

Sheffy's Chatter

Sisters tour Missouri, Arkansas

By MYRTLE SHEFFY
Mae Taylor and her sister Katy Freeman of Roscoe went with 38 senior citizens in Amarillo east to Missouri and Arkansas on a bus tour of the interesting places.

Graham and Karen. So the parents were hosts at a skating party at the Dimmitt roller rink Monday night (Nov. 2). A crowd of kids were there, with the pickup foods to eat. Much fun.

Retta and Billie Cluck, Jimmy and Mary Cluck went to Hollis, Okla. for a family reunion of the Farris family. Others from here going were Elmer and Jewell Scott, Loyd and Augusta Farris and granddaughter Stephanie of Hart.

Simpson and Bea Hawkins were elected leaders of the session. Charles McLean was elected to the Board of Trustees, Mary Kate Love is the treasurer, Ruth Cochran was elected church school superintendent. Following the meeting, the group had a covered dish lunch at the city hall.

Sunday for a family get together at Al and Frances Lyles' house to celebrate their 40th wedding anniversary. Karen's brothers Dennis of Amarillo and Jerry from Odessa and their families were there. Dinner and the cake and much talk was the order of the day.

COTTON SET ASIDE?
With a lot of cotton and low prices this year, the government may create a cotton set-aside program - a program in which farmers would be

paid not to grow cotton on a certain amount of land. Such a program would be optional, of course. Based on past experiences, a 15% set-aside would result in only a 3% to

5% decrease in production, points out an economist with the Texas Agricultural Extension Service. This reduced production would roughly increase cotton prices by 5%.

Charles and Margaret Kuntz of Hereford have a new baby boy they received from a cradle last week. His name is Darien Charles Kuntz.

Gene Ivey and his sister Lucille Hicks are at Harrison, Ark. to be with brother Bobby Ivey who is quite ill. Connie Ivey went to Spearman Monday to be with her daughter Zetha and J. E. Blackburn and also to go see and hear granddaughter sing in the musical "South Pacific."

Mike Elder has moved to Washington, D. C. where he will be district sales representative for the Conn organs, mostly church and business types and stage. Mike is the son of George and Bessie.

Jeannie Miller and son Jack and wife Murna were in Abilene last week to attend the ACC (University) board meeting, also to see the football game. Abilene won. They had dinner with the president, John Stevens.

RECENTLY legal authorities were somewhat surprised to find that the widow of a Liverpool, England policeman had designated \$230 of her estate to provide a treat for the city's police dogs.

all blazers 25% off! Wide color selection in cords and wool blends. Several styles to choose from. Thursday, Friday & Saturday Only Tots and Teens On the 'Young at Heart Corner' 101 E. Bedford, Dimmitt

Richard and Ruth Wooten are home from their jet trip to Los Angeles and Encino. Their niece Nita Woods had been here for a visit. They flew back with her. They saw other relatives, the Scotts who entertained them. They had a boat cruise on the bay. Had a good time. Ruth says it was somewhat smoggy but they flew in okay.

Jim and Robertha Bagwell had company Saturday, her brother Buck and wife Lora Williams of Abilene and brother Elmer and Blanche Williams of Plainview. A while back the Bagwells went to Midland to visit daughter Grace Marie.

The Presbyterian Church had their annual congregational business meeting last Sunday after the morning worship service. Rev. Ed Freeman tells us that M. L.

This week Jo Gregory and friends Lena Benton of Lubbock, Jeannie Miller and Helen Bishop (she is a sister of Ann Carpenter) all went to Angel Fire. Probably to see the beautiful colored trees in the valleys.

Graham and Karen Sheffy and children went to Amarillo

WORLDWIDE INTEREST Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. The earth is the Lord's and the fullness thereof; the world, and they that dwell therein. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. Olton church to host evangelists

Rev. Hardy Brundage and his wife, Marianne, will be ministering at the Olton Faith Christian Fellowship at 704 S. Main in Olton on Friday, Saturday and Sunday, according to Pastor Alan Carson.

Mrs. Brundage is a gospel singer, and also tells of how she was healed after being diagnosed as having terminal cancer.

Services will be held at 7:30 p.m. Friday and Saturday, and at 10:30 a.m. and 6 p.m. Sunday, and all are invited to attend.

Hardy has been involved in Christian radio and gospel music for 13 years. He resigned from his position as vice-president and general manager of the Swaggart Broadcasting Co., a division of the Jimmy Swaggart Evangelistic Association, to

Kiwanis wants late pheasant hunters

For a new twist on their annual pheasant hunt and breakfast, the Dimmitt Kiwanis Club is considering trying to get more hunters to come the second or subsequent weekends of the pheasant hunting season.

"There are several landowners who would be willing to add their land to our hunting preserve after the first weekend," reported club member Robert Benton at the club's Monday meeting. He added that if hunters would try to come later in the season, they would also have a better chance of getting a

bird.

Club President Jimmy Davis said that nearly 90% of the hunters who buy permits to hunt on the club's hunting preserve come the first weekend of the season.

Davis reported that Matt and Gaines Howell volunteered to supply the hog for the making of sausage to be served at the hunters' breakfast Dec. 12. The gift was donated "in appreciation for all your club did for me while I was in the hospital," Matt said.

Club Secretary Bill Thorn-

ton and members John Kovacs, Cliff Oliver, Charles Richard and Walter Spinhirne plan to accompany Davis to the Nov. 10 meeting of the Division 33 Council at 7:30 p.m. in the Security Federal Savings and Loan in Amarillo.

The 18 club members and the club sweetheart present at the meeting were joined by guests Curt Fitzgerald and Becky Benton of the Dimmitt High School Key Club; and Delbert Rudd and Claude E. Sanders both of Post, and Clarence Rogers of Lubbock, workers with the highway department and guests of Doyle Wasson.

Next meeting's program will be presented by Dimmitt High School basketball coach Ken Cleveland.

ALL men are born free and equal. Neither the US Constitution nor the Declaration of Independence contains this statement.

RIBBON-CUTTING was held Friday morning for the new building of Don's Wrecker Service & Body Shop, 201 E. Andrews, owned by Don Elliott. Here, Joe Josselet (left) and Bob Caddell of the Chamber of Commerce hold the ribbon while Elliott mans the scissors. Others, from left, are CofC Director Clara Patton, holding a complimentary potted plant from the chamber; City Manager Paul Catoe, holding the

company's framed "first dollar of clear profit"; Elliott's wife, Trish, with the firm's CofC membership plaque; CofC Manager Delores Heller, and body repairman Johnny Davis. With his new building, Elliott now offers complete body repair, windshield and window glass replacement, and automotive painting in addition to 24-hour wrecker service.

Big cotton crop calls for marketing strategy

Cotton, cotton everywhere — and what to do with it.

That's the dilemma facing Texas cotton farmers.

"Because of this year's bumper cotton crop, cotton supplies are plentiful, the demand is weak and prices are below the cost of production," points out Dr. Carl Anderson, economist in cotton marketing with the Texas Agricultural Extension Service, Texas A&M University System.

Thus farmers are trying to decide what to do with this year's crop — sell now, hold and hope for a higher price, or try to work a delayed pricing strategy.

"Deciding when and at what price to sell is not easy," says Anderson. "However, developing a 'feel' for the market and following a good marketing program can pay off big."

"With a current depressed cotton market, many farmers are trying to decide whether to place cotton under the government loan program or

to try a delayed pricing strategy such as the seller's call contract," notes the economist.

Under the government loan, cotton comes off the market and provides some cash flow for farmers. But it costs about a cent a pound per month to hold cotton in the loan program. Eventually, it has to move to market, so the loan program may not help market prices that much.

Under the seller's call contract, the farmer's price for cotton is tied to the futures market price, explains Anderson. This gives the farmer an opportunity to actually establish a price for his cotton after delivery. However, the farmer must be sure to understand contract terms and conditions.

Here's how it works. The farmer agrees with a broker or buyer to deliver his cotton and to transfer ownership at that time. In Texas, terms of most seller's call contracts call for a cash advance to the farmer of an amount equal to

the loan value at delivery time. Also, most contracts specify the loan value as a price floor.

"Once he delivers the cotton, the farmer has no further storage costs but he can participate in a market upswing," explains the economist. "The seller's call contract specifies that the farmer's price will be a certain number of points off a given futures month. The farmer decides the date for the price relationship to the futures contract month."

Anderson gives this example: Assume a farmer selects the March 1982 futures for his contract. If cotton in the March Strict Low Middling 1-1/16-inch futures contract is trading at 68 cents a pound and the farmer's current spot price is 58 cents for the same quality, his spot price is fixed 10 cents under the March futures contract if he signs a call contract. Thereafter, if the March futures goes up or down, the farmer's price will be 10 cents a pound less.

"A seller's call contract should allow for changing to a new contract month for a small fee," notes Anderson. "This allows the farmer to watch the market and sign the call contract when the difference between the futures price and spot price is relatively small. In other words, the smaller the difference between the two market prices, the better off the farmer is."

To use the seller's call contract wisely, a farmer must follow changes and reasons for changes in both the futures and spot markets, emphasizes the economist.

"The key point to remember is that the farmer benefits from the call contract when prices increase," notes Anderson. "However, the spot price must have been fixed under the call contract or there would be no price protection in a falling market."

While both the loan program and the call contract can benefit a farmer if market prices increase, carrying costs tied to the loan can be excessive, depending on the length of storage. On the other hand, the call contract offers immediate transfer of cotton and gives farmers more flexibility in a changing market, believes Anderson.

Nov. 14 set for workshop

Nov. 14 is the date set for a writing workshop and contest for junior high and high school students in the Panhandle.

The event is sponsored by the Texas Press Women's District 15, an affiliate of the National Federation of Press Women. It will be held in Ordway Auditorium of Amarillo College beginning at 8 a.m. and continuing until noon.

Registration will begin at 8 a.m., followed at 8:30 by the opening session.

Students may choose to attend any of these workshops: photography, page make-up, feature writing, advertising and journalism careers.

Contests on newswriting, headline writing, and feature writing will begin at 10:15 a.m. Presentation of awards will be at 11:45.

Certificates will be awarded for first and second place in each event, but students may enter only one event. Scholarship applications will also be available.

SPS declares dividend hike

Southwestern Public Service Co. has declared an increased regular quarterly dividend of 37 1/2 cents per share on its common stock, and regular quarterly dividends on all series of preferred stock.

The common stock dividend increase of three cents per share quarterly advances the annual dividend rate from \$1.38 to \$1.50 per share.

The common stock dividend is payable on Dec. 1 to holders of record at the close

of business on Nov. 16, and the preferred stock dividends are payable on Feb. 1, 1982, to holders of record at the close of business on Jan. 20, 1982.

Southwestern Public Service Co. provides electric service for eastern and southeastern New Mexico, the Panhandle and South Plains of Texas, the Oklahoma Panhandle and southwestern Kansas.

Bobcats seek third win against hard-luck Olton

By JOHN BROOKS

"We've got to play well again this week, or Olton will sneak up on us."

That was the warning from Coach Mike Major as the Dimmitt Bobcats prepare for their 1981 season finale.

"Maybe I should change that — they might blow right by us," said Major. "Their tailback, Edward Wright, is a speedster, and he does have some blockers. They've got two big tacklers, Todd Holt (200) and Doug Smith (270), and they've moved Jonny Hutson (200) from tight end to fullback. They're a better team than 0-9."

Major explained why Olton hasn't done well this year. "You've got to have some numbers, first. Coach Dick Rogers told me the other day they had just 16 people left. They've had some personal problems crop up, some injuries, and some other things that have beset them this year. But everybody knows they'll be ready to play Dimmitt. If you've been playing each other for 40 or 50 years, people in town say, 'Son, I wanna tell you about the time . . . and the kids get fired up. I know they beat us last year, 21-0, and that should provide some incentive for us."

"I also know the prospect of finishing second in the district should provide some incentive. The only way to get there is to win Friday night," said Major.

Dimmitt's defense, solid for the last seven quarters for play, will be tested by the Mustangs.

"This Wright kid is good," said Major. "He's got good size, weighs 170 pounds, and has super speed. He can turn the corner, reads the holes well, and he's big enough to run inside. We'll have to be on our toes the whole 48 minutes or he'll kill us."

Major said it's going to be tough sledding this week for the Bobcat offense against a bigger Olton line.

"They have all those big guys over there on the defensive line. They'll average 213 pounds a man. Their best defensive player is probably the Hutson kid at the end. He's a super ball player," said Major.

"We played well on offense last week. They had just one more snap than we did, and Richard threw the ball well. We only threw it 10 times, but he didn't have any interceptions. He overthrew the people when they weren't open, and that makes it hard to intercept. You're talking about having to throw it seven or eight feet high to overthrow our people," said Major.

"We can't say enough about our defense," praised Major. "But we can't rest on our laurels. We got a whole bunch of confidence last week, and in the last three quarters against Littlefield, in our defensive ability. But we'll have to play well again this week."

"We'd like for our senior to go out winners," Major continued. "We've had a lot of help from our seniors. A lot of them came back out for football after sitting out for at least one year. We want to thank them for that, and thank them for their efforts this year. They helped a lot."

Seniors who will see their final action for the Bobcats include Ricky Gonzales, Mario Moreno, Phil King, Kent Kirby, Larry Espinosa, Jay Reeve, Ramiro Esquivel, Jerry Thomas, Ty Koch, Gabriel Montiel, Todd Hatla and Paul Carroll. The group includes four defensive and three offensive starters for the Bobcats.

Game time is 7:30 Friday night in Bobcat Stadium.

Swarming Bobcats kick and corral Mules, 10-7

By JOHN BROOKS

Dimmitt used a swarming defense, a superb kicking game and its best ball-control offense of the year to upset Muleshoe, 10-7, before a Homecoming crowd at Benny Douglas Stadium in Muleshoe Friday night.

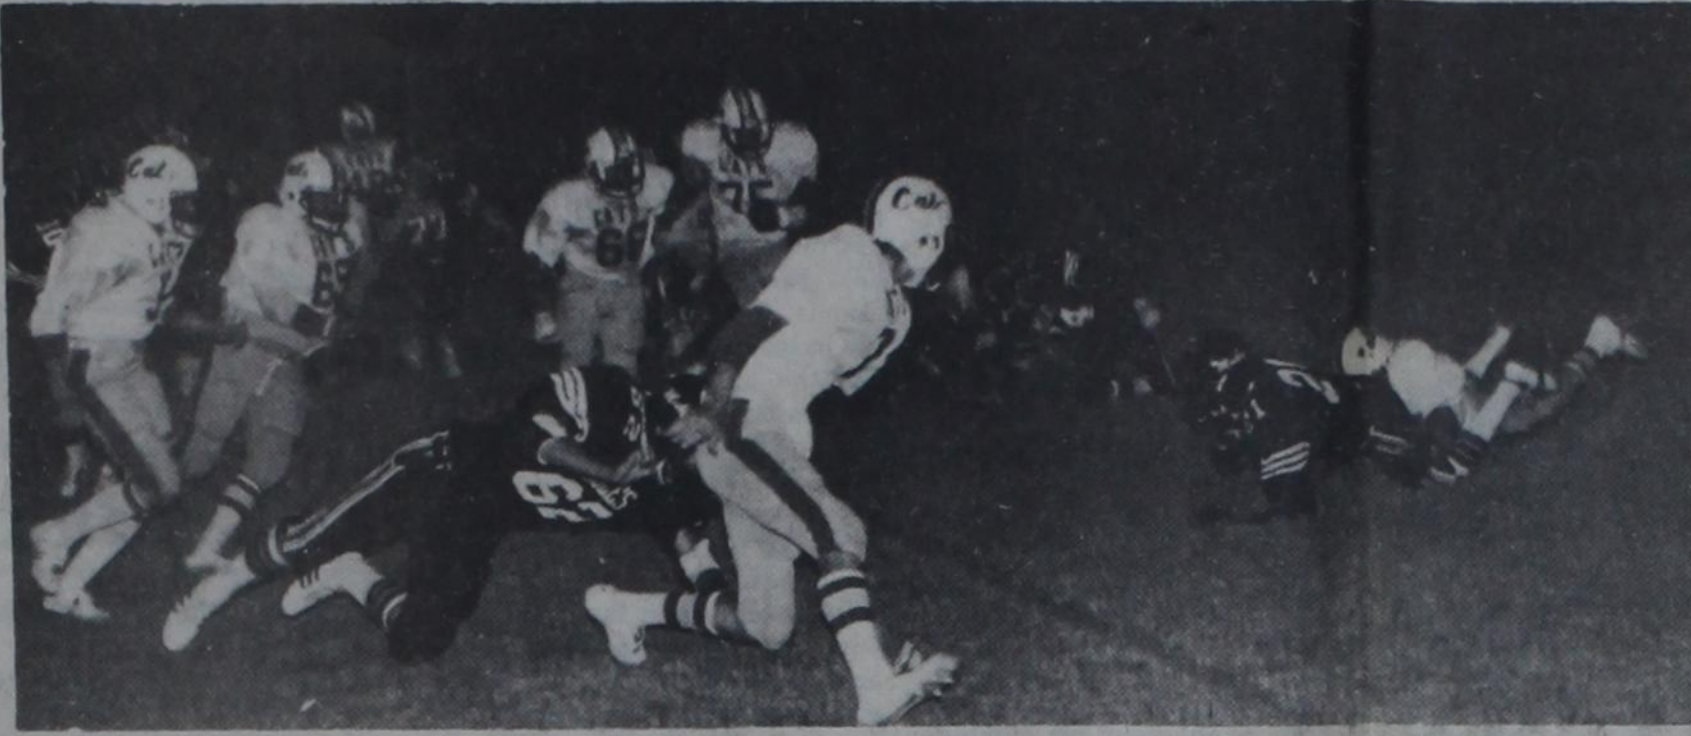

The home stand was a unanimous picture of shocked dismay as the Mules, now 5-3 were hot-and-cold on offense during the game.

An ebullient Dimmitt Head Coach Mike Major says you can blame that on the Bobcat defense.

"Our kids haven't given up all year long, from ball game to ball game. We came out and shut them down. We had just one breakdown, on their touchdown pass. We told the young man not to let them get deep on us, but the guy just went right on by."

"It would have been nice if we had been able to use Ricky Gonzales all year long. He has played two super ball games."

All Gonzales did was intercept three passes, tackle the punter for a three-yard loss on

SCOTT NELSON snares Muleshoe's Chris Kirven [21] for no gain while Bobcat teammates close in during second-quarter action at Muleshoe Friday night. Except for giving up a

touchdown on a long-bomb pass, Dimmitt's defense kept favored Mules corralled all night to spark a 10-7 Bobcat victory.

a fake punt run, and stop another fourth-down effort deep in Dimmitt territory behind the line.

"If the old saying is true that your best offense is a good defense, then Ricky would have to be our offensive player of the week," said Major. "He wasn't the only one, though. Our linebackers, Scott Nelson and Mario Moreno, and David Ogas when he was there, just played super. We had them pursuing up and down the line, like they're supposed to."

all night long. We bent a few times, but we only broke on the touchdown pass."

The defense was called upon early in the game when Jim Norman, returning the opening kickoff, was finally rustled out of bounds by safety Phil King at the Dimmitt 38. Three rushes later, the Mules had mustered just four yards, and Ronnie Angeley punted the ball out of bounds at the Dimmitt 13.

Muleshoe was to run just six more offensive plays in the first quarter, both from deep in its own territory after Jeff Watts penned them up with punts of 72 and 50 yards.

"We've got to say hats off to our kickers. Jeff did a super job of punting the ball — that big one got us out of the hole in the first quarter — and Johnny Nino's field goal, of course, carried us most of the way through the game, then he had to kick that 25-yard extra point after the touchdown. And Johnny Gonzales did a good job on the holds. He had to bring the ball way up on the extra point, the snap was a little low. Larry Espinosa came through for us on the snaps. It was the first time he's had

to snap long this year, and he did a good job, when you consider the limited practice time he's had," praised Major.

The Bobcats capitalized on a roughing the kicker call against Muleshoe for their first score.

Dimmitt had been bottled up near midfield when Watts was hit while in the air, giving Dimmitt new life at Muleshoe's 34. Dimmitt picked up a first down, but the drive stalled at the 16. Nino booted a 33-yard field goal with 17 seconds left in the first quarter to put Dimmitt on top, 3-0.

It was a lead that would hold up the rest of the night, although it appeared Muleshoe had scored at halftime.

A 15-yard pass to George Vela and a 24-yard run by Hector Orozco put Muleshoe at the Dimmitt 39, with time for one more play before halftime. Quarterback Jeff Hamilton evaded several would-be tacklers and connected with Vela, who was all alone in the end zone. However, Hamilton was two yards past the line of scrimmage when he unloaded the

standoff, but Dimmitt began moving the ball late in the period. The drive stalled, but the Mules were whistled for roughing the passer, moving the ball to the Muleshoe 24. On first down, Mark Bruegel swept around the left side of the Muleshoe defense to put Dimmitt up by 10, after Nino's kick, with 9:51 left to play. The score was enough to give Dimmitt its first win over Muleshoe since a 45-14 win in 1976.

The Mules, who had just missed hitting Jim Norman on three earlier occasions for long pass gains, finally got on the board, with Sammy Gonzales hitting end Ronnie Angeley just behind the Bobcat secondary. Angeley outraced the Dimmitt defense to the end zone. Monty Hysinger's extra-point kick closed the gap back to three points with 8:56 left.

"You know, we really execute well on offense when we have to," said Coach Major. "Just before Mark scored, I told our offensive people on the sidelines, 'We've got to score now,' and we did. Then, they came back and scored, and I said, 'We've got to have a first down,' and we got it. We executed when we had to. We had third down and about six, and we threw a swing pass to Mark for a first down,

and that iced her away." Watts, who hemmed in the Mules inside the 20-yard line on six of his 11 punts, was called on to put the Mules in the hole one more time. A 30-yard punt, to the 22, and a

half-the-distance penalty for a clip put the Mules back at their own 11 with just a minute to play. Dimmitt used a prevent defense, and deep man King picked off a pass to seal the the Bobcat victory.

Crane hunting permit needed
Sandhill crane hunters are reminded that a free federal sandhill crane permit is required before hunting, according to the Texas Parks and Wildlife Dept.
The permits may be obtained by contacting John Roberson, Texas Parks and Wildlife Department, 4200 Smith School Road, Austin 78744, or by calling 512/475-4800 ext. 2707.
Crane hunting season in the western Panhandle and West Texas, is Oct. 31 through Jan. 31.
The season in Zone B, which includes the eastern Panhandle, will be Dec. 5 through Jan. 31.
Bag limit is three per day. Possession limit is six. Shooting hours are one-half hour before sunrise to sunset. A valid-Texas hunting license is required, but a migratory bird stamp is not.

Electricity.
Knowing what it's worth is worth knowing.
One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.
1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____
Knowing what electricity is worth is worth knowing. Just look around.

Sunnyside

Area's first bale delivered Thursday

By TEENY BOWDEN
Jackie Clark delivered the first bale of cotton to Ross Family Gin Thursday. It was a 550-lb. bale with a 25.83 turnout. It was Cascot L-7 variety, and was from the Clark-Gilbreath farm.

The Farmers Grain elevator leg burst at the seams Thursday, spilling corn. Corn harvest is all but over in the community.

Several from the community attended the funeral services of Roy Lilley in Dimmitt last Wednesday afternoon. Roy and his twin brother, Ray, of Crane, were born in the community Sept. 9, 1924. He died Oct. 26 in Methodist Hospital in Lubbock of complications following hip surgery Oct. 13. He attended Sunnyside Grade School and was graduated from Dimmitt High School in 1942. He and his wife, Mozelle, who was also raised in the community, lived here until their home was destroyed by the tornado of 1960. They rebuilt in Dimmitt. Their two children, Dean and Sharon, were born here.

Dean was killed in a car wreck in 1964. Ben Montiel and John Gilbreath were two of the pallbearers, and Jackie Clark was one of the honorary pallbearers.

James Lunsford of Plainview came with his father, Rev. James Lunsford, to the services Sunday. He played the accordion for the Spanish service. They were guests of Mr. and Mrs. E. R. Sadler. Mrs. Lunsford, who is a gifted missionary speaker, will have charge of the services next Sunday, speaking on missions in Brazil in the morning service, and showing slides of the work there Sunday night. The Adult I Sunday school class had a Halloween party at the church Saturday night. The children went trick or treating before the party.

.05 of an inch of rain was recorded for Saturday from a light shower.

Mrs. Bruce Bridges attended the WMU workshop at First Baptist Church in Dimmitt Thursday.

The WMU council met Tuesday morning at the church for the monthly meet-

ing with Mrs. L. B. Bowden in charge in the absence of a director.

Mrs. Bruce Bridges visited in Plains Memorial Hospital Saturday with Howard Bridges, who was in ICU following a mild heart attack. Bruce had visited with him Friday. He was transferred to a private room Sunday and was doing fine.

Mr. and Mrs. Hershel Wilson visited in Highland Hospital in Lubbock Thursday with his grandmother Jeffcoat.

Roy Phelan visited Monday and spent Monday night with his cousins, Mr. and Mrs. A.D. Morris of Kress.

Mr. and Mrs. Ezell Sadler visited in the Abernathy Hospital last Sunday with his cousin, J. B. Henslee, who was injured in a fall. They visited this Sunday in Melrose with Mr. and Mrs. Cleo Widner.

Mrs. David Sadler had charge of the Children's Sermon Sunday morning. Lynn Brown brought the special music.

CORRECTION: Kim Riley is here from Malboro — not Kim Haydon, as was reported last week.

Mr. and Mrs. Grady Epperson of Wolforth arrived Monday to help their daughter, Retha Wilson, celebrate her birthday. They visited with her and Hershel until Wednesday.

Mr. and Mrs. Doug Freeman, Sonya and Angelia of Jal visited Thursday through Saturday night with Mr. and Mrs. Hershel Wilson.

He's one of two Texans in National FFA Band

Drummer Brad Murdock of Dimmitt will perform with 107 other Future Farmers as a member of the newly chosen National FFA Band, which will be featured at the FFA's 54th National Convention in Kansas City, Mo., Nov. 12-14.

Murdock, a 17-year-old member of the Dimmitt FFA Chapter, is the son of Mr. and Mrs. Bobby Murdock.

"The best musicians the FFA had to offer were considered in the selection," said Band Director Roger Heath.

Murdock is one of two Texans chosen for the band.

Members were nominated by their state associations, and final selection of 107 was made from over 400 applicants.

After a three-day practice prior to the convention, the National FFA Band will provide entertainment for convention participants.

Brad Murdock

Carnation Company of Los Angeles is again sponsoring the band as a special project of the National FFA Foundation, Inc.

Pie supper set Nov. 12

All the Dimmitt High School basketball players will be introduced at a pie supper sponsored by the Dimmitt Booster Club Nov. 12 at 7 p.m. in the Richardson Elementary cafeteria.

Pieces of pie will be sold for 25 cents each to help raise money for projects of the booster club.

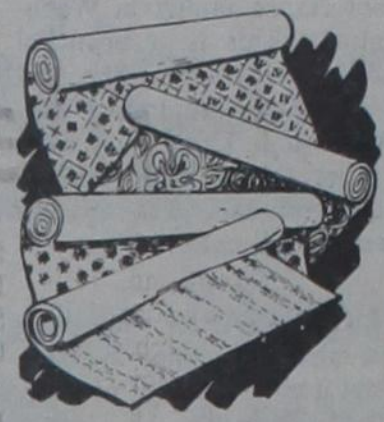

Anyone interested in donating a pie may call 647-2561, 647-5615, or 647-3140.

Everyone is invited to attend.

Nazareth turkey shoot is Sunday

● **On the go**
 Beral Hance has recently returned from a visit with the Kent Hance family in Washington. This is a beautiful time of year there. She said she decided Autumn in Washington and Virginia is even prettier than Spring with so many colors. The maples were in full color.

LIGHT-YEAR is something of a misnomer, since the term is not a measurement of time, but of distance.

A turkey shoot sponsored by the Nazareth Volunteer Fire Dept. will be held Sunday beginning at 1 p.m. The shooting site is the draw located three and a half miles north of Nazareth. Prizes of turkeys and hams will be awarded to the best-scoring participants. The entry fee is \$3, and shooting will continue until dark.

Muriel Bussey
New electrical service opens

A new business, Bussey Electric, opened this week at 506 SW Fifth St. in Dimmitt. Owner of the business is Muriel Bussey, a licensed master electrician who has been in the electrical field "nearly all my life." A native of Dimmitt, Bussey is the son of Archie Bussey. He graduated from Dimmitt High School in 1966. For the past four years, Bussey has been electrical superintendent for Daniels Construction Co. of Dallas. He has worked as an electrician in Dallas, Lubbock and Temple, and also previously owned B&P Pipeline, Inc., in Hereford. He and his family moved from Temple last week to their farm between Dimmitt and Hereford. Bussey and his wife, Inez, have four children — Jeff, 16, Christina, 15, Shawn, 13, and Frank, 6. Bussey Electric is equipped to handle all types of electrical wiring and maintenance — industrial, commercial and residential.

MANY of the fast-food franchises in America are now offering the various cola drinks in 32-ounce servings. A 32-ounce serving of the average cola beverage (on tap) contains the equivalent of 21 teaspoons of sugar.

Obituaries

More about Corn yields ...

[Continued from Page 1]
 pleased with the yield," said Ricky Byers of Sunnyside Grain & Supply. "It is about as good a year as we've ever had."
 "Overall it was a real good corn crop," said Eddie Matthews of Easter Grain. "The corn weighed heavier than in the past. The average yield was probably 9,000 pounds per acre."
 "The yields were fantastic," said Lynn Ehly of Star Grain. "Most were surprised that the yield was as high as it was. The quality was good too. Some yielded 8,000 to 10,000 pounds per acre."
 "It looks like about 8,500 pounds per acre average yield, and the quality is very good," said Bill Calrk of Dimmitt Agri Industries, Inc. "The price is down about 25% from last year, and that is making it tough."

Noel Gollehon
 Funeral services for Noel Gollehon, 71, were conducted Monday afternoon at the First Baptist Church of Dimmitt. Mr. Gollehon died Saturday morning at his home of a heart attack. Officiating at the last rites Monday was Rev. John Street. Burial was in Castro Memorial Gardens, under the direction of Parsons Funeral Home.

Born in Dimmitt July 15, 1910, Mr. Gollehon graduated from the West Texas State Demonstration School in Canyon and attended West Texas State University. He married Oleta Bowling on July 14, 1935, in Amarillo.

An accomplished musician, Mr. Gollehon started Dimmitt High School's band program in 1936, and served many years as music director of the First Baptist Church. He was active in several area singing organizations through the years.

He operated a farm southeast of Dimmitt from 1940 until his retirement in 1964.

He served as an election judge and Democratic Party precinct chairman almost 20 years, and served two terms as a Dimmitt city commissioner, from 1968 to 1972. He was a director of the Deaf Smith County Rural Electric Cooperative from 1960 to 1981, and was a charter director of the Central Plains Center for Mental Health/Mental Retardation, serving six years.

He is survived by his wife, Oleta; a son, Ben, of Baytown; two daughters, Ann Murphy of Dimmitt and Kathy Poer of Plano; eight grandchildren and one great-grandchild. He was preceded in death by a brother, Joe, and a grandson, Dirk Rankin, in August 1980.

Active pallbearers at the funeral were Kyle, Tobin, Todd and Truman Touchstone, John Gollehon, Ron Rankin, John Poer, Richard Wood and Bill Murphy.

Honorary pallbearers were Raymond Annen, E. M. Jones, Arlie and Dan Petty, Elmer Youts, Ivor Bagwell, Bill Lee, Jim Hays, Jay Lee Touchstone, Jimmy Ross, Bill Clark, Oscar Wylie, N. A. Bryson, James Hull, A. W. Anthony Jr., Jerry Roberts, Clark Andrews, Eldred Brown, Sloan Osborn and Morgan Dennis.

Virgil Nowell
 Virgil Nowell, 63, died Oct. 28 in Hugo, Okla., and services were held Saturday in the First Baptist Church of Muleshoe, with Rev. Glen Harlan, pastor of the First Baptist Church of Plains, officiating. Burial was in Bailey County Memorial Park by Ellis Funeral Home.

Born in Italy, Texas, Mr. Nowell had lived near Muleshoe in the West Camp community from 1930 until he moved to Fort Towson, Okla., six years ago.

In 1939 he married Dimmitt native Cathleen Rothwell in Dimmitt.

Survivors include his wife, of the home; a daughter, Mrs. Jaqueta White of Fort Towson; a son, Derrell Nowell of Muleshoe; a sister, Mrs. Wilton Vaughn of Burkburnett; a brother, Claude Dale Nowell of Morton; and six grandchildren.

The family requests that memorials be in the form of contributions to Girls Town in Whiteface.

Lydia Lang
 Funeral services were held Saturday in Lubbock for Lydia Lang of Lubbock, the mother of Lindon Hollins of Dimmitt. Mrs. Lang died Oct. 24 at her Lubbock home.

M. J. Alexander, a church elder, and Rev. A. L. Patrick, a Baptist minister officiated at the services in the Greater St. Luke Baptist Church in Lubbock. Burial followed in the City of Lubbock Cemetery under the direction of Jamison and Son Funeral Home.

Mrs. Lang's husband is the Rev. Kado Lang, pastor of St. James Baptist Church. She was a retired nurse.

Other survivors include her husband; three sons, Harseful Lang of the Philippine Islands, Johnny Ray Hollins of Dallas and Garland Hollins of Lubbock; another daughter, Tyndal Hollins of Santa Anna, Calif.; two brothers, Rev. T. C. Jones of Crane and R. J. Jones of Las Vegas, Nev.; and two sisters, Lena M. Johnson of Mount Pleasant and Tassie M. Jackson of Midland.

Vera Pickens
 Vera Pickens, 89, died Oct. 23 in Burmont Nursing Center in Abilene, and funeral services were held Friday at the Fairmont United Methodist Church in Abilene.

She and her late husband, Rev. Finus Roden Pickens, served in Methodist churches in Hart, Muleshoe, Vega and Sudan, and helped start the St. John's Methodist Church in Plainview.

The couple's son, Rev. Jim T. Pickens of Amarillo, served the Dimmitt First United Methodist Church from 1968 until 1973.

Mrs. Pickens was born in Falls County, near Waco, and married on Dec. 25, 1911.

Other survivors include two daughters, Mary Byrd Christopher of Abilene and Mrs. Don Moore of Santa Fe, N.M.; and another son, Finus Roden, Jr.

Remembrances may be sent to the Memorial Fund at the Fairmont United Methodist Church.

ENERGAS

Gas heating saves \$226 per year!

Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating . . . **not to gas!** No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.
