WANT LOCAL NEWS

Cisco, June 9, 1941

Cisco, Texas.

Press Publisher.

I want to thank you for giving the farmer and ranchman a "break" in your recently reorganized paper.

I have often thought that if I published a small-town paper I could walk up through town one time on a Saturday and, talking to every one I met, get more news in one trip than some small-town papers publish in a whole

Most every one takes a big city paper for the foreign news. They want the local news in their local paper. A READER.

Army-Navy Cross Criticism Good Sign That Defense Effort Isn't Bogged Down

NEA Service Staff Correspondent

in and Navy are both realous of R of Production Management and of the fitty which GPM pushines men tave of letting of the armed services.

A dallar-a-year them on the other based to be onlying at the Army and I they are pottlenecks, holding up the fracts necessary to putting the defense architery in high geom.

Deslers are rapping at CPM men rejuctant to screp their Thismes are and increase the productive plant. Statum, seven-day defense can get PM and all the manufacturers in

Active, Navy, OPM and all the nanufacturers in the land of the New Dealers are coddling labor, patronizing strikes, canning with economy for the benefit of a bunch of no-accountry while Labor counter-charges that OPM and the patrones menting national defense as a vehicle in recomm profits and many retired for a meanting, the Previous attack and many retire in meanting, the Previous attack with two many retire made to do an effective job from the differences.

In were indeed the true picture of Washington today, the best recedure would seem to be giving up completely and asking my for ferms, and just now much of South America would the lease. But looking at this mural without either intent to white-promeer with the double cross of red or brown paint, the scene

IF this were indeed the true picture of Washington today, the best procedure would seem to be giving up completely and asking Germany for terms, and just now much of South America would the like please. But tooking at this mural without either intent to winterwash or onear with the double cross of red or brown paint, the scene is in no sense the blindfolded, battle royal, free-fur-all slugging and back-stabbing brand previously portrayed.

**Army and Navy procurement and impris afficers are extremely critical of what they have done on for. The army points justifiably a what happens when you gut no no much speed let contrasts up fact and where Army continct officers have been told to shoot the works and never mind the cost, they get national diagraces has Lamp Signating

could in a system. Fort Meade built on the wrong site to save roune ut a cost of \$10 million too much, or Firt Lannard Wood, a one of the sorrest jobs of had gouging in public records those examples before you, if you were an army contract a woold you sign a \$100 million order for a new munitains publicate eyes shut?

**CO without spologizing for the mistakes made, it is entirely of able to say that all this criticism is a healthy sign. When a is a conditioning a sighter for his big battle, there comes a line

New and Used
Cars Will Be
Searce and High

A. D. Anderson, local Chevrole dealer, attended the meeting of Toxas automobile dealers in Dallas Friday at which L. C. Carglie Detrois, president of the Nationa Automobile Dealers' association to deater dealers that automobile production was going to be greatly exclused for the 1942 models, and will further perfect for 1946 models.

Although 10 per cent was it estimated curtainment of production in 1942. Cargille predicted that was likely in run as much as per cent of 1944 production. Cana trucks produced in 1942 whe approximately 4,070,000.

The cost of automobile manufacture will be decreased about 10 per cent, and the additional excise mo will be from 15 per cent to 25 per cent, which will make the cost to the public from 15 per cent to 25 per cent higher. Of course the used our market will follow the upward trend of new cars. As ar now willing for 1966 will sell for about 51,550. Mr. Cargleand.

y to sell (field new cars or used any unless they could get their coper profit, because cars would a hard to set. Dealers have been getting letters dling them of the advances that

Brings Freedom From Toil

To Our West Texas Soil

Your Electric Servant's faith in West Texas soil

has never diminished. Those among us who pioneer-

ed in the building of electric lines across barren

prairielands envisioned the thousands of prosperous

farm homes and the rural communities which today

enjoy the many comforts and conveniences of elec-

ter in our 30-year history. Good crops at fair prices

mean greater prosperity for the West Texas farm

area, reflecting likewise in city and town which are

Electric service has modernized many, many

West Texas farms since we pioneered in the con-

struction of rural lines in 1926, long before the gov-

ernment thought to subsidize it. Today, in addition

to the thousands of rural homes on our lines, we

JEAN ARTHUR

"One cola tasted much better. That one was Royal Crown Cola"

HERE'S how beautiful Jean Arthur found the best-tasting cola! She drank leading colas from unlabeled cups, and then was asked to vote for the one that tasted best to her. Jean Arthur's choice was Royal Crown Cola-the same cola that movie folks at RKO, Universal and Hal Roach Studios voted best-tastingthe same cola that has won 5 out of 6 certified group taste-tests from coast to coast. Have you tasted Royal Crown Cola's sparkling flavor? Then treat yourself today to a big 5¢ bottle that holds TWO FULL GLASSES! (6-bottle home carton-25¢.)
