THE CISCO DAILY PRESS

COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937

CISCO—One of the healthiest areas in U.S.A., with a countryside devoted to blooded cattle, hogs, sheep, peanuts, cotton, fruits, feeds, poultry, gas, oil, two railroads, Bankhead highway, huge concrete swimming pool.

CISCO—1,614 ft. above sea; immense lake—three miles long, 87 ft. deep at Williamson hollow concrete dam; fish hatchery; 127 blocks paving; A-1 high school; Junior college; natural gas; electric and ice plants; War Industries Training School for Women.

VOLUME XXIII.

CISCO, TEXAS, TUESDAY, APRIL 6, 1943.

NUMBER 151

48 PLANES DOWNED, SUPPLY SHIPS AFIRE

AUCTION SALES TOTALED \$15,176.55 MONDAY

Hogs predominated in the auction sales at the Eastland County Livestock exchange Monday afternoon, with sales for all stock totaling \$15,176.55. About 400 head of hogs changed hands. Prices remain good for both hogs and cattle, many of which were bought by agents for packers.

MR. CLUCK AND OTHER SCHOOL HEADS ELECTED

The Cisco school board has elected superintendent, principals and coaches for another year. O. L. Stamey, high school principal; Arlin Bint, ward principal; Monroe Sweeney, athletic coach, and Bill Falls, his assistant, were re-elected at the regular board meeting of March 8.

PIONEER TEX'N, COUSIN OF MRS. CATE, IS DEAD

Thomas Burton Stuart, 82, pioneer resident of Palo Pinto county and president of the First National bank of Strawn, died Sunday morning at his home in that city. The body was laid to rest Monday afternoon in the Strawn cemetery, with funeral services at the First Methodist church.

EARLY MORN'G BLAZE DID BUT LITTLE DAMAGE

The 7 o'clock call this morning took the fire department to the Tompkins Broom & Mop factory where a broom corn storage building had caught fire—probably spontaneous combustion—Fire Chief Bill Sledge said.

SESSION TEX-AS SOLONS IS VERY COSTLY

AUSTIN, April 5.—An additional \$250,000 appropriation for expenses of the legislature and a bill fixing the third Monday in May as the dead line for filing for state offices in election years were passed finally in the house Monday.

HOWARD FUNERAL

Out-of-town relatives attending the funeral and burial of Mrs. M. J. Howard, Sunday afternoon, were Mr. and Mrs. Victor Grables and children and Mrs. Dolph Grables, Weatherford; Louis Howard, Mrs. Reed Robinson, Fort Worth; Mr. and Mrs. Eldon Grisham and daughter, Graham; Mrs. Robert Cox, Mineral Wells; Louis Derrick, Tatom, N. M.; Mrs. Mollie Murray and son, L. V. Murray, Cottonwood; Mrs. Willie Vestal and Harold Bartlett, Fort Worth.

GUNNERY SCHOOL ON WHEELS—School-in-a-bus provides gunnery course for British merchant seamen. Classroom on wheels parks alongside docks and in three-day course men are instructed in handling guns aboard cargo ships. Courses are popular with men.

BILL TO REGULATE UNIONS IS TO BE LAW

AUSTIN, April 6.—Gov. Coke Stevenson announced Monday that he will allow the Manford labor bill to become law without his signature. The decision to file the bill with the secretary of state must have been one of the most difficult of Stevenson's two years in the Governor's office. Shortly after Pearl Harbor, Texas labor leaders contacted orally with Stevenson not to strike or otherwise impair the war effort. In return the governor pledged nonharassment of labor and co-operation to insure maximum production.

SENATE KILLED EFFORT MERGE TWO OFFICES

AUSTIN, April 6.—By the overwhelming vote of 17 to 6, the senate Monday killed the Grover Morris joint resolution proposing an amendment to the constitution to abolish the office of district clerk and transfer his duties to the county clerk.

REPORTS FOR DUTY.

Marvin Ray Leveridge left today for San Diego, Calif., where he will report for naval duty. He is a nephew of Mrs. M. A. Waters and Mrs. W. H. Odle.

CITY FARM HANDS—More than 1,500 Chicago and Cook County high school boys, 15 to 18, are taking intensive farm course at Chicago Heights high school. Here are some of them, learning to operate machine.

WOMEN WORKING—All-woman track maintenance gang at work on Southern Pacific railway near San Francisco. They're relieving serious shortages of track laborers and handle all jobs but renewing rails.

FOUR-H CLUB. The Pioneer 4-H club met April 1, at 11 o'clock, with the president, Mildred Clark, presiding. Members modeled aprons they had made. Aprons made by Nophlet Sheehan and June Grand were selected as the most attractive aprons. Miss Helen Childress, assistant home demonstration agent, gave a demonstration on tub gardens. Members present were Joyce Tyler, Dorothy Brawley, Winnie Gibson, Dorothy Tollerson, Jean Ballew, June Grant, Jessie Flippin, Gethra Naylor, Elouise Williams, Nophlet Sheehan, LaVern Morris, Anna Lee Yeager, Ruth Bible, Jo Claire Hughes, Doris Hodnett, and Louise Prickett.

UMBRELLA OF PLANES PROMISED

FORT WORTH, April 6.—The U. S. will have "considerably over" 2,000,000 men in its air forces by the end of 1943, by far the world's greatest air arm, Assistant Secretary of War Robert P. Patterson said last night at Tarrant Field, following an inspection of the combat crew school.

CAPT. PARKS A CAR WRECK VICTIM, SATURDAY

Capt. James E. Parks, 26, head of a glider division of the army at Victorville, Calif., was killed in a car wreck late Saturday, according to information received by his mother, Mrs. Russell Jeannison, of Iran.

DALLAS NEGROES RIOT.

DALLAS, April 6.—Four Negro soldiers were held today at Hensley Field while authorities investigated a riot on a Dallas street car. It was the second riot in a week staged by Negroes on the car operated by Motorman W. R. Henson. The Negroes were taken into custody after Negro passengers rioted and threw Henson and a special policeman off the car. A week ago, rioting Negroes severely beat Henson and a youthful white passenger and fled with Henson's money changer.

WM. DUNCAN DIES.

STATE DEFICIT.

RETURN TO HOUSTON.

Dr. and Mrs. Granville Q. Adams of Houston returned to their home Monday after spending the weekend as guests of Lieut. and Mrs. W. A. Goodrich of 1201 D avenue. Lieut. and Mrs. Goodrich spent a week's furlough in Houston last week where they had renewed acquaintanceship with the Adams family.

ALLIED AIR FORCES MADE NEW RECORDS IN NORTH AFRICAN SECTOR MONDAY AND TUESDAY

ALLIED HEADQUARTERS, North Africa, April 6.—Powerful Allied air forces smashed all records in the North African theater, it was disclosed today, when they made more than 1000 sorties Monday against the Axis, destroyed 48 airplanes, blew up a destroyer and set fire to supply ships en route to Tunisia.

While American and British ground troops held the initiative in Tunisia patrol operations, the air forces scored their greatest victories over the Luftwaffe in the Monday aerial fighting at the cost of only 12 of our aircraft.

One outstanding phase of the air attack was the destruction of 18 enemy JU-52 air transport planes carrying supplies to the forces of Marshal Erwin Rommel in Tunisia. (That indicated the Axis still was reinforcing its Tunisian armies with a view to fighting to the end to delay the Allied offensive against southern Europe.)

Thirteen escorting fighters also were downed by attacking American Lockheed Lightning fighters.

(At Cairo it was announced that American volunteer crews in Liberators made projected "suicide" attacks Friday on the Italian supply ports of Messina, San Giovanni and Crotona, and that all planes returned. On Sunday night Middle Eastern Command bombers also raided Naples less than 12 hours after that big port was hit by almost 100 Flying Fortresses.)

(Both Axis and Allied-controlled radios reported that artillery preparation by the British Eighth Army north of Gabes and intensified patrol action in Tunisia indicated that a new and climactic phase of the land battle for Tunisia was about to start.)

Official advices did not indicate definitely whether the Axis air and sea transports were carrying men or supplies to Tunisia but it was assumed that it might be both.

Ground activity on all fronts in Tunisia was confined to patrol activity yesterday, Gen. Dwight D. Eisenhower's communique said, but a front dispatch reported that American forces on the south-central sector pushed deeper into the Bir Mrabott Pass east of El Guettar in their drive to join the British Eighth Army some 40 miles to the southeast.

(Axis broadcasts reported that the Eighth Army had started an artillery bombardment of Axis positions along the northern rim of Wadi Akarit, 20 miles north of Gabes, presumably a prelude to another lunge to the north along the Tunisian coastal road. The Allied-controlled Morocco Radio said the Germans had resumed their retreat northward along the coast.)

Formations of medium bombers escorted by Lightning fighters, caught an enemy convoy in the Sicilian Straits and straddled the vessels with bombs. A destroyer was seen to blow up and other vessels received direct hits and were left burning.

U. S. Army Signal Corps Photo FROM RANKS — Brig. General Clarence R. Huebner was a mess sergeant in World War I. Recently he was among 23 named major generals by President Roosevelt. Native of Rushton, Kan., he is director of training division of Services of Supply.

CAPTAIN D. G. ALFORD RECEIVED PROMOTION.

Mrs. D. G. Alford is in receipt of a cablegram from her husband who is stationed with the U. S. army in England, stating he has been promoted to the rank of major. Major Alford, son of Mr. and Mrs. Carl Alford, of Rising Star, has been in England since last August with the exception of a few months spent in Africa. Mrs. D. G. Alford and son, Davy Jr., are making their home for the duration, at 500 W. Eighteenth street, Cisco.

CISCO GARDEN CLUB HAD FINE PROGRAM.

The Cisco Garden club met Monday afternoon at the club house for business meeting and program. Mrs. Elizabeth McCracken, president, was in charge and Mrs. Paul Poe was afternoon hostess.

During the business period the treasurer reported that the sum of \$2.30 had been donated to the Red Cross. Mrs. W. I. Ghormley was asked to represent the club at the monthly meeting of the welfare association. Miss Alice Bacon made a report of the flower exchange.

Mrs. W. W. Fewell was leader

of the program in which Mrs. Alex Spears discussed "Texas Wild Flowers and Birds." Dorothy and Heide Throne of Eastland were presented in two delightful musical tap dance numbers, with piano accompaniment played by Mrs. John J. Bowen, also of Eastland; Miss Dorothy Jean Anderson played two piano selections which were much enjoyed. "Garden Hints" were given as roll call response and a round table discussion was held.

These present were Mrs. Earl Throne, Mrs. Dee Throne, Mrs. John J. Bowen, Dorothy and Heide Throne, Eastland; Mrs. H. A. Bible, Mrs. W. I. Ghormley, Miss Miriam Ghormley, Mrs. Elizabeth McCracken, Mrs. Yancy McCrea, Mrs. Charles J. Kleiner, Miss Alice Bacon, Mrs. C. H. Fee, Mrs. W. W. Fewell, Mrs. Philip Pettit, Mrs. Paul Poe, Mrs. Alex Spears and Mrs. Eugene Lankford.

BIBLE STUDY HELD BY EAST CISCO WMS.

Women's missionary society of Eastland Cisco Baptist church met for Bible study Monday afternoon in the home of Mrs. R. E. McCord. The meeting opened with prayer by Mrs. Daisy Helmeick and Mrs. Russell Dennis taught the lesson from the New Testament.

Mrs. Herman Barron, president, was in charge of a business session which followed when routine business matters were transacted. The meeting closed with prayer by Mrs. R. E. McCord.

Those present were Mrs. V. H.

Bosworth, Mrs. J. D. Hall, Mrs. Herman Barron, Mrs. Don Rabe, Mrs. Russell Dennis, Mrs. Daisy Helmeick, Mrs. R. E. McCord and a visitor, Mrs. Hugh McCrary.

BUREAUS AND BOARDS BANE OF PROGRESS

WACO, April 6.—Senator Lee O'Daniel, participating in the Wake-up America program, said

in a broadcast recently: "Washington is forming boards and bureaus which create problems that hamper the war effort." The Texas senator called this practice "experimental government," adding that by repeating much existing legislation, rather than enacting new laws, congress could increase the number of man hours and bolster the war effort in a big way.

"Our Washington dynasty is no longer content to create boards and bureaus that create more problems. It is now an endless chain. First they create a board

to create a problem and next they create another board to solve the problem.

"They created a bureau to pay farmers to not plant sugar beets. Then they created a bureau to ration sugar. They created another bureau to ration sugar. They created another bureau to ration sugar. They created another bureau to ration sugar."

restricted the production of various food products, then they created another board to ration sugar. They created a bureau to pay farmers to not plant sugar beets. Then they created a bureau to ration sugar. They created another bureau to ration sugar. They created another bureau to ration sugar. They created another bureau to ration sugar."

Dad doesn't give away the bulk of these wartime weddings. He knows she'll come back home by the duration, anyway.

Saving gasoline is most left to our hands and the knowledge that we have in Alton need 1,300,000 gallons a day.

Look! Listen! Live!

Whoever said, "What you don't know won't hurt you," was wrong—and the grade crossing accident illustrated here proves it.

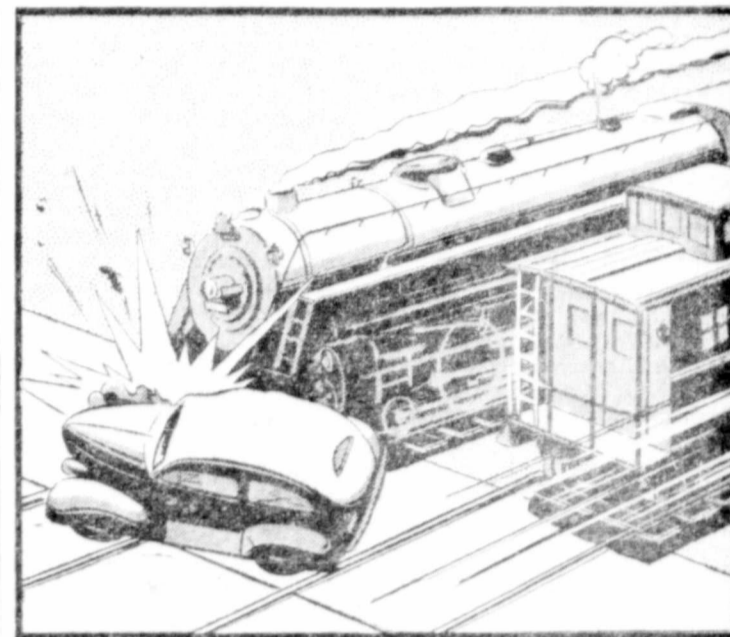

The driver of a shiny car stopped safely at a railroad crossing to let a freight train pass. The train passed, and the driver put his car in gear and started across immediately after the caboose had cleared the crossing. But it was a double track crossing and another fast freight from the opposite direction roared toward the crossing, obscured from view by the train that had just passed.

The driver didn't know the second train was coming.

And what he doesn't know not only hurt him—but killed him, smashed the car into junk and delayed the train nearly a half hour.

The National Safety Council is conducting a special campaign to stop these grade crossing accidents, which every day delays an average of 38 trains a total of 22 hours—a heavy drain on the nation's wartime transportation facilities.

Driver carelessness is the cause of almost all grade crossing acci-

dents, according to the Council. To help win the war, to save yourself and others needless suffering, across.

Mrs. Thomas Graves, Jr., and son visited in Mineral Wells Sunday.

Mrs. L. H. McCrea and Mrs. Gaston Alford spent Saturday in Fort Worth where they were joined by Mrs. H. R. Miller of Jacksonville, who accompanied them to Cisco for a visit with her daughter, Mrs. Gaston Alford.

Mrs. Irene Hughes of Rising Star visited friends in Cisco Sunday night while enroute home from Fort Worth.

A. J. Miller of Odessa, former Ciscoan, was in the city Monday enroute home after a visit with his mother, Mrs. A. J. Miller, Sr., who is seriously ill in the home of her son, Sidney Miller, at Brownwood.

E. H. Muller went to Brownwood Sunday to accompany Mrs. Muller to Cisco after she had spent several days at the bedside of her mother, Mrs. A. J. Miller, Sr.

Mrs. Jimmie Allen began a home economic class at the chamber of commerce rooms Monday night. The class will meet two

nights each week, Mondays and Thursdays, until the course of 20 hours has been completed. Three points will be covered: preservation of foods, conservation of fuel, and conservation of time.

A tick town is a place where you can't even be polite to a young widow without starting a quarrel.

There is no sex equality in congress gets so much publicity merely because it is pretty and not simple.

Wake Up! Time to Summerize to Conserve Your Car

Your car needs extra care under war-time driving conditions

Driving shorter distances, at slower speeds, means that your motor rarely gets hot enough to drive off the by-products of combustion which cut down engine efficiency. While your car stands in the garage, lubricants drain from chassis fittings... leaving vital parts exposed to oxidation and wear.

You can do much to combat this condition by making sure that you change oil and have your car Mobilubricated every 1,000 miles, or every two months, whichever comes first.

That's why Magnolia SUMMERIZE Service is more important this year than ever before. Fresh Mobiloil for your motor and gears... correct Mobilubrication... radiator cleaned of rust and sediment... a thorough check of tires, battery, air-filter and other important accessories, all add up to longer car life, more economical mileage.

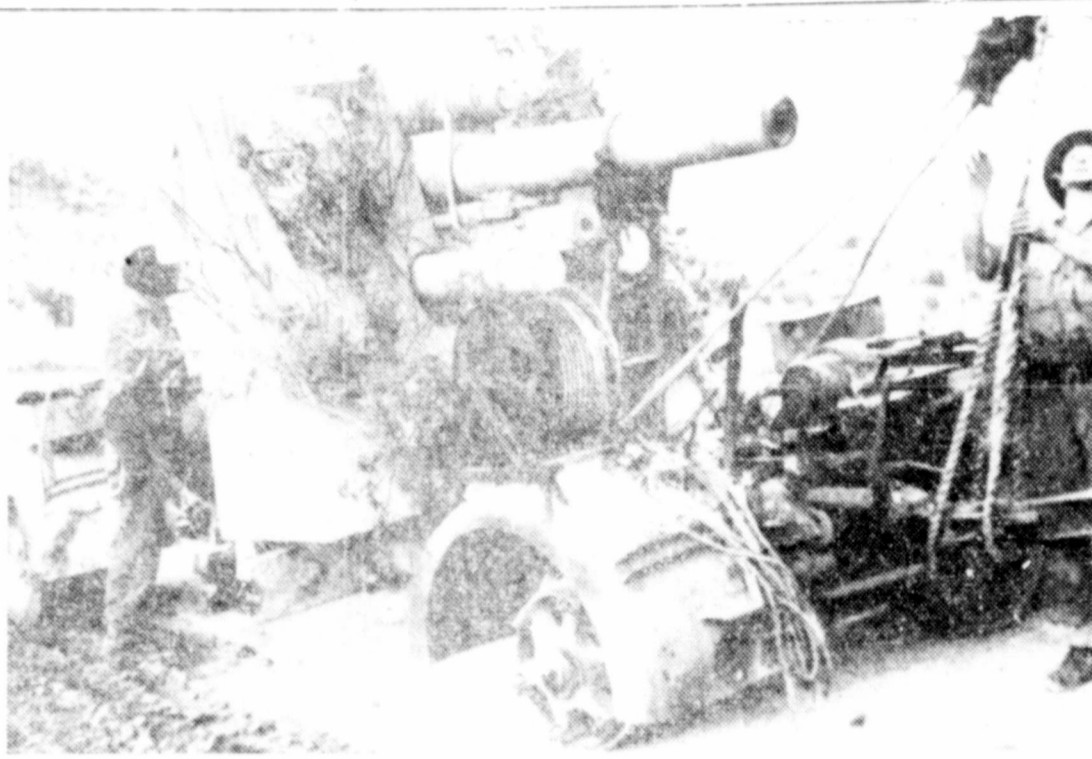

Join the car conservation movement that is sweeping the country. SUMMERIZE NOW!

When A Feller Needs Another Hand

Butch is in a predicament... one that isn't covered by military training. While he certainly could use another hand, we're betting that Butch will find a way to handle the situation.

In fact, most every business-man, farmer, stockman... every producer in West Texas today... knows just how he feels. They, too, need another hand.

Your Electric Servant has the same problem. Right now, we're being called on to balance good service and low rates against fast-climbing operating costs and shortages of material.

We're doing it, too. Filling every wartime order ahead of schedule in addition to your normal peacetime needs. And besides that, we're balancing a big plate of taxes.

Don't get us wrong. We know the necessity of heavy wartime taxes. We're proud that ours was a sizable portion of the \$620,000,000 in taxes paid last year by America's business-managed electric companies. That was 23c out of every dollar paid for electric service. The total of 620 million dollars was enough to outfit 1,687,762 soldiers like Butch.

We're proud, too, that there has been no rationing of electricity... and no increase in cost to you!

How is it possible to do this... pay heavy taxes, overcome shortages of material and manpower?

Well, the credit goes to sound, well-balanced business management. And because our trained and experienced organization of men and women are working together as a team.

But while America's electric com-

panies, under business management, are doing all this, government and municipal politically-managed power systems are not paying a penny in taxes to help win the war.

Shouldn't every one do his full share?
