Eisenhower's faltering Republican administration, which is fast developing more leaks than there are pans to place under them, is taking one of its worst batterings yet in the Sherman Adams influence case.

Adams, who so valuably and sanctimoniously decried the petty corruption during the Truman administration, stooped even lower but claims he is being unjustly persecuted. Even more incongruous was the fact that Adams had been the hammer-welding cop of the Eisenhower administration, ever ready to sacrifice influence-acceptors to a chrome-plated code of ethics. That was before he, himself, was caught with his hand in the cookie jar.

This entire case is just one instance of widespread hypocrisy in the Republican administration. This hypocrisy is seen in the farm program, in subsidies, foreign aid, and in dozens of other facets of American government. When the Republicans went in the said everything would be done differently—that they would make the country a virtual Utopia. Then the whole thing flourished. They messed up every Democratic-inspired program so much by trying for changes that nothing works anymore. If you've watched very closely during the past few years, the administration has been about as successful as a boy trying to carry a double armload of marbles.

Here's a little gem left over from the banquet season:

It seems a man attended a local banquet where the main dish was beef soup. He happily dunked his spoon into the bowl and came up with a piece of rubber tire. Turning to a friend, he commented: "I see where the automobile has replaced the horse in everything!"

Owners of planes at the airport have been unhappy lately because someone has been entering the planes and tampering with them. Some planes have even had footprints on the wings.

While an airplane is extremely strong and dependable in some ways, it is delicate and weak in others. Designers never planned on people walking on the light plywood, metal or fabric covered wings. They never planned for juvenile nonpilots playing with the controls and instruments. This is something that absolutely should not be done.

Chances are these planes have been tampered with by youngsters who fancy themselves as interested in flying. That's one thing. But it's something else to walk on wings, to steal earphones and pull tricks that could possibly cost someone their life.

The Jaycees, who operate the airport, don't want to knock anyone's heads together. But unauthorized tampering with an airplane is a federal offense, punishable by a heavy fine and imprisonment. The Civil Aeronautics Administration looks upon this type of thing with stern disapproval because tampering could possibly render a perfectly good airplane a dangerous instrument of destruction.

So all parents in the county would do well to lay the law down to their boys about even going near the hangar. Another menace to safety of the planes are the parents who take their young pre-school children out to the airport and permit them to play around the planes. This type of conduct can only result in costly penalties if any damage occurs.

Andy Rogers Announces Candidacy For Re-Election As State Senator

To the Citizens of the 30th Senatorial District

Last year two (2) groups had their taxes reduced—natural gas producers and part of the Texas electric utility monopoly. Two (2) groups had their taxes raised—10 percent increase on YOUR car and truck licenses and a doubling of tuition on students of State Colleges.

I have served four years (two terms) as State Representative and six years (one and one-half terms) as your State Senator. I am 33 years of age, a farmer, cattleman and businessman. I am a native of the South Plains Panhandle area, as are my wife, two daughters and son. I served in the uniform of the United States Army for three years during World War II, and have a college education.

At different times during the past four years, I have been threatened and warned not to seek re-election. Some of you who know me best have been threatened with embarrassment if you did not persuade me not to make this race. The story behind this is a long one, and touches on many things that have happened in Texas politics. Some of them are covered below—others I will discuss later.

I made my first race for the Texas Senate in 1952. There was a great hue and cry to "clean up the mess in Washington." I was an "oddy" among candidates. THEN, I charged then that "Austin is as rotten as Washington" and that "moral integrity is needed most." I demanded a law requiring state officials and legislators to file, for public record, a statement showing their income and its source. I was quite unpopular in some circles.

In 1954 I, and a few others, urged investigations into several state matters including the Insurance Commission, certain land transactions in which the State was involved, and State contracts. For my efforts I was slandered. A few months later the lid blew off.

NOW, no candidate would dare run for high office without a pledge "that honesty and integrity must be restored to our State government."

Andy Rogers is the only candidate in this race who has supported and voted for lobbyist control, lobbyist registration, and a code of ethics for legislators; for anti-loan shark legislation and compulsory financial statements of State officials' incomes.

Andy Rogers has authored more strict laws on the sale and distribution of narcotics and filthy literature and bootleggers than any other candidate in this race.

I have made many good friends among those who work for the interests of our district. I have made good enemies of those minority blocs whose interests conflict with the interests of our district. Some of these minority blocs have done well for themselves in Austin. But their position is now threatened. They are desperate to continue feathering their nests at your expense, to protect their "darlings", and to gain new ones.

I am on their list for extermination. They will stop at nothing and stoop to anything. Their methods of political slander, deceit and Legislative control have been perfected to an art. And, as has been said, "the perfection of art is to conceal art."

Taxes and Economy
There is no need for either a sales or income tax for Texas. No other state has ever abused its citizens on tax matters as has

Texas. A few examples: Nearly 55 percent of present taxes collected in Texas are consumer (or "hidden") sales taxes. The consumer gasoline tax take is more than that paid on all crude oil. The consumer cigarette tax is larger than the total natural gas tax. Other states, even communists, can buy our gasoline tax free, but you pay 5¢ per gallon. Other states tax OUR natural gas up to ten times as much as we do. Roughly, 70 percent of both of these Texas products are consumed outside of Texas. Few of the really big industries in Texas pay more than a proportional TOKEN of taxes, compared with the average businessman, farmer and worker.

CONCLUSION: Stating such facts is often political suicide in Texas, but we merely need legislators who will see that these out-of-state corporations pay their share of the load while exploiting our resources. I have fought for this.

I will continue to fight to maintain a strong and workable RIGHT TO-WORK law in Texas. This law should be supplemented by a little Taft-Hartley law for Texas, as our present labor laws are a hodge-podge and leave loopholes unfair to business, labor and the public.

APPOINTMENTS AND MORE REPRESENTATION
I was one of a dedicated group that forced legislative redistricting. West Texas gained NINE new Representatives and THREE Senators thereby.

SCHOOLS AND COLLEGES
Our young people are our greatest resource. In 1952 I stated that we were "destroying our future with a false economy school program." We have made some advances. In these, Andy Rogers has been in the forefront.

Second Teen-Age Recreation Night Here Saturday
All Castro County Teen-Agers have been invited to the second Teen Canteen meeting Saturday night.

Methodists Start Youth Activities Week Monday
A banquet at the First Methodist Church at 5:30 p.m. Sunday will inaugurate its Youth Activities Week for Dimmitt.

Record Bootlegging Haul Made at Hart
Castro County Sheriff Jack Cartwright made the biggest haul yet in illegal alcoholic beverages Friday evening when Curtis Edkison, 41-year-old Littlefield Negro, was stopped near Hart.

County Farmers Approve Wheat Price Supports
Castro County farmers voted overwhelming approval of price supports for the 1959 wheat crop according to Charlie Hill, secretary of the Castro County Agricultural Stabilization and Conservation committee.

Corporation Buys North Gin Here
A corporation formed of five Dimmitt men is awaiting its state charter after making arrangements for the purchase of The North Gin.

Jumbo Winner In Community District Contest
A representative from the Jumbo Community was awarded \$10 for the community fund and given a plaque Thursday morning at the court house for being second place winner in the annual District 1 communities contest.

Most Dimmitt Business Firms Will Be Closed All Day Friday, July 4th

The Castro County News
Official Publication of Castro County, Texas
THIRTY FIRST YEAR DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, JUNE 26, 1958 12 PAGES — NUMBER 35

Interest Shown In Local Summer Civic Theater

From all indications a Dimmitt Summer Civic Theatre will be conducted here by high school drama instructor, James W. (Rosie) Bates.

According to Mr. Bates a "very promising turnout" was at the auditorium at the initial meeting Monday night. Another meeting, this time for readings to select characters, will be held Monday night at 8 p.m.

"The Footlighters" will probably be the name of the new theatre organization sponsored by the Dimmitt Garden Club.

"Everybody," Bates said "is invited to join 'The Footlighters.'" Rehearsals will be held two hours a night, four nights a week. No rehearsals will be held on Wednesday nights.

Methodists Start Youth Activities Week Monday

A banquet at the First Methodist Church at 5:30 p.m. Sunday will inaugurate its Youth Activities Week for Dimmitt.

The banquet will be followed by a worship service, discussion groups and recreation.

Beginning Monday a daily schedule will be followed. From 3:30 to 5:30 work projects will be carried out. 6:30 is reserved by a special altar time. 7:45 to 8:15, a worship service will follow at 8 p.m. On Friday July 4th a swimming party will be held beginning at 10 o'clock. Following this a picnic will be held in the country, which in turn will be followed by a period for finishing church projects. Altar time will be at 6:30, followed by discussions. Dedication and communion service will be held at 8:00.

Second Teen-Age Recreation Night Here Saturday

All Castro County Teen-Agers have been invited to the second Teen Canteen meeting Saturday night.

Activities will begin with a swimming party at the local pool at 7 o'clock and lasting until 9:30. Admission will be 25 cents at the gate. Following the swimming, the group will go to the American Legion Building for the remainder of the evening. In case of bad weather, the teen-age recreation group will begin at the Legion at 8 o'clock.

Those not caring to swim may go to the Legion Building at 8 for general recreational activities like those held during the first meeting.

The night's activities will end at 11:30.

Jesse Burch Involved In Auto Accident
Mr. and Mrs. Elvis Burch received word Monday that their son, Jesse had been involved in a car wreck Saturday night, in which his Jaguar automobile had been turned over. He is at Balboa Naval Hospital for treatment of a broken shoulder and a slight concussion.

Sorghum Loan Rate to Net \$1.58 This Fall

Castro County farmers will receive a net loan rate of about \$1.58 for their grain sorghum this year.

This net price applies for the period September 15 to 26, after which time it will increase in proportion to unused storage time. Prior to September 15 the rate will be slightly less.

The rates are based on the national average support price announced last February of \$1.83 per hundredweight for 1958 crop grain sorghums grading No. 2 or better. The method followed in determining individual county and terminal rates was the same as that used in setting rates in previous years. The county and terminal rates, which vary mainly because of location, are further adjusted by discounts for grade and quality to determine support prices for individual producers.

The discounts are unchanged from those in the 1957 program.

In Texas, price support to producers will continue to be based on either terminal or county rates depending on where the grain sorghums are stored. However, if congested conditions require "move-

ment of grain sorghums to or towards the West Coast for storage, authorization may be given to move grain sorghums. In this event, support prices to producers will be their county support rate plus the cost of movement. This change in the program for 1958 will lessen the possibility of inequitable price support rates among producers and also tend to discourage abnormal movement of grain sorghums to the West Coast where the USDA has had difficulty in finding outlets for grain sorghums.

Another change in the program for 1958 deals with the handling of high-moisture content grain sorghums under warehouse-stored loans. While only grain sorghums with 13 percent or less moisture are eligible, higher moisture content grain sorghums may be put under price support if the warehouseman certifies that the lower moisture content grain will be delivered. For moisture content above 15 percent, the grain sorghums must be dried. However, loans may be made prior to drying, but the quantity will be based on the amount remaining after drying. Heretofore, the warehouseman was not required to dry grain sorghums as long as the same weight of grain sorghums of 13 percent moisture or less was delivered. For 1958, this will apply only to grain sorghums containing 15 percent

or less moisture.

Price supports will be charted after making arrangements for the purchase of The North Gin.

The corporation is made up of George Bradford, president; James Bradford secretary-treasurer and gin manager; George Gable, vice president and Jim Golding and Travis Campbell, directors.

It will be known as the North Gin of Dimmitt, Inc. Former owners were Horace Barton and his son, Charley, of Lubbock and former manager Weldon Revel.

The gin, located one mile north of Dimmitt on Highway 51, was constructed last year and operated one season.

Had Operation
Virginia Elaine Gardner, 12-year old daughter of Rev. and Mrs. J. C. Gardner under went surgery of her right foot at the Plainview Hospital and Clinic Monday morning. Elaine had polio in 1950 and this is her second operation. The third operation is to be in 6 weeks. Mrs. Gardner is staying in Plainview with her.

Mrs. Mae Bates has returned home from a visit with Mr. and Mrs. Vic Bates of White Deer and Mr. and Mrs. Doc Bates at Groom.

Visits at Houston
Marylyn McRee has returned home from a visit with her sister, Mr. and Mrs. Fred Barrington in Houston.

Business in Detroit
Roy Stafford flew to Detroit this week to bring back pickups for the garage.

Record Bootlegging Haul Made at Hart

Castro County Sheriff Jack Cartwright made the biggest haul yet in illegal alcoholic beverages Friday evening when Curtis Edkison, 41-year-old Littlefield Negro, was stopped near Hart.

Edkison had 35 cases of beer, 15 cases of whiskey and one case of gin. The haul, which was secured with transport, included a dry county and bond was set at \$1,000 after he was suspected not guilty.

PROMOTION—These young Methodists were out Tuesday putting up posters advertising Youth Activities Week which begins Sunday.

They are (left to right) Charlene Vaughn, Ka Estes, Mary Behrends, Linda Gladman, Patsy Wooddell and Harold Ratcliff.

JESSE BURCH INVOLVED IN AUTO ACCIDENT

Mr. and Mrs. Elvis Burch received word Monday that their son, Jesse had been involved in a car wreck Saturday night, in which his Jaguar automobile had been turned over. He is at Balboa Naval Hospital for treatment of a broken shoulder and a slight concussion.

City Stray Dog War Starts Monday

All dog owners in Dimmitt are reminded that an exterminating campaign will be waged by the city against all strays beginning Monday.

From Monday, June 30 until Monday, July 7, Search patrols will endeavor to destroy all dogs found loose.

The City Commission has felt these steps are necessary due to complaints arising from stray dogs damaging lawns, flower beds and other private property. The Commission has also decided to obtain the services of a veterinarian in the near future so a mass vaccination of all dogs in the county can be held.

FORMAL OPENING—Possibly the newest business in the newest building in Dimmitt is the Dairy Mart on Highway 51 in South Dimmitt. The drive-in was completed several weeks ago and is being operated by Bruce and Selma Taylor. The Taylors moved here recently with their daughters Annabel and Martha Nell. The firm is holding its formal opening here this week-end.

Baptists Revival Attendance Good

Attendance has been high at the Youth Led Revival now in progress at the First Baptist Church.

Bill Coffman of Brownwood is the preacher and Roy Kornegay of El Paso is leading the singing. The young people of the church have filled the choir each night and have promoted attendance for

the morning services. The revival will continue through the evening service on Sunday.

Returns to San Diego

Mrs. E. J. Nadoslski and children returned to their home in San Diego, California after a weeks visit with her parents, Mr. and Mrs. P. L. Cunningham.

Soil Conservation District News

We have heard of some excellent wheat yields so far this year, especially in the dryland area. Bruce Fields, whose place is near Arney stated that he averaged thirty bushels per acre. All of his wheat was dryland, Leo Witkowski, also near Arney, is cutting near thirty bushels per acre on some of his wheat. We don't have his final average. We are glad to hear of the fine yields being made in the dryland area. Along with the high yields made this year a lot of straw was produced. The temptation will be to burn the straw off, especially where it is heavy. Burning is the easy way but there are a lot of good reasons for not burning. Some farmers in this district have stated that their yields were reduced for at least six years following the burning of wheat stubble. Not only is the wheat straw destroyed, but some soil organic matter is destroyed and the soil left in poor condition. Bacteria that cause the rotting of stubble are killed, and bacteria are the life of the soil. The Nebraska Experimental Station found that for every ton of straw decomposed by bacteria and other microorganisms, a ton and one half of carbon dioxide is produced. Carbon dioxide mixed with water forms carbonic acid which is very important in releasing plant food nutrients for the use of plants. In a sense, killing bacteria is killing soil, and one years burning can do a lot of damage.

Installed as President

Mrs. Herbert Price, niece of Mrs. H. H. Carlile, was installed as president of the New Mexico Congress of Parents and Teachers at Carlsbad recently. Mrs. Carlile attended the installation services. Mrs. Price, now a resident of Santa Rosa, New Mexico, was reared at Lubbock and Seminole, Texas.

Vote For

KARL L. LOVELADY for STATE SENATOR

When it comes to driving . . .

Economy is what you save — not what you do without

That's why Ford economy is true economy! The facts are plain. With the 58 FORD:

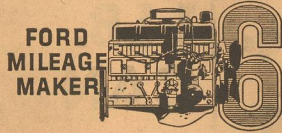

1. You don't have to do without modern styling to own a car within your budget

World-famed Thunderbird styling, a Ford exclusive, gives luxurious beauty to every 58 Ford. Yet Ford has the lowest-priced* convertible . . . and the lowest-priced* V-8 sedans and station wagons on the market today! You'll drive these beautiful cars with pride!

2. You don't have to do without big-car comfort to obtain a low price

Every Ford car has Automatic Ride Control . . . Angle-Poised Ball-Joint Front Suspension combined with long, tailored-to-weight rear springs . . . for a real luxury ride. For still greater comfort, front seats are foam rubber padded in every Ford model at no extra cost!

3. You don't have to do without lively performance to save on gas

The liveliest, most powerful Six you can buy is Ford's Mileage Maker Six. It's the only truly modern Six in any car today. With its exclusive short-stroke, low-friction design, this engine delivered the most actual miles per gallon of any car in Class A in the last two Mobilgas Economy Runs! Six or V-8 the savings are great in a Ford!

58 FORD

WITH PERFORMANCE, STYLE AND COMFORT THAT MATCH ITS SAVINGS!

Plainview Production Credit Association

IS GLAD TO ANNOUNCE

A REDUCTION IN INTEREST RATE—7% to 6%

Effective July 1, 1958

Because:

- (1) Lower discount rates;
- (2) Increase in loan volume.

About 175 farmers and ranchers have come into the association since January 1, 1958, with loan commitments over 2½ million dollars.

The association expects to lend about 18 million dollars in 1958 and more per year in future years.

The association now has over \$1,750,000 in Capital and Reserves and a real desire to finance every good farmer and rancher who has a good equity in his business.

Mary Taack Poem

Selected For Collection

A poem written by Mary Taack which appeared in the Annual Anthology of High School Poetry, has been selected for publication in "Sermons in Poetry". "Sermons in Poetry" is a com-

pilation of religious and philosophical writings by the Youth of America. Selections were made by the Board of Judges from thousands of poems.

"The Light in the Darkness" Men have searched for peace far and wide, And a few have found it. Their secret is not wealth or pride, But the Church, the Light in the Darkness.

The peace we find is like the sea after a storm, Our soul and our body is calm. We go through this world without fear of harm, Because of the Light in the Darkness.

Visits in Floydada
Mr. and Mrs. Ira Brown visited his mother, Mrs. Susan Brown last Saturday in Floydada.

Joyce Nicholas and Don Hardy Married June 12 At Olton Church Ceremony

Joyce Fern Nicholas, daughter of Mr. and Mrs. N. B. Nicholas of Olton, and Don Nolen Hardy, of Plainview, son of Mr. and Mrs. Pat Hardy of Dimmitt were united in marriage Sunday, June 15, in the First Baptist Church, Olton.

The Rev. John Lewis, pastor, read the double ring ceremony before an altar decorated with emerald jade palms and an archway of greenery flanked by baskets of white gladioli and chrysanthemums. In the background were white cathedral tapers.

Mrs. Wayne Carson, sister of the bride, was the honor attendant. The bridesmaids were Misses Sylvia Nicholas, sister of the bride, Shirley Nichols, and Oneeta Yates. The bride's attendants wore identical dresses in a starched-point-de-sprit in snowy white, designed with Sabrina necklines, dipping to a V in the back. The bodices were highlighted by cummerbunds of glazed cotton satin and held bustle-like bows at the center back. Joining these, were waltz-length harem skirts, fully shirred over taffeta. They carried bouquets of white carnations.

Serving his brother as best man was Sammy D. Hardy of Amarillo.

Ushers were Jimmy Butler, cousin of the bridegroom of Amarillo, Joe Ben Mitchell of Dimmitt, and Wayne Carson, brother-in-law of the bride. Alan Wayne Carson, nephew of the bride, was the ringbearer.

Candlelighters were Gayle Nicholas, sister of the bride, and Jerry Anderson, cousin of the bridegroom.

Misses Susan Nicholas and Kathleen Carson, both nieces of the bride, were flower girls. They wore identical dresses fashioned after the bridesmaids' and their headbands were styled after the bride's attendants'.

Miss Sandie Loveless played nuptial music on the organ and accompanied Miss Doniece Silcott who sang, "Because," "Through the Years," and the Wedding Prayer. Miss Loveless also played the processional and recessional. Given in marriage by her brother, Buster Nicholas, the bride was a picture in a white gown of hand clipped Chantilly lace over net and taffeta designed with a Sabrina neckline touched with iridescent sequins. The fitted bodice was enhanced by long petal point sleeves and terminated with points at the center front waistline. From her bodice, stemmed

a magnificent skirt made of Chantilly lace, cut on circular lines, sweeping into a chapel train, highlighted at the bottom by two pleated ruffles of tulle.

Her tiered veil of illusion was secured by a plateau-type cap of matching lace and tulle embroidered with pearls. She carried a cascade bouquet of stephanotis centered with a white orchid.

Mrs. Nicholas, the bride's mother, wore a sheath dress of black lace over pale blue taffeta with white accessories. Mrs. Hardy, mother of the bridegroom, chose a pale blue lace trimmed with matching satin and white accessories. Both wore corsages of white carnations.

Following the service, the wedding party was feted with a reception in the Fellowship Hall of the church. Decorations were the baskets of mums and gladioli from the ceremony and the table was laid with a white hand crocheted cloth and complimented with the attendants' bouquets. Silver candelabra holding white candles were encircled by mums and gladioli. Presiding at the table were Ellen Jones and Linda Clark. Miss Pat LaFrance played background music during the reception.

Mrs. Buster Nicholas, sister-in-law of the bride, registered guests. After the wedding trip to New Mexico, the couple will be at home at 715 Fresno St., Plainview.

The bride's traveling outfit was composed of a sheath dress of pale green shantung, with fitted jacket and white accessories. She wore a white orchid corsage.

The bride is a spring graduate of Olton High School where she

was voted "Most Athletic Girl," basketball captain and she played basketball for four years.

Mr. Hardy is a graduate of Dimmitt High School. He has served two years with the US Army and he is now employed by Pioneer Natural Gas Co.

Visits in Dimmitt
Mrs. Gene Rutledge of Orange visited Mrs. Brad Fuller, Mrs. Jack Flynt and Mrs. R. W. Scoggin Monday.

PACIFIC FRUIT & PRODUCE CO.

CONTROL JOHNSON GRASS

(AND OTHER GRASSES)

CHEMICALLY . . .

WITH

DOWPON

Unwanted grasses are usually the toughest problem where farming is best. They thrive on the very climate and soils that should produce top crops.

Now you can control grasses, without cutting, cultivating, or oiling. Dowpon, is the new chemical way to keep grasses from invading your fields, throttling irrigation and drainage ditches. Hoeing, chopping, cultivating, and oiling only get grass out of sight temporarily. Dowpon gets rid of it.

How DOWPON works

Dowpon is a systemic grass killer—meaning that it kills by working through the plant's system. You simply spray the foliage. Dowpon is absorbed through the leaves and works down through the plant, right into the roots, usually killing the entire plant.

Because it works inside the plant, a Dowpon spray is less likely to be affected by weather conditions. Rain can't wash it off after it has been absorbed.

You can use Dowpon with safety on your farm—foliage sprayed with Dowpon is non-hazardous to grazing livestock.

HART NEWS

Friday, June 20th marked the close of the Vacation Church School in the First Methodist Church in Hart, Texas. For two weeks the church has been a hive of activity with on hundred and twenty-five persons enrolled and an average attendance of ninety-four in the Bible School.

Mrs. Bob Enett was the Superintendent of the School, and the following teachers and helpers served with her: Kindergarten I: Mrs. Joe Edd Carson and Mrs. Al Goodin. Kindergarten II: Mrs. Edd Bennett, Mrs. W. D. Bell and Mrs. Granville Martin.

Primary I: Mrs. Aubrey Smyth and Mrs. Bill Swindle. Primary II: Mrs. Deward Armstrong, Mrs. L. J. Rice, and Mrs. M. L. Avens.

Juniors: Rev. Lyman P. Wood and Mrs. H. H. Parker. Nursery: Miss Carolyn LeMay, Mrs. David Nelson and Miss Jo Ann Lacey.

Mrs. Earnest Lee Brooks was in charge of the Art Work for all classes, and Mrs. Lyman P. Wood had the music for all classes.

Mrs. Edd Harris was in charge of refreshments. Because of the large enrollment and crowded conditions at the church, Mrs. A. L. Aven opened her home and garage to two classes. The church plans to build a new educational unit soon.

The Commencement service on Friday night was well attended,

and everyone seemed to be agreed that it marked the close of the best Bible School Hart Methodist has ever had.

Mrs. Granville Martin

Mrs. Kirk Speaks At WSCS Meet

Mrs. Luther Kirk, wife of Plainview District Superintendent, met with the Women of the Methodist Church who were interested in forming circles in the Woman's Society of Christian Service, last Wednesday June 18. She explained the organization and work as carried on in smaller groups of one large organization. The WSCS is the largest organization of women in the world. "We spent \$8,000,000 for various worthy projects during the past year," said Mrs. Kirk.

The group decided to organize five circles, each to meet as they see fit, and one general meeting which will be held every first Monday at 9:30 a.m. This meeting will be followed by a covered dish luncheon, then adjourned. There were thirty present. Mesdames Grundy, Clarence Bearden, G. P. Dyer, Jim Cleavinger, and Earl Lust were elected chairmen of Circles. Mrs. Raymond Wilson is president of the W.S.C.S.

**Hereford, Tex., Man Reports—
2 Bale Per Acre Cotton
Using Phillips 66 Ammonia**

J. F. Martin, who farms 1,720 acres near Hereford, Tex., says: "I put down Phillips 66 ammonia pre-plant on my irrigated cotton and made 2 bales to the acre. I also use Phillips 66 Agricultural Ammonia on my wheat and maize land with good results."

Other Southwestern farmers have discovered that 82% nitrogen from top quality Phillips 66 Agricultural Ammonia helps them get more profit per acre through higher yields. They get more cotton that classes higher at the gin . . . yields of sorghum grain and ensilage are increased . . . more marketable vegetables are harvested . . . and profits on wheat are increased through better forage and higher yields of grain.

Phillips 66 Agricultural Ammonia contains 82% nitrogen and gives you more nitrogen per dollar than any other form of commercial fertilizer available.

Nazareth News

By Faye Annen
Grace Drerup returned from Austin Saturday where she represented Nazareth at Girls State. Drerup was elected City Treasurer. Miss Drerup reported that she had a very enjoyable time, as did the other girls.

June 29, 30, July 1, 2, 3, 4, and 5th will be Senior Work Week for the Seniors of '59. They are going to work for anyone who needs a helper in that week. They will use the money they earn for their Senior trip. Would you please contact them ahead of time if you want them to work in that week?

Mr. and Mrs. Walter Schulte, Mr. and Mrs. Francis Gerber and Mrs. Paul Kleman returned Thursday from a weeks visit in Nebraska and Kansas. They attended Mrs. Schulte's nephews wedding in Nebraska and she visited five of her sisters that she hasn't seen in four years. In Kansas they attended Mrs. Schulte's nieces wedding.

The American Legion Baseball Club played in Umberger Sunday. Umberger won 4 to 3.

Mr. and Mrs. Richard Lupton and family from Tulia were visiting in the home of Sunny Balls, Sunday afternoon.

Sunday supper guests in Raymond Annen home were Mr. and Mrs. Gus McLain and children of Hart, Mr. and Mrs. Don Acker of Tulia.

Mary Ruth Backus is still confined to bed where she is recovering from a long illness. Visitors are welcome.

Mrs. Bud Kern and children, Miss Bonita Kern and Mrs. Joe Warren returned from Waterflow, New Mexico, last week where they spent four days with Mrs. Mary Helen Kern and her children.

The main topic of interest at the monthly meeting of the Christian Mothers Society was the report given by the Immigration Committee for the Hart, Nazareth and Dimmitt area. The committee reported that they have been visiting the homes of the Spanish speaking people, distributing food and clothing to the needy, passing out Catholic literature and giving religious instruction to the children. During the school year the Benedictine sisters from Nazareth would go to Dimmitt for the 10 o'clock Mass and with the aid of some of the lay women for the Nazareth parish would give religious instructions to all the children after Mass. During the summer months the sisters are no longer here, but the work is being carried on under the leadership of Mrs. Julianna Brockman and the help of two seminarians, Elmer and Ralph Albracht of Nazareth, who are spending their summer vacation at home. Mrs. Dorothy Burt from Hart has been visiting Spanish speaking families in their homes and has gotten four families interested in going to Mass on Sundays at Dimmitt and taking the religious instructions. She will provide the transportation for those who have none. There are approximately 14 American families

and 50 or more Spanish families attending the Sunday Mass and instructions regularly. Fr. Quintero reports that he has recified 18 marriages, and has a class of 38 First Communicants. The Christian Mothers of Nazareth made and donated little white capes for the children of Dimmitt to wear on their First Communion Classes. These capes will be saved and used for all future First Communion Classes.

Mrs. Gerakine Aberant and Mrs. Magdalene Acker were elected delegates and Mrs. Nick Ehly and Mrs. Julianna Brockman alternates for the Catholic State League Convention that will be held in Windthorst, Texas in July. The Christian Mothers Society of the Holy Family Parish have ready to take to the convention the following articles: 1 box with 161 leper pads, value \$24.15; 1 box with 70 leper pads and 20 pieces of sheeting, value \$15.50. 1 box with 405 rolled bandages, 35 mens shirts and shorts, value \$58.50. 1 box pajamas and gowns, value \$8.00. 1 First Aid kit, value \$2.00. Scrap book filled with Christmas cards, value \$1.50. 1 box medicing bottles, eye glasses, cancelled stamps, tin foil and two boxes of Christmas cards. These were prepared under the direction of Mrs. Nick Ehly.

Mrs. Geraldine Aberant gave a report on the recent DCCW District Meeting which she and several other ladies attended in Plainview recently. Mrs. Rose Mary Wilhelm gave a report on the District State League meeting held in Tulia a few weeks ago.

**Pfc. Richard Wood
In Army Track Meet**

Army PFC Richard L. Wood, whose wife, Karen, lives at 323 S. Park St., Medford, Oklahoma recently participated in a track meet conducted by the 101st Airborne Division at Fort Campbell, Ky.

Wood is regularly assigned as a gunner in Company A of the division's 506th Infantry. He entered the Army in June 1957 and received basic training at Fort Polk, La.

A 1955 graduate of Dimmitt High School, the 21-year-old soldier attended Southwestern State College before entering the Army. His parents, Mr. and Mrs. Teddy L. Wood, live in Dimmitt.

"My family likes soups and stews. The electric deep well cooker makes it easy for me to give them what they like!"

SAYS
Mrs. Cecil Allf,
1824 ORANGE,
AMARILLO, TEXAS

* "The deep well cooker is so wonderful for making soups and stews that it's not surprising it does a wonderful job sterilizing baby's bottles. This is a new use that the Public Service Home Service Advisor told me about when I first got my electric range."

...and sterilizes baby's bottles, too!

"I've found it's economical and practical to prepare soups and stews in large quantities in the deep well cooker and then freeze part for later use. There just seems to be no limit to the things you can do with an electric range."

"Thanks to the dependability of electric cooking, I can set my range to cook while I'm out. I love to entertain and with people in the house, I'm not tied down to the kitchen. I just let Reddy take over. So, in or out of the house, Reddy makes a good, silent, non-complaining servant."

Alice Waggoner and Larry Gamblin Married June 12 at Church of Christ

In a candlelight service Thursday evening, June 12, Miss Alice Waggoner, daughter of Mr. and Mrs. Eulless Waggoner of Dimmitt, became the bride of Larry Clinton Gamblin, son of Mr. and Mrs. C. P. Gamblin, also of Dimmitt. W. E. Irvine, minister of the Church of Christ at Earth, read the double-ring ceremony at seven o'clock in the Church of Christ in Dimmitt.

The altar was decorated with strands of ivy with tiny sprays of fever few and bridal wreath. The central arrangement was flanked by an arch of candelabra and baskets of calla lilies, fever few and baby's breath. The bridal aisle was marked with white satin bows.

Mrs. Ann Touchstone sang the traditional wedding march. Miss Joy Walker sang "Because" and Jimmy Tate sang "The Lord's Prayer" at the close of the ceremony.

Candlelighters were Ronnie Nel-

son and Eddie Waggoner, brother of the bride.

Mrs. Frances Pharis Big Spring, sister of the bride, was matron of honor and Misses, Sharon Hay, of Earth, Donna Wooddell, Charlotte Mears and Mrs. Judy Mobley were bridesmaids. They wore identical dresses of pastel blue silk and cotton. The dresses were fashioned with rows of dainty white lace forming a deep V-neck line in front and back, with fitted bodice and street-length, bouffant, tiered skirts edged with lace. They wore picture hats and tiny mitts of the same material and edged with lace. They carried white baskets of blue Delphiniums and candy tuff, with dainty white streamers.

Miss Evelyn Waggoner, sister of the bride was flower girl and was dressed identical to the bridesmaids.

Rings were carried on white satin pillows with satin streamers by Delores Waggoner, sister of the bride—also dressed identical to the bridesmaids and Ricky Smith. Don Edd Robinson, of Lubbock, serve as best man and ushers were Bobby Bradley and Winston Waggoner, brother of the bride.

Escorted to the altar and given in marriage by her brother, Harold Waggoner, the bride wore a gown of white French lace and nylon tulle over net and taffeta. It was designed with high bateau neckline of scalloped lace across the front and extending into a deep point at the center back. The tiny sleeves were completed by gauntlets. The voluminous waltz length skirt made of lace was applied in elaborate pattern at the lower hip line. She wore a veil of silk illusion joined to a tiara of pearls. She wore a pearl necklace and earrings, gift of the groom, and carried a cascade bouquet, backed with ribbon and lace ion, of split carnations centered with cymbidium orchids, with streamers of ribbon tied in knots with net and split carnations.

Mother of the bride, Mrs. Waggoner, wore a toast brown lace dress with beige accessories and a corsage of yellow rose-buds. Mother of the bridegroom, Mrs. Gamblin wore a navy blue silk shantung dress with beige and pastel blue accessories and a blue carnation corsage.

At the reception held in the home of Mr. and Mrs. Ben Hill, the serving table was covered with a white crochet cloth over blue. The brides bouquet was part of the decor and the bridesmaids baskets decorated the buffet near by. The three-tiered cake of white with blue trim and topped with a miniature bride and groom was the main point of interest. Members of the houseparty were Mrs. E. C. Caudle, Mrs. Ben Hill, Mrs. F. J. Mears, Jr., Mrs. Bruce Wooddell and Miss Evelyn Cummins. Miss Mary Lynn Hendrix

played wedding music during the reception. Guests were registered by Carla Carrell of Earth, cousin of the bride.

For the wedding trip to Estes Park, Colorado, the bride chose a navy blue linen suit with beige accessories. She wore a corsage of cymbidium orchids.

Both Mr. and Mrs. Gamblin are graduates of Dimmitt High School. They will be at home on their

NEWS FROM SUNNYSIDE

By Wanda Rogers
Myles Sadler returned last Saturday night from Austin where he attended Boy's State. He received a certificate showing he had been elected to the House of Representatives.

Richard Jenkins arrived Monday on a 6-day leave from Fort Polk, Leesville Louisiana.

Mr. and Mrs. Pete Grisham, Jimmy and Mrs. J. H. Christian from Shep arrived Wednesday to visit with Mr. and Mrs. Robert Paschal and other relatives. Keith came home with a team.

Mrs. Ernest Waggoner was admitted to the Castro County Hospital Wednesday with a heart condition. She was released Friday.

Mrs. E. R. Sadler entered Northwest Texas Hospital in Amarillo Wednesday. She underwent minor surgery Thursday and came home Friday.

Eunice Jenkins and John Adams were married at the church in a double ring ceremony performed by Brother Murl Rogers Wednesday afternoon. The bride wore a white lace over satin ballerina length dress with a shoulder length net veil. She carried a white bible topped with a white orchid. The maid of honor, Kathleen Wislan

from Earth wore a blue organdy dress with blue accessories. Lennox Young from Olton was best man. Raymond Jenkins and Ronnie Dennis from Olton were ushers. Interlude music and the wedding march were played by Mrs. Howard Bridges. Mrs. Milburn Haydon sang "Oh Promise Me" and "The Wedding Prayer." The reception which followed immediately was at the church. After a honeymoon trip to Colorado Springs they will be at home near Circle.
(To Be Continued Next Week)

DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY

Sorghum Loan Net \$1.58 This Year

Castro County farmers will receive a net loan rate of about \$1.58 for their grain sorghum this year.

This net price applies for the period September 15 to 26, after which time it will increase in proportion to unused storage time. Prior to September 15 the rate will be slightly less.

The rates are based on the national average support price announced last February of \$1.83 per hundredweight for 1958 crop grain sorghums grading No. 2 or better. The method followed in determining individual county and terminal rates was the same as that used in setting rates in previous years. The county and terminal rates, which vary mainly

in accordance with the movement of grain sorghums to the West Coast for storage authorization may be given to remove grain sorghums. In event, support prices to producers will be their county support price plus the cost of movement. Change in the program for 1958 will lessen the possibility of equitable price support among producers and also tend to discourage abnormal movement of grain sorghums to the West Coast where the USDA has difficulty in finding outlets for grain sorghums.

Another change in the program for 1958 deals with the handling of high-moisture content sorghums.

ATTENTION All Dog Owners

Because of the excellent crop of dogs, the gardens, lawns, etc are suffering. The possibility of rabies is increasing. For these reasons, The City Commission feels that necessary steps must be taken to thin out the strays.

Beginning on Monday, June 30, 1958 and ending on Monday, July 7, 1958, all pets should be penned or tied at all times.

ALL DOGS CAUGHT ON THE LOOSE DURING THIS PERIOD WILL BE DESTROYED

Search patrols will operate night and day. Arrangements will be made to have a veterinarian here in the near future to vaccinate your pet. Watch for the notice in your paper.

This advertisement will be run continuously for three weeks as adequate notice to all. Action will begin promptly on June 30.

Three from County On WT Honor Roll

Two Dimmitt students and one from Hart were among the 94 named to the spring semester honor roll at West Texas State College by Dean Walter H. Juniper.

The dean's honor list is composed of the upper five per cent of the undergraduate student body at West Texas State.

From Dimmitt are Judith Gayle Cleavinger and Carolyn Rae Sanderson. The Hart honor student is Robert Lee Lacy.

Miss Cleavinger, daughter of Mr. and Mrs. M. E. Cleavinger, Jr., will be a sophomore this fall at WT. She is a secretarial science major.

Miss Sanderson, daughter of Mr. and Mrs. William G. Sanderson, Route 4, is a speech major. She will be a sophomore this fall.

Lacy who will be a senior geology major this fall, is the son of Mr. and Mrs. W. C. Lacy of Hart.

Jay Cee-Ettes Donate To Windstorm Victims

The Dimmitt JayCee-Ettes met Tuesday night, April 24 and decided to postpone their swimming party until after the harvest. Also the group has taken up clothing for the Terrez family whose home was demolished by strong winds two weeks ago.

Those attending the meeting were Nell Brooks, Kathy Thomas, Dottie Beyers, Dorothy Mayfield, Mary Lu Smithson, Ina Cleavinger, Betsy Wilson, Jackie Clark, and Eva McCleskey.

The next meeting will be in the home of Betsy Wilson.

Visits in Sinclair home

Mrs. B. E. Sinclair is reported recovering satisfactory at her home of a broken leg. Visitors in her home were Mr. and Mrs. James Sinclair of Odessa, Mrs. Oran Howell and daughters, Mrs. Verl Beavers and Kay of Summerfield, Mrs. George Bagwell and Sue, Mrs. George Sides and Greg, Mrs. Ira Brown, Mrs. Gaines Neill, Mrs. Betty E. Thompson and Mrs. Kathryn Duree of Corsciano.

W.S.C.S. Meets

The Bethel W.S.C.S. circle met Monday afternoon in the home of Mrs. J. C. Williams. Those present were Mesdames: Vern Lust, Earl Lust, Ira Brown, Kay Roberts, Wes Anthony and the hostess Mrs. J. C. Williams.

"Shall We Exchange Evil for Evil?"

I notice where a scribe recently asked this question, "Where would you rather have your son or daughter, if you had either or both, out racing up and down the highways or in parked cars OR at a place for recreation supervised by other parents; and interested adults?" This question implies that we as parents must make a choice between these two evils. Who can say which is worse? Sin is sin, whether supervised or not. The fallacy in said scribe's reasoning (?) is that a choice need not be made between evils, but between good and evil. Rom. 12:21. Then again, will supervised sin eliminate the racing up and down on the highways or the parking in cars after the supervision is over? If it did, it still would not be justified.

Our scribe too, seems to find great comfort in the fact that only a few have any criticism for Teen Canteen. I find that sin is popular and the majority always follows in this way. Read what the Lord said about the "few" and the "many." Matt. 7:13,14.

So, I must decline the invitation to attend the next meeting. When a thing is advertised as offering sinful entertainment, I do not have to attend to know it is wrong. Furthermore, the Bible says, "Abstain from all appearance of evil." I Thess. 5:22.

IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America.

The Declaration of Independence not only signaled the founding of our country, but also marked a giant step forward in man's quest for freedom. As we celebrate the 182nd anniversary of its adoption by the Continental Congress, may we all firmly resolve that the principles of liberty which it so bravely enunciated shall ever be maintained.
