NAZIS RENEW AIR ATTACK UPON LONDON

Scattered Bombings Carried Out During Night

LONDON, Jan. 2 (AP).—German warplanes renewed their attack on London about dawn today after a night marked by scattered bombings in London, east England, Liverpool and other Merseyside cities.

The air raid sirens sounded in the London area about 5 a. m., some three hours after the all clear of the night before had been given. It was the third warning signal of the new year in London.

Nazi "fire planes" dropped incendiary bombs in several east England sectors last night after a bombless British new year's.

London had its first two alarms of 1941 during the night hours, the first, a short one, breaking a calm undisturbed since the city's bath of fire Sunday night. During the second alert, which followed quickly after the first "all clear" signal, gunfire rumbled in one London area.

No damage was reported immediately from the fire bombs in the eastern England localities, and they were dealt with promptly by the fire fighting services.

Bitter Wind
Dover strait—over which many German raiders must fly—was buffeted by a bitterly cold northeast wind limited visibility to 100 yards.

Level Buildings
Hundreds of royal engineers and members of the military labor corps were called into London to speed demolition of the once-stately and historic buildings made unfit for habitation and dangerous by Sunday night's flames. Scores of structures were blasted down with dynamite.

Eastland County Pioneer Is Buried

EASTLAND, Jan. 2 (Sp).—Funeral services for W. M. Pate, 84, Eastland county pioneer who died at his home in Eastland Friday morning, were conducted from the Eastland Baptist church, of which he was a long time member, Saturday afternoon. Interment was held in the Eastland cemetery.

William Marion Pate was born in Nacogdoches, Texas, Feb. 14, 1856, and came to Eastland county in 1878. For 35 years he worked with the late C. U. Connelley, pioneer Eastland county rancher.

Survivors included his widow, Mrs. Nellie Pate; one son, Raymond Pate of Beaumont; four daughters, Mrs. A. E. Robertson, Odessa; Mrs. W. B. Dukes, Monahan; Mrs. D. A. Collins, Eastland; Mrs. Jack Hilburn, Monahan; two sisters, Mrs. Annie Bentley, Houston, and Mrs. Janie Harry, Oklahoma City. One nephew, Harry Pate, of Houston, and nine grandchildren also survive.

W. P. PULLEY

W. P. Pulley, retired Cisco business man, was recovering from a severe attack of influenza suffered a week ago at his home in Moran, a report from there today said. Mr. Pulley previously suffered a light stroke. His condition was reported to be satisfactory.

Weather

EAST TEXAS: Partly cloudy to cloudy, preceded by showers near the coast, colder Thursday, Friday fair to partly cloudy, continued cold; moderate to fresh variable winds on the coast, becoming northerly Friday morning.

WEST TEXAS: Occasional periods of high cloudiness south portion, otherwise fair Thursday and Friday, slightly colder southeast portion Thursday.

Not a Seige Gun

This isn't a "Big Bertha" or any other variety of seige gun, it's an old pipe being lifted to a new position. Construction of the Grand River dam north eastern Oklahoma, near Vinita, caused the relocation.

Dr. Miller Heads Baptist Churches In Texas Posts

DALLAS, Jan. 2 (Sp).—Dr. Acker C. Miller, pastor of the First Baptist church of Belton, who was a United States army chaplain during the World War, has been appointed supervisor of all Baptist church activities in Army posts in Texas. R. C. Campbell, executive secretary of the Baptist General Convention, announced Monday.

Dr. Miller will begin his new duties Wednesday and will direct the organization work necessary for establishment of church branches at each Texas post, Mr. Campbell said.

Dr. Miller was graduated from Hardin-Simmons, Abilene, in 1917 and joined the army as chaplain for the Eighty-Sixth Infantry shortly afterward. He served throughout the war and remained in the officers' reserve for five years after the armistice.

Following the war he received his degree of Master of Theology from the Southern Baptist Seminary in Louisville, Ky., and in 1921 was selected as pastor of the Baptist church at Cleveland, Okla. He remained there until 1925, then went to the Cisco Baptist church for five years. He has been pastor of the Belton church since May, 1930.

He has been secretary to the trustees of Mary Hardin-Baylor since 1932.

Methodist Board to Meet Monday

Wm. Reagan, chairman of the board of stewards of the First Methodist church today urged that all members of the board be present for the regular meeting Monday evening, when a number of important matters are scheduled for consideration.

The meeting will begin at 7 o'clock. During the first few weeks of the new year the church program has been carried forward with unusual success, Mr. Reagan said. If the present interest and cooperation of the board and membership is maintained, the entire program can be accomplished with a minimum of effort. To that end he insisted that all members of the board be present for the meeting Monday evening.

WRECK VICTIMS

Mr. and Mrs. Henry Park and son, all of whom were seriously injured in an automobile accident here Christmas night, were reported doing well at Graham Sanitarium.

Church Speaker

The Rev. C. B. Webb of Shreveport, La., will be the principal speaker at the monthly fellowship circle of the Assembly of Jesus Christ Churches to be held at the Mountain Top church between Rising Star and Cisco. The Rev. Mr. Webb is a native of Eastland county.

Cisco Quint Will Entertain Graham Five

A rapidly improving Cisco Lobo basketball team will take on one of the best cage quints in west Texas tomorrow night when the Cisco boys entertain the Graham High school five at the local gym at 7:30.

The Graham team, coached by Pat Clifford, former TCU star, registered high in league competition last year and returns to the hardwood wars this season with most of the veterans of that campaign back for duty.

The Cisco team, starting with a small nucleus of lettermen and fortified with a number of new but promising recruits, has shown remarkable improvement during the early part of the season and Coach Johnny Edwards promised

WILL VISIT GRAHAMS

Mr. and Mrs. Raymond Williams formerly of Cisco and now of Pecos where Mr. Williams is president of the Pecos Valley Power and Light company were due here today to be the week-end guests of Dr. and Mrs. E. L. Graham. They were en route to Pecos after returning their daughter to SMU at Dallas following the Christmas holidays. Mr. Williams was formerly with the West Texas Utilities here.

T. F. Lisenbee Funeral Held Wednesday at 1

T. F. Lisenbee, 70, longtime Cisco resident who died at the family home, 1409 A avenue, December 31, at 1:20 a. m., was buried yesterday after services at 1 o'clock at the East Cisco Baptist church. A large gathering was present for rites conducted by the Rev. Russell Dennis, pastor, assisted by the Rev. Cecil Lisenbee, a nephew of the deceased. Burial was in Eastland cemetery, with Neil Lane Funeral home in charge.

Active pall bearers for the services were Jim Liles, Doss Peitrey, Jess Noble, Chas. Pippen, Bascom Mize and George Groeclose.

Mr. Lisenbee, a resident of Eastland county for 61 years and of Cisco for the last 21 years, is survived by his wife, a son, T. E. Lisenbee, of Cisco, a daughter, Mrs. H. D. Galvin, of Coahoma, and five grandchildren, three brothers and two sisters.

Out of town relatives attending the funeral services were Rev. and Mrs. Cecil Lisenbee and Mr. and Mrs. G. W. Lisenbee of Vernon; Mr. and Mrs. E. C. Murphy of Abilene; Mrs. Leon Stroud of Ranger; Miss Bessie Lisenbee of Hobbs, N. M.; Mr. and Mrs. W. L. Lisenbee of Denver City; Mr. and Mrs. W. Thomas and children of Moran; Mr. and Mrs. W. C. Simmons and Mr. and Mrs. J. M. Simmons of Putnam; Mr. and Mrs. W. Hudman; Mr. and Mrs. R. L. Garrett, Jr., and R. L. Garrett, Sr., Brownwood; Mr. and Mrs. Page Nelson, Mr. and Mrs. Hassie Lisenbee, Mr. and Mrs. Dee Phillips, Mrs. J. L. Ashley, Mr. J. B. Dudley, all of Lamesa; P. L. Murphy and Mr. and Mrs. M. C. Tucker of Carbon; and Mr. and Mrs. H. A. Murphy, Mr. and Mrs. C. M. Murphy of Eastland.

TO LEAVE HOSPITAL

Mrs. Mary Rose of Huntington, W. Va., injured in an automobile accident near Dothan on December 14, will be able to leave Graham sanitarium to return to her home tomorrow, hospital officials said.

OLDEST OIL MAN DIES

OIL CITY, Pa., Jan. 2 (AP).—Daniel O. Moran, believed by friends here to be the oldest oil producer in the world, died Wednesday at the age of 96. Moran entered the oil business in 1862, three years after the drilling of the sensational Drake well near Titusville, Pa.

RUSSELL AT CAPITAL

WASHINGTON, Jan. 2 (AP).—Rep.-elect Sam Russell has arrived here with his family from their home in Stephenville. He attended Monday's brief session of the house.

BELIEVE FLU EPIDEMIC IS MODERATING

Public Warned to Avoid Exposure and Chilling

The current epidemic of influenza, light in character but subjecting many of those it attacks to complications of more serious nature, appeared to be moderating today, city health officials said. Pneumonia is the principal complication which occurs, physicians said, although there were few cases of the illness reported.

Appearance of colder weather today was expected to further reduce the spread of the disease.

So general has been the spread, however, that few businesses in the city remained unaffected by illness among their employees. Many operated with shortened forces, a fact which interfered with taking inventory and other duties.

The schools resumed work after the Christmas holidays without serious falling off in attendance and officials expected the effect of the epidemic to decline rapidly.

Dr. W. P. Lee, city health officer, warned the public to guard against the illness by avoiding exposure and chilling, eating lightly and taking plenty of rest.

Cisco Pioneer Is Buried at 3 Wednesday

Another of the fast diminishing group of Ciscoans who founded and helped develop this community was buried yesterday in rites at the First Methodist church attended by a large concourse of relatives, friends and acquaintances. He was M. H. McCannies, 80-year-old pioneer who came to this county in 1880 bringing with him his bride, whom he married in Navarro county in 1878.

The Rev. Leslie Seymour, pastor of the church, conducted the rites at 3 o'clock Wednesday afternoon and burial was in Oakwood, with the Green Funeral home in charge. Pall bearers were all grandsons of Mr. McCannies.

Mr. McCannies died at 11:20 Monday night after a long period of ill health which began with a light stroke suffered in June of last year. The body lay in state at the family home until the hour for the services.

Born in Prescott, Arkansas, on July 22, 1860, Mr. McCannies came to Texas with his parents as a child. They settled in Navarro county where, in 1878, Mr. McCannies married Miss Margaret Black. Coming to Cisco in 1880, Mr. and Mrs. McCannies have made their home in or near Cisco for the past 60 years.

Mr. McCannies was a successful farmer and stock man, pursuing this occupation until about 10 years ago, at which time he moved to his home at 1008 West 9th. He was at his home when death came.

Survivors include his wife and fourteen children: J. P., Ed, S. H., Mrs. Smith Huestis and Mrs. Ted Bacon, all of Cisco; V. McCannies of Oklahoma City; H. A. McCannies of Monahan; N. S. McCannies of Littlefield; Mrs. H. B. Fullerton of Abilene; Mrs. L. L. Lamb of Athens; Mrs. A. A. Harwell of Glendale, Arizona; W. C. McCannies of Phoenix, Arizona; Mrs. J. W. Stone of Ruidosa, New Mexico, and H. W. McCannies of Stockton, California. Sixty grandchildren and 31 great grandchildren also survive.

Many Changes Due In Nat'l Defense Program Speedup

WASHINGTON, Jan. 2 (AP).—John Q. Public may have to get along next year with a minimum of mechanical and style changes in his new automobile, washing machine and lawn mower.

That was the immediate meaning placed by defense authorities Monday on President Roosevelt's statement that the production of consumer and luxury goods would have to yield, in and when necessary, to the "primary and compelling purpose" of defense.

The greatest "bottleneck" in the rearmament drive, officials asserted, was in the field of machine tools. This industry is loaded down with orders for the machines needed to make airplane engines, guns, shells and other defense equipment. Existing machine tools are also being adapted to defense production in many instances.

Consequently, the authorities said, the first items of consumer goods that must yield to the manufacture of munitions are those requiring machine tools. New models of automobiles, washing machines, lawn mowers and other mechanical gadgets for the family

Charge Filed In Accident Wednesday

A charge of murder resulting from the alleged negligent operation of an automobile was filed in justice court against J. T. Armes, as a result of the automobile accident in which 3-year-old Eva Nell Park was killed last Christmas night here. State Highway Patrolman Pat Ross filed the charge.

Armes, seriously injured himself in the collision at Eighth street and A avenue about 11:30 p. m., was in the Graham sanitarium here under treatment.

Mrs. Henry Park, mother of the child and most seriously injured of the six survivors of the accident, was reported resting well at the same hospital.

Others injured in the collision were the father of the dead tot, Henry Park, a five-year-old brother, Johnny, and Mr. and Mrs. Ours Rogers. The latter two were with Mr. Armes, en route to Brownwood, where Armes and Rogers were employed in the construction of Camp Bowie. Mr. and Mrs. Park and their children were on their way from Forsan, where Mr. Park is employed in the oil field, to Gorman, to visit relatives.

County Organization for President's Birthday Celebration Is Announced

County and local organizations for the 1941 President's Birthday celebration were announced this week by Charles J. Kleiner, who has accepted chairmanship of the celebration for Eastland county. Mr. Kleiner, who has directed the Eastland county celebration for the past several years with signal success, was again appointed by W. L. Clayton of Houston, who is chairman of the Texas State committee. George Waverly Briggs of Dallas, vice-chairman and campaign director of the Texas Fight Infantile Paralysis campaign, announced the appointment in a message in which he urged every citizen in the county to enlist in the fight against the dread disease which has left so many children cripples.

Mr. Kleiner formed his county organization as follows: Charles J. Kleiner, county chairman; Joe A. Clark, vice-chairman; Mrs. W. C. Hogue, vice-chair-

man in charge of women's activities; D. G. Streater, secretary; J. D. Lauderdale, treasurer.

Chairmen of local committees are: Charles S. Sandier, chairman for Cisco; C. W. Hoffman, chairman for Eastland; C. J. Moore, chairman for Ranger, and E. M. Howard, chairman for Rising Star.

Fifty per cent of the net proceeds derived from the local celebration will be retained here this year, Mr. Kleiner announced. After payment of all expenses incumbent upon holding the celebration, January 30, the residue will be divided between the local organization and the state committee. In counties where chapters are operating the county's share of the fund will be turned over to the chapter while in unorganized counties the fifty per cent

WATER BEING BAILED FROM HOLE TODAY

Prospects for Good Caddo Producer are Reported

Operations to drill the Danziger Oil and Gas company's No. 1 Mary Abbott into the lime were started today as crew began bailing water from the hole preparatory to drilling out the plug.

The casing was cemented on top of the Caddo last week after the well found a promising show of oil and gas at 2,965 feet. The formation was topped at 2,960.

Oil rose in the hole more than 200 feet on a considerable volume of gas was reported.

The well, 2,000 feet southeast of the Groover and Rose No. 1 McElreath, is the first to be drilled in the area since the McElreath was completed last summer. The McElreath, four and a half miles south by west of Cisco, is still producing its allowable of 50 barrels per day regularly on natural flow.

The Abbott plug probably will be drilled tomorrow morning, operators said.

Texas Wheat Wins In International Show

COLLEGE STATION, Dec. 2.—High quality of Texas wheats is demonstrated in the showing made by them at the recent International Grain and Hay show in Chicago.

A sample of Tenmarq wheat grown by J. D. Wilbanks of Hansford county, Texas, won first prize in competition with the entire United States and Canada in the milling and baking contest sponsored by the show.

In the same contest entered by three other Hansford county wheat growers, W. F. C. Eling, George Stewart and R. C. Chase, placed sixth, eleventh and twelfth, respectively, according to J. M. Hatton, county agricultural agent.

Few County Offices Have Changed Hands

There were few changes in county offices Wednesday, January 1, 1941, the day upon which new terms of county offices began.

Both district judges, Judge B. W. Patterson of the 88th court and Judge George L. Davenport of the 91st, started new terms. So did County Judge W. S. Adams; District Attorney Earl Connor, Jr.; District Clerk John White; County Clerk R. V. Galloway; Sheriff Loss Woods; County Treasurer Garland Branton, and three of the county commissioners, including Arch Bitt of Precinct No. 4, the Cisco precinct.

The county got a new county tax assessor-collector when Clyde S. Karkalis took office succeeding C. H. O'Brien. O'Brien was not a candidate for re-election, after having served two terms, and Mr. Karkalis had no opposition. Mr. O'Brien has not announced what employment he will undertake.

The retiring county commissioner is N. C. Crawley of the Gorman precinct, who was succeeded by A. M. Thurman.

In the Cisco justice precinct, Justice R. L. Wilson was succeeded by W. E. Brown. There will be no change in the constabulary, J. J. Honea having been elected to succeed himself.

The county superintendent is elected for a term of four years, and the end of the current term does not come until two years hence. T. C. Williams carried his office over the new year without formality.

Minimize the Hardships

NATURALLY, it is going to be impossible to summon hundreds of thousands of young men from civilian life into the military service without hardships of varying degree.

But every effort ought to be made to minimize those hardships and hold them down to what proves absolutely necessary.

For instance, this has happened many times: a young man is ordered to report for service, and given five days' grace to clean up his affairs and cut the ties of civilian life. He quits his job, gives up his lodgings, turns over his business, if any, to others; sometimes he even sells most of his clothes and possessions. Then he reports at camp as ordered. Given a final physical examination there, he is rejected, and sent back to pick up what threads of civilian life he can pick up again.

The New York selective service administrator, Col. Arthur V. McDermott, has had to issue a warning to draft eligibles that they may be thus rejected at the induction

centers, and advising them to keep this in mind in arranging their affairs, so as to avoid, as far as possible, the resulting dislocations.

TO begin with, employers ought to realize that this often happens, and try to keep a man's job "on ice," so to speak, for a few days after he is called up, so that he may resume it if he is rejected. Others similarly affected might well try to show the same consideration.

Best of all, of course, would be to give the selectee a final physical examination before he leaves the home community. Whether this is possible to arrange or not, we don't know. But it should surely be considered, with a view to putting such a system in effect if that proves practicable.

If not, many of the inevitable hardships can perhaps be minimized if selectees themselves will guard as carefully as they can against possible last-minute rejection, and if those associated with them in business and personal life will co-operate to the fullest possible extent.

It is likely that the selective service system, perhaps with modifications, will continue for many years. Paul G. Armstrong, Illinois director, has been quoted as saying that in his opinion it will continue long after 1945, when the present armistice ends by law.

This being the case, every effort should be made to iron out kinks in the system so that it may function smoothly and with a minimum of dislocations and hardships for the men concerned.

Fort Worth and had Christmas dinner with Mr. and Mrs. Zack Ratliff, sister and brother-in-law of Mrs. Snodgrass.

Mr. and Mrs. Charles Lee drove up to Cisco Christmas day and were guests of Mr. and Mrs. S. H. Montgomery.

Mr. and Mrs. Tom Alread and son, Bobbie, and daughter, Wynon, drove down to Comanche and had Christmas dinner with Mr. and Mrs. John Hammond and family.

Miss Lois Clark, who is attending Abilene Christian college, spent the holidays here with her parents, Mr. and Mrs. L. E. Clark.

Miss Ava Grindstaff returned Saturday from Haskell, where she had visited her parents. She was accompanied back here by one of her sisters, whom she took on to Mineral Wells that afternoon.

Wayne and Robert Wells, who are attending John Tarleton college, Stephenville, spent the holidays here with their parents, who live a few miles northeast of town.

Mrs. W. H. Powers and son, Jack Powers, spent Christmas day at Gorman with her sister, Mrs. Helen Pullig, and family.

Rev. and Mrs. H. B. Clark returned Saturday evening from Corsicana, where they had spent Christmas with their two sons and their families.

Prin. Sam Jones and his wife and little son and daughter, visited his father and family at Huckaby, on Christmas day. There were 25 relatives at the dinner that day.

Mr. and Mrs. C. A. Skipping and two small sons spent Christmas day with her father near Brownwood.

Mr. and Mrs. J. H. Fraser returned Sunday from Hawley, in Fisher county, where they had spent a week at the home of their son. All of their children and grandchildren ate Christmas dinner with them at that son's home, making a crowd of 25. Mrs. Fraser came home with crutches, as she fell out of a doorway and hurt her ankle, so she has not been able to walk on it since.

Rev. Orville Richardson, pastor of the Baptist church, conducted funeral services at his church on Wednesday afternoon, Christmas day, over the remains of Geneva Lancaster, who died Tuesday evening at a Gorman hospital from injuries received when struck by a car Saturday on the Desdemona-Eastland highway about two miles from here. According to reports the little girl had been playing on the highway and was trying to ride the road grader and jumped down to the group at the side of the grader and ran right in front of the car, which was driven by a lady from Cisco, who carried the little girl to the hospital at Gorman. Although every possible care was given her, she passed away Tuesday evening. In spite of a slow drizzle of rain a large crowd of relatives and friends gathered for the services.

The little girl was the daughter of Mr. and Mrs. Jim Lancaster, who, with their seven children, lived on the Munn farm a few miles west of here. The rain was falling all during the funeral, but in spite of the rain, a large crowd attended the funeral and placed beautiful flowers on the casket. Those who witnessed the accident were of the opinion that the lady driving the car was not to blame as it was impossible to see the child at the back of the grader.

C. H. Genoway and wife had as their guests of Christmas day their daughter, Mrs. Roy Cyfert and husband, of Whitney and another daughter, Mrs. Morris Nance, and her husband and baby of Hillsboro.

Mr. and Mrs. Frank Gee and children of Talco spent the past week with her parents, Mr. and Mrs. Ed Morrow. Mr. and Mrs. Morrow also had with them their other daughter, Mrs. Bill Adams, and husband, Mr. and Mrs. Adams, who visited his parents, Mr. and Mrs. Robert Adams.

A C. Robert of Freer was here from Thursday night until Saturday morning, looking after his property and visiting his many old friends. Walter May and Hugh Abel took him to Stephenville, where he took the bus for his home.

Mr. and Mrs. Jesse Sparkman and son visited relatives at Fort Worth Saturday and Sunday.

The Ladies' Bible class of the Baptist Sunday school presented Theron Saint, son of W. A. Saint, with a Christmas box, which contained a nice bath-robe, house slippers, four pairs of pajamas, wash rags, soap, tooth paste, seven pairs of socks, two laundry bags, a shirt and a number of other things which he will need when he goes to Sanatorium near Carlsbad, some time soon to be treated at the state hospital for tuberculosis. Theron, who is about 26 years old, has been here several months with his father and step-mother, waiting for arrangements to be made for him to go to Sanatorium. Mrs. W. H. Powers and Mrs. Jesse Sparkman were the committee from the SS class to see about getting the gifts together. Not only members of the class, but friends who are members of other churches and some who are not of any church gave gifts for the box, which was much appreciated by Theron.

Lewis Nabors left Saturday for Barksdale field, where he will spend a few days before returning to Tulsa, Okla., where he is taking some special courses of study. On Friday he and his mother, Mrs. Tom Nabors, went to Eastland to see Barbara Patterson, her granddaughter, who had received a broken arm when going down a trolley slide.

Chester Patterson of Freer visited his parents, Mr. and Mrs. George Patterson, Christmas day.

Mr. and Mrs. Horace Lane and daughter, Bobbie Jean, and Mr. and Mrs. Bonnie Beach and little daughter, visited relatives at Big Spring during the holidays. Others from here who went to Big

Spring were Mr. and Mrs. Gifford Acree and son, Jan, and Mr. and Mrs. Kenneth Paul and little daughter, Joan.

Phil Reid, who works for a lumber company at San Marcos, spent Christmas here with his parents, Mr. and Mrs. Ford Reid.

Leon Alread and family left on Thursday morning for their home in Fort Worth after a short visit with relatives here. Miss Wynon Alread went home with them, and on Saturday her parents, Mr. and Mrs. Tom Alread, drove down and spent the day and brought Wynon home with them.

Miss Billie Jean Reid, who has just completed her business course at a San Angelo business school, came home a few days before Christmas and will remain for some time.

An item of interest which we failed to mention last week was that Mr. and Mrs. Claud Lee and two children of Alice spent Thursday night with his brother, Jack Lee, and family. They lived here a few years before moving to Freer about five years ago, and their many friends are always glad to see them.

Arch Brown of Dublin came up Sunday and stayed until Tuesday morning with his mother, Mrs. A. C. Brown, who is still seriously ill.

Mr. and Mrs. Erma Abernathy of Lorenzo, came on Monday of last week and spent the holidays with his mother, Mrs. H. J. Abernathy.

Mrs. Paul Moore of Brownwood spent the holidays here with her grandparents, Mr. and Mrs. C. H. Genoway.

Mrs. Guy Bruce visited her parents near DeLeon Saturday.

Mr. and Mrs. Ford Greenhaw

and baby of Lorenzo spent the holidays here with his parents, Mr. and Mrs. Walter Greenhaw.

Mr. and Mrs. Floyd Moore and children spent Christmas with her parents near Victor.

Mr. and Mrs. W. H. Powers spent Christmas day with their daughter and son-in-law, Mr. and Mrs. Aaron Henslee and two children at Fort Worth.

Mr. and Mrs. Sam Finannon returned Saturday from Jacksonville, where they had visited her mother, Mrs. W. A. Battle, and her sister and a brother.

Cisco Youth Sent to Kelly Field Post

Hal Bon Page, son of Mr. and Mrs. Thomas W. Page, has been accepted as a recruit for the U. S. army air corps and assigned to Kelly field, it was announced by the recruiting service at Eastland today. Young Page was the first youth to be sent from Cisco December.

W. B. Hilliard was here for a few hours on Tuesday of last week looking after business affairs and greeting old friends. He and his wife are spending the winter in Fort Worth with their daughter, Mrs. Obed Henslee and family.

Married—On December 21, 1940, at Ranger, Miss Mabel Moore to Mr. Dave Munn. They left at once for Corpus Christi and other points in South Texas. The bride is the daughter of Mrs. F. W. Moore and has made her home here all of

Hoyt's Answered Two Great Needs States Mrs. Koch

Amarillo Mother and Daughter say Hoyt's Compound Mended Broken Health, Regulated Vomiting Spells, and Renewed Appetite.

"Hoyt's Compound worked like magic for my 12-year-old daughter and me," says Mrs. A. J. Koch, of 705 Jefferson St., Amarillo, Texas.

MISS LOUISE KOCH "A year ago, my health broke. I had sour stomach, gas bloating, indigestion and dizzy spells. There was a knotty sensation in my stomach. I was nervous, couldn't sleep. My daughter Louise had no appetite and was bothered with vomiting spells. She was underweight, and often had to stay home from school.

"Hoyt's regulated my stomach and bowels, ended my nervousness and dizziness. Now I sleep well, have a good appetite. It controlled my daughter's vomiting spells, helped her regain weight and color. She eats well. She likes Hoyt's, and even asks for it!"

Hoyt's Compound is sold by the Moore Drug Store, and for your convenience, by druggists everywhere.

"Inventory" Time For Body, Says Health Officer

AUSTIN, Jan. 2 (Spc)—At the close of the old year and looking forward to 1941, Dr. Geo. W. Cox, state health officer, reminds Texans that this is inventory time and that it is quite as important to "take stock" of one's physical assets and liabilities as it is of one's financial resources.

"We would not think of running our automobiles without having them thoroughly gone over every now and then. But we neglect to have this very important thing done to the wonderful human mechanism we carry around with us in our bodies. We can buy spare parts for our automobiles—engines, batteries, wires, all the rest of the paraphernalia that goes into the making of a serviceable car, but when the heart, the kidneys, the nervous system, or other parts of the human machine show signs of wear and tear, we cannot replace them with new ones. But we can find out how to take care of our human

mechanism, so that we can conserve and prolong its usefulness. "One of the best ways to do this is for each person to go to his or her doctor, at regular intervals, for a thorough medical inspection of the human machine. If a weak spot has developed in some part of the system, very often the doctor can advise as to ways by which the encroaching weakness or disease can be checked. This will help in prolonging life and prolonging it for healthy usefulness.

"The boys and girls who grow up today are getting accustomed to these periodical examinations through the regular inspections they have in school. And every young mother knows that the best way to keep her baby and her other young children well is by having them under regular medical supervision. So, it is the grown-ups who need this advice, and I urge each individual who has not had an examination recently to begin the new year by following the custom of the wide-awake motorist. Have your physician check up on all parts of the machine. Then do as he tells you to do."

Wylie to Publish Peanut Ass'n News

GORMAN, Jan. 2 (Spc)—T. C. Wylie, for the past four years publisher of the Progress at Gorman under a lease contract with the owner, J. W. Cockerill, completed his contract with last week's edition of the paper, and stated that with that issue the paper was being turned back to Mr. Cockerill.

Mr. Wylie said that after January 1 he will be connected with the Southwestern Peanut Growers' association as editor and manager of the Southwestern Peanut Growers' News, a monthly publication, the first issue of which, he states, will be issued within the next two weeks. Mr. Wylie and family will live in Gorman.

Dairy Leaders Foster Boys' Baby Bull Club

FORT WORTH, Jan. 2 (Spc).—Texas dairy leaders, breeders of pure-bred dairy cattle, vocational agriculture teachers and extension workers are highly gratified at the interest being shown in the "Boys' Baby Bull Club," a statewide project inaugurated by the Texas Dairy Products association during the past summer.

The club, one of its kind in existence, has for its purpose the encouragement of Texas farm youth in the raising, development and sale of dairy sires of the highest standards. It is unique in that accomplishment depends upon a partnership agreement entered into by a selected group of farm boys and the out-standing Jersey breeders of the state.

The contract evolved by the Texas Dairy Products association provides that the breeder furnish without cost to a selected boy, a bull calf of individual merit and passing necessary production requirements to meet registration standards as set out by the Jersey Cattle club of America on January 1, 1942.

The boy in his part agrees to feed and care for the calf in such manner as to insure its maximum growth and development. In this, he agrees to follow the recommendations of his club leader, vocational agricultural teacher or county agent. He agrees also to exhibit his calf at any designated livestock or dairy shows in his county or district where a special class for club bulls is scheduled.

Title to the animal is vested in the breeder until termination of the contract in the fall of 1942, at which time the bull will be sold at public auction with breeder and club boy sharing in the net profits. It is also provided that the bull may, by mutual consent, be

sold at any time after January 1, 1941, or that the boy may at any time exercise his option to purchase the breeder's interest, thereby terminating the agreement.

To date more than 90 calves have been placed with boys throughout the state. There is a waiting list of some 125 boys. These will be supplied as quickly

as qualified bull calves are available.

According to officers of the dairy association the movement is serving a two-fold purpose—that of encouraging farm boys along degrading lines and bringing realization to Texas dairymen and dairy cattle breeders of the necessity for a uniform supply of top

ranking sires if the state is to make any appreciable gains in production per cow.

In the United States alone there are about 10,000,000 stock collectors.

Fishing is Alaska's great industry.

Jean Parker Heads Cast; FREE TICKETS available at Putnam

Jean Parker, who has played leading roles in many movie hits during the last few years, heads the cast of "Melody Comes to Town" feature picture to be shown in Shackelford Store here on January 9th. This movie, fifty minutes in length, headlines the John Deere Day entertainment and educational program to be sponsored by Mr. Shackelford. Admission will be by ticket only, but tickets may be obtained free of charge at Shackelford's Store.

"Melody Comes to Town" is an appealing story of a small town girl who makes good as the youthful leader of a famous orchestra—but who comes back to help when her home folks are in trouble. It's the story of a "Scattergood Baines" newspaper editor who joins forces with a couple of high school boys to help a widowed mother and her injured son... of football coach and the Ladies' Aid Society... of "Old Lady Dunham," who really is a charming, young, teacher. Included in the cast are lovely Jean Parker, Jackie Moran, Joe Brown, Jr., Frank Faylan, Natalie Moorehead, and stuttering Roscoe Ates.

In addition to "Melody Comes to Town," four other new, all talking pictures will be shown. They include "The Road to Happiness"—an interesting story of John and Clair Blane, a typical small-farm couple who eliminated many long hours of tedious toil and found a new happiness in farm life... "The Sheppards take a Vacation"—an educational picture showing the change in harvesting methods which is taking place on small and medium sized farms throughout the country—"The Control of Quality"—an enlightening picture that takes you behind the scenes in the building of modern farm tractors, and a short news reel of "What's New in Farm Equipment for 1941."

Mr. Shackelford is extending a cordial invitation to all farmer readers of this newspaper—and their neighbors—to be his guests on John Deere Day, January 9. Only be sure to call at Shackelford's Store for your free tickets, if you don't already have them, before January 9th.

Former Cisco Man Seriously Burned Monday

Word received here this week said that Johnny Pate of Brownwood, a former Ciscoan, is in a critical condition at the Memorial hospital in Brownwood, suffering from severe burns received while employed in construction work at Camp Bowie.

Attendants at the hospital informed Police Chief M. L. Perdue of Mr. Pate's condition in a telephone conversation Tuesday. Joe Sheridan, a brother-in-law, who lives several miles south of Cisco, was notified of the accident.

Mr. Pate made his home in Cisco the greater part of his life until two years ago. He is well known here.

FFA Boys Successful in Feeding Programs

Jerry and Jack Myrick, sons of Mr. and Mrs. A. Z. Myrick, are feeding two of the seven Future Farmer baby beef projects being supervised by T. G. Caudle, director of vocational agriculture work in Cisco high school.

Both boys have Aberdeen-Angus sires which they purchased last March from Crofts Bros. ranch here. The boys are having excellent success with their feeding programs and plan to show their calves at the spring stock show here.

Numerous other livestock projects are being carried out by FFA members here and the spring stock show promises to be unusually interesting from the standpoint of such exhibits, Mr. Caudle said.

normally require a large part of the machine tool industry's output.

Automobile Changes

William S. Knudsen, director of the office of production management for defense, had already indicated to the automobile industry that changes would have to be held to a minimum in 1942 models, and similar action concerning other types of consumer machines is predicted.

Authorities forecast that the "tight situation" in the machine tool industry would last a year and a half or two years. In addition to the demands being made upon the industry to help develop an airplane production capacity of 50,000 a year, and to equip plants which can arm 1,200,000 men completely and turn out "critical" weapons for 800,000 more, additional large orders for tools are in prospect next year for more powder and high explosive plants.

Belief was expressed in some quarters that a shortage of skilled labor would develop by the time the defense program approached its peak in 1942, and that production in the automobile industry would have to be curtailed then and diverted to munitions manufacture.

Radios and phonographs were mentioned as other goods that might be affected by the machine

Former Cisco Publisher Dies at Abilene

ABILENE, Jan. 2.—Greenleaf Fisk, 66, publisher of the Abilene Times since 1921, died at his home Sunday of a heart complication following a week's illness of influenza.

Funeral services will be held today at 3 p. m. at St. Paul Methodist church with the pastor, Dr. C. A. Long, officiating. Fisk was president of the board of stewards of the church.

Fisk was born at Liberty Hill, Texas, Oct. 21, 1874. He entered the newspaper business 45 years ago when he bought a weekly at Liberty Hill. He went to Eastland in 1907 and bought the Chronicle, publishing it until he purchased the Cisco Roundup in 1911. He came here from Cisco.

He was married to Frances Battle of Georgetown in 1902. She and a brother and sister survive him.

Throughout his newspaper career Fisk was active in church, political and fraternal circles. He was a Mason and Shriner, a former mayor of Eastland and served ten years as Eastland county democratic chairman.

Pall bearers will be R. B. Wylie, Dean R. G. Bogar of McMurray college, Walter E. Jarrett, S. M. Jay, E. R. McDaniel, O. P. Thorne, Mason Altman and Thomas E. Hayden.

Former Cisco Woman Dies Suddenly

Mrs. H. H. Enderley, wife of a former Sinclair Oil company agent in Cisco, died suddenly Sunday morning in her apartment in the Baker hotel at Mineral Wells. She and her husband had just returned from breakfast when she was stricken with a heart attack and died within a few minutes.

Funeral services were held at Mineral Wells Monday. Mart Agnew of Cisco attended the services.

Mrs. Enderley is now employed as automotive instructor at the Mineral Wells government camp.

Peanut Warehouses Ruled to Be Exempt

WASHINGTON, Jan 2 (AP).—The wage-hour division granted Friday a seasonal exemption from the 40-hour week provision of the wage-hour law for the warehousing of peanuts in establishments other than mill warehouses.

Administrator Philip B. Fleming said that warehouses other than mill warehouses satisfied the requirements of the "seasonal industry" regulations.

Warehousing operations includ-

ed in the exemption may be carried on up to 12 hours a day or 56 hours a week for an aggregate of not more than 14 work weeks in any calendar year without payment of time and a half for overtime.

An application for similar exemptions for the cleaning, shelling and storing of peanuts in milling establishments was denied.

Mrs. George Atkins is seriously ill with influenza at her home. A blood transfusion was administered last night and her condition was reported improved today.
