Proper heating requires that appliances be vented to a flue. The appliances illustrated above are types that are vented. For this reason your gas company recommends them, for only with heaters that are vented to a flue can you enjoy natural gas heat at its best. Only when appliances are vented are wall sweating and stuffy air eliminated. Plan healthful, modern heat-vented heat-for your new postwar home. Make sure there will be enough flues.

"MOTHER!

We need those Boxes and Cartons . .

Your boy in khaki would personally urge you to get your waste paper into the war. He knows how important paper is in warfare today—it makes or wraps 700,000 different articles for his use.

Blood plasma containers, bomb rings, plane parts, cartridge boxes-our fighting men must have those things. And they're made of paper! Save your cardboard boxes, cereal cartons, brown wrap-

ping paper-save all the waste paper in your household ... help relieve the national shortage. Don't take waste paper for granted-don't burn it-don't discard it-fighting men need it. Your own son may depend on it. Get

WHAT IS AN ABSTRACT?

Now that many people are selling their farms and town properties at good prices they should be interested in land titles for the title very definitely enters into the value of all real estate. The abstract is the title dressed up in Sunday clothes ready for any suitable occasion. If interested, follow future ads in this newspaper where the abstract will be discussed and the important part it plays in real estate transactions.

More Lockers MAY BE AVAILABLE

We think we will be in position to acquire 46 additional door type lockers and are now accepting deposits, subject to refund if we cannot secure them.

Quite a few people have indicated they wanted lockers since our announcement that all had been rented. In case you are one of these and still want a locker, we recommend that you see us and make your deposit at once. Your rent will start when the lers are ready to use.

However, we do not guarantee that we will be able to get the additional lockers.
