

THE CISCO DAILY PRESS

COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937

CISCO—1,614 ft. above sea; Lake Cisco—three miles long, 87 ft. deep at Williamson hollow concrete dam; fish hatchery; 127 blocks paving; A-1 high school; Junior college; natural gas, electric and ice plants; War Industries Training School for Women.

CISCO—One of the healthiest areas in U.S.A., with a countryside devoted to blooded cattle, hogs, sheep, peanuts, cotton, fruits, feeds, poultry, gas, oil; two railroads; Bankhead highway; huge concrete swimming pool.

VOLUME XXIV.

CISCO, TEXAS, FRIDAY, SEPTEMBER 10, 1943.

NUMBER 3.

ALLIED ATTACK ON BALKAN KINGDOM NEAR

LIEUT. MOORE IS AT HOME TO RECUPERATE

Lieut. Carl Tom Moore of the air forces, well known Cisco boy and son of Mrs. W. W. Moore, arrived in Cisco Wednesday night from Washington, D. C., where he has been under treatment for injuries received when his plane crashed into an Alaskan mountain, killing six of the occupants. Moore and his colonel were the only survivors.

When he has further recuperated and concluded his visit here, Moore will report back to Washington. While in Alaska the Ciscoan participated in the fighting off the Alaskan coast.

MARK M'GOUGH JAP PRISONER WRITES MOTHER

Mrs. Dee Peugh Cobb, who resides near Cisco, has just received the second communication from her son, Pvt. Rudie Mark Mc-Gough, 22, a prisoner of the Japs. It read:

"I am interned in the Philippine military prison camp and my health is good. I am not under treatment; I am well. Wishing all the best of health. Please give my best regards to all my friends. Love, MARK.

McGough was raised in Cisco and will be remembered by many of his schoolmates. He joined the service at the age of 19.

BROTHERHOOD TO ENTERTAIN WIVES TONIGHT

Men of East Cisco Baptist church Brotherhood will entertain their wives with a barbecue at Lake Cisco this evening. About 100 women are expected to participate, says Rev. Russell Dennis, pastor.

Mr. Dennis stated that every man in the church is expected to be present and bring his wife—if he has one. A good program has been arranged and Rev. Lee Fields of Carbon will be guest speaker. There will be cars at the church at 7:45 o'clock for those who do not have other means of conveyance.

Continuing, the pastor said: "The Brotherhood has made much progress this year and is one of the liveliest organizations of the church, made so by the capable leadership of our president, Shobal Houston, plus cooperation by the fine group of men who are consistently loyal to the church."

U. S. STEEL TO BUY 100 MILLION BONDS

DALLAS, Sept. 10.—The United States Steel Corporation and subsidiary companies will purchase United States of America securities amounting to \$100,000,000 during the Third War Loan Drive. The subscription will be allocated in various amounts for credit to the districts in the United States in which the corporation operates.

United States Steel Corporation and subsidiary companies purchased \$30,000,000 of securities in the Second War Loan Drive.

V. F. W. MEETING.

Cisco Post No. 3359, Veterans of Foreign Wars, will hold its regular meeting at Legion Hut at 3 o'clock Sunday afternoon. All members are urged to be present and a special invitation is extended to visiting members, says E. T. Personett, commander.

EXPULSION OF GERMANS HAS BEGUN

MOSCOW, Sept. 10.—Red armies surged forward toward the Ukrainian capital of Kiev on a 100-mile front today and in the Donets Basin swung south in a wide encircling maneuver designed to knock out Mariupol, new southern anchor of the Axis line.

The Army organ Red Star hailed the fast-breaking Soviet victories in an article asserting that the expulsion of the Germans from Russia had begun.

"For the first time," the article said, "We feel the beginning of the end. The Donets Basin is only a chapter.

"Kiev is now awaiting us and can already hear in the distance the cannonade that is bringing liberation."

SEPTEMBER BOND SALES.

Yesterday's Third War Loan bond sales at First National Bank, Cisco postoffice and Palace theater were as follows:

First National	\$4,012.50
Postoffice	487.50
Palace theater	175.00
Total	\$4,675.00
Previous sales	5,118.75
Grand total	\$9,793.75

The goal is \$145,000 for Cisco and its environs.

HONEST WOMAN FOUND PURSE; PHONED OWNER

Mrs. J. M. Boatman, who resides near Cisco, lost her purse Monday while shopping in Cisco. The purse contained \$122.73 and the lady inserted an advertisement in the classified section of the Daily Press offering a reward for its return.

Mrs. Irene Wooten of 307 E. Seventh street, a trusted employee of the Laguna Hotel for the past year, found the purse, read the advertisement and at once telephoned Mrs. Boatman, who rewarded the finder with twenty dollars. It was found in front of the school board office on D avenue.

Mrs. Wooten, by the way, has two sons in Uncle Sam's service, one of whom is at home now on a short furlough.

ASK HAVEN.

NEW YORK, Sept. 10.—A joint appeal to congress to enact legislation to permit Jews escaping from Hitler's Europe to enter the United States was issued today by members of the Democratic and Republican parties.

SIMPKINS PROMOTED.

Marshall Douglas Simpkins, grandson of Mrs. L. L. Huntington of Cisco, was promoted to the grade of private of the first class this week at Keesler Field, Biloxi, Miss., where he is now enrolled in Keesler's huge B-24 Liberator bomber mechanics school.

JAPS KILL WOUNDED.

CHICAGO, Sept. 10.—Wounded Japs at Attu were slain by their medical officers who then killed themselves when capture became imminent, two veterans of the battle declared here today.

CLOSE CALL—Prime Minister Churchill had a narrow escape in the blitz of October, 1940, when a bomb demolished the London Treasury building, above, only 50 yards from 10 Downing Street, where Churchill was eating dinner.

SOLDIERS SAY NICE THINGS ABOUT CISCO

Capt. S. J. Giovale and the men of Company B, 46th medical battalion, Camp Bowie, spent yesterday at Lake Cisco and were entertained with a dance at Laguna Hotel last night. The visitors had a fine time and were loud in praise of the attractions at the lake and the fine hospitality of Cisco folk.

Before departing for Camp Bowie, Captain Giovale made this statement: "This is the most cordial reception we have ever had and it is the wish of myself and all the men that we may be able to come back some time. Your swimming pool is the nicest I have ever seen."

EASTLAND CO. MEMBERS OBSERVER CORPS

By order of the commanding general of the III Fighter Command in recognition of faithful service, approximately 5,000 Texas citizens will be awarded gold wings for service in the U. S. Army Air Forces, Ground Observer Corps. This award will be made by the office of the regional commander, San Antonio Air Region, in behalf of the commanding general, to volunteer civilians who have faithfully served as ground observers in the network of Observation Posts reporting aircraft to the Army Air Forces. These men and women who served in this capacity have given their time and effort for the security of our shores and the safety of our homes. Their praises in official army circles run high, but they are little known to the public. They are doing a tremendous job and they are doing it well. These are the people who can say, "Although we cannot fight, we are doing our bit toward the defense of our nation."

Observers in Eastland county who will receive the award include, are:

Chief Observers
Mrs. Ray Judia, A. L. Gatis, A. J. Ratliff, Thomas E. Erwin, C. E. Carter, Mrs. Barton.

Observers
Ray Judia, Mrs. C. H. Tune, Mrs. Evelyn Bailey, John H. Shrauder, W. A. Leith, Vance Blausert, Joe L. Hull, Victor Grabowsky, Odie Brightwell, W. A. Saint, Mrs. Jimmie Heater, Mary-on Standbe, Cecil Carter, Jack Watkins, Mrs. C. E. Carter, Brice Webb, Mr. Barton.

HE'S TOO TALL—Towering 6 ft. 11 3/4 inches, John Laxton, a St. Louis mail clerk, is once again turned down because he's too tall to fight. Yeoman Joseph O'Connell, of the Coast Guard, shows he's 9 1/4 inches over the accepted height.

CRACK SHOT—General H. H. "Hap" Arnold, head of the U. S. Air Force, takes a crack at skeet shooting on the Bolling Field range in Washington, D. C. The General is using the 1,000,000th 12-gauge Winchester shotgun to be produced for the Army Air Service Forces.

LAE'S DAYS ARE FEW IN NUMBER

SOUTHWEST PACIFIC, Sept. 10.—Two Allied columns were approaching main Japanese defenses around Lae today, bringing up artillery on one flank to shell the bomb-wrecked New Guinea coastal base.

Australian forces moving from the east reached the wide, deep Busu river, which empties into Huon Gulf only four miles from Lae. Swampy jungles impeded their advance but they hauled up guns capable of shelling the enemy stronghold.

On the west, American paratroops and Australian air-borne artillery units had driven 12 miles through light enemy patrols and were hearing prepared Japanese positions around Heath's plantation, seven miles from Lae after passing through two native villages.

MacArthur's message said the steady air bombardment of Lae appeared to have reduced its inner fortifications "to practically ruins."

"Artillery is demolished, installations destroyed or disrupted and troops heavily punished," the communique said.

STATE MEDICAL BOARD WILL MEET

Dr. G. M. Stephenson, member of the state medical board, expects to leave early tomorrow to attend a meeting of the board at Austin. The session will be held at Driscoll Hotel and Dr. Stephenson will return home Monday.

This meeting is termed a "clean-up" session and will include the final signing of licenses of new practitioners and a review of past transactions of the body. A number of revocations of license will also be reviewed.

It is probably not generally known, but the state medical body maintains a small legal force and included in its duties is the work of checking up on physicians who have had their licenses revoked for violations of law. The lawyers report at the "clean-up" sessions.

WOMAN MAKES BITTER ATTACK ON WILLKIE

DENVER, Sept. 10.—A letter of protest today was mailed to all Republican national committee-men and women charging that "Wendell Willkie, in his cry for new internationalism, is decidedly not the man to lead the nation at a time like this."

The letter sent by Alma White, bishop of the Pillar of Fire, of Denver, characterized Willkie as a man without "sound moral principles," and "advocate of the liquor interests" and a believer in "filthy American motion pictures."

GOVERNOR WIRES FD.

OKLAHOMA CITY, Sept. 10.—An immediate increase in the price of crude oil, in order to provide an adequate oil reserve for prosecution of the war, was demanded today in a telegram sent to President Roosevelt by Governor Kerr.

LARGE BRITISH - US. INVASION ARMADA IS SAID TO BE MOVING ACROSS ADRIATIC TO ALBANIA

LA LINEA, Spain, Sept. 10.—Two light cruisers, two destroyers and two auxiliary aircraft carriers of the Italian navy arrived at Gibraltar today and surrendered to Allied forces.

LONDON, Sept. 10.—A large British-American invasion armada was reported moving today against the German-occupied Balkan kingdom of Albania, across the Adriatic Sea from Southern Italy, in what may be the opening thrust to drive the Nazis from Southeast Europe.

Dispatches from Chiasso, on the Swiss-Italian border, said that a great British-American convoy escorted by a squadron of warships had quit an Ionian Sea port and had begun moving toward Albania under cover of huge air forces. Reuter's also reported a large Allied convoy under way in the Ionian Sea.

Previously, a Reuter's dispatch quoting the Hungarian News Agency, said that German troops had already occupied Albania and the whole of the east Adriatic coast.

Both the Chiasso dispatch and the Swiss radio said an Allied landing was imminent.

Albania, a rugged, mountainous area bordering Greece and Yugo-Slavia, fell to Italian invasion forces in 1939 and King Zog was forced to flee his throne. He is now in England.

The kingdom was annexed by Italy as a part of the Italian empire and had been held in check by Italian occupation forces since the invasion.

German troops were reported Thursday to have moved into the Dalmatian area north of Albania and to have begun disarming all Italian occupation forces at that gateway to the Balkans and in the Balkans.

PROGRESS AT NAPLES EXCELLENT

NORTH AFRICA, Sept. 10.—Five heavy German counter-attacks have been smashed by the U. S. 5th Army at Naples and Allied bridgeheads on this section of the Italian mainland were firmly established today.

General Eisenhower issued a report that the 5th Army and its Allied supporting units had overcome stiff Nazi resistance, enabling the invasion operations to be carried out according to plan.

In addition to the new bridgeheads on the mainland, the Island of Ventotene, 50 miles due west of Naples, was occupied by Lt. Gen. Mark Clark's 5th Army.

"Progress is satisfactory and well abreast of the timetable," a statement said.

Near Salerno, due south of Naples, Allied troops made contact with units of the 16th German Panzer Division, last heard of at Stalingrad.

This division was part of Gen. Friedrich von Paulus' 6th Army which for months fought at Stalingrad and then made its escape just before Soviet troops smashed the remnants of a once great German detachment and captured the general himself.

CHILDREN CREMATED.

CLEVELAND, Sept. 10.—A two-year-old girl and her infant sister are dead as the result of a fire started when their four-year-old brother played with matches while their parents were out buying clothes for them. About 30 persons were routed by heavy smoke in the 22-room building which housed 62 people.

EISENHOWER OF TEXAS CHOICE SEN. CAPPER

WASHINGTON, Sept. 10.—Senator Capper, Kansas Republican, today endorsed General Eisenhower, Allied commander in North Africa, for president in 1944.

"The recent European campaign has proved that in General Eisenhower the nation has not only an able diplomatist and leader, but an able administrator," Capper said.

"The general would make an excellent man in the White House—either he or General MacArthur. I only hope that the war will have developed to such a stage that General Eisenhower's presence in Europe will not be required after next year."

ENGLISH CHANNEL SCENE OF GREAT DISPLAY

ABOARD MOTOR LAUNCH, English Channel, Sept. 9.—The biggest convoy since Dunkirk sailed through the English Channel, within the shadow of the French coast, for two hours in a pre-invasion practice session without drawing a shot from Hitler's so-called fortress.

The tempting target offered to German guns and bombs maneuvered under the protection of air fleets where only three years ago Britain was battling the Luftwaffe for its life.

Three thousand Allied planes, some aiding the convoy and some on bombing missions to the continent, filled the skies above the Channel unchallenged.

The convoy ranged from landing barges to 10,000-ton transports, taking part in one of the biggest amphibious exercises ever held in the Channel.

LANGUAGE

The language of the press is a very important factor in the success of any newspaper. It is the medium through which the news is conveyed to the public, and it is the responsibility of the newspaper to use this medium in a clear, concise, and accurate manner. The language should be simple and direct, avoiding unnecessary words and phrases. It should be written in a way that is easy to read and understand by the general public.

CREATNESS

Creativeness is a quality that is essential for success in any field. It is the ability to think outside the box and to come up with new and innovative ideas. Creativeness is not just for artists and writers; it is for everyone. It is the key to solving problems and finding new solutions. In the business world, creativeness is what sets a company apart from its competitors. It is what allows a company to stay ahead of the curve and to adapt to changing market conditions. Creativeness is a skill that can be learned and developed, and it is one that is highly valued in the modern world.

BETHEL

GREAT DAY

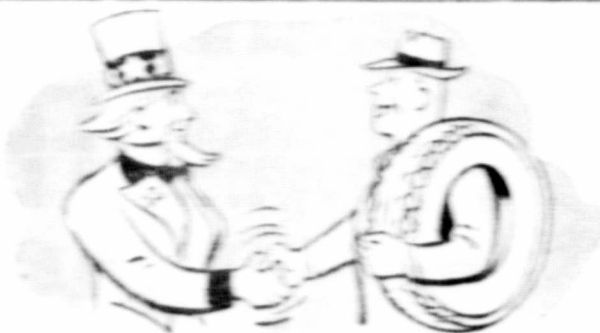

Today is a great day for everyone. It is a day of hope and optimism, a day when the sun is shining and the birds are singing. It is a day when we can all come together and celebrate the many achievements of our country. It is a day when we can look to the future with confidence and know that a better tomorrow is just around the corner. Today is a day to be proud of and to cherish. Let us all join together in a spirit of unity and love, and let us make the most of this great day.

SHOT BY FATHER—Wally Brown, left, who was later shot and killed by Sgt. Oswald, is shown here with his father, who was wounded by a bullet from the assassin's rifle, after he had been wounded by a bullet from the assassin's rifle.

CROSS PLAINS

The cross plains are a beautiful and scenic area, known for their rolling hills and lush greenery. They are a popular destination for hikers and nature lovers, offering a peaceful and serene environment. The cross plains are also home to a variety of wildlife, including deer, wild turkeys, and songbirds. The area is a true natural treasure, and it is well worth a visit for anyone who enjoys the outdoors.

BRING YOUR TIN CANS

TIN IS AN ESSENTIAL AGENT IN THE PROCESSING OF COPPER. 1,000 POUNDS OF SHREDDED TIN WILL RECOVER 1,500 POUNDS OF COPPER IN THE PROCESS.

Copper Is One of the Most Essential Metals in Our War Program

- SO.** The Cisco Lions club, cooperating with a national salvage program, is sponsoring the collection of all tin cans in and around Cisco.
- WHEN?** The campaign opens today and continues for the duration of the war. Begin now to save your cans.
- WHAT?** All tin cans up to five quart size. Those larger than that cannot be used in the shredding machines. Rusty cans are out. Few or many, bring what cans you have as fast as they accumulate.
- HOW?** Mash together the open end, or better still mash the whole can flat.
- WHERE?** Bring the cans and dump them on the pile at the corner of D Avenue and Tenth street. The Lions club has secured from the Cisco Lumber Company space for the pile.

Keep Bringing Your Tin Cans.

PRESBYTERIAN CIRCLE MET TUESDAY.

Presbyterian auxiliary circle met in the church Tuesday afternoon with Mrs. Homer Slicker presiding in the absence of Mrs. J. E. Caffrey, chairman. Routine business was transacted and there was discussion of work being done in renovating and decorating the church dining room and class rooms in the church basement.

Mrs. Gary L. Smith brought the Bible lesson from the Book of Acts, discussing the second missionary journey of the apostle Paul.

Those present were Mrs. J. E. Coleman, Mrs. E. P. Crawford, Mrs. B. S. Huey, Mrs. Leith Morris, Mrs. J. A. Jensen, Mrs. Gary L. Smith, Mrs. A. Sandhoefer, Mrs. Homer Slicker and Mrs. P. R. Warwick.

MERRY MAKERS CLUB SURPRISE PARTY.

The Merry Makers club gave a surprise birthday party for one of their members, Miss Faye Butler, Thursday afternoon from 3 to 5 o'clock. Games of various kinds enlivened the occasion and were directed by club members. Gifts were presented the honoree and refreshments were served.

Club members and friends present were: Misses Betty Turknett, Jeanette Turknett, Mary Faye Kinard, Norma Kinard, Peggy Ward, Mary McCrea, Dorothy Butler, Earl Lee Butler, Jim Swindle, Jackie Schaefer, Beth Swindle, Mary Nell Butler, Pat Page, Christine Sublett, Ruby Butler and Mrs. Lee.

MRS. G. M. STEPHENSON CIRCLE HOSTESS.

Mrs. G. M. Stephenson was hostess Tuesday afternoon at circle six of First Baptist women's missionary union. Mrs. F. B. Clappitt was in charge of the business session and officers were elected for the coming year. An all-day session with covered dish luncheon at noon was planned for the next meeting. The purpose of the meeting will be to sew for hospitals.

Officers elected were: Chairman, Mrs. F. B. Clappitt; vice

chairman, Mrs. W. W. Fewell; secretary-treasurer, Mrs. Charles Clark; Bible teacher, Mrs. J. C. Irwin.

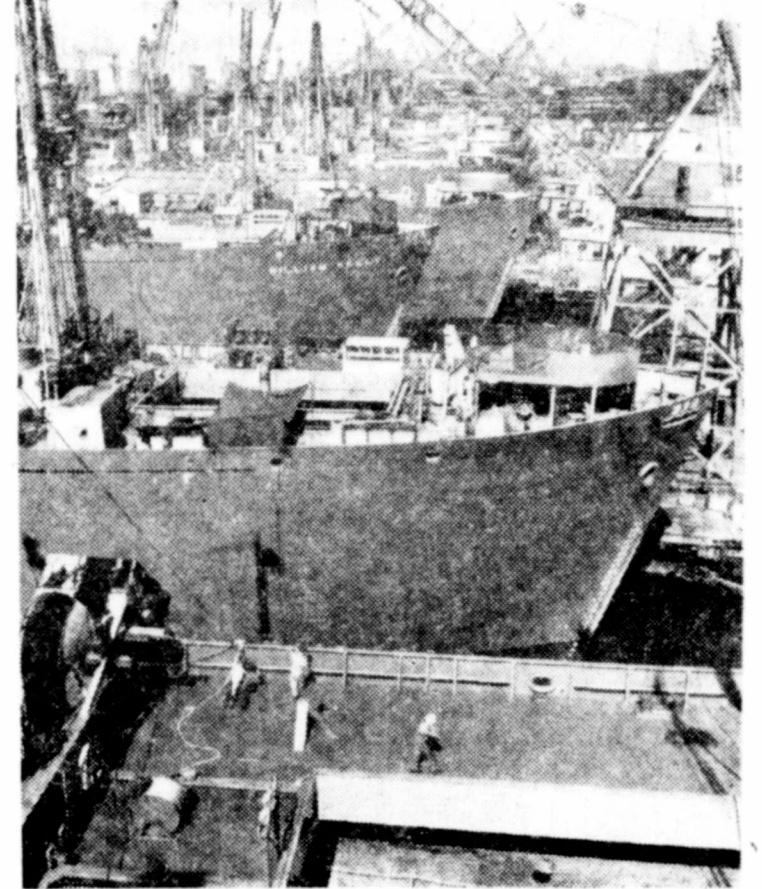

Mrs. J. C. Irwin taught an interesting Bible lesson from the old testament, after which the meeting closed with prayer.

Those present were Mrs. Cooper Waters, Mrs. D. E. Nix, Mrs. F. B. Clappitt, Mrs. D. L. Kiser, Mrs. J. C. Irwin, Mrs. J. H. Littleton, Mrs. G. M. Stephenson and two visitors, Mrs. Rhea D. Smith of Wichita Falls and Mrs. Watson of Cross Plains.

NEW AUXILIARY OFFICERS ELECTED.

The young women's auxiliary of First Baptist W.M.U. met Monday afternoon in the home of Mrs. Leon McPherson, sponsor. The meeting was opened by a devotional on "Talents" brought by Miss Dorothy Jean Anderson, followed with prayer by Miss Cathryn Shepard.

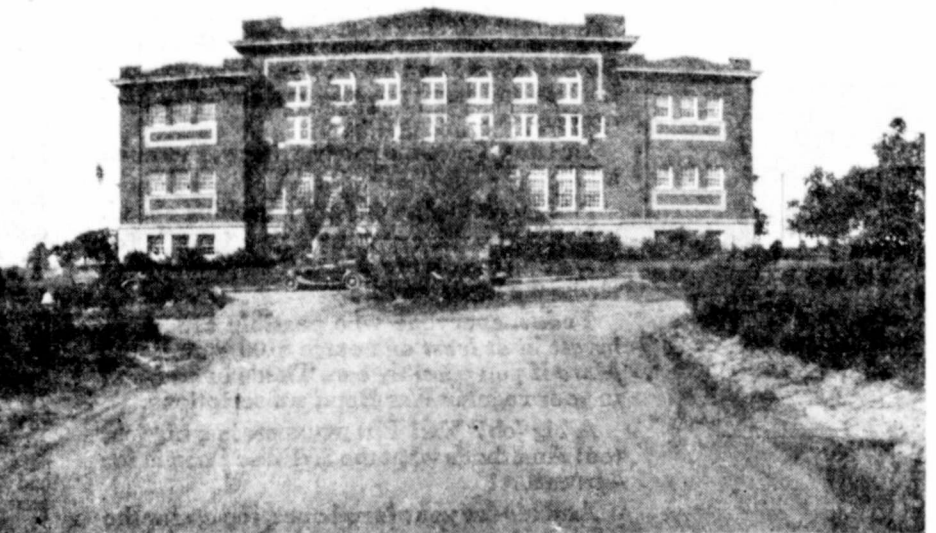

New officers were elected as follows: President, Jeanette Bur-

AXIS, TAKE NOTE—A new wartime record was set when these ten Liberty ships were launched in eleven days at the California Shipbuilding Corporation, Los Angeles. Such speed in shipbuilding is rapidly overcoming the U-boat menace. Normally the yard launches a ship every 36 hours.

NOTICE TO MOTORISTS

We Have PLENTY MECHANICS. We have been fortunate in securing the services of three new mechanics to add to our staff, which enables us to offer a more prompt and efficient mechanical service to our patrons.

The recent additions are Mr. Pete Clements, formerly with the Cisco War Training School; Mr. Walter Wright, formerly employed by Shobal Houston, and Mr. H. C. Ables, of Carbon. Old shop employes are Fred Hays, E. S. Townsend, Reed McKeen and Milton Cook. Mr. Alvin Wende, formerly with the U. S. Armed Forces, is parts room supervisor.

The fact that we still have the most needed parts, also aids in this service to you!

If your car is going to require some mechanical repair, or tuning for the winter, it would be well for you to have it done now while workmen and parts may be had. Every day you use the car that needs attention, serves to make the need for repair greater and the expense more.

See Us For Estimates A.-G. MOTOR CO. 515 D avenue. Phone 52.

Now YOUR PAINTER IS A MINUTE MAN

He uses LUMINAEL and ULTRA LUMINAEL, America's new Miracle Paint for Walls and Ceilings. More and more master painters are using and recommending these modern finishes for living rooms, bedrooms, dining rooms, and halls. LUMINAEL and ULTRA LUMINAEL go on easily with a big wide brush, cover most surfaces with one coat and dry in 40 minutes. Because of these features, your master painter gives you a better job quicker, and saves you money, too. One gallon of paste makes 1 1/2 gallons paint, ready to apply.

Ask Your Painter! LUMINAEL—One Coat Covers. ULTRA LUMINAEL—Two Coats. 2.50 2.95

BRIEFLY TOLD

WE CAN'T FAIL THEM NOW!

We have gone this far. We have sent our boys across the seas to take freedom to foreign lands. They are doing a good job of it. We must keep ammunition, food and other war supplies going across to them. Get into the 3rd War Loan Drive. Do it today — not later than tomorrow.
