# AMERICANS THWART JAP PLAN

## Parents Receive Pleasing Word Of Varge Daniel

Mr. and Mrs. Carl Daniel, who reside on the Eastland highway near Cisco, have received word from Allied Air Forces Headquarters, Southwest Pacific, that their son, Tech. Sgt. Varge Daniel, has been awarded a bronze star medal for meritorious achievement in connection with military operations in that theater from March 1, 1942, to January 1, 1944.

"It was an award made in recognition of his outstanding services to his organization, his fellow soldiers, his country, his home and to you," said the communication signed by George C. Kenney, lieutenant general, commander.

Another paragraph of the letter said: "I would like to tell you how genuinely proud I am to have such men under my command in the Far East Air Forces, and how gratified I am to know that Americans of his caliber are fighting our country's battles."

## War Department Announces Death Of Jesse Bisbee

Mr. and Mrs. Elmer Bisbee, 301 east Ninth street, Cisco, have been informed by the war department of the death of their son, Pfc. Jesse W. Bisbee, who was killed in action October 24, in Holland.

Private Bisbee, 25, was born and reared in the Dan Horn community of Eastland county. He joined the army in November, 1940, and had been overseas since July of this year. The young man was a paratrooper.

A brother, Pvt. Louis Bisbee, is with the infantry in Germany. A half brother, Sgt. Steven A. Custer, was killed at Guadalcanal, August 13, 1942.

## BUTTS EARNS SILVER STAR

News from France announces the promotion of Pfc. John J. Butts, son of Mr. and Mrs. Edgar Butts, to sergeant. The brief communication also stated that the Cisco young man has been awarded the Silver Star for gallantry in action.

## PASSION PLAY AT ABILENE

The original and authentic Passion Play of the Black Hills, with Josef Meier, world-famed "Christ" portrayor and his large cast of players, will be presented at Fair Park Auditorium, Abilene, November 23 through November 25. Matinee at 2 and evening at 8:15, two full and complete presentations daily. The play will be sponsored by Abilene Lions club.

## Winter Fashion Hint

Gale Storm's three-piece gabardine town suit is shown to advantage on a background of Insulux blue blocks.

## MITCHAM HEREFORD SHOW HERD

Climaxing a tour of all the important international and national shows with a showing at Dallas, the Hereford show herd of the G. P. Mitcham ranch, Cisco, returns home this week with a prideful share of honors earned at Atlanta, Tulsa, Shreveport and Dallas.

The herd furnished one of the five top bulls selected in the Dallas Hereford showing by Pablo Risso, famous Uruguayan cattleman and judge. Risso chose Don Axtell 826th as winner of the summer yearling class exhibited at Dallas.

Other winners in that show were not announced Tuesday, but if the Mitcham herd of 10 animals maintains the average it has made in previous shows it will bring home a considerable list of winners and a large purse in prizes.

Prior to the Dallas showings the Mitcham group had won more than \$2,000 in award money at Atlanta, Tulsa, Shreveport and at Abilene. In the latter regional show, the ranch practically swept the field.

Winners at the big international exhibit at Atlanta, Ga., included six second places, four third places, three fourth places and two fifth places. At Tulsa, Okla., the herd took one first, three seconds, four thirds, one fourth and four fifths. At the Louisiana state fair at Shreveport it won one first, two seconds, four thirds, one fourth and four fifths.

The Mitcham show group was the only one entered in these shows from the immediate Cisco territory. It left Cisco September 23, showing first at Atlanta on September 28.

## The Man' Store And White's Tire Shop Show Class

The Man's Store and White's Tire Shop carried off the bowlin' honors last night by defeating Cisco Lumber & Supply and Glenn Furniture Co., respectively, two out of three games each, on the local alleys.

Tonight's attractions will be Cisco Gas Corporation vs. Dr. Paul's Chiro and West Texas Utilities vs. Collins Hardware.

Scores Last Night

The Man's Store—

Guy Morris	164-179-147
Harvey Haynie	139-106-132
Lloyd Simpson	142-138-139
Smitty Huestis	150-191-161

Cisco Lumber & Supply—

F. Urban	134-156-161
L. J. Henson	160-160-123
F. B. Henson	121-99-91
Dale Page	152-190-134

White's Tire Shop—

Cecil Carter	155-117-139
Chas. White	120-152-156
Van Gardenhire	120-120-129
F. Essel	151-180-191

Glenn Furniture—

Bill Britain	148-143-170
O. Stutenroth	167-171-123
Ed. Laminack	197-171-191
Chas. Clark	110-124-121

FOR SALE — Three-quarter all cotton mattress, good condition; 30-30 rifle. 701 east Twenty-third street. 44

LOST—Gold, heart-shaped locket, picture of soldier and baby. Leave at this office for reward. 44

CHILDREN OF WAR—These German children, part of 4500 refugees from Aachen, sleep peacefully on their straw mats in former German barracks at Brand. Here they are under the care of Americans. Some may be able to return home, but a majority of them will find their houses have been blasted to the ground by shells of warring factions.

KID SNIPERS—American MP brings in Willy Ethenberg (left) 14, and Hubert Heinrichs, 10, caught sniping at Yanks in Aachen. When questioned they revealed that they had been taught to do this by the Hitler Youth Movement. Our boys refrained from shooting them.

ALL IN THE FAMILY—A Filipino family freed from Jap tyranny, stroll happily through 96th Infantry troop headquarters in the village of San Jose on Leyte Island. Smiling faces show their gratitude to Yankee soldiers for gifts of candy. Unlike the Nazis, the Filipino head of the house carries his share of the burden.

## E. E. Bain Died Suddenly at Hospital in Cisco

Ernest Edward Bain, 50, died suddenly at a local hospital at 1:45 p. m. Monday, where he had been taken from his home at 706 west Ninth street.

Until he resigned recently to accept a traveling position, Mr. Bain had been employed at Moore Drug store for the past two years as pharmacist. He was a very capable man and well liked by a large circle of friends and acquaintances. He was a member of the Presbyterian church.

Mr. Bain was born at New Concord, O., February 24, 1894, and the remains will be shipped to New Concord for burial. Thomas funeral home is in charge of the body.

Survivors include the wife and four children. One son, Bill Bain, is in the navy and is stationed in California. The other children are at home here.

## 400 Million Additional Asked By President

WASHINGTON, Nov. 14.—President Roosevelt asked congress today to add \$400,000,000 to funds previously appropriated for more than a score of federal agencies.

The total includes \$339,112,455 for the Navy Department, the bulk of which was for the Bureau of Yards and Docks. There was no detail on how the funds would be used.

Other items included \$13,990,000 for the Treasury Department; \$10,010,000 for the army; \$15,000,000 for the Federal Works Agency; \$11,036,682 for the Interior Department, and \$7,401,000 for the National Advisory Committee for Aeronautics.

## First Auto Tire Plant for Texas Ready to Start

WACO, Nov. 14.—A new war industry that will be an important factor in the peace time industrial prosperity of Texas, will begin here, after its dedication yesterday.

Within a short time, tires of all sizes, made almost wholly of materials produced in Texas, will be shipped from here to the war fronts of the world.

When peace comes, motorists all over Texas will be able to ride on tires "made in Texas."

General's plant is not only the first tire plant in Texas, but it is an important addition to the industrial growth of the state—and upon such growth depends the question of whether there shall be good times, or bad, from the Louisiana border to El Paso, and from Texarkana to Brownsville.

Texas, over the years, has produced the raw materials which have been shipped north and east for manufacture into products Texas needs—and then shipped back here.

## TEACHERS' CONFERENCE

FT. WORTH, Nov. 14.—The third streamlined wartime conference of the Texas State Teachers' association will be held Nov. 24-25 at Hotel Texas, taking the place of a convention for the general membership.

## SHOULD BE THROUGH

AUSTIN, Nov. 14.—A legislative inquiry into the University of Texas administrative controversy will begin here Wednesday.

## PREPARATIONS FOR NIP COUNTER-ATTACK WITH 60,000 MEN DISRUPTED BY U. S. ADVANCE

MARTUR HEADQUARTERS, Philippines, Nov. 14.—Preparations for a Japanese counter-attack with perhaps 60,000 men were believed disrupted today as the steady American advance down Leyte's bloody Ormoc corridor penetrated the enemy's potential assembly areas.

The Japanese now have five divisions in this pivotal struggle in the Philippines campaign.

Gen. Douglas MacArthur said today the Japanese First division was in action on the Pinamopan-Ormoc highway, and the 26th division has been identified by its dead. The 16th, 30th and 102nd divisions already had been reported in the fight.

At full division strength, this would mean 60,000 Japanese troops in the hotly-contested sector of Leyte island.

MacArthur reported the steady but painfully slow American drive has broken the enemy's plans for a counter blow "by compelling the Japanese to premature and piecemeal commitments of his forces for the defense of the main bastion of the Yamashita line."

While American artillery raked the enemy in the Ormoc squeeze, elements of the dismounted U. S. First cavalry division seized another elevation, Mt. Cabungangan, overlooking the battlefield, in a three-mile advance from Mt. Catabaran, where their positions were being consolidated.

Their left flank also took in another height, called Hill 2926.

A MacArthur spokesman said the Japanese had infiltrated some American ridge positions to send suicide squads against the Yanks but the effort was mainly ineffective.

General MacArthur said the bulk of the 24th division, moving down the tortuous highway toward Ormoc from Carigara bay, was proceeding slowly "in the face of increasingly strong opposition."

## FOURTH FORT TAKEN

WASHINGTON—American infantry captured the fourth fortress outside besieged Metz today as the U. S. Third army brought all the fort-girt city's roads of reinforcement or retreat within artillery range.

The fifth division captured Fort Orny and drove to within 3 1/2 miles south of Metz in the Hospital woods in the closest Yank approach to the city.

The assault are from the south now extended nine miles from Fort Orny to the town of Corny on the east bank of the Moselle, due east of Fort Driant. Corny, 4 1/2 miles southwest of Metz, fell yesterday.

On the northern flank of the Third army's 70-mile offensive the 90th division expanded its Moselle bridgehead in the Koenigsmacher area to 2 1/2 miles, fighting to within 1 1/2 miles of Germany in the Luxembourg corner.

These gains came after a day in which the Third army cracked into the outer southern defenses of Metz almost without a fight, placing themselves squarely behind Fort Driant, which some weeks ago withstood a frontal assault, and toppling Fort L'Aisne, five miles south of the city, along with two flanking bastions. L'Aisne and Driant are among the nine main forts in the Metz defense system which contains 22 in all. Both consist of a series of subterranean fortifications.

The advances posed the riddle whether the strongest fortified city in western Europe might fall without a fight. A headquarters dispatch said the answer might come within 48 hours. The first indication that the Germans might withdraw came in a German broadcast asserting the city, in

holding the Americans while fortifications were deepened, had "fulfilled its task."

The Third army, battling in freezing temperatures through snowstorms, was within 15 miles of the German Saar border at a point 16 miles southeast of Metz, where the Sixth armored division's tanks entered two villages and drove to within four miles of the Nazi base at Falquemont.

## HAND-TO-HAND FIGHTING

MOSCOW.—Russian forces have driven into the important rail city of Jaszeny, 37 miles east of Budapest, and are engaging the enemy in hand-to-hand fighting, front dispatches said today.

The Germans were reported hurling in numerous new tanks and scores of anti-tank weapons in an attempt to check the Soviet drive to outflank the Hungarian capital.

(The Germans admitted Soviet units had penetrated into Jaszeny, but asserted the attackers were hurled back.) Red army columns striking from the northeast after crossing the Tisza river apparently had made solid contact with the main forces of Marshal Malinovsky's Second Ukrainian army, and were aiding in drawing the assault line close to Jaszeny from the east, west and south.

Despite the fierceness of the enemy opposition the Russians captured at least 10 towns, including the rail terminal of Jasznapati, 11 miles east of Jaszeny and 45 miles east of Budapest.

## HUEY ENROUTE HOME

Lt. Enders P. Huey of the U. S. submarine service wired Mrs. B. S. Huey, his mother, this afternoon that he had just arrived in Oakland, Calif., and was leaving at once by plane for his home in Abilene. The popular Ciscoan has been in active service since he graduated from Annapolis in 1941. He was home for a brief period last October.

## SUITS FILED

Juanita Stinson vs. J. P. Stinson, divorce. James W. Young vs. Jessie Sue Young, divorce. Ex parte H. L. Gibson, removal of disabilities.

## Wins Design Award

Marian Sweet, above, is wearing the dress which won first prize in a nation-wide designing contest. 40,000 "Teenimers" girls in their teens—took part.

Per year, in advance (Cisco) \$5.00  
Per week, by carrier boy 12c

## CHARACTER

The time has come to apply scientific methods to character building and spiritual development, in order to attain world-wide peace. So says a settlement worker of long experience, George A. Bellamy, director of Hiram House in Cleveland. He sees no reason why this cannot be done. The same techniques which have brought such immense advances in the physical world, he feels, he turned toward a "science of personality."

"There is no hope for our civilization," he insists, "unless through scientific research we find a system to develop citizens for the highest utilization of their capacities. The master forces in his blueprint are industry, government and living conditions, and the system must be based on factors which stimulate the individual."

Under Mr. Bellamy's direction, Hiram House is now engaged in a study of 500 families in regard to child training, as a possible beginning. The results of many such studies, over the nation, might well provide a starting-point toward a peaceful and constructive "world of tomorrow."

## MALARIA

Some have been worried at the return of men from the Pacific should bring with it an epidemic of malaria. There appears little danger of this, according to the report of Maj. Gen. Kirk, surgeon general of the army, to a medical group in New York.

General Kirk says malaria in our armed forces has been cut to one-fourth the amount about two years ago. This has been done by strict malaria control, including the use of repellents; wearing of proper clothing, especially after sunset when the disease-bearing places have been drained; and the use of insecticides.

filled and oiled; and D.D.T., a new insecticide, is sprayed not only from tree-top height upon breeding-grounds, but in solution upon barracks and tents, with excellent results. He quotes as an example malaria on Saipan, where such measures have freed the island of all mosquitos.

Every precaution will be made to see that planes, now disinfected by the aerosol bomb-method, and transports used to bring troops from infested areas, are free of disease carriers. Constant application of methods developed in theaters of war can keep what cases do get home from spreading.

## FREEDOM

If this were any one of a number of foreign nations that might be mentioned, in both the new and the old world, patriotic citizens who happened to vote on the wrong side would have been promptly rounded up and shoved into jail last Wednesday morning. Or maybe it would have been done even before they had a chance to vote.

It is well to remember that there isn't much voting in the Old World nowadays. Even England, the freest of them all, has been skipping elections in recent years, to avoid any possible rocking of the Ship of State. And it is well known that even in free America — southward from the Rio Grande — there is much avoidance of political show-downs.

It is a great thing anywhere to vote freely for men and policies, even when the voter is on the losing side. His verdict is registered and becomes an unspoken voice in expressing the will of the nation. It always seems to say, "Thus far shalt thou go and no farther." And if rational boundaries are passed, if wise policy is lacking, if government fails to express the public will or to recognize new

public needs, it is a great thing to have an opposition ready to take over and carry on.

Thus we have the perpetual miracle, that the most powerful of nations is also the freest.

## March, 1928

(Cisco Daily News Files.)

Cisco is well represented at the interscholastic league meet now being held in Ranger. The junior division is holding the honors today with the following entrants from the Lobo city: In the junior girls' declamation event, Mavis Holmesley will carry the colors of Cisco, with Martha Ellen Peters as substitute. Neal Daniels will represent the junior boys in declamation. The spelling team consists of Merle Shirley, Mary Ellen Noell, with Mavis Holmesley and Glenn Whittaker, alternates. The arithmetic class consists of the following: Merle Shirley, Roubie Tripitt, Glenn Whittaker, Keeler Miller, LeRoy Rushing and Leonard Skiles. Extemporaneous speaking, John Peter Huey, alternate George Irvine. Essay Mavis Holmesley, alternate Margaret Sue. Girls' play ground ball team is composed of the following: Rozelle Pippin, Frankie Mae Allen, Wanda Kennedy, Emma Lee Taylor, Alyce Hazel, Lillian Purms, Maxine Fowler, Laura Hartness and Cleda Swink. Boys' play ground team consists of the following: Joseph Little, George Irvine, J. W. Cook, Frank Aycock, Beasley Hannaford, Wendell Sables, Olive Cole, Hazen McMahan, Judson Kennedy, Joe Collins, Jack Burlison, Brutus Hanks and T. J. Nabors. Track and field events: Joseph Little, Frank Aycock, G. P. Mitchell, Carl Siddell, J. W. Cook, Billy Peters, Marselle Louder, Donald Moffatt, L. A. Harrison and Jack McCantles.

Robert Hill, who was last Friday given a verdict of 99 years in the state penitentiary for his connection with the Santa Claus robbery here last December, was called before Judge George L. Davenport at 5 o'clock Saturday afternoon, and sentenced. Before passing the sentence Judge Davenport explained to Hill that he yet had time to file motions for a new trial or to take an appeal, and the prisoner said that he was satisfied with the verdict, and would accept sentence. L. H. Flewelling, the attorney appointed by the court to defend Hill rose and reminded the prisoner that he had promised to be a good prisoner and that he would make no effort to escape. Hill agreed that he had promised that, and that he would live up to his word. Sheriff John Hart announced yesterday afternoon that Hill would not be taken immediately to the penitentiary, as it was expected he would be used as the state's star witness against Marshall Batliff (Santa Claus), who is to face trial for the murder of Police Chief Bit Bedford in Abilene Monday.

The low enrollment of girls in the home economics classes of the Cisco high school is accentuated in the report of Miss Bernice Mallory, supervisor of the state home economics department who recently inspected the Cisco schools. Miss Mallory points out the low enrollment makes these classes "entirely too expensive," and something must be done to reach more students. Only 31 girls in high school are enrolled at this term, while the enrollment of girls in the high school is more than 200. Adjustments in the high school program will be necessary to offer second year work, but this is imperative if the department grows as it should.

the Cisco high school is accentuated in the report of Miss Bernice Mallory, supervisor of the state home economics department who recently inspected the Cisco schools. Miss Mallory points out the low enrollment makes these classes "entirely too expensive," and something must be done to reach more students. Released by U. S. War Department, Bureau of Public Relations.

MAP EXPERT—Pfc. Mildred I. Smith, Onarga, Ill., who majored in geography at the University of Illinois, works in the mapping section of the Engineers, checking every detail of the maps used by the Army in the invasion of Germany. Hundreds of tons of maps are used.

## Win 4-H State Honors

SUPERIOR records of achievement in 4-H activities have won 1944 State championship honors for three Texas club members. The winners, and brief outlines of their records, follow:

John Koczynski (at right), 15 of Anderson, Grimes county, is named State entrant to be considered for sectional-national honors in the Sears-Roebuck Foundation 4-H Victory Garden Activity, which include a trip to the National 4-H Congress in Chicago, Dec. 3-6, and a \$100 War Bond. Seven State co-winners who also each receive a \$25 War Bond are: Eugene Ashley, Post; Billy Bacon, Jr., Cisco; Payne Roy, Bunker; Carlton Wike, Wilson; Joe Millhorn, Clyde; Billy Smith, Florida, and Dennis Aacker, of Nazareth. The State winner has raised a Victory garden each year since 1942. The yield of his 1944 plot of 100x125 feet thus far is 45 1/2 bushels and 1415 pounds of vegetables. Practically all his family's food since 1942 has come from his garden.

Alfred Neumann (at right), 17 of Bigfoot, has been chosen to represent the State in the Firestone 4-H Soil Conservation Activity for consideration in the selection of sectional and national winners. His acre farm he and his brother manage (father is dead). He drew 3 maps, one showing soil types, top soil depth, slope and erosion, and second showing crops planted for last 3 years, and fields in which he put fertilizer. A third map shows where fields should be terraced and pasture land cleared of timber and protected until good sod is established. Alfred has run contour lines himself, terracing one field. Will terrace whole farm and enlarge present dam near windmill. Five State co-winners who also each receive a \$50 War Bond are: Jeral Miller, Abilene; Clarence Lamensky, Rosenberg; Billy Moseley, Ranger; Durward Fuchs, Carmine, and Curtis Fardeer, Dallas.

Jackie G. Brock (at right), 15 of Floydada, Floyd county, is the State's entrant for sectional-national honors in the William G. Mennen 4-H Farm Safety Activity. The boy's achievements in safety work include painting top and bottom cellar steps white and gasoline barrel red; picking up loose nails and broken glass, nailing down loose boards, removing poison drugs and matches out of children's reach, taping exposed wires, mending ladder rung, pointing out accident and fire hazards to others, and effecting numerous other safety measures. Three State co-winners who also each receive a \$25 War Bond are: Laddie Sloan, of Estelline; Clarence Hausler, of Needville, and Allon Fonville, of Weatherford. Also State representative in International Harvester 4-H Food for Victory Activity.

EDITOR—As a wartime conservation measure, news announcements of State winners in 1944 4-H activities are being combined in single mats wherever possible.

APOTHECARY'S DELIGHT—Every other group seems to have a pin-up so National Pharmacy Committee selects Colleen Townsend to represent druggists of nation. Posing in paisley bathing suit, healthy-looking Colleen has been named "Miss Vitamin."

**CITY FEDERATION HAD FINE PROGRAM**

City Federation of women's clubs met Monday afternoon at the Women's club house with Mrs. W. D. Hazel presiding. Representatives of all federated clubs were present. Mrs. E. Hoffs acted as secretary. During the business period it was voted to sell 25 feet of the lot adjoining the club house property to Clifford Hall. Roll call responses were a current event.

The afternoon program was sponsored by Cisco Child Study club, Mrs. Lonnie Shockley was presented in two vocal numbers and was accompanied at the piano by Mrs. Troy Powell while Mrs. Ben Krauskopf drew pictures to illustrate each song. Vocal numbers sung were "The End of the Day" and "The Grand Old Flag."

Those present were Mrs. W. D. Hazel, Mrs. Jay Garrett, Mrs. W. W. Fewell, Mrs. E. Hooks, Mrs. Ben Krauskopf, Mrs. G. B. Langston, Mrs. Eugene Lanford, Mrs. S. H. McCandies, Mrs. Lonnie Shockley, Mrs. C. S. Surles, Mrs. Troy Powell, Mrs. D. E. Waters and Mrs. Theresa Weddington.

**JOSEPHINE McINNIS HONOREE AT PARTY**

Miss Josephine McInnis was the surprised honoree at a farewell party Friday evening given by Miss Betty Rowe Wilcox in the home of her parents Mr. and Mrs. G. W. Wilcox Jr.

Games were enjoyed by the group and a large bon fire in the back yard of the home climaxed outdoor entertainment features. A shower of gifts was presented the honoree who is moving with her parents to College station.

Refreshments of sandwiches, hot chocolate, potato chips, cookies and home-made candy were passed to Misses Josephine McInnis, Betty Lou Bioghan, Elova Moad, Patricia Graft, Laura Lou Morris, Joan Ewell, Mary Ann Jones, Lovell Paul, Betty Rowe Wilcox, Mrs. Joseph L. Krebs and son, Joey and Mr. and Mrs. G. W. Wilcox Jr. and son.

**MRS. BATES HOSTESS TO LOYALTY CLUB**

Mrs. R. M. Bates was hostess in the home of her daughter Mrs. M. P. Farnsworth Friday afternoon to the Loyalty club of Woodmen circle. Mrs. E. L. Wisdom presided during the business period in the absence of Mrs. L. B.

**REAL ESTATE SERVICE**

Owner vs. Tenant  
 Do you own your home and sleep soundly? Or do you rent and have nightmares about moving and no place to go? "Be It Ever So Humble," own it and sleep soundly. Rent receipts are just scrap paper.

**Look These Over:**  
 5 rooms, hardwood floors, \$2,750.  
 5 rooms, hardwood floors, \$2,500.  
 7 rooms, corner, southwest back, or low cut backs. One such style, for instance, is in rustling black moire taffeta, its skirt hitting just below the knee and the bodice

**We Need Listings**  
 We have plenty of money to loan on farms and ranches at 4% to 5%. On city property 5% to 6%.

**Bargains in Land:**

**C. S. SURLES, REAL ESTATE SERVICE.**  
 Associate: E. A. HOLLIS  
 705 D Avenue, Telephone 321.

Mayhew. Minutes were read and corrected.

A social hour was held and a shower of gifts was presented the hostess honoring her birthday. Next meeting will be held in the home of Mrs. E. L. Wisdom.

Those present were Mrs. J. W. Sledge, Mrs. W. C. Clements, Mrs. J. P. McCandies, Mrs. E. L. Wisdom, Mrs. C. B. Hill, Mrs. Farnsworth and Mrs. R. M. Bates.

**EAST CISCO BAPTIST WOMEN MET AT CHURCH**

Women's missionary union of East Cisco Baptist church met at the church Monday afternoon for a royal service program, with Mrs. E. E. Green presiding. The meeting began with group singing which was followed by prayer.

Mrs. J. E. Shirley was leader of the program on "South America"; those taking parts were Mrs. V. H. Bosworth, J. D. Hall, A. A. Coats, R. E. McCord, Willie Thetford and Don Rupe. The program was interspersed with special prayers for mission work and with group singing.

Those present besides the above mentioned were Mrs. H. H. Harrelson and guest Mrs. Charles Goleonor of Nimrod, Mrs. Evan Holmes, Mrs. John Elmore, Mrs. J. E. Whisenant and Mrs. Bill Sledge.

**FOR SALE**—Fifteen acres land and good four-room house, screened back porch; city water, electric lights; reasonable. P. O. Box 243, Cisco. A. B. Cloud. 46

**Long Skirts for Small Figures**

LAST YEAR bright little Junior crepes and big or little evenings went well enough together. This year everyone is dressing up, and the young crowd especially is again discovering that small figures and long skirts are made divinely for each other.

—Photos courtesy N. Y. Dress Institute

Pink satin stitched onto a skirt of black taffeta, left, in a junior style for gay holiday nights. Above, another Junior dress, pink and black satin stripes over black taffeta.

New York's Junior designers have scaled tons of exciting party clothes in sophisticated satins and crisp taffetas along young lines, such as the full-skirted, swishy dresses pictured, in pink and black. Both have pretty necklines and covered-up shoulders.

The same fabrics are charmingly used for short party dresses with sheer, peekaboo yokes front and back, or low cut backs. One such style, for instance, is in rustling black moire taffeta, its skirt hitting just below the knee and the bodice

**TIME OUT**—Pfc. Louis Ferone of Brooklyn, and Sgt. Troy D. Bailey (right) of Columbus, Ga., members of the 91st Division of the Fifth Army, take a brief respite from combat to catch up on their reading in Italy. That is, Ferone reads while Bailey shells nuts.

**WOMEN IN '40's Are You Embarrassed By HOT FLASHES?**

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, nervous, tired feelings, are a bit blue at times—all due to the functional middle-age period peculiar to women—try famous Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Taken regularly—Pinkham's Compound helps build up resistance against such distress. It also has what doctors call a stomachic tonic effect! Thousands upon thousands of women—rich and poor alike—have reported benefits. Here's a product that nature starts and that's the kind to buy. Follow label directions. Pinkham's Compound is well worth trying!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

**BAD NEWS!**

ALONG with all the good news of victories abroad, A comes some very bad news here at home. Fat salvage collections are TAKING A NOSE DIVE in many sections of the country.

That can mean just one thing! Too many of us are letting the good news GO TO OUR HEADS. Too many believe that, with the collapse of Germany, we can relax.

Don't these people know that the battle of Germany is just one chapter in this global war—and that we still have a long, tough road to travel in the East?

Even the TOTAL DEFEAT OF GERMANY can't help us one bit as far as the fat situation is concerned. And for a specific reason: IT'S THE JAPS WHO HAVE OUR FATS.

Our fat shortage troubles began when Japan moved into the Pacific areas and cut us off from ONE BILLION POUNDS of fats and oils we used to import every year. The Japs are still there—and we're still cut off!

So we must continue saving used fats to help make up that loss. To help make the munitions, synthetic rubber, medicines, soaps and other materials needed to finish the war, WE MUST SAVE EVEN HARDER THAN EVER. So let's get busy and send the fat collections climbing up all across America! THE NEED IS SO URGENT, our government gives you 4¢ and 2 free red points for every pound saved!

SO KEEP SAVING USED FATS UNTIL V-J DAY—the day when we can celebrate final victory over our last and toughest enemy—Japan.

Approved by WEA and OPA. Paid for by Industry

Per year, in advance (Cisco) \$5.00  
Per week, by carrier boy 12c

## CHARACTER

The time has come to apply scientific methods to character building and spiritual development, in order to attain world-wide peace. So says a settlement worker of long experience, George A. Bellamy, director of Hiram House in Cleveland. He sees no reason why this cannot be done. The same techniques which have brought such immense advances in the physical world and, he feels, be turned toward a "science of personality."

"There is no hope for our civilization," he insists, "unless through scientific research we find a system to develop citizens for the highest utilization of their capacities."

Under Mr. Bellamy's direction, Hiram House is now engaged in a study of 500 families in regard to child training, as a possible beginning. The results of many such studies, over the nation, might well provide a starting-point toward a peaceful and constructive "world of tomorrow."

## MALARIA

Some have been worried at the return of men from the Pacific should bring with them an epidemic of malaria. There appears little danger of this, according to the report of Maj. Gen. Kirk, surgeon general of the army, to a medical group in New York.

General Kirk says malaria in our armed forces has been at its lowest level since the amount of two years ago. This has been due to strict malaria control, including the use of repellents; wearing of proper clothing, especially after sunset when the disease-bearing places have been drained; and the use of mosquito nets.

filled and oiled; and D.D.T., a new insecticide, is sprayed not only from tree-top height upon breeding-grounds, but in solution upon barracks and tents, with excellent results. He quotes as an example malaria in Saipan, where such measures have freed the island of all mosquitos.

Every precaution will be made to see that planes, now disinfected by the aerosol bomb method, and transports used to bring troops from infested areas, are free of disease carriers. Constant application of methods developed in theaters of war can keep what cases do get home from spreading.

## FREEDOM

If this were any one of a number of foreign nations that might be mentioned, in both the new and the old world, patriotic citizens who happened to vote on the wrong side would have been promptly rounded up and shoved into jail last Wednesday morning. Or maybe it would have been done even before they had a chance to vote.

It is well to remember that there isn't much voting in the Old World nowadays. Even England, the freest of them all, has been skipping elections in recent years, to avoid any possible rocking of the Ship of State. And it is well known that even in free America — southward from the Rio Grande — there is much avoidance of political show-downs.

It is a great thing anywhere to vote freely for men and policies, even when the voter is on the losing side. His verdict is registered and becomes an unspoken voice in expressing the will of the nation. It always seems to say, "Thus far shalt thou go and no farther." And if rational boundaries are passed, if wise policy is lacking, if government fails to express the public will or to recognize new

public needs, it is a great thing to have an opposition ready to take over and carry on.

Thus we have the perpetual miracle, that the most powerful of nations is also the freest.

## March, 1928

(Cisco Daily News Files.)

Cisco is well represented at the interscholastic league meet now being held in Ranger. The junior division is holding the boards today with the following entrants from the Lobo city: In the junior girls' declamation event, Mavis Holmesley will carry the colors of Cisco, with Martha Ellen Peters as substitute. Neal Daniels will represent the junior boys in declamation. The spelling team consists of Merle Shirley, Roubie Ellen Noel, with Mavis Holmesley and Glenn Whittaker, alternates. The arithmetic class consists of the following: Merle Shirley, Roubie Ellen Noel, Glenn Whittaker, Kedar Miller, LeRoy Rushing and Leonard Skiles. Extemporaneous speaking, John Peter Huey, alternate; George Irvine. Essay Mavis Holmesley, alternate Margaret Sue. Girls' play ground ball team is composed of the following: Rozelle Pippen, Frankie Mae Allen, Wanda Kennedy, Emma Lee Taylor, Alyce Hazel, Lillian Purms, Maxine Fowler, Laura Hartness and Clela Swink. Boys' play ground team consists of the following: Joseph Little, George Irvine, J. W. Cook, Frank Aycock, Beasley Hannaford, Wendell Sures, Olive Cole, Hazen McMahon, Judson Kennedy, Joe Collins, Jack Burleson, Brutus Hanks and T. J. Nabors. Truck and field events: Joseph Little, Frank Aycock, G. P. Mitchem, Carl Sidel, J. W. Cook, Billy Peters, Marselle Louder, Donald Moffatt, L. A. Harrison and Jack McCantles.

Robert Hill, who was last Friday given a verdict of 99 years in the state penitentiary for his connection with the Santa Claus robbery of the First National bank here last December, was called before Judge George L. Davenport at 5 o'clock Saturday afternoon, and sentenced. Before passing the sentence Judge Davenport explained to Hill that he yet had time to file motions for a new trial or to take an appeal, and the prisoner said that he was satisfied with the verdict, and would accept sentence. L. H. Fiewellen, the attorney appointed by the court to defend Hill rose and reminded the prisoner that he had promised to be a good prisoner and that he would make no effort to escape. Hill agreed that he had promised that, and that he would live up to his word. Sheriff John Hart announced yesterday afternoon that Hill would not be taken immediately to the penitentiary, as it was expected he would be used as the state's star witness against Marshall Ruff (Santa Claus), who is to face trial for the murder of Police Chief Bit Bedford in Abilene Monday.

The low enrollment of girls in the home economics classes of the Cisco high school is accentuated in the report of Miss Bernice Mallory, supervisor of the state home economics department who recently inspected the Cisco schools. In her report to J. J. Youngblood, superintendent of the Cisco schools, Miss Mallory points out the low enrollment makes these classes "entirely too expensive," and something must be done to reach more students. Only 51 girls in high school are enrolled at this term, while the enrollment of girls in the high school is more than 200. Adjustments in the high school program will be necessary to offer second year work, but this is imperative if the department grows as it should.

Released by U. S. War Department, Bureau of Public Relations.

MAP EXPERT—Pfc. Mildred I. Smith, Onarga, Ill., who majored in geography at the University of Illinois, works in the mapping section of the Engineers, checking every detail of the maps used by the Army in the invasion of Germany. Hundreds of tons of maps are used.

## Win 4-H State Honors

SUPERIOR records of achievement in 4-H activities have won 1944 State championship honors for three Texas club members. The winners, and brief outlines of their records, follow:

John Koczynski (at right), 15 of Anderson, Grimes county, is named State entrant to be considered for sectional-national honors in the Sears-Roebuck Foundation 4-H Victory Garden Activity, which include a trip to the National 4-H Congress in Chicago, Dec. 3-6, and a \$100 War Bond. Seven State co-winners who also each receive a \$25 War Bond are: Eugene Ashley, Post; Billy Bacon, Jr., Cisco; Payne Royce, Bunker; Carlton Wilke, Wilson; Joe Milliron, Clyde; Billy Smith, Floydada; and Dennis Ackerly of Nazareth. The State winner has raised a Victory garden each year since 1942. The yield of his 1944 plot of 100x125 feet thus far is 45 1/2 bushels and 1,415 pounds of vegetables. Practically all his family's food since 1942 has come from his garden.

Alfred Neumann (at right), 17 of Bigfoot, has been chosen to represent the State in the Firestone 4-H Soil Conservation Activity for consideration in the selection of sectional and national winners. His soil conservation achievements include mapping 170-acre farm he and his brother manage (father is dead). He drew 3 maps, one showing soil types, top soil depth, slope and erosion, and second showing crops planted for last 3 years, and fields in which he put fertilizer. A third map shows where fields should be terraced and pasture land cleared of timber and protected until good soil is established. Alfred has run contour lines himself, terracing one field. Will terrace whole farm and enlarge present dam near windmill. Five State co-winners who also each receive a \$50 War Bond are: Jeral Miller, Abilene; Clarence Lamensky, Rosenberg; Billy Moseley, Ranger; Durward Fuchs, Carmine, and Curtis Pardue, Dallas.

Jackie G. Brock (at right), 15 of Floydada, Floyd county, is the State's entrant for sectional-national honors in the William G. Mennen 4-H Farm Safety Activity. The boy's achievements in safety work include painting top and bottom cellar steps white and gasoline barrel red; picking up loose nails and broken glass, nailing down loose boards, removing poison drugs and matches out of children's reach, taping exposed wires, mending ladder rung, pointing out accident and fire hazards to others, and effecting numerous other safety measures. Three State co-winners who also each receive a \$25 War Bond are: Laddie Sloan, of Esteline; Clarence Hausler, of Needville, and Allon Fonville, of Weatherford.

\*Also State representative in International Harvest 4-H Food for Victory Activity.

EDITOR—As a wartime conservation measure, news announcements of State winners in 1944 4-H activities are being combined in single mats wherever possible.

APOTHECARY'S DELIGHT—Every other group seems to have a pin-up so National Pharmacy Committee selects actress Colleen Townsend to represent druggists of nation. Posing in paisley bathing suit, healthy-looking Colleen has been named "Miss Vitamin."

#### CITY FEDERATION HAD FINE PROGRAM

City Federation of women's clubs met Monday afternoon at the Women's club house with Mrs. W. D. Hazel presiding. Representatives of all federated clubs were present. Mrs. E. H. Hicks acted as secretary. During the business period it was voted to sell 25 feet of the lot adjoining the club house property to Clifford Hall. Roll call responses were a current event.

The afternoon program was sponsored by Cisco Child Study club, Mrs. Lottie Shockley was presented in two vocal numbers and was accompanied at the piano by Mrs. Troy Powell while Mrs. Ben Krauskopf drew pictures to illustrate each song. Vocal numbers, sung were "The End of the Day" and "The Grand Old Flag." Those present were Mrs. W. D. Hazel, Mrs. Jay Garrett, Mrs. W. W. Fewell, Mrs. E. Hooks, Mrs. Ben Krauskopf, Mrs. G. B. Langston, Mrs. Eugene Lankford, Mrs. S. H. McCaulley, Mrs. Lottie Shockley, Mrs. C. S. Surles, Mrs. Troy Powell, Mrs. D. E. Waters and Mrs. Theresa Weddington.

#### JOSEPHINE McINNIS HONOREE AT PARTY

Miss Josephine McInnis was the surprised honoree at a farewell party Friday evening given by Miss Betty Rowe Wilcox in the home of her parents Mr. and Mrs. G. W. Wilcox Jr.

Games were enjoyed by the group and a large bon fire in the back yard of the home climaxed outdoor entertainment features. A shower of gifts was presented to the honoree who is moving with her parents to College station.

Refreshments of sandwiches, hot chocolate, potato chips, cookies and home-made candy were passed to Misses Josephine McInnis, Betty Lou Brogan, Eloya Moad, Patricia Grist, Laura Lou Morris, Joan Ewell, Mary Ann Jones, Lovell Paul, Betty Rowe Wilcox, Mrs. Joseph L. Kreps and son, Joey and Mr. and Mrs. G. W. Wilcox Jr. and son.

#### MRS. BATES HOSTESS TO LOYALTY CLUB

Mrs. R. M. Bates was hostess in the home of her daughter Mrs. M. P. Farnsworth Friday afternoon to the Loyalty club of Woodmen circle. Mrs. E. L. Wisdom presided during the business period in the absence of Mrs. L. B.

#### REAL ESTATE SERVICE

Owner vs. Tenant

Do you own your home and sleep soundly? Or, do you rent and have nightmares about moving and no place to go? "Be It Ever So Humble," own it and sleep soundly. Rent receipts are just scrap paper.

Look These Over:

- 5 rooms, hardwood floors, \$2,750.
- 5 rooms, hardwood floors, \$2,500.
- 7 rooms, corner, southwest part, \$3,500.
- 7 rooms, well built, west part, paved, \$2,250.
- 5 rooms, needs repair, \$1,100.
- 5 rooms, fair condition, \$1,250.
- 4 rooms, pavement, \$900.
- Several fine homes, \$4,000 up.

We Need Listings

We have plenty of money to loan on farms and ranches at 4% to 5%. On city property 5% to 6%.

Bargains in Land:

- 80 acres, improved, produced \$2,000 in crops this year, price \$2,000.
- 247 acres improved, a bargain, or will trade for home in town.
- 95 acres on pavement 2 miles out, city water, gas, lights available, good grass, only \$2,000. It's a bargain.
- 400-acre peanut-hog farm, \$30 per acre.
- 200 acres 8 miles out, \$15 per acre.
- 102 acres 12 miles southeast, \$18.
- 160 acres 12 miles southwest, \$12.50.
- 28 acres on Highway, \$16.
- 5 acres up on Lake Road, price reasonable.

Ask us about other. Try our insurance service.

C. S. SURLS, REAL ESTATE SERVICE. Associate: F. A. HOLLIS. 705 D Avenue, Telephone 321.

Maybe. Minutes were read and corrected.

A social hour was held and a shower of gifts was presented to the hostess honoring her birthday. Next meeting will be held in the home of Mrs. E. L. Wisdom.

Those present were Mrs. J. W. Sledge, Mrs. W. C. Clements, Mrs. J. P. McCaulley, Mrs. E. L. Wisdom, Mrs. C. B. Hill, Mrs. Farnsworth and Mrs. R. M. Bates.

#### EAST CISCO BAPTIST WOMEN MET AT CHURCH

Women's missionary union of East Cisco Baptist church met at the church Monday afternoon for a royal green program. The meeting began with group singing which was followed by prayer.

Mrs. J. E. Shirley was leader of the program on "South America"; those taking parts were Mrs. M. V. H. Bosworth, J. D. Hall, A. A. Coats, R. E. McCord, Willie Thetford and Don Rupp. The program was interspersed with special prayers for mission work and with group singing.

Those present besides the above mentioned were Mrs. H. H. Harpelson and guest Mrs. Charles Goleanor of Nimrod, Mrs. Evan Holmes, Mrs. John Elmore, Mrs. J. E. Whisenant and Mrs. Bill Sledge.

### WOMEN IN '40's Are You Embarrassed By HOT FLASHES?

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, nervous, tired feelings, are a bit blue at times—all due to the functional middle-age period peculiar to women—try famous Lydia E. Pinkham's Vegetable Compound to relieve such symptoms.

Taken regularly—Pinkham's Compound helps build up resistance against such distress. It also has what Doctors call a stomachic tonic effect! Thousands upon thousands of women—rich and poor alike—have reported benefits. Here's a product that HELPS NATURE and that's the kind to buy. Follow label directions. Pinkham's Compound is sold north through LYDIA E. PINKHAM'S VEGETABLE COMPOUND

### Long Skirts for Small Figures

LAST YEAR bright little Junior crepes and big or little evenings went well enough together. This year everyone is dressing up, and the young crowd especially is again discovering that small figures and long skirts are made divinely for each other.

—Photos courtesy N. Y. Dress Institute

Pink satin stitched onto a skirt of black taffeta, left, in a junior style for gay holiday nights. Above, another Junior dress, pink and black satin stripes over black taffeta.

New York's Junior designers have scaled lots of exciting party clothes in sophisticated satins and crisp taffetas along young lines, such as the full-skirted, swishy dresses pictured, in pink and black. Both have pretty necklines and covered-up shoulders.

The same fabrics are charmingly used for short party dresses with sheer, peek-a-boo yokes front and back, or low cut backs. One such style, for instance, is in rustling black moire taffeta, its skirt hitting just below the knee and the bodice

cut high in front but slashed in a deep V down the back.

All of these dresses look lovely over the table top, but have the freedom of motion Juniors adore for the waltz or rumba.

For dates at home and the movies, Juniors are wearing lots of pretty crepes and wools with touches of head or sequin embroidery, or even simpler trims such as a bow of bright satin on a black crepe dress, or piping around the neck and short sleeves of a violet colored crepe.

TIME OUT—Pfc. Louis Ferone of Brooklyn, and Sgt. Troy D. Bailey (right) of Columbus, Ga., members of the 91st Division of the Fifth Army, take a brief respite from combat to catch up on their reading in Italy. That is, Ferone reads while Bailey shells nuts.

### BAD NEWS!

ALONG with all the good news of victories abroad, comes some very bad news here at home. Fat salvage collections are TAKING A NOSE DIVE in many sections of the country.

That can mean just one thing! Too many of us are letting the good news GO TO OUR HEADS. Too many believe that, with the collapse of Germany, we can relax. Don't these people know that the battle of Germany is just one chapter in this global war—and that we still have a long, tough road to travel in the East?

Even the TOTAL DEFEAT OF GERMANY can't help us one bit as far as the fat situation is concerned. And for a specific reason: IT'S THE JAPS WHO HAVE OUR FATS. Our fat shortage troubles began when Japan moved into the Pacific areas and cut us off from ONE BILLION POUNDS of fats and oils we used to import every year. The Japs are still there—and we're still cut off!

So we must continue saving used fats to help make up that loss. To help make the munitions, synthetic rubber, medicines, soaps and other materials needed to finish the war, WE MUST SAVE EVEN HARDER THAN EVER. So let's get busy and send the fat collections climbing up all across America! THE NEED IS SO URGENT, our government gives you 4¢ and 2 free red points for every pound saved!

SO KEEP SAVING USED FATS UNTIL V-J DAY—the day when we can celebrate final victory over our last and toughest enemy—Japan.

Approved by WFA and OPA. Paid for by Industry

### A NEW LAUREL FOR TEXAS' WAR RECORD

# Texas-Made Tires

With well deserved pride, Texas greets leading representatives of the nation's Press, come to participate in "Texas-In-The-War" week and eager to tell all America of the tremendous contributions Texans and Texas industry have made to the war effort.

And, Texas can take particular pride that November 13th marks the dedication of the first tire ever to be built in Texas . . . at the huge new plant of The General Tire & Rubber Company at Waco.

Truly, Texas has gone all the way to meet America's immediate need for greatly increased production of military tires.

A year and a half ago, at Baytown, we began operation of the first synthetic rubber plant in Texas . . . established there to make full use of the priceless minerals found in such lavish abundance under the soil of Texas.

Since then, with the aid of willing Texas hands, we have produced synthetic

rubber in quantities beyond all estimates.

Now comes the final step. For today Texas has its own tire plant . . . from which Texas-made tires will speed to the fighting fronts . . . and where Texas will build the finished products from raw materials drawn from every corner of its own great Commonwealth.

We of General Tire are happy to reaffirm our faith in the productive capacity of Texas and to become an even closer partner in its industrial progress.

When Texas enters its tremendous peacetime future . . . this General Tire plant will be ready with Texas-made passenger car tires, truck tires and aircraft tires for all of the South and Southwest . . . thus assuring Texas that it will be the hub of supply for this area's expected expansion of transportation on rubber.

100% war production at Waco will hasten that day.

*W. O'Neil*
