## WORLD IS EAGER FOR DECISION OF BIG THREE

### MASONIC APPOINTMENT IS A NICE HONOR

The appointment of J. M. Witten of Cisco as grand senior steward of the Masonic Grand Lodge of Texas, which took place following the installation of Claud L. Austin as grand master at the one hundred eighth annual communication of that body in Waco, is a distinct honor to Mr. Witten and to Cisco Masonry.

So far as the Daily Press was able to learn, this is the first time a Ciscoan has been chosen as a grand lodge officer; in recent years at least.

Local Masons attending the Waco meeting included the following:

Grand lodge representatives—W. W. Fewell, W. M.; R. E. Grantham, S. W.; A. D. Byrd, J. W.; George T. LaMar, F. P. Yarger, G. R. Kilpatrick, Frank Leach, H. C. Cabaness, A. L. Clark, J. M. Witten and J. J. Callaway, the latter being a member of San Benito lodge.

Grand chapter representatives—W. J. Britain, H. P.; W. E. Dean, R. E. Grantham, J. M. Witten, George T. LaMar and F. P. Yarger.

### TRAVEL SCENES IN COLORS BE SHOWN TONIGHT

The young people of the Methodist church have invited Dr. D. Ball to meet with them in their afternoon church fellowship period tonight at 8:30 to show some of his picture films in kodachrome colors. The pictures were made by Dr. Ball himself in his travels in the Rocky Mountains and other scenic places.

This program is a part of a schedule being promoted by the recreation committee of the youth division, which will suggest various possible hobbies as well as afford a wholesome program of recreation. Dick Anderson is president of the youth organization. Lillian Ross Seymour is chairman of the recreation committee. Adult workers are Mrs. E. L. Hazelwood, Mrs. Wm. Childers, Mrs. A. D. Anderson, Mrs. L. W. Seymour, Miss Lela Latch and Joe Ed Hays.

### WACO THE WINNER.

The Waco-Breckenridge football game, which was played by the two high school teams at Waco Friday night, was a real battle from start to finish, with the final score being 13-13. Waco was declared the winner on 20-yard penetrations, six to two, according to interscholastic league rules. Waco secured 20 first downs and Breckenridge secured 11. Eight thousand people witnessed the event.

**IN CHARGE**—Rear Admiral Richmond Kelley Turner who conducted Admiral Halsey's Guadalcanal and New Georgia amphibious attacks is actively in charge of all amphibious operations in attack on Gilbert Islands.

### COMMUNITY CHEST DRIVE

Cisco Community Chest will make the annual drive for funds Tuesday of this week, says the executive committee, who have worked out plans for the drive to be completed as nearly as possible in one day.

J. W. Slaughter, chairman, says the solicitors will meet for breakfast at Laguna Hotel at 7:30 Tuesday morning, when each worker will be supplied with his list of prospects. Solicitors will work in teams of two and will go immediately from breakfast to see those assigned to them.

Enough workers have been secured that no team will have a very heavy list of prospects to be called on, says Mr. Slaughter. Of course, any unfinanced solicitation on Tuesday will be completed as rapidly as possible during the week.

Workers will report back to Mrs. R. B. Carswell at the chamber of commerce office as soon as they have finished their lists. Pledges may be made for the year beginning December 1, these to be payable monthly or quarterly; or those who desire may pay their entire amount in cash. The budget for the year is somewhat less than it was last year, a goal of approximately \$3,000 having been set.

Four agencies participate in the funds of the Community Chest, thus combining into one drive what would otherwise have to be four separate campaigns for funds. These agencies are: Boy Scout Council, City Welfare Board, Service Men's club and the high school Bible course.

Those who have been chosen to make the drive Tuesday are as follows:

O. L. Stamey, Arlia Bint, Tom Stark, H. A. Bible, C. M. Neville, A. D. Anderson, Mrs. J. B. Pratt, Mrs. Ralph Glenn, Mrs. Chas. Sandier, Mrs. K. N. Greer, Mrs. Bill Hogue, Mrs. Paul Woods, Mrs. W. W. Wallace, Mrs. J. R. Deen.

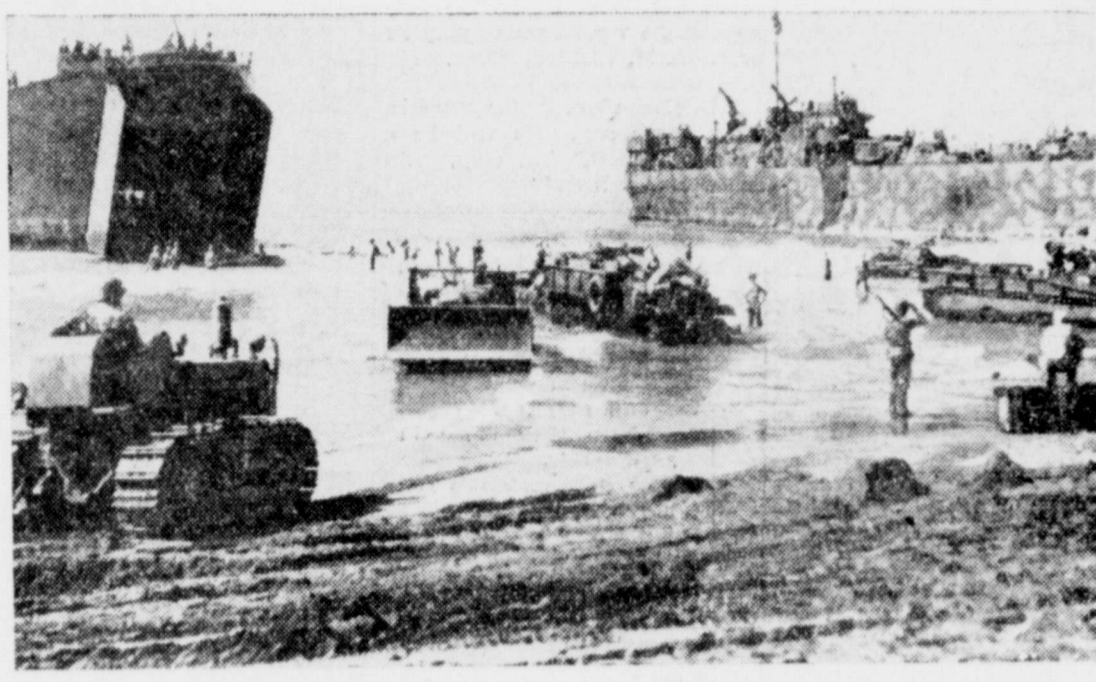

Harry Schmidt, Carter Belew, Norman Huston, Austin Flint, Joe Ed Hays, C. E. Hickman, Mrs. Edward Lee, Mrs. Bill Mitcham, Gary L. Smith, Ernest Hittson, E. P. Crawford, W. J. Foxworth, G. P. Mitcham, Sam Greer, Pete Nance, R. L. Ponsler, Mrs. J. L. Thornton, Mrs. Pete Nance.

Bill Huestis, J. B. Pratt, R. E. Grantham, R. W. McCauley, Mrs. A. D. Anderson, Mrs. James Moore, Homer Ferguson, Rev. Leslie Seymour, Geo. Boyd, Edward Lee, Chas. J. Kleiner, S. H. Nance, G. A. Eppler, W. C. McDaniell, W. W. Fewell, F. E. Shepard, E. T. Thomas, Rev. J. R. Wright, Mrs. Geo. P. Fee, Mrs. R. L. Ponsler, Mrs. Edgar Muller, Mrs. Jack Anderson, H. S. Drumwright, O. J. Russell.

**LOUISIANA VISITORS ENJOYING VACATION HERE**

Mr. and Mrs. F. L. Clappitt of Haynesville, La., are Cisco visitors, guests of their son and wife, Mr. and Mrs. F. B. Clappitt. They will be here through the holidays.

Mr. Clappitt was a former postoffice inspector and was in charge of the Fort Worth division until his retirement last January, after 40 years of continuous service. He has visited in Cisco frequently before and is enjoying his present visit to this familiar area.

### OPA PROMOTES FORMER CISCO MAN AT DALLAS

O. M. Stubblefield of Dallas, son of Mr. and Mrs. Henry Stubblefield of Cisco, has been named chief area rent attorney and district rent counsel for 34 counties in the Dallas sector. Mr. Stubblefield has been associate rent attorney and connected with the OPA rent control office in Dallas since Nov. 1, 1942.

### MISSIONARY INSTITUTE AT LOCAL CHURCH

A missionary institute and Christian education conference for the Cisco district of the Methodist church will be held at First Methodist church Tuesday, beginning at 10 a. m., and continuing until 3 p. m. Rev. W. H. Cole, district superintendent, will direct the program.

Special speaker for the day will be Rev. Floyd Johnson of Coleman, who will preach at the 11 o'clock hour. Other speakers and their subjects will be: Rev. J. A. Siceoff of DeLeon, who will talk on "Evangelism," Rev. J. D. Barron of Eastland, "Adults and World Service," Miss Lela Latch of Cisco, "Youth and World Service," Mrs. F. L. Drago of Eastland, "Children and World Service," Rev. Leslie Seymour of Cisco, "The Church After the War."

All who attend the meeting are to bring lunch to spread together at noon. Local ladies, under direction of Mrs. John Shertzer, will serve as hostesses, arranging for the tables and the drinks.

Mrs. W. H. Cole is calling a meeting of all the pastors' wives for the purpose of organizing a "Wives' Club."

**MAJ. BARNEY L. JOHNSON, JR.**, of Fort Worth, just back from the South Pacific area where he was for many months an air pilot with the U. S. forces, will address the Cisco Lions at Wednesday, and will later address the high school students at their chapel hour at 2 p. m.

The picture shows Major Johnson, only 23 years of age, as he looks at his wife, whom he had not seen in sixteen months, and his fifteen-month old baby, Linda Kay, whom he was seeing for the first time.

**WIN THE PEACE**—Residents of New York City's Greenwich Village stop at one of 150 polling places to vote in unofficial plebiscite, sponsored by American Free World Association on subject: Shall U. S. invite the United Nations to form now an international authority, backed by military force, to settle disputes between nations?

### GERMANY TO REFUSE ULTIMATUM

WASHINGTON, Dec. 4.—When Germany gets its ultimatum — any time now—don't look for acceptance. No one here expects it. Final touches are being put on plans for licking the Nazis the hard way. You'll not be told details, but it'll be a four-way pincer, plus pulverization by air. Significant note: Congress is quietly rushing through authorization for 2,500,000 tons of landing craft.

Capitol Hill buzzes with rumors of a rift between Roosevelt and Wallace. Report is they were not on speaking terms when the President left town. Speculation as to cause includes a guess that FDR told Wallace he couldn't have second place on '44 ticket.

Roosevelt plans fourth term. At least that's the impression visitors to Democratic National Chairman Walker get. But anti-fourth-termers spread the story that Kentucky's latest Republican sweep will change his mind. However pressure on FDR increases from pork barrel members of his own party as they see defeat ahead, without him.

State department has lost its "old retainer" look since Businessman Stettinius moved in. Negro messengers who used to sit at desks in the wide halls, eat lunches, read, between errands, have been moved out of sight on floors where top officials work and diplomats call.

Smith investigating committee of the house is expected to find War Labor Board guilty of exceeding its authority in prescribing maintenance-of-membership plans for unions during the war, but punitive congressional action is not in the cards.

### PARENTS AND VISITORS ENJOYED SOCIAL

Parents' and visitors' night at Cisco high school Thursday evening was voted a thoroughly satisfactory affair. About 350 people were present for a social gathering and were furnished an entertaining program, with refreshments for all following the visiting hour.

Parents and friends took the schedules of their children and met classes for ten-minute periods, where the teachers acquainted them with the subject matter of the courses, and at the same time created closer contacts of friendship and understanding of a mutual nature.

Supt. R. N. Cluck said that apparently it was a success, since many parents have especially mentioned that they enjoyed the program very much, expressing the hope that other similar programs may follow.

The entertainment feature was a military motion picture, showing war scenes and war measures of conserving foods and fats.

The home economics class served the refreshments.

### RECORD BONUSES.

AUSTIN, Dec. 4.—Record bonuses of \$3,643,600 were paid here at an auction of oil and gas leases on University of Texas lands. Previously the high was \$1,375,000. Besides the bonus, successful bidders pay royalties and rental fees to the university.

### TEHERAN CONFERENCE ENDS AND A "YIELD OR DIE" ULTIMATUM IS EXPECTED SOON

LONDON, Dec. 4.—President Roosevelt, Prime Minister Churchill and Premier Stalin were revealed today to have concluded a conference at Teheran at which they probably put the final stamp of approval on plans for an invasion of western Europe and the complete defeat of Germany early next year.

A communique was expected momentarily that will call upon Axis Europe to "yield or die" and proclaim Germany's postwar fate of broad terms that become increasingly stringent for every additional month she resists.

The communique probably will touch off an explosive crisis in the Balkans, perhaps leading to the early collapse of Hungary, Rumania and Bulgaria, and hasten Germany's doom.

First authentic details of the "Big Three" conference, about which the whole world has been speculating for nearly a month, were disclosed by the official Russian news agency Tass early today in a transmission over the Moscow Radio for Russian provincial newspapers. The Tass dispatch later was repeated in the Moscow home broadcasts.

The dispatch, consisting of only three paragraphs, said: "A few days ago, a conference of the three leaders of the Allied powers—President Roosevelt, Prime Minister Churchill and Premier Stalin—occurred at Teheran.

"Diplomatic and military representatives participated in the conference, at which problems of the warfare against Germany were discussed, as well as a series of political questions.

"Decisions were taken which will be published."

London sources believed military discussions were confined largely to formal approval of Anglo-American plans for an invasion of western Europe at the earliest possible moment in conjunction with an intensified Red Army drive from the east and possibly a thrust into the Balkans to speed their collapse.

There have been repeated rumors that the Allies were on the point of invading the Balkans from newly-captured ports on the southeastern coast of Italy, from Africa or from Cyprus with a possibility that Turkey may be drawn into the war under her mutual-assistance alliance with Britain to provide additional bases for the assault.

Nazi broadcasts have suggested that Gen. Bernard L. Montgomery, commander of Britain's Eighth Army, now in southern Italy, attended the conference.

However, most observers were convinced that political discussions dominated the Teheran conference.

Germany's Balkan satellites already were so shaky that a joint communique or proclamation by the "Big Three" calling on them to surrender to escape that full retribution that awaits Germany could be expected to have sudden and far-reaching effects.

Premier Stalin's journey to Teheran was but a short step, compared with the distances traveled by the British and American chiefs of state. The distance from London, by way of Gibraltar and Cairo, is 4,550 miles; from Washington, by way of Natal, Dakar and Cairo, it is 10,500 air miles; from Moscow, by air, it is only 1,610. And from the Caspian Sea, which forms part of Iran's border with the Soviet Union, Teheran is only 70 miles south.

For many months Teheran and Iran have been the site of much Allied activity. Russians, Britons and Americans have worked together there to see that military supplies got through to Russia.

### CISCOANS AT VERNON.

Monroe Sweeney officiated in the Vernon-Pampa football game at Vernon Friday afternoon. Vernon won, 20 to 7. One of the largest crowds in Vernon football history witnessed the game, approximately 12,000 people being present, Mr. Sweeney said. He was accompanied on the trip by Carter Belew and Oscar Stutenroth.

### DIZZY DEAN IS HERE.

Jerome Dean of Dallas, former nationally known baseball pitcher and known to millions of Americans as "Dizzy" Dean, is a Cisco visitor, the guest of W. E. Dean of this city, who is also known to his friends as "Dizzy" Dean. The celebrated visitor is accompanied by Raymond Castleman, who also resides in Dallas.

## RETRIBUTION.

Fire from heaven fell upon the wicked cities of Sodom and Gomorrah and consumed them. Their very sites were obliterated and their tale was left as a warning to the wicked while the world should last.

Fire falls likewise now, in these stormy latter days, upon the mighty capital of the nation which launched this present war. Here is a man-made deluge of flame and smoke and thunder such as the world never saw before, except perhaps in the volcanic destruction of Pompeii and Herculaneum.

We cannot grasp the basic realities of such catastrophes. But surely it does seem, to the decent people who are a majority of mankind, that the bombardment of Berlin, and the immense devastation resulting, though wrought with human hands, represent a judgment of God upon a nation and a city for the enormous wickedness they have practiced.

A thousand texts could be found in the Bible, to point this moral. As man or nation soweth, that they shall also reap.

## THE NEXT PERIL.

A greater peril than war may confront the world after peace is made. It is pestilence.

Surgeon-General Thomas Parran fears this outcome from the return home of 21,000,000 refugees. This will be the greatest migration in history, and will threaten starvation and disease of all kinds.

"I don't see how we can prevent it," says General Parran. "Almost every displaced person is going to try to get home. Of course, you can't build barriers across the roads and railroads. They'd only walk across the fields."

To anticipate the danger is to do much to avoid it. Such migration can be supervised and helped. That is only one of the many jobs that await the United Nations after the war.

## AID TO RUSSIA.

The Russian victories are part American. Lend-lease shipments have contributed heavily. By the end of September, according to Leo Crowley, able foreign economic administrator, munitions and other supplies sent to Russia amounted to \$3,287,047,000. They included 6,500 planes, more than 3,000 tanks, 125,000 submachine guns, 145,000 trucks, 25,000 jeeps, field telephones and telephone wire in the hundreds of thousands and more than 1,000,000 tons of steel.

Without such a vast mass of materials the Russian drive would have been much slower, perhaps halted altogether. Recognition of this undoubtedly made Stalin far more willing to join in the agreement at Moscow.

RECENT BRIDE WAS HONORED WITH SHOWER.

A shower in the home of Mrs. Ruth Parmer Monday night honored Mrs. James A. Sharp, daughter of Rev. and Mrs. R. L. Jones, whose marriage to Corp. J. A. Sharp took place recently. Mrs. Cy Chance and Mrs. S. L. Cook assisted Mrs. Parmer in entertaining.

The decorations carried a Christmas motif and the lace covered table held a centerpiece depicting a snow scene, with a miniature bride and groom standing in a room before an open fireplace. Lighted Christmas candles encircled the centerpiece. Mrs. W. V. Tickner presided at the bride's book.

After guests were seated a program of Christmas carols, sung by the young people, was held, following which Miss Octavia Jones was presented in a Christmas reading. Gifts were presented by Dale Cook, dressed as a tiny Santa Claus, who came in pulling a red wagon loaded with gifts, while a guest played "Jingle Bells." He took the wagon of gift packages and placed them at the feet of the honoree. After inspection of gifts, refreshments of hot chocolate and cookies were passed. Favors were tiny baskets of candy.

The guest list included Mrs. J. A. Sharp, Jr., and Mr. and Mrs. James A. Sharp of Breckenridge; Mrs. R. L. Jones, Miss Octavia Jones, Mr. and Mrs. Grover Cleveland, George Cleveland, Mr. and Mrs. H. R. Bridges, Miss Betty Jane Parmer, Mr. and Mrs. J. J. Repair or Replace Old Roofs Before Bad Weather Sets In!

IF your roof needs repairing or replacing, better have it done before bad weather sets in. One leak can cause a lot of damage—frequently far more than the cost of repairs.

Should a new roof be needed, let us give you a free estimate on Carey Shingles or Roll Roofings. We carry a wide variety, so you can choose the type best adapted to your needs. Backed by 60 years of experience, Carey Roofs cost no more, and frequently less, than untested materials. That's why we sell them.
