JAP ATTACK ON ALASKAN PORT WAKES U. S.

RAID DID BUT LITTLE DAMAGE AND MAY HAVE BEEN FEINT FOR A HEAVIER ATTACK ELSEWHERE

WASHINGTON, June 4. -- The navy, describing the situation at Dutch Harbor, Alaska, as quiet at present, reported Thursday that the second wave of enemy planes which flew over the base Wednesday failed to drop bombs and probably was engaged only in reconnaissance.

A communique declared damage at the base was not extensive and fires were quickly extinguished after the initial raid.

The air raids on the United States naval base at Dutch Harbor, Alaska, shifted the focus of Pacific war to North America itself Thursday and put defenses from the Aleutians to Panama on the alert against further thrusts.

Brief official reports of these first air attacks on North American soil failed to indicate immediately whether they were mere hit-and-run blows or the opening phase of an organized grand assault on the northwestern stepping stone to Canada and the United States.

But Anthony J. Dimond, Alaskan delegate to congress, gave this warning:

"I am afraid we may have a struggle on our hands to keep that area."

The first attack was made by four Japanese bombers and about 15 fighters at 6 a. m. Alaska time (noon Eastern War Time) Wednesday and lasted about 15 minutes.

"A few warehouses were set on fire but no serious damage was suffered," the navy announced. "There were but few casualties."

Dimond said he had heard nothing direct from Alaska on the raids but expressed fear that there were too few defending planes to beat back a sustained series of attacks in case the Japanese opened big-scale offensive such as the Philippines invasion.

Civilian defense leaders at Seattle warned the public to recheck air raid instructions and prepare for a possible blackout. In California the Los Angeles County Defense Council issued an emergency alert, calling for sharp vigilance and readiness for instant action.

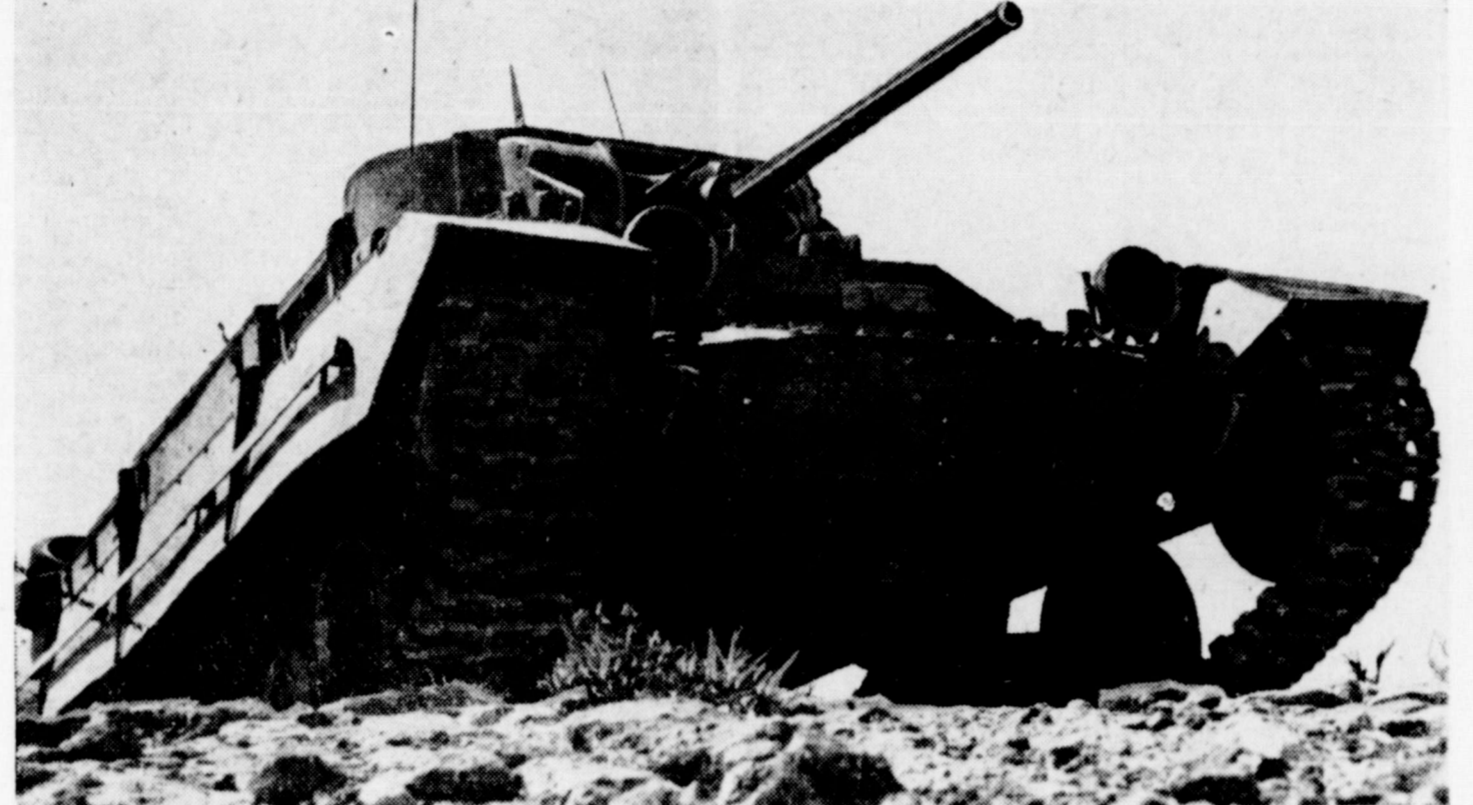

Military authorities at Balboa canceled all leaves and passes of soldiers and sailors in the Panama Canal Zone. The alert status there was intensified.

GUARDS WILL BRUSH UP ON BLACK - OUTS

Tomorrow night's meeting of the Cisco Defense Guard is an important one, in that guard members will be instructed in their duties in case of air raids or practice blackouts, said a company officer today. Calls for practice blackouts may come at any time now from army quarters at Brownwood or Abilene, it is stated, and Cisco guardsmen will be expected to collaborate with air wardens and the local police force in patrolling highways. At Friday night's meeting the men will be assigned territory for which they are to be responsible in case of blackouts, trial or otherwise.

LEGION TO K. C.
INDIANAPOLIS, June 4.—The American Legion's streamlined 1942 convention will be held at Kansas City Sept. 19-21. The executive committee picked Kansas City from among eight midwestern cities — Chicago, Detroit, St. Louis, Cincinnati, Indianapolis, Omaha, and Des Moines. The convention is planned to conserve drastically the country's transportation facilities. Individual posts are asked to encourage attendance of only elected delegates. New Orleans originally was picked, but the site was moved because of the war.

RECREATION CENTER.
BROWNWOOD, June 4. — Remodeling of the four-story Graham hotel here, a landmark of pioneers in this country, was completed today as the building was turned over to the army for use as a recreation center. The remodeling project, financed by the Federal Works Agency at a cost of \$65,000, started Dec. 2 and was completed four days ahead of schedule.

A DESERT MONSTER—Here's one of the reasons why Nazi General Rommel's Libyan push found tough going outside Tobruk, where British stonewall resistance halted the thrust with heavy losses to the enemy. It's heavy British tank on Libyan patrol.

R. Q. LEE FARM IS SOLD

H. L. Ratliff of Breckenridge, distributor for the Phillips Petroleum company in this area and well known in Cisco, has bought what has long been known as the R. Q. Lee Model Farm, just outside of Cisco. Purchase was made from Norvell & Miller of this city. This 720-acre tract of good land was originally a dairy and poultry farm, but has not been operated as such for several years. The new owner will stock the property with registered Jersey dairy cattle and will also raise poultry. He will operate as a wholesaler, it is said. The ranch has worlds of good, fresh water, it is stated, and is well fenced. Mr. Ratliff is a good business man and citizen," said E. P. Crawford today in speaking of the property transfer, "and many Cisco friends trust he will eventually make his home here. However, for the present he will remain in Breckenridge and will install a manager."

FEWELL WAS IN CHARGE

W. W. Fewell had charge of the program at Rotary luncheon today and, although his regular program as arranged early in the week failed to respond, he presented Miss Danna Thornton on the accordion and Miss Bettie Rowé Wilcox in piano numbers and scored a hit with the club. Both musicians were encored. Ray Clark, son of Mr. and Mrs. A. L. Clark, was presented by Rotarian R. N. Cluck, superintendent of schools, as the most valuable boy in the senior class of '42, the young man having been so designated by the faculty. Clark displayed the appropriately engraved gold key offered by the Rotary club for that honor and said he valued it more than words could express. He said he had received medals in the past in tennis, but none would be cherished like this key which he would keep all his life.

WOODRUFF OK AND PLEASED WITH SERVICE

Howard Woodruff, naval machine gunner and stationed somewhere in the Pacific, writes his mother, Mrs. Earl Simms, that he is in good health and is well pleased with his branch of the service. Woodruff, 21 years of age, attended Cisco grammar school but was musician in the S. P. shops at Houston before he joined the navy on January 1.

SOLDIERS PLEASED.

Camp Bowie, Texas, June 2, 1942.

Hon. G. P. Mitcham, Mayor of Cisco.

Your Service club and the families who cooperated with our Service Club are deserving of the highest commendation and praise for their effort and work in showing members of my command an enjoyable week-end.

I also wish to take this opportunity to thank your chief of police and chief of the fire department for their work in escorting our convoy into town and guarding the army trucks so that the soldiers could spend all their time participating in the activities.

The men of the 113th Cavalry (Mecz) at Camp Bowie are deeply appreciative and for them I wish to thank you very much for the fine entertainment you have shown them.

Very truly yours,
Wm. C. CHASE,
Colonel, 113th Cavalry (Mecz) Commanding.

SUMMER SCHOOL JUNE 5

The second annual summer school for Cisco Junior college will begin Friday, June 5, it was announced by President R. N. Cluck today. Class work will start Tuesday, Mr. Cluck said.

Courses offered will depend somewhat on demand, but full college work is available and six hours of college work will be completed during the summer.

In the commercial department, taught by Mrs. Minnie Hill, shorthand and typewriting will be offered in three levels—beginners, intermediate dictation course and advanced civil service course.

On account of tire rationing and threat of gasoline rationing, Junior college summer work in Cisco should appeal to many who want to make a beginning on their college courses. The building is cool and study should not be unpleasant in the college surroundings, said President Cluck.

TREASURY IS 12,000 JAPS HANDLING GI-MAY BE AT GANTIC SUMS SEA BOTTOM

WASHINGTON, June 4.—A treasury recapitulation shows that it handled a record total of \$4,569,000,000 financing operations during May.

Of these, \$3,450,000,000 were money-raising efforts to finance the war effort and \$1,119,000,000 were refunding actions.

Cash borrowing included \$1,292,000,000 from the sale of 2 per cent 7-9 year bonds, \$882,000,000 from 2 1-2 per cent, 20-25 year bonds, \$618,000,000 from net sales of war bonds, \$355,000,000 from net sales of tax notes and \$303,000,000 from net sales of treasury bills.

Refunded into direct treasury obligations were \$847,000,000 worth of Home Owners' Loan Corporation bonds and \$272,000,000 worth of Reconstruction Finance Corporation notes. These refundings actually took place in May, but will not show up on the treasury books until June 5.

DEADLY GESTAPO.

LONDON, June 4.—The Nazi Gestapo has executed approximately 600,000 persons in Europe since the outbreak of the war, the Moscow radio declared Thursday according to Reuters. The wholesale executions include 1,542 within Germany, the Moscow report said.

M'ARTHUR HEADQUARTERS, Australia, June 4.—Allied submarines sank an armed transport of 6,000 tons "with probable loss of all troops," sent two heavily-loaded supply ships to the bottom and damaged a third, a headquarters communique announced Thursday.

The ships sunk totaled 22,000 tons, the announcement said. It estimated that the Japanese might have lost 12,000 troops. The communique did not specify the time covered by the operations, but said the sinkings occurred in a raid on enemy-shipping lanes.

The communique said: "In a raid on enemy shipping lanes, one of our submarines sank two heavily-loaded armed supply ships of 6,000 and 10,000 tons, badly damaged a third of 7,000 tons, and sank an armed transport of 6,000 tons with probable loss of all troops."

"The Japanese are notorious for overloading troop transports. It is known that they put more than 12,000 soldiers on some 6,000-ton ships."

"Apparently this is the work of our submarines in cruise." Earlier, General MacArthur's headquarters announced that Japanese submarines had sunk one ship off the east coast of Australia, and Prime Minister John Curtin said at Canberra that three of four Japanese submarines which entered Sydney harbor last Sunday

CATTLE MARKET

Cattle trade at Fort Worth Thursday was slow with the price trend slightly downward. Cows were steady to weak. Steers and yearlings ruled mostly unchanged. Bulls were fully steady. Slaughter calves sold about in line with the weeks' 25-cent decline with a few sales around 50 cents lower. Good and choice stockers were fully steady but medium and low-grade sorts were dull.

In the hog yards a few opening sales were 5 cents higher but later sales ruled mostly 10 cents below Wednesday's average levels. The top was \$14 with the packer top \$13.75.

Sheep trade was very slow. A few sales and most bids on shorn lambs and spring lambs were around 25 cents lower while aged wethers sold steady.

In the cattle yards, good to choice fed steers and yearlings ranged from \$11.25 to \$12.50, sales including two loads of heavy steers at \$12.50 and two loads of heavy steers at \$12. Medium grade, short fed steers and yearlings brought \$9.50 to \$10.75. Com-

mon light weight butcher yearlings cashed at \$8 to \$9. Good to choice beef cows ranged from \$9 to \$10 with two loads at the top figure. Common to medium butcher cows sold at \$7.50 to \$8.50 while canners and cutters brought \$5 to \$7.50. Good to choice heavy bulls ranged from \$9 to \$9.75 with common light weight bulls downward to \$7.50. Good to choice fat calves sold mostly at \$11 to \$12.50 with occa-

sional strictly choice calves up to \$13 and above. Common to medium butcher calves sold at \$8.75 to \$10.50 with culls at \$7 to \$8.50. Stocker steer calves sold at \$8.50 to \$14 with stocker heifer calves at \$13 down. Stocker steer yearlings cashed at \$12.50 down and stocker cows went back to the grass at \$9.50 down.

WATCH US GROW!

COME IN AND LOOK 'EM OVER!

You know, folks, this Pig Growing Contest looks like it's going to develop into a mighty big thing. At least, the Purina-fed pig shows signs of growing into a whoppin', good-sized hog.

About a month ago, we brought two well-matched pigs into our store and put them in separate pens. One pig is getting all the grain he wants, and the other is getting grain plus Purina Hog Chow Supplement. It's a race, folks, to see which pig will make the biggest hog out of himself in the shortest time.

Right now, we've got suspicions that this "grain plus Hog Chow" pig is going to whip the daylight out of his opponent, when it comes to putting on pounds of top quality pork at low cost. Already, the Purina-fed hog has begun to pull away from his rival.

Why don't you come in and pass your opinion on this unusual pork-building contest? You'll meet many of your friends here, who have stopped in to see it too.

So come in today!

WAR CASH.
WASHINGTON, June 4. — A new, gigantic shipbuilding program and another forthcoming supply bill for an army of 4,500,000 men probably will push this nation's war and defense appropriations for the past three years beyond the \$200,000,000,000 mark within a month. The total allotments already had amounted to \$161,000,000,000 when the house Wednesday voted \$2,797,499,740 for the navy, coast guard and marine corps.

It might be worse. If senators were elected for 12 years instead of six, they would care only half as much for public opinion.
