Strike Threat Looms as Danger In Defense Plant

(By The Associated Press) A threat of a strike in a defer plant employing 14,000 men piced yesterday by Philip Mu ray, CIO president, a short tin ifter William S. Knudsen had tol house committee that labor difficulties had not seriously hamred the defense program.

Murray, who also is chairman they were "prepared to see" that value of NYA, Civilian Pilot train- side the Bethlehem Steel company "dis- ing courses, WPA and other proill be closed.

Murray protested to Sidney nderstood the company had em- tion and training in particular once more raided London. loyed deputy sacriffs, private skills, they bring to Cisco a total olice and a "large number of expenditure of around \$6,000 per fessional strike breakers."

In Buffalo, N. Y., a national laor board official declared that he SWOC had filed charges gainst Bethlehem in connection

ith the alleged "lock-out." Knudsen, director of the OMP, nade his assertion concerning labor trouble while testifying before the house judiciary committee in Washington. During the same appearance he expressed the view that the four-weeks old strike at the Allis-Chalmers plant Milwaukee would be settled

Conferences in Milwaukee prought no signs of an agreement, however. Company officials and representatives of the CIO-United Auto Workers continued disussions which have been going o ilmost continuously since the strike began. A truce was worked out in Washington Saturday but company and union have interpreted it differently.

FORD TRACTORS

Ford Tractors are daily proving the outstanding operating economy of the new FORD TRACTOR with Ferguson System. This safe, sure-footed, easy handling tractor consistently beats the toughest kind of competition in its price field, thanks to a brilliancy of Ford engineering and the standup soundness of Ford craftmanship.

Efficient Modern Design

You buy no useless gas consuming bulk when you put your Tractor money into the new Ford Tractor with Ferguson System. Wasteful weight has been streamlined-out with the result that gas economy hits a welcome high.

Get the Proofs In a Test

Whether you are operating one tractor or a fleet, A "Make-Good" test will convincingly prove that you can save money with this tractor. See us at once and arrange for a revealing try out. We can make immediate delivery of all equipment.

See the new two-row planters and cultivators on

our floor.

It isn't only what you pay that counts-It's what you get for what you pay.

Showdown Is Near

Governor W. Lee O'Daniel has von praise as a radio actor, as a humanitarian; now is winning praise as a skillful politician. Has anyone thought of nominating hin for a place as head football coach surprise and trick plays? At least twice in late weeks he has set the legislature and everyone else nearly back on well worn heels with surprise moves. Nobody will admit to having been in on the play when the governor sent up a message recommending emergency consideration and passage of a 14,000-pounds truck load limit act. Although the same message advocated subsequent passage of a Mr. and Mrs. Doss Cozart of Mrs. Lola Simpson and daugh- bill raising the truck load limit to a much higher figure based on rules of safely, its net effect has of interests favoring the standard trucking law wearing pained ex-

Now the truck fight is overshadowed by the impending showdown on Governor O'Daniel's most recent message submitting as an emergency proposal to approprison, all of Cisco, visited in this estimated 1,500,000 were shot in huge grab-bag. It is a fantastic thought that this legislature that

of complete frugality should be on the verge of such a spending spree, but the way is wide open. It could very well result that before the next week-end lull there will repose on the governors' desk a bill providing an appropriation of nearly twenty-seven million dollars from a fund that already is depleted and nearly thirty mil-
