In an area of benevolent climate, blessed with an abundance of the purest lake water, possessing the best in recreational facilities, situated on the Bankhead, all-weather route, with three railroads and many highways, Cisco is the best place in Texas to live and to work.

WANT POWER SEND SOLDIERS WHERE NEEDED

About Our Friends
By STEPHEN A. LONG

It is a great thing... we have the ambition to keep up... to make one's business just a little more attractive... to the home, or the place... Rivalry doesn't mean outdoing someone... the competition may be in one's mind... trying to get the ideal of the imagination...

What makes great business from the mediocre to the fame... it is what stimulates rise above the average... It inspires people to the homeowner... the improvements about these that really converts a home instead of just a shell to live...

Merchants and Cisco people... idea of constantly... beautiful yards of... it keeps the stores out... the atmosphere... It causes... to be well lighted and... signs...

Many weeks we have been... stores dealing up... a healthy sign... it has that eternal hope... success to every individual... Please pardon... quote this once more... "Are Not Lacked 'Til You Get 'Em"

Since Moore Drug, who recently installed a new back bar of the very latest... have now placed signs... upper tier of shelving... that tempt you to ask... fountain service... appropriate to hardware... the back bar... signs that firm is long... being "baked"...

Here come J. L. (Punk) of Thornton's Feed mill... sweeping us out of our... with the statement "That best of I ever saw; I bought over 8,000... He referred to... Thursday wanting to... for sacks before... from up..."

That coming from Mr. J... enough to over... the thing was no... that you are worse than... through he liked you... ever so well...

U. S. ARMY HONORS WINSTON BY PLACING HIM IN CHARGE HUGE TEXARKANA DEFENSE PROJECT

REDS, NAZIS BATTLING TO DEATH; BALTIC

Germany claims to have pushed forward on the northeastern Baltic front toward Leningrad, as well as on the central front toward Moscow -- despite relentless aerial and tank counter-thrusts by the angry Reds. The Nazis do not mention the extent of the advances claimed.

The Russians have mired the Germans in the southern Ukraine sector.

London and Moscow forecast a new and more powerful assault and the Red air force is officially reported carrying out a jolting offensive against the ground forces, with the purpose of breaking the force of the impending advance.

Elsewhere the RAF carried out its 32d-day sustained attacks on the German-French coast.

Negotiations in Palestine for a Syrian war armistice are under way. French resistance has collapsed.

WELCOME VISITORS

Mr. and Mrs. R. B. Pool of the Moran community were business visitors Saturday in Cisco. Mr. Pool is one of the leading citizens of the Moran area.

The writer remembers a visit to the home of Mr. Pool a few years ago but failed to meet him at the time, as he was away on business. But we found a most pleasant home, such as one as you would imagine he would own. There were splendid crops growing in his fertile fields, and fat cattle in his pastures, as well as a nice bunch of hogs that he was preparing for rounding out that fall and winter.

There was a comfortable dwelling, well shaded with verandas to protect them from the summer's sun, well-kept premises and other comforts and conveniences that one expects in a well-ordered farm home.

The Cisco Daily Press is indebted to Alex Spears of the First National bank for calling attention to an article in the El Paso Herald-Tribune concerning Lieut.-Col. Barlow Winston, a native of Cisco and son of the late Mr. and Mrs. J. J. Winston, beloved citizens of long residence here.

Lieut.-Col. Winston has won signal honors in the army as construction quartermaster at Ft. Bliss, where he supervised the erection of defense projects costing more than \$13,000,000. His superiors have now sent him to Texarkana, where defense construction totaling around \$45,000,000 will soon be under way.

Huge Texarkana Project
The Herald-Tribune says: Lieut.-Col. Barlow Winston, Ft. Bliss, will leave tomorrow to become army constructing quartermaster in charge of constructing a giant \$34,500,000 shell-loading plant at Texarkana.

Colonel Winston has been constructing quartermaster at Ft. Bliss, where within the last year he supervised construction of defense projects costing more than \$13,000,000.

The Texarkana plant will be known as the Lone Star Ordnance plant. Other defense work at the same place, which Colonel Winston will supervise, will bring the total cost of the Texarkana projects to \$45,000,000.

Successor Named
"Succeeding him as Ft. Bliss constructing quartermaster will be Maj. Elmer S. Armstrong, former constructing quartermaster at Mineral Wells."

"The Texarkana plant will manufacture and load shells for army guns and will employ a large number of civilian workers. Colonel Winston will inspect a plant at Elwood, Ill., go from there to Washington for a conference, and will return to El Paso next week before leaving for Texarkana."

He Hates To Leave
"I regret leaving," said Colonel Winston. "During our three years here Mrs. Winston and I have made friends we hate to leave. I don't speak too highly of the splendid co-operation I received at Ft. Bliss from city and county officials and the people of El Paso generally."

Colonel Winston's record in keeping the big cantonment project at Ft. Bliss on or ahead of schedule has won commendation and is believed to have been a factor in his selection as head of the huge Texarkana project.

"He is a native of Cisco, and entered the army by way of an officers' training school at Leon Springs during the World war."

M'CUULLOCH IS PLEASED WITH OUR PRESIDENT

George W. McCulloch, son of G. L. McCulloch, Cisco route 4, who enlisted in the United States army May 5, is now stationed at Ft. Leonard, Mo. Writing to his father, Private McCulloch says he is getting along fine and has no regrets at being in the army.

G. L. McCulloch called at the press office Saturday and ordered the paper to his son's address. The elder McCulloch said: "We'll have to see this thing through, and no mistake. I think President Roosevelt is doing dandy and I am for him all the way."

REVIVAL STARTS JULY 20
Rev. Russell Dennis, pastor of the East Cisco Baptist church, announces that a revival will begin Friday at his home in Wichita, Kan. It is expected to continue 12 days. It is expected to continue 12 days. It is expected to continue 12 days.

Miss Sue Anderson, nurse at Graham sanitarium, has returned from her vacation.

Keep Your Eye on the Ball

P. G. A. Championship spectators at Denver's Cherry Hills twist necks to follow flight of ball. All that is, except the second from the left who has seen a golf ball before and who, judging by his expression, would just as leave never see one again. Anyway, he knows what will happen. Someone will eventually hit it onto a green and then into the cup. It's the same old story.

DAILY PRESS CIRCULATION DRIVE BEGINS

In order to cover Cisco territory thoroughly with its news and advertising service to merchants, the Cisco Daily Press has secured the service of Harold Ashby as circulation manager for both town and rural sections.

The Cisco Daily Press realizes that the greatest service can only be rendered when all men and women are constant readers of its columns. The paper must not only reach their homes, but it must be a welcome visitor there. Each member of the family must find some compelling item that makes them eager for a chance to "get it first."

With this idea in mind, the circulation campaign is being waged with local, state and world news that readers will look for its arrival each day.

Mr. Ashby is reorganizing his carrier routes so that prompt and efficient deliveries will be made and the paper will arrive in a readable condition--not in the shrubbery or on the house tops.

Mailing lists are being reorganized and if you are not getting your paper promptly, he will be happy to correct any errors brought to his attention.

If your paper does not arrive on time, or if you are not getting the prompt service you have a right to expect, Mr. Ashby asks that you call 608 and the paper will be sent by a special carrier, and the error corrected.

Examination of the local carrier list discloses that a considerable number of Cisco people are not paying for the paper. Perhaps they have never been billed for it, perhaps the paper is being left at some addresses without authorization. Anyhow, Mr. Ashby will make a careful survey of the situation and create a bona-fide subscription list--both in and out of the city.

Miss Sue Anderson, nurse at Graham sanitarium, has returned from her vacation.

Mrs. Henry Stroebel of the Lutheran community is very sick at the home of her daughter, Mrs. R. H. Dunning, in Humbletown.

CISCOANS AT BRECK GOLF TOURNAMENT

A number of Ciscoans are participating in the West Texas Golf tournament at Breckenridge, which began Friday continuing through today. Outstanding talent is drawing attention to this meet. A barbecue and calcutta pool were features for Friday night, 7:30, which drew other Ciscoans than those actually participating in the play.

Among those from Cisco in attendance Friday night were, L. S. Jenkins, W. W. Milner, Edward Lee, Bob Huston, Satch Henson, Norman Huston, C. B. Shaw, R. L. Ponsler, Johnny Cousins, C. G. Rosenthal, K. N. Greer, L. V. Foreman and W. C. McDaniel.

Mrs. C. F. Adams returned Friday to her home in Wichita, Kan., after visiting in the home of her sister, Mrs. W. B. Statham.

NAZARINE MEET AT LAKE CISCO CLOSES TONITE

The Nazarine encampment at Lake Cisco will close with the Sunday evening service. The first encampment of this church in the Abilene district has been a great success, according to officials and visitors. Crowds have exceeded the expectations of the camp committee and larger seating arrangements have been made around the already large tabernacle.

Nationally known leaders have spoken at each of the five services held daily. Recreation and instruction have been under the different heads of young peoples' work.

Dr. James B. Chapman, general superintendent of the church and the principal speaker for the camp, has spoken twice daily at 11 a. m. and at 8 p. m. In a recent issue of "Who's Who," Dr. Chapman was mentioned as the world's most outstanding religious writer of today. He will speak at the 11 o'clock service Sunday morning and again at the 8 p. m. service.

Rev. John L. Peters, a member of the general council of the Young Peoples' Society, speaks daily at 9 o'clock and will speak Sunday at the 4 o'clock service.

A missionary from Africa, the Rev. Mr. Penn, spoke Friday afternoon at the 4 o'clock service. Mr. Penn is touring the United States in the interests of missions.

The district superintendent expresses his appreciation to the people of Cisco for their cooperation and friendliness in making this a very successful encampment. Said Rev. John L. Knight, superintendent.

Traffic Complaints 471, June Deaths 4

ABILENE, July 12.—Only 11 highway accidents were investigated by the state highway patrol in the Abilene district during June, according to monthly report of operations issued by the local office Friday. The total was one of the lowest of the year.

Four persons were killed in the mishaps—in sharp contrast to the 17 killed in April, high point for the year to date. Of 471 complaints issued during June, 137 were for speeding, 85 for defective lights, 82 for drunkenness, 44 for careless driving, five for driving while intoxicated, and three for defective brakes.

A. ANGUS DIED PRESIDENT AND FRIDAY NIGHT; LEADERS WILL TALK IT OVER

Alexander Angus, well known and highly esteemed citizen of Cisco for the past 21 years, died at his home, 503 West Sixth street, Friday evening at 6:30 o'clock, aged 67 years.

He was born in Corsicana, March 30, 1874, and was united in marriage to Miss Harriet Lane McCown in Vicksburg, Miss., March 24, 1897. Four children were born to this marriage—three girls and one son—the latter dying in infancy. His widow and the three daughters—Mrs. Mary Galley, Mount Vernon, Wash.; Mrs. Roberta Hill, Eastland; Mrs. Harriet Lane Gallagher, Dallas—and nine grandchildren survive. Another survivor is his mother-in-law, Mrs. Mary Elizabeth McCown, who made her home with Mr. and Mrs. Angus.

Funeral arrangements are awaiting the arrival of Mrs. Galley, who is enroute from her home in Washington.

The Neil Lane Funeral home will direct the funeral after the religious services, which will be held at 3:30 this afternoon at the residence, Rev. Willis Gearhart, Episcopal minister of Abilene officiating.

Mr. Angus was a quiet, unassuming Christian gentleman, a consistent member of the Episcopal church and was largely interested in the building of a chapel of that denomination here, where services were held regularly until the communicants, many of whom were oil people, moved to other fields. He remained a leading spirit of the church as long as it functioned.

He came to Cisco in 1920 to accept the position of head accountant with the Cisco & North Eastern railroad and remained with that company until he resigned in 1925. Later, he accepted a position as bookkeeper for the B. & H. Motor company and was in business for himself for some time, he has since acted as public accountant for local firms.

Mr. Angus' death was quite a shock to his many friends. He was confined to his bed only a few days, but had not been in good health for some months.

Burial will be in Oakwood cemetery with the following as pallbearers: N. D. Gallagher, O. G. Lawson, L. C. Hall, Sr., L. C. Hall, Jr., E. P. Crawford and Roy Gallagher.

Honorary pallbearers are Homer Bibie, Dr. W. P. Lee, Joe Gallagher, Philip Pettit, Gordon Davis, W. E. Ricks, J. D. Lauderdale, Paul Yardley, Wm. Reagan, P. R. Warwick, Cisco; Wm. Moore, Paris; W. L. Baker, San Antonio; Earl Freeman, John Mayfield, Tom Holloman, Dallas.

TEXAS PENSION TOTAL REACHES HIGHEST POINT

AUSTIN, July 12.—Old age pension payments for July will reach the highest peak in Texas history, both in number of recipients and amounts paid public welfare administration officials announce.

The department soon will mail out checks to 144,354 pensioners, as compared to last month's 139,307, and payments will average \$18.54 each as compared with \$18.50.

NEW BUILDING LIKELY
The Troxell property, located across the alley east of the Judia building, which has fallen into decay, with only the walls in good condition, may change owners the Daily Press has been informed. A party whose identity was not divulged is negotiating for the purchase of the property, city officials stated, and if the matter of taxes can be adjusted a new building will be constructed on the site.

WASHINGTON, July 12.—President Roosevelt has called a conference of congressional leaders to discuss the need of legislation to retain existing army units in service and remove all geographical restrictions on their use.

This was learned late Saturday afternoon. Chairman Andrew May of the house military affairs committee meanwhile announced that he would introduce a bill to give the United States army authority to retain selectees and also national guardsmen beyond the one-year training period.

FRANCES BAUGH AYERS LAID TO REST, OAKWOOD

A large concourse of friends and acquaintances attended the funeral services and burial of Mrs. Frances Baugh Ayers, yesterday afternoon. The funeral was held in the Neil Lane funeral chapel, Rev. Gary L. Smith of the First Presbyterian church, officiating. Music was under the direction of R. S. Cope. Interment was in Oakwood cemetery.

The pallbearers were E. P. Crawford, William Reagan, Dr. W. P. Lee, George P. Fee, O. C. Holcomb and J. C. McAfee.

Survivors include her husband, Robert Ayers, and little daughter Sarah of Dallas; her mother, Mrs. Lily Baugh, and grandmother, Mrs. Elizabeth leVeaux of Cisco; an aunt, Mrs. Frank Parrish of Graham; two uncles, Louis leVeaux of El Paso and Sam Baugh of Oakdale Farm, near Nimrod; and an aunt, Miss Betty Baugh of Dallas.

Mrs. Ayers was a native of Cisco and 37 years of age. She grew to womanhood here and was sincerely loved and admired by a large circle of friends and acquaintances. Her death followed an operation in a Dallas hospital.

Delinquents Must Pay Tax in Full

AUSTIN, July 12.—According to a ruling of Attorney General Gerald C. Mann a person must pay all—not part—of his delinquent taxes if he wants to take advantage of a new law remitting penalties.

Weather

CISCO and Vicinity—Considerable cloudiness with probable thundershowers Sunday. WEST TEXAS—Partly cloudy Sunday; scattered afternoon and evening thundershowers; little change in temperature.

Do You Remember?

(Files of Cisco Daily News, November, 1937.)

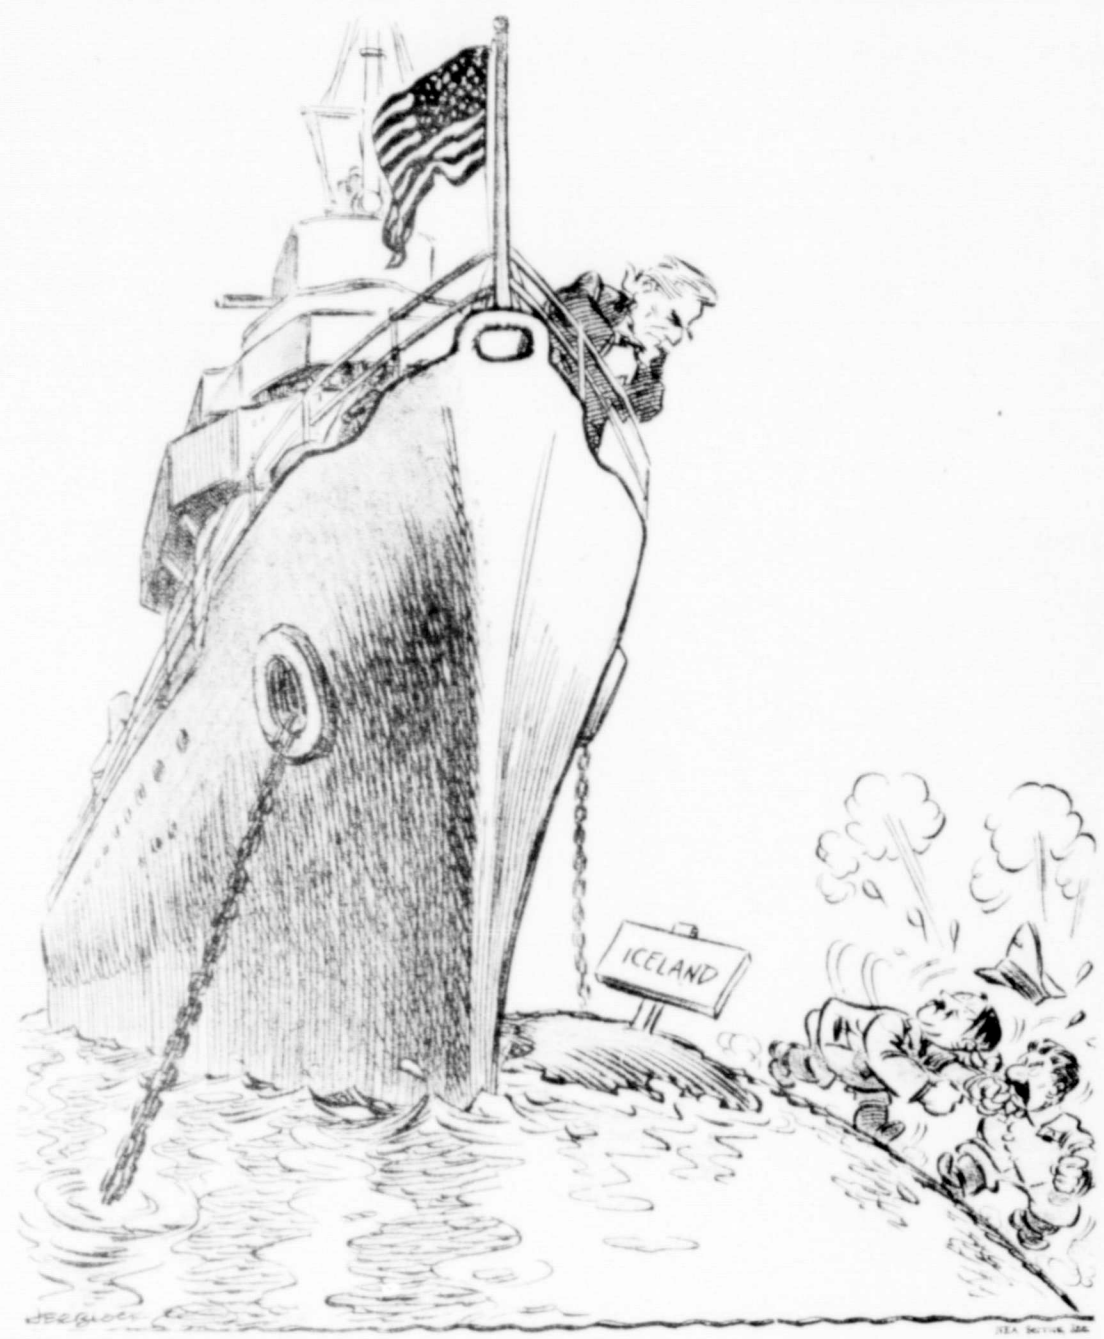

Dogged by heavy penalties and fines in the whole first half of the game, Cisco High Big Dan Lawson went down to get their scoring machine into action against Ranger high Friday afternoon (Nov. 11, 1937) at Lillard field in Ranger, and as a result the score stood blank when the game closed. Lawson, who was the star of the game, was injured in the first quarter with a shoulder strike which caused two touchdowns in this period and paved the way for a third touchdown and a safety in the final quarter which brought the final score 22 to 0. Cisco players taking part in the game were: B. Pappas, Caldwell, Miller, Smith, Gistman, Davis, Messinger, Gaskler, Keyes, H. Pappas, Little, Edelman, Ross, Bedford, Kellogg, Smith and DeLeon. Attendance, 8,000.

The Lolo Midgets of Cisco Grammar school are ward school champions of Eastland county today following their defeat of the Eastland West Ward team here Tuesday afternoon, 7 to 6, in a hard-fought game. The Midgets had defeated all other teams of their class in the county and had beaten the same team in Eastland last week by the same score. The Midgets are now seeking to schedule a game with Texas grammar school which they defeated last year for the state ward school championship. The Midgets pushed over the first touchdown in the first quarter of the game. Tomlinson received a forward pass for 30 yards, and Dix received another for a short gain, running 13 yards for the touchdown. Wilkins kicked goal. The Eastland touchdown came in the last quarter after a series of line plunges. A "punch sucker" was sent in to drive back the goal, but when the Midgets broke through the line and passed him for time he was able to kick the ball only about two yards, thus losing the game by one point. The Cisco lineup was as follows: Tomlinson and Purcell; White, Kennedy and Page; Tucker, White and Robinson; Grooms, McCall, Crispinick, center; Brown and Wilkins; halfbacks; Cooper, Johnson, Nix, fullbacks; Sublette, McLeod, Van Horn, G. Nix and Zerk.

Frank Albinson, former Cisco High Line, was one of the stars in the "A. B. M. Saturday" when the Aggies spent the day and defeated Southern Methodist University by the score of 19 to 13 at College Station. The former Line in the third quarter drove 11 yards through the line in a touchdown. Another line he went 17 yards beyond end after having made other excellent gains in the first quarter. He recovered a fumble on the Aggie 24-yard line when SMU threatened to score. In the fourth quarter he returned a punt 28 yards. Both the Mustang touchdowns came in the last quarter as the result of the Bonus triple pass. Mann to Hanks to Johnson, the latter of whom ran 80 yards for the first touchdown. This passing combination was used again to get the ball on a 4 and 3-yard line from which Home bounced over a touchdown. Varnell, a brother of E. H. Varnell of Cisco.

The Greer, former Crocker and one of the best-known oil trusts in West Texas, died at Abilene of 10:30 o'clock Wednesday night, according to word received here Thursday morning. He had recently undergone a major operation which was followed by pneumonia, causing death. Funeral services are to be held Friday afternoon at De Leon. Mr. Greer was a scout for the Humble company here for three or four years, and then served in the same capacity for the Texas company. He left here in 1932, and at the time of his death was in charge of the land office of the Omege Development Co. at Abilene. News of Mr. Greer's death came as a shock to members of the Cisco Oil Scout's association who held their weekly check meeting here Thursday morning. All of those who knew him expressed great admiration for his character and regret at his untimely death. The association voted to send a floral offering to the funeral.

The dance season at the Lake Cisco pavilion is to be featured Saturday by the "Big Dam Police-man's band." Members of the Cisco police department will benefit from the proceeds of the dance, and the funds will be used to purchase new badges and other personal equipment for members of the department. Tickets are being sold by members of the police force. Special features have been announced for the event, including square dances for those who are proficient in the old-fashioned dances. Chief of Police G. E. Bedford is looked to give his

"Barnyard Black Bottom" dance and other special dances are announced as follows: Tub Wilson, Wobble, Reddy, Jelly Roll, Humble, Chief Chase, DeRossett, Riot, Mickey Stewart, Flat Top, Gus' Chain Gang, and Carmichael's Dog Bone Blues.

Mrs. John Ducker, Mrs. E. B. Clompt, and Misses Aine Walker and Helen Williamson were joint hostesses Friday night when they entertained with a bridge supper honoring Mrs. Marshall McCrea, a recent bride. A two-course supper was served at 7 o'clock, after which bridge was played for several hours. Miss Mary Fee won the high bridge prize. A lovely gift was presented to the honoree. Both high and low prizes were given Mrs. McCrea. The following guests were present: Misses Mary Fee, Addie Fee, Mary Gresham, Helen Clayton, Mary Jane Butts, Theresa Lee, Ingvor Leighton, Ester Hale, Zella Blanche McClinton, Ora Truelove, Bonnie Baker, Madeline Shepherd, Katherine Pettit, Ruth Endicott, Blanche Stear; Mesdames Marshall McCrea, Yancy McCrea and Cecil McCord and the hostess.

Charles Renaud, geologist, who recently moved from Cisco to Abilene, is in the Baptist sanitarium at Abilene, severely injured as the result of an automobile accident, which occurred He was reported as somewhat improved Friday night, but was not out of danger. The extent of his injuries were not fully determined, although it was believed he had suffered severe internal injuries. Mrs. Renaud suffered an injury to one leg, while a sister of Mr. Renaud escaped with minor bruises. The

three were riding in a closed car 10 miles east of Abilene on their way to Dallas when the accident occurred. The car turned entirely over, pinning the three beneath. The top of the car crushed Mr. Renaud's chest while the steering wheel crushed his abdomen. He was said to be bruised all over the body. He was rushed to the hospital at Abilene for treatment and Mrs. Henry Benham, mother of Mrs. Renaud, and Mrs. A. E. Willig went immediately to the bedside.

Slim Coats, former high school football player who has been on the sidelines at Randolph most of the season due to an injury, is about ready to try his hand at new competition. After seeing Karl Dane hit the bull's eye in "The Big Parade," Slim has issued a challenge to all other tobacco choppers in Cisco to a tobacco-spitting contest, with the prize for the greatest accuracy a plug of Brown mule tobacco.

Mrs. R. E. Grantham was hostess to the First Industrial Arts club at her home on West Eighth street Thursday afternoon. The house was decorated beautifully with roses and other cut flowers. Mrs. J. D. Barker, club president, called the meeting to order. After the roll call and a short business meeting, the program was given, with Mrs. Sherman Roberts as elader. Mrs. C. O. Shugart read an excellent paper, Mrs. C. H. Fleming read an interesting paper on "The Place of Diet in Home Education." Mrs. Sherman Roberts led the round table discussion. Refreshments were served to 22 members.

Mrs. J. M. Williamson is an old-

fashioned woman. She has seen but one football game in her life. That was at Dallas a few years back when Cisco high played for the state championship. But Saturday she broke her precedent and went to see the Eastland-Abilene football game at Eastland. Some of her family are getting disturbed over the situation. "Why, she might even decide to bob her hair," one member declared Saturday.

The wildest oil test drilled northwest of Cisco on the Lise estate land has been plugged and abandoned as a dry hole. It was announced Saturday by Marshall McCrea of Fort Worth, who had come here to be present when it was shot by a heavy load of nitrogen. The hole had reached a depth of 3,900 feet with a show of oil, but production failed to materialize after the shot.

Automobile thieves have been active in Cisco the last few days, police were told Wednesday. F. W. Murphy of the Republic Production Co. reported his Buick Master Six touring car was stolen from in front of the residence of Tom Quinn on Ninth street. No trace of the thief has been found. A Chrysler sedan owned by Carl Lowrey was stolen from in front of the Gude hotel Tuesday night. L. V. Hoyt reported his Ford coupe stolen, but it was later recovered, having been driven off by joyriders.

W. J. Armstrong and Charles Stauffer of Tulsa, Okla., left Friday for a hunting trip near Corpus Christi.

Misses Addie and Mary Fee and mother, Mrs. G. D. Fee, are spending the week-end in Dallas. Mrs. Guy Ward left Friday for El Paso after spending the past month in Cisco.

J. R. Burnett is reported on the sick list this week. Lewis E. Starr has returned from Jackson, Mich., where he has been attending the annual party given by Sparks-Wilmington Co. Mrs. Marshall McCrea left today for a visit in Coleman. Miss Ruth Endicott left today for several days' visit in Stamford.

Mrs. Celeste Merrill, who is the guest of her sister, Mrs. C. C. Christ, spent the week-end in Houston.

Dick Lauderdale is serving on a jury in Eastland this week. Mr. and Mrs. Bob Gilman and daughter, have returned from a visit in Dallas.

W. E. Spencer of Lubbock is in the city on a visit. While in this section he will also visit his father in De Leon.

C. T. Bacon and daughter, Mrs. George Atkins, spent Monday afternoon in Eastland.

Billie Ricks, who is at SMU, is spending the week-end with his parents, Mr. and Mrs. W. E. Ricks.

Mesdames E. J. Anderson, Sandler and Jim Bates attended a bridge party in Breckenridge Thursday.

We'll be glad when we can say the old gray outlook ain't what she used to be.

ILLINOIS PAPER GIVES ACCOUNT HOFFMAN DEATH

The following notice of the death of Peter L. Hoffman, oil man and well-known throughout the Cisco Country, where he lived and operated for many years, is taken from the Vandalia Illinois, published at Vandalia, Ill., where Mr. Hoffman was making his home at the time of his death:

"Peter L. Hoffman, millionaire oil producer and driller, died at his home on Gallatin street in Vandalia Saturday afternoon, June 28, at 3:30 o'clock, aged 71 years, 4 months and 2 days. Although in failing health since 1932, the immediate cause of his death was apoplexy.

Funeral services were held Wednesday afternoon in Mannington, W. Va., at the home of his sister-in-law, Mrs. Mayme Charlton, with Rev. J. B. Workman, Methodist Episcopal minister, officiating. Burial was in the cemetery near the town.

"Mr. Hoffman is survived by his widow, Mrs. Anna Belle Charlton Hoffman of Vandalia, and by three sisters, Mrs. Margaret Hen-

STORIES IN STAMPS

Russian Pre-War Stamp Marked Industrial Gains

ONLY a few weeks before Nazi Germany marched into Russia, the Soviet government issued the stamp shown above as part of a special industrial series. The stamp shows automobiles and airplanes and symbolizes Russian advances in both fields. Newspaper stories coming from the war zones bear the best testimony as to whether Russia's industrial progress has been sufficient to cope with her friend-for-the-moment, turned enemy once more.

Little exact information concerning Russia's mechanized preparations for war was available before Hitler's most momentous double-cross. For many years after the Revolution, American technical experts and engineers were called to Russia to aid in placing the Soviet Union on an efficient industrial basis.

Greatest obstacle all along was the fact that people in the Soviet Union had no industrial background of the kind that existed in other nations, and most of them had to be schooled from the beginning in the use of new devices.

That upon the 1st day of January, April, July and October of each and every year every person, association, organization, or corporation occupying or using the streets, highways, easements, alleys, parks, or other public places in the City of Cisco, Texas, with poles, pipes and other fixtures shall as a condition to such further occupancy pay to the City annually for such privilege a rental equal to two (2%) percent of the gross receipts received by such persons, association, organization, or corporation from its business conducted in the corporate limits of the City of Cisco, Texas, for the preceding three months, which sums shall be paid to the City of Cisco, Texas.

Section 3. That the rental for the privilege of using the streets, alleys, highways, easements and public places of the City of Cisco provided for in this ordinance is not charged as a tax, but is made for the privilege now enjoyed and to be enjoyed by such persons, associations, organizations, and corporations of using the streets, easements, alleys, and other public ways of the City in the conduct of their respective businesses; and such charges are additional to all ad valorem and franchise taxes and to all taxes of every nature whatsoever against the persons, associations, organizations, or corporations mentioned herein.

Section 4. That nothing herein is intended to relieve any person, association, organization, or corporation of any condition, restriction, or requirement, imposed by any law or ordinance of the said City of Cisco, Texas.

Section 5. That this ordinance does not grant a franchise to any utility or person, association, organization, or corporation to use the streets, easements, alleys and other public ways and shall never be so construed by the Courts or otherwise, and the city reserves the right to cancel the privileges granted hereunder and refund the unearned rentals paid to the city.

Section 6. That the City of Cisco, Texas, hereby reserves the right to put into effect at any time other restrictions and regulations as to the erection and maintenance of poles, wires, pipes, and other appurtenances in the streets, easements, alleys and other public ways of the said City and from time to time to require such poles, wires, pipes, and other property equipment and fixtures as it may deem proper to be removed and to require wires to be run in conduits on such terms as the City may deem proper.

Section 7. That every person, association, organization, or corporation who shall operate any business without the payment of the rentals provided for herein shall be subject to a penalty of One Hundred (\$100.00) Dollars for each and every day that such person, association, organization, or corporation shall conduct such business using and occupying the streets, easements, alleys, or other public ways of the City of Cisco, Texas, without the payment of the said rentals which said sum may be recovered by the City of Cisco in a court of competent jurisdiction by a suit filed therein.

Section 8. That every person, association, organization, or corporation and the local manager or agent of every corporation failing or refusing to make the report required by Section 1 of this Ordinance, or failing or refusing to allow the examination provided for in Section 2 herein shall upon conviction in the Corporation Court of the City of Cisco, Texas,

Mrs. J. E. Walter Is Honored By Morning Coffee

A host of friends joined in honoring Mrs. John E. Walter on her birthday, when a party was given for her at the home of Mrs. Elizabeth McCracken Thursday morning. Approximately 40 guests gathered to celebrate the anniversary of this church and club worker and gifted singer. When in Cisco Mrs. Walter has been absent from the First Presbyterian church only two Sundays since she united with the local church, eight years ago.

Arrangements for the party had been made by nine of Mrs. Walter's intimate friends, Mrs. Annie Watson, Betty Wallace, Flossie Moriarty, Britton Hutton, Oma Jones, Eva Jamison, Rosalie Pentecost, Minnie Helen Borman and Elizabeth McCracken. As the honoree entered shortly before 10 o'clock, the crowd rose and greeted her with the familiar birthday song.

A crystal bowl of variegated nasturtiums and sprays of honeysuckle centered the lace-laid table to which Mrs. Walter was escorted to eat the pretty birthday cake. The cake was baked and decorated by Mrs. J. E. Moriarty.

Vases of roses, gladioli and other summer flowers were placed about the room, lending a cheerful background for the assembly.

Pretty corsages, made by the deft fingers of Miss Theresa Weddington, were worn by Mrs. Walter and Mrs. McCracken. Mrs. C. H. Fee and Mrs. G. L. Smith presided at the silver coffee service.

When the guests were served the birthday packages were opened by Mrs. W. E. Dean. After the gifts were displayed an impressive response of gratitude was made by the recipient.

Guests registering in the birthday book were Mesdames J. E. Spencer, E. P. Crawford, Chas. J. Kleiner, A. J. Olson, W. P. Lee, Abbie C. Daniel, John Garrett, W. E. Dean, Doniza Hart, W. A. McCull, Senteil Caffrey, H. H. Monk, Guy Brogdon, Gary L. Smith, R. S. Cope, O. Gustafson, J. G. Jones, Sr., Pearl Lyle Ward, Homer Slicker, C. H. Fee, H. A. Bible, A. R. Purifoy, Frank Leuch, F. D. Pierce, Alex Spears, L. M. Coleman, J. J. Tabieman, J. E. Caffrey, Joe Clements, L. E. Richardson, Frank Bond, R. L. Ponsler, Betty Lou and James Edward Brogdon and the hostesses.

Out-of-town tokens of love were received from a niece, Mrs. Mary Hayes of Abilene, and Mrs. Howell G. Foy of Dallas.

Those unable to attend, but who remembered the occasion with a gift, included Fred Watson, Miss Willie Word, Mrs. H. C. Henderson, C. E. Moore, John E. Chesley, Lily Baugh, T. C. Williams, R. F. Weddington, John Jones, Jr., Ethel Huey, W. L. Jones, Wm. Tanner, John Kleiner, N. D. Gallagher, Joe Gallagher, B. C. Metcalf, P. R. Warwick, John Jensen, Miss Betty Jean Dean, Lloyd, Jr., Pat. Frank and Ruth Ann Harrison.

Mrs. B. Allen Is Honoree at Lovely Shower

An informal "open house" shower was given in the home of Mrs. J. T. Waddell Friday afternoon, honoring Mrs. Bernice Allen, recent bride. Co-hostess with Mrs. Waddell was Mrs. J. S. Allen, mother of the bridegroom.

The house was artistically decorated with cut flowers, ferns and pot plants. The guests were greeted by Mrs. J. T. Waddell, Friday afternoon, honoring Mrs. Bernice Allen, recent bride. Co-hostess with Mrs. Waddell was Mrs. J. S. Allen, mother of the bridegroom.

A lovely cedar chest, a gift of Mr. and Mrs. J. T. Waddell, Jr., was filled with pretty and useful gifts by the guests attending and by others who could not be present.

Refreshments were served to the honoree. Mrs. Bernice Allen, Mrs. H. P. Winston, E. B. Owens, J. T. Waddell, Sr., E. J. McArdle, Lesley Wooten, C. E. Allen, Ira M. Taylor, Pete Clements, Jr., E. C. Bow Bells Silenced
Famed in song and story, the Bow Bells of London were ringing when Columbus discovered America. Today they ring no more. The Wren church that housed them has been bombed. A workman is shown inspecting a bell that caught on steel girders as it fell in an air-raid.

Program Given By Study Group At City Hall
The Parent education study group held its monthly meeting in city hall auditorium, July 10. Mrs. H. G. Aldridge, president of the organization, had charge of the meeting. After a short business session the following program was presented:

Religion, Patriotism Too Often Used By Persons Promoting Selfish Ends

Text: Acts 19:8-10, 23-32

BY WILLIAM E. GILROY, D. D., Editor of Advance

WE have been reading about the spread of Christianity to Europe. In this lesson we return to consider its expansion in Asia. It is the quality of Christianity that the more it expands, the stronger it becomes where it has already taken root. Ephesus, noted for the worship of the goddess Diana, became a centering point for Christianity's growth in Asia Minor, as Paul made that city his headquarters for more than two years. This ancient city, a flourishing seaport in that day, is an instance of the havoc that time and change have wrought. It is in ruins today, with little to mark its former grandeur. Christianity made such progress in the city that the worshippers of Diana became alarmed. The alarm particularly concerned those who were making a commercial business out of religion. There were silversmiths in the city, headed by a man named Demetrius, who had a profitable business making silver shrines for the worship of Diana. When they saw their business endangered by Paul's preaching, they became aroused and began to stir up a movement against Paul and his Christian associates.

THESE craftsmen could not have had much success if they had said to the public, "These men are endangering our business." Their self-interest would have been made altogether too apparent, but they aroused the great cry that the worship of Diana was being endangered, and they stirred up mob violence with the rallying slogan, "Great is Diana of the Ephesians!" How true is this to every age! Consider the profiteers from every form of commercialism, be it worthy and legitimate or some unworthy and vicious thing. When profits are endangered those whose interests are affected almost always hide behind some pretense of principle or conviction. It may be a plea of personal liberty; it may be patriotism; it may be some form of religious profession or prejudice—but examine closely, and you will find self-interest at the heart of the thing. Fortunately, it has not always been so. There have been great occasions in history when individuals and groups have been able to rise above self-interest, and see issues in terms of social and moral reality.

IT is these who manifest the spirit of true religion. A man's religion ceases to be worthy the moment his motive to make a profit from his faith becomes paramount. One cannot forbear a word of application to our present crisis when some men either voluntarily or under compulsion are giving everything for their country while others are taking advantage of the situation for their own ends. Let us beware lest the noble ideal of patriotism be tarnished by those who say "our country" when they mean "ourselves." There is nothing finer than saying "our country" or "our religion" when we mean it and our devotion matches our profession.

First Christian

Sunday school at 9:45 a. m., with classes for all age groups, and a warm welcome for all who attend. The adult class of the First Presbyterian church is to be our guest at Sunday school; our own members are urged to be on hand to give them a large and warm welcome. The morning worship service at 10:30, with a sermon by the pastor. For the evening service we join with the Methodist and Presbyterian churches in the service on the lawn of the First Methodist church at 8 p. m. JAMES H. WRIGHT, Minister.

Nazarene

Special singing and music. 4 p. m. Rev. John L. Peters. 8 p. m. Dr. Chapman will bring the closing address. REV. LUTHER PRYOR, Pastor; REV. JOHN L. KNIGHT, Supt.

First Baptist

Sunday school at 9:45 a. m. A. L. Skiles, general superintendent. Morning worship at 11 o'clock; special vocal number, Paul M. Culp. Sermon by pastor, "The Silence of Life." Baptist training unions will meet at 7 p. m., John A. Smith, director. Evening worship at 8 o'clock. Special music will be brought by the girls.

First Methodist

Train up a child in the way he should NOT go and when he is old he is not likely to depart from it. If a child by family custom is trained NOT to attend church or to attend irregularly and casually, the chances are great that he will follow that sort of custom when he becomes an adult. How is your family relating itself to

the church? Church school for all ages at 9:30 a. m. Family worship for all groups together at 10:30 in the sanctuary with a sermon by the pastor. Union services on the lawn at 8 p. m. or in the church if the weather is too cool or damp. LESLIE SEYMOUR, Minister.

Grace Lutheran

Sunday school and Bible class 9:45 a. m. Morning worship, 10:45. The Sunday school lesson is "The Great Flood." The sermon for the service will be on the regular gospel lesson for the Sunday. The subject is "Peter's Elevation from Fisher to a Fisher of Men." You are cordially invited. On Monday evening Miss Edna Lou Prange, a student at Texas Tech, will give a report on the recent Walther league convention which she attended at San Antonio. She was a delegate from the local society and promises an interesting and edifying report. The meeting will be held at Grace Lutheran schoolhouse and will begin at 8:15 p. m. Visitors welcome. W. H. SYMANK, Pastor.

Presbyterian

Sunday school at 9:45 a. m. E. P. Crawford, superintendent. Worship hour—11 a. m. Sermon subject, "The Religion of Love." Evening worship will be held on the lawn of the First Methodist church in a union service, at 8 o'clock.

Fort Worth Livestock

FORT WORTH, July 12—Estimates called for only 250 cattle, 150 calves, 150 hogs, and 100 sheep on sale here on the final session of the week. Trade in cattle and calves was somewhat uneven during the week with most sales reflecting losses. Compared with the period just prior to the Fourth of July, mature beef steers were quoted steady to weak, spots lower, slaughter yearlings steady to stronger, cows weak to 25c lower, bulls fully 25c off, killing calves steady to 25c down, and stockers unevenly steady to 50c lower. Mature beef steers and yearling steers topped at \$11.50, grass slaughter steers \$9.50, fed heifers \$11, cows \$8.50, bulls \$7.60, killing calves \$11, and stocker steers calves \$13.

The hog market advanced steadily during the week to reach a top of \$10.90 on Friday, the highest in nearly four years. This price compares with \$10.25 a week earlier, less than \$10 a month ago, under the \$8 line four months ago, and below the \$7 mark during the corresponding week a year earlier. Spring lambs were stronger at the start of the week, but the strength was erased later and closing sales on these and all other classes were about in line with a week previous. Slaughter spring lambs topped for the week at \$10.25, later sales at \$10, yearlings \$8, aged wethers \$5.25, old bucks \$4.75, ewes \$4, stocker spring lambs \$8, and stocker yearlings \$7.

Advertisement for Radium. Text: 'RADIUM - A SUBSTANCE MORE PRECIOUS THAN DIAMONDS OR GOLD RADIUM is a derivative of uranium, a white metal substance known to medical science. Henri Becquerel of Paris discovered the powers of radiation in uranium while working in his laboratory, and interested Madame Marie Curie and her husband in further investigation. After extensive research, study and financial sacrifice, they in 1902 produced the first piece of chloride of radium. Madame Curie gave her knowledge and the results of this research to the medical world in her doctor's thesis in 1903. Scarcely more than 3 decigrams of radium are produced from a ton of uranium, and there is a relatively limited amount in existence. Being of so rare a substance, radium is exceedingly expensive, a small disc or needle costing thousands of dollars. Radium emits an invisible stream of active corpuscles moving at great speed, which have been found of great therapeutic value in the treatment of cancer and some types of skin diseases. It has been found of especial value in cancer cases, where it is difficult to reach the seat of malignancy with sufficiently concentrated and prolonged doses of X-Radiation. Science says that filtered X-Rays and filtered radons from radium are similar in their action on human tissue, and that if large quantities were available at a low price, radium would be used in many cases where it is now necessary to use the X-Ray.'
