Doubly Happy Landing

This is not a new kind of double-decked plane but the happy finale of one of the most spectacular feats in aviation history. Flying in formation in Royal Australian Air Force maneuvers at Wagga, New South Wales, these two planes became locked n mid-air. Three crew members parachuted to safety, but student pilot A. G. Fuller, in top plane, decided to try to land both ships. Cuting his motors, he used his plane's controls, while lower plane's motors roared to effect this perfect double

Relief At Last For Your Cough

your cough, chest cold, or acute bron-chitis is not treated and you cannot ford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed oronchial mucous membranes.
Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs.

It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, per-mitting rest and sleep, or you are to have your money back. (Adv.)
