### SEGT. BOHANON KILLED IN ITALY, FEB. 14

Mrs. Leonard Bohanon, daughter of Rev. and Mrs. C. S. Moad, was notified by the war department this morning of the death of her husband, Sgt. Leonard C. Bohanon, who was killed in action February 14, somewhere between Rome, Italy.

Sergeant Bohanon was a native of Texas, 25 years of age and a member of Company A, 180th Infantry, 43rd Division.

The young man landed in Sicily July 10, 1943, participated in the invasion of that country and was wounded. After a month in hospital he rejoined his command.

He was united in marriage to Miss Uvia Moad in October, 1941, in Cisco, and is survived by his wife and their 17-month-old daughter, who have been making their home with her parents since he joined the colors. His parents live at Gilbert, Ariz., and other immediate survivors are a sister and two brothers, both of the brothers being in the service.

Mr. and Mrs. Bohanon resided in Cisco for a year following their marriage, but were living at Phoenix, Ariz., when he was called by his country. He was a most exemplary young man and was held in high esteem by all who knew him.

### POE FUNERAL SATURDAY AFTERNOON, 1:30

The funeral of Mrs. R. L. Poe, who died Tuesday morning at her home here and whose body has been held at Green funeral home pending arrival of a granddaughter, will be held at 1:30 o'clock Saturday afternoon at the funeral home, conducted by Rev. Mr. Shackman of DeLeon. Burial will be in Pleasant Hill cemetery, 10 miles south of Cisco, at 3 o'clock, following a second funeral service at Pleasant Hill Baptist Church.

Mrs. Poe, widow of the late well known R. L. Poe, was born in Arkansas and was 74 years of age. Immediate relatives surviving her are a daughter, Mrs. L. W. Tucker, a granddaughter, Mrs. Dorothy Peters, both of Cisco, and a grandson, R. L. Tucker of the army corps and now overseas. A brother, Ben Hines, lives in Arkansas, and there are two sisters, Mrs. Sarah Lucas of Cisco and Mrs. Willie Williams of Sylveston, Tex.

**LEADS BURMA PUSH**—Commanding first American infantry combat force to fight Japs on Asiatic mainland, Brig. Gen. Frank Merrill, has been right-hand man to Lt. Gen. Stilwell since 1942. Infantrymen under him, known as Merrill's Marauders, are tough, hardened group of experts in jungle war who volunteered for job.

### RED CROSS FUND NOW \$18,887

Mrs. Joseph M. Perkins, Red Cross county chapter chairman, announced today that Eastland county has exceeded its Red Cross war fund quota by \$887.45, with more to come in. The county quota was \$18,000.

In this connection Homer Smith of Eastland, county war fund chairman, expresses his appreciation to all workers who helped in making the county quota. Mr. Smith said that if any counties have been overlooked, such party can send his contribution to the Red Cross chapter office in Eastland or to him.

Cisco is still short approximately \$130 of its \$4,500 quota, said Mrs. George P. Fee, local chairman, today. However, some contributions have not been turned in to N. C. Huston, treasurer, and the quota may yet be reached.

Contributions from the larger towns of the county are as follows: Eastland, \$4,610.85; Ranger, \$4,539.31; Cisco, \$4,370; Gorman, \$2,143.56; Rising Star, \$369.75; Carbon, \$357.35; Olden, \$259.50; Abilene, \$220.64; Pioneer, \$150; Flatwood, \$130.69; Scranton, \$104.20; Leon, \$100.

### MRS. CRAWFORD SPOKE TO THE LIONS CLUB

A full program occupied the Lions at their luncheon Wednesday when President R. W. McCauley resigned his office to enter the United States navy, resulting in the choice of L. W. Seymour to serve out the unexpired term. McCauley was presented with a going-away bag and a past president's pin as a tribute by club members. George Atkins was introduced as a Lion cub.

Mrs. J. E. Crawford was presented as guest speaker by A. R. Westfall. Other guests and visitors were Rex Pollard, James E. Harvey, Rev. O. L. Savage, W. W. Fewell, N. R. Cutler and Kenneth Watkins.

Following his resignation and the presentation, President McCauley made a short talk in appreciation of the privilege of serving the club for almost one year, and the gifts from the club. Mrs. Crawford was then introduced.

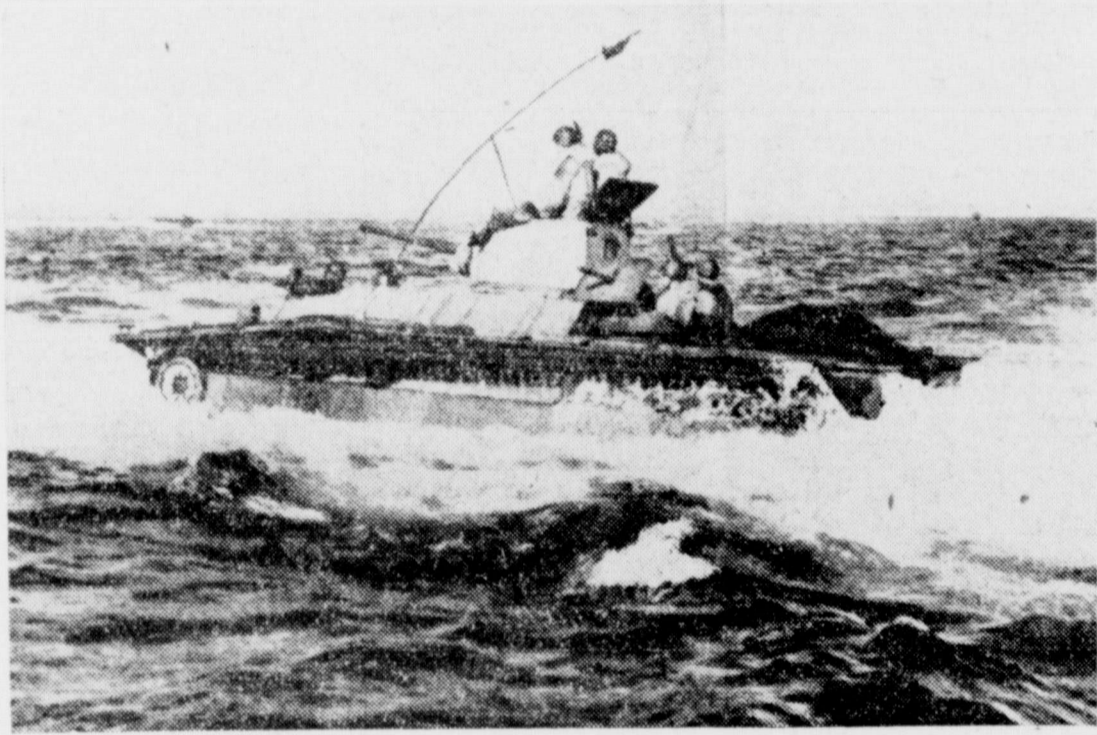

The speaker took as her subject "Rebuilding the Temple," and read from Nehemiah regarding the rebuilding of the holy temple which had been allowed to fall into disrepair. Despite the fact that enemies of the great leader opposed his work, the power of God sustained him because he was fearless and a good leader. Man's body and his organizations in community work are the temple and he should be diligent in keeping these temples in active working order, doing the things that his mind shows him he should do, Mrs. Crawford said. She ended her interesting talk by quoting from a poem on conversion, highlights of which were, "I am glad, God, I met you today; I wish I had met you sooner; I am not afraid."

Pollard, Cutler, Harvey, Savage, Watkins and Fewell each spoke a few words in response to recognitions.

**DRAFT BOARDS TIGHTEN.** WASHINGTON, March 16.—The nation's 6400 draft boards were faced today with the need of stepping up the draft of fathers and of reclassifying one out of every 20 men now deferred for farm and war work to meet military manpower requirements by July 1.

SHADES OF THE BLITZ—Again anxious about their people after Nazi air raids, King George and Queen Elizabeth tour bombed areas. Here, they talk to worker who digs for victims.

BUFFALO JOINS UP—Making its bow, Navy's new Water Buffalo LVT (A1), plows through choppy sea for testing. Photo of amphibious tank, already proving worth in Pacific, has just been released. New "Buffalo" features turret-mounted 37mm. cannon, lower silhouette, and two 50-caliber machine guns.

SOMETHING OF A LEGEND—That's what War Department says about T/Sgt. Charles Kelly awarded Congressional Medal of Honor for killing 40 Nazis in 70 days in Italy. He neutralized enemy machine gun position, spied on Germans, held off Nazis from ammunition storehouse and defended it by himself to let buddies withdraw.

#### TECH PRESIDENT RESIGNS.

LUBBOCK, March 16.—Clifford Jones, president of Texas Technological College, Lubbock, since 1938, has resigned as of June 1, because of ill health. The board reluctantly accepted the resignation yesterday at a meeting held in Fort Worth. Jones served as board chairman for 11 years before becoming president. Texas Tech was created by legislative act in 1923 and Mr. Jones' only predecessors as president were P. W. Horn and Bedford Knapp, both of whom died in office.

#### ROOSEVELT DIVORCE SUIT.

FT. WORTH, March 16.—Mrs. Ruth Googins Roosevelt, wife of Col. Elliott Roosevelt and daughter-in-law of President Roosevelt, today filed suit for divorce in district court here. Waivers of consent will be sent to Elliott Roosevelt's APO address in Europe, Mrs. Roosevelt's attorney stated. The couple have three children, all boys, 9, 7 and 2 years of age. They were married in 1933, five days after Elliott Roosevelt had obtained a divorce from a former wife.

### IVIE THINKS STAND OF GOVERNOR CORRECT

W. R. Ivie, Cisco carpenter and minister, called at the Press office this morning to see the picture of his son, Staff Sgt. Marvin L. Ivie, an aerial gunner and lately in training at Harvard, Neb., as told in yesterday's Press. Mr. Ivie said a letter just received from his son stated he was being transferred from Nebraska and that letters should now be addressed to him care of the postmaster at New York.

Mr. Ivie has two other sons in the service—Marshall Ivie, 24, is an airplane mechanic at Brooks Field, San Antonio, and Corp. Wilbourne Ivie, 19, is an airplane mechanic in training at Dodge City, Kan.

Asked what he thought about the much-discussed question of letting down state legal bars in order to permit overseas soldiers to vote, Mr. Ivie said he agreed thoroughly with Gov. Coke Stevenson—that it was a very trivial matter as compared to the almost innumerable and more important problems arising daily; that the soldiers are fighting to re-establish and maintain law and order and that setting the Constitution aside at the suggestion of professional politicians would be mockery and utterly contrary to our war aims.

### RANCH DAY A RIPROARING EVENT

Rip-roaring events filled the program of Ranch Day at Cisco Junior college today, terminating in a special program presented by faculty and student body at the high school at 2 p. m.

At the college, games of sack races, hobble races, rope jumping, square dances and music preceded the big chuck wagon lunch prepared by Mrs. Minnie Hill, Mrs. Jimmie Allen and Miss Mamie Estes, teachers of the college. The menu consisted of barbecued pork ribs, beans, potato salad, pickles, coffee and buns.

In the parade Cathryn Shepard was adjudged the most typical cow girl and Norma Jean Maynard of Eastland was acclaimed the best-dressed cow girl, while Burl Nichols took first place as typical cowboy and Joe Mayo was hailed as the best-dressed cowboy.

Music was furnished by Ernest Hittson, Travis Parmer and Ray Jedia on violin, bass violin and piano, with Mrs. Ben Krauskopf in accordion solos.

Special songs of the range and recitations and pantomime numbers were a part of the program at the high school, where entertaining features of the college program were presented this afternoon.

Carlos J. Turner was range boss, with Veda Ramsower as announcer. Darwin Graves called the figures for the square dance. The student body and faculty members wore ranch regalia. Sons of the teachers were incarcerated in the Lions Jail, which was borrowed for the occasion.

### ARMY TRANSPORTS DOWNED BY MISTAKE

SAN FRANCISCO, March 16.—Twenty U. S. army transport planes were shot down by Allied anti-aircraft fire when the came within range immediately after a German bombing attack in Sicily, Sgt. Jack Joisse, correspondent for Stars and Stripes, has disclosed.

Addressing the Commonwealth Club here yesterday in an Army-approved speech, Joisse said the Sicilian invasion was as "near a perfect campaign as could wish for" but for the "unfortunate incident."

"Twenty C-47 transports with 18 men each, following in the wake of German bombers were knocked down by Allied gunfire," Joisse said.

**LADY SHERIFF**—Widow of J. Lon Jordan, one of southwest's most widely known peace officers, Mrs. Jewell Jordan is shown after her appointment as Sheriff of Maricopa County, Arizona, post left open by husband's death.

### ALLIED FORCES ARE SLOWLY CRUSHING A FANATICAL AND FUTILE EFFORT TO BLOCK WAY

NAPLES, March 16.—A savage battle raged through the blackened ruins of Cassino today and official reports said Allied tanks, infantrymen and artillery were slowly crushing a fanatical band of German gunners who crept back last night to defend the bomb and shell-torn wreckage of their mountain stronghold.

As the Allied armor closed in for the kill, fierce fighting exploded on the Anzio beachhead 40 miles to the north where American shock troops lashed out in a sudden attack south-east of Aprilia. The German beachhead lines swayed perilously under the fury of the American assault.

On both fronts, the Germans were battling desperately to prevent an Allied breakthrough that might collapse their defensive structure in southern Italy and lay open the invasion roads to Rome.

Beaten into rubble yesterday by the greatest aerial and artillery bombardment in history, Cassino remained a battleground today and all reports indicated that the Germans had rushed in strong reinforcements to defend its ruins to the death.

German infantrymen and mortar crews swarmed back into the twisted heaps that remained of the ancient stone town and fought back stoutly under a merciless rain of shell-fire and from the surrounding hills and the raking blasts of the attacking Allied armored forces.

Front reports said the Allied tanks and assault troops were forcing the Germans slowly out of the town, with sappers working frantically to clear away the wreckage that blocked their path.

Heavy rains which began at 9 p. m. yesterday continued through the night and added to the difficulties of the attacking Allied troops.

The Germans, apparently reinforced by fresh units rushed into the battle during the night, fought back viciously with gunfire, and grenades and their "screaming meemies"—multi-barreled trench mortars.

While the battle raged inside the ruins of Cassino under clearing skies, other Allied forces pushed forward into the hills to the northwest, threatening to cut off the Germans in the town.

MOSCOW, March 16.—Russian mobile forces swept through a 62-mile break in the Bug river line today to within less than 28 miles of the Dniester, in a drive which sealed the fate of Vinnitsa and opened the way for a southward push against Odessa.

Any hope the Nazis may have for an effective stand along the Bug, the last natural defense barrier in the Ukraine, was shattered by Marshal Ivan S. Konev's smash across the river.

German resistance melted under the relentless blows of the stampeding Russians. The Nazis strove in vain to break off contact with the Soviet vanguard in order to gain breathing space for the next stand, expected to be undertaken along the Dniester.

To the southeast, other Russian units were closing in on Nikolaev, last major German-held Black Sea port east of Odessa, which was believed untenable as a result of the trapping of several Nazi divisions to the east.

A German communique acknowledged continued Nazi retreat—which it screened with the propaganda language of "disengaging movements"—on both sides of the Ingul river, which runs southward through Nikolaev, and west of Kirovograd.

Front dispatches said the Germans "suffered a heavy defeat" at the hands of Konev's men who forced the Bug. They reported that the Soviets struck across the river without waiting for the complete liquidation of German resistance on the east bank.

As the Soviet armed forces swept toward Rumania, the army organ Red Star published a bristling attack on "Rumanian brigands" for alleged atrocities against the Russians, charging that they were carried out by order of the Rumanian supreme command.

The same lot of slave labor, hunger and disease said to be taking off hundreds of Russian prisoners working in Rumania, was imposed by the Rumanians on Allied airmen who fell into Rumanian hands after the bombing of Ploesti oil fields, the official journal said.

After forcing the Bug, the second Ukrainian army raced on another 20 miles to the approaches of the Dniester.

### BUILDING OF LOCKER PLANT HAS STARTED

All material for the frozen foods locker plant has been bought and construction has begun, said H. H. Tompkins this afternoon. The foundation is ready for pouring of concrete, he said, and

with suitable building weather the plant will be in operation within 60 to 70 days. He added that all plant equipment has been purchased and is in transit.

HARLINGEN.—An attempt to retrieve a head of cabbage which had fallen between a truck and a trailer, cost the life of 9-year-old James Ezra Dugan when the truck suddenly started, pulling the trailer over the body of the youth.

PROPAGANDA AT THE FRONT.

Representatives of A. F. of L. and C. I. O. have been complaining to the war department of alleged anti-labor propaganda fed to service men, and asking for cooperation to prevent it.

Very likely there has been "misinformation" filtering in one way and another from the civilian front into the military front. And often facts get somewhat distorted in circulation.

There is yet much room for improvement, however. And it has to be remembered that men fighting for their own lives and their country's, amid danger and hardship in foreign lands, may easily be embittered by stories from home which in comparison suggest ease and prosperity.

Well-paid workers will do well to sing low and manage somehow to show their gratitude for the comrades fighting for them at the front, in blood and mud.

WHAT'S COMING?

How long will the United States last? Not longer than 7,000 A. D., says Dr. William J. Humphreys, retired meteorological physicist of the weather bureau at Washington, in an interview.

For 50 years, says Dr. Humphreys, the weather has been getting warmer. This means that the world is emerging from an ice age.

Nor will the coast cities be any better off. The melting of the world's ice will bring an average rise of 150 feet in the ocean level, and a flooding of great coast areas.

Nothing can be done about it, in the opinion of the cheerful Dr. Humphreys. The one ray of hope is that he expects all this to proceed slowly and reach its climax 5,000 years from now.

TREES.

Spring is here and planting time. "Who plants a tree plants a hope." And not only hope, but many another fine quality.

In the process, it may be well to learn how trees should be handled. It doesn't do just to get a tree and stick it in and cover the roots and call it a day.

**MRS. D. M. CARR HOSTESS TO CIRCLE.**  
 Circle two of First Methodist WSCS met Tuesday afternoon in the home of the chairman, Mrs. D. M. Carr. The meeting opened with the Lord's prayer, spoken in unison. Mrs. B. J. Osborn brought an interesting devotional from Philippians, chapter two, the verse five. Mrs. Fred Hayes read

an article, "In Our Mining Areas." Mrs. C. A. Shockey gave highlights from the WSCS news bulletin. The meeting closed with prayer by Mrs. M. A. McGill.  
 A short business session was conducted by Mrs. Carr, during which 26 sick visits were reported; three pot plants and a tray of food were given to sick members by the circle.  
 Refreshments of devil's food cake and ice cream were served from the dining table which was gaily decorated in green and white, emphasizing a St. Patrick motif.  
 Those present were Mrs. J. W. Slaughter, Mrs. J. T. Fields, Mrs. Fred Hayes, Mrs. C. A. Shockey, Mrs. M. A. McGill, Mrs. C. E. Hailey, Mrs. B. J. Osborn, Mrs. John Penn, Frances and Glenn Carr, Kay Hailey and the hostess, Mrs. Carr.  
**SHOWER HONORED YOUNG COUPLE.**  
 Mrs. G. W. Wilcox, Jr., was hostess Monday when a miscellaneous shower was held in her home for her sister-in-law and husband, Mr. and Mrs. Derwin Hones, newly weds. Guests were met by the hostess and presented to the honorees. After the visitors had been seated, a large ar-

ray of gift packages were opened and inspected. Conversation entertained the group for an hour and refreshment plates of open-face sandwiches, mints and wedding cake with coffee were passed by Mrs. G. W. Wilcox, Sr., Mrs. J. J. Hones and the hostess. Plate favors were dainty bags of rice.  
 Those present were Mr. and Mrs. Derwin Hones, Mrs. J. J. Hones, Mrs. G. W. Wilcox, Sr., Mrs. W. B. Wilcox, Mrs. W. C. Clements, Mrs. W. A. Evans, Mrs. D. D. Lewis, Mrs. D. L. Isbell, Mrs. Jack Whitehead, Mrs. C. M.

Britain, Mrs. G. R. Brogdon, Mrs. Wm. Isenbower, Mrs. E. E. Evans, Mrs. John Massey, Mrs. F. C. Cheshire, Mrs. Jimmie Allen, Mrs. Reba Gorman, Moses Patsy Osborn, Geraldine Hones, Betty Rowe Wilcox, Jean Longolis, Mary Lois and Helen Hay.  
 Those sending gifts who could not attend were Mrs. Robert Jones and Miss Estelle Simmons, Eastland, Mrs. F. H. Elliott, Mrs. W. J. Jessen, Miss Nell Carmichael, Mrs. Lora Hones, Mrs. Yancey McCrea, Mrs. J. R. Barnett, Miss Patsy Lois McCrea and Mrs. M. W. Robbins.

*"I'm sticking to MY JOB!"*

**THIS** boy—and many thousands of his fighting buddies have seen action! They were in North Africa, and after successful operation moved on to Italy. When Mussolini finally got his due they became part of our great strength in invasion forces. They've done their job in Germany—and no one could be happier or prouder than they.  
**BUT** also, no one knows better than they do, the price of Victory. And so those who have survived, and are fit—are now being shifted in the direction of Japan.  
**BECAUSE** the war is far from over! The final third of the Axis is still a tough enemy. And our boys are sticking by their guns—and by their jobs.  
**SO** though we take pride in our Victory in Europe: though happiness fills our hearts—let us too "stick by our guns" and our jobs—intensifying our war effort, rather than diminishing it: and putting all we can in the War Bond purchases that will shorten the battle — and save our loved ones' lives.
