PROM the day it appeared, this 1941 Ford car has been a big success with the ladies. See it and you soon see why.

Most women like big cars, and this is one! Wide seats carry 3 in real comfort. Big wide-opening doors make it easy to get in and out. Its passenger space is the roomiest in the Ford price field this year!

Women like comfort, and here it is! Comfort of a ride that is entirely new this year. New in softness. New in quiet. New in the easy and substantial big-car sense it gives, front seat or rear, over good roads or bad!

Women know style, and this Ford has it! Style with character behind it to make it stay good style. Style that hints of Lincoln-Zephyr in the sweep from front to rear. Style that comes of quality down to the last detail!

Women like value, and that always means a Ford! From 8 cylinders at no extra cost to run, to extra equipment included in the low price of the car...here is the finest
