NUMBER 36

FDR WINS BY HUGE MAJORITY

FDR Ticket Got 897 Votes Here As Against 470

Cisco voters cast 1,372 ballots at yesterday's election—1,024 on the Westside and 348 on the Eastside. Considering the fact that so many men and women are with the armed forces and employed in defense projects elsewhere, this was a large vote.

The Roosevelt-Truman vote in the city totaled 897, as against 470 for Dewey-Bricker and Texas Regulars. Two Ciscoans voted the Prohibition ticket and three the Socialist ticket.

Voting proceeded quietly at both boxes throughout the day and election officials were so well organized that tabulations were completed and results announced within a very short time after the polls had closed. The local vote in detail:

Westside	
Roosevelt-Truman	674
Dewey-Bricker	149
Texas Regulars	190
Prohibitionist	2
1,024	
Eastside	
Roosevelt-Truman	223

Russell, Jay Garrett, Earl Mayhew, Mrs. Laveda Simpson, Mrs. Virgil Heyser served coffee and cookies to this group at 4:30 in the afternoon, for which they request the Daily Press to extend their sincere thanks.

First Lesson Interior Decorating Class

Cisco Junior College class in interior decoration, just formed, will meet Thursday night for its first lesson. The meeting will be held at 7:30 o'clock at high school and Cisco women who wish to enroll are urged to be present. The class has had one meeting already, but new enrollments are being accepted daily, says R. N. Cluck, college president.

The course is to be a practical one and will include the study of furniture and furniture arrangement, color and color harmonies, window treatment, picture hanging, flower arrangement, upholstery and slip covering—all to be done in class by class members. Eighteen two-hour lessons will complete the study. College credits will be given if desired, but members can also take it as a non-credit course.

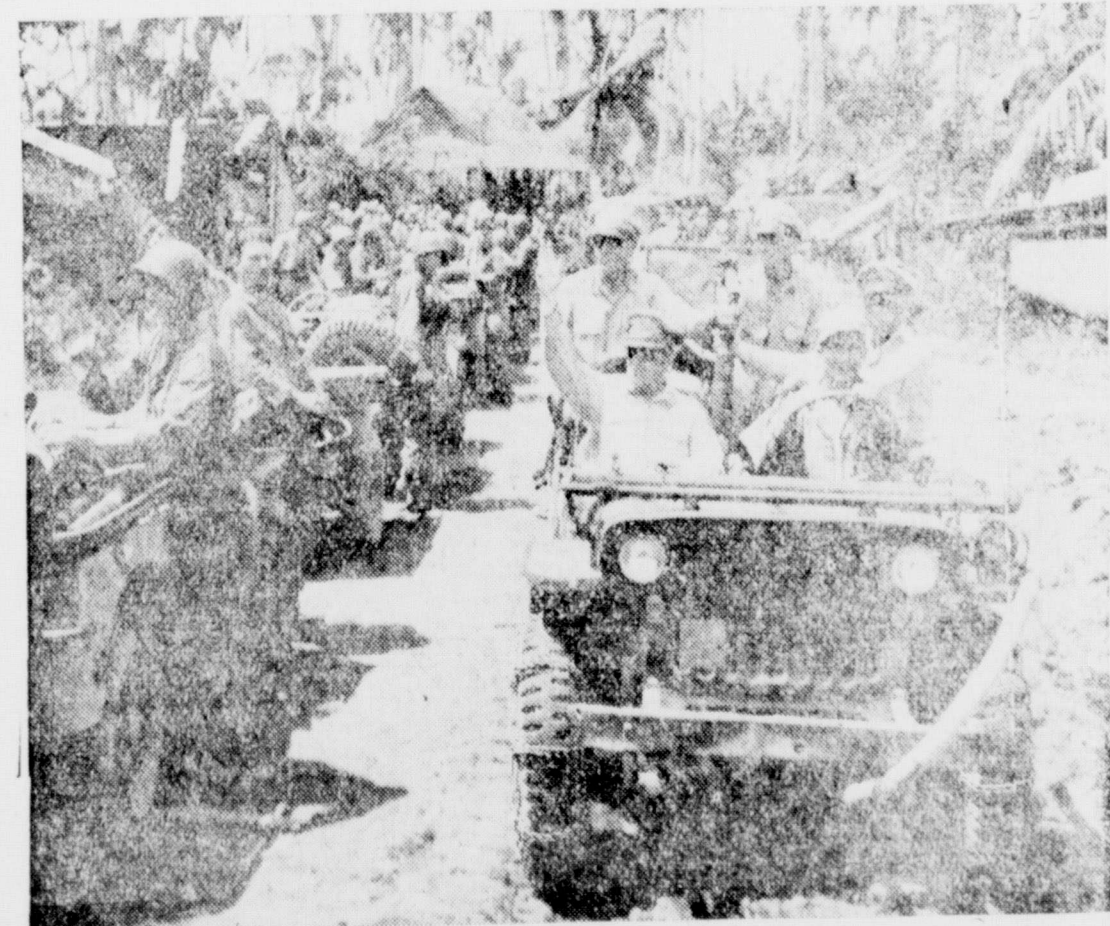

Philippine Government Returns Home

WHEN AMERICAN TROOPS LANDED IN THE PHILIPPINES they escorted Philippine President Sergio Osmena and members of his reorganized war cabinet to their homeland. Here is the first picture of the new war cabinet. It was taken in Washington, shortly before the invasion began, as the members completed plans to re-establish the government on Philippine soil. President Osmena is at the extreme left. The others (reading clockwise around the table) are: Brig. Gen. Carlos P. Romulo, secretary of information and public relations; Col. Mariano A. Trono, judge advocate general of the Army of the Philippines in charge of the Department of Justice, Labor and Welfare; Ismael Mathay, budget and finance commissioner; Col. Alejandro Melchor, military adviser to the President; Arturo B. Rotor, secretary to the President; Urbano A. Zafra, economic adviser to the President; Col. Manuel Nieto, secretary of agriculture and commerce; Maj. Gen. Basilio J. Valdes, secretary of national defense and communications and Jaime Hernandez, secretary of finance.

NO SHORTAGE HERE—Gladys Swarthout, popular opera star, causes general rejoicing as she helps relieve cigaret shortage by dispensing free smokes to GIs in Chicago, where she was portraying the fiery Latin cigaret girl in "Carmen."

HE DID COME BACK—Gen. Douglas MacArthur waves greeting to men of his army heading for the front on Leyte as he made inspection tour a few hours after initial landings. Huge force stormed Philippines as Gen. MacArthur made good promise to return and free people.

Texas Regulars Ran Third In Tuesday Voting

DALLAS, Nov. 8.—Emphasizing their support of the Democratic party, Texans gave President Roosevelt a wide margin for his fourth term, re-elected Gov. Coke Stevenson and gave impressive leads to 12 congressmen over Republican opponents.

Latest unofficial returns disclose:

President — Roosevelt 505,617, Dewey 107,240, Texas Regulars (Anti-Roosevelt) 77,971.

Governor — Stevenson, Democrat, 447,742; Peasley, Republican, 43,377.

Roosevelt's lead in Texas was 319,426 votes more than the combined opposition of Republicans, Texas Regulars and all others.

Loboes To Meet Ranger Bulldogs Saturday, 2:30

RANGER, Nov. 8.—The Ranger Bulldogs and the Cisco Loboes, traditional foes on the football field, will meet at the Bulldog stadium Saturday afternoon at 2:30 o'clock for Ranger's third to the last conference game of the season.

Since the beginning of football in the Oil Belt it has been the custom for the two teams to meet on the Eleventh of November and the custom has now become a tradition that adds spice to the game.

It is the only game of the season that the Ranger eleven plays in the afternoon and to old time fans the afternoon game is still preferred.

The Bulldogs will go into the game the favorites and holding two consecutive victories over the Loboes, having defeated them in the last two years.

It has also been announced that as is the custom, the Bulldog football queen will be revealed and crowned during the intermission of the game.

As all business houses will be closed all day Saturday it is expected that a large crowd will turn out for the game.

EARLY MORNING REPORTS INDICATED GAIN OF 17 SEATS IN NATIONAL HOUSE BY DEMOCRATS

FRANKLIN D. ROOSEVELT

HARRY S. TRUMAN

NEW YORK, Nov. 8.—President Roosevelt's fourth term election was conceded today by Gov. Thomas E. Dewey, the Republican candidate, and a Roosevelt tide of votes apparently has substantially increased the Democratic congressional strength, assuring that party control of the House of Representatives. Democratic senate control was not in jeopardy in Tuesday's elections.

At the last count Mr. Roosevelt was leading in 33 states with 419 electoral votes and Mr. Dewey was ahead in 13 states with 121 electoral votes. Only 266 are needed to win.

The latest count of the popular vote gave Roosevelt 21,913,569 and Dewey 18,409,338.

Of those votes, Mr. Roosevelt had polled 53.8 per cent and Dewey 46.2 per cent compared

Democrats defeated 14 incumbent Republicans, including Rep. Hamilton Fish, (Republican, New York), and so far have won three of the present five vacant seats.

Smilingly Admits Defeat

Gov. Thomas E. Dewey took it on the chin with a smile Wednesday, conceding at 3:15 a. m. that President Roosevelt had been re-elected.

"By expressing confidence that all Americans will join me in the hope that divine providence will guide and protect the President of the United States."

With Mrs. Dewey standing behind him, the Republican presidential nominee said simply in a nationwide broadcast that "it is clear that Mr. Roosevelt has been re-elected for a fourth term and every good American will wholeheartedly accept the will of the people."

"I thank you for your statement which I heard over the air a few minutes ago," the president said in a telegram to his defeated opponent.

Patton Launches Attack Between Metz and Nancy

PARIS, Nov. 8.—Lt. Gen. George S. Patton's American 3rd Army made a new attack between Metz and Nancy in eastern France today and advanced up to one mile in the last few hours, capturing at least four villages and crossing the Seille river.

The doughboys forsook the Seille, a tributary of Moselle, at several places approximately 12 miles south of Metz and already had outflanked the enemy bastion from the south, United Press correspondent Collier Small reported from the front.

On the southwestern approaches to Cologne, a German counter-attack drove American 1st Army troops out of the hamlet of Kommercheid, some 13 miles southwest of Aachen, but the doughboys held firmly to high ground 500 yards to the northwest and edged closer to Schmidt, a mile to the southeast.

Reds Outflank Budapest; Take Danube Island

LONDON, Nov. 8.—Radio Budapest said today that Soviet troops, outflanking the Hungarian capital from the south, had landed on a small island in the middle of the Danube river four miles away.

"Fighting is going on not far from Budapest," the broadcast said, adding that Soviet artillery and anti-aircraft guns already were firing from Dunaharaszti, suburban town on the east bank of the Danube also within four miles of the capital.

The Hungarian broadcast gave no details of the landing on the mid-Danube island, but said the attack apparently was designed to build up a base for an assault on 30-mile-long Csepel Island, an industrial center between the eastern and western arms of the Danube below Budapest.

It was believed Marshal Malinovsky was regrouping his 2nd Ukrainian Army for the final assault on the city.

DANCE AT LAGUNA

The Armistice Day dance at Hotel Laguna Saturday night promises to be an interesting event and well attended. Sponsored by the USO, it will be under the general direction of the 697th Engineers' Topographic company of Camp Bowie. There will be an 11-piece orchestra and the dance will begin promptly at 8 p. m. "There will be plenty to eat and a good time for all," said two members of the topographic group here this afternoon. A cordial invitation is extended to all Cisco young women, they said.

Even After This Happens, American Women Can't Relax

Even after Hitler himself throws in the sponge, American women must not relax on saving fats in their kitchens. Because it's the Japs, not the Germans, who still have those territories in the Pacific that need to supply us with one billion pounds a year!

In the meantime, every drop of used fats is urgently needed to help make the tons of munitions, medicines, synthetic rubber and soaps that are needed for final victory.

So keep saving until V-J Day! Remember, the government gives you 2 free red points for every pound. This message has been approved by WFA and OPA and paid for by Industry.
