HOLLANDIA AIR BASE IN RUINS

"Political Opinion By a Politically-Packed Court."--C. E. Simons

AUSTIN, April 5.—State officials and other leading Democrats are groping for some way of continuing party primary elections exclusively to white voters, but so far have made little progress in the Babel of suggestions.

Gov. Coke Stevenson declared that strong public sentiment will do it and that Negroes would remain out of white primaries when they understand the situation.

Lieut. Gov. John Lee Smith held a contrary opinion and authorized a formal statement in which he insisted that only the legislature in special session can prevent the Negro from voting in white primaries by repealing the entire primary election code and leaving to each party organization the authority and power to adopt its own rules in naming candidates.

"If this is not done," said Smith, "it resolves itself down to this: The soldier can't vote, the Negro can't."

Smith had vigorously favored a special session to accord soldier voting without poll tax, but nothing came of it. Now he calls for a special session as the one method of keeping the Democratic primaries white. His authorized statement follows:

"I have just completed reading the text of the Supreme Court's decision in the white man's primary case. With one fell stroke, white control of the Democratic party in the South has been imperiled to a greater extent than at any time since Lee surrendered at Appomattox. It has brought the threat of disunity into our midst in a time of war. It will stir the smoldering flames of racial hate, and make opportune the return of carpetbagism with its stink of corruption.

"The legislature should be assembled forthwith to enact appropriate legislation to deal with the monstrous threat to our peace and security. This may be done as follows:

"Repeal of all statutes regulating primary elections and empowering the state executive committee of each party with full powers to formulate rules and regulations governing methods of choosing candidates, the conduct of primaries, conventions, admission to party membership, qualifications for voting, contests of elections etc. Because of these regulatory statutes in our present law the Supreme Court held party primaries to be state elections. The repeal of such laws takes away the application of the decisions to party primaries.

"It is imperative that we act speedily and resolutely in order to avoid a return to the vicious tyranny suffered by the South so long in the days of reconstruction. If ever a political decision was handed down by the Supreme Court of the United States, this is that decision. It apparently is designed to throw the control of the Democratic party in the South into the hands of a coalition of the bureaucrats and their satellites and the Negroes."

Governor Stevenson, who is not inclined to call special sessions, expressed the opinion that such a session could not amend the election laws to lift the white Democrats out of their dilemma. Thus, unless he changes his mind none will be called, but the state committee is yet to meet to canvass the situation in an all-out effort to save the situation and it could recommend immediate legislation.

Stevenson believes that the opinion covers all primary elections or any election resulting in the selection of a public official, and that it forbids the drawing of the color line in all such elections, therefore, there is nothing the leg-

islature can do about it. The poll tax could not be increased as the time for paying it expired on Feb. 1, the governor pointed out. He also said it appeared that the opinion precluded any party effort to abolish the soldier from paying poll tax.

Following a conference with Atty. Gen. Grover Sellers, the Governor said a motion for rehearing would be filed at Washington. Only about three rehearsals have been granted in the past twenty years, the Governor admitted, and this decision was 8 to 1, almost unanimous.

State Democratic Secretary Charles E. Simons spoke out in meeting Tuesday by remarking that "it was a political opinion by a politically-packed court in a political campaign year."

Other party dignitaries made practically the same comment but it is off the record until the court writes finis in the case.

DEFENSE WORKERS OBSERVE CAMERON DAY

Mrs. Ethel Cameron of Cisco has received an interesting letter from her son, Pfc. William Cameron of the air corps, now stationed at Camp Campbell, Ky. The letter was written by Tom Feeley and co-workers of Raytheon Production Corp., Newton, Mass., where Private Cameron's wife is employed in vital defense work, and is as follows:

Dear Bill: As you know through your wife, Anne, we are making very vital tubes for the Army and Navy. Anne is employed on one of our most urgently needed transmitter tubes.

We have organized a drive to improve quality even more, and to increase the amount of tubes shipped to our armed forces.

Your day was Monday, March 20. We had a loss in production, due to waiting for materials to come from other departments; but our quality improved. All of the girls in the group did their best to make your day successful. We called March 20 "Bill Cameron Day" in your honor. Your picture appeared on a poster in the section room where these girls are working. We are sure, Bill, that you will feel proud when you receive this letter — to learn that Anne and the other girls are doing everything in their power to bring Victory closer.

We know of your experiences in Pearl Harbor when we were attacked, and we also know of your long service in the Anti Aircraft Division. We hope that through our combined efforts, we will speed the time when you will be at home again in civilian life with Anne. Best of luck and good wishes. Yours for Victory,

RAYTHEON PRODUCTION CORPORATION.

DAN HORN CLUB MET.

Dan Horn home demonstration club met with Mrs. L. A. Parks, Sr., Monday. Five members were present, as follows: Mrs. W. B. Starr, Mrs. Oscar Penn, Mrs. M. R. Speegles, Mrs. J. B. Jessup and Mrs. Parks; also Miss Tankersley, demonstration agent. Visitors present were Mrs. Walter Ziehr, Mrs. L. A. Parks, Jr., Rose Etta and Gene Parks and Tom Speegle. Mrs. John Stuteville, club president, was absent and no business was discussed. Miss Tankersley gave an interesting demonstration of how to clean sewing machines. Next meeting will be with Mrs. Johnnie Speegle, April 19.

CISCO LED COUNTY BY BIG MARGIN

Eastland, Tex., April 3, 1944. Cisco Daily Press:

Again Eastland county does the usual by over-subscribing her March quota of \$51,400 by more than 50 percent.

Cisco leads all other towns in the county by a wide margin with Eastland second, Gorman third, Ranger fourth, Rising Star fifth, Carbon sixth and the other communities in the amounts herein-after set out, making a total for the month of March of \$76,113.50.

When you add to this the employer-employee credits, which will finally be reported to this office, approximately another \$10,000 will be added.

A breakdown of sales for March follows:

Cisco	\$32,670.20
Eastland	19,371.25
Gorman	11,996.25
Ranger	6,674.90
Rising Star	4,889.25
Carbon	337.50
Olden	127.50
Seranton	18.85
Pioneer	14.50
Okra	5.90
Dothan	3.50
Nimrod	2.90
Desdemona	not reported.

Fifth War Loan.

Before we have hardly had time to get our feet again from the Fourth War Loan which was put over during the months of January and February, the secretary of the treasury on April 1 announced the Fifth War Loan Drive to begin June 12 and end July 8, the amount of the loan to be Sixteen Billion Dollars and all to be purchased by individuals, partnerships, corporations and other business interests except commercial banks.

Of the Sixteen Billion Dollars, Six Billion is to be purchased by individuals alone.

This will be the largest individual assignment since the beginning of World War No. 2.

Our regular monthly quota for April has not been announced yet, but it will in all probability be the same as the quota just over-subscribed for March and as we go about subscribing for our part of the April quota, let us begin to shape our business in such a way that we will be ready to meet our duty when the Fifth War Loan Drive opens June 12.

Again your county chairman, together with all local chairmen and committees, wishes to thank the citizenship of this county for more than doing its duty toward the financial effort of this war.

Very kindly yours,
CYRUS B. FROST,
Eastland County Chairman.

US. IN EGG BUSINESS.

WASHINGTON, April 5.—The War Food Administration will buy and distribute all surplus eggs for 26 cents per dozen plus three cents to dealers for handling them. Rep. Lyndon B. Johnson of Texas said Tuesday night. Johnson said all egg dealers had been instructed to buy the eggs at 26 cents and the government will take them from dealers at 29 cents per dozen.

GOOD STEER—Surprise, 980-pound Hereford raised by Merlyn Gail Kothmann, 4-H Club girl from Mason County, Tex., was named champion of 1944 Fort Worth Fat Stock Show. But it was no surprise to Miss Kothmann who knew all along she had a good steer.

RECEIVED SILVER STAR. Sgt. Lloyd W. Hart of Breckenridge, Stephens county, was one of nine Texans out of 20 men to receive medals for service in Italy. Hart, with the 36th division, received a silver star for gathering vital information under machine-gun fire at Mt. Sammucro, January 7.

VOTE OF YESTERDAY BETTER THAN '42

As forecast in yesterday's Daily Press, there was very little interest in the city election to elect three commissioners, there being but three announced candidates for the three vacancies. The total number of ballots cast was 133, eleven of these going to five citizens whose names were written in.

However, the smallest vote cast for an unopposed city ticket in recent years was in 1942, when A. V. Clark received 108 votes for city commissioner, H. S. Drumwright 108 and Charles J. Kleiner 107, the odd vote going to Bob Winston.

Yesterday's vote was as follows:

A. D. Anderson	129
Chas. J. Kleiner	128
H. S. Drumwright	128
J. T. Anderson	4
Bob Winston	2

HEAVY ATTACK BY AMERICAN BOMBERS LEAVES ONCE FORMIDABLE JAP BASE A WRECK

NEW GUINEA, April 5.—The Japanese air base at Hollandia, New Guinea, once the most formidable in this entire area, lay in burning ruins today after American bombers Monday mounted the greatest sky assault seen in this theater.

Some 300 heavy, medium and attack bombers escorted by fighters carried out the record onslaught to give Hollandia its third heavy attack in recent days. Twenty-six enemy interceptors were shot down.

As a result, General MacArthur announced, all of the 288 enemy planes present in that area on March 30 have been destroyed or shot out of action at negligible cost. Only one American plane was lost in the latest raid, Monday, he added.

Four hundred tons of bombs hit the three key air strips of Hollandia during the low-level assault. One A-20 attack bomber pilot reported whipping over at 100 feet during the attack spearheaded by Liberators and Mitchells.

Describing the assault, MacArthur said:

"In the heaviest attack so far against any enemy base in this area, escorted heavy, medium and attack bombers at minimum altitudes dropped 400 tons of explosives and expended 275,000 rounds of ammunition on three airdromes."

MOSCOW.—Soviet tanks and cavalry swept into the outskirts of the key junction of Razdelnaya today and were expected momentarily to cut the last major railroad out of Odessa, all but trapping tens of thousands of Germans in the southern tip of the Ukraine.

While elements of Marshal Ivan S. Konev's 2nd Ukrainian Army threatened to slam shut the enemy's main escape exit to Rumania, Gen. Rodion Y. Malinovsky's 3rd Army approached Odessa from the east in close pursuit of German units fleeing along the Black Sea coastal road.

The Germans blew up a highway bridge in a desperate attempt to stem the Soviet onslaught in the south, but Russian horsemen quickly cut around it and resumed their harassing attacks on the enemy's rear guards while Red Air Force planes bombed and strafed the withdrawing columns.

Soviet planes also repeatedly attacked shipping concentrations massed for the gradual evacuation of the Crimea, already completely cut off by land. Three landing barges and eight cutters were sunk or damaged in attacks on Black Sea ports.

(A German communique said heavy fighting was in progress at one point of Soviet penetration east of the lower Dniester. Fresh German forces have been thrown into a fierce battle between the Dniester and the Prut rivers, it added.)

At last reports, the Soviets were closing in on the Rumanian communications hub of Iasi.

In addition to Bakalovi, 37 miles northwest of Odessa, other key points captured included Chesni, 24 miles north of the Bessarabian city of Chisinau, and Vessely Kut, 14 miles northeast of Tiraspol.

WOMAN JUROR WANTED TO KISS CHAPLIN

LOS ANGELES, April 5.—Lips trembling, clutching at the knot of his necktie, an emotion-choked Charlie Chaplin last night heard himself acquitted of Mann Act charges.

Yells of "hooray" went up from the jammed spectator section along with a burst of applause as the court announced acquittal.

The bailiff rapped for order, and United States District Judge J. F. T. O'Connor warned loudly against a further demonstration. The clerk then read the result and Judge O'Connor said, "Mr. Chaplin, you are dismissed."

One by one he shook each juror's hand. "I thank you," the comedian said with his famous toothy, eye-wringing smile.

"I'd almost like to kiss him," said one woman juror. Chaplin has been four-times married, and his present wife is Oona, 18-year-old daughter of play-wright Eugene O'Neill.

DEWEY IN LEAD.

MILWAUKEE, April 5.—Gov. Thomas E. Dewey of New York, emerged today from 1944's first major test of Republican Presidential sentiment with a wide lead over Wendell Wilkie, 1940 GOP nominee, in the Wisconsin Presidential primary contest for delegates to the Republican national convention. Candidates pledged to Lt. Cmdr. Harold E. Stassen, former governor of Minnesota, and Gen. Douglas MacArthur, whose home town is Milwaukee, were running second and third behind Dewey supporters, while in many instances Wilkiepledged candidates trailed in fourth place.

DEFEAT NEW DEALERS.

TULSA, April 5.—Six Republican candidates today had been swept into office in the city's biennial municipal election, supplanting an avowed group of incumbent Democratic candidates pledged to support of the National New Deal Administration.

WHAT THE WAR'S ABOUT.

When this present war started, little did Americans realize its scope and menace. Experts and insiders at Washington knew something of what was going on, but to most Americans it meant just another of those everlasting wars that were always being started in Europe and Asia. There were even statesmen who complained bitterly that warmongers were dragging this nation into the conflict.

Most of them know better now. Even people who seldom read the newspapers or listen to the radio news are impressed by the evidence of vast preparations made for national defense, and by the lists of war losses.

It is still hard, however, for some people lacking knowledge of world conditions, and unschooled in history, to grasp the full scope and implications of this world war. They know that it represents the greatest peril to civilization which has appeared in modern times. The evil forces leagued to destroy peaceful and constructive nations possess a high degree of technical and scientific knowledge. They would use these forces not for human freedom, enlightenment and progress, but to enslave and exploit their victims and destroy the finest qualities of our modern civilization.

People tend to forget that the periods of general enlightenment and progress in this world have been few and far between.

Again and again, through the centuries, there has been a general relapse into barbarism.

AMERICAN INITIATIVE.

"One hundred octane" is the commonly accepted name for an aviation super-fuel now available in large quantities only to the United Nations. The production of "100 octane" gasoline on the enormous scale demanded for today's air war, is possible only because the scientists, engineers, construction men and process workers of the oil industry and the contractors serving it have labored mightily in the last three years.

To gain some idea of how the American oil industry has done the "impossible" in fueling tens of thousands of Allied planes, facts recently released by a single United States oil company, the Standard of Indiana, are enlightening. Since Pearl Harbor, this one company, with its thousands of workers, has turned blue prints into operating units which today are bringing its production up to a point where its plants alone will soon be making enough 100 octane gasoline to fuel a thousand-plane raid on Berlin every day.

That is an example of how American initiative and enterprise throughout our country have set a speed and production record that Adolph and Tojo will never be able to match.

INCOMPATIBLE WITH LIBERTY.

One of the most powerful criticisms that has yet been leveled at the Wagner-Murray Bill to socialize the medical profession, has come from the American Bar association. The association condemns the proposal for the following reasons:

"1. Local self-government must be preserved in our federal system. State governments directly responsible to the will of the people are best adapted to exercise such supervisory controls as may be instituted over the health and medical care of our citizens.

"2. S. 1161 (the Wagner bill) seeks to invest in the surgeon-general, who is not an elected servant of the people and who is not amenable to their will, the power arbitrarily to make rules and regulations having the force and effect of law which . . . affect every home.

"3. The measure furnishes the instrumentality by which physicians for their practice, hospitals for their continued existence and citizens for their health and that of their families can be made to serve the purpose of a federal agency.

"4. The bill fails to safeguard the rights of patients, citizens, hospitals or doctors with respect to disputes arising or rights denied through the arbitrary or capricious action of one man.

"5. The bill fails to provide for appeal to any court from action of surgeon-general.

"6. The vicious system whereby administrative officials judge without court review the actions of their subordinates in carrying out orders issued to them is extended in this bill to a point foreign to our system of government and incompatible with the adequate protection of the liberties of the people."

Gall Bladder Sufferers Told to Avoid CONSTIPATION

Try Hot Water and Kruschen Salts Before Breakfast for 5 Days

In a glass of hot water put one teaspoonful of Kruschen Salts and drink about half an hour before breakfast. 15 to 20 minutes later follow with your usual breakfast cup of hot coffee or tea. Usually within an hour you get prompt and effective relief and should begin to feel bright and refreshed again. Be sure to follow the simple easy directions.

Now keep this up for 5 straight days—just see if you too don't discover why thousands have found hot water and Kruschen Salts so beneficial in relieving that "dull" constipated "out-of-sorts" headachy feeling. Get Kruschen Salts today—all drug stores.

Over 245 million bottles sold in the past 100 years—it must be good.

SOCIAL and CLUBS

METHODIST WSCS IN GENERAL MEETING.

Methodist women's society of christian service met at the church Tuesday afternoon for the beginning of a study of the mission book, "For All of Life," which is being taught by Mrs. Leslie W. Seymour, secretary of mission study.

The meeting opened with group singing of "Lord, Speak to Me," led by Mrs. Wm. Joyner with Mrs. Wm. H. Cole at the piano. Mrs. Leslie W. Seymour directed the devotional period and led the responsive scripture readings. Prayer, by Mrs. S. H. Nance, followed. The program on "Christian Need for Whole World Literacy" was then presented. Mrs. Wm. Joyner gave an article, "Beechum's Challenge," and Mrs. M. D. Paschall discussed "Literature for the Africans."

Mrs. John Shertzer conducted the monthly business meeting at the close of the program. Reports were made by circle chairmen and recommendations made by the executive board were read and adopted. Mrs. J. E. Crawford

dismissed the meeting with prayer. Those attending were Mrs. Wm. H. Cole, Mrs. Mattie Cole, Mrs. J. E. Crawford, Mrs. T. J. Dean, Mrs. J. T. Anderson, Mrs. R. W. Merket, Mrs. B. E. Morehart, Mrs. R. C. McCarter, Mrs. M. D. Paschall, Mrs. Smith Lestie, Mrs. Joe Lovelady, Mrs. Leslie W. Seymour, Mrs. John Shertzer, Mrs. C. A. Shockey, Mrs. Wm. Joyner, Mrs. S. H. Nance, Mrs. A. B. O'Flaherty, Billy Joyner and Mrs. J. T. Fields.

MRS. PAULINE NEELEY HOSTESS TO CIRCLE.

Circle five of First Baptist W.M.U. met Tuesday afternoon in the home of Mrs. M. W. Robbins, with Mrs. Pauline Neeley as hostess. Mrs. Milton Sargent presided in the absence of Mrs. E. J. Poe.

Resignation of Mrs. Troy Stewart as secretary was accepted and Mrs. Pauline Neeley was elected to fill the place. Routine business was transacted and assignment of food to be furnished for a young people's banquet was given. Mrs. Ina Pyle Martin brought an interesting lesson from the books of Matthew to John, following which the meeting closed with prayer.

Refreshments were passed to Mrs. W. C. Clements, Mrs. Ina Pyle Martin, Mrs. Milton Sargent, Mrs. M. W. Robbins, Mrs. Pauline

Neeley and a visitor, Mrs. E. C. McClelland.

MISS VEDA RAMSOWER YWA HOSTESS.

The young women's auxiliary of First Baptist church met in the home of Miss Veda Faye Ramsower Tuesday evening, with Miss Jeanette Burnam, president, in charge. Mrs. Leon McPherson, sponsor, opened the meeting with a splendid talk on "Reverence." Routine business followed and

a report of the Hardin-Simmons house party was given. It was decided to have a "Mother's Day" social, with mothers of members as honor guests, early next month.

Miss Sylvia Hazel, program leader for the evening, then directed the program, in which "Our Mission Work in Palestine" was discussed.

Refreshments were passed to

Mrs. Leon McPherson, Misses Jeanette Burnam, Jo Ann Baker, Bettie Jean Guthrie, Mary Lois and Helen Hay, Virginia Hibbert, Sylvia Hazel, Jean and June Gunn, Bettie Phippen, Louise Norris, Carolyn Shepard, Bonnie Jean Wilson, Veda Faye Ramsower and Mrs. Clifford Thomas.

Next meeting will be held in the home of Miss Jo Ann Baker.

WILL WED—Feature songstress with all-girl orchestra, Vivien, voted best-dressed woman in radio, has set April wedding date for marriage to Air Transport Command Officer, Capt. C. Turner Foster.

LANA CELEBRATES—Chalking up another birthday seems to leave Lana Turner in a pensive mood, as she cuts cake presented to her on set of new picture, "Marriage Is a Private Affair." Celebrating with star is her mother, Mildred Turner, who has just recovered from serious three-month illness.

GI JOE—These three lovely-to-look-at damsels are all dressed up for their roles in Fort Snelling, Minn., all-soldier musical revue, "GI Joe," soon to go on the road. Pvt. Victor Norvak (left) and William Meyer (right) play the part of hostesses, while Pvt. William Bauman handles operatic arias.

KP NIGHTMARE—Photo shows what soldiers dream about—or, rather have nightmares about. This composite picture of a KP's nightmare was drawn by Sgt. Charles M. Royer, Army Air Field, Chico, Cal., and to any GI who has sweated it out with kitchen police, it isn't exaggerated.

How Sewing and Re-Dyeing Can Put New Life Into Dated, Faded Clothes

It's patriotic as well as thrifty to make your wearables last longer because fabrics are thus conserved for the armed forces. A little needlework can perform wonders in this direction—and you can achieve new sparkle and color beauty by re-dyeing your made-over things. A striking example is pictured above. Here is how a faded, outmoded dress was transformed into a smart, bright-colored jumper. First the sleeves, vestee and collar were removed. Then a V-neck was cut down to the waistline, and hems sewn at cut edges. Next step was to take out the old color from the dress and belt with a box of Color Remover. Finally the dress and belt were tinted into a fashion-right jumper color. Result—a jumper dress so new-looking that even your closest friends would never suspect its origin! Total cost? Only a few cents for the Color Remover and dye!
