REDS LOSE EIGHT NEWLY-WON KEY TOWNS

DAN HORN COMMUNITY HAS 14 YOUNG MEN WITH UNCLE SAM'S ARMED FORCES; ONE MISSING

The little Dan Horn community has so far furnished fourteen young men for Uncle Sam's armed forces and their names, time of induction and branch of service have been furnished the Daily Press by its Dan Horn correspondent.

So far as known, thirteen of the fourteen are at their posts of duty and in good health. However, Ocie Edward Brown, who was serving in the Philippines, is reported missing, although the family still hopes he may have been captured by the enemy and is being held as a prisoner of war. Brown had been promoted to staff sergeant a short while before he was reported missing. The list follows:

George B. Hall was inducted September 26, 1942, at Mineral Wells, then sent to Pendleton Field, Oregon; after a few weeks was transferred to a naval school; has successfully completed the training at torpedo school, naval training station, Newport, R. I.

Gerald W. Parks was inducted August 7, 1942, at Camp Wolters; there six weeks, then to Brownwood; left there in January, 1943, for Shreveport, La., for maneuvers; promoted to corporal while there.

J. M. McCulloch was inducted April 18, 1942; went to Albuquerque, N. M., then to Camp Roberts, Cal.; then to Angle Island, San Francisco, where he is now stationed.

Corp. Bruce D. Starr, Seattle, Wash.; inducted July 8, 1941, and sent to Camp Wallace, Tex.; from there to Ft. Bliss, Tex.; December, 1942, went to Seattle.

Tech. Sgt. Johnnie B. Brown is in the field artillery at Camp Blanding, Fla.; now taking course in mechanics.

Marshall Ervin joined army February 2, 1942, at Mineral Wells; there 15 weeks, then to Angle Island for two weeks, then to Hawaii; wounded in ankle there; has been moved to unknown point, but still hear from him.

Olen B. Brown, first class seaman; joined navy in October, 1943; received basic training at Norfolk, Va.; transferred to Gulfport, Miss.; now at Port Huacame, Cal.; now ready for sea service.

Elvy Taylor was inducted into army October 13, 1941, at Santa Fe, N. M.; then to Fort Bliss, then to Camp Callan, San Diego; then to Seattle, Wash.; then overseas.

Lewis Horn was inducted into the army December 21, 1942, at Mineral Wells. From there he went to Camp Callan, San Diego.

Ocie B. Leverage entered army at Camp Wolters, December 21, 1942; there six days and was then sent to Camp Robertson at Little Rock, Ark.

Wesley J. Lambright volunteered for the army air corps October 17, 1942, at San Angelo; there five weeks, then to San Antonio; is now with the 854th bombardier training squadron at San Angelo.

Ocie Edward Brown joined armed forces in April, 1941; was stationed at El Paso four months; sent to Philippines in August, 1941, arriving there in the middle of September, 1941; was heard from only three times after war was declared against Japan. In May, 1942, Private Brown was officially reported as missing in action. Just before he was reported missing, his family was informed that he had been promoted to staff sergeant.

Herbert Lee King volunteered November 18, 1942, for service with the army air forces at San Antonio. His first station was at Duncan Field, Tex., where he was rated corporal as clerk in a complement squadron; January 10, 1943, he was transferred to Baton Rouge, La., where he is now studying for entrance to officers' training school.

Aviation Cadet Walter S. King enlisted as private in army air forces, April 9, 1942, at San Antonio, appointed aviation cadet August 23, 1942, and sent to Nashville, Tenn., for classification; was classified as pilot and transferred to Maxwell Field, Montgomery, Ala., September 12,

1942, for pre-flight training; upon completion was transferred November 21, 1942, to Carlstrom Field, Arcadia, Fla., for primary flight training; January 31, 1943, was transferred to Bainbridge, Ga., where he is now receiving basic flying training. His class is scheduled for graduation on June 3, 1943.

WELFARE BODY URGE GARDENS BE PLANTED

At a meeting of the Cisco Welfare association Tuesday morning, the planting of gardens by families who are receiving assistance was strongly urged, and Mrs. B. S. Huey, executive secretary, reported that some garden seed and onion plants had been donated to these families. The board planned to give more seed later.

In the absence of President L. W. Seymour, the vice president, R. L. Ponsler, directed the meeting. Mrs. Austin Flint made a very excellent report of her work and Mrs. Huey made a report of her work for the past month. A number of other matters were discussed, but no action was taken at this meeting.

Those present at the meeting were Mrs. B. S. Huey, Mrs. H. B. Hensley, Mrs. W. W. Fewell, Mrs. N. A. Brown, Mrs. G. B. Langston, Mrs. W. W. Wallace, Mrs. Charles J. Kleiner, Mrs. W. D. Hazel, Rev. James R. Wright, Dr. Gary L. Smith, Arch Birt, Austin Flint, R. L. Ponsler and P. R. Warwick.

***BLAST MUNICH.** LONDON, March 10.—Britain's biggest bombers took to the air Tuesday night and blasted Munich, cradle of the Nazi party and seat of important war industries, in the twelfth RAF assault upon the continent in 14 nights. Eleven planes failed to return.

REDS FIGHT BACK—Red infantry on the march, somewhere in North Caucasus, saw Nazi planes loom against sky. Quickly they were on their backs, in this formation, with rifles and machine guns blazing at the invaders and driving them off.

BRIT MEN—Officers of Gordon Highlanders, part of British 8th Army, stop for rest at the Tunisia-Libya border, as they chased Rommel's Nazis. Major General Cameron commanding, is shown at left.

CISCO NURSERY SCHOOL WILL BE CONTINUED

The continuation of the nursery school for the remainder of the term, despite the withdrawing of government support, was one of the questions determined at the meeting of the city commission at its regular meeting last night, and their plans to repair the street leading to Humboldt as soon as release is made by the W. P. B. for a car of asphalt, was another matter acted upon.

A committee was appointed to determine whether or not certain tax matters could be adjusted in such manner as to enable the city to proceed with arrangements for a recreational building for students of Cisco's War Industries School. J. J. Collins and H. S. Drumwright were named as the committee.

Bills to the amount of \$1,496.67 were presented and ordered paid. Those present were Mayor G. P. Mitcham and Commissioners A. D. Anderson, George Boyd, J. J. Collins, H. S. Drumwright and Charles J. Kleiner.

ORNANCE PRODUCTION.

WASHINGTON, March 10.—American Ordnance manufacturers today had a mark of 50 high explosive shells a minute and 500 cartridges a second to shoot at during March production. That was their production record during February, Undersecretary of War Patterson reported Tuesday, disclosing that the shops and arsenals turned out 419,000 bombs, 7,800 weapon-bearing combat vehicles and 1,244,000,000 cartridges in the month.

TO BUY MORE BONDS—Dickie Laswell, leukemia victim of Springfield, Ill., who buys bonds instead of toys, given 1,900 pennies from 59th Armored Division Headquarters company by Mrs. Dwight Green, wife of Governor.

MISS THURMAN FURNISHED MUSIC FOR LIONS

Betty Jo Thurman, pinch hitting for her father, Lion Harvey Thurman, who had charge of the program, gave a musical repertoire, beginning with an unusual arrangement of "Sweet Hour of Prayer," and variations, that received very hearty applause.

Other numbers were likewise appreciated.

Lion Carlos J. Turner, as temporary taitwister, was unusually active in assessing and collecting fines which go to the nursery school fund.

President Huston asked for a report on the program and arrangements for the Lions-Rotary football banquet. M. D. Fox representing the Lions, said that the trend and added that interesting features were in store.

R. W. McCauley reported on ticket sales, while O. L. Stamey also spoke concerning the banquet program and ticket sales.

CISCO SCHOOL CENSUS BE TAKEN TOMORROW

School census enumeration will begin for Cisco tomorrow, said Supt. R. N. Cluck today. Enough helpers will be used to clear the matter up in one day, he said.

The cooperation of all parents is urged, so that no children will be overlooked, since each child means \$22.50 for the school fund, Cluck said.

"If it is impossible for you to be at home tomorrow, please arrange for the listing of your children in the scholastic age," Cluck said.

WEATHER HINDERS FIGHTING IN N. AFRICA

ALLIED HEADQUARTERS, NORTH AFRICA, March 10.—A double threat to Marshal Erwin Rommel's position in South Central Tunisia developed today as patrols from the British Eighth army continued to harass the Axis from the south, and French troops, pushing east of Tozeur, menaced the German flank.

Large-scale fighting died down all along the Tunisian front, and bad weather hampered the aerial activity in which the Allies gradually are winning control of the skies.

Rommel, badly beaten in his sally out from the Mareth Line against the Eighth Army, showed no disposition to return to the attack. He lost 52 tanks in the weekend fighting in the south, and it was believed he was trying to regroup his armor.

The German-controlled Radio Vichy said American forces in Central Tunisia "continued their advance after the Germans had evacuated several positions in accordance with a plan to shorten their lines."

HOUSE REVOLT BREWS OVER PAY AS GO

WASHINGTON, March 10.—A threatened house revolt over pay-as-you-go income tax legislation gathered strength today as the ways and means committee meets to vote on a plan which would sidetrack all forgiveness suggestions.

The committee's latest proposal would merely apply a 20 per cent paycheck withholding tax against 1942 levies beginning July 1. All but the new income taxpayers would continue paying taxes a year later. For an estimated 17,000,000 new taxpayers, according to Rep. Bertrand W. Gearhart, Republican of California, it would mean compulsory savings against their taxes for 1943.

RUSSIA DESERVES IT.

WASHINGTON, March 10.—Out of the international uproar over American Lend-Lease aid to Russia, one fact emerged clear-cut today that the House will approve continuance of the program for another year. And probably by an almost unanimous vote.

NATIONAL BANK ASSETS.

WASHINGTON, March 10.—National bank assets rose more than \$11,000,000,000 to a new record high of nearly \$55,000,000,000 in 1942 while deposits jumped an almost equal amount to a record total of \$50,649,000,000. Preston Delano, comptroller of the currency, reported.

CONDITION SERIOUS.

BOCA GRANDE, Fla., March 10.—John Pierpont Morgan, whose name is synonymous with gigantic financial power, apparently was holding his own today in his cottage at this resort, where he suffered a recurrence of an old heart ailment. He is 75.

IN 80-MILE RETREAT SOVIETS KILL 20,000 GERMANS AND DESTROY MANY PLANES, TANKS

MOSCOW, March 10.—Red armies, firmly entrenched along the upper Donets basin after abandoning eight newly-won bases in an 80-mile retreat, hurled back wave after wave of German troops and tanks south of Kharkov today while their comrades on the central front smashed to within 17 miles of Vyazma.

(A round-about report received in Stockholm by the Swedish telegraph bureau said Premier Josef Stalin, now a marshal of the Russian army, had left Moscow for military headquarters on the southern front.)

In one sector below Kharkov, the Germans threw 3,000 infantrymen and 30 tanks against the Soviet defense lines, only to retreat to their initial positions after losing 500 troops and 14 tanks, the Russian mid-day communique said.

Fifteen Axis tanks and four self-propelled guns were destroyed in another sector below Kharkov, the communique reported.

The Russian retreat to the north bank of the upper Donets was disclosed in the Tuesday midnight communique, which said the withdrawal was ordered in the face of strong counter-attacks by upwards of 375,000 German troops seeking to capture the Kharkov area by deep "out-flanking thrusts" from the southwest.

The retreat cost the Russians their newly-won towns of Krasnograd, 52 miles southwest of Kharkov; Pavlovgrad, 100 miles southwest of Kharkov; Lozovaya, 74 miles south of Kharkov; Slavyansk, 100 miles southeast of Kharkov; Kramatorsk, 10 miles south of Slavyansk; Krasnoarmeiskaya, 35 miles south of Kramatorsk; Lisichansk, 115 miles southeast of Kharkov, and Barvenkova, 80 miles southeast of Kharkov.

All the towns were either key railroad junctions or industrial centers and the Soviet withdrawal wiped out the threatening Russian bulge southwest of Kharkov, anchored in the west by Pavlograd, only 37 miles east of the Dnieper, and Krasnograd.

The Soviet high command announced that 20,000 German troops were killed by the Russians during the retreat. In addition 115 planes, 650 tanks, 320 guns and 1,500 trucks were destroyed.

FRICKE FIRST TO ENTER GARDEN CONTEST

A. C. Fricke, 305 Franklin street, Cisco, has entered for the Victory garden contest, having about one and one-half acres on which he grows vegetables each year.

Fricke does not irrigate, saying that it does not pay to use water at the rate he would have to pay. Instead, he plants spring and fall gardens, trusting to the rains which are usually sufficient to produce his vegetables.

Corn, potatoes, English peas, onions, beets, carrots and lettuce have already been planted. He expects to plant lima and bush string beans, squash, pumpkins, and more beets. Turnips and greens will be planted in the fall. Fricke has berries and fruit

trees in his orchard. Early plums, which had bloomed out, were killed by the recent freeze, he stated.

Last year this gardener raised about 36 bushels of corn, besides selling about \$10 worth to stores. He canned 35 quarts for home use. About 60 white rock hens are now supplying from 30 to 40 eggs daily.

MORE COLD WEATHER.

FT. WORTH, March 10.—A third installment of unseasonable March cold was in store for Texas as temperatures started a long downward trek. A low of 25 degrees was forecast by the weather bureau for early tomorrow.

PUT JAPS TO WORK.

KANSAS CITY, Mo., March 10. Large scale use of Mexican and Japanese labor to handle the nation's sugar beet crop this spring and summer was discussed here today at a war manpower commission meeting.

Canada Training Army Of Scrappers

CANADA'S tough, hard-hitting Army undergoes vigorous training in every form of warfare as it prepares for the day when it will open up a new front against the Axis in the heart of Western Europe. Twenty-seven months after Canada declared War on Germany, 27.8% of the eligible male population of Canada, a total of 681,598, young Canadians had volunteered for service anywhere. Canadian Soldiers have taken part in raids on the European Coast, apart from the Dieppe engagement, a Canadian raid on Spitzbergen was the largest raid of this nature. Canadian Soldiers are serving, or have served, in Newfoundland, Iceland, the West Indies and Bermuda. Canadian engineering units have

built roads in Britain and have worked on the fortifications of Gibraltar. All Canadian Army Training is closely co-ordinated with that of Britain and the United States. Training in Canada is integrated with training in Britain, and there is an extensive two-way exchange of officers between the Canadian Army in Britain and the Canadian Army in Canada. Training of Troops is being brought to completion so far as practical in Canada so that when they are sent abroad they will be prepared for actual combat. The Canadian Army which has stood guard over the British Isles since 1940 is said to be the most highly mechanized and hardest-

hitting fighting force of its size in the world.
