ADMINISTRATION OF THE NEW DRIVERS' LICENSE LAW WILL BEGIN THE FIRST OF OCTOBER

AUSTIN, August 23.—The Texas state police will enter the first phase of a broad expansion program Monday when 32 drivers' license examiners begin a one-week re-training school at Camp Mabry. Issuance of drivers' licenses will be suspended during the week.

The examiners will be taught new procedures and uniform methods to be used after October 1, when administration of the new drivers' license law will begin.

On the following Monday, September 1, 100 of Texas' finest young men will march through the big iron gates which stand sentinel at the entrance to state police headquarters. They will immediately swing into a seven-week training school which will make 50 of them drivers' license examiners and 40 patrolmen.

Ninety additional highway patrolmen were authorized by the recent legislature, but training facilities are inadequate to accommodate all the recruits simultaneously. Therefore two training schools will be conducted. The second school will begin November 1.

Recruits for both schools will be taken from those who passed the recent state-wide examinations. Investigators now are busy checking into the character and background of those who made passing grades on the written and oral examinations. Those who stand the acid test of character investigation, whose composite ratings are highest, will be notified next week that they have been tentatively appointed.

Changes will be many and far-reaching as the drivers' license division tackles the task of reissuing more than two and a half million licenses.

Close tab will be kept on accident-potential drivers through a new drivers' license filing system which will record every driver's brushes with traffic laws.

And, through compulsory reporting of accidents, a complete record will be kept of every driver's collision. When an individual has a number of collisions or gets a number of traffic tickets, the state police will make it their business to learn why.

Whether it's a matter of improper attitude, physical defect, defective vehicle, or whatever the cause may be, effort will be made to correct it. If correction is impossible, suspension of the driving privilege will be the last resort.

FRANK NORRIS AND WIFE WILL VISIT LONDON

FT. WORTH, August 23.—Rev. J. Frank Norris will end his thirty-second year as pastor of the First Baptist church here Sunday, and he will start his thirty-third year with a month in the British Isles, preaching in London, Glasgow, Edinburgh and other cities.

Rev. Mr. Norris' trip was gained through arrangement of Secretary of State Hull and Lord Halifax, British ambassador. They also have arranged for him meetings with Prime Minister Churchill and other ministers of England. He will be accompanied by Mrs. Norris. The couple will leave around September 1 and are scheduled to return to Ft. Worth October 5. Wendell Wilkie has written a letter of introduction. Rev. Mr. Norris will present to Churchill. Before returning to Ft. Worth, Rev. Norris will tour the United States, preaching on "A Revival or Revolution—Christ or Chaos." Rev. Mr. Norris will preach in the First Baptist auditorium at 11 a. m. Sunday and at the tabernacle at 8 p. m. His evening subject will be "Is This the Last Generation of the World?"

SUNDY SCHOOL SETS FIGURES AT HIGH MARK

Evangelist J. C. Warrick, who is doing the preaching at the revival now in progress at the Nazarene church, reports a very successful meeting.

Pastor Luther Pryor, finishing his fourteenth year as pastor, and who has accepted the church at Berger, is asking for an attendance of 200 at Sunday school today.

Next Sunday, which will be Rev. Pryor's last with the Cisco church, Evangelist Warrick says the Sunday school attendance figures are to be raised to 300 as a parting gesture to the pastor and his good wife and family who have woven themselves into the hearts of the people of his church and neighbors generally.

DEFENSE WORK STARTS AGAIN MONDAY MORN

(By United Press)

HYDE PARK, N. Y., Aug. 23. — President Roosevelt tonight signed an executive order taking over the Federal Shipbuilding Drydock company plant at Kearney, N. J., which has been tied up by "strikers" for the past sixteen days.

The president ordered the navy to take immediate possession and work on the 439 million-dollar naval and maritime contracts will be resumed Monday.

BATTLE OF LENINGRAD IS UNDER WAY

The battle of Leningrad may be under way.

Informed sources in London believed the battle—expected to be one of the bloodiest in all history—has been joined by German troops driving on the ancient capital of the czars from the west, southwest and south, with Hitler's Finnish allies driving down the Karelian Isthmus from the northwest.

In the beleaguered city the Soviet command said "the decisive moment has arrived."

Moscow said the city—defended by 1,500,000 troops and 3,000,000 inhabitants—"must survive."

Imminence of the Leningrad battle did not however overshadow German claims of important successes in the south. The Nazis said the central and southern armies had made contact after capturing 87,000 prisoners in flanking operations in the Ukraine.

BABY IS GREAT GRANDCHILD OF D. K. SCOTTS

With the birth August 16 of a baby to Mr. and Mrs. Earl Jones of Abilene, Judge D. K. Scott became a great grandfather for the second time. The new baby is Mrs. Scott's first grandchild.

The mother of the new baby is the daughter of Mr. and Mrs. Sam Baugh, the former Miss Elsie Baugh, whose mother is the daughter of Judge and Mrs. Scott.

Judge Scott's first great grandchild's grandmother was a daughter of Judge Scott by a former marriage, and this great grandchild is now married, but childless.

So, with the arrival of this new baby this highly esteemed Cisco couple are both great grandparents.

We are told that parents really are young again when there are grand children to bless their old age. If this be true, Judge and Mrs. Scott are thrice blessed. In this blessing their numerous friends extend congratulations, as both are revered by a large number of people.

MEXICO OUSTS NAZI CONSULS IN SEPT. 1

MEXICO, D. F., Aug. 23.—The Mexican government has ordered German consulates throughout Mexico closed by Sept. 1 and has sent home all Mexican consuls in German-occupied portions of Europe.

The foreign office order Friday night was accompanied by a sharply worded statement by which the government said that it could not recognize, nor for any reason recognize, the state of affairs created in Europe by violence.

The action was based on what was regarded as an unfriendly attitude by the Germans—an order Berlin to withdraw Mexican consular representatives from six and six other German-occupied cities.

WHO IS SHE?

CHICAGO, Aug. 23.—A puzzling case of positive yet apparently mistaken identification left the police Saturday without new clues to the identity of a young woman found slain Thursday in the Rogers Park district. Six women identified the body Friday as that of their friend, Mrs. Violet Brady, 27, a Chicago waitress, and said her husband, Henry E. Brady, was a soldier at Camp Forrest, Tenn. But the Chief of Detectives John L. Sullivan said he determined by telephone that Staff Sgt. Henry E. Brady's wife, Violet, was alive and working as a clerk at Camp Forrest.

Sacrifices of Primitive Christians Repeated Today in European War

Text Hebrews 9:11-22

BY WILLIAM E. GILROY, D.D. Editor of Advance

THE early Christian writers had the task of explaining the new Christian faith in relation to the religion in which many of the disciples had been brought up. In the thought of Paul and other Christian writers, there was no breach between Judaism and Christianity. They thought of their Christian experience as a fulfillment of the faith and practice to which they had been accustomed.

Deep in this former faith and practice had been the emphasis upon blood sacrifice. It was part of the Jewish ritual. The doomsday of the Jew, when the avenging hand had smitten the Egyptians, were marked by blood to save the faithful. In common with almost all religions, the conception of blood sacrifice and blood covenant played an essential part.

Then came the sacrifice of Christ upon the cross, and the Christian teaching relating this sacrifice to the Jewish ritual and practice. This in the Christian thought marked a new covenant. The salvation of men was no longer to be won, or their sins purged, by the shedding of the blood of goats and bulls and the sprinkling of the ashes of a heifer. Salvation was rather through the sacrifice of Christ.

THIS is a lesson of mystery which it is not easy either to understand or to explain. Perhaps we are unwise to attempt

too exact an explanation, and we might do better to turn to practical illustrations.

We see surely in our world today how the innocent suffer for the guilty, and how inevitable it is that some men should suffer and die for their country, their homes, and the laws and institutions that they value are to be preserved. The war has not come to our own shores, but we see in many lands how the maintenance of democracy and freedom is inevitably bound up with suffering and sacrifice.

The Christian teaching is not that Jesus is a sacrifice to an angry God, bearing a penalty that enables others to go free. There was something of that in the Jewish conception, and in their idea of the scapegoat, but if one reads carefully the New Testament, he will see that the real emphasis was upon the fact that even on the cross "God was in Christ, reconciling the world unto Himself."

A GREAT theologian has said, "What Christ is on the cross, God eternally is." We ought to interpret all conception of blood sacrifice in religion in terms of that statement.

The idea of Christianity and the New Testament is that for our salvation no sacrifice is needed but that of a sincere and contrite heart. God is not to be appeased. He is Himself through Christ the appeaser, inviting us to receive His grace and accept the sacrifice made through love.

Mrs. C. B. Peters Is Honored By Shower Friday

Complimenting Mrs. C. B. Peters of Giddings, a recent bride, daughter of Mr. and Mrs. L. W. Tucker of Cisco, Mrs. A. C. Poe and Miss Marie Litchfield entertained Friday afternoon from 3 to 5 o'clock with a miscellaneous shower given in the Litchfield home. Decorations of the season's flowers were attractively placed about the rooms and a low bowl filled with mid-summer blossoms centered the lace-laid dining table. A mid-summer theme was emphasized in the appointments and favors of tiny parasols were placed on each refreshment plate.

The guests were greeted by Mrs. J. J. Litchfield, Miss Marie Litchfield and Mrs. A. C. Poe and were shown to the table where Misses Bessie Lee Lawrence and Bonnie Jo Mapes presided at the bride's book.

Each guest was then given a card to write a recipe for the bride. The gifts were assembled in the room adjoining the living room and a pastel-colored parasol filled with gifts was suspended from the ceiling. Mrs. Peters was blindfolded and led to the room to find her treasure and, while groping around, a friend tipped the parasol, causing a shower of gifts to fall. The array of pretty and useful gifts were then opened for the inspection of all. Mrs. Peters, in a few well-chosen words, thanked her friends for their kindness and invited them to visit her.

A lovely refreshment plate was passed to each guest. The invited guest list included Mrs. C. B. Peters of Giddings,

Mmes. W. J. Poe, G. W. Nix, R. L. Shaw, J. D. Hall, Paul Poe, Kate Richardson, D. A. Tolliver, C. E. Moates, W. C. Bennie, R. F. Dolinger, Jr., E. J. Poe, A. L. Thomas, H. C. Hardin, I. J. Davis, S.
