

# THE CISCO DAILY PRESS

COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937

CISCO—One of the healthiest areas in U.S.A., with a countryside devoted to cattle, hogs, sheep, peanuts, cotton, fruits, feeds, poultry, gas, oil; two railroads, Bankhead highway, huge, concrete swimming pool.

CISCO—1,614 ft. above sea; immense lake—three miles long, 87 ft. deep at Williamson hollow concrete dam; fish hatchery; 127 blocks paving; A-1 high school; Junior college; natural gas, electric and ice plants; churches of all denominations.

VOLUME XXIII.

CISCO, TEXAS, THURSDAY, DECEMBER 3, 1942

NUMBER 64

## 5 U.S. TRANSPORTS SUNK OFF NORTH AFRICA

### WICKARD SAYS FOOD CURB IS A NECESSITY

CHICAGO, Dec. 3.—Secretary Wickard declared today "I for one have no intention and no wish to loosen government controls in perpetuity upon the food industry."  
"On the other hand, those who have the responsibility for the government's wartime food program should be prepared to take prompt action whenever action is necessary," the secretary of agriculture declared in an address prepared for a regional meeting on 1943 food goals.  
"Already in this war I have seen the consequences of delay and wishful thinking too many times," he continued. "If reservation orders or rationing are necessary for food commodities, these orders should be put into effect without delay."  
"The history of this war is that the situations grow worse instead of better and that every day of delay is extremely costly to all concerned."

### PALO PINTO COUNTY HAS LIQUOR FIGHT

MINERAL WELLS, Dec. 3.—Legal liquor control and prohibition forces drew battle lines today as Palo Pinto county residents prepared to vote next Tuesday on two local option issues.  
The ballot:  
For prohibiting the sale of alcoholic beverages that contain alcohol in excess of four (4 per cent) per centum by weight.  
Against prohibiting the sale of alcoholic beverages that contain alcohol in excess of four (4 per cent) per centum by weight.  
For prohibiting the sale of all alcoholic beverages.  
Against prohibiting sale of all alcoholic beverages.  
Organized prohibition forces were active with the slogan "We run the risk of all being shot by having a large per cent of our people half-shot."  
"The government estimates a 300,000,000 gallon shortage of ethyl alcohol for the war effort," a spokesman said. "If distilleries and breweries were diverted to powder manufacture, this shortage would be remedied."  
Advocates of legal control adopted the battle-cry of "Vote for Bombers, Not Bootleggers."  
"The government receives more than a million dollars each day in taxes from beer," a spokesman said. "This money is enough for 1520 bombers for the U. S. and Allied armed forces."  
Both sides urged residents to get out a record vote on both issues.

### WAR EFFORT IS FIRST CONSIDERATION

WASHINGTON, Dec. 3.—"Neither snow, nor rain, nor heat, nor gloom of night stays these couriers from the swift, completion of their appointed rounds."  
—Herodotus, about 550 B. C.  
This, the slogan of the postal service, has been made to apply to every obstacle that might discredit a companion motto, "the mails must go through." It is not true today.  
Herodotus never heard of Hitler or Hirohito.  
A high official of the post office department today confirmed reports that sacks of air mail are frequently thrown off mail planes to make way for priority passengers.  
"It has happened many times," said this official. "And undoubtedly it will happen again so long as winning the war is the first consideration."  
A commanding officer is like a strange surgeon. You can't tell whether he is good or bad till he has saved or ruined you.  
Probably no football next year. It's so hard to find a star player who has a wife and three kids.

### FREEZE TONITE OR FRIDAY IS PREDICTION

Sub-freezing temperatures and the coldest weather of the season were predicted today by the weather bureau, which issued a warning for protection of exposed plumbing, plants, automobiles and livestock.  
The forecast called for colder and windy weather this afternoon, with the freeze coming late tonight or early Friday morning. The low mark this morning was 34 degrees.

### WOMEN OF CISCO TO SELL WAR BONDS AND STAMPS SATURDAY AND MONDAY

A two-day sale of War Bonds and Stamps will be launched by the women of Cisco Saturday morning, says Mrs. George P. Fee, chairman.  
This is in accord with the efforts of women in all other cities in the United States and the live, war-minded women of Cisco are hopeful that the short but intensive campaign will secure results thoroughly creditable to this patriotic community.  
Tables will be located at strategic places throughout the business district Saturday morning and will be in charge of some thirty young women.  
Monday, December 7—Pearl Harbor Day—the tables and drive will be in charge of older women.  
Announcement of the two-day campaign will be made in the public schools today and Friday and the churches of the city will be requested to make special announcements at the various services Sunday.  
Told of the special war effort to be made by the women of Cisco on December 5 and 7, a Cisco business man made this statement: "Fine! Here's a chance for us men to show appreciation in some degree for the great work that has been performed by the women of Cisco in the numerous war activities. They would like to make a good showing in this drive and we can help them put it over, while at the same time making a good investment in our government."

### FOUR AXIS MERCHANTMEN AND TWO DESTROYERS BOUND FOR TUNISIA SUNK BY ROYAL NAVY

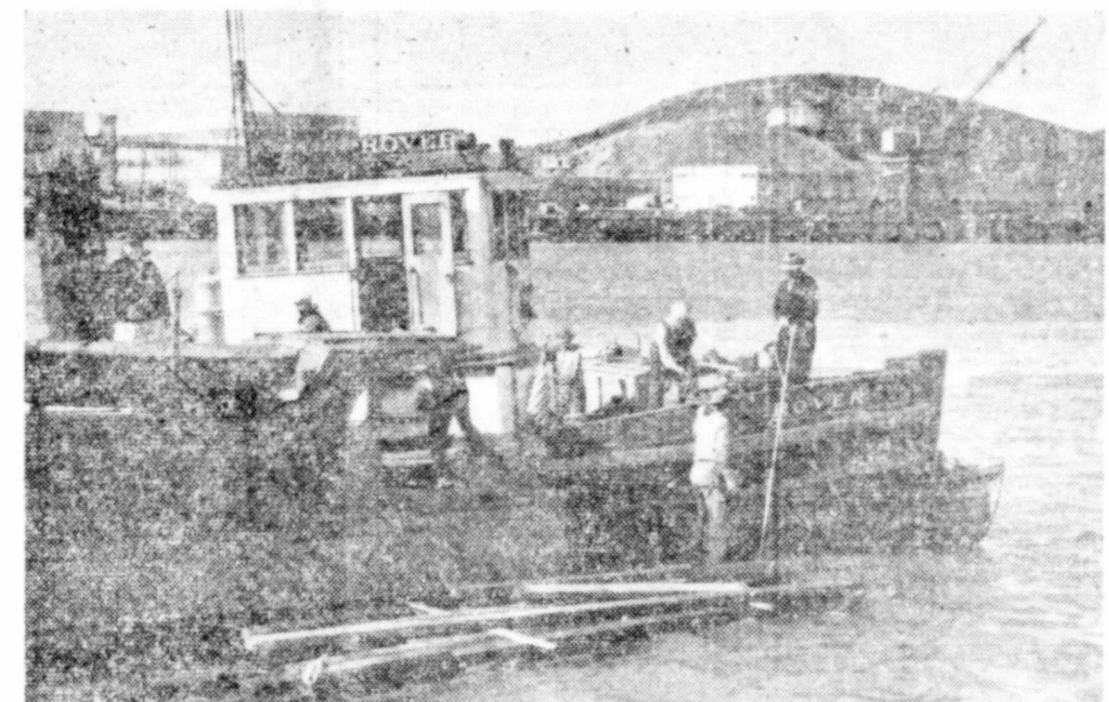

ALLIED HEADQUARTERS IN NORTH AFRICA, Dec. 3.—Under cover of a heavy barrage from ships of the Royal navy firing from vantage points in the Mediterranean, American and British forces advanced slowly against heavy opposition in Tunisia today.  
Entry of the British fleet into the fighting indicated the growing fierceness of the struggle, whose pace is increasing as heavier Allied ground forces arrive at the scene of action in a steady stream.  
LONDON, Dec. 3.—British naval guns have sunk four more enemy merchantmen and two destroyers bound for Tunisia with reinforcements for the Axis in the decisive battle for Bizerte and Tunis in which the opening shots apparently already have been fired, it was announced Thursday.  
The timely naval blow was struck on the night of Dec. 1, the admiralty said, and deprived the enemy of sorely needed fresh strength to face British and American troops converging on the bomb-battered Axis strongholds after smashing a German counter-attack which touched off the heaviest fighting of the Tunisian campaign.  
The convoy was attacked about midnight by a British force including three cruisers and, "in a spirited engagement," the communiqué said, "four enemy ships and two of the escorting destroyers were sunk or left burning wrecks."

### OIL INDUSTRY OUTLOOK SAID MUCH ROSIER

WASHINGTON, Dec. 3.—War-time operations of the oil industry, so important to the war effort, today appeared far brighter than at any time in recent months.  
Terms of the executive order creating the Petroleum Administration for War, which will be headed by Secretary of Interior Ickes, held out the promise of higher prices for crude and petroleum products and a better distribution of critical materials required by the industry for continued operations.  
Powers granted Ickes under the new order signed by the president are not all inclusive, but were so much better than the present setup that Ickes personally requested the president to drop plans to transfer him to the Labor Secretaryship.  
This decision by Ickes, to which the president acceded, was received enthusiastically by the oil industry.

### CREDIT UNION AT TEXAS U. PASSING OUT

AUSTIN, Dec. 3.—The war is about to abolish the University of Texas credit union.  
Demands for loans is decreasing, members were informed, because professors are putting their money in war bonds and taxes instead of automobiles and other items for which they formerly borrowed money.  
Loans have decreased to such extent that the interest paid is barely sufficient for the \$480 annual salary paid a part-time union employee.  
The number of loans outstanding dropped from \$45,000 on Sept. 30, 1941, to \$29,000 on Sept. 30, 1942, it was announced.

CLEAN UP TRISCO BAY—Some 240 volunteer yachtsmen took Sunday off from yachting activities to help U. S. Navy clean up San Francisco Bay, freeing it of driftwood and such that is dangerous to shipping. Two of such boats are coraling wood harvest for removal.

YANKS AT SEA—U. S. troops mass on the deck of a transport, all set for landing operations on North African coast. Gun crews are at posts ready to ward off enemy planes or surface craft.

### DON'T LIKE REFUNDS.

AUSTIN, Dec. 3.—A bill to be introduced in the legislature would eliminate the state refund on gasoline taxes. The law now provides that farm vehicles, boats and others that do not use the highways can buy gasoline free of the four-cents-a-gallon state tax. Such purchasers must pay the state tax, but they can get refunds. About \$10,000,000 in gasoline tax is returned each year—almost one-fifth of all the tax paid.

### STEVENSON HOPEFUL

FT. WORTH, Dec. 3.—A letter from Gov. Coke Stevenson who, according to Austin news dispatches, still believes congress can act to relieve the gas rationing situation in Texas today thanked Southwest Motor club officers and directors for a telegram sent recently in which the governor's stand on rationing was endorsed.

### REDS CAPTURE BACKBONE OF NAZI DEFENSE

MOSCOW, Dec. 3.—Russian forces have captured Verchne-Gnilovsky, one of the Germans' most important bases on the east bank of the Don river, northwest of Stalingrad, in a sudden move that may force the Nazis to abandon all their positions between the Volga and the Don, front dispatches said today.  
Verchne-Gnilovsky is the backbone of the Germans' defense system in the area northwest of Stalingrad. The fortifications comprise several fortified villages threatening the flank of Soviet forces driving against the Germans from the north and south on the west bank of the Don. From Verchne-Gnilovsky, the Germans were in position to send men and supplies to the Don's west bank if necessary.  
Capture of Verchne-Gnilovsky, situated on high terrain commanding all northern and eastern approaches and a bulwark against frontal attack, was disclosed by the army newspaper Red Star.

### FIGHT ON USELESS BUREAUS TO START SOON

WASHINGTON, Dec. 3.—The first front of the congressional war against federal bureaucracy will be opened in the house appropriations committee early next month.  
That committee has power to question every department, bureau, agency and division on what it intends to do with every dollar it requests for fiscal '44, and how it has spent past appropriations.  
But there will be no wild swinging of the meat axe, cutting down bureaus just because they've incurred displeasure somewhere, in the opinion of Rep. Clifton Woodrum (D. Va.), ranking democratic member of the committee. He said today that it is just as important to preserve some federal bureaus which are doing good work as it is to reduce the appropriations of some others. He is against indiscriminate economies as part of the congressional revolt against bureaucracy.

### PATROLS ACTIVE

WASHINGTON, Dec. 3.—Continued patrol activity by American forces on Guadalcanal indicated today that a new offensive designed to drive the enemy off the island may be in preparation. Ground fighting on the island has been confined to small-scale patrol operations since Nov. 23.

### IN ADDITION, FIVE OTHER AMERICAN VESSELS WERE DAMAGED, SAYS WASHINGTON STATEMENT

WASHINGTON, Dec. 3.—Five U. S. naval transports were lost as a result of submarine action during the occupation of North Africa by American forces in the early part of November, the navy announced today.  
In addition, five other American vessels, three transports, a destroyer and a tanker—were damaged during the operation.  
The transports lost were: Tasker H. Bliss, Hugh L. Scott and Edward Rutledge all sunk off Casablanca; the Joseph Hewes sunk off Rabat and the Leedstown sunk off Algiers.  
The navy did not announce the names of the damaged craft.  
The next of kin of personnel killed, wounded or missing are being notified by telegram as soon as information is received.  
The navy said it had no information as to the extent of personnel losses on the transports, all of which were former American liners.  
"The navy's announcement of these losses was the first it has made of its part in the occupation of North Africa.  
Largest of the sunken vessels was the Hugh L. Scott, the former liner President Pierce. This vessel had been serving the army in recent years, but was transferred to the naval service. The Scott had a gross tonnage of 12,546 and was built in 1921.  
The Bliss, the former President Cleveland, also was approximately at the same tonnage. As merchant ships, each carried a crew of about 240 men.  
The Scott was placed in commission in the navy on September 7 this year and the Bliss on September 15.  
The Leedstown was formerly the Santa Lucia. A vessel of 9135 gross tons, it was placed in commission for the navy also in September.  
The Rutledge was formerly the Exeter. With a gross tonnage of 9360, this vessel normally carried a crew of 104.  
The Rutledge was commissioned in the navy in June. The Hewes was formerly the Excalibur. Its gross tonnage was 9359 and its merchant crew numbered 104.

### TALK OF ITAL-JAP ATTEMPTS IAN PREMIER TO LAND NEAR SCARED PEOPLE BUNA-GONA FAIL

LONDON, Dec. 3.—Premier Mussolini's call to the Italian people to evacuate women and children from the nations cities threw the Italians into panic and led to an uncontrollable exodus Wednesday night, the Daily Express said Thursday.  
Italians fled not only from the northern industrial centers which have been the principal target of Royal Air Force bombers, but also from Florence, Rome and Naples.  
By car, train and afoot, thousands upon thousands poured out of the cities to seek safe haven in the countryside. A Berlin radio announcement said that residents of Rome, fearing an imminent air attack, will be evacuated as soon as possible.

### ALLIED HEADQUARTERS IN AUSTRALIA

Dec. 3.—MacArthur air forces supporting ground troops closing in on the Buna-Gona area on the New Guinea coast have smashed new Japanese attempts to land reinforcements in a 12-hour running battle with four Japanese destroyers and their screen of fighter planes.  
The Allied planes knocked 23 enemy fighters out of the air as they carried the attack to sea, forcing the destroyers to withdraw without materially aiding their hard-pressed forces on the shallow beachhead ringed by Allied ground troops.  
The planes also kept up low level attacks on Japanese ground positions between Buna and Gona.

The Cisco Daily Press

Consolidated with Cisco Daily News and Cisco American and Round-Up

Entered as Second Class Matter December 11, 1934, at the post office at Cisco, Texas, under Act of March 3, 1879.

A. B. O'FLAHERTY, Publisher and General Manager. W. H. LAQUOQUE, Advertising Manager.

Published daily except Saturday and Monday at Cisco, Eastland county, Texas, by the Free Press Publishing Corporation, incorporated under the laws of the state of Texas. Editorial and publication offices at 204-206 D Avenue, Cisco, Texas.

National advertising representative: Texas Daily Press League, Dallas, Texas.

SUBSCRIPTION RATES: \$2 per year by mail (outside of Cisco) in Eastland, Stephens, Garza, Galveston, Brown and Comanche counties, Texas, outside the above-mentioned counties \$2.50; \$1.75 in U. S. outside of Texas.

AN INCREDIBLE POLICY

Throughout the nation, strange changes are taking place. Small communities have overnight become roaring industrial cities.

Some of the problems accompanying these changes are easily apparent. One that is not so apparent is that of electric energy.

The electric problem has been solved by pooling the resources of our power companies. In other words, when one company in an area faced an overload, it called on a neighboring company with a surplus of electric energy.

Its record of success is amazing. Moreover, it has succeeded in the face of unrelenting political attack.

Present governmental policies toward the utilities, if continued, will inevitably result in curtailment of electric service.

This war is being fought for a principle. That principle is freedom. Free enterprise is as necessary to the preservation of freedom as is freedom of speech, press or religion.

FRENCH REDEMPTION It might be said of those Frenchmen who deliberately blew up their navy at Toulon, and went down with it that "nothing in their life became them like the leaving of it."

and marching. It is reported that 95 per cent of the French nation is relentlessly set against Hitler and his invaders, and only waiting for arms to sweep them back as Russia is doing.

MOVIES AND BONDS E. B. White, of "One Man's Meat," comments, in the December Harper's, on the American practice of actress appearances to sell bonds.

"This particular brand of rally is a rather odd American phenomenon—the spectacle of a people with homes and future at stake, their own lives imperiled and the lives of their sons hanging by a thread, having to goad themselves to meet the challenge by indulging in a fit of actor worship and the veneration of the Hollywood gods."

Mr. White says every race has its own natural forms and customs, its own way of doing business and getting results. The Japanese have their emperor, an idol, the Germans their state, identified with the fuhrer.

For pure idolatry and the necessary hysteria which must accompany the separation of the individual from his money, they turn to Dorothy Lamour, or Beauty-at-a-Distance.

FEWER LAWYERS Whether lawyers really deserve all the charges brought against them, or whether that is just a time-honored tradition, may be open to argument.

The law schools are losing students so fast that those which depend on tuition for their funds are in a bad way.

LONG BRANCH Mr. and Mrs. Brady Poe of Carbon were transacting business and visiting at Long Branch Tuesday.

OVERWORKED MAN It's true I work from sun to sun. The fact that here is never done. It's why at night with darkness I wash up all her dirty dishes.

MARCH, 1935 (Files of Cisco Daily News)

Two years ago today (March 4) a democrat named Franklin Roosevelt became president of the United States. Just 50 years ago today another democrat, Grover Cleveland, took that same office.

FRENCH REDEMPTION It might be said of those Frenchmen who deliberately blew up their navy at Toulon, and went down with it that "nothing in their life became them like the leaving of it."

witnessed the transfer of the federal government to new hands. President Cleveland's speech was printed in the paper, and this sentiment stands out: "Amid party strife the people's choice was made, but attendant circumstances demonstrate a new strength and safety of a government by the people. In each succeeding year it more clearly appears that our democratic principles need no apology and that IN ITS FEARLESS and FAITHFUL APPLICATION is to be found the surest guaranty of good government."

Continuing the program of autobiographies of Lion members, President E. L. Smith presented an interesting group of stories today as told by Lions H. L. Dyer, W. J. Leach, A. Sandhofer and Charles Kiebler, in which these men gave the highlights of incidents in their respective lives, that had more or less to do with their present achievements.

Funeral services for Mrs. Della Grayson, old settler here, were held at the St. Mark's Baptist church here and the body shipped to Brenham for burial.

Supt. R. N. Clark and Secretary W. Frank Walker of the Cisco school board returned from Austin yesterday, after a trip to work out a refinancing system on the city's school bonds.

Mrs. Frank L. Turner today received a telegram telling of the death of her brother-in-law, Rev. J. R. Mashburn, in Hwanghien, China. Rev. Mr. Mashburn's wife, the former Miss Lois Howard of Brownwood, died in 1929.

Mrs. J. T. Berry, wife of the city's mayor, Tuesday was proudly displaying a bouquet of flowers and a card from Mayor Fiorello G. LaGuardia of New York City.

Mr. and Mrs. Brady Poe of Carbon were transacting business and visiting at Long Branch Tuesday.

Vincent Gage, from Brownwood visited in the home of his grandparents, Mr. and Mrs. J. W. Gage Sunday.

Mr. and Mrs. Leon Murray and son, Gene, and Aubry and Mrs. D. M. Driver and their children, Charles, Dorothy, Yvonne, Kenneth and Don, were guests in the home of Mr. and Mrs. C. A. Driver of Carbon on Thanksgiving.

Mr. and Mrs. M. M. Cooper from Branton Gin and J. W. Cooper of Eastland visited in the home of Mr. and Mrs. Ed Sherrill Saturday.

Mrs. Elzo Been has been suffering from the flu. Mrs. Louise Bishop is quite ill at her home here.

Mr. and Mrs. Joel Reed attended the funeral service of Mrs. Reed's aunt, Mrs. May Brown at Carbon Sunday.

PISGAH

Mr. and Mrs. Roy Speegle and children, Doris Ann and Wayne of Eula, visited relatives here Saturday.

Mr. and Mrs. L. A. Parks and daughter Billie Ruth visited another daughter, Mrs. R. M. Johnson and children in Putnam, during the Thanksgiving holidays.

Alford Parks is on the sick list with the flu and head trouble. His little son, Billy Ray, went to the dentist and had a tooth pulled.

Fixing hotel rates won't matter much. There won't be many conventions, anyway.

INSURE IN SURE INSURANCE with E. P. CRAWFORD Agency 108 W. 8th. Phone 453

which he suffered for a few days but is up and doing well now. Mr. and Mrs. Lester Horn of Colorado City, and Lewis Horn of Burleson visited with Mr. and Mrs. Rufus Horn during the weekend.

When some of us decide life isn't as good as it should be we get out and try to make it worse. Clean False Teeth Get Rid of Stains—No Brushing Discard old fashioned methods. Try this modern, scientific way.

When any group uses the war selfishly to advance itself, the duty of other groups is to fight it. Haskell says Cicero was a fine writer who thought himself a great statesman.

### SOCIAL and CLUBS

TELEPHONE 36

#### MRS. G. C. ROSENTHAL CIRCLE HOSTESS

First Presbyterian auxiliary circle three met in regular session Tuesday afternoon in the home of Mrs. G. C. Rosenthal, Humboldt. The meeting was opened by repeating the Lord's prayer in unison. Miss Willie Word, chairman, presided at the business session. The lesson from the "Survey," in which the topic, "Christmas in 1942," was discussed, was brought by Mrs. W. W. Wallace and Mrs. J. E. Caffrey. The lesson was preceded by a devotional on "Humility" by Miss Willie Word.

Those present were Mrs. J. E. Caffrey, Mrs. R. B. Carswell, Mrs. Willie Bogan Dunn, Mrs. H. C. Henderson, Mrs. John Garrett, Mrs. A. E. Jamison, Mrs. J. G. Rupe, Mrs. W. R. Simmons, Mrs. Spearman, Mrs. W. W. Wallace, Miss Willie Word and the hostess, Mrs. Rosenthal.

#### ALPHA DELPHIANS IN INTERESTING PROGRAM

Alpha Delphian study chapter met in the club house Wednesday morning for a program on Early American Writers. Mrs. W. Frank Walker was hostess and Mrs. V. V. Gardenhire, vice president, was in charge.

Mrs. A. J. Olson was leader of the morning program, in which Mrs. Eugene Lankford gave a general survey of the life of Washington Irving. Mrs. G. B. Langston discussed "Rip Van Winkle." The special topic brought by Mrs. E. E. Lennon was a splendid summary of the lives and national activities of Mr. and Mrs. Leon Henderson.

Members responding to roll call were Mrs. Willie Bogan Dunn, Mrs. W. W. Fewell, Mrs. W. V. Gardenhire, Mrs. W. D. Hazel, Mrs. B. S. Huey, Mrs. E. Hooks, Mrs. G. B. Langston, Mrs. E. E. Lennon, Mrs. Eugene Lankford, Mrs. A. J. Olson, Mrs. Paul Poe, Mrs. E. L. Pugh, Mrs. Asa Skiles and Mrs. W. F. Walker.

#### MRS. T. E. HOUSE WAS HOSTESS TO CIRCLE

Mrs. T. E. House was hostess Tuesday to circle one of First Baptist women's missionary society. Mrs. W. D. Hazel, chairman, presided, and the Bible lesson from the Book of Hebrews was ably taught by Mrs. Asa Skiles.

Those present were Mrs. J. E. Burnam, Mrs. W. D. Hazel, Mrs. L. A. Harrison, Mrs. W. H. LaRoque, Mrs. Leon Maner, Mrs. G. B. Langston, Mrs. Asa Skiles and the hostess, Mrs. T. E. House.

#### EAST CISCO SOCIETY IN WORK MEETING

An all-day session of work was held Monday by the women's missionary society of East Cisco Baptist church. A quilt was finished and will be presented to a needy person or organization as a gift from the personal service unit of the WMS. Luncheon was enjoyed at noon.

Those present were Mrs. J. D. Hall, Mrs. Don Rupe, Mrs. J. E.

### WAGGS BECKON TO QUALIFIED CISCO WOMEN

Lieut. Claude Parham of the army recruiting station, Abilene, was in Cisco today seeking volunteers for the Women's Army Auxiliary Corps.

The corps is growing rapidly, said the lieutenant, but so far we have had very few applicants from Cisco.

If you are a female citizen of the United States, between 21 and 44 years old, inclusive; if you are physically fit, intelligent and of excellent character, you can do your part in the war effort by enrolling in the WAAC.

Application blanks may be secured by writing to the army recruiting station, Abilene.

Whoseant, Mrs. V. E. Bosworth, Mrs. Dora Kennedy, Mrs. C. R. Hightower, Mrs. J. E. Shirley, Mrs. Henry Hardin, Mrs. Arlin Agnew and Mrs. Russell Dennis.

#### YWA ENJOYED SOCIAL IN DENNIS HOME

A social meeting was held by the young women's auxiliary of East Baptist church Monday night in the home of their sponsor, Mrs. Russell Dennis. Miss Edna Hightower presided during the business session preceding the social.

A number of clever games were directed by Miss Margaret Dawson. Refreshments were passed to Misses Geraldine Sheppard, Margaret and Hazel Dawson, Edna Hightower, Dora Lee Hall, Margie Dawson, Frances and Laverne Dennis and the sponsor, Mrs. Dennis.

#### BAPTIST CIRCLE TWO MET IN CHURCH

Circle two of First Baptist missionary society met in the church Tuesday afternoon. Mrs. W. Frank Walker presided during the business period in the absence of Mrs. O. J. Russell, chairman. The resignation of Mrs. O. G. Lawson as Bible teacher was accepted and Miss Cora B. Harris was elected to fill the place.

An interesting lesson was taught by Mrs. O. G. Lawson from the Book of Romans after which the meeting closed with prayer for the men in uniform.

Attending were Mrs. Roy Morrison, Mrs. A. D. Estes, Mrs. W. F. Walker and Mrs. O. G. Lawson.

#### ANOTHER RECORD.

WASHINGTON, Dec. 3. — For the first time in history the public debt has passed the \$100,000,000,000 mark. Wednesday's daily statement on the condition of the treasury revealed that the total gross public debt as of Nov. 30 was \$100,379,324.62. It had climbed \$446,735,685.37 since the previous day.

There's a bright side. Nobody has yet written a song entitled: "I Didn't Raise My Girl to Be a Welder."

### America DRIVES to VICTORY!

DON'T FAIL TO PROTECT YOUR CAR WITH PROPER OILS, BETTER FUEL AND CARE

You can help win the war by preserving your automobile and other things pertaining to your necessities for carrying on your work. A Gulflex lubrication job on your car periodically will make it last longer.

Let us advise you to the best of our ability at all times. HARVEY THURMAN'S GULF STATION. Corner 8th and E. Cisco, Texas.

FWG MINDS, SAME QUESTION—Time was when the butcher asked the housewife, "Any meat today?" But with shortage in San Francisco the customer now makes this query of the butcher.

#### MASONS IN SERVICE.

WACO, Dec. 3. — Dr. E. M. Wood, grand master of Texas Masonic lodges, recommended Wednesday that the present program of the order for care of its members in the armed services through individual lodges be continued. Speaking at the opening session of the 107th annual communication he said if this program is carried out through the Masonic Service association and centers established throughout the state it will cost about \$200,000 the first year. There are some 5,000 Texas Masons and sons of Masons in the service.

### MAIL CHRISTMAS PARCELS RIGHT AWAY

Word received by Postmaster L. H. McCrea from the postoffice department at Washington warns the public that Christmas-gift parcels should be mailed at once or delivery before Christmas cannot be assured, and particularly where parcels are to go a considerable distance.

Several factors have brought about this condition, some of these being the scarcity of shipping space in mail cars, scarcity of experienced labor, need for prior call on available space and rapidly increasing transportation by the armed forces.

So, fellow Cisconians, shop and mail as early as possible and thereby help the government while better serving those you wish to remember at Christmas time.

### WILL CORRECT WAR NECESSITY CERTIFICATES

WACO, Dec. 3.—ODT district offices for motor transport will correct promptly any errors made in Certificates of War Necessity, whether due to clerical error in the office or error by the truck operator in giving information on his application. Ray Martin, district manager for the division of motor transport, has announced.

Low allotments for gasoline can be corrected promptly when the error has been made, and the application gave full and correct information, the operator must wait thirty days after receiving his certificate before he can file appeal. If an operator can get along temporarily on this fuel allotment, he should accept it and

### Canadian Mothers Say "Buckley's Best for Children's Coughs"

Coughs, colds and other irritating ailments. Buckley's CANADIAN MENTHOL is different from anything else you've tried. Get a small bottle today. You'll find it really wonderful. It's cooling, soothing, relieves and makes breathing easier. One or two sips and hard coughing goes away. Thousands of Canadian Mothers know its worth and wouldn't dream of having a Canadian winter without it. They know how good it is. Your druggist has the remarkable Canadian discovery.

# BRIEFLY TOLD

Mrs. Jack Anderson has been added to the sales staff of The Man's Store, which also caters to discerning women for many items in their line. For a number of years this store has sold women's articles that men would ordinarily buy for their women. A few months ago Mrs. Lewis Starr was put in charge of this

## SEYMOUR WAS ROTARY LUNCHEON SPEAKER

Rev. L. W. Seymour was introduced as principal speaker by Rev. Cooper Waters, program chairman for the 10th regular weekly Rotary luncheon held last night at the American Legion. The subject was "American Freedom."

President, Ernest H. Hahn, also announced that the club has 100 percent attendance during November and today's attendance was also 100 percent. A letter from the 10th district committee announced that the club had been in the upper ten group of clubs during the whole year which began in July.

Rotarian R. E. Powers made an announcement concerning a special fund and stated that the club will have a Christmas party on Saturday and Sunday. The club will be in charge of the George F. Lee and committee will be in charge of Christmas dinner.

In his talk to the club Mr. Seymour said that there are two kinds of freedom in the world of people and that every citizen has an obligation to the state in the 15th century. He stated that the 10th district committee has a plan of investigation and the club of Rotary 378-A-B. There are two interpretations of freedom and the speaker stated that they may be called religious and the other non-religious. Other believers of the universal rights of man while the other is concerned only in selfish individual rights to which he places his emphasis on the liberties of others that may be intruded upon when he is not caring on his own rights. Martin Luther's Reformation may illustrate the broader meaning while the French Revolution may serve to illustrate the selfish individualism of liberty. The speaker continued:

"These two interpretations were brought to America during the early part of the 18th century. One was the right to be a patriotic citizen while the other is sectional."

## COTTON BOWL TICKETS WILL BE RESTRICTED

DALLAS, Dec. 3.—A bill to restrict the sale of cotton bowl tickets was introduced today in the House by the House of Representatives. The bill is reported by the House committee on education and the bill is expected to pass the House in the near future. The bill is intended to restrict the sale of cotton bowl tickets to members of the Cotton Bowl Athletic Association and to restrict the sale of tickets to members of the Cotton Bowl Athletic Association.

"We will continue to work every possible means to meet the cotton bowl's request," said B. South, president of the Cotton Bowl Athletic Association, said. He added that requests for tickets so far indicated that most of the spectators to the Cotton Bowl contest will come from within a radius of about 100 miles of Dallas.

**SILVER SURPLUS BILL.**  
WASHINGTON, Dec. 3.—Senate backers of a bill authorizing the treasury to dispose of its surplus silver intend to open an eleventh-hour drive for passage next week despite opposition of lawmakers from western silver-producing states. Senator Maloney of Connecticut, member of the banking committee which approved the bill Wednesday, said he hoped to obtain senate consideration Monday.

The government says twice as many oysters must be put into each can. How about some more in the soup?

If you can't get along with your relatives the chances are that the fault is partly theirs also.

## HOT LUNCH IN SCHOOL GREAT HELP TO CHILD

By R. N. CLUCK

The foundation for health which is laid in the first six years of a child's life is either continued or interrupted when he starts to school, according to whether or not he is properly fed at each of the three meals of his school day. If his breakfast is hot and bountiful as it should be, and his evening meal is also warm and nourishing, it is still of very much importance that his noon meal be of the same degree of nourishment. In order for this to be true a hot lunch must be served the school child. The healthy child has the best chance of growing into the healthy adult. The child who eats well-planned meals at regular hours has the best chance of laying a good foundation for future health. Just as the child who eats a hot lunch at school has the best chance for having well-planned meals.

The hot lunch program fills a very definite need in the life of the school child. Even in the personal appearance of the child who takes advantage of the hot lunch when it is offered, an improvement is noted. He takes on a healthy appearance, with rosy cheeks and red lips. His eyes become brighter. His skin is smoother, his muscles firmer and his body is straight and strong. He grows tall and gains weight, month by month. He is active, alert and interested in everything. He plays vigorously and has a never-ending desire for activity. There is scarcely any evidence of malnutrition in those who take advantage of the hot lunch when it is offered at school. Almost without an exception the quality of work done by a student improves as he begins to have a hot, well-balanced meal. There is less spurring of communicable diseases through the school. The quality of work as a whole is definitely raised.

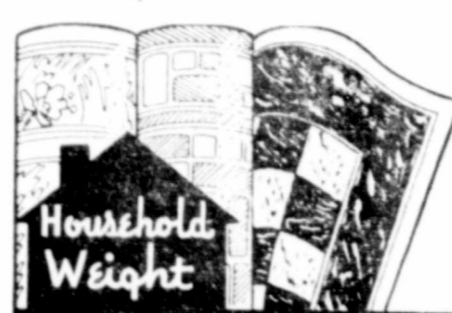

In order that a child may be healthy, well-nourished and vigorous, he must eat the foods that meet his needs at the noon meal as well as at the other two meals. The food requirements of a child are greater than those of an adult. His food must not only keep him warm, supply him with energy, maintain his body processes and repair his worn-out tissues, but also it must build new tissues constantly, as he grows taller and gains in weight month by month. If a child's diet does not supply all those needs, he may suffer from malnutrition.

Her standard carries the stirring call to a vital war duty—BUY WAR BONDS—and her weapons are Economy, Sacrifice, Self-reliance, Determination and Hard Work. She will be seen by the countless thousands from coast to coast during Women At War Week, November 23rd to 29th, shouldering the task of men who now wear Sailor blue, Marine green and the Army khaki.

## FARM POLICIES CAUSE WOES; COST TOO HIGH

WASHINGTON, Dec. 3.—Re-examination of all the nation's agricultural policies in the light of war demands for food was advocated today by Chairman Russell of Georgia of the Senate Agricultural Appropriations Subcommittee.

Russell also told an interviewer that the department of agriculture must soon "submit a more economical plan of administration, since the cost of administering the AAA and conservation programs has been entirely too high."

"Where there is a possibility of a shortage in a farm commodity," Russell declared, "there should be no restrictions on production."

## NOW SHE SHOPS "CASH AND CARRY"

**Without Painful Backache**  
Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pain, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Backache Kidney Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of aches that peak out poisonous waste from your blood. Get Doan's Backache Kidney Pills.
