## THERE IS NO OIL SHORTAGE ON EAST COAST

### AXIS HIT UNNECESSARY ALARM, SAYS SENATE COM.

Britain and Russia struck at the axis war machine today from Italy to the blazing eastern front amid indications that Japan is clamping down on extremists.

WASHINGTON, Sept. 11.—The senate oil investigating committee today unanimously reported that there is no oil shortage on the east coast.

The committee stated that federal petroleum officials have created "unnecessary alarm."

### PRESIDENT TO TAKE STRONG STAND TONIGHT

WASHINGTON, Sept. 11.—Usually trustworthy sources said tonight that Mr. Roosevelt's speech tonight will declare that the United States will take whatever action is necessary to protect shipments to Iceland.

The president is also expected to express resentment at the recent Nazi attacks on American vessels. These indications came after a white house conference where Mr. Roosevelt talked with congressional leaders. The president's conferees declined to discuss speech details, but said no new legislation is indicated.

### SCHOOL THEME OF ROTARIANS' MEETING T'DAY

A school theme was featured at the regular weekly meeting of the Cisco Rotary club today.

O. L. Stamey, dean of Cisco Junior College, and principal of Cisco high school, was presented by President Edward Lee in a talk on the history and other interesting information concerning public school education.

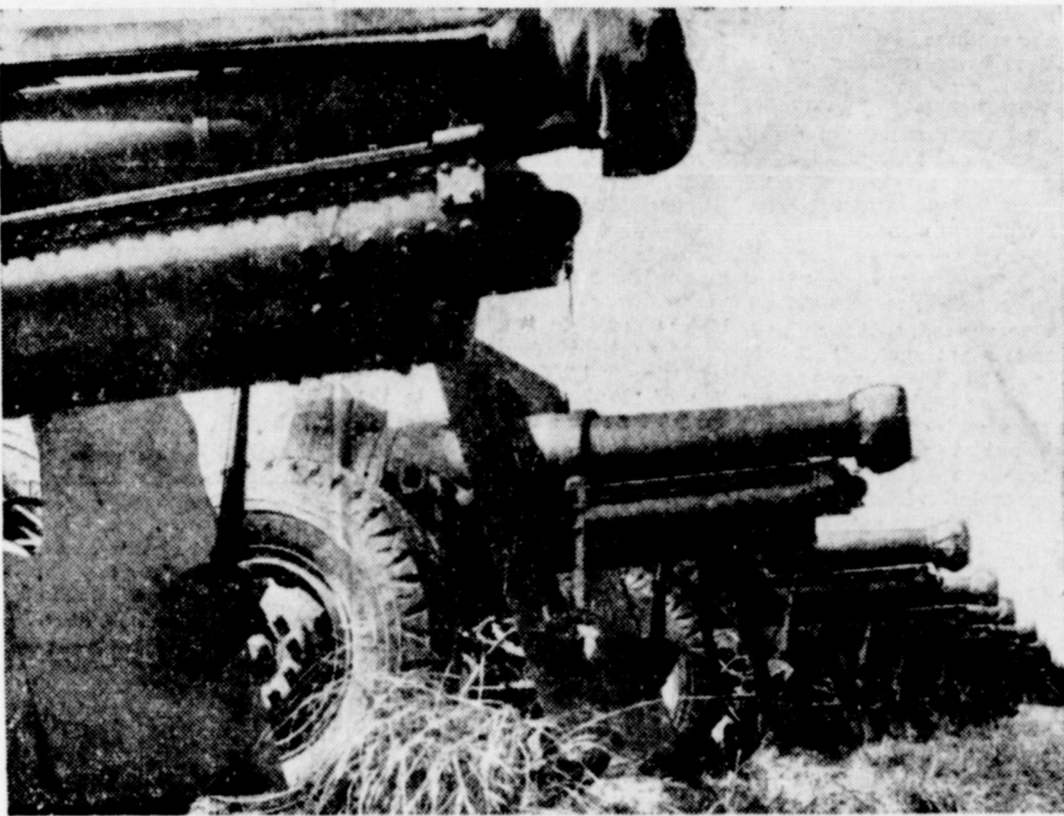

In keeping with the school idea, Asa Skiles of the Cisco Welfare Board, spoke briefly, telling Rotarians that the local board had assisted 175 Cisco school children, all of whom have been dependent to some extent upon the board for clothing that they might attend school.

The club members also sang several school songs. Members were encouraged to bring their families to Graham Sanitarium Friday night from 7 to 9:30 o'clock for blood typing, and were asked to support the project in every way possible.

Five guests were present. They were: Drs. W. S. Parks, E. O. Bone, F. C. Payne and Frank Estes, all of Breckenridge, and E. E. Donelson of Clovis, N. M.

### DR. UMPHREY LEE OF DALLAS TO OCCUPY FIRST METHODIST PULPIT SUNDAY AT 10 A. M.

Arrangements for the special services at First Methodist church Sunday are complete, according to W. J. Foxworth, chairman of the committee in charge.

Dr. Umphrey Lee of Dallas will preach at the morning service at 10 o'clock and during this hour of worship the old original church which was recently paid off will be formally burned.

DR. UMPHREY LEE

The public is extended a cordial invitation to be present for these services of celebration, presided over by the pastor, Rev. Leslie Seymour. It is expected that numbers of out-of-town friends will be in Cisco for the occasion.

Dr. Umphrey Lee, president of Southern Methodist university, was born in Oakland City, Ind., March 23, 1893. His parents were Dr. Joseph and Esther (Davis) Lee, whose ancestors first settled in Kentucky around 1816.

The Lord's Horseman—John Wesley and "John Wesley and Modern Religion," which are accepted by authorities as outstanding works on that eminent churchman.

Miss Miller is visiting Mrs. F. B. Blackburn for a few days enroute to Levelland, Texas, accompanied by Miss Lurlyne Blackburn.

Miss Miller, who graduated from Cisco high school in 1937, expects to complete requirements for a Master of Arts degree in February from Texas State College for Women.

AUSTIN, Sept. 11.—Texas governmental resources jumped from \$204,088,824 at the close of the 1937 fiscal year to \$268,924,450 at the close of the 1941 fiscal year, a substantial gain in spite of the constantly growing deficit, it was revealed Wednesday in figures submitted to Gov. Coke Stevenson by State Treasurer Charley Lockhart.

Of the total 1941 resources, \$74,045,925 was represented in cash to the credit of various state funds, \$99,867,573 in certificates of indebtedness held for various permanent funds, \$94,348,552 in pledge securities held by the state treasurer and \$662,400 in pension warrants held by highway fund. Total indebtedness of the state is \$41,193,904, compared with \$38,685,877 in 1937.

### FUNERAL OF W. E. RICKS WAS IMPRESSIVE

Funeral services for the late W. E. Ricks were held at 10 o'clock this morning at the First Methodist church at 10 o'clock this morning. The church was filled with friends and acquaintances of Mr. Ricks and the services were conducted by Rev. Leslie Seymour, pastor; Rev. Roy Langston, superintendent of the Cisco district of the Methodist church, and Rev. Gary Smith, pastor of the First Presbyterian church. Mr. Smith led in prayer.

Mr. Langston read the scriptural passages and Mr. Seymour gave the sermon.

With Hjalmar Bergh at the piano, a quartet composed of Mrs. L. E. Richardson, Miss June Morehart, Billy Kilborn and Neil Lane sang "Abide With Me" and "Lead Kindly Light."

The services were very impressive and at the conclusion the pallbearers—William Reagan, G. B. Langston, S. H. Nance, J. T. Anderson, W. J. Donovan, W. J. Foxworth, C. R. West and Alex Spears—accompanied the remains to the depot for the railroad journey to Shreveport, La., for interment.

W. B. Statham, brother-in-law of deceased, accompanied the body on the train, while the family departed for Shreveport in automobiles.

### STARTERS FOR BURKBURNETT GAME NAMED

Probable starting lineup for the Cisco Lobos when they open a none-too-promising season against Burk Burnett tomorrow night at Burk Burnett was announced today by Head Coach Mike Murphy.

It is as follows: Right end—Bruce Sanders. Right tackle—Marion Smith. Right guard—Sam Clarke. Center—Glenn Doggett. Left guard—Jimmie Pollard. Left tackle—O. C. Penn. Left end—Lawrence Johnson. Quarterback—Paul Moseley. Fullback—Garland Lasater. Blocking back—John Potter.

Other squadmen who will make the trip are Blackie Blackstock, Homer Thompkins, J. Hays, Charles Endy, and possibly two or three other squadmen. Team Managers Leonard Bean and Donald Shirley will also accompany the squad.

Taking little more than enough men to start the contest, and practically no substitutes ready to take over in case of an injury to one of the starters, prospects for a Lobo victory over the Burk Burnett team are dim.

Murphy said the boys would leave via cars about noon Friday, and would eat in Cisco before leaving. The contest is to begin at 8 o'clock.

Of the starting lineup, only four are lettermen, and few of the remainder of the squad has had any gridiron experience of any kind.

### FFA BUILDING BOOTH FOR FAIR AT RISING STAR

Cisco Future Farmers of America are at work on an FFA educational booth for the Rising Star annual fall fair to be held Sept. 18, 19 and 20. T. G. Caudle, local FFA supervisor, said today.

Several projects started by the boys last spring will be taken to the fair, he said, including steers, Jerseys and other farm stock.

### DENNISON IS RETURNED TO HUNTSVILLE

Paul Dennison, who escaped the Huntsville penitentiary in 1927 after serving eight months of a 15-year sentence assessed against him for a felony conviction in Eastland county, has been returned to Huntsville, M. L. Perdue, chief of police, reported this morning.

Dennison was taken in Cisco on Aug. 30 by local police. Cisco officers had been apprised of Dennison's escape, and thinking he would probably return to this section, began looking out for the escapee.

Knowing Cecil Lamb had been acquainted with Dennison for years, police asked him to watch for the wanted man. On Aug. 30 Lamb recognized Dennison on D avenue and notified police, who took the man, holding him in the Cisco jail until an agent from the pen came to pick him up and return him to Huntsville.

TODAY'S PRAYER

DO YOU REMEMBER?

(From Files of Cisco Daily News, January, 1927.)

Master Bobby Gene Brinkley is Cisco's New Year's baby. Born at exactly 12:03 o'clock, the eight-pound youngster came into the home of Mr. and Mrs. O. C. Brinkley just in time to be counted in on the new year, and in time to lay first claim to a whole group of birthday presents offered by Cisco merchants.

pointed to 12:01 o'clock at the time of birth, but two others, including the doctor's, showed 12:03 as the time, it was said. Mr. Brinkley is manager of the A. S. Nabors Furniture company. He said the little visitor was not expected at his home for some time yet, but believed he must have read the Cisco Daily News of Friday where Cisco merchants were advertising a number of fine gifts for the first New Year's babe, and so decided to make his earthly debut at the proper moment.

Two Cisco young people well known to many were secretly married on Christmas eve night, it became known Tuesday after they had kept the affair secret for little more than a week. The young couple were Miss Grace Cabaness, daughter of Mrs. W. I. Cabaness of Cisco, and Ray Haley, son of E. A. Haley of Cross Plains, but now living here. The ceremony was performed at 9:30 o'clock p. m., December 24, following a Christmas tree party, and Rev. B. C. Boney, pastor of the First Presbyterian church, officiated, the wedding took place at the Presbyterian manse. Mrs. Haley is a graduate of Cisco high school, and is employed in the collections department of the Cisco Daily News, while Mr. Haley was graduated from the Cross Plains high school, and is in the factory department of the Bleasie Motor company. They are now located at 604 W. Tenth street.

Wesley Harrell, 13, doesn't care if the old barn did burn down. Dickie was saved. Dickie, he it known, is a pet squirrel. Dickie had his nest in the granary at the Harrell place, where plenty of good corn still on the cob was available. But when the barn burned down Monday night, Dickie was left without a home. When the fire broke out, Wesley's first thought was of Dickie. The squirrel's only means of escape was through a hole near the eaves, and so Wesley ran to the spot near the nest and started chopping a hole through to save his pet. But there was valuable machinery to be saved, and the boy was called away from his rescue efforts and told to help save the machinery. Tearfully, he complied. In the darkness, he could not tell whether the pet escaped or not, and he spent most of the night sleeplessly worrying over the pet. But everything was rosy Tuesday morning. Dickie showed up in the yard alive, his feet blistered from running through the fire. But Wesley don't care if the old barn did burn down. Dickie's still alive.

There are still some honest people left. W. P. Moore has found that out. Several days ago he lost a pocketbook containing \$19 in cash. He looked and looked, but failed to find it. Finally he came to the Daily News office. "I don't guess it's any use," he asserted. "Maybe somebody will return the money if they find it." His guess proved wrong. Saturday L. T. Page of eight miles north of town brought the purse and money to the Daily News office. He said his children had found the purse, and before bringing it home had spent some of the money. He told the children they would have to return the money, and that he would have to make good that which they had spent, thereby giving them a first-hand lesson in honesty. The purse and money were returned to Mr. Moore Saturday.

L. B. Platt, former mayor of Cisco, accompanied by Mrs. Platt, passed through Cisco on their way

from their home in Plainview to visit their daughter in Dallas. Both Mr. Platt and Mrs. Platt expressed themselves as pleased with Cisco's lively appearance and said it would not be surprising if they came back here to locate.

The United Daughters of the Confederacy banqueted the Confederate veterans in the vicinity at noon Saturday in the banquet room of the First Presbyterian church. Cheering greeted the opening strains of "Dixie" as Rev. B. C. Boney led the assembly in song. Mrs. A. J. Olson, as toast-

mistress, presided over the banquet. Mayor J. M. Williamson gave the welcoming address, and was followed in special music by Bessie Olson and readings by Florence Pulley and Elsie Glenn. Each number met with a hearty response. The following officers and visitors were introduced: Mrs. W. P. Pulley, president; Mrs. T. E. Rose, vice president; Mrs. F. M. Hooks, treasurer; Mrs. D. E. Waters, secretary; Mrs. Augusta Mason, historian; Mrs. A. J. Olson, registrar; W. P. Pulley, F. M. Hooks, and Mrs. W. R. Williams, trustees; and Mesdames J. C. Swift, Elizabeth Karsaboom; J. A. Crew, B. C. Boney, G. B. Kelly, J. L. Shepherd, O. W. Shepherd, Vera Walker Collins; S. J. Luttrell, J. E. Griffin, James Flournoy, H. C. Henderson and Mr. W. R. Williams. As a capstone to the banquet the following guests of honor, in incident and story of the war, were heard: Veterans G. W. Barr, W. E. Mancill, D. B. Perdue, G. N. Price, G. G. Snively, W. D. Mohon, M. V. Pazmer, J. C. Swift, J. A. Pyle, T. E. Johnson, C. M. Marchman, T. C. Lockhart, J. A. Montgomery, J. W. McQueen and W. F. Elkins. One of the honor guests who is 80 years old referred to himself as the boy of the group, being the youngest one of the veterans present. The combined ages of the fifteen was found to be twelve and a third centuries or 1,236 years. A resolution of thanks was voted to the local U. D. C.'s for the banquet.

with the other officials who were administered the oath Saturday morning. A. M. The deputies of other newly elected officers were named in the Cisco Daily News last week.

Miss Hester Tune and Jack Elkins were quietly married at the parsonage of the First Christian church Friday evening (Dec. 31) by Rev. Thomas Lenox. Mrs. J. A. Tune, Mrs. Essie Coker and Mr. and Mrs. Roy Huffmyer were present at the ceremony. Mrs. Elkins is the daughter of Mr. and Mrs. J. A. Tune, and is a graduate of Cisco high school and for the past two years has been employed at the Crest store. Mr. Elkins holds a position with the Bleasie Motor Co. They left immediately, following the ceremony for Dallas, where they will visit the groom's mother.

**MOTOR CLINIC**

As a car owner, we feel sure that you will be interested to know that we are holding a two-day motor clinic on

**Thursday and Friday, September 11-12.**  
During these two days an ignition and carburetion engineer will be here with modern testing equipment to assist our regular shop personnel.

If your automobile is hard to start—is sluggish from loss of power and pep—runs rough—uses too much gas and oil—then we cordially invite you to bring your car in for a complete Motor and Safety test on either of the above dates.

We urge that you stay and we are confident that you will find them both instructive and interesting. These tests will afford you a most interesting picture of the various phases of operation of the power plant that runs your car.

There is absolutely no charge for the tests, and you are not obligated to buy a thing!
