CISCO, TEXAS, WEDNESDAY, SEPTEMBER 10, 1941

NUMBER 7

FED CALLS IN FOREIGN RELATIONS ADVISORS

TUESDAY'S RECEIPTS AT CISCO LIVESTOCK EXCHANGE AUCTION BARN AMOUNTED TO \$5,527.48

Despite the heavy rain of Monday night that caused the livestock pens to be muddy and sloppy, the receipts for the day's auction Tuesday remained consistently around the \$5,000 average, and exceeded this figure by over \$500 when the sales were footed up by Secretary Paul Booth, Tuesday evening.

The increased sales were largely due to the increased number of out-of-town buyers who were present.

The sale of J. A. Trigg of 106 cattle for \$3,007.50 was the top sale of the day.

Entries.

Following are the entries of livestock and receipts for the day:

MRS. PONSLER AND SON ARE MUCH BETTER

Mrs. R. L. Ponsler, ill for some time, is reported to be much improved and now able to be up. Her son Luther, a patient at Graham Sanitarium, is also improving and making satisfactory progress towards recovery, said R. L. Ponsler this afternoon.

Mrs. Ponsler recently accompanied Mr. Ponsler on a business trip east, with the hope that the vacation would be of benefit. Not regaining her strength as expected, the Ponslers secured a plane and flew back to Cisco.

Luther Ponsler, having finished his summer course at the University of Michigan, drove the family car home from Toledo.

Though in a rather run-down condition, the young man was not thought to be ill until his arrival here after the long drive.

Complete rest and the care of a physician will soon put him on his feet again, his many friends hope.

LOW-INCOME HOMES CAN SECURE AID

A meeting of the lay committee of the housekeeping aid project was held this morning at the project site, 401 W. Ninth street.

The members of the committee are Mrs. J. E. Caffrey, chairman; Mrs. Dee Ball, vice chairman; Mrs. F. E. Clark, secretary; Mrs. C. J. Kleiner, Mrs. B. S. Huey, Mrs. George P. Fee, Mrs. E. L. Graham and Mrs. Elizabeth McCracken.

The purpose of this project is to assist low-income homes when the mother is temporarily ill or some other member of the family is ill, and the home needs an outsider's assistance. Anyone who desires aid and is eligible, may call or see Miss Elsie Glenn, case worker.

Another meeting will be held Thursday, September 18, at 4 o'clock at project headquarters.

WILLKIE SPARKS DRIVE—Wendell Willkie, on hand for ceremonies which opened "Treasury House" in Rockefeller Center in New York, where defense bonds and stamps will be sold, pauses to admire appearance of U. S. Marine Sergeant Charles Widestrom. In commenting, Willkie said, "If I had the chance again, the Marines would be my outfit."

W. E. RICKS, WELL BELOVED CISCOAN, DIED SUDDENLY TUESDAY; FUNERAL THURSDAY AT 10

William Emerson Ricks, 64, died suddenly of heart attack Tuesday afternoon at about 6 o'clock. He had been downtown and was nearing his home at 306 Fourth street when stricken.

Mr. Ricks, born at Grand Cane, La., February 26, 1877, was one of Cisco's most highly esteemed and generally respected citizens. Though hard of hearing for many years, he will always be remembered as having had a cheerful greeting and a pleasant smile for friends and acquaintances. He was a member of the First Methodist church, a life-member of Cisco Masonic blue lodge and a member of the Masonic Royal Arch chapter.

Mr. Ricks came to Texas at the age of 19, first locating at Millsap as an employe of the Texas & Pacific railroad, in the accounting department. Later he was transferred to Eastland and still later to Cisco. He was married to Miss Inez Statham, at Eastland, on January 19, 1905. Two sons were born to this union.

W. E. Ricks, Jr., who is married and lives in Shreveport, La., and Statham Ricks, who is also married and lives in Dallas. The wife and two brothers—Clyde and Storey Ricks—are the other immediate survivors. The brothers live in Louisiana. O. W. and W. B. Statham, Cisco, are brothers of the bereaved wife.

The funeral will be held at the First Methodist church, Thursday morning at 10 o'clock and Rev. Leslie Seymour, pastor, will deliver the funeral sermon. The body will then be taken to Shreveport, La., for burial beside deceased's parents.

Pallbearers will be William Reagan, G. B. Langston, S. H. Nance, J. T. Anderson, W. J. Donovan, W. J. Foxworth, C. R. West and Alex Spears.

MRS. GILMAN DOING WELL

The condition of Mrs. Bob Gilman, who underwent major surgery at Graham sanitarium Sunday night, is reported improved and she is resting well. Besides her daughter, Miss Jane Gilman, she is attended by her sister-in-law, Miss Grace Gilman, who flew from Tulsa, Okla., Monday.

Mr. and Mrs. S. B. Parks, Mrs. James Huddleston and little son Romny spent Wednesday in Abilene.

COLLEGE ENROLL 115

H. R. Garrett, Cisco Junior College registrar, reports a registration total of 115 as of late Tuesday afternoon.

Quite a few more are expected to register before the end of this week.

On the second day last year, 74 had registered at the college. President R. N. Cluck, still confined to his home by illness, though expected to be out soon, is enthusiastic over the prospects for a good year at the college. With the buildings and grounds in ideal condition, a most excellent staff of instructors, plus a loyal citizenship, fine results are assured, he feels.

TOURISTS TO TEXAS SHOW NEW INTEREST

AUSTIN, Sept. 10. — Tourists coming to Texas during this summer's vacation period apparently have been seeing more of the Lone Star state and driving more miles in Texas than did tourists last year. This is indicated by a survey by the Texas Highway Department made at the 11 courtesy and information stations operated during the summer by the department at the various points of entry into the state.

It is shown by a six week's summary of the station's operations, from June 17 to July 27 this year, that 13,272 out-of-state cars stopped at eleven stations. Those cars covered 7,650,525 miles in Texas, it was estimated by checking their proposed routes. This was an average of 668 miles per car, as compared with an average of 493 miles per car in 1940. Thus, it appears tourists are traveling about 25 per cent farther in Texas this year.

A number of other interesting features are revealed by the facts compiled at the stations.

The figures show that only 11 stations were operated this summer, as against 13 last summer. The 11 this year, however, will have served about as many cars during the 14 weeks they are open as the number for 1940, when a total of 31,012 stopped for information.

During the six week's period covered by the present summary (June 17 to July 27), 23,049 cars were served at the 11 stations operated by the department.

California cars stopping at the stations outnumbered all others, totaling 2,354 vehicles, while only 7 cars from Rhode Island were listed.

A comparison of the estimated number of miles driven in Texas per car by states shows Maine led with 1,200 miles, and Oklahoma being lowest with 403 miles per car. However, it was noted that Oklahoma cars served numbered 1,778, while only 12 cars from Maine stopped, indicating that the New Englanders who stopped for information really traveled over the state to see it after coming all the way from Maine to Texas, and that the neighboring Oklahomaans journeyed on many short tours, or trips, into Texas.

The Highway Department courtesy and information stations are operated during the heaviest summer months of tourist travel. The 11 operated this summer were located at Texarkana, Gainesville, Denison, Wichita Falls, Texline, Glenrio, Pecos, Canutillo (near El Paso, Laredo, Orange and Marshall.

WORLD WAITS FOR THURSDAY NIGHT SPEECH

WASHINGTON, Sept. 10. — President Roosevelt has arranged for a meeting tonight or tomorrow with three leading advisors on foreign relations, thus indicating that important international developments may be forthcoming.

The president simultaneously increased from 15 to 25 minutes the time to be consumed by his address of tomorrow night at 8 o'clock (CST).

The house of representatives has been summoned back to Washington a week early.

REDS PUSHING GERMANS BACK CENTRAL FRONT

The now jubilant Red Army reports rapid pursuit of the shattered German forces on the Central front, and claim destruction of half the Rumanian army.

Soviet authorities assert that Leningrad is holding out strongly against mounting air and land assaults by the desperate Nazis.

The Nazis have thrown tremendous power into the Leningrad battle, reportedly under Hitler's orders to capture or destroy Russia's second city before the severe Russian winter sets in.

Increasing Finnish reluctance to continue the war against Russia is reported.

Emergency martial law and decrees imposing the death sentence for violation of regulations have been imposed by the Germans at Oslo, where the Norwegians are reported on strike.

WALTER WEBB JOINS UNCLE SAM'S NAVY

Walter B. Webb, Jr., of Cisco, was enlisted in the United States Marine Reserves Tuesday.

Young Webb went to Abilene late Tuesday and was sent on to the Dallas office Tuesday night. If he is accepted there, he will leave immediately for San Diego, where he will undergo a six to eight-weeks' training period, to be followed by active service in the U. S. Marines.

SCHOOL BUS DRIVERS

AUSTIN, Sept. 10.—With traffic fatalities on the increase and travel heavier than ever before, school bus drivers will feel the weight of tremendous responsibility in the coming school year. State Police Director Homer Garrison warned Wednesday. Urging bus drivers to be sure their vehicles are in tip-top shape, Garrison said that a recent inspection revealed mechanical defects in every one of 26 buses tested.

PETE NANCE HEADS METHODIST BOARD CHRISTIAN EDUCATION; CONRAD ALEXANDER IS V. P.

Garland (Pete) Nance was elected president of the board of Christian education of First Methodist church Tuesday night in the first meeting of the newly appointed members of that body, at the home of Rev. and Mrs. Leslie Seymour.

Other officers elected were Conrad Alexander, vice president, and Mrs. Seymour, secretary. Other members present were Sam King, Mrs. John Shertzer, Mrs. Jimmy Allen, Rufus Merket, Mrs. Merket and Mrs. T. A. Sherrill.

The board elected as counselors in the children's division of which Mrs. Jimmy Allen is superintendent, Mrs. F. A. McMillen for the junior department, Mrs. R. N. Cluck for the primary department, Mrs. Allen for the beginners and Mrs. T. A. Sherrill for the nursery children.

In the youth division, of which Mrs. Shertzer is superintendent, Mrs. James Moore was elected counselor for the intermediates and Mrs. Shertzer for the young people.

The corps of teachers in the various departments will be completed at the next meeting of the board, to be held at the home of Mrs. Jimmy Allen, September 23. All superintendents, counselors and teachers will assume their new duties the first Sunday in October, which marks the beginning of the church school year, states the pastor.

Other matters of business were the approval of orders for literature and supplies and the arrangement of a special rally day program to be held Sunday morning, Sept. 21, with all departments of the church school meeting in a general assembly.

Light refreshments were served the group at the close of the meeting last night.

DAVID HUBER, GOOD CITIZEN AND HEAD OF LARGE FAMILY, LAID TO REST NEAR ALBANY

David Huber age 67 years, two months and 16 days, died of a heart attack Saturday evening, August 30, in the Lutheran community, six miles south of Cisco. Soon after a hearty evening meal, Mr. Huber went to the tank on his place for a cooling bath and swim before retiring for the night. At 9 o'clock he had not returned and two of his children set out to investigate. They found him in the tank—lifeless. According to the coroner's verdict, he had suffered a heart attack upon entering the water. He was a good citizen and highly esteemed by all who knew him. The funeral was held at the local Lutheran church Monday morning, Sept. 1, at 10 o'clock, conducted by Rev. E. Steyer. Following this service, the Castleberry funeral coach took the body to Albany, where another service was held at Trinity Lutheran church, conducted by Rev. C. H. Mutschink. Burial was in the Lutheran cemetery, seven miles northeast of Albany. David Huber, a native of Germany, was born at Whittenberg, June 14, 1874. He came to America and landed at Galveston on Sept. 26, 1895. He first made his home in Bell county, but came to Shackelford county in 1906, where he established his home on a farm six miles east of Albany. He was married to Clara Wernecke on Nov. 27, 1921. Last November Mr. Huber moved his family to the Lutheran community, near Cisco. He was a loyal member of Trinity Lutheran church and universally respected as a successful business man and citizen. Survivors include his wife and three sons—William Huber of Cisco, John Huber of Albany and Albert Huber of Austin; six daughters—Clara, Esther, Mildred, Ella, Emma Lou of Cisco, and Mrs. Garland Webb of Eastland; one sister, Mrs. Elizabeth Grothe of Albany; two brothers, Matt Huber of Albany and Gottlob Huber of Eddy, Tex. All were present for the funeral services. Pallbearers were Dan Wende,

Otto Wende, Willie Wiehr, Theodore Eifert, Emil Winge and Charlie Weiser. Out-of-town friends and relatives attending the services were John Huber and family, John Grothe, Matt Huber from Albany, Arthur Miller of Eddy, Gustave Wernecke and family and Uncle John Synatschik from Giddings, Albert Huber and wife from Austin, Garland Webb and family from Eastland, Gottlob Huber and family from Eddy, and many relatives and friends from Cisco. Minister—"I'm glad to see you on your way to Sunday school, Robert. What do you expect to learn today?" Robert—"I expect to learn the date of the picnic."

Warm Floors to Play on!

in the home having GAS CIRCULATED HEAT

You can't keep children from playing on the floor. But you can make winter floors safe and comfortable for them with gas-circulated heat. Sudden drops in outside temperature don't matter. Inside it is always snug, with no fuel to order, no fire tending. It is a simple matter to switch your present heat to circulating heat. Console circulating heater or gas floor furnace is easily installed. Either will supply a constant, evenly distributed heat that knocks that chilly layer of air usually hovering just above floor level. Now, before the rush of November, is the time to install this more healthful heat.

Console circulating heater is ideal for the single room. Knocks cold spots and chilling drafts. Investigate gas circulated heat for the benefit of your children.
