CHAS. F. ROESER HEADS DRIVE TO COLLECT SCRAP METAL AND RUBBER OF THE OIL INDUSTRY

FEBRUARY FOOD STAMP PROGRAM BE UNCHANGED

Families taking part in the food stamp program in Eastland county in February will have the same selection of foods as they did in January, Charles L. Howell, area supervisor, surplus marketing administration, USDA, announces.

The complete list of blue stamp foods for the period of February 1 to February 28, in all stamp program areas is as follows:

Butter, all cuts of pork (except that cooked or packed in metal of glass containers), fresh grapefruit, pears, apples, oranges and fresh vegetables (including potatoes), corn meal, shell eggs, dried prunes, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, self-rising flour, enriched self-rising flour, and whole wheat (Graham) flour.

"The food stamp program, building America's health defense, not only provides nourishing foods to fellow Americans in need, but primarily creates wider food markets for farm products. In these days of full farm production, the stamp program, community school lunch program, direct distribution of commodities, and lend-lease purchases, all under the supervision of the USDA, surplus marketing administration, help assure to the American farmer a fair return on his full production by creating and maintaining a steady outlet for the food he produces," Mr. Howell said.

TWIN NIGHT PROGRAM AT EAST BAPTIST

Tomorrow night will be twin night with the Brotherhood of East Cisco Baptist church. Each member has been asked to bring another man.

This is one of the liveliest organizations of the church, says Rev. Russell Dennis, pastor, and here we find men who are really interested in the vital things of life.

An interesting program on "Epochs in the Life of Simon Peter" has been arranged.

POLITICAL.

The Cisco Daily Press is authorized to announce the following candidates for the offices under which their names appear, subject to action of voters at Democratic primary of July 25, 1942:

- DISTRICT CLERK
John White
(re-election)
- CRIMINAL DIST. ATTORNEY
Earl Conner, Jr.
(re-election)
- COUNTY CLERK
R. V. (Rip) Galloway
(re-election)
- COUNTY SCHOOL SUPT.
T. C. Williams
(re-election)
- COUNTY TREASURER
Mrs. Ruth (Garland) Branton
- SHERIFF
Loss Woods
(re-election)
John S. Hart
- COMMISSIONER
PRECINCT 4
Arch Birt
(re-election)
A. S. (Ves) Nabors

FT. WORTH, Jan. 29.—Charles F. Roeser of Ft. Worth, general chairman for district three of the national petroleum co-ordination set-up, today was named chairman of the Texas Mid-Continent Oil and Gas Association drive for collection of scrap metal and rubber in the oil industry.

Roeser, in accepting the chairmanship, extended the drive to cover not only Texas, but also all other states of district three, including Louisiana, New Mexico, Arkansas, Mississippi and Alabama.

"The collection of the scrap of the oil industry is too important to confine merely to Texas," Roeser said.

CHAS. F. ROESER.

"I am therefore enlarging our drive to cover all six states of district three, and am asking the Texas Mid-Continent to coordinate the campaign over this entire area through its affiliated organizations."

The collection of oil field scrap iron, steel, aluminum and rubber was undertaken by the association at the request of the federal government through its bureau of industrial conservation.

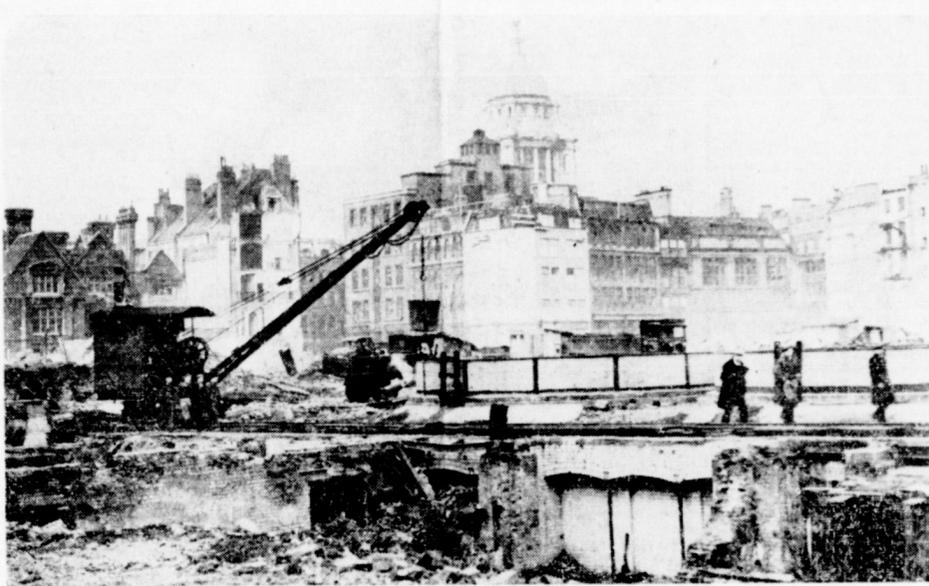

"Federal conservation authorities have asked us to get together for re-processing all the scrap metal and rubber now on the leases, in the yards and at the plants of the oil industry," Roeser said. "It is a patriotic duty which the oilmen gladly assume as part of our industry's program of wartime co-operation."

"Also, it can prove to be of benefit to our industry in its efforts to drill new wells and make other expansions which the increased demands upon our industry make necessary. Some of this scrap doubtless will be re-used in making oil field goods which are vitally needed to supply the additional oil and find the new reserves called for by the nation's victory program."

Chairman and committees to supervise collection of the scrap will be appointed at once in each large producing area of the six states, Roeser said. At the request of federal authorities, the scrap will be sorted and bought by regular scrap dealers for shipment to furnaces needing it. Co-operating in the campaign will be local and field representatives of oil field equipment manufacturers who will serve as members of the committees.

FARM, RANCH TRUCKS CAN HAVE TIRES

AUSTIN, Jan. 29.—Farm and ranch trucks and trailers hereafter will be eligible to get tires and tubes under rationing quotas, Gov. Coke Stevenson said today.

CLEANUP CONTINUES—With the absence of any heavy air raids in recent months, London is getting some work done in the way of bearing up debris resulting from Luftwaffe's earlier "bl-out" raids. Here is the view near St. Paul's Cathedral.

LIVINGSTON RECOVERING AT ABILENE

J. J. Livingston, substantial citizen of the Dan Horn community, is recovering from a surgical operation performed at Hendrix Memorial hospital, Abilene, Tuesday.

Mrs. Don Rupe, a daughter; Willie Livingston, a son, and the mother, Mrs. J. J. Livingston, were with Mr. Livingston during the operation. The son and daughter have returned home, but Mrs. Livingston remained with her husband.

JOHN S. HART IS CANDIDATE FOR SHERIFF

The Cisco Daily Press carries the official announcement of John S. Hart, candidate for sheriff of Eastland county.

Mr. Hart, a resident of this county since childhood and a son of the late Mr. and Mrs. L. N. Hart, pioneer citizens, served as sheriff of the county in 1926-27 and made a good record. In addition to serving as sheriff, Mr. Hart also taught for several years in the schools of Eastland county, hence is well known to the people in both rural and city districts.

Mr. and Mrs. Hart have four children. Toby Hart, a son, is an air corps mechanic in the army and is now stationed at Kelly Field.

His Statement.
Mr. Hart makes the following brief statement:
"In making my announcement for the office of sheriff I feel like the people of the county are fully acquainted with my life, both as a private and as a public citizen. Having been reared here, and having also reared my family here, a detailed introduction would seem unnecessary."

"I feel that I can and will handle the office in a business-like manner, ever keeping in mind the interests of the law-abiding people of Eastland county."

"I earnestly solicit your votes and in fluence at the July primary."

Mrs. W. H. Hurd, 810 W. Twelfth street, has as guests her daughter, Mrs. Charlie Coffee of Lubbock and her daughter-in-law, Mrs. R. P. Hurd of Abilene.

RIP GALLOWAY ASKS RETURN AS CO. CLERK

The Cisco Daily Press carries the official announcement of R. V. (Rip) Galloway, candidate for re-election to the office of county clerk, subject to the will of the Democratic voters at the primary of Saturday, July 25.

Mr. Galloway is too well known to the people of Cisco and Eastland county for an introduction or recommendation from this paper. Suffice it to say that his friends and supporters assert he has made a most excellent official and feel he should be retained as county clerk.

Galloway's Statement.
"When I first announced for county clerk, I made very few promises, but one that I did make was that I would devote my time to the office and endeavor to conduct myself and the affairs of the office on a high plane, exemplifying honesty, efficiency and courtesy. I have found great pleasure and satisfaction in this effort. I have earnestly tried to associate with me deputies who have a desire to conduct themselves on a high plane and who are principally interested in serving the people of this county with the greatest consideration that can be shown to the finest people to be found anywhere."

"The good people of this county have been extremely considerate and cooperative, for which the deputies and I shall ever be grateful. We all appreciate being employed and performing the duties of the office, and realize that our records and duties are of great importance to you as individuals and citizens."

"It has been a privilege of mine and of the staff of deputies to have cooperated and effected every saving possible for the taxpayers of the county."

"The many duties of the county clerk's office require one who is or who can become well versed in the legal manner in which each matter must be handled, and this one must know or find out better."

(Turn to Page THREE)

MR. AND MRS. A. J. M'CARRY ROTARY GUEST AT NOON TODAY

The Cisco Rotary club met in the roof garden of the Laguna hotel for its regular weekly luncheon at noon today. Only two members of the organization were not present for the meeting.

Secretary Garland Nance presented Rotarian Lester Grant of Midland as a visitor. Grant is classified for Rotary membership under the heading of ranch management.

Rev. A. J. McCary, retired Methodist minister and a brother of Mrs. F. E. Clark, was introduced as guest speaker on the program by Rotarian Ernest Hittson, program chairman.

Mr. McCary emphasized the importance of "faith" and "sacrifice" in the present order of the world in which we live. To these two virtues he attributed the worthwhile contributions of the past.

All parts of the world are now so closely related in terms of communications and transportation that we must learn to live and get along together, McCary stated. This can be done through the applied principles of Rotary International and through an understanding of Christian brotherhood.

References were made to those men who in the face of apparent failure and financial ruin had faith in themselves and a belief in God sufficient to fight on to success. These were men of Christian nations who made these contributions to the entire world—"our human family" — McCary pointed out, and the same ideas which prompted them to the services which they rendered mankind should enable us to bring about a more suitable world in which to live in the years to come.

A report on the outcome of the Lions and Rotary-sponsored Lobo banquet was heard and the decision to hold future meetings in the basement of the First Christian church was announced. The change in location of meeting place will be effective for luncheon on Thursday, February 5.

GERMAN SUB SUNK

LONDON, Jan. 29.—The admiralty Thursday identified the sea-going German submarine U-95 as the undersea boat which was sunk last Nov. 26 in a torpedo duel with a Netherlands submarine on the moonlit surface of the Mediterranean.

WANT 40-MILE SPEED

LOS ANGELES, Jan. 29.—A top speed of 40 miles an hour for automobiles throughout the country is urged by the Automobile Club of Southern California in a letter to Southern Roosevelt.

PAY POLL TAX DUTCH EAST AT CITY HALL INDIES FATE IF YOU VOTE IN BALANCE

A. A. Edmondson of the Eastland county tax collector's office is located at the city hall each day for the remainder of the week for the purpose of making it easier to pay county and state taxes, as well as poll taxes—if you want to vote this year.

The latter can be paid without paying other taxes. It is the custom each year to station a deputy collector at the city hall as a special service to the Cisco area, saving citizens the drive to Eastland.

POISONED HER HUSBAND; GOT FIVE YEARS

CROSBYTON, Jan. 29.—Mrs. Nancy Lucille Edge, 49, was found guilty of poisoning her physician husband, Dr. C. L. Edge, and was sentenced to five years in prison in district court Wednesday night. Dr. Edge died at his home here last June 29. The state presented testimony to the effect that death was due to poisoning. One witness testified that he sat by Mrs. Edge in an automobile as she mixed a drug with poison. The prosecution charged that Dr. Edge took this mixture as medicine.

The case attracted much attention in this territory and the courtroom was crowded at all sessions of the trial.

The jury deliberated for one hour and 22 minutes. The woman apparently was unmoved as the verdict was read.

CATTLE MARKET

Steers and yearlings continued to sell slowly on the Fort Worth stock yards Thursday. Prices on these animals were about steady with the week's declines of 15c to 25c. Fat cows ruled steady but canners and cutters were weak with some sales 10c to 15c under Wednesday's prices. No price changes were noted on bulls, slaughter calves, and all classes of stockers.

Hogs sold mostly 10 to 15 cents above Wednesday's average levels with the top \$11.75.

Fat lambs were steady and aged wethers strong in the sheep yards. Good to choice fed steers and yearlings ranged from \$10.50 to \$12.10 with a load of steers averaging near 950 pounds at the top figure. Medium fleshed and shortfed steers and yearlings cleared at \$9 to \$10 and common slaughter yearlings drew \$7 to \$8.50.

Good beef cows brought \$8 to \$8.50; butcher cows \$7 to \$7.75; and canners and cutters \$4.50 to \$6.75.

Good to choice fat calves sold at \$10 to \$11.50 with a few higher. Common to medium slaughter calves brought \$7.75 to \$9.50. Cull sorts cashed at \$6.50 to \$7.50.

Stocker steer calves sold at \$12.50 down and stocker heifer calves at \$11 down. Common to medium stocker calves went out at \$7 to \$9.50. Stocker steer yearlings sold mostly at \$7 to \$11 with a few feeder yearlings up to \$12. Stocker cows were taken back to the grass at \$8.50 down.

Good 180 to 280-pound butcher hogs cashed at \$11.60 to \$11.75 with good 160 to 175-pound kinds at \$11 to \$11.50. Good 145-pound averages cashed at prices downward to \$10. Packing sows were \$10.25 down, a few at \$10.50. Stocker pigs were steady at \$8 to \$9.

Yearlings and feeders were scarce in the sheep yards. Fat lambs of good quality sold mostly at \$11 to \$11.50 and shorn aged wethers brought \$6.

United Nations battled the Japanese offensive closing in on Singapore and the Dutch East Indies today, but in London Prime Minister Churchill emphasized his growing confidence in final victory.

American defenders in the Bataan Peninsula clung to their Philippine positions and used artillery to break up "headlong enemy infantry assaults" on both flanks, inflicting unusually heavy losses on the Japs.

American and Dutch aerial attacks on the big Japanese invasion fleet in the East Indies continued, but the enemy had made a new landing at the Dutch Borneo port of Pemangkat and, pushing southward from Sarawak in a combined sea and land drive down the west coast, created a distinct threat to Java, Sumatra and Singapore — only 320 miles across the island-dotted South China sea.

In Malaya, the Japs pushed forward to within about 30 miles of the big British naval base, which calmly prepared for a last-ditch defense as Jap planes again raided the Singapore area.

AM. WARSHIPS GET SEVERAL ENEMY SUBS

WASHINGTON, Jan. 29.—Members of the naval sub-committee today said they had been advised by Secretary of the Navy Knox that American warships "are getting a number of enemy submarines" in United States coastal waters.

Members did not divulge the details of Mr. Knox's information, which followed the spread of German submarine menace in the Gulf of Mexico, where the American navy is extending its intensive hunt for undersea craft.

Reported presence of enemy subs in gulf waters showed their intent to attempt sinking of tankers plying from the oil ports of South Texas. There were no further signs of them in the gulf today.

BRIEFLY TOLD

Misses Marcia and Ada Rhone Mobley of Mineral Wells visited in the home of their parents, Mr. and Mrs. J. S. Mobley over the week-end.

Sgt. O. B. Cole and Mrs. Cole recently of Big Spring, spent Sunday in Cisco with his parents, Mr. and Mrs. C. P. Cole and family before returning to his duties in the U. S. army. Sgt. Cole is stationed at Fort Bliss, El Paso.

Mrs. R. B. Carswell is spending today at a meeting in Eastland in connection with the Junior Red Cross work of Eastland county of Cross work of Eastland county of which she is chairman.

Mr. and Mrs. Mickey Carroll and daughter, China Carroll, spent Sunday with Mrs. Carroll's parents, Mr. and Mrs. Lee Lieske near Cisco.

Mrs. Eula Perkins has returned to her home in Stamford after a visit here with Mrs. C. E. Barnes.

Mrs. W. L. Craddock has re-

turned from a visit with relatives in west Texas.

Mr. and Mrs. Wm. Isenhower and daughter, Miss Geneva Isenhower, spent Tuesday in Brownwood where they transacted business.

Mr. and Mrs. L. W. Hilgenberg of Abilene visited in the homes of Mr. and Mrs. J. B. Pratt and Mr. and Mrs. H. A. Bible last Sunday. Misses Pratt and Hilgenberg are sisters.

Mr. and Mrs. Albert LeClaire of San Angelo spent the week-end in the home of her parents, Mr. and Mrs. J. J. Collins.

B. A. Butler of Sweetwater visited his family in Cisco over the week-end.

Miss Nanella Bible has returned to Merkel after a week-end visit with her parents, Mr. and Mrs. H. A. Bible.

Mr. and Mrs. E. G. Marsh, Jr., visited her parents, Mr. and Mrs. J. J. Porter and family, Monday night. They were enroute to their home in Austin from a business trip to Lubbock. Mr. Marsh is supervisor of the game commission of West Texas.

Mrs. Willie Bogan Dunne, who is ill with flu, is spending a few days in Graham sanitarium.

Mr. and Mrs. C. E. Barnes have returned from a visit with Mrs. Barnes' sister, Mrs. O. L. Dixon in Throckmorton.

Dr. Paul M. Woods will return tonight from Dallas where he has been attending the Mid-Winter Dental Clinic.

Mr. and Mrs. Carl Pence are the parents of an 8 pound son, Jerry Don, who arrived in their home Friday night at nine o'clock. Mr. and Mrs. Pence reside at 209 west Second street, where Mrs. Pence and her infant son are reported doing well. Mr. Pence is Patrolman on the City Police force.

Otto Wende, successful Eastland county farmer, was in town yesterday and called at the Daily Press office.

"PREDICTING" HABIT GROWING IN THE U. S. A.

PHILADELPHIA, Jan. 23.—Sgt. A. Herzog of New York, counsel for the Eastern States Gasoline Dealers conference, predicts that gasoline rationing is "just around the corner," because of tankers-torpedoes and military requirements.

He told 400 delegates from 14 states Tuesday the fuel may be one of the first commodities rationed by Leon Henderson under his new powers.

The dealers, in a series of resolutions, proposed a mandatory closing of stations between 7 p. m. and 7 a. m. and a dealers' margin of 5 cents a gallon on sales instead of 4 cents.

Want ads get results.

A NOVEL OCCASION.—It isn't often that you see four heavy weight champions of the world together. But here they are with trophies awarded at boxing writers dinner in New York. (Left to right) Jack Dempsey, Gene Tunney, Joe Louis (present champ), and Jim Braddock.

Cub Scouts Enjoy Hike; Wiener Roast

Den number one of the Cub scouts went on a hike to the Crofts ranch Tuesday afternoon. They were led by their Cub chiefs, Bobby Crofts, Mickey Collins, Charles Beene, Wayne Rupe and a new member, Ray Jean Rylee.

After climbing Cedar mountain they enjoyed a wiener roast provided by their Den mother.

Those making the trip together were Bobby Davis, Bill Morrison, Bobby Crofts, Mickey Collins, Charles Beene, Wayne Rupe and a new member, Ray Jean Rylee.

SPIRITUALISTS TO OPEN MEET WITH DINNER

FT. WORTH, Jan. 23.—A two-day meeting of the Texas State Spiritualist Association will open with a dinner at Hotel Texas at 6:30 p. m. Saturday.

Rev. Lillian Benedict, Houston, state treasurer, will speak at the initial session, and Rev. Isabella Powell, Dallas; Rev. Sadie Halstead, El Paso, and Mrs. Aganita Thompson, San Antonio, will extend spirit greetings.

At 9:30 a. m. Sunday a board meeting will be held at association headquarters, 2104 Washington avenue. Rev. Alma Johnson, Dallas state lycium superintendent, will speak at 2:30 p. m., and

HELPING HIS UNCLE.—Here's one lad that's behind Uncle Sam to the hilt. He's nine-year old Emery James Dokman of Detroit who is on the job as voluntary air raid warden in makeshift shelter.

spirit greetings will be given by Rev. Jennie Cervin, Taylor; Rev. Mrs. Benedict and Rev. Mrs. Halstead. Speaker at the night session will be Rev. Mrs. Powell, a state trustee. Additional spirit greetings will be given, and Mrs. Evelyn Muse, Cameron, president, will speak briefly.

CATTLE MARKET

The Fort Worth market on beef steers and yearlings Wednesday was slow with early bids unevenly lower. The supply of these animals was somewhat larger with the bulk of the supply medium to good grades. Cows, bulls, slaughter calves and all kinds of stockers found a steady demand. Hogs were steady to strong at a top of \$11.60.

All classes of sheep and lambs sold fully steady. Good to choice fed steers and yearlings ranged from \$10.50 to \$11.50 with some choice yearlings held above \$12. Medium fleshed and short fed steers and yearlings cashed at \$8.25 to \$10.25. Common butcher calves brought \$7 to \$8.

Good beef cows ranged from \$8 to \$8.50; plain and medium butcher cows from \$7 to \$7.85; and canners and cutters mostly from \$4.50 to \$6.85. Bull prices ranged from \$7 to \$9.25.

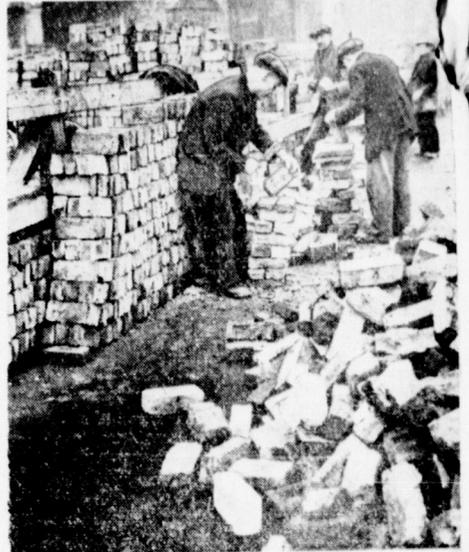

Good to choice fat calves sold at \$10 to \$12; common to medium butcher calves at \$7.75 to \$9.50; and culls at mostly \$7 to \$7.50.

Good to choice stocker steers sold at \$10 to \$12.50 with heifer calves usually \$11 down. Common to medium stocker calves brought \$7 to \$9.75. Stocker steers and yearlings ranged from \$7 to \$11 and stocker cows went back to grass at \$8.50 down.

Most butcher hogs sold steady to strong compared with Tuesday's prices. The top was \$11.60. Most of the good and choice 180 to 290-pound butchers cashed at \$11.50 while good and choice 160 to 175-pound averages ranged from \$10.80 to \$11.40. Packing sows were steady at \$10.25 down while stocker pigs were unchanged at \$8 to \$9.

All classes of sheep and lambs were fully steady. Fat lambs cashed at \$11 to \$11.50, sales including good Fall shorn and woolled lambs mixed at \$11.25. Fat yearlings bulked at \$9 to \$9.50. Two-year-old wethers cashed at \$8 to \$8.50 with aged wethers at \$6.50 to \$7. Good feeders were scarce with some common to medium feeder lambs at \$7 to \$7.75.

Horse racing used to be the sport of kings; now it is the sport of labor bosses, movie stars and rich widows.

SALVAGE.—Bricks from a bombed building in the City of London are sorted and cleaned so that they may be re-used in eventual reconstruction of areas which fell victim to Luftwaffe assaults.

WESTERN UNION NOW HANDLING WAR STAMPS

To aid the government in selling United States defense savings stamps, the Western Union Telegraph company has placed the stamps on sale at 5,000 public telegraph offices throughout the nation.

Cisco employees of Western Union have been instructed in the sale of the stamps and have indicated their enthusiastic cooperation, it was announced today by Miss Ann Heavner, local Western Union manager.

The stamps will be sold in de-

nominations of 10, 25 and 50 cents.

Secretary of the Treasury Morgenthau, expressed his appreciation of this action by the telegraph company in the following telegram to President A. N. Williams of Western Union.

"We at the treasury department are very pleased to learn that the Western Telegraph company is placing defense stamps on sale at its 5,000 offices and also that your company has instituted the payroll savings plan for Western Union employees. The opening of all your outlets for stamp sales will be a major contribution to the defense savings effort and will greatly assist in our program to stimulate popular bond and stamp purchases by Americans everywhere."

It is better to tax incomes at the source. It isn't so painful to part with money we've never seen.

There's nothing wrong with him that a new Water Heater wouldn't cure

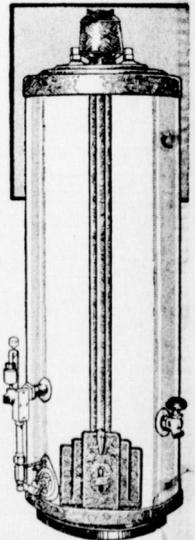

Skimpy Hot Water Not Necessary

Is your Water Heater too small? Trade for a new one that's big enough to handle your family and speed up the housekeeping. It will make your days easier, and leave more time for the war work you want to do. Come in and see these fine improved Water Heaters, built for long service and economy.

HARK! THE MUSIC THAT BUSINESS SINGS

RESULT: JUST HEAR THAT CASH REGISTER RING!

THERE GOES THE BELL! They're off! You bet they're off—to your store when you run an ad in the Cisco Daily Press. That beautiful bell-like music you hear is the cash register ringing up sale after sale. Merchants are all beginning to realize that "It pays to advertise" isn't just a meaningless phrase. There's truth behind that slogan, and we can prove it. Take any piece of merchandise—keep it in your store for a week without advertising it. The second week, announce it in the Cisco Daily Press. Can you notice the difference? Of course you can!

Just think for a moment. When a woman opens a newspaper, what is the first thing she's interested in? The ads! And don't think that men become engrossed only in the current happenings of the nation. No, they take just as much of an interest in the news of your store. So, start advertising in the Cisco Daily Press today, and listen to that bell ringing up all those sales.

Ask our representative to call and give

complete ad-details.

FEBRUARY FOOD STAMP PROGRAM BE UNCHANGED

Families taking part in the food stamp program in Eastland county in February will have the same selection of foods as they did in January, Charles L. Howell, area supervisor, surplus marketing administration, USDA, announces.

The complete list of blue stamp foods for the period of February 1 to February 28, in all stamp program areas is as follows:

Butter, all cuts of pork (except that cooked or packed in metal or glass containers), fresh grapefruit, pears, apples, oranges and fresh vegetables (including potatoes), corn meal, shell eggs, dried prunes, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, self-rising flour, enriched self-rising flour, and whole wheat (Graham) flour.

TWIN NIGHT PROGRAM AT EAST BAPTIST

Tomorrow night will be twin night with the Brotherhood of East Cisco Baptist church. Each member has been asked to bring another man.

This is one of the liveliest organizations of the church, says Rev. Russell Dennis, pastor, and here we find men who are really interested in the vital things of life.

FT. WORTH, Jan. 29.—Charles F. Roeser of Ft. Worth, general chairman for district three of the national petroleum co-ordination set-up, today was named chairman of the Texas Mid-Continent Oil and Gas Association drive for collection of scrap metal and rubber in the oil industry.

Roeser, in accepting the chairmanship, extended the drive to cover not only Texas, but also all other states of district three, including Louisiana, New Mexico, Arkansas, Mississippi and Alabama.

"The collection of the scrap of the oil industry is too important to confine merely to Texas," Roeser said.

CHAS. F. ROESER.

"I am therefore enlarging our drive to cover all six states of district three, and am asking the Texas Mid-Continent to coordinate the campaign over this entire area through its affiliated organizations."

The collection of oil field scrap metal and rubber now on the plants in the yards and at the leases of the oil industry," Roeser said. "It is a patriotic duty which the oilmen gladly assume as part of our industry's program of wartime co-operation."

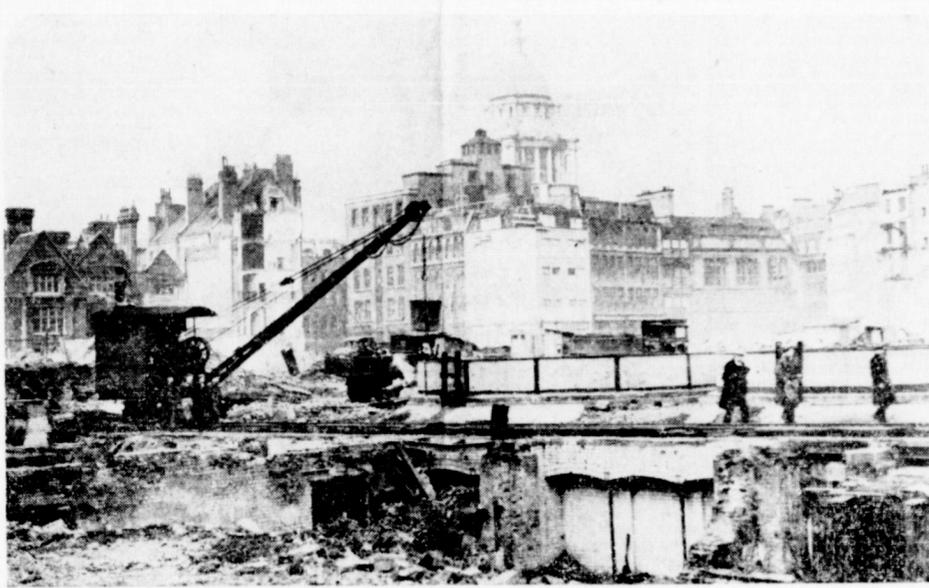

"Federal conservation authorities have asked us to get together for re-processing all the scrap metal and rubber now on the leases of the oil industry," Roeser said. "It is a patriotic duty which the oilmen gladly assume as part of our industry's program of wartime co-operation."

"Also, it can prove to be of benefit to our industry in its efforts to drill new wells and make other expansions which the increased demands upon our industry make necessary. Some of this scrap doubtless will be re-used in making oil field goods which are vitally needed to supply the additional oil and find the new reserves called for by the nation's victory program."

Chairman and committees to supervise collection of the scrap will be appointed at once in each large producing area of the six states, Roeser said. At the request of federal authorities, the scrap will be sorted and bought by regular scrap dealers for shipment to furnaces needing it. Co-operating in the campaign will be local and field representatives of oil field equipment manufacturers who will serve as members of the committees.

FARM, RANCH TRUCKS CAN HAVE TIRES

AUSTIN, Jan. 29.—Farm and ranch trucks and trailers hereafter will be eligible to get tires and tubes under rationing quotas, Gov. Coke Stevenson said today.

CLEANUP CONTINUES.—With the absence of any heavy air raids in recent months, London is getting some work done in the way of clearing up debris resulting from Luftwaffe's earlier "blow-out" raids. Here is the view near St. Paul's Cathedral.

LIVINGSTON RECOVERING AT ABILENE

J. J. Livingston, substantial citizen of the Dan Horn community, is recovering from a surgical operation performed at Hendrix Memorial hospital, Abilene, Tuesday.

Mrs. Don Rupe, a daughter, Willie Livingston, a son, and the mother, Mrs. J. J. Livingston, were with Mr. Livingston during the operation. The son and daughter have returned home, but Mrs. Livingston remained with her husband.

JOHN S. HART IS CANDIDATE FOR SHERIFF

The Daily Press today carries the official announcement of John S. Hart, candidate for sheriff of Eastland county.

Mr. Hart, a resident of this county since childhood and a son of the late Mr. and Mrs. I. N. Hart, pioneer citizens, served as sheriff of the county in 1926-27 and made a good record. In addition to serving as sheriff, Mr. Hart also taught for several years in the schools of Eastland county, hence is well known to the people in both rural and city districts.

Mr. and Mrs. Hart have four children. Toby Hart, a son, is an air corps mechanic in the army and is now stationed at Kelly Field.

His Statement.

Mr. Hart makes the following brief statement: "In making my announcement for the office of sheriff I feel like the people of the county are fully acquainted with my life, both as a private and as a public citizen. Having been reared here, and having also reared my family here, a detailed introduction would seem unnecessary.

"I feel that I can and will handle the office in a business-like manner, ever keeping in mind the interests of the law-abiding people of Eastland county.

"I earnestly solicit your votes and in fluence at the July primary."

Mrs. W. H. Hurd, 810 W. Twelfth street, has as guests her daughter, Mrs. Charlie Coffee of Lubbock and her daughter-in-law, Mrs. R. P. Hurd of Abilene.

RIP GALLOWAY ASKS RETURN AS CO. CLERK

The Daily Press today carries the official announcement of R. V. (Rip) Galloway, candidate for re-election to the office of county clerk.

Mr. Galloway, subject to the will of the Democratic voters at the primary of Saturday, July 25, Mr. Galloway is too well known to the people of Cisco and Eastland county for an introduction or recommendation from this paper. Suffice it to say that his friends and supporters assert he has made a most excellent official and feel he should be retained as county clerk.

"When I first announced for county clerk, I made very few promises, but one that I did make was that I would devote my time to the office and endeavor to conduct myself and the affairs of the office on a high plane, exemplifying honesty, efficiency and courtesy. I have found great pleasure and satisfaction in this effort. I have earnestly tried to associate with me deputies who have a desire to conduct themselves on a high plane and who are principally interested in serving the people of this county with the greatest consideration that can be shown to the finest people to be found anywhere.

"The good people of this county have been extremely considerate and cooperative, for which the deputies and I shall ever be grateful. We all appreciate being employed and performing the duties of the office, and realize that our records and duties are of great importance to you as individuals and citizens.

"It has been a privilege of mine and of the staff of deputies to have cooperated and effected every saving possible for the taxpayers of the county.

"The many duties of the county clerk's office require one who is or who can become well versed in the legal manner in which each matter must be handled, and this one must know or find out before."

(Turn to Page THREE)

MR. AND MRS. GEO. WINSTON ARE ILL, HERE

George Winston, Cisco resident since 1905, fell at his home, 902 W. Twelfth street, Tuesday, and sustained a severe scalp wound. Mr. Winston suffered more from the shock, probably, than from the injury. His physician says he is much better today.

Mrs. Winston, who has not been well for some time, experienced a physical let-down when Mr. Winston was hurt and she, too, is now under a physician's care. Claud Winston has arrived from his home in Whitney and is attending his parents.

Mr. and Mrs. Winston have four sons—Claud Winston, Whitney; Lloyd Winston, Midland; Ernest Winston, U. S. army; George Robert Winston, New Orleans. Betty Mae Winston, daughter of Ernest Winston, makes her home with her grandparents, here.

SUCKLING CALF BRINGS \$70 AT AUCTION SALES

With a list of entries composed of 203 cattle, 55 hogs, 28 horses and mules, the receipts at this week's local auction sales reached an approximate total of \$5,843.

The top bid was that of Charles Davis of Graham, who paid \$1,820.50 for 34 cattle.

The feature of the auction was the price brought by a fat suckling calf—a white-faced Hereford and about seven months old. A local butcher, J. W. McKinney, bid the animal in at \$70.

SALES UP 33 PCT.

WASHINGTON, Jan. 29.—A survey of wholesalers by the Commerce Department shows that their December sales were 33 per cent higher than in December, 1940. Increases included industrial supplies, 66 per cent; metals, 62 per cent; electrical goods, 60 per cent; machinery, 59 per cent. Food lines showed much smaller increases.

WANT 40-MILE SPEED.

LOS ANGELES, Jan. 29.—A top speed of 40 miles an hour for automobiles throughout the country is urged by the Automobile Club of Southern California in a letter to President Roosevelt.

A. J. M'CARY ROTARY GUEST AT NOON TODAY

The Cisco Rotary club met in the roof garden of the Laguna hotel for its regular weekly luncheon at noon today. Only two members of the organization were not present for the meeting.

Secretary Garland Nance presented Rotarian Lester Grant of Midland as a visitor. Grant is classified for Rotary membership under the heading of ranch management.

Rev. A. J. McCary, retired Methodist minister and a brother of Mrs. F. E. Clark, was introduced as guest speaker on the program by Rotarian Ernest Hittson, program chairman.

Mr. McCary emphasized the importance of "faith" and "sacrifice" in the present order of the world in which we live. To these two virtues he attributed the worthwhile contributions of the past.

All parts of the world are now so closely related in terms of communications and transportation that we must learn to live and get along together, McCary stated. This can be done through the applied principles of Rotary International and through an understanding of Christian brotherhood.

References were made to those men who in the face of apparent failure and financial ruin had faith in themselves and a belief in God sufficient to fight on to success. These were men of Christian nations who made these contributions to the entire world—"our human family"—McCary pointed out, and the same ideas which prompted them to the services which they rendered mankind should enable us to bring about a more suitable world in which to live in the years to come.

A report on the outcome of the Lions and Rotary-sponsored Lobo banquet was heard and the decision to hold future meetings in the basement of the First Christian church was announced. The change in location of meeting place will be effective for luncheon on Thursday, February 5.

GERMAN SUB SUNK.

LONDON, Jan. 29.—The admiralty Thursday identified the sea-going German submarine U-95 as the undersea boat which was sunk last Nov. 26 in a torpedo duel with a Netherlands submarine on the moonlit surface of the Mediterranean.

PAY POLL TAX AT CITY HALL IF YOU VOTE IN BALANCE

A. A. Edmondson of the Eastland county tax collector's office is located at the city hall each day for the remainder of the week for the purpose of making it easier to pay county and state taxes, as well as poll taxes—if you want to vote this year.

The latter can be paid without paying other taxes.

It is the custom each year to station a deputy collector at the city hall as a special service to the Cisco area, saving citizens the drive to Eastland.

POISONED HER HUSBAND; GOT FIVE YEARS

CROSBYTON, Jan. 29.—Mrs. Nancy Lucille Edge, 49, was found guilty of poisoning her physician husband, Dr. C. L. Edge, and was sentenced to five years in prison in district court Wednesday night.

Dr. Edge died at his home here last June 29. The state presented testimony to the effect that death was due to poisoning. One witness testified that he sat by Mrs. Edge in an automobile as she mixed a drug with poison. The prosecution charged that Dr. Edge took this mixture as medicine.

The case attracted much attention in this territory and the courtroom was crowded at all sessions of the trial.

The jury deliberated for one hour and 22 minutes. The woman apparently was unmoved as the verdict was read.

CATTLE MARKET

Steers and yearlings continued to sell slowly on the Fort Worth stock yards Thursday. Prices on these animals were about steady with the week's declines of 15c to 25c. Fat cows ruled steady but canners and cutters were weak with some sales 10c to 15c under Wednesday's prices. No price changes were noted on bulls, slaughter calves, and all classes of stockers.

Hogs sold mostly 10 to 15 cents above Wednesday's average levels with the top \$11.75.

Fat lambs were steady and aged wethers strong in the sheep yards. Good to choice fed steers and yearlings ranged from \$10.50 to \$12.10 with a load of steers averaging near 950 pounds at the top figure. Medium fleshed and shorted steers and yearlings cleared at \$9 to \$10 and common slaughter yearlings drew \$7 to \$8.50.

Good beef cows brought \$8 to \$8.50; butcher cows \$7 to \$7.75; and canners and cutters \$4.50 to \$6.75.

Good to choice fat calves sold at \$10 to \$11.50 with a few higher. Common to medium slaughter calves brought \$7.75 to \$9.50. Cull sorts cashed at \$6.50 to \$7.50.

Stocker steer calves sold at \$12.50 down and stocker heifer calves at \$11 down. Common to medium stocker calves went out at \$7 to \$9.50. Stocker steer yearlings sold mostly at \$7 to \$11 with a few feeder yearlings up to \$12.

Stocker cows were taken back to the grass at \$8.50 down.

Good 180 to 280-pound butcher hogs cashed at \$11.60 to \$11.75 with good 160 to 175-pound hinds at \$11 to \$11.50. Good 145-pound averages cashed at prices downward to \$10. Packing sows were steady to 25c higher, mostly at \$10.25 down, a few at \$10.50. Stocker pigs were steady at \$8 to \$9.

Yearlings and feeders were scarce in the sheep yards. Fat lambs of good quality sold mostly at \$11 to \$11.50 and shorn aged wethers brought \$6.

United Nations battled the Japanese offensive closing in on Singapore and the Dutch East Indies today, but in London Prime Minister Churchill emphasized his growing confidence in final victory.

American defenders in the Bataan Peninsula clung to their Philippine positions and used artillery to break up "headlong enemy infantry assaults" on both flanks, inflicting unusually heavy losses on the Japs.

American and Dutch aerial attacks on the big Japanese invasion fleet in the East Indies continued, but the enemy had made a new landing at the Dutch Borneo port of Pemangkat and, pushing southward from Sarawak in a combined sea and land drive down the west coast, created a distinct threat to Java, Sumatra and Singapore — only 320 miles across the island-dotted South China sea.

In Malaya, the Japs pushed forward to within about 30 miles of the big British naval base, which calmly prepared for a last-ditch defense as Jap planes again raided the Singapore area.

AM. WARSHIPS GET SEVERAL ENEMY SUBS

WASHINGTON, Jan. 29.—Members of the naval sub-committee today said they had been advised by Secretary of the Navy Knox that American warships "are getting a number of enemy submarines" in United States coastal waters.

Members did not divulge the details of Mr. Knox's information, which followed the spread of German submarine menace in the Gulf of Mexico, where the American navy is extending its intensive hunt for undersea craft.

Reported presence of enemy subs in gulf waters showed their intent to attempt sinking of tankers plying from the oil ports of South Texas. There were no further signs of them in the gulf today.

WALKING AND FLYING.

Dr. Ashton Graybiel, writing in Aviation Medicine, says if your heart is strong enough to let you walk, it's strong enough to let you fly. Heart failure may be precipitated by lack of oxygen due to high altitudes, he says, but this seldom happens except in the most severe cases. In his research he found that four cases of severe coronary artery disease had been subjected to 45 minutes of air conditions like those at 14,500 feet and suffered no pain or ill effects.

Only three in a total of 7,000, 600 airline passengers have died of heart failure while in the air. That is so small a proportion that it is possible the air had nothing to do with it—death from heart failure might have come to those three on land at the same time. Dr. Graybiel's advice is, however, that persons with certain definite heart ailments should not fly. They should not rapidly enter high altitudes under any conditions.

FACE-SAVING.

Some deep thinkers regard the present Japanese war as primarily an adventure in "face-saving," and maybe they are right. This view seems to be assured in a recent statement from Premier Tojo. Japanese statesmen and military men may have known all along that they could not win against the human and material resources of the United States, not to mention those of the British Empire.

They are supposed, then, to have launched their suicidal effort because they had been defeated by China, whom they rate as an inferior power. The resulting "loss of face" or self-respect is so great a shame to an oriental, and especially to a Japanese, that it is out to be endured. Japanese soldiers are expected to die in war, by their own hands if necessary, if they do not win. National suicide would follow the same pattern. So the present rash adventure is explained.

There is doubtless something in this view. But it hardly gives the whole picture. The shrewd and elaborate preparations made by the Japanese leaders, certainly suggest that they thought, even in the midst of their fanatical face-saving, that they had a chance to get away with it. Very likely the two motives, face-saving and conquest, could work together in the Japanese mind—when urged on by the Nazis.

FOOLISH QUESTION.

"What difference does it make whether Argentina is in the American league or not?" a representative of that country asked the other day at Rio. It shouldn't be necessary to answer such a foolish question, but the reply will run about like this:

First, it is easier to defend a united hemisphere than a hemisphere with part of it outside of the league; and if Argentina leaves her door open, foreign dictators will get in through that door.

Second, if Argentina is any other American country is not in the league, the rest of us will still have to do what we can to protect the non-member country in order to protect ourselves.

That fact puts Argentina in the apparent position of trying to get the benefits of hemispheric unity and defense while dodging the responsibility.

A NEW LESSON, AN OLD TRUTH.

One lesson may be learned from this war. If it is well learned, victory will be permanent, and the fruits of peace will bloom eternally. It is this Real Progress—only come from the labor of free men.

How often we have heard that simple statement, anathema to dictators! It is anathema to them because they understand better

than we ourselves exactly what it means. They know that their kind have slim pickings in a land of free men because free men will work to meet the demands of other free men. In a free country, government is merely an overlooker, demanding little except the power and wherewithal to enforce fair play.

Our whole system of free enterprise is founded on the demands of free men in a free country. When you as a private citizen demanded radios, you got them. When you demanded "horseless carriages" and the gasoline to run them, you got them. When you demanded electric lights, you got them. The same was true of a thousand other luxuries and necessities which have been as common as dirt. You expressed your demands by buying a new product the instant it was put on the market by some enterprising individual. You continued to express your demands by looking tirelessly for the best at the cheapest price. Millions of businesses and industries have successfully striven to bring the miracles of science and invention to you, the citizen. They are the same private enterprises that you have often booted and kicked around these many years. You will do better here where you Mr. Citizen, may learn the most precious lesson of this war: Private enterprise is serving you no longer. It is serving our government so that our country may survive in a world where most governments have directed the labor of the masses for many years toward nothing more productive than military power—the same years that American enterprise devoted to giving you a richer, fuller life.

In this world struggle we are of necessity building a gigantic military machine. Our free enterprise system is busy catching up with the slaves of the dictatorship. Until the war is terminated successfully, you will do without the amperage that you have received from free enterprise. It will probably do you good. While you are deprived of many of the pleasures of industry, you will learn the value of free enterprise. The lesson sinks in deeply enough, you may learn that if you ever want free enterprise back, you will have to make it possible for it to come back.

The requisites of its return are few, but they will require the same toughness that is required to win the war. First, the evil of uncontrolled bureaucracy will have to be crushed. Second, the burden of taxation will have to be equitably distributed and a long-range program adopted to save this country from bankruptcy. Third, and most important, is the realization that we cannot maintain representative government without free enterprise—that unless free men can direct their energies to the betterment of life for other free men, as in the past, they will automatically be directed to the building of big government.

A permanent big government with millions of employees would spell the end of free men, free enterprise, free opportunity, representative government—the end of things that millions of American people are preparing to fight and die for in every corner of the world.

In one of America's large laboratories fruit trees are being exposed to powerful x-rays in an effort to improve the quality of the fruit.

TO OUR VALENTINE.

This valentine, so lush and lacy, Conveys our sentiments embrocay To you, dear reader. We adore you, That's why we print these pages for you.

You're on our mind from morn till night, We long to be your guiding light, Your welfare is our sole concern, For your requited love we yearn.

Consider how are lives are spent—The program's surely eloquent—We fret about your hats and dresses, We plot new coiffures for your tresses.

And how constructively we brood About your children and their food! If such devotion doesn't make you Return our love, we should for—SAY YOU.

—MARGARET FISHBACK.

REICH

Those visiting Mrs. G. W. Horn Sunday included Mr. and Mrs. Ray Horn and daughters, Mr. and Mrs. W. E. Morris and children and Mr. and Mrs. C. A. Morris, all of Cisco. Mrs. Horn has been ill, but is better now.

Mrs. R. N. Hazlewood visited Mrs. G. W. Horn Thursday morning.

F. L. Rains has resumed his work after a brief illness.

Juanita Rains visited her uncle and aunt, Mr. and Mrs. Elbert Rains, Cisco, last week.

Mrs. L. E. Fleming and daughter and Geradine Rains, Cisco, visited Mrs. Fleming's daughter, Mrs. John White, Gorman, who is in the hospital.

George Callerman, small son of Mr. and Mrs. E. L. Callerman, has been quite ill but is improved.

Mrs. M. E. Rains was a dinner guest of her son and family, Mr. and Mrs. Elbert Rains, Cisco, last Sunday.

Ottel Rains has been working for Wesley Wagley for several days.

Mrs. Will Harrell visited in the home of Mrs. R. N. Hazlewood and Mrs. G. W. Horn, Monday night.

Waddell and Herschel Rains visited their cousin, Udell Morris, Cisco, one evening last week.

Leslie Fleming and Juanita Rains visited Mr. Fleming's sister, Mrs. John White, in a Gorman hospital, Tuesday.

RIGHT TO OPINION; RIGHT IN QUITTING, TOO

REEDLEY, Cal., Jan. 29.—Miss Florence Auernheimer resigned as a public school teacher here Wednesday and said she did so at the request of the school board "because of my conscientious objection to handing or promoting the sale of defense stamps to the little kindergarten children."

The kindergarten teacher, in a letter of resignation to J. H. Catlin, city superintendent of schools, said her convictions were based on the principles laid down by Jesus Christ and added: "While I would try in no way to form opinions for my pupils, I do not believe that it is right or necessary to fill those little im-

mature minds with world problems that will change probably several times before they are of an age to understand or form opinions."

She concluded with the declaration that she would continue to "love and respect" the government of the United States and to serve it "in any way I can conscientiously do."

Catlin said Miss Auernheimer, when the objection to her attitude on the defense stamps was first raised by school officials, told him and her Washington school principal that she believed England and the United States forced Germany and Japan into war.

She also contended, Catlin said, that defense stamps were not an investment because they were part of the war program, which would increase taxes.

Conservation burlap sacks as a safeguard against a probable shortage of defense stamps to the kindergarten children."

CISCO JUNIOR COLLEGE TEAM DOWNS RANGER

Cisco Junior college basketball team won over Ranger Junior college last night at the Cisco high school gym by a score of 37 to 17. This was their third game but the first conference game for the season. The Cisco team is coached by K. C. McCasland.

Cisco's starting line-up was as follows: Crawford, center; Huntington, forward; Roberson, forward; Cash, guard; Newberry, guard. Substitutes for the Cisco team were Howser, guard; Heyser, center; Ledbetter, forward; and Carraway, forward.

Paul Huntington was high point man for the game with ten points. Howser was second with nine

Was Weak, Nervous And Run-Down Until I Learned of Hoyt's

Stomach Distress Bothered Me For years. Then I Took Hoyt's Compound And Have Been Relieved. Says Mrs. Bryant.

Mrs. Dorah Bryant of 2811 N. W. 26th Street, Fort Worth, Tex., says: "I have suffered terribly with my stomach; I couldn't eat

MRS. DORAH BRYANT

anything without suffering. I had a scratching feeling in my stomach. My kidneys were in bad condition. I was weak, nervous and run-down and never had a good night's rest. I was despondent.

"Since I have taken Hoyt's Compound, the sensation in my stomach is gone and I can eat anything I want. I am gaining strength and weight and enjoy a good night's rest without nervous spells and bad dreams. My kidneys are in good shape and my general condition is improved. I have never heard of such a wonderful medicine and truthfully say it reached my trouble at once!"

Hoyt's Compound is recommended and sold by the Red Front Drug Store and by leading druggists in this area.

"A rich man's dog deserves no credit for being faithful, but the poor man's dog deserves a lot of credit, considering the kind of scraps he gets."

"At the same time buying of burlap has been reduced, our uses

have increased," Bradshaw said. New uses include the packing of foods for the army and navy, certain chemicals, and other articles, as well as items shipped abroad under the lend-lease act.

Approximately 80 per cent of total burlap imports go into manufacture of bags and about three-fourths of all burlap bags are used to package commodities which farmers buy and sell. About 459 million yards of burlap were used in sales or purchases by farmers during 1939-40, the chairman said.

To off-set probable shortage of burlap, efforts are being made to expand production of coarse cotton fabrics as substitutes. Heavy demands for tents, uniforms and sandbags already have been placed on cotton fabric manufacturers and appreciable increases for other uses cannot be expected too quickly, the chairman said.

"Handling bags more carefully so they can be used again, returning bags to dealers for repairs, and repairing slightly damaged bags are practical ways farmers can offset the shortage," Bradshaw added.

BRIEFLY TOLD

Lee Elkins, Mr. and Mrs. John Sherman and Mrs. Jess Sessions of Plainview accompanied the body of Mrs. Lee Elkins to Comanche Wednesday, where interment was made. Mrs. Elkins died in Plainview the first of the week, after a lingering illness. Mr. and Mrs. Lee Elkins were Cisco residents until about two years ago when they moved to Plainview.

Carl Tom Moore returned to Grand Prairie the first of the week after visiting in the home of his mother, Mrs. W. W. Moore, for a few days.

Mrs. Lammie Mancill was a business visitor in Eastland and the Morton Valley community Tuesday.

Miss Florence Fielder left Wednesday for Rising Star for a few days' visit before going to her home in Rock Springs. Miss Fielder had been a guest of her sister

and husband, Mr. and Mrs. W. H. LaRoque, the past two months.

Mr. and Mrs. G. H. Steadman have returned to their home in Wickett after a visit with their sister and brother-in-law, Mr. and Mrs. H. J. McArdie.

S. B. Parks was an Eastland visitor today where he was transacting business.

Miss Doris Jamison is representing the Young People of the First Presbyterian church at the Young People's council meeting in Fort Worth today.

Pierce Shackelford, Putnam farm machinery dealer, was a Cisco visitor Wednesday.

Mrs. E. P. Crawford, Mrs. P. R. Warwick, Mrs. W. W. Wallace and Miss Virginia Carter are spending today in Fort Worth where Mrs. Crawford, Mrs. Warwick and

Superintendent Cluck, since there is a demand for typing and shorthand in defense work for civil service examinations now being constantly given.

NOTICE OF DISSOLUTION OF PARTNERSHIP.

Notice is hereby given that the partnership lately subsisting between Charles S. Sandler of Eastland County, Texas, and Pete Cooles of Ector County, Texas, under the firm name of Cisco Lumber & Supply Company, was dissolved by mutual consent on the 31st day of December, 1941.

All debts owing to said partnership and which were contracted in Ector and Gaines counties in the state of Texas, are to be received by the said Pete Cooles, who resides at Odessa, Texas, and all demands on said partnership which were contracted in said counties are to be presented to him for payment.

All debts owing to said partnership which were contracted in Eastland County, Texas, are to be received by the said Charles S.

Sandler, who resides at Cisco, Texas, and all demands on such partnership which were contracted in said county are to be presented to him for payment.

Charles S. Sandler will continue to do business at Cisco, Texas, under the firm name of Cisco Lumber & Supply company.

Dated this 31st day of December, 1941.

CHAS. S. SANDLER.

When mother calls it "that disreputable old thing," it means that dad's only comfortable chair must be sacrificed to pride.

Chickens - Turkeys

STAR SULPHUROUS C O M P O U N D given in drinking or feed, destroys in the germ period—intestinal germs and worms that cause most all diseases and loss in egg production. Also rids them of blood-sucking lice, mites, fleas and bluebugs. Then they will stay in good health and egg production at a very small cost. Money back if not satisfied.

DEAN DRUG CO.

Last year long-distance calls to Washington increased percent over 1940.

When a youth with a tobacco heart pants for breath, he says he has no wind; but what he has is willpower.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 1 pint a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backaches, rheumatism, pain, leg pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or steady passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Mrs. Wallace is attending an executive board meeting of the women's auxiliary of the Fort Worth presbytery.

Mark Stamp of Fort Worth spent Wednesday in Cisco greeting friends of former days, when he was a resident of this city.

Roy Taylor, day clerk at the Laguna hotel, is ill with mumps.

Dr. E. L. Graham is in San Antonio, attending a mid-winter medical meeting.

Miss Virginia Livingston of Breckenridge is a guest of her uncle and aunt, Mr. and Mrs. Don Rupp.

People can't work if they can't sleep, and one way to help with the war is to dispose of barking dogs.

If a man has no conscience, the easiest way to get rich is to offer a quick remedy for the ills of women.

A hick town is a place where the police force and the fire department doze at night in the same chair.

COMMERCIAL NIGHT SCHOOL MAKES START

At the first meeting of prospective students for the night commercial course at Cisco Junior college, Wednesday evening, 27 men and women enrolled for typing and shorthand. It was decided to hold school each evening from 7 to 9. Mrs. Minnie Hill is teacher.

H. R. Garrett, vice president of the college, will be in his office to conduct enrollment of others who might wish to join the class tonight.

Typing and shorthand go together as one subject and will be recognized as three hours of college work, and those completing the course will receive this credit. The cost will be \$4 per month for the subject.

If there is sufficient demand, bookkeeping and accounting courses will be given.

These courses will be arranged for evenings, so those who work may take them.

There can be no question of the importance of these courses, said
