

THE CISCO DAILY PRESS

COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937

In an area of benevolent climate, blessed with an abundance of the purest lake water, possessing the best in recreational facilities, situated on the Bankhead, all-weather route, with three railroads and many highways, Cisco is the best place in Texas to live and to work.

CISCO, TEXAS, THURSDAY, AUGUST 28, 1941

NUMBER 312

EAST COAST HAS PLENTY GAS FOR WINTER

JUNIOR COLLEGE, CISCO PUBLIC SCHOOLS, OPEN SEPT. 8; OUTLOOK FINE

Prospects are bright for a full enrollment in both public schools and Cisco Junior college on opening day, which is scheduled for Monday, September 8, according to R. N. Cluck, superintendent of the public schools and president of Junior college.

The enrollment for the public schools was 1,700 last year and Cluck sees no reason why this year should not be surpassed this year by increased transfers and students moving into the city.

Facilities for both college and public schools are about complete. Some late changes have disturbed arrangements, but Mr. Cluck stated he thought every place would be satisfactorily filled by the end of this week.

Strong faculties have been secured. Men and women with master degrees have been secured for the college, and only teachers with the best of training and experience are to be used in the public schools.

With state aid for Junior college fixed at \$50 per student ended for the next two years, much of the problem of financing the college is cared for. The allotment for the college should be near the 200 mark, which would mean \$10,000 state support for the year.

This, together with tuition paid should be ample funds for the school.

5-YEAR-OLD EVANGELIST IN REVIVAL

Evangelist Marvin H. Clark of Mine will hold a revival at the Fundamental Baptist mission, 11th and Eleventh street, starting Friday night and continuing Saturday and Sunday.

Clark is 15 years old and is in his second year in the ministry. He was pastor of Central Baptist church, Coleman, before he took up evangelistic work. He is associated with the Fundamental Baptist Fellowship of Texas.

Subjects to be discussed during the meeting will be "The Devil's Hell," "The Prigal Son," "The Downfall of Nazism," "Communism," "The Coming of the World Ruler and His Doom," "Fifteen Signs of the Second Coming of Christ," "The Unpardonable Sin," "The Prophesied Alliance of All Nations Against the United States of Britain," and other gospel messages.

The services will begin at 8 o'clock each night.

Callahan Highway Contract to Be Let

AUSTIN, Aug. 28.—A Texas highway department improvement project in Callahan county on highway 36 extending for 7.8 miles on the section from Denton community to U. S. route 83 is included in the list of new work for which bids are scheduled to be received at the highway department here at the August road letting, Friday and Saturday.

The Callahan county project is entirely a state road fund project and is to include grading and construction of drainage structures along the section to be improved, including construction of a new bridge over Pecan Bayou.

Some eastern town has a female volunteer fire department. Wonder if they insist on silk hose.

Byrd Duels FDR

Senator Harry F. Byrd (Dem., Va.) is still dueling, verbally, over defense progress with President Roosevelt. Byrd calls for one-man supervision of the preparedness program.

CHAIN STORES SELL SAVINGS STAMPS NOW

More than a thousand chain stores in Texas became agents of the U. S. government in selling national defense savings stamps today. It was announced by A. G. Tuttle, chairman of the Cisco Chain Store Managers committee.

"The chain stores want to make the purchase of stamps easier for persons who do not customarily go to banks or postoffices," Tuttle said.

In making plans for putting defense stamps on sale at the chain stores, company executives worked out the program with federal officials in charge of the sale of defense savings bonds and stamps in Texas and with the state savings staff, of which Cyrus B. Frost of Eastland is Eastland county chairman.

"Chain stores can reach a class of people who can't be reached through the banks or postoffices," Frank Scofield of Austin, federal administrator of the sale of defense savings bonds and stamps in Texas, said.

C. E. Roberts of Dallas, president of the Texas Chain Stores association, said that chain store cooperation in the sale of defense savings stamps was requested by the U. S. treasury and first tried out in Michigan, where more than 12,000 chain units and independent stores are now selling the stamps.

Many stores in Michigan are selling more than a hundred dollars worth of stamps a day, he said.

Texas chain store companies which are selling defense saving stamps and will have them on sale at their counters regularly hereafter include Safeway Stores, J. C. Penney company, Sears, Roebuck & Co., F. W. Woolworth company, W. T. Grant company, H. L. Green company, Melville Shoe corporation, Martha Washington Candies, Western Auto Supply Stores, S. H. Kress & company, McCrory Stores, National Shirt Shops, Duke & Ayres, C. R. Anthony company, Adam Hat Stores, Edison Brothers Stores, Lerner Shops, Great Atlantic & Pacific Tea company, Montgomery Ward & company, Walgreen Drug company, Neisner Brothers, J. J. Newberry company, United Cigar-Whalen Stores, Liggett's Drug Stores, Franklin's Ladies' Ready-To-Wear Stores and McLellan Stores.

The many friends of the family will be glad to learn that the condition of Mrs. Elizabeth LeVaux, who has been seriously ill at her home at 808 G avenue, is reported improved. Attending her bedside are her two daughters, Mrs. Frank Parrish of Graham, and Mrs. Lily Baugh.

CONDITION IMPROVED.

CHARGE FILED IN THREAT.

HOUSTON, August 28.—A charge of extortion through the United States mails was filed Thursday against Arthur Mathew LePage, 51-year-old ex-convict, in connection with the receipt by Federal Judge T. M. Kennerly of a letter demanding \$5,000.

Medium grade Spring lambs ranged from \$9 to \$9.50, medium and good aged wethers from \$3.50 to \$6, canner and common to medium ewes from \$1.50 to \$4.25 and a few goats brought \$3.50. Feeders were scarce.

All sheep and lambs were steady, quality considered. Medium

BLACKOUT TO RID TOWN OF BUG PLAGUE

A group of merchants in conjunction with Mayor G. P. Mitcham have decided to ask for a complete blackout for Friday, Saturday and Sunday nights to seek to rid the town of the scourge of crickets which seem to be following the lighted districts of the town, more especially the business sections where lights are brightest.

Plans call for all window lights and neon signs to be turned out during these three nights. All businessmen are asked to cooperate in this effort to rid the town of this plague.

Mayor Mitcham, cooperating with merchants, has agreed to put on extra night force in order to police the town during the blackout. Sewers are to be washed out to rid them of the dead crickets that are choking and clogging these drains. In some places the dead are causing offensive odors and stores are going over all movable fixtures that no live or dead bugs may find lodgment.

New goods are being damaged by the crickets, new fur coats in some places are reported to have been damaged by them as they seek breeding places for the approaching winter season.

11-INCH RAIN IN AUGUST

The city hall record of rainfall in Cisco for the present year shows the precipitation from January 3 to August 27 was 38.2 inches.

The heaviest precipitation was during the present month, when there was 11 inches of rain from August 1 to August 27.

The rain gauge registered seventeenth Wednesday; August 22 to 25 there was recorded .1 rain; Aug. 16, 2.1; Aug. 15, .9; Aug. 7, 1.3, making a total for August of 11 inches.

Previous months the records show as follows: July, 2.9; June, 2.2; May, 9.1; April, 3.6; March, 2.5; February, 6.2, and January, .5.

The record shows there was 5.1 during August of last year. Compared with the record from Jan. 3 to Aug. 27, 1941, of 38.2 inches, the corresponding period for 1940 was 28.9.

The heaviest precipitation in 1940 was during the month of May, when the gauge registered 9.1.

E. GARCIA IS NEW HEAD OF MEX. MISSION

Rev. E. Garcia is a new church worker among the Mexican folk of Cisco. The mission at which he preaches is sponsored jointly by the First Baptist church and the Women's Missionary Union auxiliary.

Mexicans who worship at this mission meet every Sunday afternoon for church school and on two Sundays each month to hear Mr. Garcia preach. He is a young man, very earnest and a student in Howard Payne college.

The mission now headed by Garcia was established several years ago at the request of some of the Mexican people and has been functioning since then without interruption.

CAL FARLEY, DISTRICT GOVERNOR OF ROTARY, CISCO VISITOR TODAY

Cal Farley, newly-elected governor of the 128th district of Rotary International, headed the list of speakers and entertainers at the Cisco Rotary club luncheon on the Laguna roof-garden today.

Farley was accompanied by his daughter Gene Farley and her associates, Miss Marilyn Cornelius and Miss Vesta O'Dell, all of Amarillo.

As a surprise program for members of the local club and visiting Rotarians from Ranger and Eastland, Farley turned the program over to his daughter, who presented Miss Vesta O'Dell as the winner of the state piano contest held in Waco last year. Miss O'Dell played as her first number a selection recognizable for the difficulty of its arrangement entitled "Malaguena," by Lecuena. Her two encores included "Black and White Rag" and "Turkey in the Straw."

Immediately following these numbers, Miss O'Dell was joined by Miss Farley and Miss Cornelius in a series of vocal numbers presented as a trio. The musical program was concluded with a medley of popular songs and a splendid demonstration of team work in tap dancing between Miss Cornelius and Miss Farley, to the piano accompaniment of Miss O'Dell.

Edward Lee, president of the club, presented to the Rotarians and their wives the new governor, who commended the local organization for its efforts and reviewed the principal projects of interest sponsored by various units of Rotary throughout the district.

Considerable emphasis was placed on the need for Rotary interest in boys' work throughout the country and a brief account of the development of boys' work activities in and around Amarillo was presented for the information of the local group.

The club luncheon was preceded by a meeting of the executive committee of the Cisco club and a brief assembly was held following the luncheon hour at the hotel.

Invitations had been extended to wives of the local club to attend the meeting today. Those who were present included Rotary Anns E. P. Crawford, R. N. Cluck, A. C. Green, Edward Lee, J. C. McAfee, O. J. Russell, Joe A. Clark and Miss Helen Crawford.

Visitors attending the meeting today were Horace Horton and son James of Eastland, John Kindale of Ranger and Bill Donohoe of Cisco.

The luncheon hour was closed with a final presentation by the Girls' Trio of Amarillo.

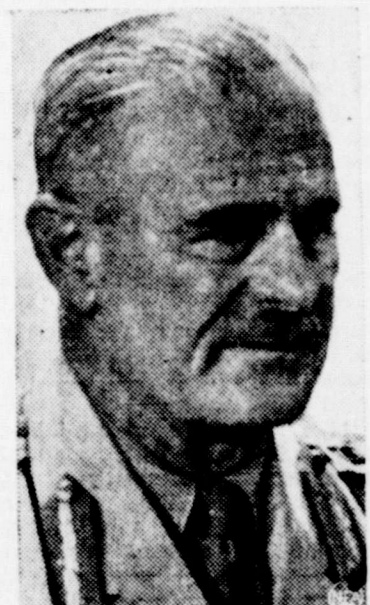

WHEELER AND LINDBERGH TO SPEAK IN OKLA.

OKLAHOMA CITY, August 28.—Charles A. Lindbergh and Senator Wheeler will make their non-interventionist addresses in a ball park outside the city Friday night, since the council won't let municipal auditorium be used for the purpose.

The council canceled a reservation for the auditorium after local protests to Lindbergh's appearance here. Wheeler was booked to speak after the council acted, and while offers for rally sites poured in on the local America First committee, the sponsor.

Herbert K. Hyde, chairman of the committee, said the sandlot park, which has seating facilities for 10,000 persons, would be floodlighted and have ample press and radio facilities.

Opponents in Fabled Iran

General Archibald Wavell is commanding the British drive into Iran in conjunction with the Russians after Shah Riza Kahn's refusal to expel all German specialists.

Shah Riza Kahn

The Russians counter-attacked strongly.

Iran has apparently capitulated to the British and Russians.

A cabinet crisis moved Japan closer to a vital decision on war in the Pacific.

Moscow and Berlin reported new Russian thrusts on the central front and along the lower Dnieper river.

Germans claimed they are increasing the pressure on Leningrad after cutting the Leningrad-Moscow railroad.

The Iranian "token fighting" ended with the formation of a new cabinet to deal with the British-Russian demands.

The Soviets claim they have crushed five Nazi divisions as the central front offensive smashed the heavily-fortified German lines.

NEW LAW EFFECTIVE.

AUSTIN, Aug. 28.—Under a new law making the initial offense of driving while drunk a misdemeanor instead of felony, convictions have increased 340 per cent. State Police Director Homer Garrison, Jr., said Thursday. Garrison reported 232 driver's licenses were suspended or revoked on conviction of driving while intoxicated between June 19, effective date of the new statute, and Aug. 22, as compared with 50 suspensions in the same period last year.

WANT MORE SAILORS.

WASHINGTON, August 28.—The navy, in its biggest peacetime bid for manpower, Thursday made its recruiting objective 13,000 men a month for the rest of the year and 15,000 monthly thereafter. The admirals are counting on newspaper advertisements to help do a good part of the job.

MOSCOW AIR ALARM.

MOSCOW, August 28.—The first air raid alarm in Moscow in eight nights was sounded early Thursday. It lasted from 1:45 a. m. to 3:30 a. m.

DAVIES SAYS SABOTAGE IS BACK REPORTS

(By United Press)

WASHINGTON, Aug. 28.—Ralph K. Davies, deputy defense oil co-ordinator, declared today that "sinister and planned" sabotage may underlie "multiplicity of misinformation" surrounding the East Coast gasoline shortage.

Declaring a shortage really existed, Davies said the recently-ordered 10 per cent cut in gasoline consumption "will get us safely through the winter."

The senate finance committee recommended \$400,000,000 additional taxes for incorporation in the \$3,500,000 revenue bill.

An intra-state committee fight is threatened over the taxation of incomes of married persons in eight "community-property" states, including Texas.

SOVIET ARMY DYNAMITED DNEIPEP DAM

(By United Press)

MOSCOW, August 28.—The Red army blew up their \$110,000,000 Dnieper river dam, Soviet officials said today.

The dam, the largest in the world when completed in 1923, was described as the "finest creation of the Russian five-year plan."

TWENTY-SIX LB. CAT LANDED BY CISCO FISHERS

Mr. and Mrs. Bert Ezzell, who have been here visiting their parents, Mr. and Mrs. Elbert Ezzell, and brother, W. A. Ezzell and family, concluded their visit this morning and left for their home in Matador. Mr. Ezzell is principal of the Matador high school.

While here he enjoyed some good fishing on the bayou on the Webb ranch, in the Burkett section. He was accompanied by James Littlepage, who said they caught plenty of fish ranging around four and five pounds, and a real fish—big yellow cat—that weighed 26 1-4 pounds.

Mr. and Mrs. Ezzell were accompanied home by his mother, Mrs. Elbert Ezzell, who will spend some time with them.

Lots of novels don't sell despite the fact they're bound to.

The Cisco Daily Press

(Consolidated with Cisco Daily News and Cisco American and Round-Up, November, 1933.)

Entered as Second Class Matter December 11, 1884, at the post office at Cisco, Texas, under the Act of March 3, 1879.

A. B. O'MLAHERY, Publisher and General Manager. W. H. LAROQUE, Advertising Manager.

Published daily except Saturday and Monday at Cisco, Eastland county, Texas, by the Free Press Publishing Corporation, incorporated under the laws of the state of Texas. Editorial and publication offices at 304-306 D Ave., Cisco, Texas. Telephone 608.

National advertising representative, Texas Daily Press League, Dallas, Texas.

SUBSCRIPTION RATES: \$2 per year by mail (outside of Cisco) in Eastland, Stephens, Shackelford, Callahan, Brown and Comanche counties, Texas, outside the above-mentioned counties, \$3.50; \$4.75 in U. S. outside of Texas.

Per week, by carrier boy, \$1.00. Per year, in advance, \$10.00.

FAITH

And which of you with taking thought can add to His stature one cubit? If ye then be not able to do that thing which is least, why take ye thought of the rest? Consider the lilies how they grow; they toil not, they spin not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these. If then God so clothe the grass, which is today in the field, and tomorrow is cast into the oven; how much more will He clothe you, O ye of little faith?—Luke 12:25-28.

Do You Remember?

(From Files of the Cisco Daily News, April, 1933.)

MINERAL WELLS, April 28—

Mr. and Mrs. Connie Davis, of Cisco, are in a local hospital suffering from severe injuries which they received when their car struck a slippery spot on the Bankhead highway near here late yesterday afternoon and turned over two or three times. Mr. Davis, a real estate and insurance dealer of Cisco, and his wife were returning from a business trip to Dallas. Dr. D. Ball, a Cisco physician, came to Mineral Wells last night and remained with the injured couple until near noon today. The Ciscoans will probably be in the hospital here for several days. Mr. Davis sustained a lacerated scalp and bruises of the chest. An x-ray examination did not disclose any broken bones. He complained of severe pains in the back and chest and was able to turn himself in bed only with difficulty. Mrs. Davis' most severe injuries appear to be a sprained neck and a severe bruise of the muscle of the upper right arm. Doctors said that unless internal injuries develop they should be able to return to Cisco within a few days. The accident occurred six or eight miles east of Mineral Wells about 6:30 p. m. Mr. Davis was driving at the rate of about 30 miles an hour, he said, when he passed another car and struck a slick place on the pavement.

A public cornerstone laying ceremony will be conducted at the federal building now under construction Saturday afternoon at 3 o'clock, a committee named at a meeting of the city commission last night announced today. The committee, consisting of J. R. Burnett, City Attorney Grantham and R. L. Poe, president of the chamber of commerce, met this morning to prepare the program. The ceremony of placing the stone in the niche fixed for it will be performed by Mayor J. T. Berry and Mr. Poe. The oration will be delivered by Rev. E. S. James, pastor of the First Baptist church. W. H. LaRoque will be master of ceremonies. The program includes music by the high school Glee band, an invocation by Rev. O. C. Odum, pastor of the First

Methodist church, and a benediction by Rev. E. L. Miley, pastor of the First Christian church. Places of honor will be accorded Postmaster W. H. Craddock, members of the city commission and the chamber of commerce directorate and other leading citizens.

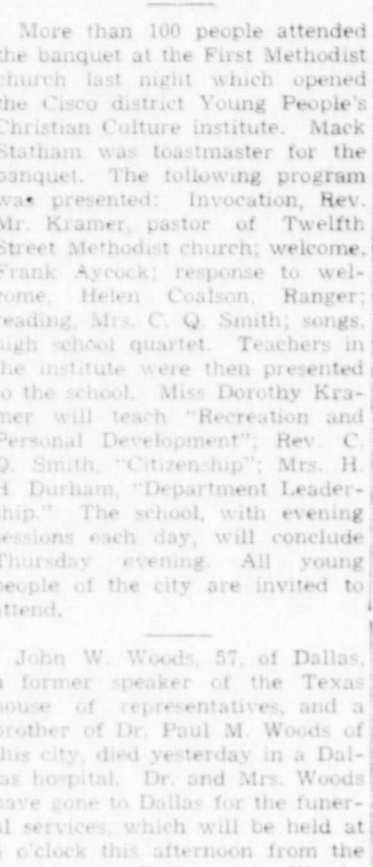

More than 100 people attended the banquet at the First Methodist church last night which opened the Cisco district Young People's Christian Culture institute. Mack Statham was toastmaster for the banquet. The following program was presented: Invocation, Rev. Mr. Kramer, pastor of Twelfth Street Methodist church; welcome, Frank Aycock; response to welcome, Helen Coalsen, Ranger; reading, Mrs. C. Q. Smith; songs, high school quartet. Teachers in the institute were then presented to the school. Miss Dorothy Kramer will teach "Recreation and Personal Development"; Rev. C. Q. Smith, "Citizenship"; Mrs. H. H. Durham, "Department Leadership." The school, with evening sessions each day, will conclude Thursday evening. All young people of the city are invited to attend.

John W. Woods, 57, of Dallas, a former speaker of the Texas house of representatives, and a brother of Dr. Paul M. Woods of this city, died yesterday in a Dallas hospital. Dr. and Mrs. Woods have gone to Dallas for the funeral services, which will be held at 4 o'clock this afternoon from the residence at Dallas. Mr. Woods, who was known as the "Cowboy Speaker" during his tenure in the chair of the house, was author of the bill commonly known as the married woman's property rights act and assisted in obtaining passage of the compulsory education bill. He was also one of the sponsors of a house bill which created the Girls' Training school at Gainesville. A native of Denton county, the former legislator moved to Callahan county with his parents while a small boy and was elected prosecuting attorney of that county while still a student in the University of Texas. He held that post for eight years. He was elected to the legislature in 1913, serving two terms, during the latter of which he was speaker. He lived at Baird and Abilene for a time after his legislative terms were completed and then moved to Dallas. He was a Knights Templar, Scottish Rite Mason and a prominent lay leader in the Methodist church.

Mrs. Charles Brown entertained for members of the Pivot Bridge club on Thursday afternoon in her home on W. Sixth street. Tulips, iris and bougainvillees used in profusion gave a charming springlike air to entertaining rooms where three tables were arranged for the games of contract. Light refreshments were served at tea time. Mrs. A. C. Green won high score in games, with Mesdames K. H. Pittard, J. H. Brice, Paul Woods, W. H. Seale, Nick Miller, F. D. Wright, Ford Hubbard, R. L. Ponsler, F. E. Logan, Will St. John and the hostess.

A delightful informal Texas day program, with Mrs. A. Spears as

OUT OUR WAY By Williams

THE DEAD SPOT

With the cooperation of Miss Ruth Ramey, county home demonstration agent, the women of the Romney community will have the benefits of a circulating library, it was announced today. Mrs. Guy Brogdon, in charge of the library, has received a number of books to be used by the club for two months, after which the books will be exchanged for those used by other home demonstration clubs in the county. An increased interest in the club has been shown by the addition of several new members as well as the presence of a number of visitors at the last two meetings. A program on interior home improvement was given at the home of Mrs. W. L. Brogdon on March 28. At the last club meeting on April 11 a demonstration in cheese making was given by Mrs. C. L. Carmichael assisted by Mrs. Ben Williams.

Miss Zelma Curtis entertained for the 13-year-old girls' class of the First Baptist Sunday school, of which she is teacher, with a party on Friday evening in her home, 1206 F avenue. A variety of entertainment was enjoyed during the evening, and refreshments were served. Mrs. E. J. Poe, superintendent of the Intermediate department, was a guest. Easter rabbits were favors for Bessie Rea Coats, Virginia McCauley, Lucile Harper and Novelle Huddleston.

The rodeo presented at Chesley park Friday evening under the auspices of the FFA chapter of Cisco high school drew a crowd variously estimated at between 1,500 and 2,000 people. The unexpected number of entries in the various events forced cancellation of a portion of the program, but in spite of this there was entertainment enough for the crowd, which enjoyed the program thor-

oughly. A feature of the program was the steer riding contest participated in by members of the high school faculty. Coach W. B. Hodges, of the high school, won this contest when he kept aboard his bucking mount all the way across the field. Supt. R. N. Cluck lasted for 30 feet, while E. H. Varnele, vocational instructor who directed the rodeo, took to the dust perforce within 20 feet of the starting post.

Members of the 1929 Contract Bridge club were entertained at the most recent meeting of the club in the home of Mrs. T. F. O'Brien on W. Seventh street. Mrs. A. D. Anderson won high score in the games, at the close of which light refreshments were served. Players were Mesdames F. D. Wright, Jack Cabaness, R. L. Ponsler, A. D. Anderson, George Fee, H. S. Drumwright, J. A. Bearman and the hostess.

Mrs. A. D. Anderson was hostess to the 1929 Bridge club Thursday afternoon at her home on W. Ninth street. In the games, the high score prize for the club went to Mrs. J. H. Brice, and the high score for guests was won by Mrs. George Fee. An attractive salad plate was passed at the refreshment hour. Members and guests present were Mesdames Charles Trammell, K. H. Pittard, Ford Hubbard, F. E. Logan, F. D. Wright, L. H. McCrea, E. P. Crawford, Oscar Cliett, T. F. O'Brien, R. L. Ponsler, Jack Anderson, W. J. Leach, J. A. Bearman, H. S. Drumwright and George Fee.

Mr. and Mrs. Wm. Reagan, Mrs. J. T. Berry, Roy Wilson, Mr. and Mrs. C. S. Karkalits, Miss Louise Karkalits, Judge D. K. Scott, John F. Patterson, Lory Boyd, George Boyd, R. E. Grantham, E. E. Kean, R. N. Cluck, Mr. Nicholson and Mr. and Mrs. J. M. Witten were among those from Cisco who attended the 80th convocation of the Grand Commandery of Texas, Knights Templar, in Abilene yesterday.

L. T. Maner, of Sweetwater, is a guest today of his son, Leon Maner, proprietor of the City Drug company. The visitor has been a druggist at Sweetwater for the past 30 years.

Mrs. E. P. Crawford and Mrs. Charles Trammell are in Austin for a short visit. They were accompanied to Austin by Miss Helen Crawford and Charles Spears, who are students of Texas university.

Mr. and Mrs. J. B. Jenkins of Ft. Worth visited Mr. and Mrs. F. E. Shepard during the weekend. Mrs. Maude Coleman has returned.

EDSON'S WASHINGTON COLUMN

No Flies Found on U. S. Pursuit Planes When They Flew for the British in Syria

BY PETER EDSON
NEA Service Washington Correspondent

WASHINGTON—There has been so much wing flapping of loose-tongued aviation experts about how bad U. S. combat planes were in service abroad that an amateur expedition to determine where all this criticism started and how justified it is makes an interesting pastime for any rocking chair strategist of the air. So here goes:

Most of the knocking has been against the pursuit ships and fighters. For American bombers there can't be enough praise. The British would be hopelessly outclassed today if it were not for these bombers, and that goes for the Lockheed Hudsons, which were not designed as military aircraft, but have been very effective as light bombers.

Criticism of the combat planes has been aimed particularly at the P-40. If that is only a meaningless designation to you, it might be mentioned that a "P" plane is a pursuit plane, and the number "40" merely indicates that it is the fortieth design which the army has put into production. Circumstances which have given this plane its bad name trace back to a peculiar chain of events.

BEFORE the lease-lend bill was passed, it was against the law to sell to foreign governments models of planes which were in service in the U. S. armed forces. This meant that when the French and British came to order planes, they had to get models the Army had not adopted. Also, they had to get planes which U. S. manufacturers were in a position to deliver. The British took Lockheed Hudsons and made them into light bombers. The French picked on the P-40, an experimental model of 1939 intended to be an improvement of the P-36, the standard U. S. Army equipment in the old-fashioned days of 1936.

The French ordered a lot of these original P-40's and they put in French gadgets—French radio, French instruments. The throttle was on the wrong side. Norway and Sweden ordered some too. Then France and Norway got knocked out of the picture, and Sweden was blockaded. Some of the planes rusting in Martinique are supposedly P-40's. Delivery of others couldn't be made.

The British, anxious to get anything that would fly, took delivery on all the P-40's they could lay hands on. When they got them, however, they woke up to the fact the equipment was all wrong for British pilots. The radio operated only on French frequencies. The throttle shoved forward to increase speed instead of backward.

Along about that time, British production of its own fighters began to accelerate. They didn't need the P-40's, and preferring to use their own production in Britain, which was natural, they shipped the rest of their P-40's to the Mediterranean. This was the second point interpreted as an admission that the P-40 was no good.

The real payoff on the P-40's, however, is that some of the P-40-A's and P-40-B's saw action in Syria where they fought off the Germans. Next time anybody tells you the U. S. plane factories can't make good pursuit ships, kick him in the britches for a fifth columnist.

RISED ON A FARM IN TEXAS, LUTHER JORDAN ROSE TO A BIG JOB WITH THE SEARS COMPANY

Luther M. Jordan, general manager of the southwest for Sears, Roebuck & Co. with headquarters in Dallas, was a Cisco visitor Tuesday. Mrs. Jordan accompanied Mr. Jordan who was here for a visit with Miss Katherine, local representative of the organization.

LUTHER M. JORDAN.

Mr. Jordan is one of the outstanding business and civic leaders in the state. For the past two years he has headed the Greater Dallas Community Club, an organization charged with the responsibility of collecting and distributing over \$100,000 annually. He has also served as general chairman of the Red Cross in Dallas, is a very active church worker and a member of the S. M. U. Methodist church in Dallas.

For the past two years Mr. Jordan has been in charge of the Freeman clinic for underprivileged children in Dallas. He is also in charge of an organization of over 800,000 customers in the southwest, puts Mr. Jordan in touch with economic trends in the region and he is therefore well posted with conditions in the state.

FRANCE IN THROES OF HATE PURGE

VERSAILLES, Aug. 28.—Authorities of German-occupied France made a sweeping roundup of enemies to the regime Thursday in the wake of the Laval-Deat assassination attempt and by mid-afternoon had placed more than 300 persons in "protective custody," some of them from the very ranks of the newly mobilized anti-Bolshevist legion.

In Paris, the first three so-called Communists to be convicted by special courts were executed. They were condemned to death Wednesday for alleged misdeeds not connected with the Laval shooting.

Authorities apparently feared that the anti-Bolshevist legion, formed to fight Russia alongside Germany, contains many more members who, like Pierre Laval's youthful assassin, Paul Colette, had joined purposely to be able to get at the French leaders favoring strong collaboration with Germany.

THIS CURIOUS WORLD

By William Ferguson

Singing Convention Meets Here Sunday

The regular fifth Sunday singing convention will meet Sunday at 1:30 p. m. in the First Christian church, Cisco. Among the many visitors and singers will be present will be the Stamps-Baxter quartet of Abilene. The personnel of the quartet includes S. E. Clark, Wade Wilk, Mrs. Price and Stanley Webb, with Mrs. Stanley Webb as piano accompanist.

The public is cordially invited to attend and join in singing gospel hymns, both old and new.

SOCIETY and CLUBS

By MRS. KATE RICHARDSON

The Notebook

Thursday.

Due to the illness of Edward Robbins, the Needle and Thread Sewing club will meet in the home of Mrs. S. B. Parks at 3 p. m. in regular meeting instead of the luncheon originally planned.

The Friendly Twelve Sewing club will meet in the home of Mrs. B. H. Hurst at 3 o'clock, in regular session.

Mrs. Jas S. Mobley Hostess to Group

Mrs. James Mobley was the hostess Tuesday afternoon when members of Group Three of the First Christian council met in her home at 4 o'clock, in regular session. The meeting was opened by the group singing the hymn, "What a Friend We Have in Jesus," following which Mrs. W. L. Harrell was asked to lead in repeating the Lord's Prayer, which was spoken in unison.

An interesting devotional was given by Mrs. Minnie Hill on the subject of "Loyalty"; the group voted to change the time of meeting to 3 o'clock instead of 4. All members were urged to attend the council meeting next week and take gifts of socks, jam and jellies or clothing for the orphans at the Juliet Fowler home, Dallas.

Refreshments were passed at the conclusion of the meeting to Misses Claire Swart, Alfred Scott of Austin, V. E. McCharan, H. J. Woodruff, W. L. Harrell, Minnie Hill, A. S. Nakors, C. B. Powell, Lennie Shookley, Audrey Ezzell, Misses Olga Fay Ford, Ethel Mae Wilson, Marie Tume and Mrs. Mobley.

The differences that arise in lots of families are caused by indifference.

Bride Elect, Miss Woods, Is Complimented

Complimenting Miss Nelda Woods of Eastland, bride-elect of Jack Stephenson of Cisco, Mrs. G. W. Wilcox entertained Tuesday evening with an informal miscellaneous shower.

After the guests were greeted by Mrs. Wilcox, Mrs. Woods, Miss Woods and Mrs. G. M. Stephenson, mother of the groom, a trio composed of Misses Betty Lou Powell, Marian Jacobs and Billy Cole were presented in the following vocal numbers, "I Promise You" and "Yours." Games and contests then held the attention of the party.

A beautiful array of gifts were presented the honoree which she opened and displayed to the assembly of friends. Refreshments of punch and cake were served at the conclusion of the evening's events.

Those attending were Miss Nelda Woods, Miss Melba Woods and mother, Mrs. Harry Woods of Eastland; Mrs. G. M. Stephenson, Miss Nadeene Huestis, Misses Carolyn Bailey, Mary Olive Garrett, Mary Elizabeth Wright, Norma King, Louise Allen, Ada Rhone Mobley, Amy Ruth Pool, Mary Fae Beskow, Lucy Dolgener, Elizabeth Bailey, Mignon Clark, Marie Hunterman, Jeanne Snowden, Anna Joe Tableman, Billy Cole, Marian Jacobs, Inka Sherman, Mary Louise Poe, Betty Lou Powell, Jessie Jean Robertson, Betty Rowe Wilcox, Mesdames R. L. Rowe, W. R. Huestis, H. B. Hesley, Mertie Anderson, Vida Stephens, Monty C. Raines, H. C. Brown and Mrs. G. W. Wilcox.

Luncheon Given Monday Honors Bride to Be

Beginning a series of social events honoring Miss Nelda Wood of Eastland, bride to be of Jack Stephenson of Cisco, a luncheon was given in Eastland, at which Mrs. B. E. Sikes and Miss Elizabeth Ann Sikes were hostesses. Miss Wood and Mr. Stephenson will be married Friday, August 29.

The bride's chosen colors, blue and pink, were featured in the table decorations with a lovely gift marking the place of the honoree.

A three-course luncheon was served to Miss Nelda Wood, Miss Mary Greenwood, Miss Alice Henry of Ranger; Miss Julia Parker, Miss Melba Wood and Miss Sikes.

Council Group Two With Mrs. Rex Moore

Group Two of the First Christian Council met Tuesday afternoon in the home of Mrs. Rex Moore, with Mrs. H. H. Tompkins group chairman presiding. After the brief business session where routine matters were transacted, a splendid devotional was brought by Mrs. J. F. Benedict.

During the social hour following the hostess served refreshments to the guests. Those attending

were Mrs. J. F. Benedict, Mrs. L. C. Moore, Mrs. J. A. Tume, Mrs. Lula Bills, Mrs. J. D. Lauderdale, Mrs. Jas Flournoy, Hickey, H. H. Tompkins and Mrs. Moore.

Luncheon Honors Miss Nelda Woods

Miss Nelda Wood, bride-elect of Jack Stephenson of Cisco, was honored at a luncheon in the blue room of the Laguna hotel Wednesday by members of her wedding party. The table was centered with white carnations and fern. Members of the wedding party who attended were Misses Melba Wood, Betty Lou Powell, Billy Cole, Helen Rosenquest, Marie Plummer, Nadine Huestis, Marion Jacobs and the bride-elect, Nelda Wood.

CARTER-McDANIEL

W. H. Carter and Miss Ann McDaniel of Brownwood were married in Cisco Saturday evening at 8 o'clock in the home of Rev. Judson Prince, pastor of the First Baptist church. Mr. Prince used the single ring ceremony. The newlyweds were accompanied by Mr. and Mrs. Todd of Brownwood.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as lively as a Youngster—Now her Backache is better. Many sufferers relieve nagging backache quickly, since they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, grating up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's pills, used successfully by millions for over 40 years. They give happy relief and will help the 10 million of kidney sufferers flush out poisonous waste from your blood. Get Doan's Pills.

LIFEGUARDS FOR TIRES ADD SAFETY

Beset on every hand by admonitions to conserve supplies of everything from gasoline and oil to tires, the car owner today will welcome definite instructions on how to get the most out of these commodities that he buys, in the opinion of R. W. McCauley, Cisco Goodyear tire dealer, whose company's new booklet, "How to Make Your Tires Last Longer," offers worthwhile, timely and constructive help.

"The booklet, copy of which is available for every car owner who calls here," said Mr. McCauley, "compiles in easy, understandable language just what the motorist should do to get the most mileage and long service from his tire equipment. The advice is taken from the company's engineering and test car records over a long period of years and is sound. In fact, it's just what we have been trying to tell people for a long time. Now that there is a national demand and extra good reason why rubber should be conserved, use of such advice is not only patriotic but economical as well."

"One of the ways in which the car owner can be sure that he can use either new tires, or the ones he has on his car now, to the point at which he will get every safe mile from them is by use of LifeGuards, the reserve safety tire within an extra sturdy tube that turns punctures or blow-outs into slow air-leaks, enabling the driver to bring his car to a safe, sure stop.

"In buying new tires my advice would be to get good ones. There is little saved in buying cheap tires that won't wear long."

Porthole Peeker

Peering through a porthole, 3-year-old Serge Mandelbaum gets his first look at the land of freedom as he arrives in New York on Spanish steamer City of Seville.

Current selling campaign this month at the peak of the tire buying season, is urging car owners to buy G-3 All-Weathers, and to put LifeGuards in available sizes into all tires, new or old, to get the ultimate safe mileage from them," McCauley added.

Nimrod Farmer Sells But May Remain There

S. E. Van Zandt of Nimrod was trading in Cisco this morning. He has been a resident of the Nimrod community for several years, though he sold his farm last spring and says he has spent this year "just testing." He states he was undecided regarding the future, as he has not attempted to get settled since he disposed of his farm to John McFerrin.

"It is possible that I may re-

main in Nimrod, provided I am able to locate a place that suits me. There are lots of good people in Eastland county, and I dislike the idea of leaving them. But just what I will decide upon is as yet undetermined," he stated.

Blue Stamps Will Buy in September

EASTLAND, August 28.—Foods available during September for purchase with blue stamps by families taking part in the food stamp plan in Eastland county, are announced by Sidney A. Heintz, local stamp plan representative. These foods are obtainable in local stores throughout the month of September and are the same as those available during August.

The complete list of "blue stamp foods" for the period September 1 through September 30 in all Stamp Plan areas is as follows: Fresh pears, plums, prunes, apples, oranges and peaches, fresh

vegetables (including potatoes, corn meal, shell eggs, dried prunes, hominy (corn) dried edible beans, wheat flour, enriched self-rising and whole wheat (Graham)

The only advantage in the prevalent these days is the great help in pronouncing Russian cities.

J. Young, who has been employed in Abilene the last two months, spent the week-end with his family here.

Fancy Nancy

Maybe 15-year-old RKORful Nancy Gates from Denton, Tex., climbs ladders the hard way to improve her posture, but this fancy of Nancy's doesn't make a bad picture either.

RAYBURN WILL SPEAK 3 TIMES IN COLLIN COUNTY.

MCKINNEY, Aug. 28.—Congressman Sam Rayburn of Bonham will deliver three addresses in Collin county Friday. The speaker of the house will talk at 10 a. m. at the formal dedication of the Princeton Farm Migratory Labor Camp, six miles east of here; at noon he will address a joint luncheon of the Rotary and Lions clubs at the First Christian church, and at 8 p. m. he will speak at Lavon at the dedication of the new school there.

WEST TEXAS OFFICIALS SEEK SPECIAL SESSION

LUBBOCK, Aug. 28.—A resolution favoring a special session of the state legislature to pass a bond assumption act was adopted Wednesday by representatives of the West Texas Commissioners Courts and County Judges. The group of 100 persons represented an area from Wichita and Archer counties on the east to the New Mexico line and from Brown county on the south to the Oklahoma Panhandle. The resolution called on Governor Stevenson to call a special legislative session to enact legislation adhering to the policy announced in the original bond assumption act and amendments.

STORIES IN STAMPS

Mexican Indians Aided By Education Program

Of the 20 million people living in Mexico, only about 3,000,000 are Mexicans. The remainder are Indians. Despite their preponderance in numbers, the Mexican Indians have been the most abused segment of the population. The special delivery stamp above, honoring Indian archery, was issued in 1937. An attempt was started during that year to teach Mexican Indians to read and write by use of their native idioms. There are some 50 major tribes in Mexico. They all speak different languages or dialects. Mexican Indians for 400 years were the slaves of the Spaniards, the bondsmen of Mexican landholders and the oppressed servants of others. However, the revolution of 1910 following the benevolent despotism of Diaz gradually improved Indian conditions. His resignation has been called one of the great cultural phenomena of the twentieth century.

CORPUS CHRISTI IS SAFE FROM 65-CENT HAIRCUTS

CORPUS CHRISTI, August 28.—Corpus Christi, booming Gulf shore defense center, was safe at least for the present Thursday from reported 65-cent haircuts. President H. B. Shackelford, after a meeting of his barbers' union, Local 672, said "there will be no increase unless there is such a sharp jump in operating costs that it becomes mandatory."

UNION BACKS HIM

LOS ANGELES, Aug. 28.—Lew H. Mahowen, dismissed as West Coast regional director of the CIO United Automobile Workers after he led a recent strike at North American Aviation, Inc., which was terminated when the army took over the plant, has been named international representative of the union.

Japan annexed Korea in 1910.

This Pup's a Little Pig

Orphaned Dutch Jersey pig gets tree milk from Doty, registered pointer which has three babies of her own. Doty and puppies belong to Russell Beatty of Springfield, Ill.

COMPLIMENTS RUSSELL

MINERAL WELLS, Aug. 28.—Pat M. Neff, president of Baylor college, paid a nice compliment to Cong. Sam Russell at a dinner here for the Stephenville congressman. "During his brief stay in Washington, Russell has made a good record and during the years I have known him he has always shown himself to be a man of the loftiest ideals," said the former governor of Texas.

ARMY CALLS M. D.'S: STANTON WITHOUT HOSPITAL

STANTON, August 28.—After Saturday, Stanton will be without hospital service. Dr. John J. Hopper, partner of Dr. Leslie Hall in the Stanton clinic-hospital, was called to army service several weeks ago. Saturday Dr. Hall will report and the hospital will be closed.

GIRL GETS TWO DEER WITH ONE SHOT

SANTA ROSA, Calif., August 28.—On her first hunting trip, 17-year-old Sally Heaney got her season's limit of two deer—with one bullet. Game Warden George Johnson confirmed that the girl's bullet passed through the neck of

a big four-pointer, then the head of a forked-hoed standing nearby. Sally, of John W. Heaney of Sabara, was hunting near Cisco Wednesday.

We hope prices don't old pledge. "We will be another drop."
