WHIPPED JAPS ARE DESPERATE

Cisco Loses Two Methodist Pastors of Ability

As a result of new assignments by the Central Texas Conference of the Methodist church at Mineral Wells this week, both Cisco churches will bid a regretful adieu to pastors who have served them well for several years.

Four years of fruitful work with the First Methodist church will end with the sermon to be preached this morning by the Rev. Leslie Seymour, who leaves to become pastor of the First Methodist church at Ennis, Texas. The departure of Rev. and Mrs. Seymour and their daughter, Lillian Ross Seymour, is a matter of regret not only to members of a church which has prospered under his leadership, but to the community at large. They go with the sincere well wishes of a large community of friends. During Mr. Seymour's pastorate 288 new names have been added to the membership roll, 79 of these being added during the past year.

Succeeding Mr. Seymour will be the Rev. W. A. Flynn, late of the First Methodist church at Quanah, a man in his early forties, who has been pastor at Quanah for two years. He will come to the Cisco pulpit highly recommended as a splendid preacher and a pastor of ability. "He is the kind of a minister who is well qualified to carry on the program of the Cisco church, a man with whom the people will find it a joy to work," said Mr. Seymour. The new minister has a family of a wife and four sons, one of whom is in college.

Mr. Seymour will preach his final sermon as pastor of the Cisco church this morning at 11 o'clock on the theme, "In Quest of a Kingdom." "Don't call it a farewell sermon," he admonished.

To the pastorate of the Twelfth-st. Methodist church, succeeding the Rev. Seba Kirkpatrick, will come the Rev. C. A. Warden. Mr. Warden has been pastor of the Olden circuit, making his home at Eastland, where he is coach of the current Eastland high school football team. He is a young man, recently married, and is a student in Cisco Junior college. Prior to going to Olden he was attending McMurry college at Abilene.

The Rev. Mr. Kirkpatrick, whose three years as Twelfth-st. circuit pastor have been very successful, has been assigned to Carbon.

Next year's conference will be held in Fort Worth.

IN SEARCH OF AUNT

Pvt. Dallas Isaacs of Company C, 1688th combat engineers, Camp Bowie, was in Cisco Saturday and called at the Daily Press office. The young man was here to try and contact an aunt whom he had not seen for many years and of whom he knows very little, except that her married name is Taylor. Her maiden name was Isaacs. Any one having information relative to the party may write Private Isaacs at Camp Bowie.

NATIONAL ELECTION TUESDAY

There will be two voting places in Cisco Tuesday for the national election—City Hall and East Ward Schoolhouse—and the polls will open promptly at 8 and close at 7 o'clock.

At City Hall, the largest box, Fred Grist, presiding judge, will start with three tally tables in an effort to keep pace with the voting.

At East Ward Schoolhouse, W. W. Wallace will preside as judge, said W. R. Huestis, precinct chairman. The list of other election officers at this box were not available Saturday.

City Hall election officers in addition to Mr. Grist will be as follows: Mrs. B. S. Huey, Mrs. L. A. Harrison, Mrs. J. S. Mobley, Virgil Heyser, Mrs. Laveda Simpson, Earl Mayhew, Tom B. Stark, O. J. Russell, Karl Armstrong, W. W. Fewell, Charles Roberts, Haywood Cabness, Jay Garrett, L. A. Warren.

Voting in Eastland county will be very heavy Tuesday if it is thought, due to the unusual interest in the presidential race and, because of probable split-ticket voting, the work of tabulation will be slow.

Miss Joannie Hightower, county clerk, informed the Daily Press Saturday afternoon that a total of 253 absentee ballots had been received at that hour. Civilian voters had mailed in 131 of these ballots and 72 had been mailed in by men with the armed forces.

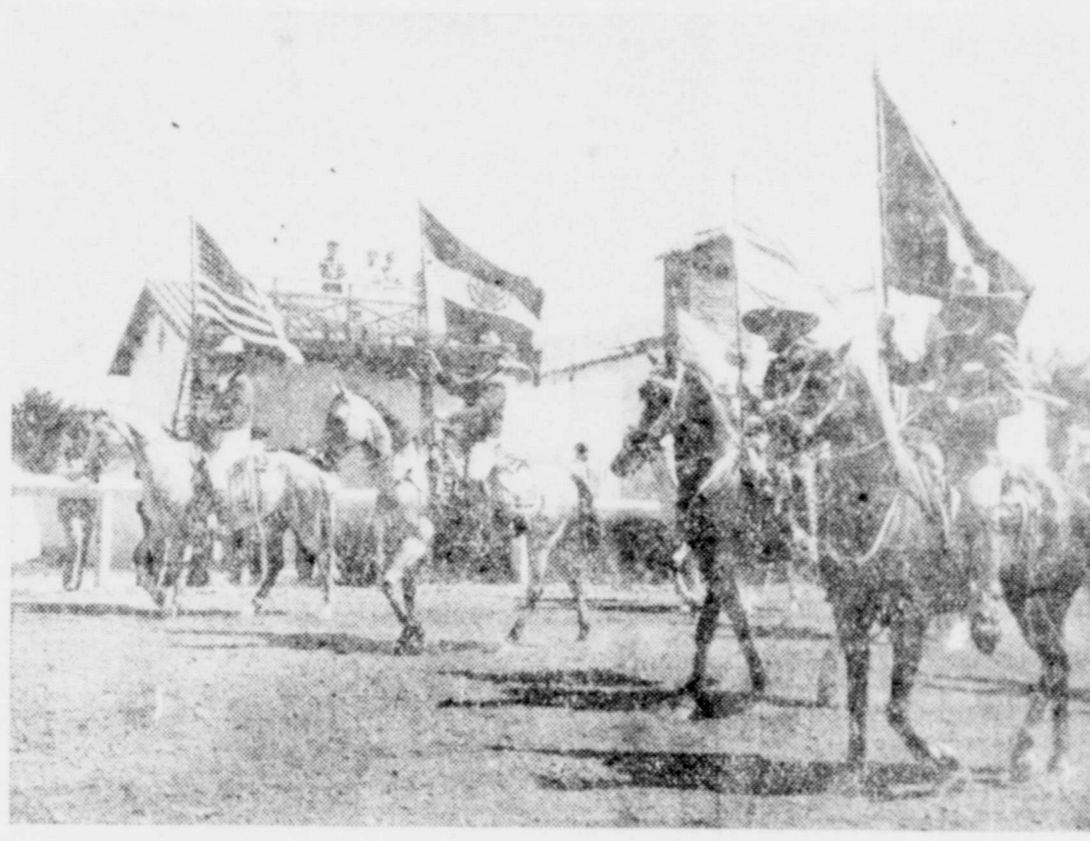

MR. AND MRS. CLEGG

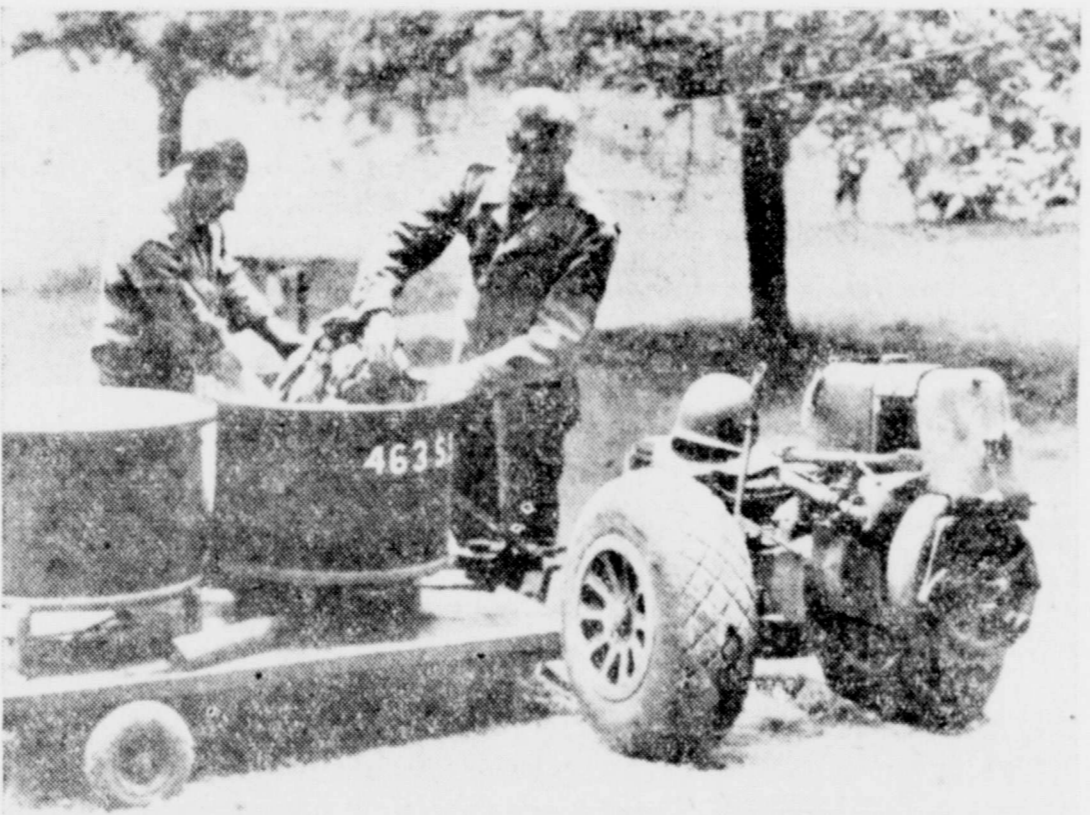

Rev. and Mrs. L. H. Clegg, pictured above, moved here from Boger, Sept. 3, 1941, and the minister will begin his fourth year as pastor of the Cisco church of the Nazarene this morning. The congregation has grown in numbers considerably during Mr. Clegg's pastorate and the church building has been enlarged until now it is one of the best appointed church homes in Cisco. The Cleggs have four children. His sermon subject this morning will be "Cooperation Wins." Tonight's sermon will be of an evangelistic nature.

RETAIL SALES UP.

NEW YORK, Nov. 4.—Retail sales, boosted by Christmas shopping and sales of seasonal merchandise, rose this week over the previous one and were 6 to 9 percent above the same week in 1943. Don & Bradstreet, Inc., reported: Durable goods sales are now about even with a year ago, while sales, in non-durable lines, especially apparel, eating and drinking places and general merchandise stores, are well over the record 1943 period, according to the business research firm.

OLD GLORY CHEERED—Pomp and ceremony always mark the opening of Mexico's newest race course and when the stars and stripes of the U. S. A. passed the stands, the crowd stood up and applauded wildly for a full minute. Picture shows flag passing jockey's quarters.

WASHING MACHINE, COURTESY NAZIS—Except for the rubber tires, this washing machine was made entirely of German equipment by U. S. Army 9th AFSC mechanics, Sgts. Eugene McLaughlin (left) and Peter Gambuti, who are shown washing their fatigue uniforms.

JAVA BY BUCKETFUL—Assisted by native, Red Cross worker Marie Salcheider, St. Paul, brews coffee to be taken to isolated areas in mobile canteens. Other girls work in hospitals, field offices or in canteens and clubmobiles behind the lines.

PERSONAL.

Ensign and Mrs. P. J. Van Ostrom are in the city visiting her parents Mr. and Mrs. B. B. Throop and their friends Mr. and Mrs. James Waddell. He has just completed officer training at Fort Trumbull, New London, Conn., and was awarded a certificate of merit for overcoming the most

obstacles. Out of a class of 75 men, he was one of 33 successful in obtaining the merit rating. He will report for duty at Los Angeles on November 14.

Word received by Mrs. Cecil Adams from Mrs. C. C. Moore Saturday stated that Mr. Moore is scheduled to undergo surgery at the Rochester, Minn., hospital Monday. Their address is general delivery, Rochester, Minn.

Cisco Citizens Purchased 1,000 Poppies Quickly

The Women's Auxiliary of John William Butts Post, American Legion, had disposed of 1,000 Poppies at 2:30 o'clock Saturday afternoon, with cash in hand of \$136.45—the best Poppy Day receipts in many years, if not the best all-time receipts.

Mrs. W. R. Huestis, chairman, asked that thanks be extended to Nick Miller, who furnished desk room at the Man's Store, the Daily Press and to the Cisco public in general, together with the ladies assisting in making the sales.

The latter included the following: Mrs. Paul Poe, Mrs. H. N. Lyle, Mrs. Charles Roberts, Mrs. James Haynie, Mrs. Dave Gorman, Mrs. A. L. Clark, Misses Betty Lee and Loydellon Surles, Fern Huestis, Betty Gorman, Clark and Patty Nell Haynie.

TO VOTE WITH REGULARS

FT. WORTH, Nov. 4.—Henry Zweifel, former United States district attorney here and state Republican leader, spoke over radio station KGKO Saturday night and said he would vote with the Texas Regulars as the best way in which to defeat the Roosevelt-Truman ticket in Texas.

Rainey Rumpus May Remain Unsettled for Weeks

AUSTIN, Nov. 4.—Gov. Coke R. Stevenson today came to the defense of the men he appointed or re-appointed as members of the board of regents of the University of Texas.

Specifically naming W. Scott Schreiner of Kerrville, John H. Bickett of Dallas, D. F. Strickland of Mission, and H. H. Weinert of Seguin, Stevenson said in response to questions at his press conference that he felt they all met what he considered to be the requirements and qualifications of regents.

He said he had no comment on action taken by the university faculty last night in requesting that when the new board is organized, it reconstitute Dr. Homer P. Rainey as president of the university. He said he could continue consulting with a faculty and ex-students committees in considering appointments to the board.

If all the actual or reported resignations from the board take place, Stevenson faces the extraordinary task of naming before Jan. 1 an entire nine-member board. Terms of three regents expire Jan. 1. Bickett, Weinert and Dan Harrison of Houston tendered resignations following the discharge of President Rainey, and there were reports three other regents would resign soon.

Mrs. Little Now Rests in Oakwood Beside Husband

Funeral services for Mrs. Sallie E. Little, 84, wife of the late J. M. Little, who died at her home in Dallas Friday afternoon, were held at Cisco First Christian church at 4:30 Saturday afternoon, with burial following in Oakwood cemetery beside the husband. Officiating ministers were Rev. J. B. Bunk of Eastland and Rev. J. R. Wright of Cisco. Deceased was an unusually fine Christian woman and was born in Prescott, Ark., where she was married to Mr. Little, the couple moving to Texas about 61 years ago. They settled near Rising Star and he farmed successfully for many years or until they moved to Cisco.

Surviving children are Mrs. T. L. Cooper, Eastland; Mrs. Elbert Ezell, Cisco; Mrs. C. I. Hyatt, Dallas; Eddie and Elijah Little, Abilene; Everett Little, San Angelo; Weidon Little, Sweetwater.

Minors Under 16 Estopped From Turkey - Picking

AUSTIN, Nov. 4.—Employment of minors under 16 years of age in the turkey-picking industry is a violation of the Child Labor Standards Act, Mildred Dougherty, child labor consultant of the United States department of labor, warned today as the "gobbler" season was reported starting in various sections of the southwest.

"Under a special amendment to child labor regulations of the Act, children of 14 and 15 years of age were permitted to work in limited phases of the industry last year," Miss Dougherty said. "Those exemptions have not been renewed for this year," she added.

FRENZIED NIPS SEND IN REINFORCEMENTS FOR FINISH FIGHT ON THE WESTERN END OF LEYTE

MACARTHUR HEADQUARTERS, Philippines, Nov. 4.—Aroused Japanese, defying superior forces of American men and guns on the move north and south of Ormoc, marshaled reinforcements today under a hail of aerial bombs for a finish fight on western Leyte.

Reports for the past 24 hours told of the enemy on the coast. Nipponese airmen made more than 25 low-level attacks on eastern Leyte airfields and docks, blew up an ammunition dump and set a merchant ship afire. The fire was extinguished.

Enemy tanks, troops and artillery have been landed at Ormoc from a convoy which lost two transports and 25 covering planes in a fierce battle with the 49th fighter group, record-breaking squadron of the far eastern army air force.

The 49th later spotted a 10-mile-long motor convoy rolling north from Ormoc. The planes swept down to troop level over the mechanized reinforcements, blasting 30 trucks, at least two tanks, equipment and supplies.

The badly cut up Japanese column was trying to reach Carigara by way of a 20-mile road from Ormoc and bulwark Nipponese retreating before the 10th corps of Maj. Gen. Franklin C. Sibert.

At the north end of that road where it emerges from Ormoc valley, 55th and 81st-inch howitzers were wheeled in position to lay down just such a withering fire as the 8-hour barrage which crushed the bloodiest resistance of the Leyte campaign before Carigara town.

Sibert's 24th infantry division and First cavalry division approached the road's terminus at Pinampanan after rolling five miles west of smoldering Carigara.

The Japanese high command risked sending the reinforcements up the Ormoc valley despite the possibility of their being bottled up by the Seventh infantry division of Maj. Gen. Archibald V. Arnold driving in behind them.

The Seventh was disclosed yesterday by Gen. Douglas MacArthur to have crossed central Leyte to Baybay, 26 miles down the west coast from Ormoc. Nothing more has been said about movements of the Seventh which has a good coastal road ahead of it to Ormoc.

Admiral Nimitz at Pearl Harbor, without specifying the locale of an enemy divebomber attack on the Third fleet carrier group, which occurred Thursday, Philippines time, said the raiders caused "some damage to several ships and light personnel casualties." Ten raiders were downed.

ALLIES MAKE GAINS

LONDON—Allied armies, jabbing all along the 500-mile western front, racked up consistent local gains today as the Berlin radio dimmed its warnings that Gen. Dwight D. Eisenhower's forces were massed for a huge offensive.

The American thrust into Germany 15 miles southeast of Aachen lost speed as it collided with stiffening resistance after capturing the town of Schmidt, but forged ahead for small gains with the aid of fighterbombers blasting German infantry and tanks in its path.

In this area U. S. First army veterans were shoving down the last 1,000 yards toward the Roer river, the next and hardest enemy barrier on the way to the Rhine 28 miles to the east.

Having rolled beyond the thick-

est forests in this area the Americans were advancing against heavily dug-in defenses and natural obstacles—barriers which American officers believe may be tougher to crack than the beached concrete and steel belt of the Siegfried line.

BUDAPEST UNDER SIEGE

MOSCOW—Russian troops laid siege today to Budapest and front dispatches said the German and Hungarian defenders had fallen back into the Hungarian capital itself.

Red army tanks were said to be huddling at the outskirts of Pest in the city's southwestern suburbs, with fighting raging well within Budapest's outer defenses.

(A Reuters dispatch said the Russians had hauled an armored column around north of the city in an encircling move. This column was said to be steering the approaches of Ujpest on the east bank of the Danube two miles north of the capital.)

The capital itself was reported unofficially to be enveloped in wild disorder as the Nazis remnants poured through the streets.

Hundreds of fugitives were said to be jamming the railways and highways toward Vienna, 140 miles to the north.

Red Star said that the "field army" formed by the Hungarian puppet government had been routed outside the capital and that a captured captain said that out of one division only 200 men remained after three days of intensive battle.

The newspaper described German and Hungarian losses in manpower as "immense," particularly near the tributary of the Danube just north of Budapest where Red troops wiped out 20 tanks in a great "slaughter" last night.

The capture of Pest appeared imminent but the fall of Buda on the west side of the Danube river was another matter. The Danube is broad and there was no word on whether the Russians had been able to seize any bridges.

NAZIS LEAVE GREECE

ROME—The Germans have been completely cleared from Greece. Allied headquarters announced today.

RAP pilots on reconnaissance flights reported they were unable to find any traces of Nazis who occupied the country early in 1941.

The Germans, seeking to escape the closing Allied trap, have been fleeing into Serbia and Albania. In the last 24 hours small enemy columns were seen in the vicinity of Lake Prespa, just across the Greek border in Albania.

"We believe German rear-guards went over into Serbia Thursday night," an RAF officer said.

In their retreat up the Vardar valley toward the Serbian city of Skopje the Germans blew up many road and rail bridges in an effort to delay the pursuing British.

ANOTHER WILD IDEA

DALLAS—A year of military service consisting of basic training at home, followed by defensive duty in Germany and Japan, was advocated for every able-bodied American youth by Col. Ernest O. Thompson, member of the Texas Railroad Commission, at a meeting of the Zonta club of Dallas Friday. Thompson was with the American Army of Occupation in Germany after World War I.

Brawny Lions Defeated The Lighter Lobos

A tired hand of Cisco Lobos wilted in the closing moments of their game with Brownwood Lions.

Friday afternoon to let the brawny, more experienced Lions march through two touchdowns to run their final score to 28 to 0.

That moment, the Lobos had made a game of it except for a few instances in which Lobos were practically handed the game.

One of these was an ill-advised punt that zone pass on fourth down in Cisco territory.

It was intercepted by Hamrick of Brownwood who ran about 25 yards for the touchdown.

At another time the Lobos yielded a safety when Brownwood was tackled on the goal line attempting to return a punt.

The Lobos started the game with a rush when Joey Baum took the kickoff, raced through the Lions to the Brownwood 40 and tossed to Tompkins who ran over.

The attempted lateral was a forward pass, however, and the touchdown was nullified and the Lobos penalized for an illegal pass.

The defensive play of the Cisco team was tight during the first half, but the home lads yielded an earned touchdown to the visitors near the last of the first quarter.

The passing game of the Cisco boys was smothered by a tight Brownwood play.

THE WRONG ANSWER

A new pupil reported at the high school Monday morning, and in order to classify the young man, Bob Clark was asking him a few key questions.

Clark: "Who gave you the beautiful school building?" Pupil: "President Roosevelt." Clark: "Who gave you our wonderful cross country highways?" Pupil: "President Roosevelt."

Clark: "Who makes the trees grow and the flowers blossom?" This time the lad answered, "God."

Immediately a voice piped up from the rear: "Throw that Republican out!"—Cisco Bo-Ta-To.
