COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937

CISCO—Admittedly one of the healthiest areas in state, with a countryside devoted to cotton, fruit, feeds, poultry, dairying, natural gas and oil, 2 railroads; Bankhead highway; one of the largest concrete swimming pools in the world.

CISCO—1,614 ft. above sea; one of largest fresh water lakes in Texas, with depth of 87 ft. at hollow concrete dam; 127 blocks paved sts.; unexcelled high school; Cisco Junior College; churches of all denominations.

VOLUME XXIII.

CISCO, TEXAS, THURSDAY, OCTOBER 8, 1942

NUMBER 25

## CO. BOUGHT \$74,963.70 WAR BONDS IN SEPT.

### QUOTA WAS \$50,400 AND THE EXCESS WILL HELP MAKE UP FOR MONTHS WE WERE SHORT

Eastland, Oct. 7, 1942

The Daily Press  
Cisco, Texas.

The five Eastland county banks, thirteen postoffices and theaters reporting War Bond and Stamp sales for September show total sales of \$74,963.70.

The total sales reported by the postoffices, picture shows and banks of each town follows:

Eastland	\$26,095.25
Cisco	20,671.15
Ranger	15,450.00
Rising Star	6,588.00
Gorman	5,262.50
Carbon	468.75
Olden	243.90
Desdemona	156.50
Nimrod	18.40
Scranton	5.00
Okra	3.00
Dothan	1.25
Pioneer	

To this will be added bonds purchased out of the county, for those residing in the county, under the employer-employee deduction plan.

So, it will be seen that we have much exceeded our quota for September, which was \$50,400.

However, we failed to meet the full amount of the quotas assigned for several of the earlier months in the year and it is to be hoped that the county will keep up the good record made in August and September for the balance of the year.

Should we do this, the additional amounts we receive over the allotted quotas for August, September, October, November and December will more than make up the deficit for the early months of the year, with final result that at the close of business December 31, 1942, Eastland county will have subscribed and paid her entire quota for the calendar year 1942!

Of course, the citizenship of this county would not be satisfied with less than having done their duty, 100 per cent.

However, for Eastland county to run true to form and desire, we will not only want to reach our full quota for the year, but we will want to exceed it by substantial margin.

Credit for this good record should be given principally to the chairmen and their committees in the respective communities of the county in charge of bond quotas. I think it would be nice if your paper could give them a write-up occasionally, again giving their names to the public, so they may know at all times whom to contact in their community.

Very truly yours,  
CYRUS B. FROST,  
Eastland County Chairman.

A. & M. GAINS.	LOTS OF COTTON.
COLLEGE STATION, Oct. 8.—A new enrollment record of 7,671 students at Texas A&M College for the two semesters starting June 1 was announced Thursday by Registrar H. L. Heaton. This is an approximate gain of 10 per cent at a time most schools show a decrease.	WASHINGTON, Oct. 8.—The agriculture department Thursday estimated this year's cotton crop at 13,818,000 bales of 500 pounds gross weight each, based on Oct. 1 conditions. The estimate compares with 14,028,000 bales forecast a month ago. Last year's production was 10,774,000 bales.

DESERT FASHIONS—Two members of a British tank corps, operating in the western desert, bring cheesecloth veils into play to thwart desert insect pests as they drop a line to the folks at home during a lull in activities. (Passed by censor.)

## Best Huns Have Is Not Good Enough to Face Mad Reds

MOSCOW, Oct. 8.—The desperate German command threw Prussian shock troops, the so-called flower of the Nazi army, into hourly attacks against a Stalingrad industrial district today, but they, like their predecessors, were hurled back.

Front-line dispatches said the Germans had not advanced a foot inside Stalingrad in 24 hours. Soviet communiques have not admitted a German advance there in 72 hours.

At the Germans' back, Marshal Semyon Timoshenko's counter-offensive rolled down the steps above Stalingrad to the relief of the defenders, crushing Nazi strong points and smashing their furious counter-attacks.

The Soviet noon communique reported that one of Timoshenko's units had crashed through German positions northwest of Stalingrad, destroyed two dug-in tanks, eight guns and three machine gun nests and killed 250 Germans.

It was the first time that Prussians, who arrogantly regard themselves as the world's best fighters, had been seen in the battle of Stalingrad, now in its 45th day.

Front-line reports said strong Prussian shock troop units, with three more infantry divisions (45,000 men) and tanks in waves of 100 to 150, were thrown ten times against the industrial section in northwest Stalingrad that had been the focal point of the Nazi assault for almost a week. Their individual assaults were now calculated at around 100—all futile.

Swarms of German dive-bombers mass raided Russian positions, but every attack was crushed. The wreckage of scores of tanks and thousands of bodies littered the battlefield, dispatches said.

For three days, the Germans have been incessantly assailing the industrial district, trying to drive down a broad boulevard that leads to the heart of Stalingrad. Only once, at the cost of dozens of tanks, they advanced and but a short distance. The Russians counter-attacked and regained the ground.

Meanwhile, the Russians tightened their hold on recaptured streets and consolidated their positions.

The nights were becoming increasingly cold on the barren steppes around Stalingrad, which will be swept by some of the wild-

## TICKETS FOR FRIDAY SHOW GOING FAST

D. G. Streater, chairman of the committee on the Jack Lamb Alaskan motion picture in colors, and R. W. McCauley, in charge of ticket sales, report tickets going fast. Many Lions who had already sold their allotment, have requested more to supply calls they had for tickets.

The seating capacity of the high school auditorium, where the picture will be shown Friday night, is limited, and when this is filled no others will be sold, they state.

The price is only 50 cents for adults and 25 cents for students, plus war tax in each case, and this makes this great educational picture remarkably low in price.

If you like to fish or hunt bears and birds too tame to fear the hunters, you will enjoy this picture. The pictures are full of beautiful flowers, sunsets and snow scenes. The millions of spawning salmon forms a memorable picture, according to those who have seen a preview of the picture.

\* Swarms of mosquitoes and gnats, together with the intense cold, show the cruelties of that savage but beautiful land. The Aleutian Islands are shown with their enveloping fogs that now hide Japs from American fliers.

PORT MORESBY IS SAFER. MACARTHUR'S HEADQUARTERS, Australia, Oct. 8.—Gen. Douglas MacArthur's first big offensive operation in New Guinea has been completed with striking success and all immediate danger to Port Moresby, the Allied citadel on the south coast, has been removed, it was understood today.

Australian ground forces had driven the Japanese, weakened and demoralized by hunger and privation, back across the Owen Stanley mountains.

BEST HOGS \$15.10. Hogs set a new top since 1926 on the Fort Worth market today when packers paid \$15.10 for a few of the best butchers. The practical top was \$15, with general prices strong to 15c higher than on Wednesday. All classes of cattle and calves were steady to weak, with few good cattle offered.

Word has been received from Mrs. Mary A. Thomason, of Glendale, Cal., formerly a resident of Cisco and Putnam, that her son, Pierce Thomason, is in an officers' training camp in Virginia. He will be remembered by many of his Cisco schoolmates. His grandfather, F. P. Shackelford, whom many will remember as an outstanding resident of Putnam, would be proud to know that four of his grandsons are now in his country's service.

John Franklin Shackelford is civilian instructor at Uvalde, Tex.; F. P. Shackelford, III, is inspector in the repairable parts section of sub. depot supply, Midland army flying school; James Allen Shackelford, who has seen real service in Hawaii, and Pierce Thomason.

## LOBOES CAN COPPER GAME BY WORKING

After three days of blocking and lacking practice, the Loboes are beginning to look somewhat better than they have in past weeks. Coach Monroe Sweeney has put the Loboes through some rather stiff workouts in an effort to improve their physical condition. The Lobo lineup will probably show a few changes in tomorrow's game with Mineral Wells. Coach Sweeney is trying to put a team on the field in condition to play a game which will show the old Lobo fight.

Although the Mineral Wells team, coached by Cy Perkins, has lost all its games this season, these games have been with some of the best teams in the state and the Loboes are due to face a fast, experienced team with a good passing attack.

Friday's game should be fast, with both teams fighting hard for their first win of the season.

The west ward parent-teachers organization has secured the soft drink and candy sales concessions for the season.

While the soft drink ceiling has been set at 5 cents by the government, an extra 5 cents will be collected as a deposit on the bottle. If fans ask for their deposit when the bottle is returned, they will get it, but there is lots of detail work and handling connected with the sale of soft drinks and, should fans forget to ask for the nickel deposit, that money will be used by the parent-teachers in a worthy manner.

## JAPS LOSING TOE-HOLD IN W. ALEUTIANS

WASHINGTON, Oct. 8.—The Japanese appeared today to be losing their grip on the Western Aleutians—the first and only point of the Western Hemisphere they have invaded.

Their sole remaining position in the island chain—Kiska—is under almost daily attack by American bombers now based in the Andreanof Islands. They apparently have abandoned the other two islands they occupied in June—Attu and Agattu.

There was doubt whether the Japanese would now be able to offer a new threat to Port Moresby—or, through New Guinea, to northeastern Australia without risking a naval fleet in a frontal attack.

GIRL DRIVES TRUCK. SAN ANGELO, Oct. 8.—First woman licensed to drive a vehicle for Goodfellow Field is a 19-year-old blond who wheels her way about the post on everything from a "one-lung" scooter to a powerful tug. The versatile young woman is Miss Anna Louise Spears, now a full-fledged "stock tracer" in the sub-depot engineering department.

GUARD UNIT AUTHORIZED. DALLAS, Oct. 8.—Adj. Gen. J. Watt Page has authorized the 51st Battalion of the Texas Defense Guard to be formed here said Vernon Singleton, who will be captain commanding one of the companies.

ARMY WANTS YOUTHS. WASHINGTON, Oct. 8.—The army is pressing for immediate enactment of legislation to permit drafting of 18 and 19-year-olds, congressional sources revealed today.

Epitaph: Here lies Freedom, lost for want of somebody with guts to say, "Correct that mess."

## 50 MEN WERE IN LINE

Fifty men were in line for drill last Friday night when the Cisco Guards met at Chesley Field. This number included ten glider students.

There will be no drill Friday night of this week and hereafter drill will be held Monday nights of each week. The change was made because of conflicting dates and to accommodate large numbers of Guardsmen. Next Monday night, October 12, there will be rifle and foot drill at Chesley Field.

Those Present

First Platoon—Dick Thomas, Tom Stark, A. W. White, Homer Ferguson, Sam Ledford, Cecil Penn, John C. Penn, M. F. Underwood, W. W. Ernst, Ralph Butler, Con Collins, L. J. Nelms, E. P. Crawford, B. B. Hurst, Jay Garrett, C. M. Nevill, Jack Anderson, Jim Sauls, Waddie Bennie, Austin Flint, Harry Schmidt, Bill Morrison, Rev. Cooper Waters, J. E. Hays.

Second Platoon—Wyatt Jacobs, W. E. Morris, I. J. Pence, W. A. Pence, L. E. Edwards, Jerry Myrick, August Frickie, J. A. Alsbrook, M. L. Mueller, J. R. Coats, Bill Wende, Charles J. Kleiner, W. A. Harder, Audrey Coats, George Boyd, Lavon Huddleston, E. L. Jackson.

Glider Students—Yarborough, Bailey, Houser, Tomlinson, Norris, McMurry, Roberts, Castle, Yonkers, Jones.

## OFFICERS AND TEACHERS OF SUNDY SCHOOL

The more than forty officers and teachers of First Methodist Sunday school will have the first council meeting of the new year (which began October 1) tonight at 7:30 o'clock on the call of the recently-elected general superintendent, G. P. Mitcham.

At this meeting, according to Mr. Mitcham, a careful check-up will be made of the needs in the church school and plans drafted for future activities.

It is expected that an installation service for this group of workers will be held at the morning hour of church worship, Sunday, October 18, at which time all of them solemnly assume the vows of fidelity in service for the year ahead.

HELPS TEXAS FARMERS. WASHINGTON, Oct. 8.—Texas farmers now harvesting the biggest crop of peanuts they have ever produced stand to gain mightily by the increased United States parity loans announced by Secretary Wickard. Loan rates on peanuts will be advanced from 85 per cent of parity to 90 per cent, Wickard said, thus boosting the farmers' loan value on peanuts grown under marketing quotas \$2 to \$8 a ton with Texas farmers mostly getting the full \$8 increase.

JEHOVAH WITNESSES. ABILENE, Oct. 8.—Federal Judge T. W. Davidson has ordered Thomas Travis Winsett of Ranger, a member of the Jehovah's Witness sect, to read the book, Sergeant York, and expressed the hope he would change his point of view before the November court term in Fort Worth. Judge Davidson, in giving the order Wednesday, withheld sentence of Winsett on charge of draft evasion. Robert Lee Phillips, also of Ranger, was given five years in prison.

## SEYMOUR ADDRESSED ROTARY TODAY

Rotarian G. R. (Pete) Nance had charge of the Rotary program today and introduced Rev. Leslie W. Seymour as the speaker. Mr. Nance, as secretary of the club, also read a letter from Rotarian J. J. McCarty of Abilene, resigning as member of the Cisco club. President Hittson announced that there were three 100 percent meetings in September and urged that members keep up their attendance for October.

G. F. Burnell of Mineral Wells was a guest of J. W. Slaughter, while Glen Dugan of Abilene was a visitor making up his attendance.

Mr. Seymour, a member of the local Lions club, forgot himself for a moment and addressed President Hittson as "Lion President" but, being forgiven, made announcements of the Methodist conference to be held with the First Methodist church of Cisco in November, and also announced the Jack Lamb Alaskan picture to be shown at the high school auditorium Friday night, saying he had seen a preview of the show and considered it a masterpiece.

The speaker's subject was "Learning the Hard Way." This is perhaps the best way to learn and is the way most of us learn the greater things of life, he stated.

Seymour summed up his talk as follows:

1. Human spirit is supremely courageous when put to the test. He gave illustrations the courage of the English, Russians and others bearing up under bombings and scourge of war.

2. Spiritual convictions are hardest to combat. The clergy of Norway and of India are examples.

3. Learning that the white race might not be too superior to other races. The world war is causing doubts in some minds.

4. Every race and individual is important and must be so recognized. We have discovered we needed the people of Java, the Chinese, the East Indians, the people of Mexico and of South America.

5. Learning social reforms at home are not impossible. We could do away with slums and poverty if we wanted to do so bad enough.

6. That old economical principles are subject to change and are changing now, constantly.

7. We are finding that men can work together. Capital and labor can get along together if the danger is sufficient.

8. The world is one unit and we need each other. We must work together or we fall. We must put away childish approaches to our problems and approach them from an unselfish standpoint, realizing that the other fellow has his side and his rights to make money and live as we have ours. We must give and take.

Rotarians pronounced this one of the best talks they have had, and Mr. Seymour was congratulated on the clearness with which he presented his subject.

## L. P. HOLDER IS PROMOTED TO CORPORAL

Mrs. John Holder, who is at the home of her son, Carlton Holder, 704 E. Tenth street, Cisco, has just received a letter from her son Corp. L. P. Holder announcing his promotion from buck private. The corporal is stationed at Will Rogers Field, Oklahoma City, in the second air support communication squad.

It will be remembered that Mrs. John Holder was in a car wreck in July and received rather serious injuries from which she has not recovered. She came to Cisco for medical treatment and is already showing marked improvement, Carlton Holder stated.

# CLASSIFIED

**WANTED**—Coat hangers; will pay 1 cent each. Powell's Cleaning Plant. 27

**SOME NICE** patterns in 9x12 feet. These rugs; \$5.48. Collins Hard-ware. 27

**WANTED**—Cook; man and wife would be considered. Good wages and permanent position available. Mrs. N. A. Brown, telephone 298. 27

**BOY** wants to share a ride to San Diego, Calif.; leaving on or before the 15th of October. Telephone 466. 25

**ATTENTION**—All owners of older cars. The list of obsolete tires has been revised to include all 18-inch, 19-inch and 20-inch rim sizes. We have ample stock. Come and let us assist you with your purchase today. Goodyear Service Station. 47

**FOR SALE**—1931 Ford Tudor sedan; good tires, excellent mechanical condition. Carlton Motors Service Station. 25

**PEACE KEYS SCRAPPED.** PALO ALTO, Cal., Oct. 8.—Keys to meeting rooms of the peace conference sponsored by Henry Ford at Stockholm in 1916 were added to the nation's scrap pile Wednesday. Mrs. Ada Grose, assistant general secretary of the conference, dropped the souvenirs in a "Keys to Victory" can.

**CHILD MURDERED.** EASTROP, Oct. 8.—Lucy Maynard, 8-year-old daughter of County Judge C. B. Maynard, died early today in a local hospital where she was brought yesterday after her scratched and beaten body was found in a ravine on a farm north of Eastrop. The child died without regaining consciousness but a soldier was arrested on suspicion.

But there is no virtue in being mean, considerate and long-suffering if it is a pose to hide yellow-

# SOCIAL and CLUBS

## NOTE BOOK

**Friday**  
The Philathea class of the First Methodist church will meet at the church for business and social meeting Friday night, at 7:30. All members are requested to be present and bring a picnic lunch.

The XXth Century club will meet at 3 p. m. in regular session at Library club rooms.

## LOCAL OES CHAPTER IN REGULAR SESSION

Eastern Star chapter No. 461 met in Masonic hall Tuesday evening in regular stated session, with Mrs. H. T. Huffman, worthy matron, in charge. After the meeting was opened in regular form, the salute and pledge to the flag was given.

In the absence of the secretary, Mrs. N. A. Brown, minutes were read by L. D. Wilson. Routine business matters were transacted and report of sick members made. Next meeting will be held Oct. 20.

## "AMERICAN PAINTERS" DISCUSSED BY CLUB

Alpha Delphian chapter held the first meeting of the club year at 9:30 Wednesday morning in the club house. Mrs. B. B. Hurst, incoming president, was in charge. Mrs. Paul Poe was morning hostess and Mrs. G. B. Langston was leader of the program on "American Painters."

Those appearing on the program were Mrs. A. J. Olson, who discussed "Early American Painters," and Mrs. Asa Skiles, who gave "Recent American Painters."

Those present were Mrs. W. D. Hazel, Mrs. B. B. Hurst, Mrs. E. E. Lennon, Mrs. A. J. Olson, Mrs. Paul Poe, Mrs. E. L. Pugh, Mrs. Asa Skiles, Mrs. Eugene Lankford and Mrs. G. B. Langston.

## MRS. BOND HOSTESS TO CIRCLE THREE

Presbyterian auxiliary circle three met Tuesday afternoon at 3 o'clock with Mrs. Frank Bond, in her home on the Eastland highway. Miss Willie Word, chairman, presided. Mrs. A. E. Jamison offered the opening prayer and the devotional was brought by Mrs. Leon Henderson. The topic discussed was "Christ Dealing With Human Needs."

The first two chapters of the new mission study book, "While It is Day," were given by Miss Willie Word and Mrs. Willie Bogan Dunn. The meeting closed by

all repeating the missionary benediction.

At the close of the social hour, the hostess passed refreshments to Mrs. J. E. Caffrey, Miss Willie Word, Mrs. G. C. Rosenthal, Mrs. A. E. Jamison, Mrs. J. G. Ruppe, Mrs. W. P. Watson, Mrs. Willie Bogan Dunn, Mrs. H. C. Henderson, Mrs. John Garrett and Mrs. Leon Henderson.

## MRS. J. E. BURNAM WAS HOSTESS TO CIRCLE

Members of circle one of First Baptist women's missionary society met Tuesday afternoon in the College Hill home of Mrs. J. E. Burnam. The meeting was opened at 3 o'clock by Mrs. W. D. Hazel, chairman. After the opening prayer, a short business session was held, preceding the Bible lesson from Corinthians, which was taught by Mrs. Asa Skiles. Mrs. Hazel closed the meeting with prayer.

Members present were Mrs. Asa Skiles, Mrs. W. D. Hazel, Mrs. W. H. LaRoque, Mrs. L. A. Harrison, Mrs. G. B. Langston and the hostess, Mrs. Burnam.

All members of First Baptist church residing north of W. Sixth street are urged to join circle one and aid the society in its work.

## MRS. MOON RECEIVES INTERESTING NEWS

Mrs. Clarence Moon is in receipt of interesting news from her son and wife, Staff Sgt. Howard Rogan, of the San Diego, Calif. naval base. Sergeant Rogan has his own plant, where he designs and makes hydraulic landing gear. His work shop is located on North Island, across the bay, and he was recently honored by a visit from President Roosevelt, who was making a tour of the west coast. The president visited the plant and questioned Rogan about his work. He asked to be conducted by him while inspecting the plant.

Sergeant Rogan has been with the marine corps nearly three years.

## JUNIOR MUSIC LOVERS MET WITH SPONSORS

The Junior Music Lovers' club held their first meeting of the year Tuesday evening, in the home of the club counselor, Mrs. Ben Krauskopf. New officers for the year were elected, as follows: Betty Wilcox, president; Dana Thornton, vice president; Helen Hay, secretary.

The district convention of the Federation of Music clubs, which will be held in Cisco, Oct. 30 and 31, was discussed by the club and plans were made for the Junior

"LINE'S BUSY"—This public telephone in Iceland is really "public," as this American soldier finds out as he calls his "best girl," with buddies looking on and listening in.

Day of the convention, which is Saturday, Oct. 31.

The following musical program was presented: Accordion solo, "The Bugle Call Rag," Dana Thornton; violin solo, "Elegie," Helen Hay; piano solos: "Jubilo," Betty Jo Laird; "Black Hawk Waltz," Pearlene Farley; "Sack Waltz," Geneva Birt; "Eitelweiss Glide," Pearla Farley.

Cookies and iced drinks were served to the following: Betty Wilcox, Helen Ruy Edwards, Carolyn and George Fewell, Azalea Morris, Helen Hay, Dana

Thornton, Joe Stamey, Geneva Birt, Pearlene Farley, Pearlene Farley, Norman Boggs, Betty Jo Laird, Georganna Westfall and Mary Hay.

## U. S. SPONSORED COURSE AT JUNIOR COLLEGE

The course, Industrial Control Through Accounting, which begins

at Cisco Junior college tonight, 7:30 o'clock, is sponsored by the United States government and is without charge to students taking the course.

The course includes 108 hours of lecture and recitation work, and is taught by Mrs. Minnie Hill, according to H. R. Garrett, vice-president of the college.

Those expecting to enroll for the course must be present tonight, said Mr. Garrett.

Working to earn money keeps people humble; the arrogant and

sassy are those who can spend money earned by somebody else.

To relieve distress of MONTHLY Female Weakness AND HELP BUILD UP RED BLOOD!

Lydia E. Pinkham's Compound TABLETS (with added iron) have helped thousands to relieve periodic pain with weak, nervous, blue feelings—due to functional monthly disturbances. Also, their iron makes them a fine hematic tonic to help build up red blood. Pinkham's Tablets are made especially for women. Follow label directions.

# MAKE YOUR GAS RANGE DO A BETTER JOB FOR YOUR FAMILY!

**HERE'S HOW**

**DO...** Clean range frequently. Keep burners properly regulated. Cook vegetables the "waterless" way. Broil when possible. Roast at low temperatures.

**DON'T...** Tinker with the range—call a service man. Don't buy so-called gas saving devices. Don't peek in oven when cooking. Don't retard circulation by plugging up oven flue outlet. Don't wash porcelain when hot.

## Magic Chef

The Red Wheel Gas Range with the Lifetime Burner Guarantee

Your present gas range will not only do a better job, but will last a lot longer if you take reasonable care of it, and use it efficiently. The simple rules above, plus more detailed instructions in the new booklet prepared by the Home Service Committee of the American Gas Association, will help you be a more scientific cook. Start now!
