state championship game against No. 1-ranked Cleveland.

long-range hook shots, tried to hook the ball into the hole, but found Pat McDonald's hands instead.

McDonald grabbed the ball, dribbled to mid-court, then fired a pass to Warren underneath the Dimmitt basket. Fillmore, who was also racing down the court, fouled Warren with three seconds left.

"My knees were shaking," Warren said. "I knew I could hit at least 50% of the free throws (he was given two shots). I missed the layup because he (Fillmore) hit me in the back, but I said in the timeout that I knew I could make at least one, and I knew that would win the game."

Warren's first free throw bounced away, but the second one hit the net cleanly to give Dimmitt a one-point lead. Oso then called timeout for a lastditch try. The Bears got the ball into the forecourt to Harper, who was wide open 30 feet away, but the shot was short and wide.

"Pat did a super job of get-

ting the turnover there at the end," Cleveland said.

"I was a little scared there at the end, especially when (Harper) got that wide open. As a coach you can second guess, and there was a lot of second-guessing during those last 40 seconds. You eventually have to take a chance on going after that turnover, and I told them, when West Oso called that last timeout with 51 seconds left, to go after the ball if we had a chance to get it."

"Fillmore had been trying to hook it before, so I knew what to look for," Pat McDonald said. "I just went after it, and I got it. I was thinking about going all the way down, but I saw Jeremy and just hoped he could make a layup."

Jackson seeks office

Bemus Glenn Jackson of San Antonio has announced his candidacy for Lieutenant Governor pending results of the Republican party primary.

Jackson was the first Republican Mayor in Fort Bend County since the Reconstruction, serving in that capacity for Missouri City, a suburb of Houston, from April, 1973 to February, 1975.

He was vice president of the Harris County Mayors' and Councilmen's Association. He served as a councilman of Missouri City from February, 1975 to April, 1976.

Jackson said he wants to give the people of Texas a choice at the polls. "It's a simple matter of one man, one promise, and one purpose,' Jackson said. "As I see it, our state officials are 'hired' by the people to do a specific job. I will uphold my oath of office to the letter to enforce the laws of our state. If the people choose to 'hire' me, they can rest assured that, unlike a politician who works to get reelected, I will work to get the job done.'

All-staters in action

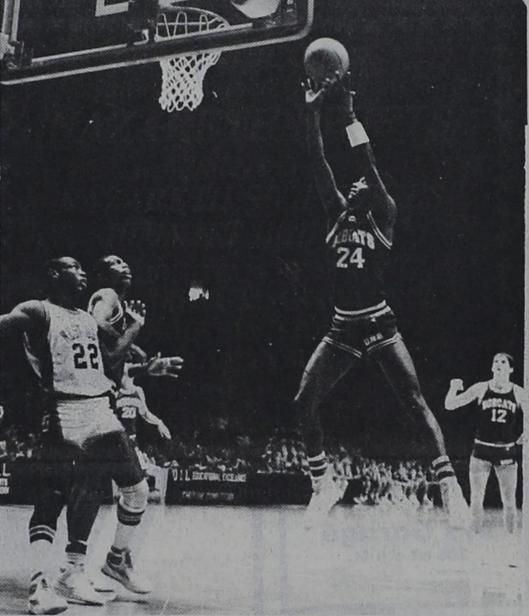

DARRYL HOELTING goes man-to-man against Archer City allstater Robert Starnes in the Class A championship game Saturday. The senior guard was Nazareth's leading scorer in the title game with 13, and was second-high in the semifinals game with 10 while pacing the Swifts' defense.

RANDY LEAVITT wrestles a rebound away from Archer City all-stater Robert Davis (44) in the third quarter of the Class A state championship game Saturday. Leavitt had 24 points and 13 rebounds against Laneville in the semis and 12 points and six rebounds in the title game.

JAMES ALEXANDER scores to give Dimmitt a 39-32 lead over Corpus Christi West Oso in the third quarter of the Class 3A semifinals game Thursday. The sophomore post forward was Dimmitt's high scorer in the game with 17, and finished the tourney with 33 points and 20 rebounds.

Babbling Brooks

By JOHN BROOKS

If someone had told me back in November, when Amarillo High was here to scrimmage Dimmitt and Sanford-Fritch, the Sandies were going to win the State 5A championship, well, I'd probably be signing over my paycheck for the rest of this year.

I knew the Sandies weren't bad, but I knew they were nothing like, well, last year's 5A champion, Houston Madison.

The cast of characters that won the 5A championship was the same that struggled through that scrimmage, but they were different. They were different even from the team that defeated Nazareth and Dimmitt in the Plainview Tournament. (The Sandies won each of those games by two

points.) The Sandies were the darlings of the state tournament, more so even than Austin Johnston. The Sandies, from 600 miles away, got much more media coverage than did Dripping Springs, 60 miles away, and Austin Johnston, 6 miles away.

It almost came to pass that West Texas would win it all at the state tournament - wish it would have happened.

Get this - Amarillo, Nazareth, Dimmitt and Morton all played in the Plainview Tournament.

Andrews — who was beaten by the team who was beaten by the team who was beaten by the team that won the state

championship — won the Plainview Tournament.

Our Bad Sport of the State Tournament Award goes to the Houston school official who argued and moaned to UIL Athletic Director Bill Farney about a foul that was called at the buzzer against Houston Wheatley - a two-shot foul that gave Dallas Kimball the state finals berth against Amarillo in the 5A finals.

Videotape replays showed the foul was called a full second before the buzzer sounded (I

ran upstairs, chasing after PA announcer Phil Ransopher, to watch the last second on the replay), but you couldn't convince this Houston guy of that, who blocked Farney's entrance into the Wheatley dressing room for 10 minutes.

Farney was on his way to present bronze medals to the Wheatley players.

Honorable mention for the BSST award goes to the two sportswriters from Cleveland who conveniently left Pat

Police Calls

A 27-year-old Dimmitt man was arrested on charges of driving while intoxicated and was cited for failure to present his drivers license and for having no insurance in connection with a two-vehicle accident Mar. 1.

George M. Garcia of 204 NW 6th was driving a 1976 Pontiac Grand Prix and was headed west in the 300 block of West Bedford.

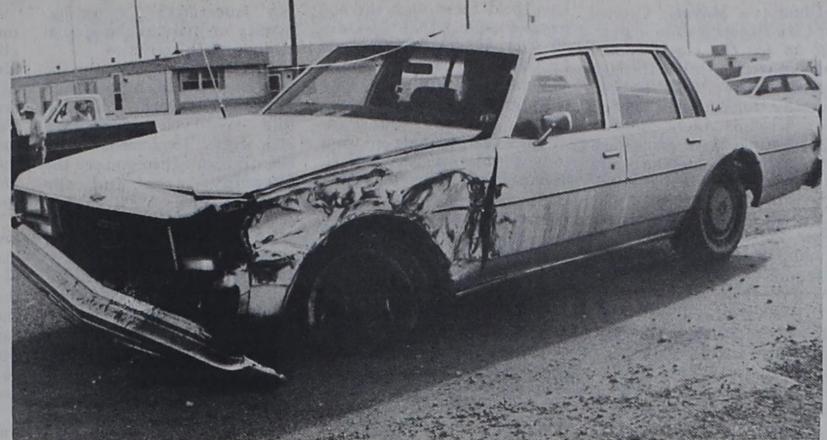

Police reports indicate Garcia's car veered to the right and struck a 1984 Econoline Van owned by Manley Cottongim of Tulsa, Okla.

The van had been legally parked in the 300 block of West Bedford when the accident occurred.

According to police, Garcia's car suffered heavy damage in the accident while Cottongim's van received moderate damage.

McDonald and James Alexander off their all-state tournament ballots, voting instead for five Cleveland players.

It was a state tournament chock full of unlikely nicknames. Winners included Swifts, Indians, Bumblebees and Sandstorm. Swifts and Sandstorm are the only ones around (Nazareth and Amarillo), and there are not many Indians and even fewer bees.

I wonder who the smarty was who nicknamed the Cleveland team the Indians? How original - maybe it was the two sportswriters.

I'm not a TV hog — it's just a matter of being in the right place at the right time. Ya should've seen what didn't get on the air.

These guys want you to stop wasting your tax dollars.

Wildfires in our country are a terrible waste. A waste of natural resources. A waste of natural beauty. A waste of money. Yet every single year, over one billion in tax dollars goes up in smoke. That's what it costs to protect our nation's resources and fight wildfires. So, think of these famous faces next time you're in the great outdoors. And remember, only you can prevent forest fires.

Hopson tells Kiwanis of MCCB

Dimmitt's Mayor's Council for City Beautification is gearing up for the city's annual cleanup week, April 7 through April 12, but MCCB head Dorothy Hopson told the Dimmitt Kiwanis Club Monday there are plenty of beautificaideas that can, and should, be carried out through the year.

Hopson told the Kiwanians eight cities with the best cleanthere had been "a lot of grumbling about Dimmitt's appearance" before the MCCB was formed by former Mayor R.L. Fleming in 1981, the same year the annual cleanup campaign was started by the Dimmitt Chamber of Commerce.

"That first cleanup was a lot like last Sunday - lots of wind, lots of dirt blowing around but the effort won the coveted Governor's Achievement Award. But after we won the award my conscience hurt more than ever because I knew Dimmitt looked better but was still not clean.'

Hopson said that since the first cleanup day, MCCB members and other volunteers

"This year, though, we want

law enforcement, recycling, quality of life and the special cleanup week activities.

"Our focus this year is on the area between South Street and Butler Boulevard," Hopson said. "When you turn off of US 385, Hays Implement is so beautiful, but then you see the 'swampy' area and the livestock pens.'

"There has been a lot of junk accumulate that will need special assistance to be moved, so we have put Jeff Robertson, who owns some large equipment, in charge of the cleanup week activities and in charge of moving what junk can be mov-

Hopson also said 200 saplings will be planted this week between the livestock pens and Butler Blvd. to help the area's appearance_

"These trees will do well under both swampy and dry conditions," Hopson said. Hopson also said Kathy Lust of Dimmitt, who is a landscape architecture student at Texas Tech University in Lubbock, is looking at that area as well as most of downtown Dimmitt, and will offer up ideas on how to make the areas look better.

"The bank has said it would probably make low-interest loans available to businesspeople who would like to improve their building's appearance, and Kathy will be more than happy to help anyone who would like to have some ideas on how to make their business look better.

"We have come a long way since 1981," Hopson said. 'I would urge you to open your eyes, to care, and to help.

Four attend THC meeting

Clara Vick, Madge Robb and Teeny Bowden of the Castro County Historical Commission and County Judge Polly Simpson attended the Texas State Historical Commission's annual Preservation Conference held last Thursday through Saturday at Austin.

The event took on special importance because of the Texas Sesquicentennial, and included involvement from the Council of Texas Archeologists, Texas State Historical Association, Texas Oral History Association and the Texas Historical Foundation.

The local group attended a lecture by Yale University Professor Dr. Howard Lamar at the LBJ Library and the reception following the lecture, and a special TSHA "Happy Birthday Texas" reception at the Austin Marriott.

The group attended sessions Friday and Saturday on restoration, preservation, archeology, history, architecture, cemeteries, museums and courthouses, the 1985 Publications Awards Luncheon and Museum Awards on Friday, and a tour of Austin's restoration work and historic sites Saturday afternoon.

The group was accompanied by L. B. Bowden to the awards luncheon Saturday, where Simpson was recognized as the only county judge to attend the conference.

Several from Dimmitt attended the Sesquicentennial celebration at the Museum in Canyon on Sunday afternoon. We saw the Sava Family and Bill's mother who has moved to Dimmitt recently, Susie Reeves, Beral Hance, Retta Cluck and Lanell Tucker. We visited with Joyce, Brian, and Mandy Higgs (Joe was in a meeting) Bob and Sue Caddell and girls, former Dimmitt residnets, all living in Canyon now, Decimae Beene and her friends from Friona. I am sure we didn't see everyone we knew because there were several thousand in attendance. We went especially to see the Dimmitt group in the skit "The Times and Tales of Mr. Goose" written by Bill Sava. Members of the cast are Don and Karen Sheffy, Bill Sava, Joyce Rickerd, Maureen Foskey, Margo Boyd, Acie Boyd, Dick Schacher, Mark Henslee, Avie Lewis, Francis Acker, Charles Axtell, Bea Acker, Nancy Buchanan, Woody Rickerd, Addison Foskey, Kelly Boyd, Carrie Sheffy, Holly Axtell and Jennifer Sava. They did a great performance. We also heard Red Stegall, a western singer and his group, and Michael Martin Murphy, a popular singer now. Joyce Higgs was there to hear Michael since she attended school with him in Dallas.

Excitement was in Dimmitt early Tuesday morning when several hundred fans enjoyed a 7 o'clock breakfast prepared by the Chamber of Commerce, honoring the Dimmitt Boys Basketball Team to give them a big sendoff to Austin for the State tournament playoffs.

Cheryle Pybus had coached the boys in a skit that they performed for the fans who attended the breakfast (such talent!). All the boys had on their colored glasses and did the "Bobcat Shuffle," as each one chanted a special saying.

Congratulations to the Nazareth Swifts and the Amarillo Sandies on their wins in the State Basketball games, also to the Dimmitt Bobcats for a good year - we are proud

of you!

Elizabeth Huckabay was hostess to the Thursday Bridge Club at the Senior Citizens Center for a good lunch of chicken strips and vegetables and cobbler, and a fun day of bridge. Tina Rawlings won high score and Edith Graef won second high. Others playing were: Emily Clingingsmith, Johnnie Vannoy, Ferne Dickey, Bernice Hill, Oleda Schumacher, Susie Reeves, Loranell Hamilton, Virginia Crider, Retta Cluck, Alice Collyer, Jean Christian, Faun Welker and Cleo Forson.

A large group of Senior Citizens enjoyed the lunch at the Center on Thursday, besides the bridge players.

The FBC WMU observed the Week of Prayer for Home Missions last week with the theme "How Far Love Reaches."

On Monday the group met in the home of Connie Ivey and Winona Bunch spoke on "Love

Reaches Families.' Tuesday they met in the home of Debbie Annen and Ettie McDermitt gave the pro-

gram on "Love Welcomes." Wednesday night the WMU met with the church prayer meeting group and they had guest speakers from a group who went to Ysleta (a suburb of El Paso) to remodel a church and witness to people in that area. Hershel Wilson was among the party as well as

some from Friona and Texico. Thursday Esta Vandiver invited the members to her home for a brunch and Jennifer

Irene Carpenter. Once again I am a year older! I started my day by attending the breakfast honoring the Boys Basketball team, then went to WMU. Oleta Walser took me to Hereford for lunch (she planned a wonderful birthday celebration!). Other club members enjoying the day were: Geneva Dennis, Irene Carpenter, Thelma Bryson, Hazel Bagwell, Connie Ivey, and Mauzee Youts. Before returning home we toured the new grocery store in Hereford. I received several cards, telephone calls and gifts. One friend gave me a pin representing the Texas Sesquicentennial and one friend gave me a green plant in a vase shaped like a foot wrapped in gauze and tape. Since I don't have a sore foot, I guess it represents me putting my foot in my mouth!

The Community Concert Association presented the William Hall Chorale in Plainview on Thursday evening.

Some of the selections the choir sang were: "Alleluia," "Neighbors' Chorus," "Aura Lee," "Amazing Grace," "A Red, Red Rose," "Of Crows and Clusters."

The second half of the program was a delight to watch. A huge screen was placed on the stage and the members of the choir performed at the side of the screen as well as in front of the picture being shown. The choir sang selections from some Broadway musicals such as "Old Man River" from Showboat; "Sunrise, Sunset," from Fiddler on the Roof; 'Summertime' from Porgy and Bess; "You'll Never Walk Alone" from Carousel; "I Could Have Danced all Night" from My Fair Lady and "Climb Every Mountain" from The Sound of Music. Some from Dimmitt enjoying the concert were: Ed and Betty Freeman and their guests, Boyd and Dee Jacobson, from Minneapolis, Minn., Louise Mears, Mauzee Youts, Irene Carpenter and Mary Edna Hendrix.

Watch these dates for other concerts: March 16, Manhattan Rhythm Kings in Hereford; April 15, Harvey Pit-

Tree deadline is Friday

March 14 is the deadline for ordering trees from the Running Water Soil and Water Conservation District office in Dimmitt, according to District Technician Lilly Nicholson.

"Some species of trees are sold out and the closer we get to the deadline the fewer varieties there will be available. We will try to have a few extra trees, but everyone that wants a special variety should place their order as soon as possible," Nicholson said.

All of the small seedlings (1 to 3 ft.) can be ordered over the be ordered in that size.

We Salute

Our Basketball Teams

Anyone who follows Texas high school basketball—boys' or girls'—knows where Dimmitt and Nazareth are, thanks to the Bobcats, Swifts and Swiftettes.

Two weeks ago, the Nazareth Swiftettes finished another highly successful season as state runners-up after losing their first game ever in the Frank Erwin Special Events Center at UT-Austin. The Swiftettes have won 11 district championships, 10 regional championships and eight state championships in 11 years. And you can bet they'll be back next year.

Saturday, the Swifts—playing in the state championship game for the third straight year—won their first Class A state title in boys' basketball. The two previous Swift teams had come oh-so-close, only to be denied the championship trophy. This year, Coach Johnny Hampton and his team were not to be denied. Their 53-49 win over the Archer City Wildcats in the championship game was their closest margin of victory in the playoffs; they dominated all their other playoff opponents by

10 points or more. The Dimmitt Bobcats' one-point loss to Cleveland in the Class 3A state championship game Saturday was a heartbreaker for the boys, because the game could have gone either way right down to the last two seconds. The Bobcats were appearing the the state tournament for the 13th time—a record for Class 3A schools.

You could fantasize about what might have been-about how two more baskets could have given Nazareth High School a rare double in state basketball championships; about how another single basket or a pair of free throws by the Bobcats could have made it a championship sweep for our local teams.

But let's not lose sight of how very well the Bobcats, Swifts and Swiftettes did this season. All three teams advanced to the top rung of competition, the Final Two, and earned the right to play for the state championship. All three programs continue to be well known and well respected at the state level of championship basketball.

The reputation of our basketball programs rubs off on all of us. That reputation is a point of community pride.

Gene King, president of the Dimmitt Chamber of Commerce, said it well at the Bobcats' state send-off breakfast: "These young men are some of the best ambassadors our community has."

Thanks for the thrills and the memories, Swifts, Swiftettes and Bobcats. Congratulations on a great season, and best wishes in great seasons yet to come.

"MOUNTAIN TOP EXPERIENCES" ... It is not yet vacation time,

however that time is approaching and we start remembering the wonderful feelings and experiences of our last trip to the mountains, and now we can start to plan new adventures.

That closeness, and the exciting feeling when worshiping the Lord is often referred to as a "Mountain Top Experience." We invite you to come worship the Lord in his house, and receive the joys of being close to God. Attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this arounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view; one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Nazareth Schools join Balloon Race

Approximately 130 heliumfilled balloons will be launched as part of the nation-wide Writing Pals Contest by kindergarten through sixth grade classes at Nazareth Elementary Schools "next week when the breeze is good," said Mary Nell King, principal of Nazareth Elementary School.

MARCH 13-Robbie Sarabia, David Hernandez, Harvey Davis, Bryan

Armstong, Denice Gerber.
MARCH 14-Brent Josselet, Mildred Bradford, Bill Dannevik, Mike Spinhirne, Claude Ray, Randy Popejoy, Joe Ibarra, Jr.

MARCH 15-Joe Lewis Ibarra, Edith Graef, Prentiss Washington, Jonathon Bridges, Ruby Spencer, Felicita Leyja, Louise Spinhirne, Dale Albracht, Elaine Barnes, Al Huseman, Ronnie Wilhelm.

MARCH 16-Vincent Gerber, Cynthia Albracht, Kyle Gerber, Alphonse Kleman, Susie Gerber, Kenny Wilhelm, Michael Kern, Susie Cluck, Ted Collins, Wanda Campbell, Tucker Schumacher, DeAnn Wilkerson, Laure A. Grando, Bruce Schulte, Walter Spinhirne, John Damron, Bobby Allensworth, Charlie Scott, Jeffrey

MARCH 17-Erma Kennedy, Charles Lee, Jr., Raul Rodriguez, Dudley Wooten, Bob Anthony, Emmett Broderson, Jerry Heller, Randy Pope, Dorothy Kleman, Joe Castillo,

MARCH 18-Taylor Mac Hutson, Morgan Heck, Kenny Schulte, Sara Birkenfield, Zachary Ramos, Laurie Sides, Bennie George Scott. Jr., Zelda Ellison, Renae Josselet, Gene Heath, Blackie Sarabia, Edna Hart, JoAnne Robinson.

MARCH 19-Cody Upshaw, J. R. Mixson, Nelle Newton, Steve Kirkland, Jeffery Hacker, James Birkenfeld.

The launch, which is sponsored by Weekly Reader, the classroom newspaper, is expected to be between Monday and Friday, Mar. 21.

A message attached to each balloon explains the project and asks that the finder return it to Nazareth School.

Weekly Reader will present a \$500 prize to the school that gets the message that has traveled the longest distance. 100 runner-up prizes will also be awarded.

According to King, the balloon launch will be the climax of the school's year-long participation in Weekly Reader Writing Pals. The goal of the program is to motivate children to write to and become familiar with students in other parts of the country.

The program is also celebrating the centennial of the Statue of Liberty and the "right to write" - freedom of expression.

"Nazareth School students will write to every person who sends a message card from our balloons," said King.

The Nazareth High School Student Council and the science departments will provide the helium, inflate the balloons and attach the messages.

Revival is set

The Jimmy Carter Family of Oklahoma City will conduct a revival at the First Assembly of God Church in Dimmitt.

The revival ministry of song and preaching is set to begin Sunday and will continue through Friday, March 21, and begins at 7 p.m. each day.

Brian Stewart

Stewart receives II rating

Brian Stewart of Dimmitt received a certificate for a II rating in the Class 2 division Saturday in the West Texas State University Piano Festival.

The festival, which was held in the Mary Moody Northern Recital Hall on the WT campus is held to encourage keyboard study, provide public performance for players and to recognize their achievements. Seventh through twelfth

graders may enter the three classes provided.

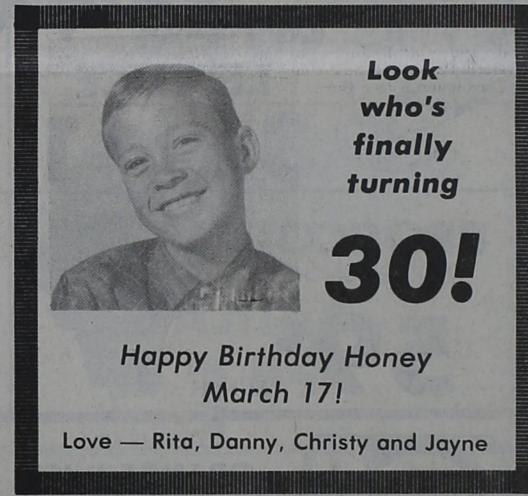

Judges are outstanding teachers and performers from throughout the southwest.

Stewart's piano teacher is Mrs. Leon Sanders of Dimmitt.

He is the son of Owen K. (Pete) and Darla Stewart of Dimmitt and he is a freshman at Dimmitt High School.

The Dimmitt Chapter of the YHT has 23 members.

Membership is limited to those women not enrolled in high school and not over 35 years of age. The YHT is a chartered organization for young adults interested in homemaking. The association functions under the direction of Homemaking Education, Texas Education Agency, in cooperation with the local school and the homemaking teacher, who serves as chapter advisor.

Darenda Bentley serves as president of the local chapter. Other officers include Crystal Howell, 1st vicepresident; Bobbi Wooten, 2nd

Social Security ...in Castro County

Annual reports of 1985 earnings must be filed by Apr. 15 by people receiving social security checks who earned more than the annual exempt amount in 1985.

The 1985 annual exempt amounts were \$5,400 for people who were under 65 all of 1985 and \$7,320 for people who were 65-70 in 1985.

People who received some benefits in 1985 and who earned more than the exempt amount are required to file a report of those earnings by Apr. 15. Those who received no benefits in 1985 are not required to file a report, but, those people should file a report to make sure that any benefits that might be due for the year are paid.

A person who earned less than anticipated, for example, may be due some benefits. The only way these benefits can be paid is if the person files an annual report.

The general rule is that \$1 in benefits is withheld for each \$2 of earnings above the exempt amount. A person can have substantial yearly earnings before all benefits are withheld. For example, a 65-year-old person whose monthly benefit rate is \$500 could have earned \$19,320 in 1985 before all benefits were withheld in 1985.

People who are required to file an annual report should have received a copy in the mail. If they have not, they should contact the social security office to get a copy. Those not required to file, but who wish to do so, can also get a copy of the form at the office. The 1986 annual exempt

Farmers are taking their hats off to TR-3303.

A change for the better.

To be a good farmer, you've got to find the best products and stick with them. But when something better comes along, you know that in order to be the best, you've got to go with the best. That's why farmers all over the country are making a change to 1R-3303 by Terra. It's a hybrid corn variety that always performs well at harvest time. Terra wouldn't put its name on it if we didn't think TR-3303 was the best corn seed available.

A better product. A high-yielding variety like

TR-3303 doesn't just happen, it starts with a good healthy plant. TR-3303 corn seed produces a medium tall plant with excellent stalk quality; its upright, erect leaves provide good ear retention that makes this variety produce strong, full ears of corn.

A group of Dimmitt Middle School students will compete in the "Olympics of the Mind" on March 15 in Canyon.

The contest is a new concept in helping students to learn creative problem-solving techniques. It requires the students to compete as teams in a two-part contest. Composed of sixth, seventh and eighth graders, each seven-member team will prepare a preassigned long-term project and also compete in a spontaneous problem-solving contest.

Dimmitt will enter four teams in the contest. One, for its long-term project, will prepare a special computer program. Another team, must design, develop and mass produce a product. One group is assigned to write and produce a humorous play about a famous historical event. The fourth team must replicate a painting by a well-known artist, write and present a play inspired by the picture and complete several other art works. Each team will perform its finished solution during the competition. Points are awarded for creativity of ideas, costumes and performance.

Coached by volunteer parents from the community, the students are required to do all the work themselves with little direct help from adults.

The spontaneous part of the contest requires each team to compete in solving an immediate problem or to provide answers to an unfamiliar question. For example, how do you get an egg from a table to the floor without breaking it? Or, name as many "bags" as you can. Paper bag might be considered a common answer, however baggy pants, bags under the eyes or lungs would be considered creative responses and would earn the team higher points.

The competition on March 15 will involve schools from throughout the area. The purpose is to inspire leadership and creative thinking in problem solving.

As our nation faces increasingly complex economic, social and political problems, this is a concept of learning that is expected to grow in popularity. The youngsters of today are being encouraged to be the creative thinkers of tomorrow. We wish them great success!

County judge, commissioners attend conference at A&M

Judge Polly Simpson, and Commissioners Curtis Snitker and Jeff Robertson joined 700 other officeholders for the 28th annual County Judges and Commissioners' Conference Feb. 25 through Feb. 27 at College Station.

"County officials will have to be more resourceful in the future to make ends meet without putting the burden on local taxpayers," Judge Simpson said. "Keeping abreast of timely information through conferences such as this is one way of insuring our county offices will continue to run efficiently."

"We need every advantage in providing the public with the best services possible," said Judge Simpson, "particularly when federal and state governments are cutting back on funds for local governments while enacting laws that will cost counties more money."

The state conference is one of the educational programs of the V. G. Young Institute of County Government, a part of the Texas Agricultural Extension Service. The institute provides a forum of mutual support for county officials, the Extension Service staff and various government, academic and business leaders in Texas.

Major conference discussions covered current legislative programs, the effects of the 1985 Water Amendments, state tax revenues, budget preparation, local government liability, county bond issues, indigent health care and IRS regula-

All attending officials received a certificate for completing the conference along with 1.5 credit units from the Office of Professional Development at Texas A&M University.
