U. S. O. DRIVE WAS LAUNCHED LAST NIGHT

SOVIETS SMASH THRU

Army shock troops smash through the German first line below Kharkov and in "enormous losses" on the offensive that is momentum against last-moment Axis reserves, of Moscow dispatches reported.

Russian troops hammering Kharkov were said by the news agency, Tass, to be pursuing the Axis forces, were "thrown back a considerable distance" and forced to many guns and other equipment.

Red army spearhead to the Kharkov industrial sector regarded as of greatest importance in connection with the fighting still in progress in the south sector of the Crimea, the Russian communique pledged a retreatment to positions due to temporary superiority of the Axis forces.

Red army's offensive Kharkov, unleashed after Hitler's Crimean drive ago, was designed to upturn the spring and summer of the Caucasus thrust when Kharkov falls.

It is a strong point on the flank of Hitler's drive. It had been anticipated the German push across the Peninsula to war would be supplemented by down from the north if the Germans suffer around Kharkov their will be acute, even if they succeed in crossing the Kerch Straits and into the Caucasus.

Germans admitted that they were attacking strongly Kharkov front behind the assault launched against "the Italian Crimean front from the Russian side, with their superiority," had them to withdraw at some point of the Red army's offensive.

German high command reported that pursuit of "remnants" of the forces continued, without any specific claims.

WASHINGTON, May 14.—Pieris efforts to interfere with United States' moves to neutralize Martinique as a potential threat in the Western Hemisphere, will be ignored, a reliable source said today.

United States is not interfering with anything Vichy, France promises so long as approval is in power. The U. S. dealing with Vichy concerning the status of Martinique and three other small islands in the Caribbean, but with Georges Robert, the high commissioner, who previous occasion acted as a Vichy official source said that United States notes had not to Vichy, therefore, from Vichy on the sub-Martinique was desired.

OTIS LOMAX IN SUB SERVICE, IS OK

Mrs. O. C. Lomax formerly of Cisco, but now of 2804 May street, Fort Worth, recently received a letter from her son, Otis C. Lomax dated April 29. He is in the naval service and is located somewhere in the Pacific. He wrote that he was well and sent word to his navy shipmates, among whom are some former Ciscoans, for them to "take the high seas and he'll take the low seas, and he'll get to Tokyo before they do."

He enclosed a copy of a commendation he had received from Rear Admiral Withers, commander of the Pacific submarine fleet, for his help in sending so many Japanese ships to the bottom. In the letter Rear Admiral Withers explained that "On the first patrol conducted by the submarines after the outbreak of war, this submarine was absent from port 41 days. As a member of the crew you contributed materially to the success of the mission; the force commander is pleased to commend you, on your performance of duty. A copy of this commendation will be made a part of your official record."

Otis Lomax received his second class electrician's rate last July. It was of this voyage that Otis wrote his mother after arriving in port: "Several times your son thought he was a goner; but we are winning the war." He requested his mother to be sure to save his commendation for him as he values it highly and stated that it took a lot of sweat to get it.

Lomax finished Cisco high school in 1939, joining the navy soon after his graduation.

OSCAR LYERLA GIVES ELECTION DATA OF IMPORTANCE

Oscar Lyerla, chairman county Democratic executive committee, has been kind enough to furnish the Cisco Daily Press with important information relative to 1942 election laws and regulations.

Here it is.

June 1—Last day for candidates for district and state offices to have names placed on ticket.

June 13—Last day for candidates seeking county and precinct offices to have name placed on ticket.

June 15—County executive committee meets to make assessments.

June 20—Last day for candidates to pay assessments.

July 5—Absentee voting begins.

July 25—Date of first primary.

By authority of an opinion from the attorney general the oath of allegiance is not to be filed for candidates in the primary, but by the nominee before the general election, the oath of allegiance to be filed with the secretary of state.

CARLOS MEDLIN PROMOTED AT FLYING SCHOOL

Carlos Medlin, son of Mr. and Mrs. J. M. Medlin, 208 E. Twenty-second street, Cisco, has been promoted to staff sergeant according to information issued by Col. Thomas L. Gilbert, commandant of the Lubbock army flying school.

Sergeant Medlin, who is a graduate of the Air high school, is with the 502d school squadron at this large advanced twin-engine flying school. Medlin is chief clerk in squadron headquarters and enlisted on September 26, 1941.

EXPECTS BIG DAY SUNDAY

The army, iron horses and all, will visit Eastland Sunday.

In a program that will be county-wide in nature and to which all citizens of Eastland county—including the people of Ranger, Cisco and Rising Star—are invited, the Eastland Dulin-Daniel post of the American Legion will formally inaugurate its Legion Hill Service club for service men who come to Eastland over the week-ends.

J. Watt Page, adjutant general of Texas, and his assistant, Major Lipscomb, have also been invited. More than 150 troops of the 113th cavalry of Camp Bowie, led by their commander, Colonel Chase, will parade through Eastland business district at 2:30 Sunday afternoon. The troops will be led by the 113th regimental band, the only unit of the detachment traveling on foot. Tanks, armored cars, jeeps, peeps and other motorized equipment used by America's growing and modern army, will be seen in the parade.

Tin-hatted troops, with fixed bayonets and battle regalia, will exhibit close-order drills and other maneuvers suitable to the parade ground during the course of the march.

Following the parade the scene will shift to Legion Hill in west Eastland, where a program entitled "Regiment on Parade" will be presented by selected soldiers. The program is designed to exhibit the talent among the soldiers who make up today's fighting forces.

After this a basket supper will be served. Women of the county are invited to bring baskets of lunch and they and their families to visit with the soldiers during the afternoon.

"Rain or shine, the army will be in Eastland," said Mrs. Marene Johnson, who as chairman of the entertainment committee is helping the Legion post, of which Henry Pullman is post commander, prepare to be the host to the visiting service men.

"Bring your baskets—whether it is clear or rainy. The boys will be hungry."

CALVERT OF ABILENE AT ROTARY TODAY

Rotarians enjoyed a program of motion picture film at the noon luncheon hour today, giving high lights and some details of the old-age and survivors insurance and social security program. The program was brought by J. B. Calvert, of the social security office at Abilene.

Lion President-elect Norman Huston was the guest of Rotarian T. J. McCarty, while Dr. Frank L. Turner, president of McMurry college at Abilene, was a guest of the club. Other guests and visitors were D. L. Parker, Pampa; Jack Frost, Eastland; W. H. LaRogue and Billy Cole.

Rotarians present were R. N. Cluck, E. P. Crawford, Sutton Crofts, W. W. Fewell, Dr. E. L. Graham, A. C. Green, S. E. Hittson, E. Hooks, Edward Lee, A. E. McNeely, G. L. (Pete) Nance, A. L. Ponsler, O. J. Russell, Lonnie Shockey, I. A. Skiles, J. W. Slaughter, Dr. Gary L. Smith and T. J. McCarty.

DRILL NIGHT.

Cisco defense guard will drill at the ball park tonight, starting at 8 o'clock. The park is well lighted for drill purposes and Cisco people are invited to sit in the grandstand and watch.

FIRE FIRST U. S. SHOT OF WAR—The gun crew on the destroyer U. S. S. Ward, stands by the 4-inch gun which has the distinction of having fired the first naval shot to roar in America's defense during Jap assault on Pearl Harbor. Gun is still keeping vigil at Hawaiian theatre of war.

REGIONAL CHAIRMAN SAYS FOUR COUNTIES HAVE ALREADY RAISED THE QUOTAS AND CLOSED DRIVES

The USO meeting at Eastland last night was attended by a small but deeply interested group of citizens from over the county. Charles J. Kleiner, Eastland county chairman, presided and the principal speakers in launching Eastland county's drive for \$3,000 were J. D. Sandefer, Jr., of Breckenridge, regional chairman, and Paul L. Harrup, of Abilene, a director of USO work in this area.

Mr. Sandefer heads the work in 13 counties and is practically devoting all of his time to the labor of raising funds to establish and operate recreation rooms for men of the U. S. army and navy. He reported that four counties in his district have already raised their quotas and closed their drives.

Paul L. Harrup presented a movietone picture showing the service rendered men of the armed forces by the USO organization. It was very interesting and enlightening and convinced all who saw it that the USO is worth a great deal more to our soldier boys than the small amounts asked annually.

The USO, as one man put it performs a great service for enlisted men in keeping up their morale, assisting them with personal problems and furnishing clean, supervised entertainment when they are away from camp. The club rooms also provide a place for quiet, serious study, where the soldier may compose himself and write that letter to father, mother or other loved ones.

Literature on all phases of USO operation may be had at the office of the county chairman, 414 D avenue, Cisco.

INCOME TAX RATES 1942 TO GO LIMIT

WASHINGTON, May 14.—The house today means committee today neared a decision on 1942 income tax rates after voting to cut personal exemptions so low that many housewives and part-time workers would have to file returns next year.

Even buck privates in the army—if the pending pay raise to \$50 a month is finally voted—would have to pay an income tax.

The committee voted, 17 to 7, late yesterday to reduce personal exemptions from \$1500 to \$1200 for married persons and \$750 to \$500 for single persons. That reaches down to single persons who earn only \$9.62 a week and to married persons whose weekly wage is only \$23.08.

A soldier under the pending pay schedule would get \$600 a year. If he were single and had no allowable deductions to make other than the 10 per cent earned income deduction, he would have a taxable income of \$50. On this year's rates—which probably will be hiked next year—this hypothetical soldier would pay a \$4 income tax—\$1.60 regular tax and \$2.40 surtax.

The committee's reduction of exemptions was a blow to the advocates of a general sales tax, although they said they would continue their campaign.

It was a moral victory for the treasury which has been seeking to broaden the income tax base as a weapon against inflation. The committee did not change the dependency exemption.

It was definite that between 8,000,000 and 10,000,000 persons who never have filed income tax reports will be required to do so next year and that many of them will have to pay some taxes.

The committee voted yesterday to retain the 10 per cent credit allowed for earned income up to \$14,000. The treasury had urged its abolition.

Dollar-a-year men who fail in their duty are harshly criticized by congressmen. When did they quality to throw the first stone?

DENTISTS TO ALLIED BOMBERS MAKE SUDDEN BE SCARCE SWOOP ON JAP INVASION BASE; OUTSIDE ARMY SINK 3,000-TON ENEMY SHIP

SPRINGFIELD, Ill., May 14.—Every dentist in the United States under 37, if physically and professionally qualified, will be inducted into the armed forces under present plans, asserts Dr. Gerald D. Timmons, Chicago, executive secretary of the American Dental Association and dental representative of the Procurement of Assignment Service.

He told the Illinois Dental Association that of about 72,500 dentists now practicing, more than 13,000 will be in the United States armed forces, if the goal of 7,000,000 men for the army and 1,000,000 for the navy is realized.

DAILY PRESS CALLERS.

Mr. and Mrs. Milburn McCarty of Eastland were callers at the Daily Press office this afternoon. Incidentally Mr. McCarty mentioned that he and Mrs. McCarty were in Washington, D. C., recently, where they had a pleasant visit with their son, Milburn McCarty, Jr., who holds an important position with the United States treasury department.

CANADIANS TO ENGLAND

SOMEWHERE IN ENGLAND, May 14.—Thousands of fresh Canadian troops newly landed from an Atlantic convoy reached camps in Southern England for advanced training and the Canadian first army moved a step nearer its final shape Thursday.

LYN JOHNSON WILL ASK FOR RE-ELECTION

WASHINGTON, May 14.—Official Washington has its eyes on the political contest getting under way in Texas, wondering who will come here to represent the Lone Star State in the Senate in the six-year term beginning next January.

There's a lot of speculation as to how things will go in a three-cornered fight involving Senator O'Daniel, seeking re-election; Dan Moody and Federal Judge James V. Allred.

Friends of Lyndon Johnson Wednesday at Austin spiked speculation that he would get in the race. Alvin J. Wertz, former Undersecretary of the Interior and close associate of the representative who is now on active duty with the navy, notified county chairmen in his district that Johnson would be a candidate for re-election to his seat in the lower house.

Johnson was second man in the election to fill the late Senator Morris Sheppard's unexpired term, and the issue between him and O'Daniel was in doubt until the last votes trickled in.

M'ARTHUR HEADQUARTERS, Australia, May 14.—Striking out suddenly at the western flank of the Japanese invasion bases north of Australia, Allied bombers Wednesday night sank a 3,000-ton Japanese ship at the former Dutch island of Ambonia and damaged two others. General MacArthur's headquarters announced Thursday.

At the same time other Allied air raiders attacked Rabaul, New Britain, on the enemy's opposite flank, plastering shipping in the harbor and raining explosives on 15 Japanese bombers surprised on the airfield runway, a communique said.

The new Allied blows emphasized warnings by Australian leaders that the battle of the Coral Sea has not ended the peril facing this continent and that only continued assaults upon the whole vast network of Japanese bases to the northwest and northeast can avert invasion.

The attack on Ambonia represented a round-trip flight of more than 1,300 miles for Allied raiders attacking from Northwestern Australia.

The island, situated between New Guinea and Celebes, is 650 miles northwest of Darwin and about an equal distance southeast of Davao, Japanese base on the Philippine island of Mindanao.

You can trust a man who says: "What a fool I was." He has learned. What scares us is the silence of those who blundered.

ABUNDANCE

While many Americans are afraid that this war will end our capitalist system, Thurman Arnold, head of the anti-trust division in the Department of Justice, foresees a great future for capitalism.

"Full production for the war effort will sweep aside monopolies and cartels and other restrictive practices and open up new enterprises beyond our dreams, which is another way of saying the war will restore the capitalist system of free enterprise."

LAST WORD ON COUGHLIN

The silencing of Charles E. Coughlin's voice in public affairs, where it has long been on the edge of sedition if not over the edge, now seems complete.

Two great commodities not rationed, and not likely to be, are patriotism and good will to men.

WILD TALK HURTS

A serious question is raised by Senator Herring of Iowa, one that may lead to considerable argument. He objects to the use of railway trains "to haul loggers to race tracks at a time when soldier boys are jammed into obsolete unsafe railway equipment."

general feeling that in these tragic times, life should be kept as nearly normal as possible, for the preservation of health and sanity.

MEN OF CORREGIDOR

Say a prayer for the Men of Corregidor, living and dead. Rough and tough they must have seemed in the rags and dirt of their fox-holes, but they were "white, clear white, inside."

They have fought the good fight, they have finished their course, they have kept the faith.

GAS, SUNSHINE

A rather curious argument is going around now, about gasoline. There is a scarcity of this fuel in a tier of 17 eastern states, running from Canada southward, within the western limits of New York, Pennsylvania, West Virginia, North Carolina, Georgia and Florida.

So the question of rationing arises in a new form. The eastern states obviously must ration their gasoline until they can get a normal supply again.

The other states, however, insist that such procedure would be unfair and absurd, that it is purely a case of delivery, and they, like their eastern brethren, should get what can be delivered, instead of being punished for other states' misfortune.

POLITICAL

The Cisco Daily Press is authorized to announce the following candidates for the offices under which their names appear, subject to action of voters at Democratic primary of July 25, 1942.

- STATE REPRESENTATIVE, 196TH LEGISLATIVE DISTRICT: L. H. Flewelling; DISTRICT CLERK: John White (re-election), Claude (Curley) Maynard; CRIMINAL DIST. Red Cross Needs Volunteer Workers

There has been a good response to request for sewers and knitters, stated Mrs. Roby Miller, knitting instructor, today—but there is still a large amount of wool thread for making sweaters, caps and other garments for the shipment which must go to Red Cross headquarters in June. Materials are here for garments of all kinds. There is work for all who are willing to help and workers are needed.

COMMENCEMENT H. R. Garrett PTA Speaker FOR CISCO JR. Wednesday P. M.

Dean Colby D. Hall of Texas Christian university, will preach the baccalaureate sermon on the evening of May 31 for Cisco Junior college, according to Vice-president H. R. Garrett, who incidentally mentions that Dean Hall is an outstanding speaker and educator, and will have a message for those who attend the events that will be well worth their while, and his sage advice to the graduating collegiates will tend to shape their lives for future usefulness.

The grammar school parent-teacher association held its final meeting of this year Wednesday at 3:30 in the school building. The meeting was opened with the group repeating the Lord's prayer in unison. Mrs. Yancy McCrea was in charge of the brief business session and C. J. Turner was leader of the program consisting of two piano selections by Melvin Sandler, and a very splendid address by H. R. Garrett, of Cisco Junior college. The parent-teacher association is sponsoring a picnic to be held at Lake Cisco next Friday, honoring the grammar school graduating class. Mrs. James Moore's room won in the room count.

CARSWELL IS A CANDIDATE FOR LEGION HONOR

ABILENE, May 14.—T. N. Carswell, a charter member of Parramore Post No. 57, Abilene, is the 17th district's nominee for commander of the fifth division of the American Legion, department of Texas, in the election of officers scheduled for the division convention in Abilene Saturday and Sunday, July 11 and 12.

The division convention and the 17th district convention will be held here simultaneously. J. M. Wilson of Floydada is division commander and W. J. Wisdom of Stephenville district commander.

Carswell is a former commander of the Abilene post and has served as division and district membership chairman. He is a former business manager of Hardin-Simmons university, was manager of the Abilene chamber of commerce from 1924 to 1939 and now is clerk of Taylor county selective service board No. 1.

CATTLE MARKET

Estimated salable receipts of livestock for the Thursday trade at Fort Worth were posted at 1800 cattle, 400 calves, 1400 hogs, and 6000 sheep.

Generally steady prices were paid for most classes of cattle and calves. Trade in beef steers and yearlings was rather slow and weakness was evident in some instances. Cows also were not very active. Only a few bulls were on sale. The small run of calves cleared relatively early on both killer and stocker accounts.

Bulk of the common and medium grade slaughter steers and yearlings turned from \$9 to \$11.25 with some above and below this range. Good fed offerings brought \$9 to \$11.25 with some above and below this range. Good fed offerings brought \$11.50 to \$12.25. Two loads of good and choice heifers made \$12.25 and a load of steer yearlings scored \$12.50. Highly finished cattle were scarce at \$12.50 and better.

Beef cows of good grade earned from \$9 to \$9.25, odd head higher, most medium butcher cows \$8 to \$8.75, common sorts \$7.25 to \$7.75, cutters mainly \$6.75 to \$7.25 and canners \$5 to \$5.50.

Good heavy bulls \$9 to \$9.50, common and medium kind \$7.50 to \$8.75, some lightweight cutter grade bulls having to go under \$7.50.

Majority of the good and choice killing calves cleared from \$11.75 to \$13, a few lights going above \$13, common and medium grades largely \$8.75 to \$11.50 and cull calves \$7 to \$8.50.

An eight-car string of yearling stocker steers brought \$12. Other lots ranged from \$9 to \$12.25. Good stocker steer calves moved from \$12 to \$13.25, scattered sales on choice lightweights \$13.50 upward, common and medium grades downward from \$9.25.

Hogs sold strong to 15c higher than Wednesday's average at Fort Worth today. Best butchers topped at \$14, paid by packers. Good and choice 160-280 pound offerings sold mostly at \$13.95 and \$14, a few early at \$13.85. Good and choice 160-175 pound weights bulked from \$13.50 to \$13.85. Packing sows and pigs remained steady, packing sows \$12.50 to \$12.75 and stocker pigs at \$12.50 down.

STIMSON AFRAID

WASHINGTON, May 14.—Secretary of War Stimson said Thursday the possibility of air raids on the West Coast was "a real danger." Asked at his press conference to comment on reports that frequent raid alarms and blackouts on the Pacific coast were the result of the activities of friendly planes, Stimson replied that he was "unable to make that assumption." "They are on their toes out there, and very much on the alert," he said. "I am glad to see them alert, because I think there is a real danger."

2,999 BLIND, 26,773 CHILDREN HELPED

AUSTIN, May 14.—In an effort to speed up the handling of applications for old age assistance, aid to dependent children, and aid to the needy blind, field workers have been instructed to discontinue home visits. J. S. Murchison, executive director of the state department of public welfare, announced.

In the past the department has made a practice of completing investigations of eligibility in the home where the necessary papers to prove eligibility were usually conveniently at hand. Murchison explained that the old age assistance rolls had increased to 172,324 active cases which, under the

Burial service was held in Gorman today for Ed Lucas, former Ciscoan, who died at his home in Odessa Wednesday. Mrs. Ed Lucas and only daughter, Miss Ellen Lucas passed through Cisco today enroute to Gorman to be present at the service. Deceased was a former employee of Gallagher and Lawson.

Mrs. Bee Cearley and children, Shirley Sue and Jackie O. Monahan are guests of her parents, Mr. and Mrs. C. W. Graves.

Mr. and Mrs. Roy Fonville went to Stephenville Tuesday to accompany their son, Marvin Fonville who has recently joined the Naval Air Corps to Cisco for a visit.

Miss Lucile Pierce of Wichita Falls was a week-end visitor in the home of her parents, Mr. and Mrs. F. D. Pierce.

Mrs. Oscar Cliett of Abilene is spending today in Cisco.

Mrs. R. G. Frownfetter visited Mrs. Vina Stephens and other friends here Wednesday while enroute from Los Angeles, Calif., to her new home in Houston.

RUPE FAMILY MEETS FIRST TIME IN YEARS

Mr. and Mrs. John G. Rupe have returned from Dallas, where they were guests of their daughter, Mrs. Laura Brown and husband, Ed Brown.

Sunday all the children of Mr. and Mrs. Rupe joined them at the apartments of Mr. and Mrs. Brown. Those present besides Mr. and Mrs. Rupe and Mr. and Mrs. Brown were Mrs. J. B. Spearman, Lubbock; Mrs. L. E. Morris, Marshall; Mrs. J. C. McGregor, Richardson Springs; John Howard Rupe, Houston, and Jay G. Rupe, radio instructor in the army air corps now stationed at Fort Scott, Ill.

Mr. Rupe said this was the first time all members of the family have been together in twenty years.

Jay G. Rupe attended the Cisco high school and graduated with the class of 1936. During his student days he was leader of the Lobo pep squad.
