FALL OF SINGAPORE IS NEAR

WITH NO AIR SUPPORT, BRAVE ALLIED SOLDIERS ARE BOMBED AND MACHINE-GUNNED BY JAPS

By HAROLD GUARD

SINGAPORE, Feb. 10. -- I paid my last visit to Singapore front this afternoon and watched the bravest men in the world crouching in ditches while huge flights of Japanese planes dive-bombed and machine-gunned them -- at their leisure.

Our men are falling back under intense Japanese attacks backed by heavy new landing forces along the northwest and western shores of the island. The rattle of heavy machine-gun fire is now audible in the western suburbs of Singapore city and the gravity of the position of the defenders of Singapore is obvious.

In London some observers believe Singapore will fall within 24 or 48 hours. Loss of the British empire's great eastern bastion is now regarded as a foregone conclusion.

This afternoon I paid my last visit to the front. I heard crashing sound of artillery fire growing nearer and nearer and formed my own conclusions.

This afternoon I have been out in the front lines. I have been watching our troops in action, including the Argyle regiment which has been fighting ever since the battle for Ipoh, half way up Malaya Peninsula.

I watched our men crouching in ditches, while overhead droned flight after flight of Japanese planes -- usually 27 planes to a flight.

Japanese planes dive-bombed our men and then dive-bombed again. They opened up with machine guns in low-flying strafing attacks -- carried out at leisure.

There was nothing our men could do to combat Japanese aviation. Our troops lack nothing -- but air support.

Their morale is high. They are all heroes -- every man Jack of them!

10 PER CENT THATS OFF TO HIKE IN R. R. ALL MEMBERS PASS. RATES THIS FAMILY!

A 10 per cent increase in the basic train fare rate for interstate passenger travel went into effect today to bring the second hike in railroad passenger charges within five months.

The 10 per cent fare increase was authorized by the Interstate Commerce Commission. The first increase, last October, was a 5 per cent federal tax and was not instituted by the railroads.

Intrastate fares of railroads and busses are not affected by the tax increase or the rate hike.

Mr. and Mrs. Buck Black went to Albany Saturday to spend the week-end with relatives.

HUNTINGTON, W. Va., Feb. 10 -- Two brothers, one 12, the other 13 made earnest application to join the army "as water boys."

Their reason: They wanted to aid five brothers already in the armed forces.

Recruiting Sergt. J. J. Francis told them gently but firmly they'd have to wait a while.

FBI CLEANING UP.

HUNTINGTON, W. Va., Feb. 10 -- Six German waiters and an Italian baker employed at White Sulphur Springs, internment point for Axis diplomats and newspaper men, were brought here Tuesday under arrest as "dangerous enemy aliens."

29 LOST TO JAP SUB

WASHINGTON, Feb. 10. -- Gen. Douglas MacArthur's Philippine defenders are locked in a "particularly savage" battle on the Bataan peninsula, while--far to the east and around the Hawaiian Islands--a Japanese submarine sank a small United States army transport, an army communique said today.

Twenty-nine persons were missing and believed lost in the torpedoing of the transport, the 224-ton Royal T. Frank, in the first enemy action around Hawaii in some weeks.

Thirty-three survivors reached a port in Hawaii.

CITY FATHERS WILL MEET AT 5:30 O'CLOCK

The regular session of the commission will be held at 5 o'clock this afternoon, said Mayor G. P. Mitchell today.

MASONIC UNIT BE INSPECTED HERE TONIGHT

Cisco Commandery, Knights Templar, will hold its annual inspection in floor tactics at Masonic hall tonight at 7:30 o'clock.

FARM LOAN CONSOLIDATE FOR COUNTY

The Eastland and Cisco National Farm Loan associations were consolidated in a meeting; the stockholders in Cisco to assign as the reason the elimination of expense. The association will now be known as Eastland County Farm Loan Association.

LEGION CONVENTION BE AT EASTLAND

The Eastland American Legion post will entertain the Seventeenth District American Legion convention March 7 and 8.

IN DEFENSE WORK

Garland Lassiter, son of Mrs. Ruby Lassiter, went to Dallas during January where he joined the defense program of the U. S. navy for the duration of the war. He was sent to San Diego where he is employed, and writes his mother that he is O. K. Garland Lassiter was until recently a student of Cisco high school where he was a star player on the Lobo football team.

N. T. U. CO. WORKERS ORGANIZE TO HELP WHIP AXIS WITH CASH AS WELL AS KILOWATTS

J. S. NEARER DEFEAT THAN MANY REALIZE

Nearly a thousand West Texas Utilities company employees in 166 communities are getting organized to help lick the Japs and the Nazis with dollars--as well as kilowatts.

Results of a survey were announced today by District Manager T. J. McCarty, in which it was learned that 79 per cent of all WTUers already are buying defense bonds and stamps.

Hoping to enlist the other 21 per cent in a "Hundred Per Cent Volunteer Club," it was announced that "employees who desire to purchase bonds or stamps on a regular monthly savings basis may make deposits with local WTU cashiers," and that bonds then will be issued when sufficient deposits have accumulated.

Organizations are being formed in the nine districts with the chances described as "good" that 100 per cent of all regular employees will, sooner or later, voluntarily join in a systematic purchasing program. A preliminary survey indicated that only six or seven were so far undecided as to their plans, mostly men expecting immediate call to the armed forces or holding part-time jobs.

Mr. McCarty said that participation will be strictly on a voluntary basis and that the program will supplement a payroll allotment deduction plan.

The company recently announced purchase of \$50,000 in U. S. defense bonds subscribed on a pro rata basis in the various communities it serves.

It also was announced that no payroll deductions would be made since it appeared unnecessary, inasmuch as such a large percentage of employees had made their plans to buy bonds and stamps and that the organization would be far above the average in "real support" of the defense program in all the communities served.

The announcement was accompanied by a rush to selling agencies to "catch up" on bond purchases. One employee, it was learned, drew savings of \$375 from the bank, investing the entire amount in the bonds.

"Including the loyal support of the men and women of our organization, and the \$50,000 subscription by the company, we are indeed proud of the part taken by our West Texas Utilities in the defense program and challenge any similar institution, even a fraction of its size, to surpass our record," Mr. McCarty said.

Over 40 employees of the company, he added, now are serving in the armed forces, with a dozen others expecting immediate call.

EVANGELIST E. J. HIERHOLZER OPENS MEETING

Evangelist E. J. Hierholzer, who had full charge of the big tent revival here in 1940, which 134 people were baptized, has opened another revival at Cisco. He terms it an all-church revival.

The meeting place is just one block south of the Daniels hotel, near Norvell's feed store.

Services start each night at 8 o'clock and there will be good music, good singing and old-time preaching, said Mr. Hierholzer.

"You are welcome, regardless of church affiliation," the evangelist stated.

Grammar school PTA will meet Wednesday afternoon at 3 o'clock at the school.

E. L. M. V. COOK, EASTLAND CO. AGENT FOR PAST SIX YEARS, IS SUCCEEDED BY LYNCH OF JONES

Appointments of new farm agents for Eastland and Jones counties were announced Monday by W. I. Glass, Texas extension service agent for District 7.

Floyd Lynch will be transferred from Jones to Eastland county. Elmo V. Cook, Eastland county agent for the past six years, will go to Taylor county.

Lynch has been stationed at Anson for the past four and a half years and is rated as a very capable county agent. He joined the extension service about seven years ago, his first assignment being as assistant agent in Nueces county.

Both changes are effective as of February 16.

Before coming to Eastland county, Cook served in Runnels county two and one-half years and prior to that time was in Bosque county for four years. He was graduated from Texas A. & M. college in 1927 and taught vocational agriculture in Coleman two years before going to the extension service.

Last year the Eastland county agent rest at night is good."

Hoyt's Compound is recommended and sold by the Red Frodo Drug Store and by leading druggists in this entire area.

His son, Lieut. R. L. Mobley, took the cross from the body of a German soldier following the battle of St. Mihiel. Lieutenant Mobley now lives in New Mexico and is in the government service.

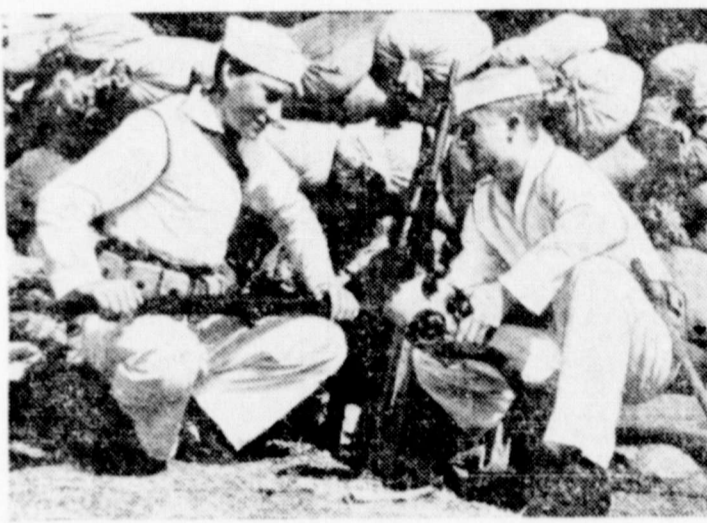

AIRPORTS TO TIGHTEN UP; MAYBE CLOSE

FORT WORTH, Feb. 10.—Some of Texas' 209 airports, largest number of any state in the nation, may be forced to close under new civil aeronautics administration regulations going into effect Sunday. L. C. Elliott, regional CAA manager, says.

The regulations specify that airports have regular airport managers, 24-hour guard service, registers for accurate checks on all flights, and enforce rules that all pilots present proper identification before clearing the field.

HOW TO COOK CHOW—Students taking home economics course at Centenary College, Hacketts-town, N. J., get a few pointers in the art of preparing army chow on visit to Governor's Island, in New York harbor. Sergeant and chef instruct trio of students in cooking some pea soup.

HIS UNCLE'S FOR UNCLE SAM—Hot on the heels of John Legg (left), who joined U. S. Navy at Hawaii after Jap attack, was his Uncle Dudley (right) who also enlisted. They're both in training.

"If you have a clear conscience and good health, if you have a few good friends and a happy home, if your heart has kept its youth and your soul its honesty, then cheer up—you are still one of life's fortunate millionaires."

JAPS INTERN MISSIONARIES AT HONGKONG

KWELIN, Kwangsi Province, China, Feb. 10.—Chinese Christian refugees from Japanese-occupied Hong Kong reported Tuesday that American missionaries trapped there when war broke out in the Pacific were interned in the former British crown colony.

All are reported safe but suffering from a food shortage. Among the Americans at Hong Kong are the following faculty members of the American-sup-

ported Lingnan University at Canton: Prof. and Mrs. C. N. Laerd; Prof. and Mrs. H. C. Brownell and their 14-year-old daughter; Prof. and Mrs. A. R. Knipper and their 12-year-old daughter; Prof. H. S. Frank, Prof. Warden and Messrs. Kelly, Brown and Castle. There was no news of the whereabouts of another faculty member named Guthrie who joined the army.

The refugees said Miss Marion Dumbley of the Hong Kong YWCA also was interned.

Sixty American Catholics, including eight who arrived at Hong Kong from the United States just before the outbreak of war, also were reported safe.

Among American faculty members of Lingnan University interned on the campus at Canton were said to be Prof. J. M. Henry, Prof. W. E. Hoffman, Prof. and Mrs. W. E. MacDonald and their daughter, and an American nurse, Dr. and Mrs. W. W. Cadbury also were said to be safe.

At the Baptist mission at Hwangtsien in Shantung Province were said to be Dr. and Mrs. E. B. Glass, Rev. C. L. Culpepper, Miss Florence Lide and Miss Martha Franks. Missionaries of the American Church Mission held in their homes at Wuhai, but allowed considerable freedom, were said

I found 20 ways to get longer life from our car...

"The family car is my responsibility—and I'm taking it seriously, nowadays. Because I didn't know much about what goes on below the hood, or underneath the car, I asked our neighborhood Humble service man about his new plan "20 Ways to Get Longer Life from Your Car." It's all in a booklet, written so anyone can understand it—and my husband is enthusiastic."

"The Humble service man showed me just what we ought to do, to get longer life from our tires, and keep our car young. I went over his suggestions with my husband, and he said, 'That shows a genuine desire to help... you can depend on that fellow.'"

"The Humble service man keeps a complete record of our car. He calls up to remind me when oil needs changing—when the battery should be checked—so I never have to worry about everything being done."

What about your car? How long can you expect it to keep giving you trouble-free service? Experts say the average car is capable of 10 years performance, if you give thorough, regular attention to a few important things. At your neighborhood Humble station is an experienced service man, anxious to give you capable help and sincere advice about your car. Let him tell you about how he can keep your car running right and looking good. Let him show you the new booklet "20 Ways to Get Longer Life from Your Car." It will pay you in more miles of better service.

Drive by your Humble station today—ask for the facts on "20 Ways to Get Longer Life from Your Car."

LEGION CONVENTION BE AT EASTLAND

The Eastland American Legion post will entertain the Seventeenth District American Legion convention March 7 and 8.

The convention, originally scheduled to meet in Sweetwater, was transferred to Eastland in order to put it in a more central location and eliminate as much expense to veterans as possible.

IN DEFENSE WORK

Garland Lassiter, son of Mrs. Ruby Lassiter, went to Dallas during January where he joined the defense program of the U. S. navy for the duration of the war. He was sent to San Diego where he is employed, and writes his mother that he is o. k. Garland Lassiter was until recently a student of Cisco high school where he was a star player on the Lobo football team.

THE VOICE OF LINCOLN DOWN THE AGES--"I always feel inclined, when I happen to say anything to soldiers, to impress upon them the importance of success in this contest. It is not merely for today, but for all time to come, that we should perpetuate for our children's children that great and free government which we have enjoyed all our lives. . . . Still, let us not be over sanguine of a speedy, final triumph. Let us diligently apply the means, never doubting that a just God, in His own good time, will give us the rightful result."

STRYCHNINE DISPENSER IS ON THE SPOT

There is considerable indignation in the northwestern portion of Cisco because of the indiscriminate poisoning of dogs.

Probably seven dogs within the radius of a few blocks have died recently from the effects of strychnine poison.

The use of strychnine is indicated because of the quick death of the victims.

L. F. Mendenhall, 200 I avenue, telephoned the Daily Press and expressed deep feeling at the poisoning of his fox terrier. This pet and watch dog was seven years old and the owner said money could not have bought the animal. A number of children in the Mendenhall area have also been deprived of pets by the brutal poisoning.

One party telephoned this paper and, after reporting the loss of his little boy's dog, made the statement that the poisoner was known, but that to be positive beyond doubt, local sales of strychnine were being checked before taking action. He added: "This had better stop."

SPOON THINKS OF RETURNING HERE TO LIVE

M. H. Spoon, Cisco resident for more than 30 years, but who has been living at Elvasville with his daughter, Mrs. Ira Strawn, for the past year, is here for a few days.

Mr. Spoon and Mr. and Mrs. Strawn have decided to move to Cisco if they can find a suitable residence. They want a place near the city that carries with it a small plot of ground, suitable for poultry raising.

ELMO V. COOK, EASTLAND CO. AGENT FOR PAST SIX YEARS, IS SUCCEEDED BY LYNCH OF JONES

Appointments of new farm agents for Eastland and Jones counties were announced Monday by W. I. Glass, Texas extension service agent for District 7.

Floyd Lynch will be transferred from Jones to Eastland county; Elmo V. Cook, Eastland county agent for the past six years, will go to Taylor county.

Lynch has been stationed at Anson for the past four and a half years and is rated as a very capable county agent. He joined the extension service about seven years ago, his first assignment being as assistant agent in Nueces county.

Both changes are effective as of February 16.

Before coming to Eastland county, Cook served in Rannels county two and one-half years and prior to that time was in Bosque county for four years. He was graduated from Texas A. & M. college in 1927 and taught vocational agriculture in Coleman two years before going to the extension service.

Last year the Eastland county agent won the distinguished service award for his outstanding work in the extension service. He was one of the leaders in development of the Southwestern Peanut Growers association, a farmers cooperative, with headquarters in Gorman. That association is one of the largest of its kind in the United States.

duties. They will thus learn their own powers, rights and responsibilities.
This is a much needed bit of education. Most Americans—even those who know something about the Constitution, and those who know something about government in a rather vague way—are really ignorant about their own local affairs.

ISLANDS WE NEED

When the scattered little islands of the Pacific were ripe for packing around the beginning of this century, Uncle Sam wanted to needling any islands. Or he thought he wasn't. He had picked up Puerto Rico and a couple of minor footholds in the Caribbean, from the war with Spain, and taken over free Hawaii about the same time, when it needed a step-father. Also some other toe-holds in the Pacific a little later, including Midway and Wake and Guam, as stepping-stones to the Philippines. But generally speaking, Uncle Sam wasn't shopping for islands. Not being insular like Britain, he had never acquired a taste for that kind of geographical furniture. In other words, we lacked vision.

There's a college in Iowa that accepts only boys from the lower fourth of their class, and we wouldn't be surprised if the head of that school has "got something."

SALUTE TO DANIELS

Joseph Daniels, a modest newspaper man who, more than anyone else, is credited with young Mexico's friendship for the United States, deserves a national salute as he gets back on his regular job after long deviation in public life. That job is running a newspaper, the News and Observer of Raleigh, N. C. In spite of his diplomatic success, it is the job he likes best.

Joe Holleman to Farmers & Merchants Bank of DeLeon; transfer of vendors lien, \$1.
John J. Fox et ux to Sim Dabbs, land in Eastland county; warranty deed, \$75.

ATTACK!

"Victory is with the offensive," as William L. Shirer, author of "Berlin Diary," warns the American people. Merely starting that ends in defeat. Even when at a disadvantage of position and arms, it is necessary to fight aggressively. Our chief enemies, he says, are not Germany and Japan but boredom and complacency. We must snap out of it.

JAPS INTERN MISSIONARIES AT HONGKONG

KWEILIN, Kwangsi Province, China, Feb. 10.—Chinese Christian refugees from Japanese-occupied Hong Kong reported Tuesday that American missionaries trapped there when war broke out in the Pacific were interned in the former British crown colony.

All are reported safe but suffering from a food shortage.

Among the Americans at Hong Kong are the following faculty members of the American-sup-

ported Lingnan University at Canton: Prof. and Mrs. C. N. Laerd, Prof. and Mrs. H. C. Brownell and their 14-year-old daughter; Prof. and Mrs. A. R. Knipper and their 12-year-old daughter; Prof. H. S. Frank, Prof. Warden, and Messrs. Kelly, Brown and Castle. There was no news of the whereabouts of another faculty member named Guthrie who joined the army.

The refugees said Miss Marion Dumbley of the Hong Kong YWCA also was interned.

Sixty American Catholics, including eight who arrived at Hong Kong from the United States just before the outbreak of war, also were reported safe.

Among American faculty members of Lingnan University interned on the campus at Canton were said to be Prof. J. M. Henry, Prof. W. E. Hoffman, Prof. and Mrs. W. E. McDonald and their daughter, and an American nurse, Dr. and Mrs. W. W. Cadbury also were said to be safe.

At the Baptist mission at Hwangtsien in Shantung Province were said to be Dr. and Mrs. E. B. Glass, Rev. C. L. Culpepper, Miss Florence Lide and Miss Martha Franks. Missionaries of the American Church Mission held in their homes at Wuhan, but allowed considerable freedom, were said

to include Bishop A. A. Gilman, Rev. C. L. Pickens, Miss Olive Tomlin and R. A. Keep.

I found 20 ways to get longer life from our car...

"The family car is my responsibility—and I'm taking it seriously, nowadays. Because I didn't know much about what goes on below the hood, or underneath the car, I asked our neighborhood Humble service man about his new plan "20 Ways to Get Longer Life from Your Car." It's all in a booklet, written so anyone can understand it—and my husband is enthusiastic."
