## ROMMEL NEAR NILE DELTA; SITUATION GRAVE

### OUTCOME, CHURCHILL INSISTS, IS STILL IN DOUBT; BRITISH HAVE LOST 50,000 MEN IN TWO WEEKS

LONDON, July 2. — Prime Minister Winston Churchill said today that the Axis Army of Field Marshal Erwin Rommel now is approaching the Nile delta. The Axis had claimed a break-through at El Alamein.

Churchill said British losses in Egypt have been 50,000 men during the past two weeks, most of them prisoners of war.

The battle for Egypt raged to a climax today with the outcome still in doubt despite Axis claims of a break-through on the fluid desert front of El Alamein on the 60-mile road to Alexandria naval base.

Both the British Eighth Army under Gen. Sir Claude Auchinleck and the Nazi columns under Field Marshal Erwin Rommel were striking for a knockout with all the power they could muster and it appeared likely that the loser would have little or nothing left at the end of the main battle which began Wednesday morning.

The British communique, covering Wednesday's developments only, was encouraging. It said that Rommel's attacks had been repulsed in the first stage of fighting except for one tank thrust which broke through the defense positions. These tanks, however, were later defeated.

The communique also said that British units were fighting some 17 miles west of the Alamein positions, indicating that Auchinleck was striking offensive blows at the enemy rear and flank.

The fluid nature of the front and running type of battle that Auchinleck was fighting was regarded as encouraging to the British but at the same time Rommel was attacking along the coast and also circling along the Qattara Depression to strike at the British sould flank. Sand storms were raging along the battle front.

This morning, the German communique claimed that these maneuvers had been successful and that the Axis assault forces had broken through the El Alamein region and were "pursuing" the British toward the Nile delta and Alexandria. The Axis claimed the capture of El Alamein. These claims were not otherwise substantiated, although the enemy communiques have been less exaggerated than usual in regard to positions in the Egyptian advance. If the claim of a break through should be confirmed, it would not necessarily mean that the British had lost the battle but indications were that Auchinlock was risking almost everything on a decision near El Alamein.

The British position there was better than it would be at any other point before Alexandria and Cairo and outcome of the battle may well decide the fate of the big naval base, the Suez Canal and the road to the Near East.

Driving through blinding sand storms in low level attacks, bombing and fighter planes, which include many of American make, "carried out concentrated attacks in the Alamein area," a communique said.

**25 BILLION IN YEAR.** WASHINGTON, July 2.—Secretary Morgenthau announced Thursday that the treasury spent a record total of \$25,953,665,934 cash war expenses during the fiscal year which ended Tuesday night.

**TANKS AND TANKS**—This is what Hitler may see in the near future if the long-discussed second front evolves in wake of Molotov Churchill-Roosevelt conferences in Washington. Scene shows American tanks and tanks charging over terrain during maneuvers in Northern Ireland.

### Cash Receipts at Cisco Cattle Auction Totaled \$5,432.17; Prices Good

Cattle sales at the Cisco auction were Tuesday and cash receipts for the day totaled \$5,432.17.

Cattle are fat and prices remain high. Trading is brisk and all offerings are usually taken without delay.

Hogs and sheep were few, most of the stock being heifers, cows and steers, with a few sales of pigs.

### P. G. BERRY, MANAGER THE LAKE CISCO AMUSEMENT CO. SINCE '35 RESIGNS; G. T. DAVIS SUCCEEDS

P. G. Berry, capable, painstaking manager of the Lake Cisco Amusement company since 1935, has resigned and the directors have employed Gordon T. Davis to serve in that capacity until August 31.

Berry has not announced his plans for the future, but will furnish the Daily Press with a statement at a later date. Davis, well known to the people of Cisco, has the best wishes of a large number of friends as he assumes a most exacting task—that of endeavoring to please the general public while trying to earn dividends for a well-equipped amusement company in a small city.

At a directors' meeting on June 29, Frank E. Harrell, who organized the amusement project in 1925, and who has devoted a great deal of time to it through the intervening years, submitted his resignation as president of the company.

The directorate was loath to accept Mr. Harrell's resignation, as well as that of Mr. Berry, but the president's plea that he had done his part and that his health and private affairs necessitated release, finally prevailed and the board reluctantly agreed to name a new executive head not later than July 10. There has been no meeting of the board since the June 29 session.

Directors present at the June meeting were F. D. Wright, E. L. Graham, Charles J. Kleiner, R. L. Ponsler and F. E. Harrell.

### FORMER I.O.O.F. GRAND MASTER DEAD; WAS 81

BAIRD, July 2.—Funeral services will be held here Friday afternoon for Herman Schwartz, who died Tuesday afternoon at the age of 81.

He was a former mayor of Baird and the leading merchant here, as well as being the senior living past grand master of Texas Odd Fellows. He was grand master of Texas Odd Fellows in 1907.

### CHURCHILL IS GIVEN A VOTE OF CONFIDENCE

LONDON, July 2.—Prime Minister Churchill won an overwhelming vote of confidence from the House of Commons Thursday after he had gravely assessed the Allied position in the Mediterranean and Middle East war zones as a near-disaster with a hope of victory pinned on "very considerable" reinforcements now in progress.

The vote was 475 to 25.

The battle of Egypt has brought the Allies face to face with a disaster equaled only by the fall of France but the issue is not yet decided and "very considerable" reinforcements have reached or "are approaching" the battlefield, Churchill declared.

### HEALTH BOARD WARNS

At a meeting of the city health board, held Wednesday, it was strongly urged that all citizens clean their premises of rubbish and weeds and search for any small container that might hold water and thus become a breeding place for mosquitoes.

Dr. W. P. Lee is city health officer and the board is composed of Dr. F. E. Clark, Dr. D. Ball and Dr. Charles Hale. The latter is secretary of the body.

The board commented on the fact that many vacant lots have been allowed to grow up in weeds and tall grass.

Some have been negligent about cleaning back yards and other unused spots to the end that they have become eyesores to visitors or to neighbors.

Dr. Lee said that all citizens should watch for mosquitoes and if any were present, they should search out breeding places which would be found near, since mosquitoes never stray far from their breeding place, which is stagnant water.

Dr. Lee joined the health board in urging that Ciscoans keep the proud name of Cisco, which state health officers have previously said was the cleanest city in Texas, by joining in a general summer clean-up.

### LEONARD KING LEAVES CISCO FOR TRAINING

Leonard King, Cisco band director for the past year, states he will leave for South Bend, Ind., Saturday for thirty days' training at the naval reserve training school for officers. From there he will go to Great Lakes training school in Chicago, where he expects to remain for another three months' training.

Mr. King has many friends in Cisco who regret his loss to the school and band. Their good wishes go with him in his service to his country.

**30 SOLDIERS KILLED**

WELCH, W. Va., July 2.—Army officials sought Thursday to identify the mangled and burned bodies of 21 soldiers, occupants of an army transport plane which crashed in flames on a Southern West Virginia hillside. Nine soldiers were killed in another mishap Wednesday in California, when a four-motored army bomber crashed and exploded on a low knoll with a roar heard for miles.

### BALLINGER MINISTER PRINCIPAL ROTARY SPEAKER TODAY; NEW MANAGER MOTT STORES GUEST

Harry Schmidt, new manager of the E. B. Mott store in Cisco, was the guest of Rotarian Lonnie Shockley at the Rotarian Luncheon today and Rev. J. C. Johnson, Ballinger Presbyterian pastor, who is assistant director at the Presbyterian encampment now in session at Lake Cisco, was introduced by Rotarian Gary L. Smith, as program speaker for the luncheon.

Mr. Johnson, who confessed to being a schoolmate of Rotarian R. N. Cluck, began his most interesting talk by announcing his text, as follows: "Moses, My Servant, Is Dead."

The talk may be summed up in three short statements, Rev. Johnson said:

Each generation must produce its own leaders.

Each generation must face its own problems.

Each generation must win its own victories.

Mr. Johnson then said that recently he had been greatly heartened by a talk by Gov. Coke Stevenson, in which the state minister made that America has lost many battles in all of her wars, but she always won her war in the end, therefore, there was no need to become discouraged in our present world war because we are meeting with reverses.

Reverting to the character of minister, Johnson said when we are defending America we are defending the church, and when we are defending the church we are defending our liberties, because liberties for people were born in the mind of God, and his people—the church—have been striving for those liberties down through the ages of history.

The visitor is the newly elected president of his home Rotary club.

Rotarians noted the absence of Asa Skiles, who has been at home sick, but it was announced that he was much improved.

**NEW YORK GASLESS**

NEW YORK, July 2.—New York City's gasoline quota for the first ten days of July is in—and apparently out! Most of the service stations in the city were "gassed up" Wednesday, but lines of waiting cars—in some cases four blocks long—soon dried up the pumps and even "X" card holders were again beholding, "Sorry, no gas" signs. From all appearances the Fourth of July week-end will be a gasless one in the metropolitan area.

### FOURTH PLANS MADE

All is in readiness for the military Fourth which is to be celebrated at the lake and in Cisco on July 3 and 4. Weeds have been cut from the Humble vacant lot near Union station, where the soldier contingent will assemble for guns inspection by the public Saturday morning at 8:30, before the big street parade which begins at 10 a. m.

Many have expressed the desire to see Uncle Sam's army at feeding time. They will have the privilege of doing so at Lake Cisco on the evening of July 3.

The soldiers will bivouac and prepare their camp, as in the field of action.

Visitors are welcome to observe camp activities.

Friday night, on Fifth street near the Service Men's club, a street dance will be held and everybody is invited, said P. R. Warwick, chamber of commerce secretary.

Soldiers will be under the supervision of military police and private citizens, who might become unruly under the spell of patriotic fervor, will be subject to local officers' supervision, said Warwick.

Ladies of the Service Men's organization have cooperated wonderfully, according to Mr. Warwick, and it is understood that a great quantity of cookies have been prepared. There may be lemonade or punch also, he hinted.

An orchestra from the military band that will accompany the soldiers will furnish music for the dance.

Officials from Camp Bowie have shown a very fine spirit in arranging to aid Cisco in her Fourth of July celebration, said Mr. Warwick, and citizens of Cisco feel very kindly toward them.

### GALLANT REDS BATTLING ON AT SEVASTOPOL

MOSCOW, July 2.—The Red Army battled furiously today to turn back powerful German attacks in the streets of the Crimean naval base of Sevastopol and on the southern flank of the Kursk front where Axis troops were repulsed with 7,000 dead and several hundred tanks damaged or destroyed.

Encouraging news from the Kursk front followed Axis claims that Sevastopol had fallen and that the remnants of the gallant garrison that underwent an unbelievably terrific battering for 25 days were trapped on the narrow Kherese peninsula.

Soviet sources denied the Black Sea base had fallen, but admitted the Germans were advancing slowly and in some places had managed to break through.

Red gunners, from positions high on a river bank which commanded a sweep of the plains below, dominated the action on the Kursk sector, the front line correspondent of the Soviet army newspaper Red Star, reported.

With the field guns firing round after round, every German ad-

vance was stopped as the columns were mowed down, and several hundred tanks were checked. Succeeding columns also were halted with heavy loss of life, the correspondent said.

Red Star said, "There is an exceptionally tense and grave situation."

**POST OFFICE**  
**1313**  
**AUTO TAGS**

Master L. H. McCrea said that the Cisco post office had sold 1313 auto tags at the close of business Wednesday.

The tags, which cost \$5 each and must be secured by all owners of cars, if driven, will remain on sale permanently, Mr. McCrea said.

This federal law became effective last February.

Naturally not; but what if she is an officer? That is the weighty problem presented by the new women's army auxiliary corps. New bridegrooms have a problem of the new mother-in-law? Many of them solve the problem temporarily by the word "Say."

It is reported that "Ma'am" is to be employed. Why not "Madam"? That sounds less colloquial. The Queen of England is so addressed; "Madam Chairman" is correct in a woman's club; why not this address a woman lieutenant?

Some solution must be found, and quickly, for the new corps will soon be here.

THE END FOR PERRY

Fred Perry will play no more match tennis. The world's professional champion injured his right elbow six months ago that he has not been able to bend his arm properly since.

This marks the end of the greatest tennis player since Tilden in his prime. Head of the famous British team that took the Davis Cup away from the United States in 1933 and held it for four years, he at one time was the champion of eight countries.

Tennis fans will miss Perry. He and Tilden and Little Bill Johnston and McLaughlin and the Doherty brothers—these players all made tennis history.

communications and supplies, picking off isolated units, and damaging German morale generally, are invaluable. Certainly the German forces which are thus compelled to stay on guard, are as many as those obeying Mihailovic. Probably more, because no one can tell where he will strike next, and the Nazis have to be prepared for everything.

These are all soldiers whom there are no Yugoslav rebels. Hitler would gladly use on the Russian front. There they might well turn the scale.

When the job is done, Mihailovic and his guerrillas will rank high on the list of those who have won the victory.

OPEN FORUM

The Non-Cooperators, Editor Daily Press: I have just been reading how disappointing the drive for scrap rubber has been in some sections and how the drive has been extended.

It is very funny to me why the eastern states (whose gasoline has already been rationed) have not averaged but about two pounds of scrap per person and the people of the oil-producing states have turned in about six pounds each.

What do they care if our gasoline is rationed? To make the people of those states who are lagging behind go out and find some scrap, the government should let each state use the scrap which its citizens have turned in.

In this way citizens of the other states might find some scrap rubber.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 million of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or constant urination with stinging and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pain, leg pain, loss of pep and energy, swelling, ruffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Duane's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Duane's Pills.

### BRIEFLY TOLD

Mrs. B. B. Metcalf, recently of Corpus Christi, returned to Cisco this week to make her residence. She is living at present on West Seventh street and will later move to her home at 2300 D avenue. She was accompanied to Cisco by her daughter-in-law, Mrs. R. C. Metcalf and son Miles of Houston, who joined her in Austin.

Mrs. Olin Elliott and daughter,

Mrs. A. E. Clinton and son of near Moran, were business visitors in Cisco Wednesday.

Mr. and Mrs. T. A. Graves received news today from their son, Theron Graves, with the U. S. air corps. The letter was dated April 29 and was the first news from him in over two months. He stated that he had not been able to hear from Cisco for awhile, but was now getting his letters. He is well and getting along all right.

Mr. and Mrs. Joe Britain are spending a few days' vacation with relatives and friends in Fort Worth and Dallas.

Miss Helen Crawford was expected to return today from visits in Corpus Christi and San Antonio, where she was a guest of friends.

Mr. and Mrs. C. R. West returned the first of the week from a visit with their daughter,

and son-in-law, Mr. and Mrs. George Swinebroad, at Lancaster, Ky. They also visited their son and wife, Mr. and Mrs. C. R. West, Jr., in Dallas.

Private Gene Abbott returned today to Camp Bowie after spending a ten-day furlough with Mrs. Abbott and relatives in the city.

Mr. and Mrs. F. L. Yoder and small granddaughter have returned to their home in San Antonio after a pleasant visit with her mother, Mrs. Ida Shelton, and other relatives in Cisco.

Mrs. C. R. Duncan, who has been suffering from a sprained ankle the past week, was able to go to her meals today in the home of her son, E. C. Duncan, on the Rising Star highway.

Mr. and Mrs. W. I. Agnew returned the first of the week from a visit with their son and family at Rule.

Mr. and Mrs. H. L. Kunkel attended the funeral of an aged friend, Mrs. Tucker at Mangum, Tuesday.

Frank Kittrell of Galveston is a guest in the home of his mother, Mrs. W. H. Kittrell this week.

Miss Laura Kittrell of Winters is expected Friday for a week-end visit with her mother, Mrs. W. H. Kittrell, and other relative here.

Mr. and Mrs. C. Carpenter and son Rex of Sundown have returned to their home after a visit with her uncle and aunt, Mr. and Mrs. H. L. Kunkel, and other relatives in Cisco.

Mrs. L. A. Burkett and daughter, Mrs. Clifton Stiles of Dallas, spent Wednesday with relatives in Eastland.

Mrs. John D. Skiles and son Philip of Leadland, Ala.; Mrs. Leonard Skille and daughter, Golda Beth, and James Lee Skiles of Big Spring, Tex., were guests of relatives in Cisco this week.

Mrs. E. O. Hendricks received news recently that her sister, Mrs. Nettie Stinson, wife of Sim Stinson of Falkville, Ala., had passed away June 18 in her home there. Besides her husband Mrs. Stinson is survived by 7 children, two

#### Luncheon And Shower Honored Mrs. Stivers

Mrs. Montie Stivers, who left this week with her small son Norman for her new home in Dallas, was honored with a surprise covered-dish luncheon in the home of her parents, Mr. and Mrs. H. L. Kunkel, June 26, by members of the Friendly 12 Sewing club. A lovely gift from the club was presented the honoree. Luncheon was served on the lawn under the trees, which gave the needed shade. The invitation was offered by Mrs. C. R. Cogswell of Dallas, a guest.

Following luncheon the group enjoyed conversation while they busied themselves with needlework of various kinds. At 3 o'clock another surprise was given Mrs. Stivers when members from the Ruth Sunday school class, of which she was a member, arrived and presented her with a farewell handkerchief shower. A social time was enjoyed by all, and at the conclusion refreshments of ice cream and cake were served.

Those present of the Friendly Twelve club were Mrs. Montie Stivers and her guest, Miss Marjorie Murphy of Eastland; Mrs. C. R. Cogswell, Dallas; Mrs. B. B. Hurst, Mrs. Fred Scott, Mrs. F. B. Clappitt, Mrs. Paul Culp, Mrs. H. J. Moyer, Mrs. C. R. Fox, Mrs. Joe Britain, Mrs. A. V. Osburn, Mrs. A. G. Gary, Mrs. Paul

brothers, Jas. Nobles, Abilene, and Scott Nobles, Carbon, and her sister, Mrs. Hendricks. Interment was made in Falkville.

Mr. and Mrs. John Elmore have returned from an enjoyable trip to Gastonia, N. C. While there they attended a reunion of the Shepard family at which 51 relatives were present.

The regular meeting of W. O. W. Circle will be held Friday night. All members are urged to be present.

Moore and Mrs. J. A. McLain. Others from the Sunday school class were Mrs. Cecil Adams, Mrs. T. R. Prickett, Mrs. A. B. Cooper and daughter, Mrs. Marvin Ivie.

#### New Officers Elected By Harvesters

New officers were chosen when

the Harvesters class of the First Baptist Sunday school class held the regular business and social meeting in the home of Mrs. Leon McPherson Monday night.

Those elected were president, Mrs. H. N. Lyle; first vice president, Mrs. H. J. Moyer; second vice president, Mrs. Don McEachern; third vice president, Mrs. I. W. Robinson; fourth vice president, Mrs. Grady Laws; secretary, Mrs. W. C. Clements; treasurer, Mrs. A. E. McNeely.

A program was presented in which a number of children took part.

The devotional with scripture reading was brought by Betty Jean Phillips; accordion numbers played by Dana Thornton were much enjoyed. Mary Philpott

**"To be prepared for war is one of the most effectual ways of preserving peace..."**

When George Washington spoke these words the world was a much smaller place. Transportation and communication facilities were such that it took considerably longer for anything to happen than it does today.

But there are certain thoughts that were as true then as they are now. "This preparation for war for the preservation of peace" is one of them. That is why the
