23 JAP SHIPS SUNK, DAMAGED

"I therefore believe it is my duty to my Country, to love it, to uphold its Constitution, to obey its laws, to respect its Flag and to defend it against ALL enemies."

RAYBURN SAYS WAR EFFORT MAY BE SAPPED

WASHINGTON, March 18. — Speaker Charles McNary, in an unusual press conference today, warned that the American people are permitting the war effort to be sapped by a growing tide of criticism against business management, labor and the government.

The Texan called businessmen into his office a few minutes ahead of regular press conference time and announced he had a statement to make for the record.

He observed that on March 17 there were between 7,000,000 and 8,000,000 men in the United States at work in the war industries and fewer than 100 on strike.

OPPOSE 40-HOUR WEEK

A number of matters came up for discussion at the chamber of commerce directors meeting last night when eleven directors and two members were present. It was definitely decided to arrange for a forum-dinner and program at one of the churches in the evening of April 19. Senator John Lee Smith is to be invited to speak on that occasion.

A local meeting place for soldiers—a kind of USO—was discussed, and it was decided to arrange this through the women's clubs. Mrs. Homer Slicker is to work in conjunction with Secretary Warwick on the matter.

MINUTE MEN OF '42—True to the tradition of the old west, deer hunters, marksmen and scatter gunners will henceforth be available as "minute men" in defense of American home soil. They're gathered at organization meeting in San Francisco meeting hall.

ENROLL IN CCC CAMP

Miss Elsie Glenn, junior field worker, state department of public welfare, whose offices are on the second floor of the Huey building, announces she is very anxious to enroll all unemployed boys in Cisco for the coming CCC enrollment of March 20.

Miss Glenn says this is a magnificent opportunity for boys between the ages of 17 and 23½ who are unemployed, not in school and not subject to the draft.

Defense Program.

The CCC corps has been changed and is now strictly a training program in relation to national defense, and the clause, "on relief or eligible for relief," has been stricken from the requirements.

Any up-standing young man of good character who has never been in prison or on parole is urged to put in his application at once for this type of employment.

Miss Glenn will remain in her office all day Fridays and Mondays until March 20, in order to take these applications.

Parents Can Investigate.

Parents who are interested in knowing more of the program are urged to telephone or call in person, so Miss Glenn may explain the excellent advantages of the civil conservation corps.

Boys who are accepted will be expected to remain in camp for six full months and as long as two years if they care to.

They are paid \$30 a month and send \$10 of that sum home to relatives, if they have relatives or near kin; put \$12 on deposit with the government, which is given them by check upon their release from CCC, and \$8 a month is given the boy for his personal use.

Valuable Training

Excellent educational and physical training is offered each boy; and he is given the benefit of hospital and physical services while in camp. His diet is carefully watched and the best food prepared by the best cooks is given him daily.

Miss Glenn added that boys should understand before applying that there is every likelihood that they will not be allowed to remain in the state for the period of their enrollment, since many of the Texas CCC camps have been closed. She feels that most enrollees will be sent to Utah and Nevada to work in the forests there.

The junior field worker said that work in the CCC camps almost always makes real men out of the boys who enroll. She will be very glad to talk with parents and boys on any Monday or Friday until March 20.

BATTLE NEAR APPROACHES TO AUSTRALIA

United States and Australian warplanes sunk or damaged 23 Japanese ships, including 12 warships, at northern approaches to Australia, where General MacArthur is preparing for a showdown in a battle for the Pacific.

Smashing aerial assaults, adding up to the greatest Allied air victory of the war, claimed 2-for-one vengeance for the Japanese victory over United Nations fleet in Java sea three weeks ago.

In the Java sea battle the Allies lost 12 warships.

The 23 Japanese ships were sunk or damaged near the New Guinea ports of Salamaua and Lae, on Australia's northern flank, in grim assaults of United States and Australian airmen aimed at breaking the spearhead of Japan's sea-borne invaders.

Against the heavy toll of Japanese ships the Australian and American air forces lost only one plane each.

Six Japanese warships and five other ships "sunk or probably sunk."

Two Japanese destroyers "probably sunk."

Four Japanese warships and six other ships damaged.

Many small boats—probably motor boats—sunk and three enemy sea planes were shot down.

SENATE MAY BACK FDR'S WORK STAND

WASHINGTON, March 18. — President Roosevelt's blunt opposition to any immediate changes in the 40-hour week law found important support in the senate today, but the house still bent on taking matters into its own hands.

When some senators believed war production emergency legislation for modification of the wartime pay provisions of the act.

The house manifested every intention of pushing ahead with legislation which would suspend all maximum-hour laws in war industries, and the senate administration backed were dubious about the chances of defeating such a measure. It also contained drastic provisions for recapture of all wartime war profits over 6 per cent.

RESOLUTION

Whereas, it is apparent that the forty-hour work week, and unsettled conditions in industry, resulting from strikes, which have affected through labor racketeering or profiteering by industry, has reached a point that is unquestionably retarding the war effort, and which, if allowed to continue, would be equivalent to the execution of our brothers and sons, who are giving their lives and their future hopes in an effort to preserve this democracy; and

Whereas, the Cisco chamber of commerce is convinced that such a situation exists;

Therefore, be it resolved by the Cisco chamber of commerce:

1. That we go on record as favoring the discontinuation of the forty-hour work week and the provisions of laws and contracts requiring payment of time-and-one-half for overtime.
2. Outlaw the closed shop, to insure the inalienable right of a person to work, without paying tribute to anyone.
3. To impose a flat six percent limitation on profits from defense contracts.
4. That the paramount issue is the lives of our sons and brothers and the preservation of our democracy rather than the political fortunes of any person or group.

Unanimously passed and adopted this the 17th day of March, 1942.

J. D. LAUDERDALE, President.

I hereby certify the foregoing is a true copy of a resolution passed by the Cisco chamber of commerce, March 17, 1942.

P. R. WARWICK, Secretary.

FOUR ARMY PLANES FALL AND BURN

LIMA, O., March 18.—Four army pursuit planes, flying blind in a "terrible snowstorm," crashed and burned six miles east of Lima today.

Burning wreckage of one plane was found on the farm of B. Heiner. Heiner and his wife reported they heard the plane circling above their home and then, suddenly, it "nose dived."

At a nearby farm a half mile east of the Heiner place, the wreckage of two planes was found. Remains of the fourth army plane was found in a heavily wooded area a mile south of the Heiner farm.

69 YOUNG TEXANS OF THE BOWIE KNIFE BREED - - FOUR FROM EASTLAND COUNTY - - AT RANDOLPH

RANDOLPH FIELD, March 18.—Giving Texas the heaviest representation of any state with sons in Class 42-F at the "West Point of the Air," 69 young Texans—of the same Bowie-knife swinging breed of 1936 Texans—are practicing up on their generation's most lethal weapon, the airplane.

In this history-making class, first to come to Randolph in the new olive drab uniforms, fifth wartime class to live in Cadet Barracks are these four Texans from Eastland county:

Eastland — Two years on the Oklahoma A. & M. rifle team, Aviation Cadet William J. Peters, 20, son of Mr. and Mrs. W. J. Peters, 1501 S. Seaman street, Eastland, was at Oklahoma A. & M. (Stillwater) between 1938 and 1941.

Ranger — Aviation Cadet J. D. Litton, 22, son of Mrs. A. J. Beck, route 3, Ranger, was a member of the college chorus at North Texas State Teachers college, Denton, in 1941.

Rising Star — Leaving his office of City Attorney of Cisco (Tex.) behind him, Aviation Cadet Clark F. Roberts, 25, University of Texas school of law graduate, was in the army from July 8 until last November when he joined the cadets. He is the son of Mr. and Mrs. F. W. Roberts of Rising Star.

A former telegraph operator for the Katy railroad, Aviation Cadet Billie C. Welch, 22, son of Mr. and Mrs. W. C. Welch of Rising Star, attended school at John Tarleton Agricultural college, Stephenville, and Southwestern State Teachers college, San Marcos.

From 48 cities and crossroad post offices they came, many leaving well-paid routes, oil laboratories, many breaking off college careers which would lead to professions that bring wealth and happiness in the way of life they now must defend.

Today with reveille cannon's blast they are up at 6:20 a. m. From then until near midnight sometimes they are busy every minute with drill, muscle-making, muscle-timing athletics, schooling in navigation, in radio, in weather, in flying powerful 450-horsepower low-wing monoplane every day. Once they have learned to master these planes alone, they ease into instrument flying, learn how to get out of tight spots, fly in formations.

At Randolph the best flying instructors in the world will grade out the men who will be best at flying gun-packing single-motored ships, flying multi-motored bomb-totin' sky monsters. These

MESSRS. CLARK AND CHESHIRE TALK TO LIONS

The program at the Lions luncheon today was presented by C. C. Duff, high school teacher of diversified occupations, featuring Sam Clark and Clyde Cheshire with a talk and demonstration of short wave radio sending and receiving.

Other features of the program was the initiation ceremony in charge of Lion L. W. Seymour, assisted by Lions C. J. Turner and W. H. LaRoque, inducting Lion Cubs F. B. Clappitt, A. E. Rowe and Charley Dendy.

Clark told of amateur short radio sending and receiving and the part these radio men and boys play in radio and its development.

Most of the apparatus used in the demonstration was made by the boys in this class. The usual range, Clark said, with proper aerial, would take in all of the United States, the adjacent islands and would include Berlin and London, to whom he listens on many Sunday mornings.

Cheshire demonstrated by sending a message, written at random by a Lion member, to Clark, who then read what he had received by means of the Morse code.

P. R. Warwick, secretary of the chamber of commerce, was the guest of N. C. Huston.

THOS. C. LAW, SHRINE HEAD WARNS PUBLIC

FT. WORTH, March 18.—Complacency still is too much the attitude of the American people in spite of a war situation that should spur the country to all-out effort, Thomas C. Law of Atlanta, Ga., imperial potentate of the Shrine, said here Wednesday.

"The average man," Law said, "is not fully awake to the seriousness of the thing we face. He regards the war as something that is taking place in a foreign country, something that does not directly touch him and his home."

Law should be in a position to pass accurate judgment of the temper of the country. In the last few months, he has traveled 40,000 miles, visiting every State in the Union and six provinces of Canada.

He came here on an official tour of the Southern States that began on Feb. 12 and will not return him to his Atlanta home until some time in May. It will include a trip to Mexico City to visit the Shrine temple there, and attendance at a big patriotic rally in Kansas City.

Law said the Shrine organization, through patriotic meetings in various parts of the country, is trying to sound the alarm to the American people and wake them up to the facts of war.

"The complacent attitude does not extend throughout the country," he said, "but it is present in too many places."

ANOTHER BIG PROJECT FOR TEXAS, SAID

AUSTIN, March 18.—A \$5,000,000 war industry will come to Texas but details of its location and operation have not been disclosed.

Senator O'Daniel notified the governor's office of federal approval of a contract with a New York corporation for consultant services, procurement, inspection, installation and personnel training for a government manufacturing plant at an operation cost of \$5,000,000 yearly.

Also approved, Senator O'Daniel reported, was improvement of the Longview municipal airport at a cost of \$127,086 in federal funds; construction of sewer facilities in Midland at a cost of \$79,000, including a \$57,000 federal grant, and new school facilities at Weatherford with a federal grant of \$2,700.

CAR OWNERS MUST HAVE TITLE PROOF

Clyde S. Karkalits, county tax assessor-collector, calls attention of motor vehicle owners of Eastland county to the law requiring them to present certificates of title in order to register cars or trucks. Please bring certificates with you when you come to register your car or truck, says the collector.

If you have not already secured your certificate of title, you should make application for it at once, furnishing the assessor-collector evidence of ownership prior to October 1, 1939.

FELLOWSHIP MEETING AT 7:30 TONIGHT

It will be "Fellowship Night" at the First Presbyterian church tonight and every member and all the families of the church are urged to be present, says Dr. Gary L. Smith, pastor.

Supper will be served at 7:30 o'clock, after which there will be a social hour—musical and vocal entertainment.

Reports of the year's work will be made and a budget for the year beginning April 1 will be submitted.

LEGION BOYS OPPOSE 40-HOUR WEEK

DALLAS, March 18.—The John W. Low Post of the American Legion adopted and telegraphed to Texas congressmen a resolution demanding that the 40-hour week be abolished, that profits on government contracts be strictly controlled and that the national war effort be put on a 100 per cent production basis.

The post is one of the largest in the state.

VICTORY FOR CISCO MEANS NEW SWEATERS

Cisco Junior college basketball will play the Ranger NYA team at 8 o'clock tomorrow night, in the high school gymnasium. Admission: Students, 10 cents; adults, 15 cents.

The visitors, coached by Johnny Harms, former Cisco high school coach, played Cisco here about two weeks ago, the final score being 23-12. Which means the game tomorrow night will be a real scrap.

Pop Garrett of the College of Commerce, who has been used to buy sweaters for local players—if they win.

YANKS IN MIDDLE EAST

LONDON, March 18.—The first contingent of several thousand United States troops will arrive in Middle East today, the News-Chronicle said Wednesday in a dispatch from Ankara quoting intelligence sources in the Turkish capital. These sources said there is "definite evidence in Ankara that Axis preparations have been intensified in the Balkans and the Aegean islands, apparently for an attack in the Middle East."

FIRST BAPTISTS IN CONFERENCE AT 8 TONIGHT

At a meeting of the board of deacons of the First Baptist church last night, a number of detail matters were disposed of and the question of considering a supply pastor and the choosing of a permanent one for the place vacated by Rev. Judson Prince, who last Sunday offered his resignation, was taken up.

Committees were appointed to make certain recommendations to the church which will convene in conference tonight.

"Important matters will come up for consideration, and every member is urged to attend this conference," said F. E. Shepard, chairman of the board of deacons.

HALBERT RE-ELECTED

FT. WORTH, March 18.—R. A. Halbert of Sonora, was re-elected president of the Texas Polled Hereford association at the organization's annual banquet Tuesday night at the Westbrook hotel when cattlemen from 12 states attended. B. O. Gammon of Des Moines, secretary of the American Polled Hereford association, reported that Texas is the leading producer of Polled Hereford cattle, with six of the 10 herds heading the registration lists.

WEST POINT

In Douglas MacArthur's brave fight at Corregidor our West Pointers are not always getting adequate recognition as such. Yet without them we would have done even less than we have.

West Point has not always been the backbone of the army. Not until the Mexican War did the cadets play any important part.

But for our graduated cadets the war might and probably would have lasted some four or five years, with in its first half, more defeats than victories falling to our share.

Since then, whenever we have had a war, the West Pointers have been in the thick of it, and to them is due the bulk of our military achievements.

INDIA

India, with her teeming millions and her medley of races and religions, comes vividly into the news. For the first time in history, it looks as if "Mother India" may be shaped into a nation.

India has been almost a separate world. It is credited with 350,000-600 people and more than 290 languages, and is a collection of races and tribes and castes so varied that we Americans have never been able to get a clear picture of them.

We ourselves have closer bonds with India than we usually realize. Some of the bases of our western civilization were there, and there are ancient racial bonds.

WHY?

The burden of this vast war must lie like a weight on the heart of every sensitive man and woman in the world.

Why has this come upon us all? For our sins, as the ancient prophets and some modern observers would maintain? Can anything that the civilized nations have done be so bad as to involve us in this tragedy?

RICHES FROM RUBBISH

A rubbish pile and patience can do wonders. This has just been shown by a Texas town, where the local newspaper put on a two-day drive for old license plates.

FLAGS OF OUR ALLIES.

All Americans know the stars and stripes as their own flag. Almost all now know the Union Jack of the British Empire, with red and white crosses, straight and diagonal, on a dark blue field—crosses of St. George, St. Patrick, St. Andrew, St. David, for England, Ireland, Scotland and Wales.

Not so many know that Australia and New Zealand have "star-spangled banners." Australia's has a blue field with Union Jack in upper left and the stars of the Southern Cross in red on the field.

These are flags of only eight of the 26 United Nations, which on New Year's Day, 1942, signed an agreement to wage war against the Axis, to make no separate peace.

MUSIC LOVERS LOOK FORWARD TO MARCH 25

Music lovers who are planning to attend Rubinoff's violin concert at the high school auditorium on March 25 will hear him play another page in the score of musical history when he introduces his original violin solo transcription of George Gershwin's "Rhapsody in Blue."

Rubinoff's gift for original arrangement and his technical skill to interpret music in the popular vein enabled him to contribute to musical literature this violin version of a composition previously confined to piano interpretation only.

musical literature this violin version of a composition previously confined to piano interpretation only.

Sensing the color, the richness of tone and the mellow beauty that his Stradivarius could lend this masterpiece of American music, Rubinoff worked day and night in his New York apartment to complete this new offering in time for his present concert tour.

Tickets are on sale at Moore Drug store, Dean Drug Co., Glenn Furniture Co., Goodyear Tire, Cisco Lumber & Supply, City Tailors, Drumwrights and Modern-Way grocer, with reserved seats on sale at Red Front Drug store.

LIBERTY LIMERICKS

A red-headed cop named O'Brien, Said—"All of us folks should be tryin' To save up our pay An' put it away In Defense Bonds—they're surely worth buyin'!"

Arrest Hitler's advance! Sign up for the Pay-Roll Savings Plan. Buy Bonds and Stamps every pay day!

ed 1400 votes out of 1600 that were cast. Besides the honor of the election, the editor will receive a salary of \$15.00 per month. Miss Brown is majoring in journalism.

Another Desdemona girl who is making good in her work is Miss Jolene Arnold, daughter of Mr. and Mrs. John Arnold, who is working in the office of the Texas Creosoting corporation at Houston. In the paper "Black Beauties Booster" which is gotten out by the corporation, there recently appeared quite a lengthy and complimentary write-up of Miss Jolene Arnold who is the only girl who has ever been employed by the company.

On Friday night at the high school auditorium a large crowd gathered and enjoyed the "stunt night" program which was sponsored by the Parent-teacher association. Receipts from the admission fees amounted to \$17.00, which will be used in purchasing supplies for the school lunch room.

The spacious and attractive

home of Mrs. S. E. Snodgrass was the place of meeting for the "21" Study club on Tuesday of last week when Mrs. Snodgrass and her daughter, Mrs. J. E. Heeter were hostesses for the club members and visitors.

Mrs. Lucile Caraway, teacher of English in our high school and sponsor of the senior class deserves credit for the splendid presentation of the senior play, "Johnny Grows Up," given in the auditorium on Tuesday night of last week.

A good rain would please the farmers at this time, instead of continued sand storms. The health of the people of this community is fine, considering the sudden changes in the weather.

Mr. and Mrs. Frank Marsh and children visited her parents, Mr. and Mrs. O. E. Pierce, Tuesday evening of last week.

Alford Lee Vowell spent Monday night of last week with Monday Rogers of Pioneer. Mrs. J. D. Notgrass was the guest of her sister, Mrs. Frank Marsh last Monday morning.

Mr. and Mrs. Leborn Tension of Cross Plains, spent Sunday of last week with her parents, Mr. and Mrs. O. D. Vowell. C. D. Manning of Ranger, several returned home after spending several days with his sister-in-law, Mrs. J. W. Brawley and family.

CURTIS

Mr. and Mrs. Owen Swinney, who have been mump patients, are now able to be up again. Mr. and Mrs. O. E. Pierce were guests of their daughter, Mrs. A.

Doctors and nurses are people who believe in medical care and sensible treatment for everybody except themselves.

Those from here who were business visitors in Cross Plains Saturday were Mrs. O. E. Pierce and daughter, Bartine, Mr. and Mrs. Kermit Pierce, Mrs. J. D. Notgrass, Mr. and Mrs. J. W. Brawley and son, Lewis. Mrs. Owen Swinney and sons, Donald and Billy, were shopping in Cisco Saturday. Roger Brecheen of Cisco, spent the week-end in the J. W. Brawley home.

Dunn's Hatchery

When you sign your name to a document what does it mean to you?

LET'S SUPPOSE you have a used lawn mower you don't need. You've heard that your friend John needs one, so you write him a letter.

"John," you say, "This lawn mower is O.K. and I don't need it. You can have it for \$6.00." Then you sign your name. That's important.

When John says "Yes, I'll take the lawn mower for \$6.00"—you expect to make good on your word. That's exactly what a business man does when he runs an ad.

He, in effect, signs a contract with you that the goods he is offering at the price asked is as he tells you. For instance, if a canner of peaches advertises that his

peaches are tree-ripened before canning and that they contain certain vitamins, you can depend on that being the fact. Or when a retail store puts its name at the bottom or top of the ad, that is a guarantee to you that the articles advertised are as represented.

This is why advertising is such a good buying guide for you. The one who pays for the ad has "signed his name," just as you did when you wrote John.

WHAT TO DO So when you see a product, a store or a service consistently advertised, buy with confidence that you are getting full value for your money.

Make advertising your buying guide.

Just a few new products and services introduced through aid of advertising to the benefit of the American people. Alkaline Balance, Automobiles, Better Clothes, Better gasoline and motor oil, Better lighting, Better music, Better ranges, Cleaning of teeth, Disposable tissues, Electrical appliances, Elimination of bad breath, Grapefruit juice, Hearing aids, Life insurance, More comfortable beds, More frequent bathing, More vacations, Need of Vitamins, Orange juice, Package and canned goods, Pineapple juice, Refrigerators, Sanitary napkins, Telephones, Vacuum cleaners, Washing machines.

THE NOTEBOOK

Thursday

First Industrial Arts club will meet at 3 p. m. in the club house for a program on "Education in the Home."

Mrs. W. R. Huestis Hostess to Group

Mrs. W. R. Huestis was hostess when group one of the First Christian council met for regular meeting Tuesday afternoon.

The afternoon lesson was taught by Mrs. H. H. Davis from the book, "Christ and the World Order."

Circle Three Held Meeting in Church

Meeting of First Baptist circle three, in the church Tuesday afternoon, was opened with the hymn, "Onward Christian Soldiers."

Women Contribute Most Of Words To 1942 Dictionaries

"Glossed" Is Example of Their Influence on Our Language

Ladies—take a bow. Lexicographically speaking you've done it again. Not only are you responsible for a great many words in our modern dictionaries...

More words Dictionaries which include this new interpretation are Webster's 20th Century Funk & Wagnall's Standard, The New Century and MacMillan's Modern.

Young Influence Some words which will appear for the first time in 1942 editions show the effect of a younger generation on our language.

"Pinball" though outlawed in many cities, will become a legitimate addition also. "We don't put words into the dictionary," says Dr. Funk.

business period. Assignment was given of needed articles for Hendrix Memorial hospital; report of \$14.75 contributed to the Annie W. Armstrong offering, was made.

Those present were Mrs. C. Pittman, Mrs. J. E. Burnam, Mrs. J. A. Smith, Mrs. C. C. Duff, Mrs. B. T. Leveridge, Mrs. Leon McPherson, Mrs. F. E. Shepard, Mrs. Algie Skiles, Mrs. Mary Abbott, Mrs. C. P. Cole and Miss Willie Frank Walker.

"Expositions" Discussed At Club Today

Mrs. R. L. Shaw was hostess when the Alpha-Delphinia study club met in the club house this morning for regular meeting and program.

Mrs. Paul Poe directed the program on "Expositions." An interesting paper was read by Mrs. J. E. Spencer on the "Pan American Exposition."

Those present were Mrs. Paul Poe, Mrs. Eugene Lankford, Mrs. B. S. Huey, Mrs. G. B. Langston, Mrs. J. E. Spencer, Mrs. Asa Skiles, Mrs. E. L. Pugh and Mrs. R. L. Shaw.

Mrs. McLain Hostess To WMS Circle Five

Circle five of the First Baptist WMS met Tuesday afternoon in the home of Mrs. J. A. McLain with Mrs. Davis Fields presiding.

The hostess passed a refreshment plate to the members at the close of the lesson. Those present were Mrs. J. R. Burnett, Mrs. L. A. Harrison, Mrs. Davis Fields, Mrs. W. C. Clements, Mrs. M. C. Stivers, Mrs. F. B. Clappitt, Mrs. R. B. Lane, Mrs. A. B. Cooper, Mrs. C. R. Fox, Mrs. O. G. Lawson, Mrs. Joe Britain, Mrs. S. K. Whaley, Mrs. O. J. Russell, Mrs. L. A. Burkett, and Mrs. McLain.

Mrs. T. E. Lisenbee Entertains Circle

Mrs. T. E. Lisenbee was hostess to circle four which met in her home Tuesday afternoon with Mrs. I. W. Robinson presiding in the absence of the chairman, Mrs. W. D. Hazel.

circle was then transacted after which the Bible study was directed by Mrs. C. N. Clifton.

Those present were Mrs. W. G. Jefferson, Mrs. W. F. Walker, Mrs. I. W. Robinson, Mrs. C. N. Clifton, Mrs. T. M. Moore and Mrs. Lisenbee.

WCS Met In Merket Home For Program Tuesday

First Methodist WCS met at 3 p. m. Tuesday in the home of Mrs. R. W. Merket for the regular third Tuesday World Outlook program.

The program on "India" was discussed in a most interesting manner by Mrs. Philip Pettit, Mrs. Leslie W. Seymour, Mrs. Wm. Joyner and Mrs. C. E. Paul.

A refreshment plate was served by the hostesses at the conclusion of the meeting to Mrs. B. A. Shockey, Mrs. W. W. Manning, Mrs. T. J. Dean, Mrs. Roy A. Langston, Mrs. Leslie W. Seymour, Mrs. S. H. Nance, Mrs. John Shertzer, Mrs. R. S. Elliott, Mrs. C. E. Hickman, Mrs. B. E. Morehart, Mrs. Joe Wilson, Mrs. F. E. Clark, Mrs. Jimmy Allen, Mrs. Charles Flaherty, Mrs. Joe Lovelady, Mrs. Philip Pettit, Mrs. Wm. Joyner, Mrs. C. E. Paul, Mrs. Neil Lane and Mrs. Merket.

It's easy to tell whether a writer or speaker is disloyal. If his words are broadcast by Tokio or Berlin, he is serving the enemy.

TEN THOUSAND MESSENGERS FROM ALL PARTS OF TEXAS TO ATTEND BAPTIST CONVENTION

HOUSTON, March 18.—Speakers of southwide and nation-wide prominence will address the Texas Baptist Sunday School convention, to be held here April 7-9, it was announced today by Dr. G. S. Hopkins, Dallas, state secretary.

Ten thousand messengers to the convention, from every quarter of the state, are expected to hear Dr. Charles E. Maddry, Richmond, Va., who was in Honolulu on December 7, in his official capacity as executive secretary of the Southern Baptist Foreign Mission Board, bring the convention's keynote address, "Insight and Action," Tuesday morning at the First Baptist church.

Other speakers include Dr. W. W. Melton, executive secretary of the Texas Baptist convention; Dr. C. Oscar Johnson, pastor Third Baptist church, St. Louis, Mo.; Dr. T. L. Holcomb, Nashville, Tenn., executive secretary, Baptist Sunday school board; Dr. W. F. Powell, pastor First Baptist church, Nashville, Tenn.; Milton T. Gregory, San Antonio assistant regional director, Eighth Regional Office of Civilian Defense.

Speakers who will also serve as conference leaders include William P. Phillips, J. N. Barnette, Miss Marie Estes, Miss Mary Virginia Lee, Miss Blanche Linticum, Sibley C. Burnett, and B. B. McKinney, all of Nashville, Tenn.

Included in the approximately 200 Texas Baptist Sunday School workers who will appear on the three day program are: Dr. Julian Atwood, Dallas; Dr. H. D. Bruce, Midland; Dr. L. L. Carpenter, Waco; Rev. Frank Cheavens, Waco; Dr. Marshall Craig, Dallas; Dr. Fred Eastham, Wichita Falls; Rev. H. E. Fowler, Dallas; Rev. J. Ralph Grant, Beaumont; Rev. H. H. Hargrove, Waco; Dr.

E. D. Head, Houston; Don Norman, Dallas; Rev. Oscar Perkins, Port Arthur; Rev. Willis J. Ray, San Antonio; Dr. Alton Reed, Dallas; Dr. Harry Lee Spencer, Stephenville; R. A. Springer, Dallas; Dr. J. B. Tidwell, Waco; Rev. W. M. Turner, Mineral Wells; Rev. W. L. Akins, Marfa.

Music for the convention will be in charge of Robert H. Coleman, Dallas. A "Training Banquet," limited to 600 people who have completed at least 12 Sunday school study course books, will also feature the program.

Officers of the convention are: Troy Campbell, San Antonio, president; Dr. G. S. Hopkins, secretary-treasurer; Mrs. Julia Mae Slaughter, Dallas, and Mrs. Man-

Beware Coughs from common colds That Hang On

Cremulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

"We're Home Folks"

BRIEFLY TOLD

The Cisco defense guard will meet at the fire station tomorrow night at 8 o'clock. Supt. O. L. Stamey asks all commissioned and non-commissioned officers to assemble at 7:30 o'clock.

Mrs. W. L. Fielder and son, Earl Fielder, recently of Honolulu are guests of Mr. and Mrs. E. Hooks, 1609 D avenue.

Mrs. Wm. Isenhower visited her parents in Putnam Sunday afternoon.

O. G. Lawson went to Dallas today on a business trip.

Mrs. W. K. Cooper has returned to her home in Lubbock after a visit with her mother, Mrs. J. E. Parker, who is recovering from an illness in the home of her son-in-law and daughter, Mr. and Mrs. E. Hooks.

Mrs. J. G. Gaines, Mrs. H. J. Smith, Mrs. E. L. Springer and Mrs. E. H. Springer of Brownwood are spending today in the

home of Mrs. E. L. Springer's daughter and husband, Mr. and Mrs. Bob Key.

Kent Word of the Word community transacted business in Eastland today.

Mrs. Mark Burnam of Putnam visited relatives in Cisco Tuesday.

Mr. and Mrs. N. S. Kinard of W. Sixteenth street are much improved after being on the sick list for several weeks.

Mr. and Mrs. Wm. Isenhower and Mrs. B. T. Leveridge are spending today in Abilene.

Mrs. J. E. Reese of Carbon visited her daughter, Miss Topsy Reese, Sunday.

Miss Margaret Key visited friends in Fort Worth over the week-end.

Mrs. W. L. Foy of the Foy apartments has just received a

postal card from her son, Henry, mailed at Wellington, New Zealand, but containing no message. He simply signed his name. The card, however, contained several faded pictures of scenes in that country. He is in the air service and this is the first she has heard from him in quite a while.

Mrs. W. D. Wilson is returning to her home in Fort Worth today after attending the bedside of her sister, Mrs. W. H. Hayes, the past two weeks. The condition of Mrs. Hayes is slightly improved.

Mr. and Mrs. George Foy and baby daughter have returned to their home in Sweetwater after spending the week-end with their mother, Mrs. W. L. Foy.

John J. Haynie, grandson of Mr. and Mrs. J. F. Benedict of Humbletown and a senior in Mexia high school, has been selected to play the first solo cornet in the tri-state band contest to be held at Phillips University, Enid, Okla. The former Cisco boy is also entering a Class A solo contest scheduled for the same meeting.

Dave Stapleton will leave tomorrow for Bunkie, La., where he will remain indefinitely. Mr. Stapleton, a welcome visitor at the Daily Press office this morning, is here frequently in connection with income tax work for various people in this and the El Paso area.

Mr. and Mrs. Roy Fonville were business visitors in Eastland today.

Fenley Winston arrived Sunday for a week's visit with his parents, Mr. and Mrs. W. R. Winston. He plans to return Saturday to his duties with the U. S. Ordnance department at Chattanooga, Tenn.

Mrs. P. R. Warwick, Mrs. Rosalie Pentecost and Mrs. A. E. Jamison are spending today in Breckenridge.

BOYS FROM "TIN CAN CLUB"—In an effort to sidetrack flow of tin cans from city dump to U. S. war effort, these New York lad: have organized a "Tin Can Club." They're at work on "harvest."

THE FRAZER POULTRY FARM, ONE OF THE GOING CONCERNS OF CISCO, WITH 2,000 HENS

The Frazer Poultry Farm, located on the old Bankhead highway and Beach street, is one of the real industries of Cisco, in point of fowls produced. Proprietors and operators are J. T. Strickland and S. F. Jordan, both experienced in the poultry industry, who conduct the plant as a business enterprise and not as a hobby.

This is the oldest poultry enterprise in Cisco and was established about 20 years ago by the late Col. R. Q. Lee, after his return from California, where he visited the poultry farms of that state, the purpose of which was mainly as a demonstration farm to show what could be done in the poultry business when operated on business principles.

The result of Mr. Lee's example was the establishment of several poultry farms in and near Cisco, which flourished for a season or

two, during which Cisco eggs were shipped far and near. However, owing to the lack of business methods and maintenance, many of these farms went out of business.

After building and stocking the plant with White Leghorns, Mr. Lee engaged Mr. and Mrs. Frazer to operate the farm. They prospered until Mr. Frazer's health failed, then others operated the plant with more or less success.

Finally in 1928, the property was purchased by Mr. Strickland, an experienced poultry man, who realized the possibilities of success. Later he sold one-half interest to Mr. Jordan, who had specialized in scientific poultry raising at an agricultural institution. These two, with the aid of Mrs. Strickland, have made a distinct success of the business.

The original strains of White Leghorns with which Mr. Lee stocked the plant are kept pure, but improved, both in the size of the fowls and eggs, until now Messrs. Strickland and Jordan are producing chickens from four to seven pounds, and eggs from two to four ounces larger per dozen than previously produced.

In addition to the chickens and eggs the plant is now producing baby chicks for sale, and do custom hatching.

While they specialize in White Leghorns, they also have other strains, including Anconas, whose egg production averages around 75 per cent.

There are four city blocks in the Frazer Poultry Farm that are planted in grain and the chickens range on green pasturage. This acreage has been planted with a large number of fruit trees, in-

cluding peach, apples, plums, cots and cherries, some of which are just beginning to bear. There are approximately 2,000 average egg production in the plant yearly, hence they are able to supply the public with eggs for hatching, as well as baby chicks for stock bred to live. Messrs. Strickland and Jordan extend a cordial invitation to the public to visit the plant at any time, and the Daily Press will be glad to accompany you if you will experience a very interesting visit.

The more you relax and enjoy on Russia, the sicker you get when the tables turn.

Methods that work for the others might not work for you, have nobody to hit without being.

Dr. W. I. Gormley, Optometrist, 1510 D Avenue, Special Attention to Children and Elderly Folks.

You buy plenty of Vitamins, Yes... But how many go down the "Little Red Lane"?

Don't lose the family's vitamins by over-cooking..

Let a Modern Gas Range Handle Them, with Smooth Cooking

Vitamins have to be handled with kid gloves, or most of them vanish before they get to the table. Well-done Roast Beef, for instance, will shrink 15% more at 347° than it shrinks at 257°. Fresh Lima Beans are very rich in thiamin, but in a tumbling boil they lose most of it.

FREE "Vim, Vigor and Vitamins" 24-Page Booklet. Charts, food lists, and sample menus (big print), to show what the basic foods have in them, and what they do for you. Practical guide for the nation's Yardstick diet. Get your copy at the Gas Company office.

*** Come in and see these beautiful Automatic Gas Ranges... Sold on Convenient Terms; Trade-in Allowance.

Hardly added a quart "since Hector was a pup"

How this oil that defies "curdling" far out-mileaged five other great quality brands... beat their average more than twice over, in Certified Desert Test

CONOCO Nth MOTOR OIL

How this oil that defies "curdling" far out-mileaged five other great quality brands... beat their average more than twice over, in Certified Desert Test

Curdling thickening up milk don't half give you a picture of the blobs of muck that can foul your oil—and your engine. For muck and "stickum" from oil that fails under present-day strain can't improve lubrication, nor add to safe mileage per quart. But now that you must change oil for Spring—really a law in every Car Instruction Book—you can easily switch to Conoco Nth motor oil. And in patented Conoco Nth oil you get Thialkene inhibitor... man-made... the modern synthetic invented to restrain stickiness—sluggishness—"simmering down thick!"

Conoco Nth gets every chance to stay smoothly fluid; full of life. And still another great Conoco synthetic—same as ever—makes Conoco Nth give you an OIL-PLATED engine, with lubricant "plated" you'd say—or seemingly "magnetized"—direct to inner engine parts. Then OIL-PLATING isn't all draining down fast during parking—or even overnight. Instead, OIL-PLATING can stay up high, to help out your engine at every start, before any oil-pump raises up its full stream.

That's how to foil a lot of wear, and not have your engine soon over-eating oil. Talk about a strict economy diet!... Down in Death Valley's record high heat, battling five other big-name oils—impairably—this same Conoco Nth oil was still up above half when all others tested had burned up their engines and their full 5-quart fills!

That's a certified sample. It makes you realize why you can change to Conoco Nth and keep away from adding quart after quart. Get rid of hazardous Winter oil now, at Your Mileage Merchant's Conoco station. Get economy to the Nth degree. Continental Oil Company
