NUMBER 1944

TOKYO WARNS OF DANGERS

PVT. SIMMONS ASKS CITIZENS TO DO THEIR FULL PART IN FURNISHING BEST WAR MATERIAL

Mr. and Mrs. J. M. Simmons, who live seven miles west of Cisco on the Dethan road, were Daily Press callers Saturday and left a letter they had just received from their son, Jesse L. Simmons, private of the first class and stationed at Camp Polk, La. The young man is 27 years of age and came from Eastland county with his parents in 1921. His letter, dated March 17, 1942, was addressed to the Daily Press, as follows:

"I, Jesse L. Simmons, a member of your community for the past decade, have on this date completed a year in the armed forces of the United States and would like to pass on to my acquaintances a few of my experiences and reactions.
"Like so many of the boys of Eastland county, I was inducted in San Antonio and sent to Ft. Benning, Ga. for our recruit training, which lasted two months. At the end of that period we knew we were to march, but knew little or nothing about how to man a tank machine gun.
"Then we were sent to Camp Polk, La., as members of the 753rd Tank Battalion. It was here that the meaning of blitz soaked into peace-loving minds; which, I now know, should have been conveyed to us at least two years sooner. Nevertheless we soldiers think that even though Axis powers do have a year the jump on us in the way of being and fighting material, we will have the convincing backing of a people who will work with us as one and make it possible for our soldiers to have the fighting equipment that can be made by human hands. This is the THOUGHT I am trying to put over—that it may be the aim of every American citizen that we secure this fighting equipment.
"On three occasions I have had my parents since my induction. I noted great changes in the people I met. 1. A great dread that very soon they would be called to the colors. 2. That they should talk to some one about the strength of the U. S. The latter must be of course. As posters in barracks say: 'Don't talk, for the Axis is listening.' I further, do not let it be said that here the people who talked about what should be done and never did it.
"To the mothers of the town I can understand how you about the day your son will be a member of the fighting line. The mothers of many already know the anguish of a mother that war can bring to the human mind. We who have yet seen active service endeavor to show those mothers that their boys did not go to war, and that the slayers of young Americans will be made to suffer to the fullest for what they did.
"When we hear people bewailing the fact they will have to go to war without some of the things we have so badly wanted because of the war. Let me say that as long as there are two earth, there will be war. As long as the American people the army get as low in number as it was—or as low as it has been at the start of each war—we have fought—we will be fighting a war that is starting the Almighty sees fit to give to all men.
"I conclude I would say that when we win this war, let us make it a point to see that we maintain an army that never keep war from the hands of the Nazis, the Japs and the Italians.
"JESSE L. SIMMONS."

RUBINOFF AT HIGH SCHOOL WED'DAY NITE

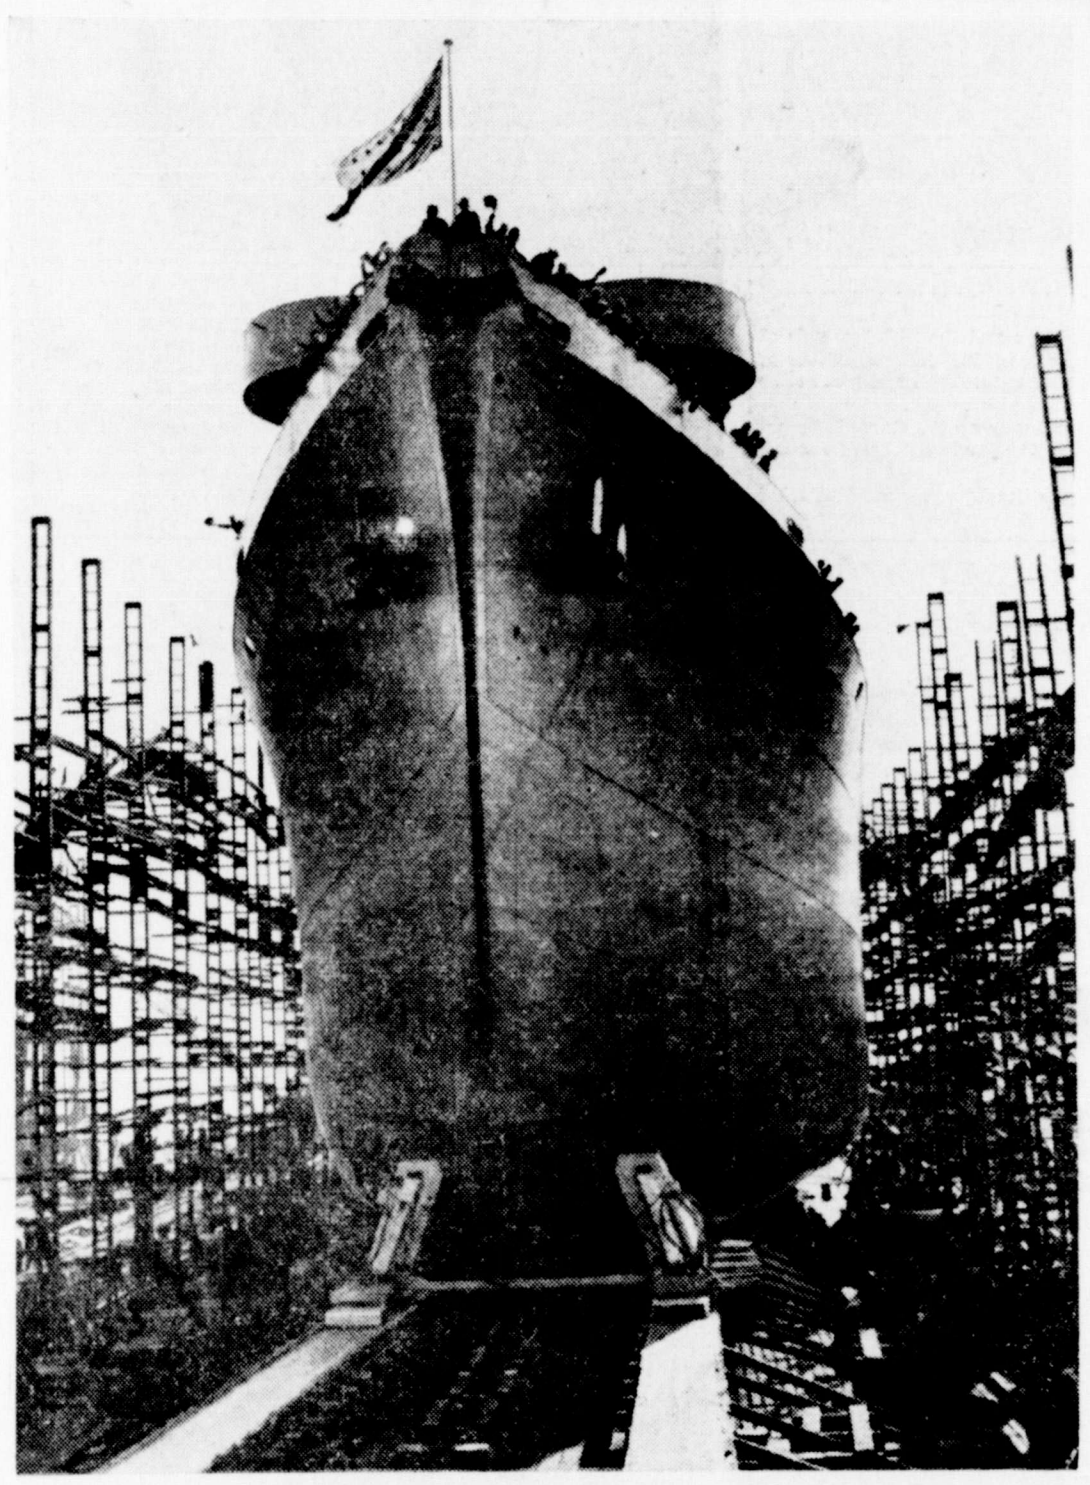

The coming of the famous Rubinoft and his \$100,000 violin to Cisco tomorrow night in a concert at high school auditorium at 8 o'clock, under sponsorship of Lions club, offers Cisco and surrounding communities an unusual opportunity to hear this world-known character.

Had it not been that Cisco lies on the route of a nation-wide tour that is taking this famous violinist through this part of Texas, it would not have been possible for him to be brought here and Ciscoans would not have had this unusual opportunity to hear this world-known character. But quick to seize any opportunity to aid in civic and community betterment and culture, the Lions club accepted the responsibility of sponsoring this artist.
It is now up to the community to back the club in the undertaking. Patronage will make the effort and program a success or failure.

The arrangement committee chairman, D. G. Streater, and his helpers, the president of the club, O. L. Stamey, and every member, know they have brought a great personage and artist to Cisco. They trust he will be received with an overflowing house that will make the club feel it has done a worthy deed and at the same time bring proceeds to the club to finance further civic efforts—because every penny received by the Lions will be turned back into community effort for civic development.
Tickets may be had at the door, but reserved seats may only be had at the Red Front Drug store. Get them today.

BUFORD RICHARDSON BURIED HERE MONDAY

Buford Wayne Richardson, whose death occurred at Handley, was buried Monday afternoon in Oakwood cemetery, Cisco, following funeral services at the First Baptist church at 3 o'clock. Rev. Judson Prince preached the sermon, assisted by Rev. C. S. Moat and Rev. Russell Dennis.
Buford Richardson was born in Cisco, March 29, 1919. He attended the public schools here and was president of the freshman class in 1934-35. On one occasion he was voted by his schoolmates as the boy with the nicest disposition.
At the time of his death he was instructor in the North American aviation plant at Arlington. He had had spells of extreme nervousness and melancholia during previous months, it is said.
Survivors are his mother, Mrs. R. A. Richardson; four brothers, A. L. Richardson of Wayland, Randolph Richardson of Abilene, Wadell Richardson of Handley and Dell Richardson who is in the Clayton Army sisters, Mrs. R. W. Smith Jr., of Odessa, Mrs. S. A. Gessparr of Wichita Falls, Mrs. M. L. Agnew of Cisco and Mrs. L. A. Robertson of Odessa.
Palbearers were his cousins: J. T. Richardson, Junior Baldere, J. C. Rea, Billy Taylor, J. W. Stephenson and Earl Rea.

ANOTHER BLOW AT THE AXIS—Sliding down the ways is the U.S.S. Oberon, 27th merchant vessel completed by the Federal Shipbuilding and Drydock Co. at Kearny, N. J., as part of the nation's great ship program to win the war.

H. J. WEBB, 76 BURIED HERE 4:30 O'CLOCK

H. J. Webb, 76, a resident of Cisco for the past 40 years, died at a hospital in Ranger Monday morning. The body will be laid to rest in Oakwood cemetery this afternoon, beside his wife, who died here in 1936.
For the past five years Mr. Webb had been unable to work, but was able to be on the streets at intervals. Formerly he had operated a delivery wagon and was well known and universally liked.
He was born in Burnett county, November 6, 1866, was a devout member of the Church of Christ and lived at Moran for several years before locating in Cisco.
Seven children survive Mr. Webb, as follows: Oren Webb, Nevada, Texas; Elmer Webb, section foreman for the Cotton Belt railroad; Lee Webb, Riverdale, Calif.; Mrs. Dora Claybrook, Riverside, Calif.; Mrs. Jewel Young, Wichita Falls; Mrs. Frances Parrish, San Angelo; Mrs. E. E. Booth, Putnam. There are also several grandchildren.

BLAMES JESSE JONES

WASHINGTON, March 24.—War Production Materials Director Wm. L. Batt said today that Secretary of Commerce Jesse Jones blocked a 100,000-ton a year synthetic rubber production program in 1940 because he had been advised that the Dutch East Indies would not fall in the event of war.
Americanism: Firing a man who can't or won't make good; giving him a fine recommendation to ease your conscience.

KARKALITS AT CITY HALL FOR REST OF WEEK

Clyde Karkalits, county tax assessor-collector, will be at the city hall, Cisco, every day this week from 9 until 5 o'clock to receive automobile tax payments, it was announced today by Mayor G. P. Mitcham.
Speaking of the county as a whole, Mr. Karkalits says auto tax collections are approximately 300 behind the amount usually in hand at this time.
The assessor-collector estimates that the total registration for the county this year will be about 20 per cent less than customary.
Men in the army and navy, plus large numbers of Eastland county residents at work elsewhere on defense projects, is the reason for this shortage Mr. Karkalits thinks.

NAZIS CLAIM SINKING OF HUGE TONNAGE

BERLIN, March 24.—A German high command communique declared Tuesday that U-boats off the coast of North America had sunk 13 more merchant ships totaling 80,300 tons.
The high command's report said the 13 ships included seven tankers. It added that another tanker of 11,000 tons had been hit by a torpedo and damaged so severely that its sinking was probable.
In the last roundup of shipping losses inflicted in American waters, issued on March 12, the Germans said their submarines had accounted for 772,500 tons and Italian submarines had sunk 50,700 tons, making a combined total on that date of 823,200 tons.

BROTHERHOOD PROGRAM WILL BE GOOD ONE

All is in readiness for the first regular meeting of the First Baptist church Brotherhood since its organization here, said E. L. Jackson, who was chosen to serve as first president of the group.
An unusually instructive and entertaining program is being furnished by the chaplain service at Camp Bowie, with a strong speaker and accompanying artist in music.
A feed for the men will precede the program which begins at 7:45 tonight at the church.

CADETS BERRY AND DONHAM ARE ADVANCED

Cadet Bill Berry and Cadet Elbert R. D. Donham, members of Class 42E and until recently enrolled as aviation cadets in the air corps basic flying school at Gardner Field, Taft, Calif., were graduated from that school on March 21 and are now at an advanced flying school at Ft. Stockton, Calif., for the ten-week course.
Upon successful completion of the course at Ft. Stockton, Berry and Donham will receive commissions as second lieutenants in the air corps reserve.
Bill Berry is the son of Mr. and Mrs. P. G. Berry, who reside at Lake Cisco. Elbert R. D. Donham is the son of Mr. and Mrs. R. T. Donham, route one, Cisco.

GEO. WINSTON DIED MONDAY; 68 YEARS OLD

With the passing of George M. Winston, March 23, one of the early pioneers of this section of the country went to his reward after a long and useful life. Coming to Texas in 1884 from Greenfield, Tenn., where he was born December 10, 1873, his parents settled in the Breckenridge area, then mostly a ranching country. He came to Cisco in 1900.
He was married to Miss Clara Rose Ann Wilson, Sept. 24, 1894, and to this union four boys were born. They are Claude Winston, Whitney, Texas; Lloyd Winston, Midland, Texas; Ernest Winston, with the U. S. army at Harlingen, Texas, and George Robert Winston, New Orleans, La.
When Mr. Winston first came to Cisco he worked for Ward & Co. for a while and then entered the grocery business for himself, retiring in 1926. He then took up ranching.
Mr. Winston had been in ill health for the past six years. The past few weeks he had been paralyzed and helpless. But during the time he was conscious and at himself, he was very kind to all and despite the great suffering he must have undergone during those years, he tried to be helpful to his wife—who has also been in ill health—and was very patient and enjoyed the visits of his children and friends. He was 68 years of age at his death.
For many years he was a leader in the First Methodist church and a faithful and devout Christian.
On account of the illness of Mrs. Winston, the funeral is being held at the home this afternoon at 3 o'clock, with Rev. L. W. Seymour, pastor of the First Methodist church, Cisco, and Dr. Frank Turner, president of McMurray College, Abilene, officiating.
Active pallbearers are William Reagan, J. T. Anderson, W. J. Foxworth, E. N. Strickland, Joe Lovelady, G. P. Mitcham and W. L. Boyd. Honorary pallbearers are the trustees and stewards of the First Methodist church.
Besides his wife and four sons, survivors are Bob Winston, brother, a half sister, Mrs. C. M. Caldwell, Abilene; a step sister, Mrs. Minnie Bryant, Dallas; step brothers, Ernest Keathley, Colerado City, and Finis Keathley, Olney. Grandchildren are Mary Helen, Betty, Roselle, Mary Frances, Clara Jeane and Lynn Ann.

A YANK RETURNS—Maurice Stacy, of Clyde, Ohio, who has been working as an engineer in Ecuador, left his job and returned to the U. S. to enter the Army as a private.

NAZIS THROW 30 DIVISIONS INTO HOPPER

United Nations leaders today cited heavy fighting in Burma and along the island front of North Australia as a prelude to future "disappointment and retreat" for the Japs.
Forecast of impending effective counterblows against the enemy in the Southwest Pacific was made by the Australian premier, John Curtin. And the same idea was echoed in Chungking and --- for propaganda purposes --- at Tokyo, where a naval spokesman warned the Japs of impending difficulties, due to their long communication lines.
The Jap propaganda statement appeared to be an effort to prevent any Jap let-down after their gains in the Southwest Pacific.
Although the Japs again raided Port Moresby on the south coast of New Guinea, losing one plane, it appeared they had made no further progress in that area in the last few days.
Allied dispatches meantime listed enemy losses so far as more than 100 planes and more than 50 ships in the island sector, reported United States subs in the Southwest Pacific had sunk 30 enemy transports, supply ships, five destroyers and probably one aircraft carrier.
In Burma Chinese troops, seven miles south of the railroad town of Toungee and under the direction of Lt. Gen. Joseph Stilwell, USA, are fighting furiously with the Japs. Japs had a large number of planes, but the Chinese are without air support.
MOSCOW — Germany has thrown more than 30 reserve divisions — approximately 500,000 men — into the fighting on the Russian front and is starting large scale counter-attacks, an unofficial report said.
Violent air battles have been fought the last several days for mastery of the air in the Leningrad area. It is reported that 13 Russian planes shot down 31 enemy craft in six days.

54 BOMBERS MAKE RAID ON BATAAN

WASHINGTON, March 24.—A fleet of 54 Jap heavy bombers hit the Bataan battle lines and Corregidor in what may mark the start of the anticipated new offensive in the Philippines the war department, announced today.
Several sharp encounters occurred in Bataan as fighting was resumed there, the department said. Three of the enemy bombers were shot down by anti-aircraft fire.
American artillery also laid down a heavy fire on enemy positions in Bataan, and the department said Japanese losses were believed to be considerable.
The bombing of Corregidor was the first large scale aerial attack reported on that fortress since early January.

4 UNIVERSITY PROFS SAY DALLAS MEETING FRAUD

AUSTIN, March 24.—Four members of the University of Texas economics faculty Tuesday asserted Dallas' Sunday mass meeting, reportedly devoted to demanding that labor and industry co-operate 100 per cent in the war effort, was "fraudulent" and "apathetic."
The four, V. E. Carlson, W. N. Peach, W. S. Gordon and Fagg Foster, said that they were denied the right to speak by Karl Hobbilzelle, theater executive who presided over the assembly.
The university economics instructors declared the meeting was not a spontaneous expression of the people, but a highly organized effort.
"More time was wanted on the meeting," Dr. Gordon said, "than on strikes since the war began."
The quartet agreed that at one point an individual shouted from the floor:
"You're hearing just one side of this."
"The whole thing," Gordon added, "appeared to be a fear on the part of the presiding committee that someone might get the floor and upset the apple cart."
All agreed that:
"The thing was one-sided and the only fair thing is to hear all sides of any questions at a democratic public meeting."

EARLY BIRD BREAKFAST TO START DRIVE

The annual Boy Scout campaign for funds will start with an "Early Bird Breakfast" at the First Christian church, next Tuesday at 7 a. m., March 31, it was announced today by G. R. Nance, finance chairman, and J. D. Lauderdale, vice district chairman for Eastland county.
Teams are being organized so that as nearly as possible the campaign will be finished Tuesday.
Mr. Nance said he was expecting no difficulty in the response, either in workers or contributors, as of all the times that scouting has been needed, now is the most important time.
Scouts are being called upon to render various services toward helping with the national emergency. The three main points for emphasis as given by the civilian defense council to the Scouts are now specified as (A) assisting emergency medical units, (B) fire watchers, and (C) messenger service.

Local troops throughout the Comanche Trail Council have been requested to stress training in those various subjects that will aid in the national emergency, Mr. Nance concluded.

The Cisco Daily Press

(Consolidated with Cisco Daily News and Cisco American and Round-Up, November, 1937.)

Entered as Second Class Matter December 11, 1934, at the post office at Cisco, Texas, under Act of March 3, 1879.

A. B. O'FLAHERTY, Publisher and General Manager, W. H. LAPOINTE, Advertising Manager

Published daily except Saturday and Monday at Cisco, Eastland county, Texas, by the Free Press Publishing Corporation, incorporated under the laws of the state of Texas. Editorial and publication offices at 204-206 1/2 avenue, Cisco, Texas.

National advertising representatives, Texas Daily Press League, Dallas, Texas. SUBSCRIPTION RATES: \$2 per year by mail (outside of Cisco) in Eastland, Stephens, Shackelford, Callahan, Brown and Comanche counties, Texas; outside the above-mentioned counties, \$2.50; \$4.75 in U. S. outside of Texas.

Per year, in advance \$2.00 Per week, by carrier \$0.10

YANKS IN AUSTRALIA

The first glow of pride and joy over knowing that MacArthur is in Australia has passed over the nation. Every editor and radio commentator has taken pains to warn the American people that they must expect no miracle, that the long pull has hardly started in the Far East, and that no American must sit back satisfied.

By this time the average American has rushed out and celebrated the news with anything from a small red stamp to a great big bond. Everybody is so stuffed with virtue and satisfaction that he feels like Thanksgiving afternoon. The funny stories of the quick, sharp Yank jumping over the slower Briton are completing this joyful picture.

Have you decided whether you like best the one about the line-man, who, told it would take two days to install a telephone at headquarters, grabbed one from a booth, picked up some copper wire and had the job done in half an hour? Or the one about the needed staff cars? Nineteen shiny new ones on a dealer's floor.

There was the one, too, about the house bought, paid for and taken down in an afternoon, and another about buried cables—trench dug, cables laid, trench covered over in two hours. Jeeps pushing plows and things did that.

SWISS TAKE HEART

Switzerland is reported to have arrested 19 Nazi agents. If this be true, it is a favorable sign. Though the Swiss yield to no one in courage, it is only common sense to admit that against modern weapons the bravest man, unless as thoroughly equipped, can make no headway.

HUMOR.

Good crowds are attending the revival at a local church held by the Emerson Evangelistic party of Kansas City, Mo. A fine booster choir sings each night. Friday night subject, "God's Dynamite," by Mr. Emerson. Sunday morning sermon, by Mrs. Emerson. Sunday night, "The Greatest Sin in Mulberry," by Mr. Emerson.

MUSIC IN LIBRARIES

Two men were passing the public library in a large city. "Wonder what it's like in there," said one. "Oh," said the other, "full of books."

He had the wrong idea. Libraries are full of books, it is true, sometimes too full for their own convenience, but that isn't the half of it. Information, for instance, has always been a library specialty; whether it be a business address in San Antonio, how to tell the different cuts of meat, or how to spell and pronounce Sevastopol.

Still another idea has lately been adopted by one library: a listening table for music. This is an ordinary piece of furniture with four turntables, on which records are quietly turning. Attached to each turntable are four sets of earphones, so that 16 people can listen at the same time.

for Wagner (some swing is available in sheet form, but hasn't yet been added to the collection of records), and you sit quietly for an hour in the heart of the city, listening to music.

A far cry, this, from the old idea of a library as a place of dead storage for dusty and musty books. Libraries nowadays are among the liveliest of our public institutions.

END OF AN EMPIRE

Thousands of Italians, mostly women and children, have been removed by the British from Ethiopia. There is no safety for them otherwise, now that their former Italian province has regained its freedom.

Thus ends the Italian attempt to build an empire in East Africa. Starting with a few impoverished streaks of boiling hot desert along the Red Sea, Italian East Africa attained respectable dimensions with the conquest of Ethiopia in 1936. Within five years this ambitious attempt has come to a miserable end.

The attempt is not likely to be repeated. Even if the Axis by any chance won the war, Italy would get nothing out of it, except perhaps Hitler's gracious permission to live. Ethiopia, even if reconquered, would not be turned over to the power that could not hold it when once it had it in its possession.

Can there be any contempt greater than that which the slower driver feels for the slower driver ahead of him?

OTHER EDITORS

Analyze and Criticize. San Angelo Standard-Times: At a time when civil liberties are curtailed by the exigencies of world war, there is encouragement in the Louisiana Supreme Court's decision dismissing contempt proceedings against New Orleans newspapers.

Too unquestioningly, some of us fear, the nation's press is permitting bureaucracy to dictate what shall and shall not be printed. Every responsible newspaper editor shrinks from the dread responsibility of publishing war and production data which official Washington thinks might help the Axis.

Under such restrictions, the spotlight of publicity may be kept off of incompetence and corruption. This makes it doubly imperative that where no confidential facts are concerned, the newspapers should remain completely free to analyze and criticize official action.

Congress to Blame.

Sterling City News-Record: Up in Terry county, 500 citizens are ready to kill strike ringleaders or managers who cause strikes in munition plants. These boys are letting their senators and congressmen know how they feel about it. These boys are not by themselves in this matter. The citizenship of all West Texas feel the same way about it.

CIVIL SERVICE.

The United States civil service commission announces open competitive examination for the positions of junior stenographer \$1440 a year and junior typist \$1260 a year. The register resulting from this examination will be used in filling vacancies in these positions in various federal government agencies in the states of Louisiana and Texas.

SMU ONE OF 7 KEY CENTERS LEE STATES

DALLAS, March 24—Southern Methodist university, one of a limited number of institutions prepared to function in a government civilian morale program, has been designated one of the seven key centers of information and training to be established in Texas by the United States office of education committee on the civilian morale service.

WAR DEMANDS QUESTIONS THE MAY RESTRICT RIGHT FREEZE USE OF BUTANE AUTO TIRES

LOS ANGELES, March 24.—Guy O. Bryan, retail tire dealer, challenges the constitutionality of the government's tire freezing and rationing order.

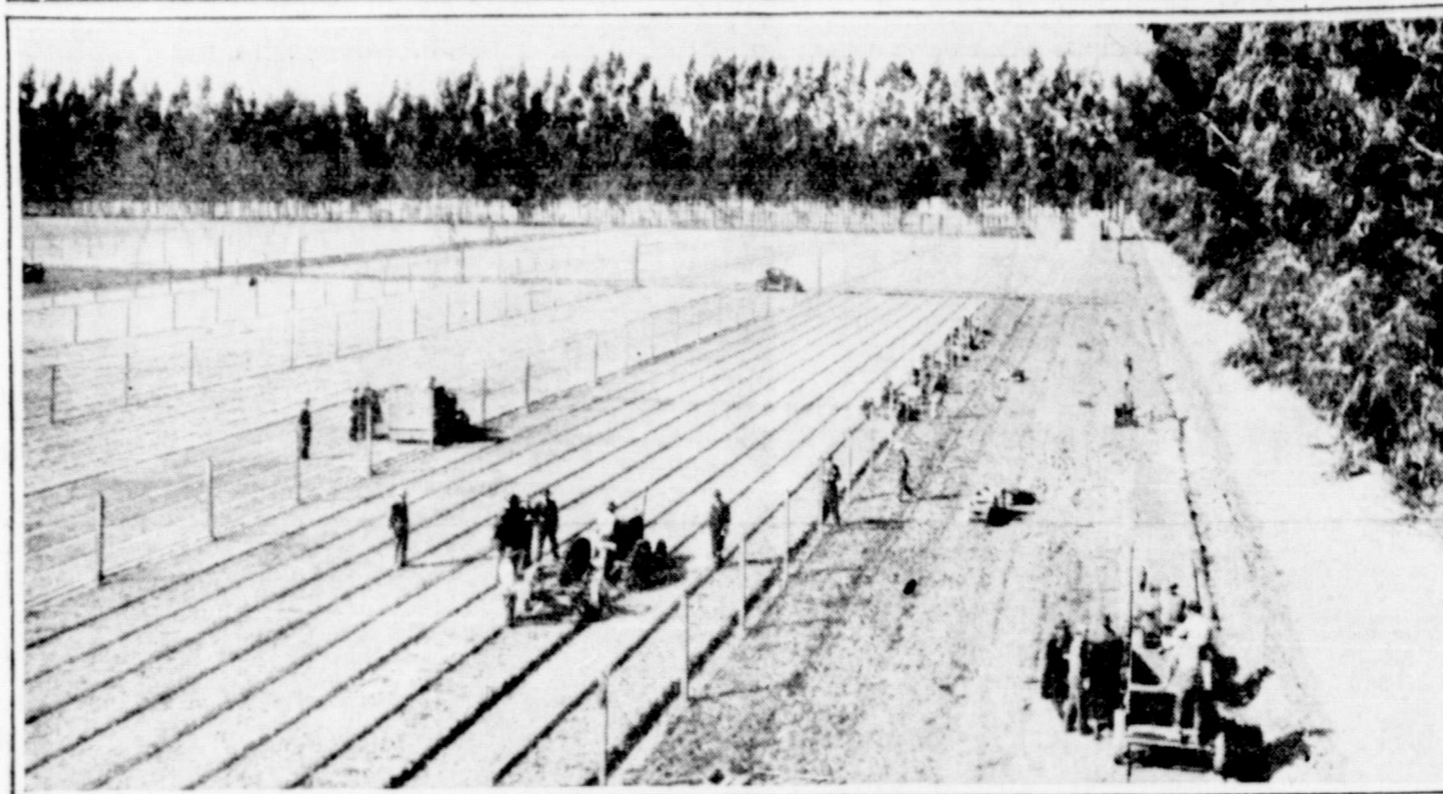

GENEROUS BOSS IS TOO FREE WITH SALARIES

WASHINGTON, March 24.—Congress was amazed Tuesday at the disclosure of war orders so lucrative the woman secretary of a manufacturer has been drawing salary and extra at the rate of \$18,295 for the first 10 weeks of 1942.

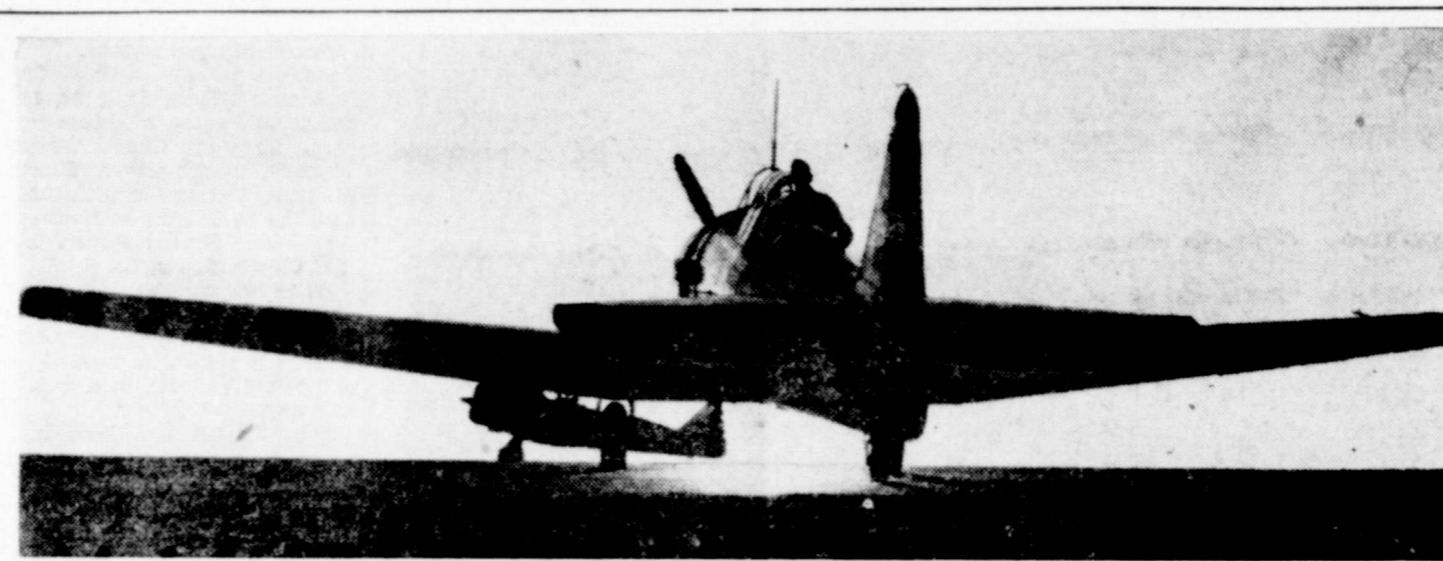

WHICH DO I LIKE BEST? THE WONDERFUL RICH TASTE — OR THE MILDNESS?

MAN! WHAT GRAND TASTE WITH SUCH COOL, REFRESHING MILDNESS—SWELL AROMA! AND DON'T OVERLOOK PRINCE ALBERT'S CRIMP CUT FOR QUICK, EASY ROLLIN'. PACKS BETTER IN PIPES, TOO!

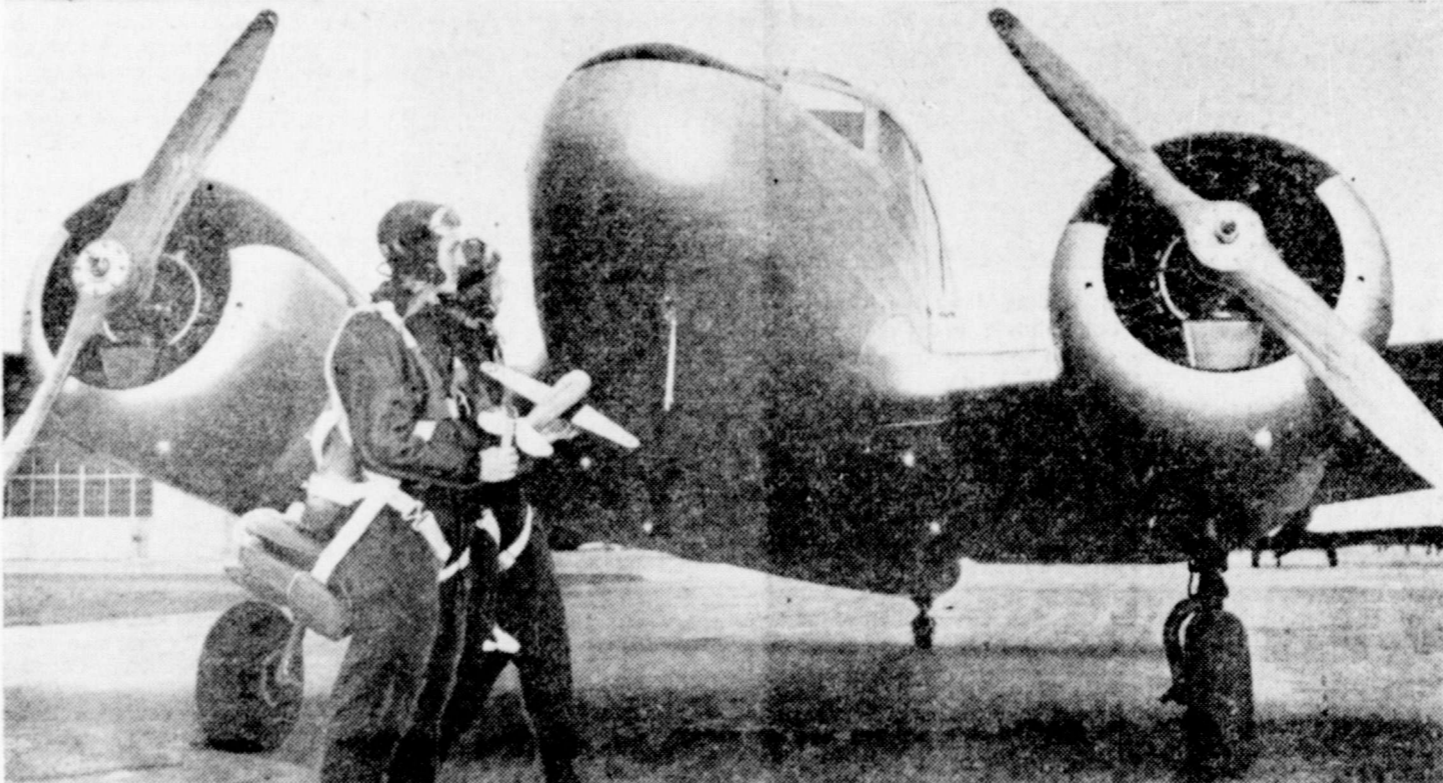

America Plants Its First Tire Crop

In this nursery in Salinas, California, lies the hope of the United States to produce real rubber in this country. From the sixteen million guayule seedlings and the 24,000 pounds of guayule seed, the U. S. Forest Service hopes to produce huge quantities of guayule rubber in 1944, although some experts believe it will be 1945 before large scale production can begin.

AN EARLY START—As the sun peeps over the Texas horizon, a student gunner prepares to zoom into the sky for target practice during flexible gunnery course down Harlingen road, near the mouth of the Rio Grande. Course is five weeks.

TWIN ENGINED CLASSROOM—The bulbous nosed AT-17 is the newest ship to poke its twin props onto the Randolph Field, Texas, flying line. Comparing the silver coated trainer with former craft, students hold model of single engined BT-9 plane.

WAR DEMANDS QUESTIONS THE MAY RESTRICT RIGHT FREEZE USE OF BUTANE AUTO TIRES

HOUSTON, March 24.—Aviation motor fuel manufacturer will have a marked but as yet unknown effect on the sale of liquefied petroleum gases, which last year reached another all-time high for the twentieth time in 20 years.

GASOLINE ALLEY BY FRANK KING

times since 1928, reaching 445,000,000 gallons in 1941. Growing use in defense industries and 520,000 new domestic installations last year primarily were responsible for a 42 per cent increase from 1940. Nearly 1,645,000 home owners now use liquefied gas.

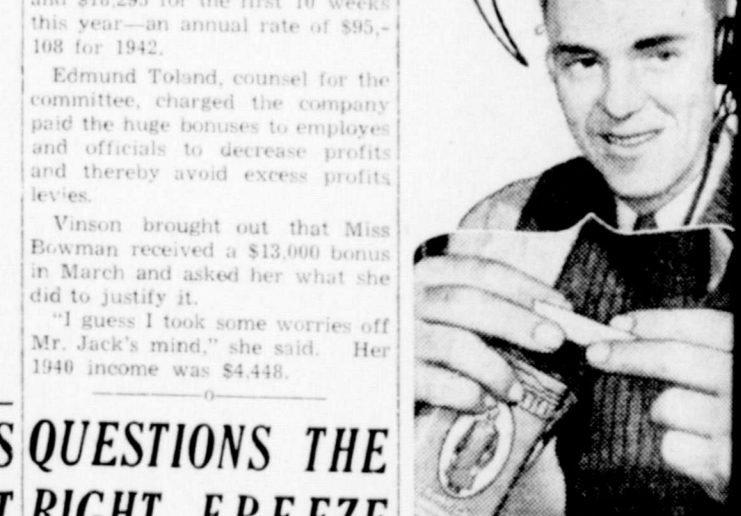

Domestic consumption by these home owners totaled 221,880,000 gallons in 1941, it is estimated, a gain of 65.5 per cent from 1940. Gas manufacturing, industrial applications and miscellaneous uses consumed the remaining 223,120,000 gallons of so-called "marketed production."

GENEROUS BOSS IS TOO FREE WITH SALARIES

Mrs. Pagett Honored With Coffee at Ten

Mrs. Paul M. Culp entertained with a ten o'clock coffee and handkerchief shower this morning in her home, 303 W. Fourth street, honoring Mrs. C. K. Padgett who is leaving Thursday for her home in Corpus Christi.

Relatives Visit Mrs. Lula Hollander

Mrs. Lula Hollander, who is recovering from an attack of pneumonia at her home in East Cisco, was visited Sunday by the following out-of-town and Cisco people: Mr. and Mrs. R. A. Hamilton, and son, Houston, Okmulgee, Okla.; Mr. and Mrs. W. F. Hollander and two daughters, Leta Mae and Fatha, Devon; Mrs. Jess Moseley, Crain; Mr. and Mrs. A. A. Coats and sons, Ernest and Hubert Allen; Mr. and Mrs. C. E. Prickett and children, Dona and Kay Frances; Mr. and Mrs. L. L. Hollander and children, Anna Louise, Leonard Lee and Thomas Ray, all of Cisco; Mrs. Benny Thomason and son, Jerry Thomason of Fort Worth; T. C. Hollander, Crain; Mrs. Elbert Wadley and sons, Marshall and Donald, Odessa; Mr. and Mrs. Earl Lisbenbe and daughter, Mary Edith Lisbenbe.

Newest Recipes Use Economical Glassed Foods

Syrup Replaces Sugar; Bottled Milk Basis For Cheese Soup. Here's news for patriotic housewives. Are you concerned about sugar rationing? Well, here's a dressed up party cake that uses only one-third of a cup of sugar.

Military Decorations

For a birthday celebration set a "V" of candles in the cake and decorate the table with a red, white and blue tablecloth and a paper soldier and sailor saluting the flag.

Stuffed Eggs with Cabbage Slaw

The two salads described here might have been created with men in mind. For instance, take this first one. The cabbage slaw is mixed through with a dressing of tangling tartness and the accompanying deviled eggs are clothed with the same dressing glazed firm over the top, in the refrigerator.

Stuffed Eggs with Cabbage Slaw Dressing

Combine the dry ingredients and salad oil, then add vinegar and tomato soup. Mix this dressing with the prepared salad dressing or mayonnaise.

Cheese Soup

The old reliable handy quart of milk provides the basis for this delicious cream of cheese soup. Now that the housewife is placing added emphasis on the nutritive value of her daily dishes, soups made with milk are an important part of any menu.

Cream of Cheese Soup

Place water in saucepan. Add salt, grated carrot and chopped celery. Cover. Bring to boil and cook about 5 minutes. Then drain hot liquid into a bowl and dissolve bouillon cubes in it. Remove vegetable from saucepan and add milk to it. Add onion to milk and bring to a boil. Cook slowly until mixture is thick. Add cheese and stir until cheese is melted. Heat for 5 minutes, then serve garnish each portion with chopped parsley.

Steak Fry At Lake Cisco Honors Guests

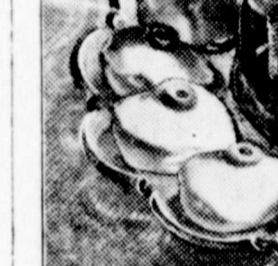

A steak fry, with all the garnishings was enjoyed by Mrs. J. S. Mobley and her guests at Lake Cisco Sunday afternoon. Included in the group were Lieut. and Mrs. Raymond Miller and Miss Marcia Mobley of Mineral Wells; Messrs. James Johnson of Cisco and Robert Jackson of Putnam; Technical Sergeant Forrest Mobley and Miss Ellen Arnold of Tulsa, Okla.; Miss Sue Mobley and the hostess, Mrs. J. S. Mobley.

Cisco Group In U. S. O. Program Saturday Night

A group of music pupils of Mrs. Ben Krauskopf furnished part of the fine entertainment given Camp Bowie soldiers in the USO building, Saturday night in Brownwood.

CRISP, CRUNCHY AND NOURISHING SALADS

To Please the Man in Your Life. MEN are more tractable about eating salads than they used to be. They even show enthusiasm—especially for salads of succulence and substance.

Stuffed Eggs with Cabbage Slaw is a man's size salad.

shredded cabbage. Combine with the Tomato Salad Dressing. Serve the stuffed eggs on a nest of cabbage slaw. Serves 6.

Jellied Cream Cheese Tomato Salad

Heat the tomato soup, just as it comes from the can, add the cream cheese and stir or beat well until the cheese is thoroughly blended with the tomato soup, then cool.

BRIEFLY TOLD

E. N. Dinwiddie returned to Cisco recently after spending four months in Los Angeles with his daughter. Mrs. Dinwiddie remained in California and Mr. Dinwiddie expects to join her there within the near future. The family first came to Cisco about ten years ago and for four years operated a gasoline station and auto-storage quarters across from Laguna hotel.

Mr. and Mrs. Joe Ward of Abilene were dinner guests of Dr. and Mrs. C. E. Paul, 708 I avenue, Sunday.

Mr. and Mrs. Chuck Scarborough and Mrs. C. A. Gray of Dallas were Cisco visitors Saturday. While here, Mrs. Gray, forty-

mer Cisco resident and property owner, called at this office and renewed her subscription to the Daily Press. She resides at 4309 W. Normandy, Dallas. Mr. and Mrs. Scarborough are also former Cisco residents, who will be remembered by many old time citizens. Mrs. Scarborough was the former Miss Verna Owen.

Out-of-town relatives and friends attending the funeral of Buford Richardson, which was held in Cisco Monday, were his mother, Mrs. Amos Richardson and son, Wendell Richardson of Handley, Mr. and Mrs. R. W. Smith and small son, Mr. and Mrs. R. W. Smith and small son, Mr. and Mrs. Lynn Robinson all of Odessa; Mr. and Mrs. Rayford Richardson and son of Abilene; Mr. and Mrs. Amilee Richardson and little daughter, Wanda June of Fannin; Miss Dallis Rea, Floyd; Mr. and Mrs. W. L. Rea and son, J. C. Rea of Handley; Mr. and Mrs. Steve Gastrock of Wichita Falls; Mr. and Mrs. J. W. Stephenson, Ft. Worth; Mr. and Mrs. Earl Rea and children, Rattiger; Mr. and Mrs. B. Benson, Avoca; Misses Ann Lake, Rosalie Morgan, Catherine Reddy, Douglas Summs and R. Pittman of Arlington; Mr. and Mrs. Benberry and Floyd Dungan of Odessa.

Mr. and Mrs. Winfrey Tucker spent the week-end with her daughter, Mrs. Bonnie Peters and Mr. Peters, at Giddings.

The city commission will meet at city hall tonight in regular session.

Mrs. E. L. Graham and children, Gloria and Sonny, accompanied by her mother, Mrs. Ida Stigler, spent Saturday afternoon in Abilene.

Mr. and Mrs. Bill Mathews of Odessa are visiting in the home of her mother, Mrs. G. W. Troxell.

Miss Mary Jane Butts, Mrs. F. D. Wright and Mrs. J. E. Spencer returned Monday afternoon from Dallas where they attended the annual flower show.

Mrs. W. C. Hodges who is a guest in the home of her parents, Mr. and Mrs. W. C. Hunterman, went to Odessa Sunday for a visit with relatives. She was accompanied on her return to Cisco by her sister-in-law, Mrs. Carroll Hodges, who will spend a few days here.

Mrs. Alex Spears spent the week-end with her son, Chas. Spears, and daughter, Miss Lil-

CARD OF THANKS

We wish to express our deep gratitude for the sympathy and help of our friends in the loss of our husband and father. May God's richest blessings be yours.

MRS. W. H. KIRBY,
MR. AND MRS. HERBERT V. KIRBY,
MR. AND MRS. J. S. CUNNINGHAM,
MR. AND MRS. R. E. KIRBY.

Ian Spears, students at Texas University, Austin.

Misses Mary Kate Lumpkin and Sara Maud Johnson of Big Spring were guests in the home of Mr. and Mrs. M. D. Bailey over the week-end.

Mrs. M. D. Bailey and daughter, Miss Carolyn Bailey of Rising Star, spent the week-end with Miss Elizabeth Bailey, student in N. T. S. T. College, Denton.

Mr. and Mrs. C. S. Sarles of Waco and Mrs. Esen Fields of Putnam were week-end visitors in the home of Mr. and Mrs. Charles Clark.

Mr. and Mrs. Hugh Miller of Fort Worth and Miss Topsy Russell of Baird spent the week-end with their parents, Mr. and Mrs. O. J. Russell.

Horace Cameron has returned from Bastrop where he has been employed.

Mr. and Mrs. W. W. Fewell had as guests Sunday, Chaplain and Mrs. King and their son Jerry, of Camp Bartlesley, Abilene.

Mr. and Mrs. Earl Edwards went to Dallas Saturday to visit their son, Cecil Edwards, who left with a number of other U. S. recruits for Kelly Field, San Antonio.

Misses Winona Milner and Bobby Shirley visited friends in Brownwood Sunday.

Mr. and Mrs. C. F. Coats and daughter Loyce Coats visited relatives in Ballinger Sunday.

Mrs. Berta Carmichael spent the week-end with the family of Mr. and Mrs. S. L. Yeager at Pueblo.

Mr. and Mrs. C. A. Farquhar have returned to Cisco and are making their home at 1200 F avenue.

Mrs. Ida Shelton has received news of the serious illness of her grandson, W. C. Shelton of Dayton Beach, Fla. Mr. Shelton is a son of Ben Shelton, who died there last year.

CATTLE MARKET

The Fort Worth market Tuesday was mostly steady on all classes of cattle and calves. However, medium and plain quality steers and yearlings were still slow and weak with early bids un- usually lower on these classes.

Hogs were steady to the lower with the packer top \$13 while others paid up to \$13.10.

Killing classes in the sheep yards were fully steady with Spring lambs topping at \$13.

Good to choice fed steers and yearlings ranged from \$10.50 to \$12. Sales included one load of choice fed heifers averaging 732 pounds at \$12, five loads of fed steers at \$11.25, two loads of fed steers at \$11, three loads of fed steers at \$11.50, and a few choice club yearlings up to \$13. Common to medium steers and yearlings ranged from \$7.50 to \$10.

Good beef cows brought \$8.25 to \$9, butcher cows \$7.25 to \$8, culler cows \$6.25 to \$7, and canner

FOR SHIPWRECKED SAILORS—Being demonstrated in Los Angeles, this rubberized semi-inflated water-tight suit can keep occupant warm and afloat indefinitely. Takes two minutes to don.

K. OF C. STATE CONVENTION FT. WORTH MAY 11

FT. WORTH, March 24.—Two state officers of the Knights of Columbus met with a Fort Worth committee Monday at the Blackstone hotel to discuss plans for the Texas convention here May 11-13.

The state officers are Gus J. Strauss, state deputy, and F. J. Kinnane, general state insurance agent.

Members of the local arrangements committee who met with them are J. D. Ashe and C. J. Reet, co-chairmen, and John J. Bannon Jr., W. E. Crotty, Frank E. Crumley, Dan G. Douglass, W. J. Fesperman, C. J. Fleming, George P. Gleason Sr., George Herney, Dr. Charles Kenney, J. J. Hurley, James Leonard, B. H. Manning, William Millerberger Jr., R. E. McNally, M. J. Sullivan, B. C. Taylor and John L. Tracy.

MERCY SHIP SAILS GREECE ON WEDNESDAY

NEW YORK, March 24.—Bound on a humane voyage to save lives across an ocean on which warring humans are taking them, a brightly-lit ship sails for Europe Wednesday symbolic of the underlying brotherhood of man even in the fury of war.

A Swedish motorship Sicilia, safe conducted granted by Allied and Axis nations after months of negotiation, will depart for Piraeus, Greece, with 2,000 tons of flour, 10 tons of medicine and supplies and eight-drums of concentrated vitamins for starving Greeks.

The Greek War Relief Association, which obtained the consent of the United States, Britain, Germany and Italy for the passage, said the ship would follow a pre-determined course and be guided through mined waters by pilots of the belligerent nations.

SINKING OF TANKERS.

NEW YORK, March 24.—The American Petroleum Institute has estimated that each tanker sunk meant that 100,000 automobiles

OUT IN THE WEST—Fair tourist attempts unsuccessfully to imitate the shape of this giant saguaro cactus in the Valley of the Sun, Arizona. Top looks like hitch hiker's thumb.

were deprived of their principal source of fuel.

Figuring that each tanker annually carried 63,000,000 gallons of fuel, the institute said this was about equal to the consumption of 100,000 passenger cars at 650 gallons each or of 35,000 domestic oil burners at 1,800 gallons each.

The institute's computation came as Eastern States and Oregon and Washington were undergoing a 20 per cent reduction in dealer's supplies and were faced with the possibility of ration cards for motorists.

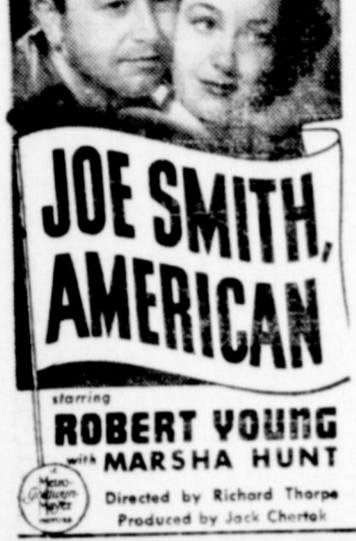

Such a procedure, urged by

Ickes, is opposed by the Gasoil Association of Metropolitan New York, the Eastern States Gasoil Dealers Association and the Automobile Club of New York, which advocate a "fair test" of the present dealer rationing system.

YOUR USE OF THE TELEPHONE IN WARTIME

TODAY telephone wires are humming with the urgent messages of a nation at war.

In a few localities and on certain long distance routes, these vital messages have brought heavy loads. Elsewhere we are still able in most places to give you good service, however, and there is no reason why you should not make normal use of your telephone.

But you can help us serve both you and the war effort by avoiding any wasteful use of telephone facilities. So please keep in mind these four simple suggestions:

4 WAYS YOU CAN HELP

- 1. Speak clearly.** Having to repeat yourself takes time, and ties up the lines needlessly. Please talk in normal tones directly into the mouthpiece, with the lips about 1/2 inch away. It's better not to talk with a cigarette, pipe or pencil in your mouth.
- 2. Hang up carefully.** A hook or other object under the receiver may put your telephone "out of service." Please replace the receiver carefully. It will insure your getting all incoming calls.
- 3. Answer promptly.** Even seconds are important these days. However, when you make a call, give the other fellow enough time to reach his telephone before you hang up.
- 4. Avoid "rush hours."** You may avoid occasional delays if, when possible, you will not make long distance calls during peak hours—10:12 A.M., 2-4 P.M., and 7-8 P.M.

SOUTHWESTERN BELL TELEPHONE COMPANY

Where do I come in?

You haven't forgotten about me, have you Daddy? You've included me in your plans for the future, haven't you? I want to go through high school, you know, and college, too, Daddy. Sure, that'll take money. But I know how you can arrange for every dollar of it, Daddy, and it'll be waiting for me when I'm older...

See your SOUTHWESTERN LIFE INSURANCE man today, Daddy, and let him tell you how his Company has helped more than 155,000 other Texans work out their financial plans for the future.
