Hadn't planned on commenting on the recent election just now, or even later probably, if I hadn't noticed a piece in a daily paper stating that one Gibson D. "Gib" Lewis was all but assured of succeeding Bill Clayton as speaker of the house of representatives. I don't know a thing about Lewis, or who his opponent for the job might be, but one idea he broached in the interview struck me as uncommonly odd. "He told the newspaper board that among his other legislative concerns in the session starting in January will be to boost voter turnout with a new law limiting the number of elections, not counting runoffs, to four annually."

Lewis' idea of limiting the number of elections strikes me as being a little odd as does his reason for proposing the law, i.e., to increase voter turnout. I am always a little suspicious of the motives of some of these fellows that we entrust our state's business with, because many times it develops that there is a motive in their madness. It is a little hard to figure this one, however. Increasing voter participation, that won't wash.

On general election years we have two primaries and the general election. That's just three elections and they include the election of county, state and national officeholders. Now if you count democratic and republican primaries, two of each held on the same days, as separate elections, then on general election years you would be holding five elections. You certainly couldn't eliminate the general election in November without wasting the expense of the primaries, that would be wasteful. So

the only way to hold it to the proposed limit of four elections in any given year, the only possible solution would be to combine the democratic and republican primaries on the same ballots and the same polling places. After the first election with that format the pundits would have reason to say that "somebody pushed the button."

Try to figure out how the idea of initiative and referendum would fare under Mr. Lewis' law. Citizens have the right to petition their governing bodies for elections on various issues. It is doubtful if they would set still for that privilege to be taken away.

Texas, by now, shouldn't be surprised at any zany law enacted by that body of legislators that we send to Austin.

We are getting action, at least some publicity, a little quicker than we could have hoped for on one of the campaign issues in the governor's race. Governor-elect Mark White has already tangled with members of the Public Utilities Commission on the pass-thru gimmick in the energy part of the economy. White, an avowed consumers advocate, declared that the pass-thru procedure as applied to public utilities will be abolished, or else he will appoint consumers to the commission, when he assumes the duties of governor.

## Pie supper to be Friday

The Dimmitt Bobcat Booster Club will sponsor a get acquainted pie supper Friday at 7:30 p.m. in the Richardson Elementary Cafeteria for the purpose of introducing the basketball players for the coming season.

All basketball players from freshmen through varsity teams will be introduced. Everyone is invited to come and meet the teams and coaches.

Each family with a basketball player is asked to bring two pies, which will be sold at 25 cents per slice to help raise funds for the Booster Club projects.

Last year's pie supper drew a full house, and Booster Club President Garner Ball said that he hoped there would be as good a crowd this year.

# City adopts new building code

The Dimmitt Board of Aldermen Monday night adopted the 1982 Uniform Building Code as the city's official construction standards.

Until now, the city has used the 1973 Uniform Building Code to govern the minimum standards used in the city by builders.

The city earlier adopted new plumbing and electrical codes recommended by the Texas Municipal League, American National Standards Institute and the National Fire Protection Association.

One of the main differences builders will notice in the new edition of the Uniform Building Code is in city building permit fees. Most have jumped by 2 1/2 to four times the old figure, although many could still be considered "token" fees. A permit for a \$500 ad-on project by a homeowner, for example, formerly cost \$2.50 but now is \$10. On the other end of the building scale, the permit fee for a \$1 million new construction project was \$1,000 under the old code but is \$2,600 now.

The new Uniform Building Code may show some significant differences in building standards from the 9-year-old code which the city has been using. New editions of the UBC were published in 1976 and 1979, but were not adopted here.

For builders or others

interested in obtaining copies of the new Uniform Building Code book, City Manager Paul Cateo said they cost approximately \$30 per copy. The city has two copies on hand which local builders may consult, and is planning to order more.

In other business Monday night, aldermen studied the options and cost estimates for upgrading the city airport and agreed on a priority list for the project.

The Texas Aeronautics Institute has allocated \$75,000 to pay a maximum of 75% of the cost of repairing and upgrading the local airport, with the city to pay 25%.

After viewing a city engineer's cost estimate for resurfacing all the paved areas of the airport with a 1 1/2-inch hot-mix overlay, aldermen rejected that route as too expensive, and opted instead for standard sealcoating, hoping that the money available would also pay for paving one or two new taxiways.

Following a recommendation by Zoning Commission Chairman Roger Malone, the aldermen voted to do away with the city requirement that mobile homes be reinspected every year. Alderman Wayne Collins, who made the motion to strike the requirement, called it "discriminatory and

OUTSTANDING CHAPTER for the State of Texas is the Dimmitt Chapter of Young Homemakers. The club received the plaque awarding them the honor at the state convention in Austin Friday. Also, the area division represented by the Dimmitt chapter was awarded a \$100 check. Shown here are [front, from left] Ima Dora Haile of Plainview, area advisor;

Debbie Annen, who was installed as State Vice-President; Joyce Wright, chapter president; Bobbi Wooten; and Sue Rita Myatt; and [back from left] Pat Bagley, local advisor; Cindy Ellis; Joanne Snider and Estella Hottel, local advisors; and Sherri Kenworthy.

## Young Homemakers win state's top chapter title

The Dimmitt Chapter of Young Homemakers was named the state's outstanding chapter at the state convention in Austin Friday.

Nine local women attended the convention.

Competing with nine other area winners, the Dimmitt chapter won the top award through judging based on its educational programs for members, the home and the community; spiritual values;

recreational activities; support given to the Future Homemakers of America; and growth through involvement for members, the home and the community.

The chapter was awarded

\$75 and a plaque, and the area division it represents was awarded \$100.

Also, local club member Debbie Annen was installed as the state vice-president in charge of projects.

Other members who attended the convention were Chapter President Joyce Wright, Bobbi Wooten, Sue Rita Myatt, Cindy Ellis and Sherri Kenworthy. Advisors attending were Pat Bagley, Joanne Snider and Estella Hottel.

The group left Dimmitt last Wednesday, returning Saturday. The women attended workshop sessions and listened to special speakers. Presentation of the award came during a session Friday afternoon.

## 'Fun Breakfast' on tap Saturday

Eighteen merchants will have their new Christmas gift items on display at the free Merchants' Fun Breakfast to be held Saturday from 7:30 to 11:30 a.m. in the County Expo Building.

The public is invited to come enjoy a free meal of bacon, scrambled eggs, hot biscuits, jelly, coffee, hot chocolate, juice and doughnuts, and to view the many gift displays.

Chamber Manager Delores Heller reminds merchants that the time to set up booths will be from 1 to 7 p.m. Friday. She added that a

police guard will be stationed at the building over Friday night.

Businesses that will have display booths at the event include Autos Unlimited, C. R. Anthony Co., Dimmitt Super Market, Farmers' Supply, Flower Patch, Harman's, Henderson TV and Appliance, KDHN Radio, Killingsworth True Value Hardware, M. Loys Rayer, Sheffy's Western and Casual Wear, The Shoe Tree, Something Special, TG&Y, Tots and Teens, Village Shop, Watkins Products and Gifts, and Western Auto.

## Nazareth bazaar, dinner is Sunday

The Ninth Annual Holiday Arts and Crafts Bazaar and Thanksgiving Dinner will be held in Nazareth Sunday and the public is invited to attend.

The bazaar will be open from 11 a.m. to 4 p.m. in the high school cafeteria. The dinner will be served from 11:15 a.m. until 2 p.m. in the community hall at Nazareth.

The bazaar will feature 20 booths filled with gift items for the holidays including such items as: paintings, miniature paintings, handmade jewelry from Hawaii,

handmade silk embroidery, soft sculpture, hand-crafted country crafts, lead stained glass, wind chimes, wooden and stuffed toys, numerous crocheted items and baked goods.

There is no admission charge to the bazaar.

The meal will include turkey and dressing and all the trimmings and is sponsored by the Christian Mothers Society. Homemade pies will be on the dessert menu.

The cost is \$3.50 for adults and \$2 for children under 12.

## Tree lighting to be Nov. 29

The Dimmitt Chamber of Commerce is sponsoring the community caroling party and tree lighting on Nov. 29 at 6:30 p.m. on the courthouse front steps.

The Dimmitt High School and Junior High Choirs, under the direction of Doug Henry, will sing "Winter Wonderland," "Jolly Old St. Nick," "Up on the House-top," and a French Carol, as well as leading in other songs for those present to join in the singing.

Winners of the coloring contest for students in kindergarten through third grade will be announced and awarded various prizes.

Near the end of the event, Santa Claus will appear and take time to speak with the children present.

The large evergreens on the courthouse lawn and other Christmas decorations on the square will be lit for the first time of the season during the ceremony.

## There's less cotton, but quality is better

Local ginners are receiving better quality cotton than last year, and the prices are a little better. But there just isn't much cotton to be ginned.

None of the ginners have reported operating around the clock yet. A typical ginning workday lasts from 12 to 15 hours in the county.

Ginners earlier predicted that they would gin only half as much cotton as in 1981,

and most say they are from one-third to one-half finished with this year's crop.

Here is a report from local ginners on the cotton crop in the county:

CASTRO CO-OP: Jay Isham reports, "Our cotton is going to be pretty good. We've ginned about 850 bales. One or two bunches have brought 50 cents a pound."

FIVE POINT FARMERS

GIN: Mike Bryant reports, "We're just getting started good. It started picking up this week. We're getting some quality cotton, and we're getting back some good grades."

## Thanksgiving service set at high school

The Dimmitt Ministerial Alliance will sponsor a community Thanksgiving Service at 7:30 p.m. Monday in the Dimmitt High School auditorium.

Rev. Jackie Thompson, pastor of the Assembly of God of Dimmitt, will be the speaker, and special music will be provided by the Dimmitt High School Choir.

Rev. Ed Freeman of First Presbyterian Church will give the welcome. Two hymns, "We Gather Together," and "Come Ye Thankful People Come," will be sung. Joe Higgs, music and education director of First Baptist Church will lead the singing.

The High School Choir will present three selections: "Abide With Us Lord," "The Paper Reeds by the Brook," and "Clap Your Hands."

Musicians accompanying the singers will be Dwight Joiner and Mrs. L. C. Brafladt.

Rev. Wayne Mullin, Church of God of Prophecy, will give the responsive reading, and the invocation will be given by Rev. Ronnie Travis, Lee Street Baptist Church.

The offertory prayer will be given by Rev. John Street, First Baptist Church. Minister Roy Barringer, First Christian Church, will give the dismissal prayer.

## Early deadlines next week

The News will publish a day early next week because of Thanksgiving.

Next week's issue will go to press and into the mail Tuesday, so subscribers will receive their copies Wednesday.

All deadlines for next week's issue have been moved up. Please submit your copy today or Friday, if possible. Final close-out time for all news and advertising for next week's issue will be noon Monday.

By BRENDA SCHULTE  
The milo harvest is finished in Castro County, and that brings good and bad news.

First, the good news: Overall, the quality of the crop was good, the yields were good, and local elevator operators were able to find storage room for almost all of the crop.

Now, the bad news: Due to the surplus, prices were poor and with more than 90% of the local crop going into the reserve program, elevator operators are wondering where they will put next year's crop.

Elbert Harp, president of Texas Grain Sorghum Producers Association, said the price of grain sorghum in this area is ranging from \$3.65 to \$4 to the farmer, compared with last year's \$4.20 to \$4.50 per bushel.

"The year before last, it was a dollar more than that," Harp said.

The price drop is due to a surplus. Harp explained how the surplus carryover affects the price of grain.

"If you have a one-month carryover (a month's supply, or the amount of grain consumed during one month's time averaged through the year) the prices remain stable," he said. "With a two-month carryover, prices usually drop to about the government loan level, and a three-month carryover drops the price even more, from 50 cents to \$1 per hundred weight.

"To help the farmers," Harp said, "We will either have to reduce the carryover to a one-month supply or get a better farm program."

Harp says the outlook is good, although sales and domestic consumption has not increased enough to keep from having a surplus.

"Overseas sales have increased by 135% since 1965," said Harp. "But domestic production (acres harvested) is up 29%, and total production (yield per acre) is up 25% since 1965, while domestic consumption is up 28%.

Most local elevator operators agree that something will have to be done with the surplus before next fall's harvest, or there will not be room to store the crops.

"Fortunately, elevators were able to find enough space to take care of this year's crop," said Bill Clark of Dimmitt Agri Industries.

"There will have to be [Continued on Page 8]

**Social Security**  
*...in Castro County*

By TERRY J. CLEMENTS  
 Is Social Security going broke? This is one of the major concerns people have about Social Security. Today's article is the first of a series in which financing and other issues about Social Security will be discussed.

There is some question as to whether expressions such as "going broke" or "bankrupt" are accurate ways to describe Social Security's difficulties. However, the fact is that problems do exist with financing. To understand just what these problems are, it might help to discuss just how Social Security is financed.

The system is designed so that benefits in a given year are paid from the payroll taxes for that year. The payroll rate for 1982 is 6.7 percent. This figure is earmarked so that 4.575 percent goes for retirement benefits, .825 percent goes for disability benefits and 1.300 percent goes for hospital insurance. Contributions that are not needed to pay for the year's benefits are placed in a trust fund of which there are three (retirement, disability and hospital) funds.

These trust funds were not meant to accrue large sums of money. They were designed to be used when economic situations are such that payroll taxes are not adequate to cover the amount owed for benefits.

Since the early seventies, it has been necessary to draw from the retirement and disability trust funds. One reason is that the inflationary trend during this period has required Social Security checks to become larger through cost of living increases. However, wages have increased much slower

than the cost of living and unemployment has been at levels higher than anticipated. In other words, the amount of benefits to be paid has increased more than the payroll taxes available to meet this obligation.

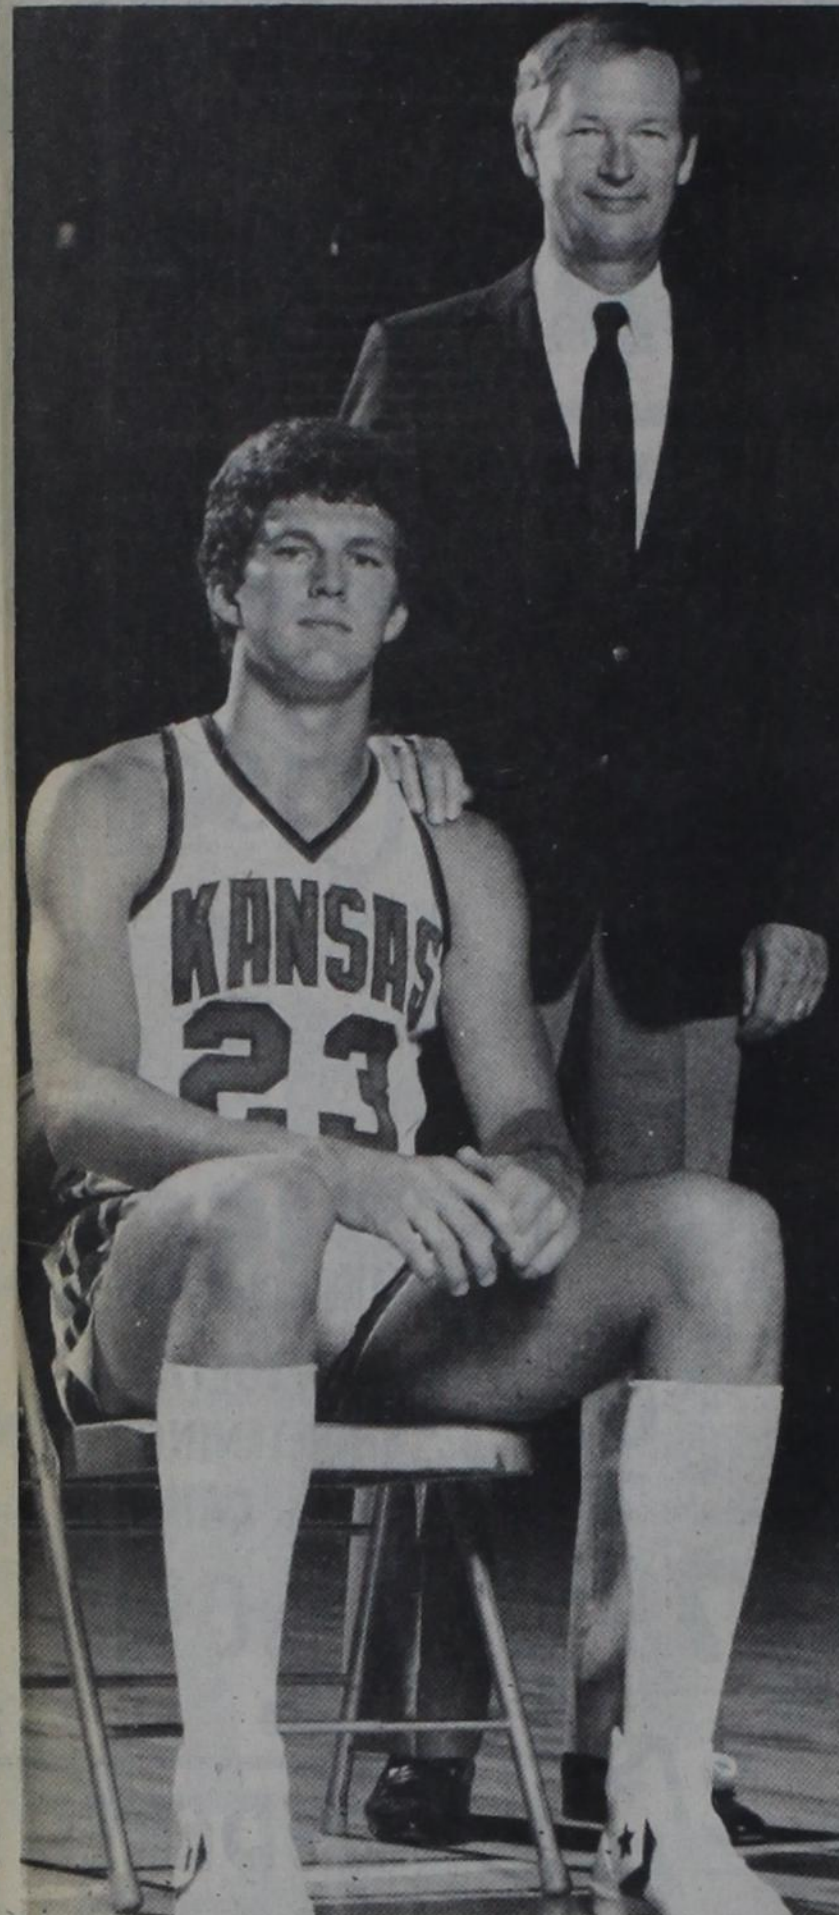

This situation of outgo exceeding income creates a major problem in short term financing. Congress will have to make legislative changes in order for benefits to be paid for the period beginning June, 1983 and ending about 1990. The financial soundness of Social Security will then be restored in 1990 as a result of payroll tax increases scheduled for 1985 and 1990.

There is also a long range financing problem. One reason that further difficulty is anticipated is the progressive trend of people living longer. The World War II "baby boom" generation will begin retiring around 2010. However, the population growth is expected to be very slow for years to come. This will result in a surge of benefits payable at a time when fewer workers are available to make payroll contributions.

What can be expected of Social Security's future? It is expected that Congress will soon take action to pass the necessary legislation needed for restoring Social Security's short term problem. Attention then can be directed to solve the long range problems.

The American people are committed to caring for the aged, orphaned and disabled. There is every reason to expect Social Security to continue to pay retired workers, disabled workers and surviving families for many years to come.

**Summers co-captain at UK**

Mark Summers and coach Ted Owens

Mark Summers, former Dimmitt High School basketball standout, will serve as co-captain this season for the University of Kansas Jayhawks.

Summers, a senior, has played the last two seasons for the Jayhawks. He saw only limited playing time as a sophomore, but logged quite a bit of playing time last season, and started in two key contests for the Jayhawks.

"Mark is a very hard worker who can play both the center and forward positions," said KU coach Ted Owens.

He had six pivotal points in KU's 63-62 win over Arizona last season. His high rebounding game last season was six against Colorado, but his career high rebounding game is eight, accumulated in KU's win over Rollins College in the 1980-81 season. Summers is a good re-

bounder and an excellent free throw shooter, exemplified by his 83.3% figure from the line last season.

Summers played one year at Amarillo College prior to transferring to KU. His statistics from AC include 5.7 points, 3.8 rebounds, 4.0 assists, 2.1 steals and 1.0 blocked shots per game.

He won two-time all-district, all-regional and all-state honors while playing at Dimmitt High School. He graduated in 1978.

Summers is majoring in physical education. He is the son of Bill Summers of Dimmitt.

**Texas gardeners' calendar available**

The 1983 Texas Gardener Planner/Calendar is currently being introduced throughout the state.

Published by Texas Gardener magazine, the planner/calendar is designed to serve as a comprehensive source of specific gardening information for each region of Texas. Additionally, it provides a format for record keeping and garden planning.

"The planner/calendar is the first of its kind for Texas," says Chris S. Corby, publisher. "The calendar/planner provides the home gardener here in the Lone Star State with information that is specific and factual and, most importantly, information that is for and about Texas conditions."

"Gardeners here in Texas have problems that are a world apart from those that you'd find up North," says Corby.

The calendar portion of the workbook allows the gardener to pinpoint his location on a zone map. Optimum dates for planting, spraying, harvesting, and so on, are listed for the gardener's area. Lunar information is also provided for the gardener who plants and grows by the phases of the moon.

The 1983 Texas Gardener Planner/Calendar is available at nurseries and bookstores throughout Texas or by sending \$4.95, plus \$1 shipping and handling charge, to Texas Gardener, PO Box 9005, Waco, 76710.

**County youths to be honored**

Two outstanding 4-H members from Castro County will be honored at the 25th Annual South Plains District 4-H Gold Star Banquet at 6:30 p.m. Monday (Nov. 22) in Lubbock.

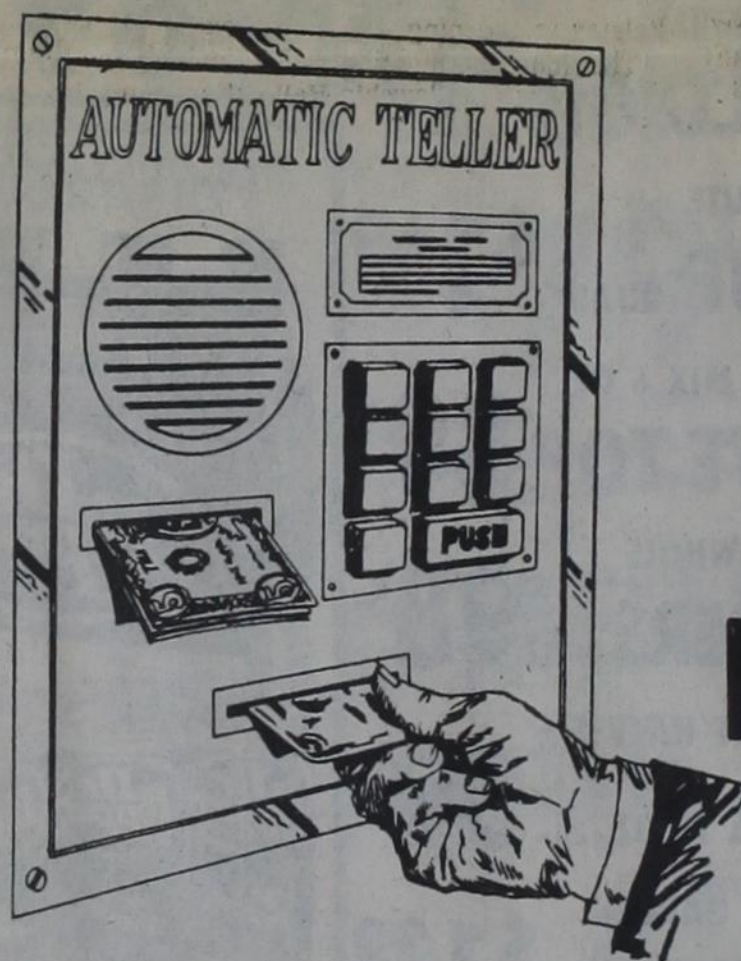

Among the top 4-H'ers in the 20-county district to be honored will be Bart Huseman, son of Mr. and Mrs. Louis Huseman of Nazareth, and Kim Howell, daughter of Mr. and Mrs. Jimmie Howell of Bethel.

State Rep. Jim Rudd of Brownfield will address the banquet in the cafeteria of Coronado High School. Master of ceremonies will be Lubbock Mayor Bill McAlister.

The awards presentation will be narrated by 4-H'ers Lonnie Howard of Hale County and Cleet Griffin of Dawson County. Making the presentations will be Dr. Catherine B. Crawford and Billy C. Gunter, District Extension Directors.

Invited as special guests for the ceremony are recipients of the Gold Star Award at the 1958 banquet, the first held in the South Plains District. Also attending to salute this year's winners will be parents, government and community leaders and friends of 4-H. The banquet is sponsored by area electric cooperatives.

# Hartman back to help UT

By BRENDA SCHULTE  
Mentally tough, dedicated, a leader, and a fierce competitor, Cheryl Hartman will play a major role in the outcome of this year's Lady Longhorn basketball season at the University of Texas.

Donning a red shirt her senior year was not Hartman's idea of a good time. "I thought why did it have to happen to me. I've never been hurt before," she said. "I really felt cheated not getting to play my senior year."

She entertained thoughts of giving up basketball and finishing school.

"As the season went along I decided I wanted to go back since I had the opportunity. I wanted to see what I could do."

Miss Hartman got that opportunity this year when UT hosted the Republic of China National Team in its opening game Tuesday.

"It will be different this year," she said. "Everyone else has had a year of experience and I had a year to sit and watch."

"I feel I can contribute a lot to the team. I'll try to be a good leader. I've been around longer and I'll try to help the younger girls on and off the court."

To earn a starting position Miss Hartman feels she will "have to work harder than the others. I'm a little weaker, and there are five good post players pushing me."

"Cheryl will get a starting berth," Conradt said. "She's going to do what's necessary."

UT's women finished second in the AIAW National Tournament last year.

"I think we'll really do well this year," Miss Hartman said. "We're strong, we will have more experience and good depth. We could go all the way."

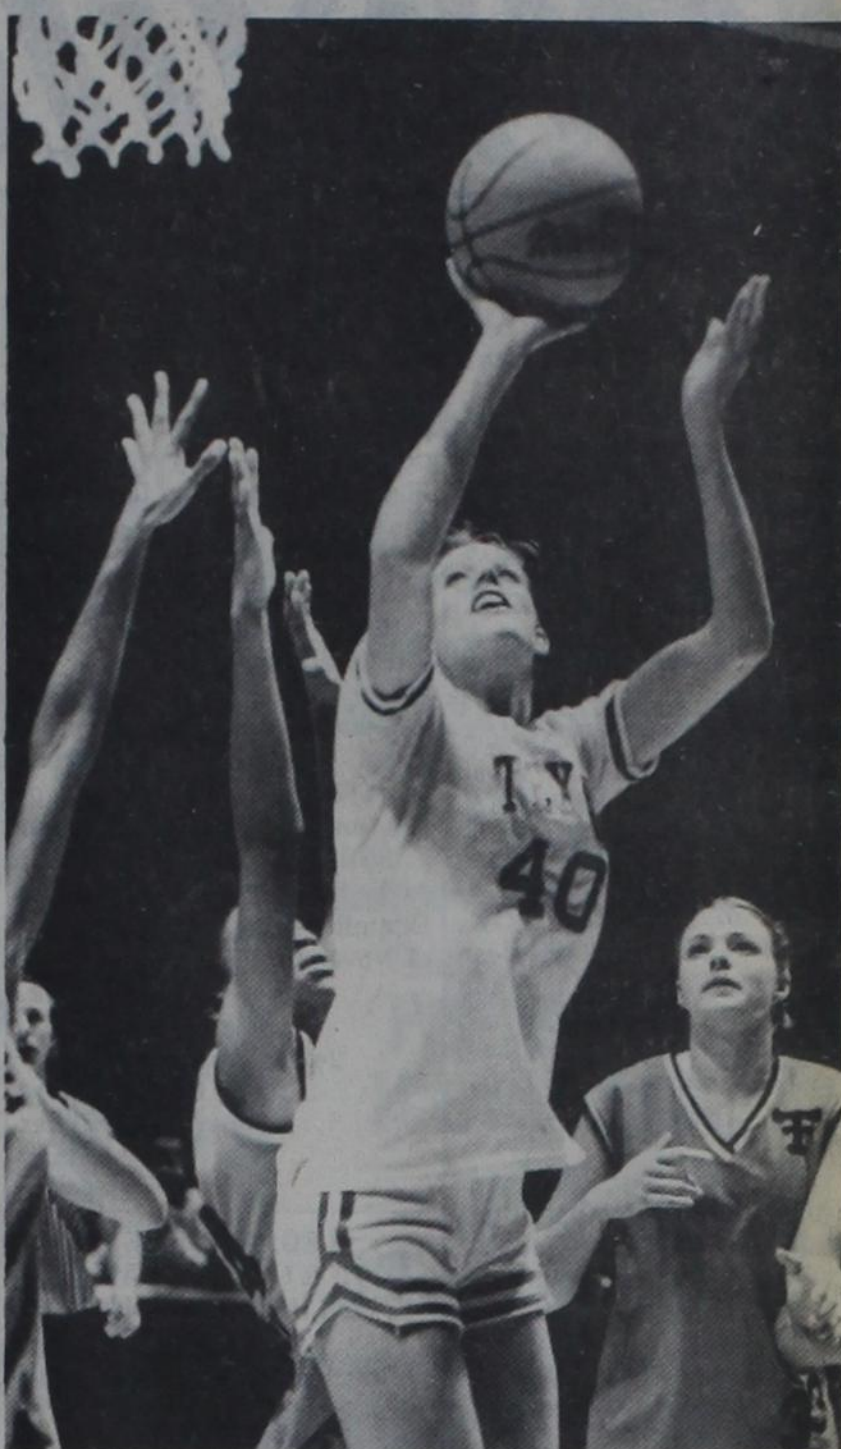

Texas will be competing in the NCAA this season, following the AIAW's demise.

Following her graduation in May, Hartman plans to try to get a coaching job in Austin and continue graduate school at UT. She eventually plans to coach in college.

For now she hopes to successfully complete a long running affair with her first love, basketball.

"Sometimes I wonder why I'm doing this, all the time I've put in, but I've achieved so much, reached so many goals and learned so much."

"It gives me the incentive to keep going."

CHERYL HARTMAN of Nazareth, the Texas Longhorns' starting center, is ranked eighth on the Texas career scoring list with 873 points. She was redshirted last season after having knee surgery, but was ready to go when the Longhorns opened their season Tuesday with an exhibition against the Republic of China National Team. Hartman, daughter of Albert and Rita Hartman, is a former all-stater at Nazareth High School.

## Optometrist will speak to ACLD group

Noted optometrist Dr. Hugh A. Sticksel, Jr. of Amarillo will present the November program for the North Plains Association for Children and Adults with Learning Disabilities. His timely topic is "How Vision Relates to Learning."

The monthly meeting will be held at the Fellowship Hall of St. Luke's Presbyterian Church at 5701 Brinkman in Amarillo, today (Thursday) from 7:30 to 9 p.m.

North Plains ACLD is proud to present lecturers of the calibre of Dr. Sticksel in order to advance its main purpose, to foster understanding and public awareness in the field of learning disabilities. The learning disabled child is usually a person of high intelligence whose differences in perceiving the world around him lead to difficulties in daily life and in formal learning; he can exhibit hyperactivity, poor coordination, impulsiveness, short attention span, emotional insecurity, and specific learning problems with reading, spelling, writing or arithmetic — or any combination of these problems!

North Plains ACLD, Inc., P.O. Box 1601, Amarillo 79105, is a nonprofit, parent-professional organization encompassing the entire northern Panhandle. Dues are

\$13.00 yearly and include membership and subscriptions to highly informative national, state and local newsletters. Speakers and films are available through the group, also. Contributions in any amount are gratefully accepted, and the public is invited to ACLD programs. For more information, telephone the 1982-83 president, Mrs. J. D. Lutes at 806-655-9779 (evenings and weekends).

## Art Club to see clouds

The public is invited to view a demonstration on cloud painting at the Monday meeting of the Nazareth Art Club.

Audell Thomas of Kress will give the demonstration at 7:30 p.m. in the basement of the Holy Family Catholic Church of Nazareth.

Those wishing to paint along with Mrs. Thomas need to bring a 14x18-inch canvas board, a practice board, large brushes and basic paints. Non-members will be charged a \$5 fee to participate.

## DPS reports on October

Sergeant Joe Rex Smith, Area supervisor of Castro County, reports that for the month of October the Texas Highway Patrol Troopers investigated a total of seven accidents in this county.

There were two injury accidents with a total of three persons injured, and five property damage accidents.

In District 5B, which includes the top 31 counties of the Texas Panhandle, there were 229 accidents investigated by the Texas Highway Patrol. Highway Patrol Captain Bob Russell reports that the Texas Highway Patrol Troopers investigated eight fatal accidents with a total of nine persons killed, 87 injury accidents with a total of 127 persons injured, and 134 property damage accidents.

## Kiwanians view film

"Let's Call It Quits" was the name of the film the Dimmitt Kiwanis Club viewed at its Monday meeting.

Presented by club member Richard Stahl, the film was about quitting smoking, and was produced by the American Cancer Society. Stahl is the local chairman of The Great American Smokeout in Texas campaign for this year.

Key Club members present at the meeting reported that the Key Club made \$45 from its car bash booth at the Halloween Carnival.

Visiting Kiwanians were Dean Herring of the Hereford Noon Kiwanis Club and Weldon Scarbrough of the Amarillo High Plains Kiwanis Club.

Key Clubbers Greg Burleson, Curt Fitzgeard, Scott Nelson and Kennen Howell were also guests.

## Presbyterian happenings

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult class meets at the home of Mrs. Emily Clingingsmith; all other classes meet at the church.

"Daniel's Vision" is the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God Sunday at 11 a.m. It is Universal Bible Sunday.

Presbyterians will join with all the churches in the Union Thanksgiving service at the high school auditorium Monday at 7:30 p.m.

## How better energy decisions make the difference

You and Southwestern Public Service Company are partners, making energy decisions that make the difference.

How you manage electricity in your home helps us make our decisions about generating power to meet the electrical requirements of the Southwest. For when you install a High-Efficiency Add-On Heat Pump, you can manage the electricity used for your home's heating and cooling — which helps SPS determine how much power you, and the Southwest, will need.

So that economical power will always be available, SPS is developing better ways to generate electricity. One way is with coal.

Construction is now completed on the first unit of our second coal-fired power plant, Tolk Station, which is now on-line and generating electricity. Harrington Station, SPS's first coal-fired power plant, has been operating since the early 1970's.

As partners we have made energy decisions which have built Tolk Station. We're proud of the new power plant as you will be too. You're invited to the Open House of Tolk Station between Muleshoe and Earth, Texas. Just follow the map and join us Saturday 10 to 4 p.m., November 20, or Sunday 1 to 4 p.m., November 21. Come as you are, dress casually. There will be refreshments and guided tours for the whole family.

### 15-LEGAL NOTICES

#### LEGAL NOTICE

**NOTICE TO BIDDERS**  
The Commissioners' Court of Castro County will receive bids until 10:00 a.m. December 13, 1982 for the purchase of five-year time warrants in the amount of \$203,321.00. Time warrants will be payable in five annual installments and the proceeds will be used to purchase road machinery for Precincts One and Two of Castro County. The five annual installments will be payable on January 15, 1984 - January 15, 1988.

Castro County will be allowed a trade allowance on used machinery, and the resulting purchase of said machinery will be \$203,321.00. The amount of the initial indebtedness will be \$203,321.00 and the net effective interest rate shall not exceed ten (10) percent and the maximum maturity date will be five (5) years from date of issuance. Other Castro County time warrant obligations exist in the principal amounts of \$40,000.00 each, with maturity dates of December 1, 1982, December 1, 1983 and December 1, 1984, together with interest payable in the amount of 72% per annum from effective date of May 16, 1980. Total outstanding warrants issued by Castro County will be less than \$100,000.00 in any fiscal year. If as many as ten per cent (10%) of the qualified voters of Castro County whose names appear as property taxpayers petition the Commissioners Court in writing on or before December 13, 1982, then this proposition would be submitted to the voters of Castro County in the form of a referendum as to the issuance of bonds instead of time warrants. The Court reserves the right to reject any or all bids.

# Today is 'Smokeout' day

The Great American Smokeout in Texas is today (Thursday) and 128 people signed up in Dimmitt to give up smoking or help someone else to for the entire 24 hours of the day, according to local campaign chairman Richard Stahl.

Stahl said the names were gathered mostly at the Smokeout booth that was set up at the recent Halloween Carnival in Dimmitt.

Campaign workers also gave away a Pac-Man® doll to publicize the effort to get people to stop smoking. Bally-Midway Co., owner of the Pac-Man copyright, consented to the use of the insatiable chomper as the official mascot for the Smokeout in Texas.

"This is a big state and we asked for Pac-Man's help," said State Volunteer Chairman Penny Reeves of Austin. "We felt that busy mouth of his could chomp a lot of temptation away from our smokers on the big day."

Also, local workers have been giving out stickers and t-shirt decals that show a frog with the words "Kiss me, I don't smoke." Pac-Man Smokeout decals are also available.

Campaign committee workers have handed out informational materials and presented programs to the Kiwanis Club, Rotary Club, Dimmitt Lions and Key Club.

The local campaign workers are Chuck Braafladt, Doug and Cheryl Pybus, and Bill Sava, along with Stahl.

"If you know anyone who has taken the pledge for today, be sure and give them lots of encouragement and support," Stahl said, "and if you've taken the pledge yourself, don't give up."

Admiral Richard Byrd made aviation history in 1929 by becoming the first man to fly over the South Pole. Three years earlier, Byrd was also acclaimed for the first plane flight over the North Pole. He died in 1957.

**GREAT AMERICAN SMOKEOUT** in Texas Campaign Committee members for Dimmitt persuaded Mayor R. L. Fleming [second from right] to sign a proclamation designating today [Thursday] as Smokeout Day for Dimmitt in connection with the state- and nation-wide drive to encourage people to stop

smoking. Committee members are [from left] Chuck Braafladt, Committee Chairman Richard Stahl, Cheryl Pybus and Bill Sava. The group handed out decals and stickers imprinted with frogs and the words "Kiss me, I don't smoke."

## Gonzales nominated for transition team

Larry S. Gonzales of Dimmitt has been nominated by the Mexican-American Rural-Urban Coalition to become a member of incoming Texas Gov. Mark White's transition team.

The governor will select members of the transition team from lists of nominees submitted by a variety of interested groups. The team is a short-term body that will advise the governor in making appointments to fill more than 200 vacancies that will be left in state boards and commissions by the change of administrations.

Gonzales was nominated for the team at a Coalition conference in Austin this past weekend. Thomas Falcon of Dimmitt also attended the conference. Falcon and Gonzales are both members of the Coalition Steering Committee.

Others nominated for the transition team included Gladis Gerst of Sweetwater, Jose Uriegas of Austin, Mike Gonzalez of Del Rio, Alicia Orgel of Carrizo Springs, Maria Cardenas of San Angelo, Lorenzo Sedeno of Lubbock and Marcus Deleon. Other business discussed at

the conference included the annual statewide dinner, which has been set for Dec. 11. A number of Dimmitt and area people are expected to attend.

Plans were also discussed for attending the governor's inauguration in January.

The conference included discussion of economic, social and political funding available; and talk about the Coalition's impact on the recent elections.

Gonzales will attend another Coalition meeting in Austin Saturday.

## Obituaries

### Willie Winders

Services for Willie Winders, 96, of Lubbock and formerly of Earth, were held Tuesday in the Nazarene Church in Olton with Rev. Ron Stowell, pastor, and Rev. Bill Burton of Fort Worth officiating.

Burial was in Earth Cemetery under direction of Parsons Funeral Home of Olton.

She died Saturday night in the Francis Hospitality House in Lubbock after a lengthy illness.

She was the mother of Dimmitt's Dale Winders.

She had been a resident of Earth for many years before moving to Lubbock a few years ago. She was born Jan. 3, 1886, in Bejen, Ark. She married Lebon Winders Aug. 3, 1909, in Geronimo, Okla.; he died Jan. 4, 1961.

She was a member of the Nazarene Church in Olton.

Survivors include five daughters, Cleacy Laymon and Gene Faulkner, both of Lubbock, Pauline Simmons of Amarillo, Jo Brinkerhoff of Denver and Madge Kennedy of Escondido, Calif.; five sons, Leon of Clayton, N.M., Monk of Gilroy, Calif., Jay and Dud, both of Earth and Dale of Dimmitt; 18 grandchildren; and 21 great-grandchildren.

Pallbearers were sons Leon, Monk, Jay, Dud and Dale Winders, along with Dick Awtry.

Grandsons were named as honorary pallbearers.

### Albert W. Schulte

Services for Albert W. Schulte, a longtime Castro County resident, were held Saturday in Holy Family Catholic Church in Nazareth. Burial was in Holy Family Cemetery by Parsons Funeral Home.

Mr. Schulte, 78, died Thursday in Plainview. Rosary was said Friday in the C.C.D. Building. The Rev. Harold Waldow, pastor of Holy Family Catholic Church officiated.

Mr. Schulte was born April 29, 1904 at St. James, Neb. He had been a resident of Castro County since 1907.

He married Anna Hoffman May 26, 1931 at St. Anthony's Catholic Church in Hereford. They lived and farmed near Nazareth on the Conrad Schulte Homestead.

Mr. Schulte was a member of Holy Family Catholic Church and the Catholic Order of Forerunners.

Survivors include his wife; four daughters, Norita Hoelting, Eilene (Toby) Gerber and Joan Durbin, all of Nazareth, and Carol Hoelting of Westminster, Colo.; three sons, Gilbert and Floyd both of Nazareth, and Ralph of Amarillo; three sisters, Mrs. A. J. Britting of Amarillo, Mrs. Rose Hindman of Nazareth, and Mrs. R. W. Wills of Groom; a brother, Clarence of Nazareth; 41 grandchildren and three great-grandchildren.

Pallbearers were Dwayne Schulte, Doyle Schulte, Keith Hoelting, Norman Gerber, Marlin Durbin, Mark Hoelting, Kenneth Gerber and Calvin Schulte.

### Joyce Larue Wagner

Mrs. Joyce Larue Wagner, 61, of Lake Charles, La., sister of a Dimmitt woman, died Oct. 30 after a sudden illness.

Funeral services were held Nov. 2 in Sulphur, La. Born Dec. 7, 1935 in Rotan, Mrs. Wagner grew up there. She lived in Sulphur, La. for 13 years. In Lake Charles, she was employed as an assistant store manager for Office Machine and Supply.

She is survived by her husband, Byford; one son, Jace; one sister, Mrs. Jo Nita Gordin of Dimmitt; and two brothers, C. M. Warren and Roy Warren, both of Cisco.

### Mary Alice DiCuffa

Services are pending for Mary Alice DiCuffa, a lifetime Dimmitt resident, who died Tuesday in Azle.

Mrs. DiCuffa was 63. She was born Nov. 8, 1919 in Dimmitt. She was the daughter of Bruce and Rubye McLean who came to Dimmitt in the early 1900's.

She was a member of the Presbyterian Church.

Survivors include her husband, Salvatore; two daughters, Ruthella Esche of Sonora and Joanna Moss of Fort Worth; two sons, Wilson of Fredericksburg and Jimmie of Austin; one foster son, Harley Daniels of Hereford; two sisters, Emily Clinging-smith of Dimmitt and Margie Wiggs of Granbury.

### More about Cotton ...

[Continued from Page 1]

Clay Davis reports, "I think we're about one-third through. It's pretty hard to tell; it's been pretty slow. We're not making as much per acre as it looked like earlier. It's making about three-fourths of a bale to the acre. We're getting better grades and the prices are up a little over last year."

**HART GIN:** Gary Aycock reports good grades and a good turnout. "We're getting quite a bit of 50-cent cotton," he said.

**ROSS FAMILY GIN,** Sunnyside: Gene Ross reports, "We're about three-fourths through and should be finished by the middle of next week. We are getting some good quality cotton."

**NORTH GIN:** Bill Birdwell reports, "We're over half done. It's good quality cotton and bringing between 45 and 50 cents."

**BRUEGEL BROTHERS GIN,** Frio: Army Armstrong reports, "We're not half done yet, I hope. We are getting some pretty good quality cotton, heavy seed and real good grade seed. We're just mediocre busy."

**EASTER COMMUNITY GIN:** Thomas Gage reports, "We're one-third through. We are getting good cotton and it's averaging over a bale to the acre."

**HART PRODUCERS GIN:** L. J. Rice reports, "We are about 40% finished. On most of the cotton, we're getting good grades and good mike."

#### Milo harvest ...

[Continued from Page 1]

some more storage built, or the price is going to have to break and release some of the grain in reserve," said Easter Grain's Eddie Matthews.

"I don't think the answer is building more storage," said Bill Gregory of Castro County Grain. "We're going to have to move some grain out some way. We can handle next year's wheat harvest all right, but I don't know what we'll do with the fall crops. Hopefully, the government will make some decisions that will move some of the grain," he said.

At least four local elevators were forced to put some of this year's milo crop on the ground. They expect to find storage room soon, but unless something is done to alleviate the storage problem, next year's crops may have trouble finding a home.

An estimated 36,136 acres of milo were planted in Castro County this year, compared with 38,700 acres last year.

Here is a report on the milo crop from local elevator operators:

**BRUEGEL & SONS:** Fred Bruegel Jr. reports, "Overall, it was a pretty fair harvest. Some of the yields were a little disappointing, but the

quality was excellent."

**DIMMITT AGRI INDUSTRIES:** Bill Clark reports, "The yields were just about equivalent with last year. The quality was good all the way through."

**FLAGG GRAIN:** J. R. Brown reports, "There was a little more milo planted this year. The yields were good and the quality was good."

**SUNNYSIDE GRAIN & SUPPLY:** Ricky Byers reports, "The milo was real fine quality grain. We had good test weights, dry moisture, and the yields were average or above."

**EASTER GRAIN:** Eddie Matthews reports, "It was a real good milo crop, with good test weights and good yields."

**CASTRO COUNTY GRAIN:** Bill Gregory reports, "The quality was real good. There was a pretty wide range in yields, from 2,000 to 7,000 pounds per acre."

**STAR GRAIN:** Lynn Ehly reports, "We got more milo this year than last. The quality was really good."

Serving Dimmitt for 29 years ... and for many years to come!

RON JENKINS, Castro County Sheriff's Deputy, was honored as Member of the Year by the Castro County Peace Officers Association at a hamburger supper Monday night. Here the award is presented to Jenkins by County Judge Polly Simpson. Association President Lonny Rhynes said that the group

hopes to make the family night supper and the award an annual event. The award was given on the basis of contributions made to the efforts of the association. Jenkins has been a member for over a year, and is currently serving as its sergeant-at-arms.

oppressive" to mobile home owners.

However, the city still requires that mobile homes be newly placed on property within the city undergo a city inspection for correct tie-down, safe hook-ups, proper appliances, etc. To make sure all newly placed mobile homes have the inspection, Catoe said, Southwestern Public Service Co. and Energas have both agreed not to hook up utilities on any newly placed mobile home until it has been inspected and approved by the city.

Postmaster Bill Sava asked the city board to give its policy approval to the installation of outdoor key-lock mailboxes being made available by the US Postal Service.

The new security boxes are available in "neighborhood clusters" of from eight to 20, Sava explained. The steel post holding a cluster of boxes must be mounted in a concrete slab, and the location must be on city right-of-way and not on private property, Sava said.

The postmaster noted that the USPS is not requiring the locked boxes to be used, but is only making them available when enough postal patrons within a city block want them.

"Not every neighborhood will want them, but they are good for certain areas," Sava said.

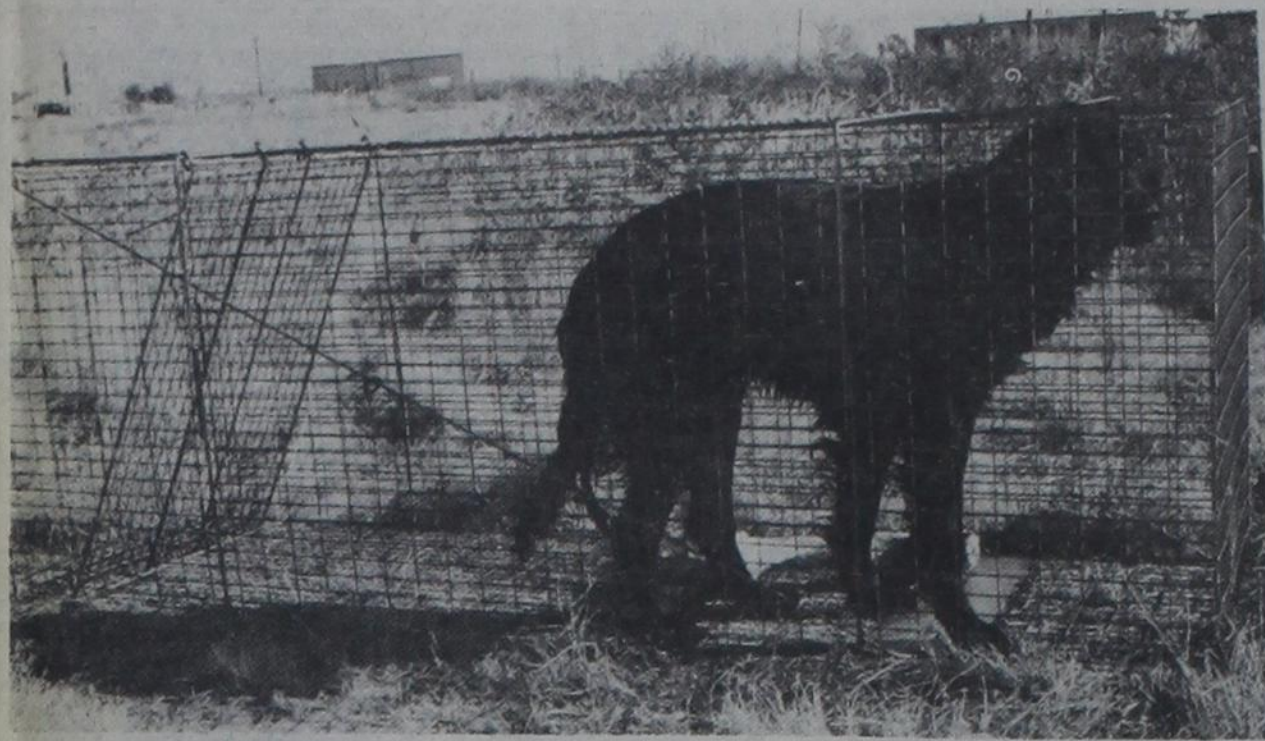

He said the first use of the "cluster boxes" probably would be along Southwest 10th Street, whose residents presently have to go to the post office to get their mail.

The city approved the use of city right-of-way for installation of the new security boxes, with the provision that each installation be approved individually to make sure its slab won't be above a water or sewer line.

The city voted to sell a 1971 street sweeper to the Azteca Development Corp. for \$1,150.78. Azteca's bid was one of two received; the other bid was \$124.50 by Sammy Stoner of Canyon.

However, the board rejected all bids on a 1953 Chevrolet garbage truck with a blown motor. Freddie Hamilton of Dimmitt and Stoner of Canyon had each bid to buy the truck for \$50.

Aldermen approved larger engines for two Ford police cars that have been ordered, after learning that delivery is being held up pending federal approval of the engine specified for the new cars — a high-performance version of the Ford 302 V8. The city board approved 351 V8 engines for the new cars at an additional cost of \$100 per unit.

IT DOESN'T HURT animals who are captured by the city's new animal control cage-traps. The humane traps were ordered by the city as a part of the police department's efforts to control stray animals. Available in three different sizes, the traps can be requested for

placement by the animal control officer. However, the citizen requesting the placement of a trap must sign a request form releasing the city from any liability. To obtain placement of a trap on your property call 647-4545.

### ROW sets home tour

The Holiday Home Tour sponsored by the Republican Organization of Women will be held Dec. 4 from 10 a.m. to 4 p.m., with viewing of three homes included in the price of \$2.50 per person.

The homes on the tour will be the home of Mr. and Mrs. Graham Sheffy at 1616 Sunset Circle with the theme of "The Twelve Days of Christmas"; the home of Rev. and Mrs. Ed Freeman at the Presbyterian Manse on Western Circle Drive with the theme of "An Old Fashioned Christmas"; and the home of Mr. and Mrs.

Gerald Hanners at 720 Cleveland with the theme of "Holiday Ole!"

Also, bake sale items will be available at the Hanners home.

Tickets for the tour may be purchased from any ROW member or at any of the homes on the tour.

Proceeds from the annual event are used to help send participants to Girls State, and also for projects of the Castro County Child Welfare Board.

Other holiday events on the same day will include the Dimmitt Young Homemakers Arts and Crafts Bazaar, an art showing by Joan Stockstill at the home of Shirley Underwood, and a flower arrangement display, "Making Arrangements," from Plainview at the home of Doug and Cheryl Pybus.

### Fire calls

The Dimmitt Volunteer Fire Dept. answered two fire calls during the past week, and had to request aid from the Hereford Dept. for one of them.

On last Thursday, at about 4:30 p.m., a cotton burr fire was reported at the North Gin. The fire spread to several cotton modules and several bales, which were all destroyed. Also, one cotton trailer was destroyed.

Five units and 25 men reported to the fire locally.

Monday at 7:15 p.m., a fire was reported 6 miles west and 3 miles south of Dimmitt at Mike Baca's farm. A burr truck caught on fire and was extensively damaged. No one was in the truck at the time of the fire.

### Police calls

Police are investigating several thefts which were reported during the week.

Sometime between Nov. 8 and 10, a chain steering wheel and a stereo equalizer were taken from a Chevrolet Impala owned by Juan Zambrano. The car was parked at the Agricultural Housing Project and was left unlocked, police said.

Two thefts were reported Saturday in the parking lot of the First Place. A Super Sport Radial (GT) spare tire with a chrome wheel was taken from the bed of a 1979 Chevrolet pickup owned by David Lee Patterson. A tool box was taken from a 1969 Ford pickup owned by Jackey Darrell Jordan.

Two minor collisions were reported during the week. An unidentified dark blue or possibly black pickup backed into a parked Maverick Nov. 8 in the parking lot of the courthouse. The pickup left the scene.

William Andrew Murphy

was issued a ticket for failure to yield right of way Saturday when his car collided with a Ford Torino driven by Margarita Salinas. Murphy had stopped at a stop sign, then proceeded west on Jones. He hit the Salinas car on the driver's side.

Police arrested two juveniles last week in connection with three bicycle thefts. They were turned over to juvenile authorities.

Friday a shoplifting offense was reported at Allsup's Convenience Store. A customer reportedly observed a juvenile putting store merchandise into his pockets. He left the store without paying. The youth fled when confronted by a store employee. The customer identified the youth later, and the incident was referred to the juvenile probation officer.

Sheriff's deputies, police and state troopers made seven DWI arrests during the week. Eight public intoxication arrests were made, and one of those included a possession of marijuana charge.

One man was arrested for theft by check, another on violation of probation charges, and another for auto theft.

The man arrested for auto theft was released to the Bovina Police Dept.

Larry Claude Davis filed a writ of habeas corpus and was bench warranted out of the Texas Dept. of Corrections at Huntsville last Wednesday for a hearing in Dimmitt.

Davis is serving a sentence for cattle theft in the county. He was returned to TDC following the hearing.

### Crime Line offers \$500 in two cases

Crime Line is offering a total of \$500 for information in connection with this week's two spotlight crimes.

A \$200 reward is being offered for information about two burglaries which occurred Nov. 12 in the parking lot of the First Place nightclub.

The incident happened at night and stolen was a box of tools, and a spare tire with a chrome rim. The items were taken from two pickup trucks.

A \$300 reward is being offered in connection with a burglary at the Pentecostal Church at 5th Street and Ave. H. in Hart. The burglary happened March 30, and taken were two electric guitars, one black and white, the other tan and brown; six chrome microphones and a PA system.

The estimated value of the stolen items is \$3,980.

If you have information concerning either of these crimes, call the Crime Line at 647-4111.

or. A very arrogant member of that board defended the procedure in very broad terms that failed to give any hint of controlling the inflation in energy costs resulting from the pass thru gimmick.

It was recently made public through the press that one of the reasons for the high price of natural gas, was the fact that gas distributors had to contract for more gas from the producers than they could possibly sell and that they had to pass thru the cost of the gas they didn't sell to the consumers. Consequently, the consumer is being forced to pay for gas that was never used.

If the facts were known that one gimmick is probably the tip of the iceberg. This is a segment of our economy that is a way past due for some minute scrutiny. The consumers in this state are badly in need of an advocate. Let's hope that the new governor can get some results before the rest of the farmers go broke and the rest of us freeze to death.

Four named to CofC board

Four directors were elected to the Dimmitt Chamber of Commerce Board of Directors recently.

Those named were new directors Doug Pybus of Dimmitt Super Market and Calvin Marsh of Southwestern Public Service Co., and returning directors Martha Hyman of Tots and Teens and Joe Josselet of First State Bank.

Continuing directors on the board include Bob Caddell, Jim Killingsworth, Roger Malone, Leroy Maxwell, Arlie Petty, George Lamberth, Clara Patton and George Sides. New officers for the board will be elected in January.

At the board's meeting last Thursday, it was decided to begin extending invitations to 12 chamber members to attend the board meetings, so that members could become more familiar with the workings of the board.

"We want to invite different chamber members each month so as to give each one a chance to attend," Chamber Manager Delores Heller said. "We'll even provide their breakfast."

The board meets the second Thursday of each month at 7 a.m. at K-Bob's in Dimmitt.

JR. HIGH ALL REGION CHOIR MEMBERS—These four Dimmitt youths were selected to the All Region Choir recently. They will attend a concert and clinic in Lubbock on Dec. 3 and 4 along with high school all region selections Janis Hutcheson

and Steve Anderson. [From left] are Donna Casas, alto; Chanin Ross, alto; Ruben Martinez, bass; and Daniel Clymer, tenor. Miss Casas and Martinez were also selected last year. Doug Henry, Choir director is seated at the piano.

Mrs. E. R. Sadler and Mrs. John Gilbreath helped with the Plains Memorial Hospital Auxiliary annual Bazaar and Buffet at the Expo building in Dimmitt Friday.

A trace of rain was received Tuesday and Wednesday mornings with .60 of an inch recorded for Wednesday afternoon.

Mr. and Mrs. Ezell Sadler visited with the Jake King family in the Deaf Smith General Hospital in Hereford Wednesday night and again Saturday night, and Mrs. Sadler visited Friday morning. They visited with Mr. King a few minutes Saturday night. He suffered a near fatal heart attack in his home Tuesday night and remained in intensive care through the weekend. Mrs. David Sadler arrived from Hobbs Wednesday morning and has remained in Hereford near him. David, Melody and Karla came Friday night for the weekend. They spent Friday night with Mr. and Mrs. Ezell Sadler and the girls visited Saturday morning with the Lee Bradleys and Naomi Brown before going on to Hereford. Karla came home with the Ezell Sadlers Saturday night and went to church with her grandmother Sunday

morning. Mr. and Mrs. Dudley Hodgkinn were in Fort Worth recently for the funeral services of her father who died suddenly while visiting in El Paso. They also attended the graveside rites in Oklahoma City returning home Nov. 2.

Mr. and Mrs. J. W. Carr returned home Tuesday from East Texas where they attended the funeral services of her brother-in-law.

Daniel Clymer and Chanin Ross participated in the All Regional Choir Auditions in Lubbock Saturday and were two of the four Dimmitt students to be selected to sing in the Regional Choir in December. Ruben Martinez and Donna Casa were the other two chosen.

Tracy Hatla was dismissed from Plains Memorial Hospital Monday, but has not yet returned to school. The Lions Club sponsored a turkey shoot Sunday afternoon. Turkeys and hams were the prizes.

Mrs. Grace Whitefield of Friona, chairman of the Parmer County Historical Commission Book Committee, and Mrs. Paula McBroom of Lubbock, a member, visited Monday afternoon with Mrs. L. B. Bowden. They are planning to enter their new county history in state competition.

Mr. and Mrs. Lee Bradley and family, Mr. and Mrs. Lynn Cox and children and her sister-in-law and three children from El Paso, and Mrs. Gene Ross, Rhonda and Chanin attended the dedication service for the new building of the Olton Faith Christian Fellowship Sunday morning. Bess Bills was honored with a birthday party in her home by the Birthday Club Tuesday afternoon. Those playing "42" were Mrs. Ray Axtell and Mrs. J. E. Shirey of Earth, Mrs. Cecil Curtis, Mrs. Lloyd Blanton, Mrs. Floyd Ivey, and Mrs. Billie King.

Mr. and Mrs. Gale Sadler entertained in their home Thursday night with a "42"

party. Those attending were Mr. and Mrs. Gerald Elkins, Mr. and Mrs. R. V. Bills, Mr. and Mrs. Noah Spencer, Mr. and Mrs. Alton Louder, Mr. and Mrs. Ezell Sadler, and Mr. and Mrs. E. R. Sadler. Mr. and Mrs. Carl Dean Carson hosted the Adult I and II Sunday School classes with a Mexican Fiesta supper Friday night. Those enjoying the supper and table games were Mr. and Mrs. Marshall King, Mr. and Mrs. Lonnie Wilson, Mr. and Mrs. Lee Brown, Mr. and Mrs. Gale Sadler, and Mrs. Bruce Bridges.

CORRECTION: Gale Sadler was omitted from the list of election officials in Precinct 10 last week.

Rev. Richard Clymer returned home from the Baptist General Convention of Texas Friday evening. He was one of the 3,546 registered in Corpus Christi. He brought excerpts from the convention in the Sunday night services.

Mr. and Mrs. Gale Sadler and Mr. and Mrs. Stanley Nelson attended the Texas Tech-SMU game in Lubbock Saturday with Mr. and Mrs. Olan Moore and Mr. and Mrs. Don Moore of Dimmitt.

Mr. and Mrs. Larry Sadler visited in Hereford with Mrs. Jake King and family at the

71 sign up for 'Greetings'

Operation Christmas Greeting is underway and 71 families have signed up so far.

Citizens of the community are encouraged to donate the price of cards and postage for sending holiday greetings to local friends. The citizen will then be listed on a community Christmas card printed in the Christmas edition of the News.

Seventy-one families signed up at the Plains Memorial Hospital Auxiliary Bazaar Friday. The proceeds from the greetings project are used by the Auxiliary for buying special items for Plains Memorial Hospital.

Anyone interested may sign up at First State Bank or by contacting any PMHA member.

Rodeo trip nears

The National Rodeo Finals are scheduled for Dec. 4-5 in Oklahoma City, and a group of Dimmitt rodeo fans are planning to attend with the help of the Chamber of Commerce.

A chartered bus from New Mexico Transportation will carry up to 45 people on the round trip, but only a little over half of that number have signed up so far, according to Chamber Manager Delores Heller.

"If we don't fill up the tour ourselves very shortly we'll have to turn it over to the travel center in Hereford to fill the remainder of the bus with Hereford people," Mrs. Heller said.

She said the cost per person for the trip will be \$95 each if four people share a room, or \$100 each if three share a room, or \$105 each if two people share a room. The rooms are in the Lexington Hotel on South Meridian. The round-trip bus fare and admission to the rodeo are included in that price.

However, meals are not included in the package price, so people need to be sure to take along enough money to cover eating and other expenses.

"If anyone else is interested in going, please let us know right away at 647-2524," Mrs. Heller said.

Mr. and Mrs. J. C. Holbrooks left Sunday afternoon for Goliad to attend the funeral services for her sister, Dalphine Toerek Monday. She died Saturday.

Mr. and Mrs. Ray Joe Riley had dinner Friday with the Hospital Auxiliary at the buffet and bazaar. Mrs. Riley also visited Friday afternoon with Mr. and Mrs. Howard Bridges at South Hills Manor.

Mr. and Mrs. John Gilbreath have been with his mother, Virginia Gilbreath, in Plains Memorial Hospital some this week. She was dismissed Saturday. The Baptist Women and Baptist Young Women's program for the month was held Tuesday morning at the church.

Kirk and Vanessa Pigg of Dimmitt visited Sunday afternoon with Noah and Ruth Spencer.

Gale Sadler had charge of the Wednesday night services in the pastor's absence.

Hart ISD Board approves audit

At the November meeting of the Hart school board, the 1981-82 audit report was accepted as presented by Kaci Jones of Brown, Graham and Co., of Tulsa.

The board gave approval for a band trip to Red River in the spring to cover a period of Friday through Sunday, as requested by Luis Banister, Peggy Davis and Sheryl McLain.

A report on the elementary school's Halloween Carnival showed total receipts of \$741.-

10. Corky Lockmiller, Kay Gfeller and Terri White reviewed for the board the school's Plan A program.

A request from Mrs. B. R. Martinez and her son, Dennis, was denied. They had asked that Dennis be permitted to take 2 1/2 credits by correspondence courses in addition to his full load so that he would be able to graduate this spring. The board said that such permission would be against school policy.

## Pair wed in October

Wedding promises were exchanged between Cynthia Jane Rouk and Brent Leon Cowell, Oct. 23, in a double ring ceremony in the Bolton St. Baptist Church of Amarillo, with Rev. Robert Fields officiating.

The bride is the daughter of Mr. and Mrs. Dale Rouk of Amarillo. Parents of the groom are Mr. and Mrs. Travis E. "Bo" Cowell of Amarillo, formerly of Nazareth. The groom's grandfather is George Schacher of Nazareth.

Wedding music was provided by Nancy Parks at the organ. The ceremony began by the parents of the bride and groom lighting a candle on each side of the Unity Candle. After vows were exchanged, the couple lit the Unity candle as Cristi Dollar sang and played "Endless Love."

The bride, given in marriage by her father, chose a formal gown of ivory silk organza designed with a scoop neckline edged in Belgian lace. Tiny silk flowers accented the edge of the short puff sleeves. Alencon and Belgian lace covered the closely fitted bodice which formed a natural waistline. The skirt of organza fell into a lace-edged hemline which swept to back fullness and extended into a chapel-length train.

She wore a matching lace hat, designed with silk illusion accented by matching lace appliques. The bride carried a cascade of silk ivory lilies and roses, accented by touches of dusty rose fox.

Maid of honor was Tammy Tucker. Serving as bridal attendants were Diane Burkhardt and Benita Cowell, sister of the groom.

Best man was Randy Whitley. Groomsmen were Randy Taylor and Dewayne Marchbanks. Guests were seated by Scott Rouk, brother of the bride, Jim Chambers and Greg Hodge.

Flower girl was Kristi Sims of Dimmitt. The ring bearer was Jason Jones, a cousin of the bride.

A reception was held in fellowship hall of the church, following the wedding. Serving at the bride's table were April Eubanks, Cindy Hamon of Sayre, Okla., and Kerrie Woodard.

Serving at the groom's table were Penny Cogdell of Silverton, and Deanna Robinson.

Tiny feed sacks of wheat, tied by dusty rose bows were distributed by Jennifer Jones of Tulia, cousin of the bride.

Mr. and Mrs. Cowell hosted the rehearsal dinner Oct. 22 in Amarillo in the Borger Room of Sutphen's Barbecue.

The bride is a graduate of Caprock High School and a graduate of Southwestern Academy of Travel in Kissimmee, Fla., and is now employed by Todo El Mundo, Inc., as a travel specialist.

The groom is a graduate of Caprock High School and is a co-owner of Alamo Muffler.

After a wedding trip to Key West, Fla., the couple will make their home in Amarillo.

Wayne and Rebecca Mullin

## Silver Anniversary celebration is set

A 25th wedding anniversary celebration will be held Saturday honoring Mr. and Mrs. Wayne Mullin. He is the pastor of the Church of God of Prophecy of Dimmitt.

Hosted by the couple's children and members of the church, the celebration will be held at the church building at 309 Northwest Fourth Street from 2 to 5 p.m.

Wed on Nov. 20, 1957 in Fair Oaks, Calif., the couple moved to Dimmitt almost three years ago. This was the first pastorate for Mullin, who

previously served several years as a church lay worker while he studied for the ministry. He is also a retired Naval CPO.

All five of the couple's children plan to be in attendance for the event Saturday. They are daughter Laura, accompanied by her husband, Jerry Scott, and son, Brian, of Houston; son Kevin, now in the Navy; son Duane, of Littlefield; and daughters Deanna and Janelle, both of the home.

Everyone is invited to attend the celebration.

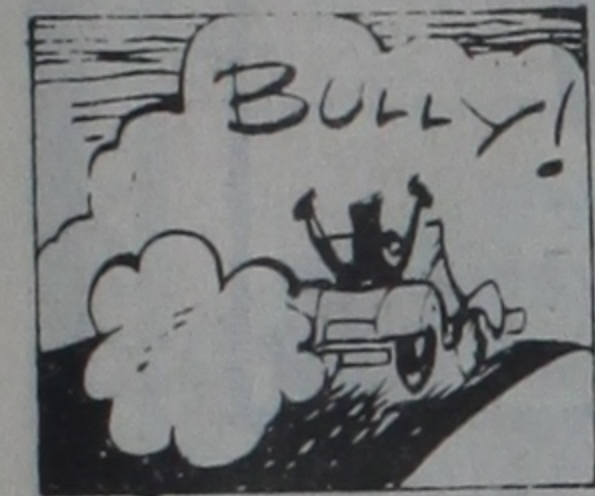

## Hart FHA Club names officers

Debbie Scott was elected president of the Hart Future Homemakers of America at the club's November meeting.

Other officers named include Julie Diaz, vice-president; Robin Galyon, secretary; Delia Munoz, treasurer; and Patricia Montemayor, reporter.

Brenda Reyna was named chairman of the yearbook committee; Debbie Scott chairs the program committee; Julie Diaz is head of the projects committee; and Robin Galyon will keep track of the point system.

The eight members present discussed activities for November, when to hold the installations, and future projects. The group is sponsored by Mrs. Nancy Wescott.

The first President to ride in an automobile was Theodore Roosevelt.

## Sundowners to meet

The Sundowners Extension Homemakers Club will meet Tuesday at 7 p.m. in the basement meeting room of the Castro County Courthouse.

The program for the meeting will be "Medicine Mix Up."

Because of a scheduling conflict, the meeting date has been moved from the regular date for this month only.

Sideses visit Tennessee, eastern states

By MARY EDNA HENDRIX
George and Carolyn Sides have returned from a trip to the Eastern States. They visited their daughter, Cindy, in New Haven, Conn. where she is in Yale Medical Center doing dietetic internship.

Arthur, and Omega Moore Johnson and husband, C. J., all from Dimmitt. These were all Charity Moore's children. Grandchildren were Don, Carolyn, Trampas, and Coby Moke of Dimmitt; Coleen, Jackie, Kathy, and Brandi Bryd from Craine; Stanley, Linda, Tony, Kim, Joe Bob, and Scott Wilcox, and Missy Merritt from Hereford; the Keith Johnson family from Lubbock; Carol, David, Karla and Darla Dennis from Wichita Falls; Ray and Louise Wilbank from Lubbock. Carolyn said when they weren't eating, they were talking.

The Dimmitt Book Club met on Wednesday with the president, Susan Hanners, presiding. She reported that Greg Malone and Jennifer Hanners had won the book-mark contest last summer held during the Summer Reading Program at the library. Susan gave everyone a copy of the two bookmarks that Greg and Jennifer had entered in the contest. Susie Bradford gave a delightful review of the humorous book, "The Best Christmas Pageant Ever" by Barbara Robinson. Oneida Hutto and Margaret Parsons served fruit breads and hot apple cider and coffee from a table decorated with a colorful fall flower arrangement and a gold tea service. This was the annual Silver Tea for the Book Club so several guests were in attendance.

Mauzee Youts entertained with a luncheon at The Thompson House in Hereford honoring Ruth Hays on her birthday last Wednesday. Others enjoying the occasion were Geneva Dennis, Connie Ivey, Thelma Bryson, Irene Carpenter, Hazel Bagwell and Mary Edna Hendrix. We saw Betty Dennis eating there and since her table was near a window she had been watching a huge cat play with a live mouse outside for about 30 minutes.

Sandra Bagwell, Clara Neumayer, Hazel Bagwell and Anita Bagwell met Carol (Bagwell) Moyers and her mother-in-law, Mrs. Roy Moyers, from Childress, in Amarillo recently and spent the entire day just visiting and having fun. They ate and shopped and had a good time just window shopping and looking at the new Westgate Mall.

Janis Glenn, daughter of Mr. and Mrs. LaRue Glenn and sister of Melissa Goolsby, has moved to Dimmitt. She has been living in Washington, D.C. and worked for the government for seven years. We are happy to welcome her as a new resident of Dimmitt. She said she likes the big cities, but we hope she will like living in a small town also.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge with Cleo Forson as hostess. Susie Reeve won high score and Jo Gregory won second high. Others playing were Bernice Hill, Elizabeth Huckabay, Betty Cartwright, Opha Burks, Fern Dickey, Oleda Schumacher, Josie Bradford, Mary Alice DiCuffa, and Helen Richardson.

Dorothy and Sharla Street, Susan Merritt, and two sons Brian and Derick, went to

Midland to visit with Mark and Kay Merritt and Becky Street. The ladies attended a baby shower for Kay. About 30 ladies came and Kay received many lovely gifts for the nursery.

Louise Mears spent last week in Gruver with her grandson, Mark Gilbreath, while his mother and dad, Charlotte and Zay, went to the cattlemen's Convention in Austin.

One of our Dimmitt residents, Mrs. Joyce Higgs, had a recipe printed in the Fourth Annual Southwest Recipe Round-Up in the Oct. 31 edition of the Amarillo Sunday News Globe. Joyce is the secretary to Mr. Jimmy Davis, our county district attorney and her husband, Joe Higgs serves as minister of music and education at Dimmitt's First Baptist Church. Her recipe is as follows:

TANGY LEMON SQUARES
A tart-sweet confection that is somewhere between a cookie and a brownie.

Blend and put into a greased, oblong pan, 1/2 lb. butter, 1 cup powdered sugar, 2 cups flour. Bake 15-20 minutes at 350 degrees.

Mix and pour over first layer, 4 eggs, 2 cups sugar, 1/2 cup fresh lemon juice, 1/2 cup flour.

Bake 25 minutes longer.

When baked, remove from oven and sprinkle with powdered sugar. Cut into squares.

Count Your Blessings...

- 1. Family 2. Home 3. Health 4. Church

Yes, we have many things to be thankful for - such things as family, home, health, and a nation with privileges and opportunities that no other has ever known, a nation founded by men who wanted freedom to worship God. We are a nation of churches. These churches have freedom to spread the Gospel, and give thanks to God for all of our blessings. Attend church regularly where you worship God and give thanks for His wonderful love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Moore speaks to Rotary club**

Gary Moore of Merrill, Lynch in Amarillo and a former resident of Dimmitt, spoke to the Dimmitt Rotary Club Friday on the "Commodities and Securities Market."

He said that we are seeing the bottoming out of the market and the beginning of a long-climbing bear market. He said that the economic recovery will be a slow one. We are going to see a record-breaking boom in everything except in agricultural economy. We have a three year, nine month supply of wheat in the U.S.A. This is a critical factor in full recovery in this country. We need to retool for the servicing trades, he said.

Moore also spoke about the Rotary Foundation. He said that Rotary scholarships are the very best in the world, much better than Fulbright scholarships. Rotary Foundation needs every club's support. The Dimmitt club should get young people needing scholarships to go through the process of filling out forms and applying.

He said that the RYLA Camp in August was the very best one yet.

There were fourteen Rotary Club members in attendance and Moore was the only visitor.

Wives are invited for the meeting Friday, (Nov. 19) when Wayne Arnold of Plainview will give a program on antique cars.

**GIANT TOMATO**—Nova [above] and Bob Walters raised this 1 1/4 pound tomato in their flower bed at 201 Halsell. Only two vines were planted, but they grew to a height of six feet and were from 10 to 16 feet wide. Mrs. Walters said they grew four or five tomatoes as big as the one pictured, and a number of tomatoes which weighed one pound.

**Turkeys in abundant supply this season**

Turkey, now a year-round favorite, is a traditional holiday food. It's protein-packed, low calorie, flavorful and economical, and consumers should find an abundant supply of fresh, wholesome birds this season.

Beverly A. Rhoades, consumer information specialist with the Texas Agricultural Extension Service, points out that turkey is one of the most economical meat sources available.

Fresh turkeys displayed in meat counters are USDA inspected for wholesomeness and most are Grade A, indicating they are fully fleshed and meaty, well-finished with no parts missing and no skin defects," Rhoades says. Lower grade turkeys are equally wholesome and nutritious, but may not be as visually appealing in the package.

Processed turkey offered at meat counters is inspected again to approve label information and ingredients.

"Tenderness of the meat is determined by the age of the bird, rather than the sex, grade or size. A 25-pound turkey is just as tender as an eight-pound bird of the same age. Toms are generally as tender as hens of similar age. For greatest tenderness, look for the words "young" or "fryer-roaster" on the label," Rhoades says.

To determine how much fresh turkey to buy, plan for three-fourth pound per person, or for planned leftovers, purchase one pound per person. When choosing whole turkeys, large birds may be the most economical buy per serving, and leftover meat can be stored for later use.

Pre-basted and pre-stuffed whole turkeys are available but cost more per pound than plain frozen turkeys. "There is little difference between them in the cooking process for moist and tender meat," Rhoades says.

Turkey parts or processed turkey may be used instead of the whole bird for some occasions, but generally cost more per pound. Packaged turkey parts allow consumers to choose white or dark meat, or an assortment, to please the family. Turkey roasts offer variety and are available in all-white or all-dark meat, or a combination of both.

Processed turkey is particularly popular because of convenience, versatility and storage ease. Cooked, cured or smoked turkey may taste similar to pork or beef counterparts, but usually has its own distinct flavor. Turkey "ham" is actually

**Hart Art Show set for weekend**

The annual Hart Arts and Crafts Show will be held Saturday and Sunday at the Dairy Bee Restaurant in Hart.

Open from 10 a.m. to 6 p.m. on Saturday and 1 to 6 p.m. on Sunday, the show has no admission charge, and free refreshments of coffee, punch and cookies will be served.

Thirteen booths will display a variety of items, including baked goods, calligraphy, ceramics, coins, crochet, fabric art, fancy baskets, fancy pillows, Indian corn and decorative gourds, needlework, toile and oil paintings, wood clocks, woodwork, and Christmas arrangements.

All the booths will be manned by local artisans, and each booth will award its own prizes.

**MODEL CLOSE-OUT REBATES TO \$6500**  
On the last 40 Series John Deere Tractors we'll get—plus a bonus for financing with Deere

Your cash rebate comes directly to you from John Deere...in addition to the good deal we'll work out for you on the 40 Series tractor of your choice—2WD or 4WD. And you should also know that tractor carries a late-1981 sticker price, so we're offering rebates from prices that were already competitively low.

Boost your savings even more by paying cash for your new tractor or by financing it with John Deere (without waiver). See the chart for your additional cash rebate during November. You can elect to have John Deere finance charge waived to June 1, 1983 instead of taking the additional rebate.

This is it: the close-out on the top-selling line of 40 Series tractors...with features to give you years of top performance...and then command high trade-in value.

Special rebates, too, on 50 Series 4WD tractors that are replacing 40 Series 4WD's being closed out. Maximum

### Celebration set Friday

A special celebration has been planned Friday at the Holy Family Catholic Church of Nazareth in honor of "World Community Day."

The Catholic Daughters and Christian Mothers Societies of Nazareth will sponsor the celebration.

The special day is sponsored by Church Women United, a national ecumenical movement of women of Protestant, Catholic, Orthodox and other Christian traditions.

Three interdenominational women's organizations joined to form Church Women United. Then, during World War II, the group began observance of "World Community Day," which from its beginning has been a focus on issues of global justice and peace.

All women from this area are invited to join in the celebration in Nazareth.

Activities will include refreshments at 9:30 a.m. in the CCD building, prayers and singing during the service. Rev. Harold Waldow, pastor of Holy Family Catholic Church will give the homily.

The theme for this year's World Community Day celebration is to span the gap between scarcity and abundance.

PREPARING DINNER—Nell Ingram (left) and Irene Blanton, president of Plains Memorial Hospital Auxiliary, warm up the dinner served to over 300 people Friday at the

County Expo building. The annual PMH Holiday Buffet and Bazaar featured a delicious dinner of turkey and dressing, ham, and a variety of salads, vegetables and desserts.

There will be a blood pressure clinic at the Castro County Senior Citizens Center today (Thursday) from 11 a.m. to noon.

There will be a Bible study Monday at noon.

There will be a covered-dish Thanksgiving dinner and evening of table games Tuesday at 6:30 p.m. The 50-state quilt will be given away this evening.

The Senior Citizens Center will be closed for the Thanksgiving holidays Nov. 25-27.

"Fiesta" supper. This is a delicious meal and if anyone has never eaten this unusual dish, they need to get the recipe and try it.

Speaking of recipes — we are proud of Joyce Higgs for having a recipe published in the Amarillo paper.

Rev. Vernon O'Kelly, pastor of the First United Methodist Church, called to tell me the Ladies Hand Bell Choir had performed for the first time at the Sunday morning services last Sunday. He said there are 12 women of all ages who participated. Also the Children's Hand Bell Choir, grades four, five and six will perform for next Sunday's services. Everyone is invited to attend.

The Hospital Auxiliary served a large crowd for their annual buffet and bazaar last Friday. I saw several people that I do not see very often. Ann Ethington told me she had been to Amarillo to visit Clyde and Betty Renfro in their beautiful new home. I also saw the beautiful baby daughter of Shari and Gene Bradley. The grandparents were standing around just beaming. Bessie Bradley was holding the baby and Ouida and G. L. Willis were very close by. Mayra Rodriguez was there with her handsome baby boy, Enoch Jr.

Mary Lynn Lankford held an open house in her home in Amarillo last Saturday. She had silk flower arrangements in every room in addition to all the beautiful Christmas arrangements. Her two associates, Virginia Winters and Rebecca (Stanford), Wilson were there to assist. Lauren Lankford and I assisted with hostess duties. Re-

becca, daughter of Gordon and Diker Stanford, asked me to tell all her friends "Hello" for her. Also her sister-in-law, Cherry Wilson, is related to Butch Strickland.

Beral Hance was trying to put the flag up for Veterans Day so I stopped to help. She told me to go inside and look on her divan. I expected to see a new afghan or new pillows, but when I went in, I saw something more, and it was little Jamie Leigh Davis, daughter of Jimmy and Joyce. Beral was babysitting!

About 60 Dimmitt people attended the duo-pianist concert by Peter Rostal and Paul Schaefer on Monday evening, Nov. 8 at Wayland Baptist College in Plainview. The auditorium was filled with music lovers who were treated to an enjoyable evening of delightfully listenable music. Rostal and Schaefer have firmly established themselves as the most popular duo-piano team in their native England and are currently enjoying an impressive reputation on the international concert scene for their brilliant renditions of both classical and popular music. They are currently on their sixth tour of the United States traveling with their Baldwin SF10 grand pianos.

All of their music was familiar and superbly played. The performers took turns introducing their numbers with an amusing sense of humor.

### Legion Aux. to sell calendars

The Texas American Legion Auxiliaries are selling "Bob Hope's Thanks for the Memories 1983 Photo Calendars" as a special state fund raising project, according to Shirley Ott, State President.

Betty Wilhelm, a member of the Nazareth American Legion Auxiliary, is selling the calendars locally. The price is \$5 each. Mrs. Wilhelm can be contacted by writing Route T, Nazareth, 79063, or by phoning 945-2595.

Proceeds from the sale of the calendars will provide funds for state and local programs and projects of the American Legion Auxiliary in Texas. Some of the proceeds will also benefit the USO, the Eisenhower Medical Center, Bob Hope college scholarships and other Bob Hope charities.

The calendars feature approximately 50 photos of Bob Hope taken during personal appearances before military personnel during the years 1943 to 1972. Also included is a list of personal data about Bob Hope, including the names and birthdates of his children and grandchildren, and the dates of various landmarks of his life and career.

"This information, along with the photos, will make this calendar a collector's item for three generations of Americans," Mrs. Wilhelm said.

DURING WWI, the Germans called the US Marines Teufelshund. It was translated as "Devil Dogs."

# Auxiliary names poster winners

By VIRGIE GERBER  
 The winners in a poster contest sponsored by the Nazareth American Legion Auxiliary were: first grade Lynette Kleman, second Justin Wethington and third Kristin Brockman. Second grade J. J. Ward, second Chris Wethington, third Jaimie Hatla and Jill Pohlmeier. Third grade Andy Bermea, second Joshua Book, third Wayne Birkenfeld and fourth Peggy Huseman.

Funeral services were held Saturday afternoon in Holy

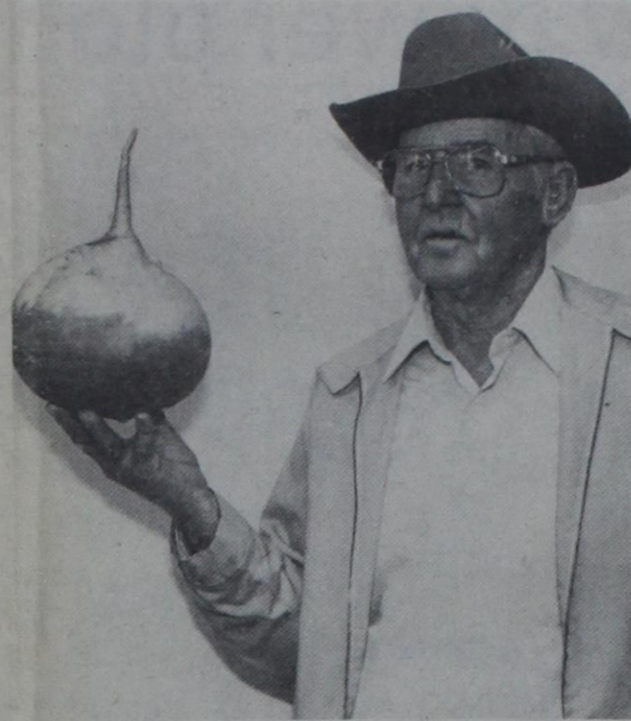

Family Church for Albert Schulte, 78. Burial mass was officiated by Father Harold Waldow, assisted by Deacon Walter Kleman. Father Harold's homily was a special tribute to Albert and his family. Many relatives and friends from the surrounding area and from out of state attended. Burial was in Holy Family Cemetery at Nazareth.

Carroll Gerber is a patient in High Plains Baptist Hospital in Amarillo where he had surgery. He should return home this weekend.

Nelita Collins, Mary Banks and Betty Hoefer of Farmington, N.M. spent the weekend with Nelita's parents, Paul and Lillian Venhaus. They bowled in a tournament in Amarillo on Saturday and Sunday afternoon. Jeff and Brenda Deffey of Oklahoma City joined them in Amarillo and Brenda bowled with them

in the tournament. They all enjoyed an early Thanksgiving dinner with the Paul Venhaus family. Also enjoying the dinner were Greg and Mary Lou Venhaus and family of Friona, Smitty and Analene Lane and girls of Shallowater, Kay Cline, Harold Venhaus and children and Kevin Gerber of Hobbs, N.M.

AMERICA'S major nutrition problems focus on four areas, according to Mary K. Sweeten, food and nutrition specialist on the home economics staff of the Texas Agricultural Extension Service. These include the problem of overweight, dental caries, diet-linked chronic diseases such as hypertension and sodium connection, and certain nutrition deficiencies of iron, B vitamins and trace minerals, the specialist says.

A FIVE-POUND TURNIP grown by Joe Percy Hart of Hart is shown by Roy Stafford of Dimmitt. Stafford plans to take about 150 pounds of the turnips, along with some potatoes and onions, to a group of senior citizens at Sumner Lake, N.M., where Stafford maintains a lake home.

# SPS opens new power plant to visitors

Employees of Southwestern Public Service Co. will show off their second coal-fired power plant, Tolk Station Unit No. 1 near Muleshoe, Saturday and Sunday. Everyone in the SPS service area is invited to the open house, said Calvin Marsh, Dimmitt SPS manager.

The new coal-fired unit is intended to hold down the rising costs for the fuels required to generate electricity,

Marsh said.

When it is generating at capacity, the 561,000-kilowatt Tolk Unit No. 1 — the largest unit ever built by SPS — will be able to supply the electricity needs of 225,000 people, Marsh said.

Tours of the plant will begin at 10 a.m. and continue until 4 p.m. Saturday. Tours will continue from 1 p.m. until 4 p.m. Sunday, Marsh said. Casual dress is suggested. Women should wear slacks and low heels.

Tolk Station is located just south of US Highway 70, eight miles west of Earth.

The power plant is easy to find, Marsh explained. The building which houses the boiler is 237 feet tall — about the height of a 20-story office building.

The chimney stack, from which cleaned flue gases from the boiler exit, towers 400 feet above the sandhills which surround the power plant.

"We're immensely proud of Tolk Station, which was designed by our own engineers," said Berl Springer, SPS board chairman and chief executive officer. "We know it will help us serve our customers in Castro County, and all of our customers, more economically. And the availability of more electrical power will help attract new industries to our entire 45,000-square-mile, four-state service area."

SPS serves more than a million people in the South Plains and Panhandle of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas.

Springer said SPS is one of only four major electric utility companies in the US that employs its own in-house plant design engineers. SPS engineers led by Bill Esler, vice-president for engineering, and Jim Matthews, generation design and construction group manager, also oversee construction of the power plants they design, Springer said.

Touring the plant "will be quite an educational experience," Marsh said. Visitors will see Tolk's coal-handling facilities, the coal pulverizers, the boiler, the turbine-generator, miles of steam

**TOLK STATION**—Low-sulphur coal, stockpiled in the foreground, powers Southwestern Public Service Co.'s new Tolk Station Unit No. 1. The coal is moved by conveyors into a crusher house and pulverizers which grind it as fine as talcum powder. It's burned in a boiler housed in the giant finished building [center]. The steel-framed structure next to the finished building will house Unit 2, scheduled for completion in 1985. At left of the finished building is the baghouse, which cleans flue gases on their way to the chimney stack. Public open house at the new plant will be held Saturday and Sunday. [SPS Photo]

work. Only 150 people are required to operate the Tolk unit 24 hours a day, Ballengee said.

Unit No. 1's boiler burns low-sulphur coal delivered from near Gillette, Wyo., by 110-car trains. At maximum rating, the boiler burns approximately 296 tons of coal each day.

The turbine at maximum output produces about 728,000 horsepower.

The main steam piping at the unit contains high-pressure steam with flow rates as

high as 3.8 million pounds of steam per hour.

Bert Ballengee, SPS president and chief operating officer, said detailed planning and design for the Tolk Station — which is named after former SPS board chairman Roy Tolk — began in 1975.

"Tolk Station to me is a marvel," said Pete Smith, an SPS engineer who helped manage the job of designing and building the plant. "Literally thousands of people were involved in putting it together and making it

work."

Cost of the unit was \$228.2 million, excluding allowance for funds used during construction of \$48.3 million. Cost per installed kilowatt of capacity was \$489.

"The unit came on-line on schedule and within budget," Ballengee said. "We at SPS are especially proud that Tolk, like our other coal-fired plant, Harrington Station near Amarillo, was completed for less than one-half the national average cost for coal-fired plants. Obviously, when we can perform like that, we're saving our customers a lot of money."

A second, identical unit at the Muleshoe site, Tolk Station Unit No. 2, is now under construction and is scheduled to be in service in 1985. The second unit will share some of Unit No. 1's largest equipment, including

## Dealing with grief to be topic of meet

"Helping Support Persons To Deal With Grief And Grieving" will be the topic for the November meeting of the High Plains Perinatal Association. The meeting is scheduled for Saturday at 1:30 p.m. at Texas Tech Health Science

Center in Lubbock. Nancy Lee Schnell, R.N., M.S.N. will be the guest speaker for the meeting. Schnell is an assistant professor at WTSU and a certified nurse midwife. She has been a nurse educator for the past 15 years.

Who grieves and the grief response will be two areas covered at the meeting. The presentation will also focus on what one as a health care professional, family member, or friend can do to comfort someone who has experienced a stillbirth, a neonatal death, or the birth of a malformed child, as well as helping the couple deal with family and friends.

The High Plains Perinatal Association encompasses anyone interested in perinatal health care. The purpose of the organization is to promote, through educational and other means, continuing improvement in the quality of health care and the health status of the mother and newborn in the Texas Panhandle.
