## PLENDID RAINFALL THROUGHOUT CISCO COUNTRY SLOWED LIVESTOCK SALES THIS WEEK

Buying and selling at the Cisco livestock exchange was slow Tuesday on account of the steady downpour of rain, said Paul Booth, secretary of the association. Sales were only \$1,600 this week as against from \$4,000 to \$8,000 usually.

## FOREIGN POLICY BIG ISSUE IN ILLINOIS RACE

SPRINGFIELD, April 8.—An issue primary which will afford nation its first test of public opinion since the United States led Great Britain in war against the Axis nations, will be at stake, from a national view, are the nominating of democratic and republican candidates

U. S. senator, one congress-at seat and 25 district congress- n. Also to be nominated are didates for state treasurer, e school superintendent, state ator and state representative county offices.

## HOOGS AT \$14.50

Despite the ceiling on wholesale prices of pork, hog prices at Fort Worth Wednesday continued to soar, the day's advances being reported at 10c to 15c above Tuesday's average levels, with the extreme top \$14.50, the highest since 1920 on this market. Packer top was \$14.40.

All cattle and calves found an active and fully steady market here. Sheep prices on the sales reported were fully steady, quality considered.

Several bunches of good and choice fed steers and yearlings brought \$10.50 to \$12, with a few club yearlings held above \$13. Medium grade short-fed steers and yearlings cashed at \$9 to \$10.25 and common steers sold downward to \$8.

Beef cows cashed at \$7.50 to \$9.25 and canners and cutters at \$5 to \$7.50. Bull prices ranged from \$7 to \$9.50.

Good to choice fat calves sold at \$10.50 to \$13, with common to medium butcher calves at \$6.75 to \$10.50 and culls at \$7.25 to \$8.50.

## 53 MEN IN LINE NOW

Cisco Defense Guard will meet at the city fire department tomorrow night—no matter what the weather—at 7:45.

Unable to drill outside because of rain, the guardsmen will devote an hour to the study of drill tactics. No member can afford to miss this educational feature.

Fifty-three men were in line last Thursday night—the largest turnout yet. They were divided into two platoons, with First Lieutenant Sim Ledford in charge of one and Second Lieutenant Wyatt Jacobs commanding the other.

## SAM RUSSELL CALLED AT THE PRESS OFFICE

Congressman Sam Russell, who was speaker at the Lions luncheon today at which Rotarians and other businessmen were invited, called at the Daily Press office later in company with Mayor G. P. Mitcham and Postmaster Luther McCrea.

Mr. Russell said he was making a flying trip over the Seventeenth district during the short recess of congress in order to learn how he might better represent his people, pending his return to Washington at the week-end.

## BROKE THE RECORD

Charles J. Kleiner, Chairman, Eastland Co. Committee for the Celebration of the President's Birthday, Cisco, Texas.

My Dear Mr. Kleiner: We were delighted to see, from the report of the President's Birthday celebration sent in by J. D. Lauderdale, treasurer, that Eastland County broke all its previous records. To you and your associates go the deep appreciation and hearty congratulations, not only of myself but for the national committee and the Texas state committee.

You should derive great satisfaction from the fine success that you have achieved from year to year in the campaigns to further the fight against infantile paralysis. Not only have you and those who helped you provided funds to bring some little children back from a crippled existence to a happy life, but this year you have helped to pay a great tribute to the president of the United States and to give him tremendous encouragement at a time when he is heavily burdened.

Assuring you of our genuine appreciation of your splendid cooperation, and with kindest personal regards and best wishes, I am Very cordially and sincerely yours, GEORGE W. BRIGGS, Vice Chairman for Texas.

## SIXTY LIONS, ROTARIANS AND OTHER CISCOANS HEARD CONG. SAM RUSSELL IN DINNER TALK

About 60 Lions, Rotarians and visitors heard Cong. Sam Russell today at the noonday luncheon program at the Laguna. Mr. Russell followed a preliminary program, being introduced by Lion G. P. Mitcham, who was first introduced humorously by Lion L. W. Seymour, who said he had been delegated to introduce the congressman, but that the mayor had insisted that he be given the opportunity, insisting that since he was a member of the minister's board of stewards, it might be well to give over the honor.

Kenneth Huffman was present in a reading by President O. L. Stamey who said the club was doubly honored by having a congressman and a future congressman present at today's luncheon.

Rev. Hayden Edwards, of Fort Worth, was a guest, and he introduced Charles F. Williams, also of the Fort Worth Down Town Lions club, who is a candidate for district governor for District 2-E, which includes Cisco.

## SCHOOL LUNCH PROGRAM MOST WORTHY CAUSE

Last month 1,272 Eastland county school children in five rural and thirteen urban schools received direct benefits from the community school lunch program. W. S. Adamson, county judge, reported today.

Parent - Teacher association, school officials and other civic organizations in Eastland county are doing their part to help reach the national goal established for community school lunch programs this year, Adamson said. "Last year 4 1/2 million of the approximately 9 million undernourished school children in the United States were reached by the community school lunch program. This year officials hope to reach at least 7,000,000 of these children."

Enumerating the benefits of the program, Judge Adamson said that it makes underprivileged children stronger physically and more alert mentally, thus building a stronger America of today and the future.

Provides a basis for teaching children table manners, certain fundamentals of home economics and other rudiments of modern culture.

Promotes community spirit and cooperation among the various local groups sponsoring the program.

Creates large farm food markets, both on a local and national scale. Basic foods are furnished for the program by the local sponsors, it was pointed out. Supplemental meals are then furnished by the Agricultural Marketing Administration. These foods are stored and distributed by the State Department of Public Welfare.

WPA project workers prepare and serve the food in Eastland county schools, Judge Adamson said, with the assistance of local school sponsors.

## CURB HOME BUILDING

WASHINGTON, April 8.—Severe as it is expected to be, the imminent War Production board order curbing civilian construction will not affect the building of homes costing under \$6,000 in designated defense housing critical areas, WPB officials said Wednesday. In nondefense areas, the order which is due within the next 48 hours will "mark the suspension of the civilian construction industry," WPB Director Donald M. Nelson said Tuesday.

## FDR AND NELSON DIFFER

WASHINGTON, April 8.—President Roosevelt and his war production chief, Donald M. Nelson, differed openly Wednesday on the wisdom of wartime cash bonuses for workers who set a fast pace in vital arms industries.

Nevertheless, there were numerous signs that the hotly debated controversy over wages and hours might be edging nearer a solution, despite the continuing surface turmoil.

Roosevelt, while intimating that there might be an announcement on the wage question soon, told his press conference Tuesday that he was utterly opposed to the wartime bonus plan because men in such a national emergency ought to produce all they could. He added he also disapproved bonuses in peacetime on a piece work basis.

The Chief Executive's remarks ran counter to those of Nelson, who endorsed the bonus or "incentive pay" plan during an appearance before a Senate committee on March 20. Making the simultaneous suggestion that plants and employees be given merit awards for outstanding work, he said that such a system might eliminate labor "slow downs."

Nelson acknowledged, however, that it could be applied only in certain major war industries.

As the capital waited for some clarification on the disagreement between Roosevelt and the WPB chief, Nelson's right hand man, William L. Batt, sounded a new note of urgency and warned that the public is no longer in any mood to "tolerate indecision and delay—by management, by labor or by government" in prosecuting the war program.

## CIO AND AFL PLEDGE BEST WAR EFFORTS

PITTSBURGH, April 8.—CIO President Phillip Murray and AFL President William Green, rivals in peacetime but united in war, symbolized labor's unity Tuesday night by pledging their organized millions to "stand together" to help win the war and exhorting labor's critics to "join labor, not stab us in the back."

The two labor leaders met on a speakers platform—for the first time since labor's ranks split in 1936—before a cheering audience of more than 4,000 workers at a joint AFL-CIO "unite for victory" rally in Syria Mosque.

Green and Murray called upon their followers to "produce, produce and produce" for victory. "Then each answered the "unthinking people" they charged with attacking labor and questioning labor's patriotism.

## WATER DELUGE THAT WAS GIST OF STATEMENT BY AM. GEN'RAL

LONDON, April 9.—Gen. Geo. C. Marshall, United States chief of staff, announced tonight -- after two hours' conference with Mr. Churchill -- that American armed forces already in Ireland want to "expand to Europe."

Marshall and Harry L. Hopkins, Roosevelt's adviser, conferred with Mr. Churchill on "confidential matters" of Allied strategy a few hours after their surprise arrival in England from the United States.

Significance is attached to Marshall's statement that "we want to expand to Europe" by a recent assertion in Washington that the United States must prepare to undertake a major offensive against the Axis "at the earliest possible moment."

In this connection the AEF already in Northern Ireland is undergoing intensive training in Commando tactics under veteran British instructors, who have taken part in raids on Nazi-held European coasts.

The chief of staff is accompanied by a small staff of military experts who flew secretly with him and Hopkins in a bombing plane. General Marshall told of rapidly swelling ranks of the United States armed forces.

The American army, he said, is expanding at the rate of four divisions a month and by this summer 150,000 men will be added to the U. S. fighting forces every thirty days.

Asked when the "European expansion program" of which he spoke would get under way, Marshall said: "We expanded into Northern Ireland the other day."

At least two separate contingents of American troops have reached Northern Ireland.

Marshall said he wished to visit the encampments of these troops before leaving the British Isles.

He said he was uncertain whether he would return directly to the United States from Britain. It was reported in other quarters that he might go to the Middle East to confer with British leaders in Cairo, because of the looming menace of a strong German drive there.

Marshall and Churchill, and British general staff leaders as well, are expected to go thoroughly into Allied plans against Axis offensives on world fronts this summer and for counter blows.

SOCIALISTIC THREAT HAMPERS WAR EFFORT

Reports indicate that all electric power resources, public and private alike will soon be pooled in certain localities where war demand for power is increasing fast. Private utility management has long urged this, as the obvious way of attaining maximum electric output at minimum cost in money, labor and strategic materials.

INDUSTRIAL PATRIOTISM

It is reassuring, at a time when there have been many complaints of war profiteering, to learn of the big sums voluntarily saved for the government by the North American City, and Continental Motors, Inc., of Muskegon, Mich. The former returned \$14,000,000 already paid to it on army warplane contracts, when it found that with improved tools and production methods it could cut the cost of the government order one-third.

THE NEW VESPERS

Sicily 600 years ago, was ruled by the French. They were cruel and selfish, governing the island in their own interest while the people suffered. Finally, on Easter Monday, 1282, about the time of the vespers service, popular patience broke. A French officer's insult to a Sicilian woman brought about his murder and that of thousands of French all over Sicily.

TIME IN ASIA

As that governmental debate drags on in India, the Allied Nations, who understand the peril

and the terrific need of haste, grow impatient. But Asiatics in general, and East Indians in particular, always have plenty of time. Their world moves slowly when it moves at all. They have all the time there is, and their world is full of years.

The Hindus measure time in crores. A crore is ten million years. And as the British are finding, the first crore is the hardest.

DESDEMONA

Dr. and Mrs. Audie Brown, of Richardson (near Dallas), spent the week-end here with his brother, R. A. Brown, and family and another brother, Alton Brown, and their sister, Miss Alva Brown.

Mr. and Mrs. Eli Rushing and baby son, of Stephenville, were the guests of her parents who live in the Jake Hamon community, and of his cousin, J. H. Rushing, and family on Saturday and Sunday. They were accompanied back to Stephenville by Jack Powers who had spent the week-end here with his mother, Mrs. W. H. Powers.

Mr. and Mrs. R. D. Wright and baby daughter of Troupe, visited her mother and sister, Mrs. J. R. Buchan and Miss Lillie Buchan, on Sunday. They had spent Saturday at DeLeon with his parents, Dr. and Mrs. J. M. Wright.

We failed to mention in last week's issue that Mr. and Mrs. Dick Cutting, of Wichita Falls, were guests of Mr. and Mrs. Charles Lee on Saturday. Both Mr. and Mrs. Cutting were reared in Desdemona and graduated from our high school where she afterwards taught home economics.

For some time she has been teaching first aid classes and also classes in food conservation in the Red Cross organization at Wichita Falls. As Dick planned to join the U. S. Army on April 6th they came down to Cisco to visit her father and step-mother, Mr. and Mrs. N. D. Gallagher, and down here, Mrs. Lee is her aunt.

I. N. Williams who is superintending the drilling of the Mac Dermott-Williams well at Clyde, came home Sunday night. He was accompanied by J. E. Heeter who is one of the drillers on the well. They went back Monday.

Quarterly conference for the Desdemona circuit which includes the Methodist churches at Desdemona, Victor and Salem, was held at Victor, Sunday. The church has recently been remodeled and enlarged and is very attractive inside with its newly paneled walls and ceiling and white woodwork. Rev. Wishure of De Leon, had come over and built the pulpit and altar and had papered the ceilings for which he was given a vote of thanks. The outside will be either painted or rocked later on. Many beautiful flowers were used in the decorations for the Easter celebration.

Rev. Roy Langston, of Cisco, who is district superintendent, preached a splendid sermon on the resurrection and in the afternoon he presided over the conference during which reports were given by the pastor, Rev. H. B. Clark, and the officials of the three churches. Those from Salem who attended were Mr. and Mrs. John Ryan and little son, and Ervin Ryan and those from Desdemona were Rev. and Mrs. H. B. Clark, Mrs. Charles Lee, Mrs. W. C. Bedford and Odie Brightwell, Whit Richards and Tom Nabors. The ladies of Victor served an abundant and appetizing picnic dinner under the trees by the side of the church.

Mr. and Mrs. A. D. Baker and daughter, Betty, of Olden, were guests of Mr. and Mrs. J. H. Rushing and daughters and of Mr. and Mrs. K. D. Brian, Sunday.

T. E. Ervin drove over to Stephenville, Sunday afternoon, to take his son, Tommy, back to John Tarleton college, after his week-end at home.

Mr. and Mrs. George Patterson accompanied by Mr. and Mrs. Tom Nabors, drove to Eastland, Wednesday. They visited Mr. and Mrs. Guy Patterson and family. Mrs. Guy Patterson is a

PRACTICE POPPING PARACHUTISTS—Auxiliary police of the Tacoma, Wash., Civilian Defense Corps blaze away at the heavens in practice session as they prepare defense against aerial invaders. Parachute dummies provided targets.

daughter of Mr. and Mrs. Nabors, and her husband is a brother of George Patterson.

Miss Colleen McKain who attends Texas State College for Women at Denton, is spending the spring holidays here with her parents, Mr. and Mrs. John R. McKain.

Mrs. Howard Williams, accompanied by Mrs. Jesse Sparkman, drove to Gorman on business, Monday.

Mr. and Mrs. C. W. Maltby drove to Eastland on Tuesday of last week. They were accompanied by Mrs. M. P. Williams of Freer, who had been visiting friends here for a few days, and went back to the home of her son, Max Williams and family.

The election for school trustees held Saturday resulted in the election of Odie Brightwell as a new member of the board and the re-election of R. A. Brown. Mrs. W. H. Powers was judge of the election and was assisted by Mrs. J. H. Rushing and Mrs. W. C. Bedford.

Mrs. Howard Williams and daughter, Dorothy Fern, attended an Easter egg hunt at School Hill, Sunday. After the egg hunt there was a program and then a splendid picnic dinner. They were guests of Mrs. Williams' sister, Mrs. Christian.

Scotty Lemaster left several days ago for Amarillo where he has employment with the state highway department.

Mrs. Jack Lee and baby accompanied by her mother, Mrs. W. S. Lemaster and her sister-in-law, Mrs. Scotty Lemaster, drove to Fort Worth on business, Wednesday.

Miss Mary Alice Brown who is attending Texas State College for Women is spending the spring holidays here with her parents, Mr. and Mrs. R. A. Brown, and family.

The "42" club met Monday night at the home of Mr. and Mrs. George Patterson, with the usual number of members present.

The splendid rains Sunday and Monday nights and today, Tuesday, have been much appreciated. The Methodist Women's Society of Christian Service met Monday afternoon at the church with nine members present. The spiritual life program of which Mrs. Charles Lee was leader was presented. A part of the quarterly "prayer letter" was read after which Mrs. Lee asked Rev. H. B. Clark to give a review of a book, "Jesus, as They Remembered Him," written by Chester Warren Quimby. Rev. Clark discussed the several chapters in a most interesting manner. The

Arney, Ranger, March 29, a boy—Billy Wayne.

The XXth Century club will meet in regular session at 2 p. m. in the library club room.

Music Study Club Met With Mrs. Purifoy

The Cisco Music Study club met Wednesday morning in the home of Mrs. A. R. Purifoy with Mrs. Ben Krauskopf presiding. Discussion was made of the annual junior day program which will be presented soon.

The topic "Youth and Music" was a continuation of the subject studied at last meeting. "Music at Bryn Mawr" was discussed by Mrs. W. W. Fowell; Mrs. S. E. Hittson spoke on "Music in Boy's Town"; "Music As a Social Force" was told by Mrs. E. P. Crawford.

Those present were Mrs. W. W. Fowell; Mrs. S. E. Hittson; Mrs. Ben Krauskopf; Mrs. E. P. Crawford; Mrs. J. A. Jensen and Mrs. Purifoy.

Presbyterian Auxiliary In General Meeting

First Presbyterian auxiliary met Tuesday afternoon in the church with Mrs. Homer Slicker, president, in charge. After a brief session during which it was decided that each circle would have organization, members repaired to their various rooms for election of officers.

Officers elected by circle one were chairman, Mrs. Alex Spears; McCracken; secretary, Mrs. Elizabeth Hayes; treasurer, Mrs. E. P. Crawford; Bible teacher, Mrs. G. L. Smith; secretary of spiritual life, Mrs. C. H. Fee.

Other members present at the Mrs. John Kleiser and Mrs. Abbie C. Daniel.

Circle two chose Mrs. John E. Moriarty as chairman; vice chairman, Mrs. F. J. Borman; treasurer, Mrs. R. E. Pentecost.

Members present were Mrs. P. R. Warwick, Mrs. S. E. Hittson, Mrs. Yancy McCrea, Mrs. John E. L. Ponder, Mrs. J. E. Coleman, Mrs. F. J. Borman and Mrs. J. E. Moriarty.

Circle three elected as chairman Miss Willie Ward; vice chairman, Mrs. W. W. Wallace; secretary, Mrs. R. B. Roswell; treasurer, Mrs. G. C. Rosenthal; Bible leader, Mrs. T. C. Williams; reporter, Mrs. E. L. Graham. The

Philathea Class Will Meet Friday

The Philathea class of the First Methodist church school will have a business and social meeting Friday night, April 11, in the home of Mrs. Jess McCandless, 608 W. Third street. All members are urged to be present.

Women's Council Met in Church Tues

The Women's council of the First Christian church met in the church Tuesday afternoon for the monthly business meeting and mission program. During the business session, at which Mrs. Jack Elkins presided, reports from the group chairmen were given and other business matters discussed. The meeting was then turned to the mission program.

After singing the hymn, "My

**SLACK SEASON**—These are slack times, speaking from a sartorial point of view, as Natalie Schafer, comedienne, comes forth in attractive pearl gray galardine outfit on a Spring day in New York.

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic arthritis or neuritis, try this simple recipe. It is a package of lemon juice, a two-week supply, and the juice of four lemons. You need only three tablespoons of lemon juice and if you do not have it, you can buy it at any grocery store. It is sold by some druggists under the name of "Lemon Juice" and is recommended by many physicians and drug stores everywhere.

Pretty near "a coon's age" before you add a quart

How this oil with its modern synthetics—man-made betterments—triumphed in the Certified Death Valley Test. Why it out-mileaged five others more than 2 to 1...

A PEBBLE starting an avalanche that wrecks a town can illustrate one big thing to you about getting full mileage from your oil change this Spring. (Spring change is a serious "must," all authorities warn you.)

Now folks in the hills take care not to give pebbles any start. And by changing to Conoco Nth motor oil you are taking care not to let thickening mush get a start in your crankcase. The added modern synthetic... man-made Thiabene inhibitor in Conoco Nth... is aimed to inhibit or ward off the very start of bad "jelling" that often drains down mileage these days.

And still another synthetic in Conoco Nth has long been noted for its magnet-like way of attaching OIL-PLATING to inner engine surfaces. OIL-PLATING isn't

constantly draining down. Then instead of plain fluid-type oil film alone, which comes and goes, your engine can have this steadfast OIL-PLATING besides... Oil film sliding between OIL-PLATED engine parts!

What's gained in engine life and oil mileage? You can judge from the impartial Death Valley Test. Conoco Nth ran up more than twice the mileage averaged by five big-name quality brands—each run till engine was ruined. Conoco Nth out-mileaged the next-best by 74% and another by 161%... certified.

What's the best oil mileage you'd hope for in your own car? See if Conoco Nth doesn't deliver. Your Conoco Mileage Merchant knows your correct Spring grade. Change today. Continental Oil Company

### BRIEFLY TOLD

Born to Mr. and Mrs. A. V. Osburn, at Graham Sanitarium, Sunday afternoon, a son—Guy Gene. The young man weighed 7 pounds and 12 ounces.

Miss Elizabeth Bailey, student in North Texas State Teachers college, left for Denton Tuesday after spending the spring holidays with her parents, Mr. and Mrs. M. D. Bailey.

## 4-H CLUB HAS MILLION AND HALF MEMBERS

This week the nation is saluting its million and a half 4-H club members who are doing war service on the rural front. About 75,000 of these boys and girls are Texans and 385 of these are Eastland county boys while 340 are Eastland county girls, according to figures from state 4-H headquarters.

National 4-H club week, April 5-11, is a good time to give recognition to the thousands of other people who are contributing to the success of the 4-H movement, in the opinion of H. H. Williamson, director of A. and M. College extension service.

He explains that there are 2,386 men who are giving their services as adult leaders for the 1,971 boys' 4-H clubs in the state, plus 2,223 women who are serving as sponsors for the 2,010 girls' clubs.

Eastland county has eighteen adult sponsors for its eighteen 4-H club (girls) and there are two older 4-H club girls who sponsor a Junior club.

The boys have 20 adult leaders for twenty 4-H clubs of Eastland county. "It's all volunteer work. These local leaders get no financial compensation, but the satisfaction of helping build future leaders and of community service," Director Williamson explains.

4-H work in Texas is directed by A. and M. College extension service. Working with farm youth is one of the major jobs of the state's 285 county agricultural and assistant agents and 217 county home demonstration and assistant agents. Assisting 4-H club members and helping county extension agents in their club activities are jobs of Onah Jacks, state girls' club agent; L. L. Johnson, state boys' club agent; and J. W. Fotts, assistant state boys' club agent, and of other members

### This Nation's Daily YARDSTICK DIET

Milk	1 pint of milk daily for an adult 1 quart daily for children
Vegetables	2 servings, in addition to potatoes. One green or yellow. One leafy or raw.
Fruits	2 servings, one of which should be citrus fruit or tomato. One raw.
Flour, Bread, Cereals	Preferably whole grain or "enriched." Dark rye or whole-wheat bread, rolled oats, cracked wheat, whole-ground corn meal, etc., or "enriched" flour. Count spaghetti, macaroni, rice, grits and noodles as cereals, not vegetables.
Meat, Eggs	1 serving lean meat, poultry, fish or meat substitutes. 1 egg daily—at least 3 or 4 a week.
Fats	Butter or "enriched" margarine daily. Count salt pork, fatback and bacon as fats, not meats.
Sweets	Enough to make food palatable, not enough to dull appetite for other foods.
Water	At least 6 glasses a day.

## Let a Modern Gas Range Hang on to those Vitamins

• Simmer-burners to keep vegetables "alive" . . . Thermostat-control for perfect oven foods . . . Smokeless broiler for sizzling foods with juices intact. Come in and see what these beautiful automatic ranges can do to feed a family right. It's not the vitamins you buy that count, it's the vitamins that get to the dinner-plate. And over-cooking will float most of them out the window.

Help yourself to smooth, accurate cooking that hangs on to those life-giving chemicals, to protect your family's health. Not skimpy health, but abundant health. On top of that, these good gas ranges save cash, by making the groceries go further.
