## FINNS ANXIOUS FOR PEACE WITH RUSSIA

### WAR PRISONERS INTERNED NOW AT CAMP BOWIE

CAMP BOWIE, Aug. 22.—With two groups of German soldiers arriving on special trains, the Camp Bowie prisoner of war camp, under the command of Col. Frank L. McCoy, has begun operation in the area of the present rehabilitation center.

The German youths, averaging an age of 25 years, are in very good health and are now in the process of cleaning their clothes and organizing belongings in their barracks. Under the direction of their first sergeant, the men meet their leaders and are formed into companies similar to the US army set-up.

Each company is headed by a first lieutenant of the US army command and a sergeant. A US soldier acts as interpreter, but cooking and kitchen police help is employed by the prisoners.

There are ten and 20 percent of the men speak English, but they remain noncommittal, obedient and disciplined. At present the Germans are wearing their own uniforms but later will be issued special outfits.

The rehabilitation center will be moved to another area in Camp Bowie completely concerning the internment section into a prisoner of war camp.

Col. McCoy was transferred from Hazelville, Ark., where he was commandant of the Army Artillery School, Arkansas Post, Ark., on August 13, 1942, with the 1st division and participated in the battles at Amiens, St. Mihiel and Meuse-Aargonne during World War I. For five years he was instructor at the Infantry School, Ft. Benning, Ga., and served as executive officer of the 389th Infantry in 1942.

Col. McCoy is from Oxford, Ga. His father, Col. W. B. McCoy, is commanding officer of Key Field, Meridian, Miss.

Serving as executive officer of the Prisoner of War Camp is Lt. Col. Harry Slaughter, who also served as executive officer under Col. McCoy in Hazelville.

Capt. James C. Irons is assigned as security and police officer and Lt. John D. Egan is adjutant.

### CISCO WOMAN BURIED HERE 4 P. M. TODAY

Funeral services will be held for Mrs. J. C. Evans, 90, of the East Cisco Baptist church, this afternoon at 4 o'clock and the funeral will be in charge of her pastor, Rev. Russell Dennis. She died Friday night at about 10:30 at the home of one of her daughters, Mrs. Brady Hall, of Frisco, Texas, where she had been visiting for several months. She had been ill in health for some time. Her body arrived in Cisco Saturday afternoon.

Mrs. Evans had lived in Cisco about 35 years and was one of the organizers of the East Cisco church where her funeral will be held. Burial will be in Oakwood cemetery with Thomas Farnell home in charge of the service.

Deceased is survived by three sons and three daughters, thirty grand children and seven great grand children.

They are Harry Evans, Cisco; Henry Evans, Hamilton; and Albert Evans, of San Antonio. The daughters are Miss Belle Whitworth, Eastland; Miss Brady Hall, Frisco, Texas; and Mrs. Birnie Bailey, Fort Worth.

NAZIS DIDN'T SOW THEM—Huge pile of mines left behind by Germans when they fled before advancing Allied forces near Roccapalumba, Sicily. Deadly mine, are usually sown in front of advancing enemy, but Nazis didn't find time.

### REDS STRIVE TO ENCIRCLE NAZI ARMIES

MOSCOW, Aug. 21.—Russian planes and artillery pounded a torrent of bombs and shells into the 13-mile-wide escape corridor southwest of Kharkov today as ground forces hammered at the enemy's flanks in an attempt to complete the encirclement of the big German stronghold.

The last railroad out of Kharkov still in German hands, a forked line running southwest to Zaporozhze and Dnepropetrovsk, appeared to be almost within the grasp of Soviet forces thrusting westward below Kharkov.

Sunny, another German base nearly 100 miles northwest of Kharkov, also appeared doomed as Russian troops seized Leningrad 27 miles to the southwest and pushed on toward the vital Bryansk-Kremenchuk railroad, 43 miles to the west, whose capture would split the German armies on the southern and central fronts.

The capture of Leningrad yesterday in a 29-mile advance brought the Russians to the westernmost point of their advance on the Kharkov front last winter. The Russians captured the city last Feb. 23, but yielded it in March to German counter-offensive.

### POLITICAL GROUPS URGING PRESIDENT OF FINLAND TO IMPROVE ALLIED RELATIONS

STOCKHOLM, Aug. 21.—A delegation representing a number of political groups called on President Risto Ryti of Finland yesterday and demanded that the government take definite steps to investigate the possibility of a separate peace with Russia, a Helsinki dispatch said today.

The demands were incorporated in a letter signed by 50 prominent Finns and delivered to Ryti by the delegation, the dispatch, published in the newspaper Dagens Nyheter, reported.

The letter also suggested that a separate peace could be facilitated by a change of government with J. K. Paasikivi, succeeding Prof. Edwin Linkomies as premier. Paasikivi, former premier, is president of the Finnish section of the International Chamber of Commerce and chairman of the Finnish Export Association.

The delivery of the letter to Ryti coincided with conferences among Finnish officials and military leaders on Finland's status in the war and renewed speculation that the government was seeking a formula that would permit peace.

Baron Carl Gustaf Emil Mannerheim, Finnish commander in chief, and his chief of staff returned to Helsinki earlier this week and Aarne Wuorimaa, minister to Berlin, has been in the Finnish capital for some time.

Georg A. Gripenberg, minister to Sweden, has just returned to his post in Stockholm following several days of conferences with government leaders, but he is expected to go back to Helsinki shortly. At Stockholm, he would make contact with American, British or Soviet diplomatic officials.

Evidence of German uneasiness over the Finnish trend was seen in the hurried return to Helsinki of Dr. Wipert von Blucher, German minister, after an absence of several months.

Informed sources in Stockholm believed that Finland would welcome any peace initiative from the outside, including any suggestions directly from Moscow, but it was doubtful that she was prepared to make the move herself.

Nevertheless, observers believe the government must take a sincere, bold step if it wishes to convince the people at home and abroad of its desire to withdraw from the war. Discussions under way may be leading to such a step, but best informed Finnish and Swedish sources insisted that so far there is more smoke than fire.

The Finnish press has taken every opportunity recently to discuss peace, but its approach has been back-handed. Instead of suggesting steps which Finland might take, the newspapers have reiterated the difficulty of the Finnish position and the desire for a restoration of the 1939 frontiers.

### JESSE PENN, 80 READS WITHOUT GLASSES, SPRY

"I am surprised that you chaps don't have glasses to read this fine print," said Jesse Penn Saturday as he read the last paragraph of a victory letter without any effort. "I never wear anything between me and the printing, especially not a lot of dirty glasses like I see some people wearing," he added with a laugh.

Inquiry brought out the fact that he will be 80 years of age at his next birthday, and that he was born in Northern Indiana in January, 1864. He was graduated at the Leansport academy and came to Texas and to Cisco in 1885.

He later married Miss Nannie Wallace with whom he lived 43 years before her death a few years ago.

Mr. Penn worked for the railroad 20 years and was with the Cisco waterworks about 15 years. He owns a 640-acre ranch northwest of Cisco and some nice town property. He is active and says if he has ever grown up he has not yet realized it. His voice has not even changed yet, he laughingly said.

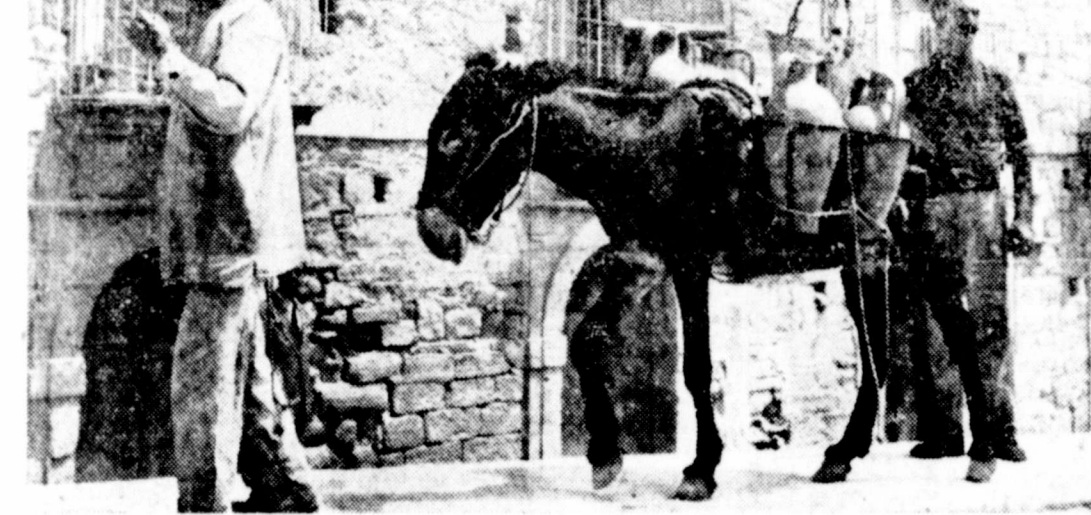

He then told about that. He said a doctor told him why his voice had not changed. Said he had a bad spell of sickness—typhoid fever—when he was 14 years of age which left him with his child's voice. He has been a hard worker all his life and has been successful financially so that he does not have to worry about those things the remainder of his life.

### PHYSICIANS AND FAMILIES ENJOY LAKE

Three groups of people from Fort Worth were enjoying Lake Cisco this week and some of them found things so congenial that they are prolonging their visit.

As it happened these three groups were families of physicians who live in Fort Worth but neither group knew the other was coming. They became acquainted and one of the ladies, Mrs. R. G. Baker, gave a party for the other groups in the park just below the swimming pool Thursday night. They enjoyed a light picnic lunch and play games, having a real enjoyable time, as they expressed it.

Guests of Mrs. Baker were Dr. and Mrs. C. C. Garrett, Dr. and Mrs. T. L. Goodman, Evelyn Baker, Elizabeth Baker, Jane Garrett, Marie Bowers, Dr. R. G. Baker and Mrs. Ray Judia of Cisco.

FOR THEIR STOMACHS' SAKES—Natives of Nicosia, Sicily, quickly resume normal way of life after American troops enter the town. Here a wine seller makes his rounds with donkey laden with jugs of wine—an important part of Italian diet. Italians not only do not fear the American troops but gladly welcomed them.

### PUTNAM MAN RECEIVES OAK LEAF CLUSTER

Among the 35 Texans decorated for bravery and devotion to duty in the Southwest Pacific area, reported Friday, appears the name of First Lieut. Everett C. Sanderlin of Putnam, who was awarded the Oak Leaf Cluster (Distinguished Flying Cross). Lt. Gen. George C. Kenney, commander of the Allied Air Force in the Southern Pacific, conferred the decorations.

### RUDIE M'GOUGH HELD PRISONER IN PHILIPPINES

Mrs. Dee Peugh Cobb of route four, Cisco, recently was in receipt of a card from her son, Rudie Mark M'Gough, age 22, who is a prisoner of war now interned in military prison camp No. 1 of the Philippine Islands. M'Gough stated that he was unharmed and was in fair health.

M'Gough joined the Air Corps at the age of 16 and was a radio man and tail-gunner at the time of the fall of Corregidor when he was taken prisoner.

Mrs. Cobb stated that this was the first she had heard directly from her son since he was taken prisoner. She also received an itemized list of articles from the War Department that she would be allowed to send to her son.

### CAPT. ST. JOHN BLOWN UP WITH GRENADES

A letter from Capt. John St. John to his aunt, Mrs. Velma Hayden, and postmarked August 5 in North Africa, states that he was sorely wounded by hand grenades, one of which struck him in the left side and another in the left chest. After rolling down a cliff onto another grenade, he had a chunk blown out of his right arm which is now in a cast. Otherwise, he said he was alright and for his family not to worry.

The captain said he would probably be sent back to the States since it would require so much time for him to recover.

His wife is with her mother, Mrs. N. N. Rosenquest, at Eastland.

Captain St. John is the son of Mr. and Mrs. Will St. John of Dallas.

### SGT. ARCHER TO UNDERGO OPERATION

Mr. and Mrs. C. L. Archer of 300 West Seventh street have just received a wire from their son, Sgt. Donald Archer, in the Walter Reed U. S. Army hospital in Washington, D. C., for treatment of a head injury received last February at Fort Jackson, S. C.

Sgt. Archer is to undergo an operation of putting plates in his head next week, it was revealed. He has been in this hospital for more than a month now. He enlisted in March, 1941, and was transferred to a paratroop squadron. He is 21 years of age.

### CECIL HALBERT WRITES LETTER FROM AFRICA

Rev. Cooper Waters, pastor of the First Baptist church, has just received a letter from Cecil Halbert, Jr., from probably North Africa, written August 9, in which he tells some of his experiences as a flyer—evidently he is a pilot. He mentions the beauty of some of the cities of North Africa and speaks of experiences as piloting a tow-ship for gliders, and mentions the beauty of Algiers, Cassablanca, Souss, Oran and other cities of that section.

Mr. Halbert said he had found that there was no place like Cisco and the good old U. S. A., and was looking forward to getting back when the war was over. He said that those foreign places are mighty interesting to look at for a while but they soon become boring.

WINNIEG IN QUEBEC—Britain's Prime Minister Winston Churchill, left, greeted at Quebec by Canadian Premier W. L. Mackenzie King. Scene is in front of Chateau Frontenac where Prime Minister was entertained during his visit.

### BROTHERHOOD PROGRAM

The program committee composed of O. J. Russell, Austin Flint and Fred Grist, have arranged an interesting program for the Brotherhood for the First Baptist church Tuesday night, at which time Rev. Leslie W. Seymour, pastor of the First Methodist church, will be the guest speaker. Special music will be other features of the program.

### ALLIES PLAN ALL-OUT WAR AGAINST JAPS

QUEBEC, Que., Aug. 21.—Heavy naval and air attacks on Japan's fleet and major cities and an autumn offensive to recapture Burma, were believed today to be among the major military decisions reached between President Roosevelt, Prime Minister Churchill and their staff chiefs.

This did not mean there would be any relaxation of the Anglo-American effort in Europe, but it was becoming increasingly evident that the Pacific was near, if not at the top of the agenda at the Citadel where the President and Churchill are meeting.

Russian demands to the conference were believed to have decided that the situation in the Pacific is such that it will not permit an all-out concentration against the Germans in Europe to the entire exclusion of Japan.

### SOLDIER CRABB SAYS ISLANDS ARE BEAUTIFUL

Mrs. Travis D. Crabb of 300 W. Seventh street, has received word from her husband in New Guinea, in the Southwest Pacific, saying that the part of the country he has seen is a very beautiful country, and wished that all his friends might see it. He further stated that tobacco, cigarettes, tooth powder and food was plentiful. He also said that he was well.

Pfc. Crabb lived here four years prior to being drafted. He is 29 years of age.

### PHILADELPHIA BUTTERLESS

PHILADELPHIA, Aug. 21.—The shortage of butter and cheese reached its most acute stage today in Philadelphia Saturday, when not a single pound of either commodity was offered in the wholesale market.

### LAKE CISCO ATTRACTIONS

Sgt. "Chiz" Chizmadia of Camp Bowie will be present at Lake Cisco this afternoon to put on another diving exhibition, said Monroe Sweeney, manager of Lake Cisco Amusement company Saturday. He also said the pool has been cleaned and filled with fresh, pure water.

### ALLIES LAND ON KISKA BUT FIND NO JAPS

WASHINGTON, Aug. 21.—American and Canadian troops have occupied Kiska without opposition at that once strong Japanese seaplane and submarine base in the Aleutians.

In reporting this victory Saturday, the Navy said landings on the narrow beaches of the rocky island were made on Aug. 15 and "no Japanese were found."

Indications were, the Navy said, that the Japanese only recently had fled from their positions laboriously-built in the rocky terrain and along the beaches.

"Presumably," the Navy's communique said, "the heavy bombardments by our ships and planes that have been carried on for some time and the danger to their supply lines by our capture of Attu made the enemy positions on Kiska untenable."

Those bombardments, unreported in the last three weeks, were among the heaviest ever made on enemy positions in the Pacific.

**SWEATERS TIGHTER.**

WASHINGTON, Aug. 21.—Manufacturers today prepared to strip sweaters and bathing suits down to their bare essentials in compliance with a War Production Board order banning non-functional trim and frills and restricting styles and colors.

Also included in the order, which is intended to assure an adequate supply of knit outerwear for the duration, were headwear, mufflers and gloves.

Furbelows designed to embellish the feminine form—such as pleats, tuks, numerous pockets and big sleeves on sweaters and puffing, shirring sashes and lacing on bathing suits—will be eliminated.

Women's sweaters must now be made in one of seven basic models. Gone will be fly-front sweaters, double-breasted models and reversibles. Out are shoulder pads, twin sets, tassels and "pom-poms."

## CHINESE EXCLUSION.

Americans admire the Chinese, but our laws do not show it. Still on the statute books is the Chinese exclusion act, passed 60 years ago. Resented by the Chinese as an insult, it is constantly used by Japanese propagandists to split China from the United States.

Repeal of the exclusion act would be an extremely valuable war measure, as well as a Congressional Gosssett of Texas, author of a repeal bill. He would substitute admission by quota, which would limit the immigration to which Chinese object, but admit only 107 Chinese a year. This seems to answer the objection of the American Federation of Labor, which has just passed a resolution. Even if all of them worked 107 Chinese a year, it would not take much bread out of American workers' mouths.

The Gosssett bill is worth considering. It would deal a stunning blow to Japanese propagandists in China, and increase the friendship of a great people.

## BIBLE SCHOOL COMMENCEMENT SUNDAY NIGHT

The Vacation Bible school of the First Baptist church will have its closing exercises this evening at 8 p. m. at the hour of the evening worship service. The school is counted a success in every respect, said Pastor Cooper Waters. The enrollment was a little under that of former years, but in comparison with other similar schools over the state this summer, the enrollment of 124 pupils and faculty members, was exceedingly good. The average attendance for the two weeks was 89 per day, he continued.

At the exercises this evening a demonstration of the work that has been done by the pupils will

**Here's the news about GOOD YEAR TIRES for A, B and C drivers**

First, you must have your old tires recapped, if recappable, before buying other tires. Don't wait too long—it is too late to recap when the tread is worn into the fabric. Come here for GOODYEAR EXTRA-MILEAGE RECAPPING, a job you can trust. No ration certificate needed now.

**ATTENTION A DRIVERS!**  
 If your old tire cannot be recapped or repaired, see us for a really reliable USED TIRE (or recapped tire) ready to give you thousands more miles on the road.  
 Drivers must get ration board certificates before buying tires.

**B AND C DRIVERS!**  
 You can now buy Grade I tires—brand-new GOODYEAR Tires, first in public preference for more than a quarter-century (or Grade III tires, if desired). Limited stocks in some sizes, but we'll try to fill your need. Synthetic rubber tires are here, but few will be available to civilians for some months. We will have the finest synthetic tires, GOODYEAR'S.

**EXPERT TIRE SERVICE**

• Don't take chances—take care... Get our complete tire check-up TODAY. Have us correct air pressure, remove small stones, find and fix cuts and breaks before serious trouble starts. Have us check wheels and brakes, too. Let us keep your car rolling!

**FREE BATTERY SERVICE**

• Don't let your battery "go dead"! Have us check the charge, clean and grease cables and terminals, add distilled water if needed—all at no cost to you. Do it now!

**IT WILL PAY YOU**  
 to see us soon—and often. Come here for reliable service at reasonable cost. LOW COST... HIGH VALUE
