CISCO OPENS CANNING CENTER ON JUNE 8. FOX IS SUPERVISOR; MRS. JIMMY ALLEN INSTRUCTOR

The Cisco community Canning Center will be opened Tuesday, June 8, in the Jake Stuard cafe building at 1108 D avenue, for public use in canning and preserving food which Cisco people have produced in their victory gardens.

The canning program is operated as one of the various courses of the Rural War Production Training program under the supervision of the Vocational Department with M. D. Fox, vocational teacher, as local supervisor, and with Mrs. Jimmy Allen as instructor in charge of the center.

Mrs. Allen is the local high school home-ec teacher, and has had extensive training and experience in canning, drying and processing foods.

The public is invited to bring their garden vegetables to the center for canning. The purpose of the program is two-fold, to give instruction and training in canning and to enable the public to save the food they have already produced, as a patriotic and economical gesture to help in the war effort.

"It is our desire that those who want canning done should prepare the food before bringing it to the canning center and then do the canning themselves with the help and supervision of Mrs. Allen. If it is impossible to do the canning themselves, patrons should have the food prepared before bringing it and then arrangements can be made to have it canned by the working personnel," said Mr. Fox.

"In all cases, those wishing canning done must furnish their own cans or jars and must, as in the case of snap beans, have them washed and snapped. A nominal charge will be made, to cover overhead expenses, of approximately one cent per can or less if the producer does the work, and approximately two cents per can, if food is left for the workers to can. Canned items should not be moved from the canning center for at least two or three days after sealing to avoid spoiling," continued Mr. Fox.

"This program, sponsored by the chamber of commerce, is to enable the gardeners to save as much food as possible for themselves, and for our soldiers and allies whom we must feed. The city and chamber of commerce are furnishing the necessary equipment such as a pressure cooker, power sealer, cooking vats, etc.," Fox added.

DEMPSEY TRIAL RECESSES. WHITE PLAIN, N. Y., June 5.—The Dempsey divorce trial was in recess today until 11 a. m. Monday when Mrs. Hannah Williams Dempsey will present her case against Jack Dempsey, former heavyweight champion.

Group Three of First Christian church Council will meet for covered dish luncheon at 12:30 in the home of Mrs. Claire Swartz on West Ninth street.

REV. SID MARTIN, Memphis, Texas, who will do the preaching at the First Baptist church revival services.

LEGION POST REMEMBERED VETS MAY 30

Following the custom of years past, the John Wm. Butts Post No. 123 of the American Legion placed flags on the graves of Confederate veterans and of World War I veterans on Memorial Day, with proper ceremonies. There may be graves of others than those mentioned below, about which the post does not know. If anyone knows of others, it would be conferring a favor if he would contact Haywood Cabness at telephone 49.

FIRST BAPTIST BEGIN REVIVAL WEDNESDAY

The last regular services of the First Baptist church prior to the opening of the revival meeting, will be held today. Large plans are being laid for the meeting which opens Wednesday evening, said Pastor Cooper Waters. The leaders for this meeting will be Rev. Sid Martin of Memphis, Texas, and Joe Trussell of Brownwood. They will do the preaching and singing respectively.

At the services today Sunday school will be held at 9:45, and the morning worship at 11 o'clock. The pastor will preach on the subject, "Temptations That Hinder Revivals." Training Union will meet at 7:30, and the evening worship will be held at 8:30. The evening sermon subject by the pastor will be "Let Us Rebuild the Walls."

Monday evening at 8:30 there will be a group of prayer meetings in the homes of the members to pray for the revival. They are to be at the following homes: Mrs. L. A. Harrison, E. J. Poe, C. P. Cole, H. B. Hensley and R. R. Jones. There will also be a group meeting at the church.

The WMS will meet at 4 p. m. Tuesday at the church. A prayer service will be held Tuesday evening at 8:30 at the church with the pastor in charge.

MINISTERS MEET MONDAY.
The monthly meeting of the Cisco Ministerial Association will be held Monday morning at 9 o'clock in the First Christian church. "All ministers of the city are urged to be present," said Rev. J. R. Wright, president of the association.

JAPS GIFT—One of the first pictures arriving from Attu shows captured Jap landing barge, which the American forces are putting to good use. Barge is being brought into Massacre Bay to land supplies from U. S. transports. It probably was one used for original Jap landings, but now it bears an American flag and has official number painted on it.

GOUMS—"The Goums," short for Goumiers, famed Moroccan troops, pass war memorial in Casablanca in parade marking transfer of American fighting equipment to French forces. These tough warriors are greatly feared by Germans and Italians who met them

CHINESE MOVE TO CLEAR ALL RIVER VALLEY

CHUNGKING, June 5.— Dispatches today reported a Chinese penetration of Ichang and indicated fast-moving Chinese armies were clearing both sides of the Yangtze river in a major bid to recapture that Japanese advanced base.

The Central (Chinese) News Agency said 500 enemy troops were killed Thursday when the Chinese seized a northern Ichang suburb and that the city itself was thrown into confusion by a raid in which warehouses, barracks and oil storage facilities were set aflame.

The next day, Central said, Chinese forces north of Ichang penetrated into Tangyang, strategic town 25 miles northeast of Ichang.

The Central dispatches indicated these Chinese forces came from the western Hupeh Province area north of the river. Meanwhile, the south side of the river opposite Ichang and for miles eastward toward Tung Ting Lake had been cleared of Japanese troops.

Successful crossing of the river east of Ichang by forces either from the north or south would cut off that base, disrupt the enemy's river traffic and trap considerable Japanese forces, it was believed.

The river traffic already was menaced by Chinese troops who had restored the western Hupeh

LEGION HAPPY OVER SOLDIER CIGARETTES

A checkup of donations to the soldier cigarette fund in Cisco by committeemen of the American Legion who are sponsoring the program, Saturday, showed a total of \$20.50, according to Rex Moore and Bill Huestis. This will purchase 410 packages of cigarettes, said Mr. Huestis.

"The legion appreciates this co-operation very much," said Huestis Saturday after he had visited the various stores cooperating, "and considering that this represents only about one week of effort, the result should mount up in a short while."

Under this plan a package of any brand of cigarettes only costs the soldier 5c per package, which is so small an amount that most everyone is willing to donate a package each week, at least.

PRO-NAZI RESIGNS.

LONDON, June 5.—Auguste Nogues has resigned as resident general of French Morocco and has been replaced by Gabriel Puaux, former high commissioner of Syria, Radio Algiers said today.

ANTI-NAZIS IN FULL CONTROL OF ARGENTINA

BUENOS AIRES, June 5.— A military junta controlled all Argentina, including the army and navy, today after a one-day revolution that cost only 32 lives and gave promise of cutting the last Axis tie to the Western Hemisphere.

Martial law was proclaimed throughout the country last night, but this appeared little more than a formality since the minor resistance encountered in the initial stages of the revolt had been put down quickly and calm prevailed everywhere.

Ramon S. Castillo, the isolationist president who fled the capital before troops revolting against his regime reached the presidential palace, had vanished aboard the tiny, 450-ton Argentine minesweeper Drummond with five of his ministers after briefly putting into Uruguayan waters for supplies.

With Castillo disappeared, apparently, whatever hope he had of organizing a counter-revolution, at least in the immediate future.

(An unconfirmed report reached Montevideo that Castillo had sent a message to the U. S. government reminding it that the Pan American convention at Havana decreed that other American nations should come to the aid of any of their number attacked. "Washington sources disclaimed knowledge of any such message.)

MINE RETURN MONDAY TO BE 14-DAY TRUCE

WASHINGTON, June 5.—The United Mine Workers' leadership announced Saturday that the authorization to resume work beginning on Monday is limited to the period ending on June 20.

Disclosing that the miners' retreat Friday was not an unconditional surrender, the UMW officers released a telegram dispatched to all local unions saying: "The national policy committee, by a unanimous vote, has authorized a return to work on Monday, June 7, up to and including June 20. This action was taken to protect your union and its membership. Let each member cooperate with this policy."

"By order of the national policy committee."
The telegram was signed by President John L. Lewis, Vice President John O'Leary and Thomas Kennedy, secretary-treasurer.

RAINFALL NOW PROMISES GOOD GARDENS, CR'PS

A precipitation of about 7 inches of rain up to 3 o'clock Saturday afternoon, gave promise of still more abundant gardens which were already supplying their owners with English peas, green beans, beets, potatoes, squash and onions. Many victory gardeners say they will soon have plenty of tomatoes and roasting ears. Black-eyed peas are still small, according to most advisers.

Up until May, moisture had been very scarce and in an effort to render aid, the city commission voted to begin allowing a double minimum of water for garden purposes. However, rains began to fall and ended the month with a rainfall of 3.1 inches.

Farmers and stockmen say they have plenty of moisture for grass, stockwater and farming purposes.

520 PLANES LEAVE OREL IN FLAMES

MOSCOW, June 5.—Five hundred and twenty Soviet long-range bombers, the largest Russian air fleet ever sent against a single objective, turned the German-held Bastion of Orel on the south-central front into a mass of flames Thursday night, it was announced today.

Returning pilots reported that fires were visible for 62 miles.

Railway trains, munitions depots and fuel dumps were hit with demolition bombs and terrific explosions were observed, a special Soviet communique said. Only one plane was lost.

VACATION SCHOOL HAS PICNIC.

A picnic lunch in the basement of the Methodist church Saturday afternoon marked the beginning of the vacation church school which is to start with the daily schedule Monday afternoon at 4:30.

The Christian, Presbyterian and Methodist churches are cooperating in the undertaking. There will be two hours of study, worship and play each evening for the two weeks of the school.

Mrs. W. H. Cole is general director with a corps of workers ready for the four departments, the intermediates, the juniors, the primaries and the beginners.

All children of the ages provided for are welcome to attend regardless of their church affiliation, says Rev. Leslie Seymour.

EISENHOWER EXTENDS RAIDS COVERING ISLANDS AND COAST MEET LITTLE AIR OPPOSITION

ALLIED HEADQUARTERS, NORTH AFRICA, June 5.— American four-engined B-24 Liberator bombers dropped nearly 250,000 pounds of high explosive and fragmentation bombs yesterday on the Grottaglie airdrome guarding Taranto, southern Italy's most important naval base, it was announced today.

The Liberators, from the Middle-Eastern Command and led by Col. Keith K. Kompton of St. Joseph, Mo., struck after bombers from Northwest African Air Forces blasted objectives in Italy, Sicily and Pantelleria Thursday night.

Gen. Dwight D. Eisenhower's Northwest African Forces extended their raiding to two new targets—Catanzaro on the toe of the Italian boot and Syracuse, eastern coast port of Sicily—in the Thursday raids.

Big Royal Air Force Wellingtons showered incendiaries on both points in a single flight.

American Lightnings carrying bombs ranged over Sicily in force yesterday, meeting strong ground fire approaching Milo airdrome in the northwest section of the island but they saw no enemy fighters.

Over the airdrome itself the flak fire was negligible and the Lightnings scored a direct hit on one hangar and dropped bombs near two more, setting all three on fire. They also banged away at machine gun positions on Favignana Island off Sicily's western tip.

Heavy, medium and fighter bombers kept up the continuous onslaught against Pantelleria, 32-square-mile isle in the Sicilian narrows. Not an enemy fighter was met over the island and only light and inaccurate anti-aircraft fire came from its battered defenses.

BROTHER OF CISCOAN TO BE BURIED TODAY

BELTON, June 5.—F. B. Russell, 53, editor and publisher of the Belton Journal since 1928, died at 4:20 p. m. Friday as a result of a heart attack. Funeral services will be held Sunday afternoon at First Methodist church.

Survivors are his wife, son, Lt. James Russell of Camp Crowder, Mo.; one sister, Mrs. Louise Hines of Groesbeck; five brothers, Roy Russell, Dublin; Ira Russell, Cisco; Cecil Russell, Houston; James O. Russell, San Antonio, and J. A. Russell of Fort Worth, and his mother, Mrs. G. T. Russell of Groesbeck.

RADIO IN ROME SAYS DREADED ATTACK COMING

LONDON, June 5.—Prime Minister Churchill flew home by way of North Africa from the Washington war council at which full accord was reached on a future Allied course on all fronts—an accord which was expected to be interpreted into action first with an invasion of Europe.

Coincident with Churchill's

homecoming, invasion talk reached its highest pitch in London newspapers, and the Rome radio nervously declared:

"The attack is coming."
Counters With Cabinet.

The prime minister, who saw Gen. Dwight D. Eisenhower in North Africa, landed at a British airdrome at dawn and proceeded immediately to London to begin a series of conferences with members of his war cabinet.

In North Africa Churchill also had what was described as a "most cordial" meeting with Gen. Charles de Gaulle and Gen. Henri Giraud, who earlier in the week settled their differences and set up a provisional French government under their joint leadership.

JOE TRUSSELL, Brownwood, Texas, who will conduct the singing at the revival services of the First Baptist church.

WAR BONDS.

In spite of the apparent success of the last war bond drive, the ominous fact remains that of the billions of dollars worth of bonds sold only a small proportion went to individuals. As usual banks, corporations and other institutional investors with accumulated reserves absorbed most of the obligation.

This means that the prosperous masses are still riding the crest of a luxuriant war boom, with income expanded in March, 1942, 28 per cent over March, 1942. Taxes and bond buying will barely scratch the surface of the billions of the "new rich."

This all adds up to one thing. The people at home are still trying to fight the war the easy way. Instead of sacrificing comfort for the sake of victory as our men are sacrificing their lives, they are so far using the war as a device to wallow in more comfort.

Will our soldiers return to a luxury-saturated bankrupt home-land with a congress still arguing over pay raise details, or a land where the integrity and sincerity of their government has been preserved? The answer is with us.

GRANDMAS.

There has been long enough time and enough variety of experience to give basis for sound conclusions, with the result that all hands now seem agreed that their place is in the home. The necessary absenteeism which Johnny has the measles and Susan has to be taken shopping for a confirmation outfit is had for the plant. It slows production and offers precedent for other workers to stay out for lesser causes. It is also bad for the children to be without proper supervision—and not in any minor sense, but per se to their morals, education and future normal life.

The answer seems to be in Grandmas. The woman of forty to sixty, vigorous, balanced, experienced in the ways of life and work, is an ideal factory worker. She is the one who should be employed in large numbers. Mothers, while children are young have a duty which cannot be delegated. A little recreation and freedom are necessary for them, but regular jobs outside are had from every point of view.

Let Grandmas do it. Plants which have employed her in numbers are well pleased. There is a great reserve force of Grandmas, awaiting only the call to constructive action.

ERRORS.

Mistakes in running the war? Of course there are. Lots of them. In view of the size of the job, what else can be expected? To dwell forever on past mistakes is to get nowhere.

As always, there is sound advice in the words of Emerson: "Finish every day and be done with it. You have done what you could. Some blunders and absurdities have crept in, no doubt; forget them as soon as you can."

An American mayor of the last generation whose name is still remembered for the efficiency of his administration gave as the secret of executive success: "Decide everything immediately, and be right part of the time."

BUSHWHACKERS.

Guerillas have not had a very good name in history. They have tended to prey on innocent people, and leave the scene when there was real fighting to be done.

To Americans the name is apt to suggest the so-called "bushwhackers" of the Civil War. These were armed bodies operating independently of the regular forces, and held in check only by their own leaders. They levied on farmers for food and lodging, and carried off anything portable.

Despite their claim to be aiding the Federal or Confederate cause, most of them were not far removed from bandits.

Occupied Europe is likely to see a revival of guerilla warfare as the Nazi fortunes go down. Yugoslavia has already done so. In this case the guerillas are the only organized forces to fight the Axis. By general account they have refrained from the evils which made the bushwhackers notorious. With help from the United Nations they can grow into regular armies, and add real luster to a name of doubtful prestige.

LETTERS.

"Everybody in our outfit was feeling kind of low," says a soldier's letter to his family. "Our mail came, and the next day our second big battle. The mail made a lot of difference in the outfit that battle went. Everybody went into it feeling good—they had heard from home."

Here is the same idea in poetry, by Alfred Tennyson: "Thy voice is heard thro' rolling drums."

That bear to battle where he stands.

Thy face across his fancy comes, And gives the battle to his hands. A moment, while the trumpets blow,

He sees his brood about their knees;

The next, like fire he meets the foe

And strikes him dead for thine and thee."

TWO H. S. GRADUATES HOSTESS AT SUPPER.

Misses Dorothy Jean Anderson and Cathryn Shepard entertained a number of friends Wednesday night in the Anderson home with a buffet supper. The house was gay with decorations of seasonal cut flowers and the small tables, where guests were seated during the meal were each centered with a small container of

rosebuds. Supper was served from the lace covered dining table which held, as a centerpiece, a garden dish filled with cut flowers, and plates were taken to the wide veranda where places were marked for each, at quartet tables.

Following supper, games and other features entertained the group until a late hour.

The guest list included Miss Betty Dean Jenkins of Fort Worth, and Miss Patty Jean Boyd of Odesa, and the following local friends: Misses Bonnie Jean Wilson, Peggy Gallagher, Gloria Graham, Rose Ann Woods, Wanda June Bond, Betty Slicker, Jacqueline Ruppert, Jimmie Jean Hensley, Jeffie Jean Robertson, Veda Faye

Ramsower, Mary Martha Mitchem and Winifred Thatcher.

RECITAL MONDAY NIGHT BY KRAUSKOPF PUPILS.

Mrs. Ben Krauskopf will present her music class in recital Monday evening, June 7th, at the First Baptist church, at 8:30 o'clock. The program will be varied and interesting, including piano, accordion and violin numbers.

Pupils to appear in the recital will be:

Fern Ramsower, Monterey Liscombe, Joe Stamey, Shirley Ann Hightower (Eastland); Betty Jo Laird, Edward Reich, Geneva Bint, Azilee Morris, Pearla and Pearlene Farley, Doris Marie Walters, Durward Smith, Isabelle Trevino, Mary Jo Isenhower, Mary Ann Shurwin, Carolyn Fewell, Patsy Lee Weir, Mary and Helen Hay, Lovell Paul, Dana Thornton, Helen Raye Edwards, Betty Wilcox.

Mary Ellen and Dorothy Ann Sanders, piano pupils of Mrs. Troy Powell, will also appear on the program.

MRS. S. B. PARKS WAS HOSTESS TO CLUB.

The N&T club met Thursday afternoon in the home of Mrs. S. B. Parks. After a short business meeting at which Mrs. Chas. Clark presided, the hostess was presented with a gift and the remainder of the afternoon was spent in finishing an afghan for the Red Cross. Refreshment plates of gelatin salad and cake were served the guests.

Those present were Mrs. T. R. Pickett, Mrs. Thomas Lee, Mrs. R. D. Jones, Mrs. A. L. Clark, Mrs. Clifford Turknott, Mrs. Minnie McCanlies, Mrs. A. E. McNeely, Mrs. Charles Clark and daughter Janet, and the hostess, Mrs. Parks.

GRADUATING CLASS HONORED WITH LUNCHEON.

Among honors accorded high school graduates during the past two weeks was a lovely luncheon given, May 28, by the Methodist Women's Society of Christian Service in the basement of the church.

The guests included the graduating class, M. D. Fox, Miss Lela Latch and Miss Doris Jo Pyle, sponsors; Supt. R. N. Cluck and Mrs. Cluck, Prin. O. L. Stamey and Mrs. Stamey.

The dining room was festive with floral decorations, attractively arranged. The long dining table was centered with red, white and blue flowers, placed on a field of blue which ran the table length.

After a number of lawn games, directed by Rev. Leslie W. Seymour and Miss Lela Latch, the guests were shown their places at the table. Mrs. John Shertzer,

society president and toastmistress, welcomed the class in a few well-chosen words, to which Kenneth Huffman, class president, responded. Rev. Seymour gave the invocation. Melvin Sandler played a number of piano numbers during the meal and a program of tap dancing and vocal music was presented by members of the Grammar school W. A. P. club, personnel of which were Bobby Wilson, Jerre Westfall, Jackie Milner, Barbara Grist, Patsy Ruth Davis and Jo Ann Bearman.

Superintendent Cluck and Principal Stamey thanked the society for the courtesy extended the class, after which the group re-

paired to the high school where the final chapel of the year was held.

LET'S NOT FORGET . . .

Let's not forget Pearl Harbor and the dastardly attack of the Japs after they had led us to believe that a way would be found to avoid a war . . . a smooth tongue while they were grinding their knives for the slaughter.

And let's not forget the cruelty inflicted upon the nations of Europe, spreading destruction to people who had no quarrel with any one.

And let's not forget the starvation brought about in all the conquered nations of Europe, in order to have food for the German people while they fought and worked to bring more destruction upon hapless nations.

And let's not forget the men and boys dragged off to man the industries of Germany that were making more guns and ammunition to wreak destruction upon more helpless people.

And let's not forget the women who have been dragged down to worse than death to satisfy the beastly passions of a dominating race who believe that all others exist to work for them.

Let's not forget that civilization and morality of the masses has been set back many centuries, if indeed, we ever recover without another blighting "dark age" similar to the one brought by ancestor heathens of these very people who now want to dominate the world and to blot out all semblance of God and mercy.

When you must sacrifice . . . and when you must give to your government . . . when you must do without some things because they are not available now . . . remember what could come to us if we fail to win this fight.

Do not grumble . . . Do not complain . . . it could be worse for us. It is worse for others.
