## Committee Completes County Fair Program

Castro County Fair directors and committee members completed final plans for the sixth annual county fair (Sept. 15-16-17) at the last regular fair meeting of the year here Monday night. Twenty-five persons from all areas of the county were present.

This year as last year, the fair parade and fireworks display will be two of the biggest attractions of the three-day event. Interest in fair floats is apparently high, according to a report given at the Monday night meeting. Several float applications have already been accepted by the parade committee and others are expected as merchants are anxious to be represented. Fair members went on record as favoring the presentation of trophies to riding units and visiting bands and giving children riding in the bicycle cavalcade cash awards.

All but two of the 12 carnival concessions have been taken by various county organizations. Those applied for and approved are: bingo—Garden Club; cold drink, pop corn stand—Flagg Rural Neighborhood Progress Club; doll rack—Sunnyside Rural Neighborhood Progress Club; milk bottles—Jumbo RNP; car rides—Bethel RNP; airplane rides—Wesleyan Class of Dimmitt Methodist Church; dunking board—Lions Club; ferris wheel—Fair Association; horse races—American Legion; and pony rides—Fair Association. The ball toss into kegs and dart game concessions have not been taken, according to President Noel Gollehon.

Only one change was reported in the list of fair judges released earlier. Bob Cooper of Plainview is tentatively listed as quarter horse show judge, replacing Raymond Hollingsworth, secretary of

## Dimmitt Merchants To Close Monday

Labor Day, Monday, September 5 will be a holiday for Dimmitt merchants, professional and businessmen as most county and city offices and stores will close. The local bank and post office will also be closed on this national holiday.

For many employees it will mean a three-day holiday as county offices are always closed on Saturdays. For most youngsters of school age, however, it will mean the start of school as grades two through ten will register for classes. Pupils registering for the first grade as well as students entering the 11th and 12th grades will be enrolled Friday (Sept. 2).

## Tilt Set For Hart Field At 8 P. M.

## Hart Longhorns To Make Football Debut Friday Against New Home

If attitude and hustle can be used for a measuring yardstick, the Hart Longhorns will make their football debut Friday night against New Home a successful one. Gametime for the tilt, which will be played on Longhorn Field, is 8 o'clock.

Coach Paul Boswell will field

## Interest Mounts In Tube Setting Contest At Hart

Entries are pouring in and indications point to a highly successful contest and celebration, according to planners of the third annual Hart Irrigation Tube Setting Contest and Community Carnival, Friday (Sept. 2) is the deadline for contestants.

A world champion tube setter will be recognized when the contest finals are held Saturday afternoon, September 3. Preliminaries get underway at 9 a. m. of the same day. Entry fee is \$2.00 and three awards of \$25, \$15 and \$10 will be presented to the top three entries. Twenty-five tubes set from a flat ditch near Hart American Legion Hall will be the requirements of the event.

Hart townspeople will stage a community carnival in connection with the contest. Entertainment and refreshments will be provided at a nominal fee Friday night and during the contest Saturday. The football game Friday night at Hart which pits the Longhorns against New Home will stir interest and likely attract many out-of-town spectators both for the game and the tube setting contest Saturday.

a fairly heavy eleven against New Home and will depend mainly on a ground attack. The attitude and hustle of the boys have been particularly encouraging, he reports. The starting lineup for Friday night follows:

James Webb (170) right end; John Lacy (170) right tackle; Doyle Dunham (140), right guard; Monte Phillips (150), center; Pancho Rubalcada (170), left guard; Ronald Clark (170), left tackle; Johnny Hindman (150), left end; Eddie Savage (140), quarterback; Melvin Aven (170), right half; Alfred Gonzales (175), fullback; and James Holloway (145), left half.

The Hart coach has five players weighing 170 pounds or over which will probably be of great value to his ground offense. The Friday night tilt will be New Home's first game of 11-man football as they have played six-man ball in the past. This factor coupled with the fact that the game is being played at Hart, will be good news to Boswell and his crew as the contest will mark the first time in history that Hart has fielded a football team.

Of the above lineup, only two players are seniors, the rest being sophomores and juniors. These two are Eddie Savage and James Holloway. Some 25 men reported for workouts two weeks ago. Other squad members are: Glen Welch, end; Thomas Brooks, end; Jerry Kittrell, tackle; Jimmy Sharp, tackle; Joe Webb, guard; Jerry Varner, guard; Charles Roland, center; and Jimmy Johnson, quarterback. Coach Boswell is getting able assistance from his line coach Charles Barnard.

Team manager is Robert Webb, who is being assisted by Billy Gallion.

## Calvary Baptist Organize Here

The Calvary Baptist Church of Dimmitt was organized here Tuesday night in the American Legion building with 14 charter members. The independent missionary group named Rev. Floyd Henry, who is currently leading a revival for the new church, as their pastor.

The new church group was to conduct another special business meeting this week in the Legion building to appoint a building committee and draw up plans for a new sanctuary. They will continue to meet in the Legion hall until the new building is ready for occupancy.

The revival now in progress will continue through September 7 with Rev. Henry speaking at each service. The new pastor has led revivals in Missouri and Texas. He attended Seminary at Baptist Bible College in Springfield, Mo., for two years.

## Dimmitt Soldiers On Leave Here

Private Bob Brock and Jerry Dale Noble arrived by plane Saturday at Amarillo airport for a visit with their parents here. The two Dimmitt soldiers will be here for about a week, reporting to Brooks Army Hospital in San Antonio, September 9 for advanced medical training.

Brock and Noble have completed ten weeks of basic training at Fort Ord Calif. They entered service June 20. Both are 1954 graduates of Dimmitt High School. Brock is the son of Mr. and Mrs. Earl Brock and Noble is the son of Mr. and Mrs. Ester Noble.

## —And She Came In On Schedule!

"We were about to give it up, but it came on schedule," Dimmitt Resident Percy Estes was overheard to say to a friend in the courthouse here Tuesday morning.

The pioneer old timer is not a weather prognosticator, and doesn't claim to be, but he knows when the first blue north heralding the start of the fall season is due. And he was right again as sure enough the howling norther roared into Dimmitt and the High Plains area Monday night on schedule.

Estes says that almost without exception, the first fall blizzard can be expected to reach the High Plains each year the latter part of August or before September 1. It had him scared this year, however, as the howling duster just did beat the annual deadline. If things go according to Estes' belief, the first frost won't arrive until 60 days later. This should be good news to farmers and is certainly conducive to good crops.

## Open House Slated For New Grocery

It will be open house Thursday night, September 8 when Dimmitt Grocerman Raymond Wilson opens his modern new super market in southwest Dimmitt across the street from the Methodist Church.

The new super market, estimated to cost \$60,000, will be opened at 8 p. m. for public inspection. On hand to greet visitors will be "Uncle Jay" Lynn and Weldon Bright, Amarillo television entertainers.

A formal opening sale will be held at the new location Friday and Saturday, September 9-10.

Rev. and Mrs. Raymond Van Zandt left Monday for a ten-day vacation in East Texas.

## City Bond Election in Dimmitt Saturday

### New Undesirable Wheat Is Listed

Another wheat variety has been added to the county list of undesirable varieties under the 1956 wheat price support program, according to Doyle Thomas, local ASC secretary.

Blue Jacket, a variety of hard winter wheat, will be subject to the 20 cents per bushel discount when produced in the county or state.

With the addition of Blue Jacket, there are now eight undesirable wheat varieties that will undergo loan cuts if produced in the county. Others are Red Chief, Kanking, Red Jacket, Early Black-hull, Chiefkan, New Chief and Yogo. A total of twenty-four wheat varieties are listed by the Department of Agriculture, but only eight are applicable to Castro county and other grain producing counties in the state.

### County 4-H Records Due In Saturday Noon

All county 4-H records to be entered for competition in the national awards program are due in at the Castro County Agent's office in Dimmitt Saturday (Sept. 3) at noon. County agent Marvin Simms reports.

Winning records will be submitted to the district office for the district eliminations on September 6.

### Dimmitt Baptists To Observe School Of Mission Week

Guest ministers will supply the pulpit of the Dimmitt First Baptist Church September 4 through September 9 in observance of Baptist School of Missions Week.

Missionaries and out-of-town pastors will speak each night at 8:45 with the exception of Tuesday night when the church pastor, Rev. George Ray, will bring the address. Missionary study classes will be conducted each evening before services from 8 to 8:45. Teachers by departments are: elementary department—Mrs. Bob McLean; junior department—Mrs. Cecil Oglesby; intermediate department—Mrs. J. R. Hays; young people—Mrs. Alfred Dutton; and adults—Mrs. T. S. Buckmaster.

Starting the School of Missions Week program off Sunday morning will be Rev. Gerald Seawright, Field Missionary at Pernambuco, Brazil. Rev. J. D. Brannon of Fort Worth will be the Sunday evening speaker. He is District 12 missionary. Monday night, Rev. Sidney Cox, pastor of Immanuel Baptist Church in Abilene, will speak on "Stewardship." Rev. Ray will speak Tuesday night and a speaker to be named will bring the inspirational message Wednesday night. Scheduled to speak Thursday night is Rev. E. W. Cassey of Klamath Falls, Oregon and Rev. Seawright will return to bring the address again on Friday night.

Missionary study classes will adjourn each evening at 8:45 to the auditorium to hear the guest speaker's message.

### 1st Load Of '55 Milo Received

The first load of 1955 milo grown in Castro county was brought in to Sear's Grain Elevator Wednesday afternoon by Dan Bruton, who farms four miles northwest of Dimmitt.

The load weighed 56 pounds to a bushel for a total load weight of 1,800 pounds and tested 20 percent for moisture content. It was placed in storage at the local elevator.

Bruton reportedly had 50 percent damage on some of his milo crop due to hail, but despite this fact expects to make 4,000 pounds to an acre, a much better than average yield.

The market price for milo now is \$1.50 while the current loan rate is \$1.51. Elevator operators are optimistic and predict a record harvest for the county this fall.

### Tractor Contest Is Slated Here Saturday Morning

Castro County 4-H Club boys enrolled in the county 4-H Tractor Maintenance Contest will converge on the fair grounds here Saturday to compete for awards in the contest finals, according to County Agent Marvin Simms.

The contest will start at 9:30 a. m. and will consist of three parts or divisions—written tests on the tractor maintenance program, demonstration on inspection and starting of a tractor and driving and handling a tractor and trailer. The last two parts listed will be conducted at the fair grounds. Only those 4-Hers who have completed their tractor maintenance workbook will be eligible to enter the contest.

Every youth completing the contest will be awarded tractor operator's medals and the top four in the county will be awarded gold medals as well as trophies. The top four will be made up in the senior division of the contest and two in the junior division.

All 4-H Club boys, parents and leaders are invited to attend the event and watch these future tractor operators perform. The contest is sponsored by the tractor dealers of Castro county.

Five propositions, all of which will have a direct bearing on the future progress and growth of the City of Dimmitt, will be submitted for local voters' approval or disapproval when a \$350,000 improvement and refund bond election is held here Saturday. Polls will remain open all day at the City Hall or from 8 a. m. to 7 p. m.

Actually citizens will cast ballots on two issues, that being proposition number one, or \$109,000 in revenue bonds to pay off

### New Teacher Injured In Wreck

Miss Donna Irwin, 23, under contract to teach in the Dimmitt Schools this fall, was one of four persons injured in an automobile wreck southeast of Amarillo Monday night, according to a report to the News Tuesday.

All four persons were reported in fair condition following the accident. Miss Irwin suffered a broken leg and multiple cuts on the face. Miss Irwin's mother Mrs. C. B. Irwin, 59, suffered a possible fractured pelvis while her father suffered a possible fractured skull and cuts on the forehead. The driver of the other car involved, Arthur A. Kollner, Route 4, Amarillo, received cuts on the head.

According to highway patrolmen, the accident happened six miles south and five east of Amarillo. A heavy dust storm was blowing when the Irwin car, driven by Miss Irwin, crashed into the rear of Kollner's pickup truck which had been parked on a county road.

Miss Irwin had been hired to teach music in the local schools. A graduate of West Texas State College, she sang with the Ralph Flannagan Band in Chicago earlier this year. Her address is listed as Route 1, Claude.

### Wheat Event Open To Castro Youth

Castro County 4-H and FFA boys are invited to participate in the FFA and 4-H Wheat King contest at the Amarillo Fair, September 17.

To take part in this year's contest, the prospective entrant should pick five pounds of wheat produced on his farm of any one of the following varieties: 1. Westary; 2. Wichita; 3. Comanche; 4. Early Triumph; 5. Temmarq; 6. Turkey; 7. Cheyenne; 8. Quanah; 9. Kiowa; 10. Pawnee; or 11. Cortcho.

The wheat will be judged for test weight and plumpness, freedom from foreign material, lack of damage to kernels, uniformity, color and varietal purity.

The 4-H boy with the best wheat will be crowned "Texas 4-H Wheat King" and receive \$50 in cash plus a trophy or wrist watch engraved on the back. Other prizes are: 2nd—\$40 plus plaque; 3rd—\$30; 4th—\$25; 5th—\$20; 6th—\$15; 7th—\$10 and 8th, 9th and 10th—\$5.

Wheat samples should be picked and turned into County Agent Marvin Simms not later than Wednesday, September 14. Simms will enter them in the Amarillo contest.

Fathers of 4-H Club members may enter the Adult Wheat Contest under the same conditions as stated above.

### Labor Day Picnic Set At Nazareth

The traditional Labor Day picnic held annually at Nazareth under the auspices of the Holy Family Parish will be held this year at the school grounds.

Beginning at 12 noon on Monday, fried chicken will be served until 2 p. m. Prices for adults will be \$1.25 while children under 12 years of age will be charged 60 cents. Games, refreshments and a special auction sale will highlight the afternoon festivities. Climaxing the event will be a supper and dance in the evening with a popular western dance band furnishing the music.

Residents from all over the county are invited to participate in the Labor Day festivities.

an equal amount of city indebtedness, and propositions two, three, four and five, or \$241,000 of revenue bonds for city improvements. Proposition number one, just as two, three and four, will not have any bearing on taxes if it passes, but if it fails to carry will automatically kill two and three which are also revenue bond issues. In effect city residents must agree to pay off the \$109,000 issue before the way can be cleared to carry out a complete program of improvement.

A breakdown of propositions two, three, four and five show: Number TWO: \$141,000 of revenue bonds to finance improvements and extensions to the city's waterworks system which includes six and eight inch water mains where needed as well as a new overhead water tower with a storage capacity of 250,000 gallons and a new well and chlorination system; Number THREE: \$50,000 in revenue bonds for improvements and extensions to the city's sanitary system which would include about 8,000 feet of sewer lines in east and southwest Dimmitt; Number FOUR: \$35,000 in general obligation tax bonds for street improvements which include re-topping of worn out pavement and paving about 35 city blocks of streets; and Number FIVE: \$15,000 in general obligation tax bonds for the development of a city park (this would include the purchase of necessary land as well as maintenance).

In the event voters endorse the various propositions, all bonds will mature over a period not to exceed 35 years from the date of their issuance and will bear interest at a rate of five percent per annum, payable annually or semi-annually. Bonding companies consulted by the city and who will handle the sale of bonds providing the election carries, are First Southwest of Lubbock and Central Investment Company of Plainview.

City officials emphasize that regardless to how a person votes, it is the duty of every qualified tax-paying voter of the city to exercise his or her rights in the important Saturday election.

### Summers To Head ASC Committee

Castro County ASC committee members named Ross Summers to head the 1956 ASC county committee at their county convention in the courthouse here Friday. Summers will serve as chairman and will be assisted by Leo Witkowski, newly-elected vice-chairman.

Others named to the 1956 committee were: D. N. Gamblin, member; Jim Elder, first alternate; and Fred Axe, 2nd alternate. The new committee was to take office today (Sept. 1).

Summers replaces James H. Dobbs of the Frio community as chairman and Witkowski succeeds Summers, former vice-chairman. Gamblin succeeds Witkowski as committee member.

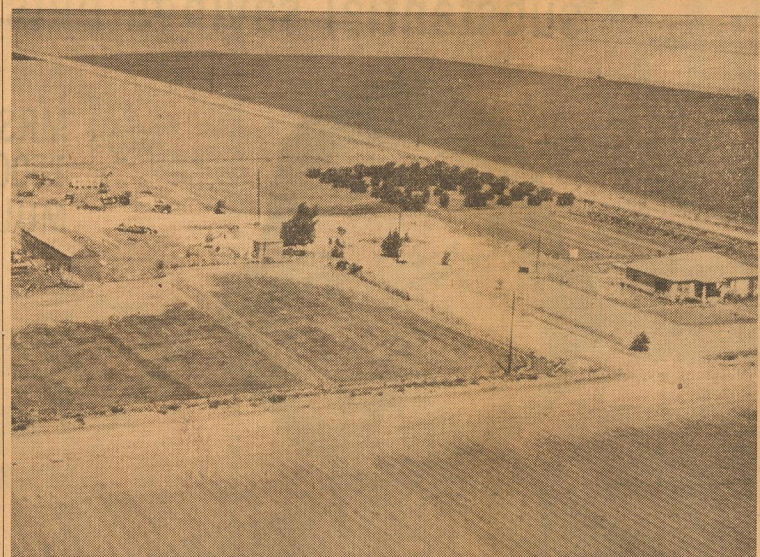

As chairman, Summers will head the county committee, which is responsible for the administration of the allotment and marketing quota programs, price support programs, agricultural conservation programs and other programs assigned by the Department of Agriculture.

New committeemen were elected by delegates from each community in the county who themselves had previously been elected by the farmers of the county. These delegates are: M. L. Simpson, Sr.; Jumbo; M. L. Simpson, Jr.; Frio; A. J. Kemp; Dimmitt; W. A. Hawkins Jr.; Hart; and Harry Axtell, Flagg. Axtell was the only delegate not present for the county convention.

### Johnny Lynn To Speak To Methodists Sunday

Johnny Lynn, Amarillo television and radio personality, will be guest speaker at Sunday morning worship services at the Dimmitt Methodist Church. He will fill the pulpit in the absence of Rev. Raymond Van Zandt, pastor.

Sunday School classes at the church begin at 9:45 a. m. and worship services at 11:00 a. m.

WHOSE FARM IS THIS? The above picture, an aerial photo of a Castro county farm, is listed as Mystery Farm Number 32. The owner will receive a mounted enlargement of the picture upon identification while some lucky reader

will receive a year's subscription to the News by correctly identifying the farm. Call the News office not later than Monday noon, the deadline on Mystery Farm identification, in order to be eligible. This series is sponsored by Blanton Butane, Inc.

## Scrimmage With Hereford 'Pleases' Dimmitt Coaches

Bobcat football coach Leo Fields got a first hand look at his 1955 crew in a scrimmage game here Saturday night against the Hereford Whitefaces, and what he saw was pleasing, but he indicated "there's room for improvement."

Goal crossing was about even in the game with Hereford. After the tilt, Fields remarked, "We looked a lot better than I thought we would, but we'll have to work on our passing attack." He added that blocking would have to be a lot better, too. "Probably our brightest spot was the line backing of Alton Bates, Alton Whitworth, Jerry Brown and Joe Ben Mitchell, especially the defensive plays of Bates," Fields remarked. He indicated that the ball handling of Don Mobley and

the running of Don Sheffy was pretty good.

Fields' charges are still working out twice a day on the local field. They will take on the Farwell Steers in another pre-season scrimmage game Saturday night at 7 p. m. The Steers have a fairly weighty team and should provide plenty of competition.

The Dimmitt coach reports that candidates are trying hard and should show steady improvement as the season goes on. He has not decided upon a starting eleven for the game September 9 against the Silverton Owls, but the field has been narrowed considerably. Here's the picture as of this week:

ENDS—Joe Ben Mitchell (150), Jimmy Manning (150) or Wayne Collins (145); TACKLES—Jimmy Cole (210), Donald Cheek

(175) or Wayne Smithson (200); GUARDS—Tommy Robertson (155), Carol Herring (175) or Junior DiCuffa (170); CENTER—Billy Gafford (165); QUARTERBACK—Don Mobley (155); RIGHTHALF—Alton Whitworth (165); LEFTHALF—Don Sheffy (135) or Jerry Brown (165); and FULLBACK—Monte Booser (190) or Alton Bates (150).

Fields says that William Studer (155) shows promise of making a good passer and "we're working on this." Punting chores will go to Don Mobley or Alton Whitworth with Mobley handling tries for point after touchdown.

The Bobcats are running almost entirely from the split T formation now but will start to work on the wing T this week, the Dimmitt mentor indicated.

## Two Flock System Recommended For Best Egg Prices

COLLEGE STATION, Sept. 1—A tough problem for the poultryman continues to be too many eggs in one season with a resulting drop in prices and too few in the season when egg prices are highest. Ben Wormel, extension poultry specialist, says the answer is simple . . . a two flock system of egg production.

The two flock system, he explains, just means starting a laying flock early in the spring and another in the fall to pick up when the spring started hens begin to drop off in production.

The specialist lists at least five advantages for the two flock system. The problem of too many small eggs could be sharply reduced by having them come at different times of the year thus relieving the market glut. Too, chick brooding facilities could be used more nearly on a year-round basis with a corresponding reduction in the cost of producing the hen. Eggs could be produced at a more uniform rate throughout the year thus keeping production more nearly in line with demand. Quality drops in eggs laid during the last few months of the hen's laying year and the two flock system would help to produce only top quality eggs, a requirement of the organization is that replacement chicks be put down three times each year. He also says that a chief reason for the success of the cage method of handling laying hens is that production is kept on an even keel the year round.

An another major advantage, he adds, the egg producer by following the two flock program can have a dependable year-round income from his poultry enterprise.

## Behrends Entertain With Weiner Roast

Mr. and Mrs. H. G. Behrends entertained with a weiner roast at their home Saturday night, Aug. 20. Those present were: Mrs. Dalton White and girls of Houston, Mrs. Dale Allen and boys of Pecos, Mrs. Travis Yates and Tommy of Hereford, Mr. George Behrends, Mrs. Arlon Ewing and family, Mr. and Mrs. R. H. Ewing and Juanita and Mr. and Mrs. Clarence Behrends.

## '54 Amendments To SS Are Explained

Some people have misunderstood the provisions of the 1954 Amendments to the Social Security Act, according to John R. Sanderson, manager of the Amarillo Social Security Office.

"We have been asked quite often if one cannot qualify for benefits as a farmer because he is already age 65 or over," Sanderson said. "The answer is that the farmer already 65 or past that age, who is continuing to operate a farm, WILL qualify sooner than the younger farmer but the fact that they are 65 alone does not entitle them to benefits. Age does not disqualify an individual from entering into the program. If he is actually operating a farm, he is eligible to participate by keeping his records in 1955, paying his social security tax on his farm income in 1956, and then doing the same thing for 1956. This second payment, made in 1957 would qualify him for benefits if he is already age 65 or older," Sanderson added.

The answers to all questions about social security can be secured by contacting the representative Nat Houston or Floyd B. Ellington of the Amarillo office who will be in Dimmitt on Oct. 5th, at the Commissioners Court Room, at 10:00 o'clock.

## All Over State

# SEASON FOR FAIRS AT HAND IN TEXAS

In many a city and town of Texas today, community leaders are making plans for an important annual event which many folks have been eagerly looking forward to all year. During the next several months it will be fair-time throughout Texas—with county and regional fairs and festivals taking place in every section of the state, the culminating event being the State Fair of Texas in Dallas, October 7-23.

Texas possibly has a bigger percentage of large, widely patronized fairs than any other state. Several of Texas' big regional fairs attract more visitors and have more impressive fairgrounds than state fairs in some other sections of the nation.

The State Fair of Texas is, of course, the largest annual fair in the United States in terms of attendance, with over 2 1/2 million visitors from all parts of America, and a magnificent fairgrounds with facilities valued at \$35 million.

As with most fairs the country over, Texas events carry a heavy emphasis on livestock and agriculture. Entertainment naturally covers a wide range, from carnival sideshows, rodeos, folk festivals to the Broadway musical comedy, "Pajama Game" which will be presented at the State Fair. Competition in making jams and jellies, succulent cakes and pies and other examples of traditional homemaking skills still occupies a big place in the program of most Texas fairs.

Fairs in Texas date back over 100 years. The first fair to be held in the state may well have been one in Corpus Christi in 1852, which featured bullfights, a circus, cockfights and fireworks. During the same decade Dallas County became the first county in the state to organize a fair. The State Fair was founded in 1886.

A good fair regardless of size can be a valuable asset to its community, in the opinion of James H. Stewart, general manager of the State Fair and vice president of the International Association of Fairs and Expositions.

## Definite School Health Program Termed Important

AUSTIN, September 1—Every school should have a definite school health program. Situations such as the kind of drinking water, arrangements for the school lunch, the lighting, seating, ventilation and cleanliness of the schoolroom, and the personal practices of the teachers and children are the bases of the school health program, said Dr. Henry A. Holle, commissioner of health.

Every school has tremendous opportunities to promote the health of its pupils and of its community. From early childhood to early manhood and womanhood, most children are enrolled in schools and are under the supervision of school staffs for a substantial part of the day for approximately half the days of the year. The conditions under which they live in school, the help which they are given in solving their health problems, the ideals of individual and community health which they are taught and the information and understanding that they acquire of themselves are factors which operate to develop attitudes and behavior conducive to healthy, happy and successful living.

Schools alone however cannot enable children to attain all the desirable goals of individual and community health. Considering the magnitude and multitude of the diverse and continuing efforts that must be made to satisfy the health needs of children, it is fortunate that many people and groups, in addition to schools, are greatly interested in promoting health. Parents have a prime responsibility.

Power of attorney forms are available at the local office for this purpose and will be furnished to anyone requesting them. The loan rate for Castro county is \$1.59 per hundred. For grain stored in warehouses the storage will be deducted if it has not been paid. The amount of storage that will be deducted will be 18c per hundred for grain stored between September 1 and September 10. The deduction will decrease 1c per hundred every ten days afterward.

The loan will net \$1.67 per hundred for grain stored on the farm. On these loans, it will be necessary that the grain be stored 30 days before the loan can be completed.

## Mystery Farm 31 Identified By Oney Lamb

Mystery Farm Number 31 was correctly identified by Miss Oney Lamb of Dimmitt. She will receive a year's subscription to the News free of cost.

Mystery Farm 31 is owned and operated by Melvin Summers and is located seven and one-half miles south of Dimmitt. Summers has owned the farm for 30 years, having purchased it in 1925 from W. W. Wimberly. The farm was first put under plow in 1900.

Summers has 17 acres in cotton, 75 in maize and 30 acres in wheat. His favorite breed of cattle is Black Angus and he has 20 head grazing on his farm plus two registered animals.

Summers uses some liquid fertilizer on his crops but finds that interplanting is one of the best ways to improve the soil and increase yields. He also plants such soil building crops as alfalfa and when the crop is harvested, plows it up and plants cotton. In this way he puts nutrients in the soil that might be taken out through the growing of cotton.

A member of the Baptist Church and Farm Bureau, Summers married the former Miss Juanita Lamb in 1940. They have two children: Gerald, age 11, who will be in the sixth grade this fall; and Charles, age six, a first grade pupil when school begins.

## Local ASC Office Prepares For Big Loan Rush; Record Harvest Indicated

Indications point to a record grain harvest in Castro county this fall, and as a result the local ASC office is preparing for a big rush on grain sorghum loans this fall.

Farmers are advised by Doyle Thomas, local ASC secretary, that service on these loans will be much quicker and better if farmers understand the policy that ASC will operate under in preparing and approving loans.

Individual loans can be processed quicker, Thomas says, if the farmer will do the following:

1. If there is recorded liens against the crop, a signed lien waiver from the lienholder must be presented before the loan can be approved. This can be handled in either one of two ways. You can bring a signed lien waiver, Form AB, to the office at the time application for the loan is made. The local office is distributing a supply of these to the banks and lending agencies and you can get them there or at the ASC office. Two copies are necessary for each loan. Or the lienholder can waive the lien by signing the note. If this is done, it will be necessary that the note be taken to the lienholder and then returned to the ASC office for approval.
2. Landlords lien waivers must be secured before ASC can ap-

prove any loan. This is necessary even though the grain was divided and separate warehouse receipts were issued at the elevator. If warehouse receipts are issued jointly in the landlord's and tenant's names then a joint loan will be made and must be signed by both. Blank lien waiver forms are the same as the ones used for recorded liens and are available at the ASC office and lending agencies. Grain elevators are being furnished a supply.

Some landlords may want to authorize their tenants to sign lien waivers, loan forms, etc., for

## "My ELECTRIC FOOD FREEZER gives me substantial savings plus top quality!"

says MRS. HERB GRIFFITHS  
1500 AVENUE F  
MULESHOE, TEXAS

"But, that's not all! I save time, because I can buy foods in larger quantities eliminating 'those little trips' to the grocery store," Mrs. Griffiths adds.

Many homemakers, through personal experience, are firmly convinced that a food freezer pays for itself through reduced food bills as Mrs. Griffiths suggests.

You too can save money and time and get the big plus of top food quality when you own an electric food freezer. Why wait? See your Reddy Kilowatt dealer, now!

"We purchase meats for our family of four in large quantities, and the freezer saves us money at the same time that it lets us enjoy top quality cuts of meat."

"Our son, Prentice, who is now three, was stricken with polio in 1953, and for several months was on a diet which included lots of lean meat. Our food freezer really came in handy during that time."

"My husband, Herb, and I enjoy outdoor cooking during the summer months, and our freezer is just right for keeping the cuts of meat we enjoy." We almost

always use something from our freezer in entertaining friends, and I avoid any last-minute rush before the guests arrive."

"The children enjoy the frozen desserts and between meal snacks which our freezer keeps ready for them at a moment's notice."

A freezer fits into pleasant living — as you can see from Mrs. Griffiths' enjoyment of hers. Why not make meal planning a pleasure at your home? A food freezer will help.

## Wheat Farmers . . .

# Low-cost dieldrin seed treatment protects crops from wireworm damage

Treatment Costs Pennies Per Acre, Assures Better Stands of Grain

Newly seeded fields make good feeding grounds for true and false wireworms and other soil insects. If there is not enough moisture in the soil to permit quick sprouting, seeds are vulnerable to insect attack for several days. But the threat of wireworm damage should be recognized at all times.

A dieldrin preventive seed treatment is a sure way to protect wheat and other small grain seeds until they sprout.

### Low-cost protection

It costs just pennies per acre to treat seed with dieldrin, but dollars per acre to feed the wireworms untreated seed! A dieldrin seed treatment prevents "spotty" stands . . . eliminates the expense of time and money for re-planting or sowing extra seed for the wireworms to feed on . . . assures you of a

longer grazing period. And dieldrin does not harm plant development.

### Compatible with fungicides

Dieldrin is compatible with fungicides . . . can be applied at the same time to save the expense and work of a double treatment. You can buy dieldrin-treated seed from your seed dealer, or treat the seed yourself. Dieldrin can be applied as a slurry, dry, or in a grain drill. A convenient method is to apply dieldrin to the seed in the grain drill as you plant. Follow directions on the label for the particular formulation you buy.

### Less work at planting time

Seed can be treated now and stored until planting time. Dieldrin eliminates the rush of treating seed and planting within a few days. Dieldrin formulations are available throughout the wheat growing area. See your local supplier.

# GOLD MEDAL FLOUR

25 lb. Print Bag

**\$1.98**

Old-Fashioned, Crusty, Golden Brown

½ cup warm water (not hot—110° to 115°)  
2 pkg. active dry yeast  
1½ cups lukewarm milk  
3 tbsp. sugar  
1 tbsp. salt  
2 tbsp. soft shortening  
7 to 7½ cups sifted GOLD MEDAL Flour

In mixing bowl, dissolve yeast in water. Stir in milk, sugar and salt. Add shortening and half the flour; mix with spoon. Add rest of flour and mix with hand. (Spread fingers and squeeze to work in flour.) Turn onto lightly floured board. Knead until smooth and blistered about 5 minutes. Round up in greased bowl; bring greased side up. Cover with damp cloth. Let rise in warm place (85°) until double in bulk 1½ hours. Press 2 fingers into dough it will leave an indentation when dough is doubled. Punch down. Let rise again until almost double in bulk 30 to 45 minutes.

Divide into two parts. Round up and shape into loaves as follows: Flatten dough into oblong shape the width about an inch longer than the length of the pan the length about 12". Press out all air. Fold dough in half lengthwise. Flatten again to press out air. Bring the two ends to the center, overlap them, and seal well by pressing down firmly with knuckles. Take further edge of long side and fold over toward you, ¼ of the way at a time, sealing well with heel of hand. Roll back and forth to tighten. Seal each end by pressing with edge of hand. Put into 2 greased loaf pans 8½x4½x2½", or 9x5x2½", sealed edge down (pan ¾ full). Cover with damp cloth; let rise until light 50 to 60 minutes. Heat oven to 425° (hot) Test gently with finger. A slight indentation shows loaves are ready to bake. Bake 25 to 30 minutes. To test loaf, tip gently out of pan, tap bottom. It should sound hollow. Immediately remove from pans. Place on wire cooling racks or across top edges of the bread pans. Do not place in direct draft, or crust will crack.

## Action-Packed Boys' Ranch Rodeo Scheduled On Labor Day Weekend

It's Rodeo time for 220 young cowhands at America's first Boys' Ranch, Amarillo.

The boys have been practicing for several weeks now and excitement is running high at the Ranch as the date approaches.

Two shows will be held this year at Boys' Ranch, located 40 miles northwest of Amarillo, Labor Day weekend, Sept. 4 and 5 at 2:30 each afternoon.

Every boy at the Ranch will have a chance to show his abilities. The little fellows ride calves and the older boys put on as good a show as professionals atop the broncs and bulls. The Ranchers will be participating for the top cowhand award and prizes will be given in each division. Special clown and trick roping and riding acts will be presented by the boys.

The Rodeo will be a homecoming and reunion for many of the 1,200 boys who have lived at the Ranch in the past 16 years. Many of the boys are in service, some are attending colleges and others are all over the United States in different occupations. Many have already responded and all ex-Ranchers are urged to attend the reunion and bring their families. They should write or contact Boys' Ranch, Box 1890, Amarillo, Texas, phone DRake 44687.

This will be the 11th annual Boys' Ranch Rodeo and the youngsters participate in every event seen in a professional show. The Rodeo will be open to the public and tickets will be on sale at

### C of C Directors To Meet Tuesday Morning

Members of the board of directors of the Castro County Chamber of Commerce will meet in regular monthly session Tuesday, September 6 at 10:30 a.m. A number of important matters will be discussed and all directors are urged to be present.

Mr. and Mrs. Carl Kemp and children and Whitlow families met for a reunion in Plainview Park Sunday.

the Ranch on both days. The price will be \$1.25 for adults and 75c for children.

### Efficient Health Dept. Assures Texas Families

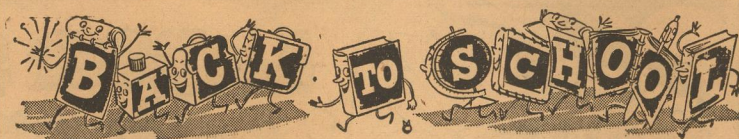

Every Texas family needs the assurance that it is living in a clean and healthy community, according to Dr. Henry A. Holle, Commissioner of Health. The family needs the assurance that when disease threatens, there will be a local health agency ready to combat it on a community wide basis. Texas now has 47 full time city and county health units covering 57 counties. These 57 counties have 62 percent of the state's population.

An adequately staffed and financed local health department provides six basic services to the citizens of the town or county. It keeps public health statistics, controls communicable diseases, promotes maternal and child health, enforces environmental sanitation, operates a public health laboratory and works to educate the community for better health. Each local health department will of necessity differ from others and the most effective public health program must be "tailor made" to fit the particular health needs and problems of its own community.

At present 197 counties in Texas do not have full time health protection. Dr. Holle has as one of his goals complete health protection in every county of the state. Some counties now have a large enough population to provide this service but for counties having sparse population, two or more could pool their resources and have the advantage of up to date public health methods.

Dr. Holle points out that giving full time health service to the entire state will require a substantial increase in the expenditure of funds for public health purposes. In his opinion this is the best investment any community can make. Although great strides have been made in maternal and infant health and in disease prevention, Texans cannot be content with less than complete eradication of preventable deaths. A state in which local health services are available everywhere is an important step toward this goal.

# Checkerboard News

From the

**Castro County Grain Company**  
By Edd C. McLeroy

### POULTRY MEETING HELD

Tuesday night, a small group of poultry producers met in the Castro County Grain Company office to see a colored movie and hear discussions on producing and maintaining quality eggs.

All in attendance agreed the meeting was very worth while and much valuable information came out of this meeting. Wish more people would have taken advantage of this gathering.

### CONTROL JOHNSON GRASS WITH 15c PER 100 SQ. FEET

If you have Johnson grass and bind weeds in relatively small patches, you cannot afford not to start some kind of control. Sodium chlorate will kill Johnson grass for 15 cents per 100 square feet. Bindweed can be killed for 27 cents per 100 square feet.

Think how much cheaper it would be to control these noxious weeds while they are in small patches. Many fields are too far gone with Johnson grass to attempt to spray. The next best method is to summer fallow and plant to wheat, barley or oats. If your wheat base is too small then check on the possibility of planting oats or barley. We have in stock a good supply of mustang oats which is a winter hardy oat that will furnish a lot of grazing and make you a good heavy oat crop next spring. Don't overlook this possibility.

### TREAT WHEAT SEED FOR WIREWORMS

Several products on the market will do an effective job of controlling wireworms. We have BHC and Dieldrin, and in the near future will have a new product called Hytachlor that proved to be one of the best used for wireworm control at the Amarillo Experiment Station. We think you will like Hytachlor because it is effective and much cheaper than most of the other seed treatments.

### WILL YOU DO THESE THINGS BEFORE HOUSING PULLETS?

Here is a convenient check list of things you should do before housing pullets this fall.

1. Sell out hens or move them to a separate house. Old hens can pass disease to pullets.
2. Clean out old litter.
3. Scrape off all clinging droppings; sweep off cobwebs; and dust out ceilings, walls, etc.
4. Make any repairs needed.
5. Apply Purina insect oil to all wood surfaces and dirt floors. It will kill eggs, coccidia and all other poultry diseases.
6. Scrub feeders, waterers and all equipment with Purina disinfectant.
7. When house is dry, put down new litter—about six inches is fine.
8. Have four inches of feeder space for each pullet.
9. Have two five-gallon water fountains per 100 birds.
10. Have one nest for each seven birds.
11. Order Purina laying ration to fill feeders and keep hens laying their best.

**HAVING TROUBLE MAKING HOGS GAIN?**  
Hear so many farmers saying their hogs won't grow. Son Howell, local FFA boy, is having reverse trouble. He is ridding several barrows for the Dallas Fair and is having trouble keeping them from getting too big. He has one pig that gained 25 pounds in 16 days on 64 pounds of feed. This is an outstanding gain for the amount of feed consumed. Why does he get such fine results? Good breeding management, sanitation and a balanced ration. Livesock and cheap feed can make you money. If you are thinking along these lines, come by and let us help you with any problem you might have.

**PLANT VETCH AND AUSTRIAN WINTER PEAS**  
Vetch and winter peas can do much in your soil building program and now is the time to be getting them in the ground. We have in a new shipment of these two winter legumes and invite you to drop by and talk with us about their many advantages.

**CARD OF THANKS**  
We wish to express our sincere appreciation to the people of Dimmitt for the beautiful and lovely flowers in the tragic death of our loved one, our father, George Strohmeier.

We want to say thanks again to P. P. Robb for delivering the message, and his help.  
May God bless each, and every-

one is our prayer.  
Jim and Annie Strohmeier.

Mr. and Mrs. Green and daughter of Lamesa visited Mr. and Mrs. Raymond Hance Sunday.

Mary Lynn Hendrix has returned home from a visit with her grandmother Kelly and friends in Tulia.

### Main Points of Sept. 3 City Bond Election Discussed At Lions Meet

The main points of the forthcoming Dimmitt city bond election (September 3) were discussed by members of the local Lions Club at their Tuesday luncheon meeting.

Lion B. M. Nelson cited each of the five propositions that will appear on voter's ballots in the coming election and explained each. He also pointed out that the proposition calling for the issuance of \$109,000 of revenue bonds for the purpose of paying off city indebtedness is necessary in order to issue new bonds. "It will not increase bonded indebtedness, however," he stated. Nelson added that a new law has since been passed whereby in the future a

city may issue new bonds without recalling and re-issuing old bonds. Mayor E. B. Wright briefly addressed the group, stating that "it will be necessary to vote new bonds or else stop the city's growth." He singled out present inadequate facilities, such as worn out water well equipment and lack of water pressure due to a very low water level.

City Secretary E. B. Noble told the group that all propositions with the possible exception of the proposition dealing with park development, will not affect taxes or will not mean an increase in city taxes.

In conclusion, Nelson emphasized that the purpose of the program or discussions "is to inform the people as fully as possible of just what is being undertaken as I believe they are entitled to know."

Club guests included Giles Tate, Kenneth Gray, Howard Barton and Steve Taylor. Tate and Taylor were accepted for club membership.

### Mother Of Dimmitt Residents Is Dead

Funeral services for Mrs. Vernah G. Bradley, widow of the late Holmes G. Bradley, were held Monday in the First Baptist Church, Lindsay, Okla. with Rev. Charles Black officiating assisted by Rev. Glenwood Busbee. Interment was in Greenhill Cemetery, Lindsay.

Mrs. Bradley, mother of two Dimmitt residents, Jack Bradley and Mrs. Dee Umberson, suffered a series of heart attacks while visiting a daughter in Chicago, and passed away in a Chicago hospital August 26.

She had been a resident of Plainview for the past six years having moved there from Lindsay, where she was active in Sunday School and church work.

On November 8, 1909, Vermah English was married to Holmes C. Bradley who preceded her in death. Five sons and four daughters were born to the couple, all of whom survive. Survivors are Vernon Bradley, Clovis, N. M.; Jack Bradley, Dimmitt; Earnest Bradley, Anson, Texas; Bursie Bradley, Lindsay, Okla.; Jerry Bradley, Plainview; Mrs. Bentley Page, Slaton; Mrs. Daryl Pullen, Plainview; Mrs. James Kelley, Chicago; Mrs. Dee Umberson, Dimmitt; and eighteen grandchildren.

Mr. and Mrs. Aaron Dossier and family left Monday for their home at Malakoff, Texas, after a week's visit in the home of her brother, Alton McLain, and family.

### Bollworm Checks Urged By Agent

Castro County Agent Marvin Simms this week again urged farmers to inspect their cotton fields for bollworms as dangerous infestations are showing up in certain areas of the county.

Last week Simms was looking over farms in the Hart area and discovered an infestation of bollworms on the R. G. Lynch farm, south of Hart. Six to seven bollworms to each 100 stalks of cotton proved to be the case on the Hart farmer's place. He reportedly has already taken steps to spray his cotton in an effort to check and control this infestation.

Simms said he also found a few fleahoppers but not of sufficient infestation to cause alarm.

The county agent says DDT is standard spray for control of bollworms and should be applied at least three times. Four to five bollworms per 100 stalks is con-

### Mrs. Bob Finneran Honored With Coffee

Mrs. Bob Finneran, the former Kay Bearden of Fort Worth, who is visiting her parents, Mr. and Mrs. Clarence Bearden, was honored at a coffee Tuesday morning in the home of Mrs. P. L. Cunningham.

The house was decorated with arrangements of asters and roses

made by Mrs. George Bradford. Coffee and rolls were served from a table laid with a cut work cloth. Appointments were silver.

Assisting Mrs. Cunningham were Mesdames T. A. Singer, Jack Cowser, George Bradford and Sid Sheffy.

About 30 friends of Kay called.

Mr. and Mrs. J. O. Seale and sons enjoyed a family reunion of her relatives in Amarillo park Sunday.

Mrs. Elmer Youts is visiting her daughter and family, Mr. and Mrs. Earl Greathouse and daughter at Dallas this week.

Mr. and Mrs. Dean Bingham of Hub were guests Sunday in the Hugo Byers home.

### Treat Wheat Seed with

# HEPTACHLOR

• for low-cost protection against soil insect damage

With Heptachlor you get dependable protection against the wireworms, white grubs and other soil insects that attack seed and cause reduced stands and lower crop yields. Because Heptachlor is compatible with commonly used fungicides, you can apply both in one time-saving operation.

Heptachlor seed treatment recommendations have been made by the various Experimental Stations. Experiments prove that Heptachlor does not harm germinating seed or plant growth.

Mrs. Bob Ott  
Mrs. David Acker and baby boy  
Mike Romero Jr.

The hospital and patients appreciate the Amarillo paper which is presented and delivered through the courtesy of Dimmitt merchants.

Mrs. C. L. Taylor and daughter, Jean, and son, Tinker of Tulia, were in Dimmitt on business Monday. They also visited in the home of Mrs. Leona Rothwell. Mrs. Taylor is the former Mrs. Robin Vann and was Home Demonstration Agent of Castro county. She is now serving in that capacity in Swisher county.

Mrs. J. E. Harmon of Mineral Wells, sister of Mrs. Ulys Davis, is visiting Mrs. Davis and the John Boradstreets and Joe Hastings.

### Real Estate Sales Contract No Casual Matter

The signing of a contract of sale is an extremely important step in the purchase of a home. Once buyer and seller have signed, they are bound by the provisions of the contract. Their respective legal rights in the transaction are thereby set and determined. If the contract is poorly and haphazardly drawn, a harvest of regret may be reaped at a later date.  
 Sales contracts are often called by other names, such as earnest money contracts, binders, receipts, etc. All of them are for the same purpose and almost without exception involve the deposit of money by the buyer. Some require the seller to put up a good faith deposit. The fact that such deposited sums are usually to be forfeited in event the depositor later fails to go through with his

specified contractual obligations lends additional weight to the often stated admonition that no contract should be signed without complete understanding as to its terms.  
 But many home purchasers (and sellers) rush to sign a hastily prepared contract with very little knowledge of its contents. The pressure of time, the informality of the occasion, the casual appearance of the contract, and perhaps the fact that a partially printed form is used may contribute in causing the true importance of the act to be overlooked. At any rate, many are lulled into a lapse of good business judgment.

Every significant detail of the bargain should be crystallized in unmistakable terms in the contract of sale. Land and fixtures being sold should be clearly described. A complete description of the property by lot and block, or by metes and bounds, is a must, the street number being inadequate by itself.  
 Articles and fixtures included in the sale but not always sold with houses generally should be specifically listed. Included in this category are such things as venetian blinds, removable floor coverings, draperies, air conditioning units and others. In purchasing property under construction, complete plans and specifications form an essential part of the agreement. The price to be paid must, of course, be specified, along with

method and terms of payment. If a certain sized loan is a prerequisite to the buyer's ability to complete the purchase, this fact should be noted. Sad indeed is the prospective purchaser who loses his earnest money when a contemplated loan transaction falls through, his contract requiring payment of the entire consideration in cash.  
 The sales contract should also state the quality of the title to be conveyed to the buyer and the type of title evidence to be furnished.  
 The buyer's individual circumstances and desires may require that various matters not mentioned above be provided for in the contract. All too often people try to squeeze a sales contract to fit the type of printed form on hand, omitting or leaving to easily misconstructed or forgotten oral agreement many vital provisions.  
 Do not fall into the "pitfall of the printed form." To many unfortunate entanglements have been announced by clients to lawyers with the words, "I have just signed a receipt for a house on Blank Street. Will you take over now and see that everything is O. K.?"  
 A free pamphlet containing useful information on legal problems involved in buying a home has been prepared by Texas lawyers. To obtain a copy, print your name and address on a post-

### Taxes On Farm Real Estate Are Up 4.7 Percent

Taxes levied on farm real estate in the United States in 1954, which was payable largely in 1955, increased 4.7 percent from their level of a year earlier. This is the smallest percentage increase since 1944. In 1954, levies totaled \$906 million compared with \$866 million in 1953 (table 1). These taxes were 22 percent higher than in 1950 and 95 percent higher than in 1945.  
 Taxes levied per acre on farm real estate averaged \$0.85 in 1954, compared with \$0.81 in 1953. The

index of taxes levied per acre in 1954 compared with that of the base period (1909-13 equals 100) was 409.  
 Taxes per \$100 of real estate value were 2.0 percent higher in 1954 than in 1953. The smaller increase in taxes per \$100 of value than in the tax per acre was due to the increase of 2.5 percent in the value of farm real estate in private ownership from March 1954 to March 1955.  
 In all states, except Maryland, Mississippi, Utah and Wyoming, taxes levied on farm real estate were higher in 1954 than in 1953. The changes ranged from an increase of 16.2 percent in Delaware, where a reappraisal program was in progress, to a 2.8 percent decrease in Mississippi. Twenty-three states showed increases of less than 5.0 percent, and 17 states showed increases from 5.0 to 10.0 percent. In 4 states—Connecticut, Delaware, Michigan, and New Jersey—farm real estate taxes increased more than 10 percent.

card and mail to State Bar of Texas, Colorado at Fifteenth, Austin 1, Texas.  
 (This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

 Taxes levied per acre on farm real estate averaged \$0.85 in 1954, compared with \$0.81 in 1953. The

index of taxes levied per acre in 1954 compared with that of the base period (1909-13 equals 100) was 409.  
 Taxes per \$100 of real estate value were 2.0 percent higher in 1954 than in 1953. The smaller increase in taxes per \$100 of value than in the tax per acre was due to the increase of 2.5 percent in the value of farm real estate in private ownership from March 1954 to March 1955.  
 In all states, except Maryland, Mississippi, Utah and Wyoming, taxes levied on farm real estate were higher in 1954 than in 1953. The changes ranged from an increase of 16.2 percent in Delaware, where a reappraisal program was in progress, to a 2.8 percent decrease in Mississippi. Twenty-three states showed increases of less than 5.0 percent, and 17 states showed increases from 5.0 to 10.0 percent. In 4 states—Connecticut, Delaware, Michigan, and New Jersey—farm real estate taxes increased more than 10 percent.

ware, where a reappraisal program was in progress, to a 2.8 percent decrease in Mississippi. Twenty-three states showed increases of less than 5.0 percent, and 17 states showed increases from 5.0 to 10.0 percent. In 4 states—Connecticut, Delaware, Michigan, and New Jersey—farm real estate taxes increased more than 10 percent.

### County Library Gets Partial Face Lifting

The county library in the basement of the courthouse here is undergoing a partial face lifting

to provide office space for the FHA offices now located on the second story of the courthouse.  
 About 200 square feet of the north end of the library is being partitioned off and painted to provide for an FHA office and reception room.

Real Estate Sales Contract No Casual Matter  
 The signing of a contract of sale is an extremely important step in the purchase of a home. Once buyer and seller have signed, they are bound by the provisions of the contract. Their respective legal rights in the transaction are thereby set and determined. If the contract is poorly and haphazardly drawn, a harvest of regret may be reaped at a later date.  
 Sales contracts are often called by other names, such as earnest money contracts, binders, receipts, etc. All of them are for the same purpose and almost without exception involve the deposit of money by the buyer. Some require the seller to put up a good faith deposit. The fact that such deposited sums are usually to be forfeited in event the depositor later fails to go through with his

specified contractual obligations lends additional weight to the often stated admonition that no contract should be signed without complete understanding as to its terms.  
 But many home purchasers (and sellers) rush to sign a hastily prepared contract with very little knowledge of its contents. The pressure of time, the informality of the occasion, the casual appearance of the contract, and perhaps the fact that a partially printed form is used may contribute in causing the true importance of the act to be overlooked. At any rate, many are lulled into a lapse of good business judgment.  
 Every significant detail of the bargain should be crystallized in unmistakable terms in the contract of sale. Land and fixtures being sold should be clearly described. A complete description of the property by lot and block, or by metes and bounds, is a must, the street number being inadequate by itself.  
 Articles and fixtures included in the sale but not always sold with houses generally should be specifically listed. Included in this category are such things as venetian blinds, removable floor coverings, draperies, air conditioning units and others. In purchasing property under construction, complete plans and specifications form an essential part of the agreement. The price to be paid must, of course, be specified, along with

**WMS Church Meeting Set Monday Morning**

The Baptist Woman's Missionary Society will meet at the church here Monday, at 9:30 a.m. for mission study program. Mrs. W. E. Thompson will teach the lesson and the Rev. George Ray will bring the inspirational message.

Mrs. W. D. Adams is here from San Diego, Calif. for a visit in the home of her parents, Mr. and Mrs. M. L. Simpson, while her husband is on overseas duty.

**Legionnaires Role Is Emphasized In Club Address Here**

"Legionnaires, in most instances, put into a community more than they take out," Bruce Fields, active in veteran's affairs for 35 years, told an audience of Dimmitt Lion Club members at their Tuesday noon luncheon meeting.

Speaking to club members upon invitation of Dr. J. E. Wohlgenuth, local optometrist, the Amarillo civic leader emphasized the important role of veteran's organizations, such as the American Legion, in helping to solve problems on a local level and provide community leadership. He urged young men of the community to accept the challenge and assume the role of leaders in their respective towns and cities.

Fields, one of the founders of the Veteran's Hospital in Amarillo, cited the organization of the American Legion in 1919 at St. Louis and the present membership of 3,500,000. "War changes man, and if it wasn't for your veteran organizations, I don't know what would become of these men," he exclaimed. He cited World War II veterans who have received numerous benefits, such as a college education and specialized training, through the efforts of the American Legion. "The Legion is an organization to be proud of, and membership should be counted as a privilege," Fields stated in conclusion.

Prior to the speaker's address, Lion Edd McLeary urged local interest in the coming fair parade (Sept. 17). "Don't expect visiting clubs and organizations to make

**City Golf Tourney Slated Sept. 4-5**

Qualifying rounds for local golfers planning to compete in the City Golf Tournament Sunday and Monday (Sept. 4-5) on the Hereford links are underway and will continue through Saturday. Deadline is Saturday at 6:00 p.m.

Qualifying for medalist honors and championship flight is scheduled Saturday and will be followed by a lunch for all contestants and wives at 7:30 p.m. in Jaycee Clubhouse. First round matches in all flights will be played Sunday, the first day of the tourney. On Monday (Labor Day) at 9 a.m. semifinals in all flights and in the consolation flight will be held. Finals in all flights and in the consolation flight will be played Monday at 1 p.m.

The entrance fee, which has been set at \$7.50, includes green fees. The winner of each flight will be presented an electric clock while the runnerup in each flight will receive a golf trophy. The consolation winner will also get a golf trophy.

## Notice of Dimmitt City Bond Election Sept. 3

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS THE STATE OF TEXAS

CITY OF DIMMITT COUNTY OF CASTRO TO ALL QUALIFIED VOTERS OF THE CITY OF DIMMITT, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Dimmitt, Texas, on the 3rd day of September, 1955, in obedience to a resolution and order duly entered by the Board of Commissioners on the 15th day of August, 1955, which is as follows:

RESOLUTION AND ORDER FOR CITY BOND ELECTION THE STATE OF TEXAS CITY OF DIMMITT COUNTY OF CASTRO

ON THIS, the 15th day of August, 1955, the Board of Commissioners of the City of Dimmitt, Texas, convened in special session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members, to-wit:

E. B. Wright, Mayor  
A. C. Hays, Jr., Commissioner  
Harold Stephens, Commissioner  
and with the following absent: None, constituting a quorum; and, among other proceedings had, were the following:

Commissioner Stephens introduced a resolution and order and moved its adoption. The motion was seconded by Commissioner Hays. The motion, carrying with it the adoption of the resolution and order, prevailed by the following vote:

AYES: Mayor Wright and Commissioners Hays and Stephens.  
NOES: None.

The RESOLUTION and ORDER is as follows:

WHEREAS, the Board of Commissioners of the City of Dimmitt, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned; therefore

BE IT RESOLVED AND ORDERED BY THE BOARD OF COMMISSIONERS OF THE CITY OF DIMMITT, TEXAS:

SECTION 1: That an election be held on the 3rd day of September, 1955, which date is not less than fifteen (15) nor more than thirty (30) from the date of the adoption of this resolution and order, at which election the following propositions shall be submitted to the qualified electors of said City, who own taxable property therein and who have duly rendered the same for taxation:

PROPOSITION NUMBER 1  
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue ONE

HUNDRED NINE THOUSAND DOLLARS (\$109,000) of revenue bonds of said City for the purpose of paying off, refunding and cancelling an equal amount of the outstanding indebtedness of the City's combined Waterworks and Sanitary Sewer System, as evidenced by 'City of Dimmitt, Texas, Waterworks and Sewer System Revenue Bonds,' dated March 1, 1953, in the principal sum of \$109,000, maturing serially on March 1st in each of the years as follows: \$3,000 1956 to 1961, \$4,000 1962 to 1966, \$5,000 1967 to 1970, \$6,000 1971 to 1975, and \$7,000 1976 to 1978, all inclusive; all bonds maturing 1956 to 1963, inclusive, bear interest at the rate of 3% per annum, and all bonds maturing 1964 to 1978, inclusive, bear interest at the rate of 4% per annum, which bonds were authorized and issued pursuant to an ordinance adopted by the Board of Commissioners of said City on the 30th day of March, 1953, and to which ordinance reference is hereby made for further description of said bonded indebtedness; said \$109,000 new revenue bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 2  
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue ONE HUNDRED FORTY ONE THOUSAND DOLLARS (\$141,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Waterworks System; said bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually, or semi-annually, said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

PROPOSITION NUMBER 3  
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue FIFTY THOUSAND DOLLARS (\$50,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Sanitary Sewer System; said bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses, as said expenses are defined by statute?"

"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue FIFTY THOUSAND DOLLARS (\$50,000) of revenue bonds of said City for the purpose of constructing improvements and extensions to the City's Sanitary Sewer System; said bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually; said revenue bonds to be special obligations of the City, payable as to both principal and interest solely from and secured by a first lien on and pledge of the revenues of the City's combined Waterworks and Sanitary Sewer System, after deduction of reasonable operation and maintenance expenses as said expenses are defined by statute?"

PROPOSITION NUMBER 4  
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue THIRTY-FIVE THOUSAND DOLLARS (\$35,000) general obligation tax bonds of said City for the purpose of constructing street improvements in and for said City; said bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

PROPOSITION NUMBER 5  
"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue FIFTY THOUSAND DOLLARS (\$50,000) general obligation tax bonds of said City for the purpose of purchasing and/or improving lands for public parks in and for said City; said bonds to mature serially over a period of years not to exceed thirty-five (35) years from their date, and to bear interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, payable annually or semi-annually, and to provide for the payment of principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

SECTION 2: In the event the said revenue bonds are authorized to be issued by a majority of the qualified electors of said City, voting at said election, and the same are issued and sold, the holder or holders of such bonds shall never have the right to demand

payment thereof out of any funds raised or to be raised by taxation, and each bond issued or executed in pursuance of such election, shall contain the following clause:

"The holder hereof shall never have the right to demand payment of this obligation out of any funds raised, or to be raised, by taxation."

SECTION 3: That said election shall be held at the City Hall in the City of Dimmitt, Texas, and the entire City shall constitute one election precinct.

SECTION 4: That the following named persons are hereby appointed officers of the election, to-wit:

G. P. Dyer, Presiding Judge  
Mrs. E. L. Ivey, Judge  
Mrs. Elvis Burch, Clerk  
Mrs. T. S. Buckmaster, Clerk.

SECTION 5: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 6: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V. A. T. S. Election Code, adopted in the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

PROPOSITION NUMBER 1  
"FOR THE ISSUANCE OF \$109,000 WATERWORKS AND SEWER SYSTEM REVENUE BONDS, AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 2  
"FOR THE ISSUANCE OF \$141,000 WATERWORKS REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 3  
"FOR THE ISSUANCE OF \$50,000 SEWER SYSTEM REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 3  
"FOR THE ISSUANCE OF \$50,000 SEWER SYSTEM REVENUE BONDS AND PLEDGING THE REVENUES OF THE CITY'S COMBINED WATERWORKS AND SANITARY SEWER SYSTEM TO THE PAYMENT THEREOF"

PROPOSITION NUMBER 4  
"FOR THE ISSUANCE OF \$35,000 GENERAL OBLIGATION STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

PROPOSITION NUMBER 5  
"FOR THE ISSUANCE OF \$15,000 GENERAL OBLIGATION PARK BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$35,000 GENERAL OBLIGATION STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$15,000 GENERAL OBLIGATION PARK BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$109,000 GENERAL OBLIGATION WATERWORKS AND SEWER SYSTEM REVENUE BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

AS TO EACH of the foregoing five propositions, each voter may mark out with black ink or pencil one of such expressions, thus leaving the other as indicating his or her vote on the five propositions respectively, or in the alternative, each voter may vote on the propositions by placing an "X" in the square appearing on the ballot beside the expression of his choice.

SECTION 7: That a copy of this resolution and order signed by the Mayor of said City and attested by the City Clerk shall serve as proper notice of said election.

SECTION 8: That notice of said election shall be given by posting and publication of a copy of this resolution and order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS." Said notice shall be posted at three public places in said City, one of which shall be at the City Hall, not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day

in each of two successive weeks in a newspaper of general circulation, published in the City of Dimmitt, Texas, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

SECTION 9: That all revenue bonds presented in Propositions 1, 2 and 3 hereinabove mentioned, are to be ratably secured in such manner that no one bond shall have priority of lien over any other bond, it being the intent hereof to provide for the creation of an indebtedness against the City's combined Waterworks and Sanitary Sewer System for the purposes hereinabove stated, and such bonds as are approved by the qualified voters, voting at the election herein and hereby ordered, are to be issued in one or more installments, but as a single combined authorization.

PASSED AND APPROVED, this 15th day of August, 1955.

E. B. Wright, Mayor  
City of Dimmitt, Texas

ATTEST:  
E. B. Noble  
City Clerk, City of Dimmitt, Texas  
(City Seal)

THIS NOTICE of election is issued and given by the undersigned, pursuant to authority conferred by virtue of the above and foregoing resolution and order of the Board of Commissioners of the City of Dimmitt, Texas, and under authority of law.

WITNESS MY HAND AND THE SEAL OF THE CITY OF DIMMITT, TEXAS, this 15th day of August, 1955.

E. B. Wright, Mayor  
City of Dimmitt, Texas

**Two Weeks Remain To Enter Crochet Contest At Castro County Fair**

Only two weeks remain in which to put the finishing touches to crocheted entries for the 1955 Nationwide Crochet Contest. In just two weeks the Castro County Fair will swing open its gates and sound a welcome to one and all to "come to the Fair." So if local crochet fans want a chance at the \$3,000 national prize money and three all-expense-trips to New York City offered as awards in this exciting Crochet Contest, be sure to bring your entry to the Women's Department at the Fair in time.

Submit Contest entries through the Fair Secretary or Women's Department Superintendent. Entries, of course, must adhere to the rules of the 1955 Nationwide Crochet Contest. This means that crocheted pieces must have been completed since January 1, 1955 and must be crocheted of mercerized cotton in any size thread up to and including 100. Mercerized crochet cotton with a metallic strand is also eligible. As neatness is an important factor in both preliminary and final Contest judging, be sure that entries are carefully washed, pressed and blocked.

There are sixteen Contest clas-

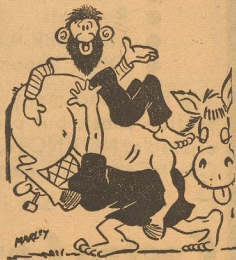

sifications, and it is important that entries are submitted in the correct categories. There is a particular Contest classification for each of the following types of designs: tablecloths, bedspreads, luncheon cloths, centerpieces, buffet or vanity sets, chair sets, doilies, scarves or wall panels, pot holders or hot plate mats, place mats, edgings or insertions, fashion accessories. A division called Other Household Accessories is included for household pieces other than those mentioned above. Then there are three special classifications for ladies over 65, men and teen-age girls in which any crocheted article may be entered.

County fair contestants awarded a special Nationwide Crochet Contest blue ribbon become eligible for the final national judging in New York City.

Mrs. Sid Sheffy and sister, Mrs. Roland Moore, have returned from a visit with their father, Mr. J. C. Knox at Kerrville.

Joyce Hawkins and Darlene Fox of Lubbock have returned home after spending a week here with Hazel Rogers.

Mr. and Mrs. Robert Smith and children of Austin visited in the Hance and George homes Monday.

**Hart Zealot Club Hears Flower Talk**

The Zealot Club met in the home of Mrs. Rodney Smith recently with Mrs. Shirley Garrison as co-hostess.

After a short business meeting, Mrs. George Bradford, past president of the Dimmitt Garden Club, gave an interesting program on "Flower Arranging in the Home." She arranged and displayed several beautiful arrangements. Mrs. Maggie Boren assisted Mrs. Bradford and gave some lively comments and tips for the flower grower.

Refreshments of summer salad and ice tea were served to sixteen members and four guests. The guests were Mrs. Milton Sharp, Mrs. Preston Upshaw, Mrs. Homer Wirmett and Mrs. I. D. Kendrick.

**21 Well Applications Listed For August**

Twenty-one irrigation well applications were accepted by the county Hi Plains Water Board committee during the month of August compared to a total of 31 in July.

Nine of the August total have been processed and approved. Most of these were okayed last Saturday when the county water committee met in the local Farm Bureau office. Members of this committee are T. R. Davis, Steve Brockman, H. F. Benson and Ivor Bagwell.

Born Friday at a Plainview hospital to Mr. and Mrs. Jimmie George, a little daughter, Bonnie Pat. Weight, 6 pounds, four ounces.
