Cisco's Series E Seventh War Loan Quota is \$93,150

Cisco Daily Press: Many great moments are coming to the American people in their national life. Perhaps in no other period in all our history have we had so much of great consequence to happen in so short a time. As our armies in Europe are destroying the last vestige of the German fanatical army we suffer the loss of a president by death, and in less than four hours, a new president is sworn in through our Democratic processes.

The war goes on. Germany will soon be licked; then the last great drive against Japan! Our boys and girls are doing their part on all the fronts and we at home must continue to do our part and the immediate task now is that we can all contribute our part in a successful conclusion of the Seventh War Loan.

Eastland county's Series E quota is \$405,000, to be purchased during the months of April, May, and June. This quota is being broken down for the county as follows:

Cisco, 23%	\$93,150
Ranger, 23%	93,150
Eastland, 23%	93,150
Gorman, 14%	56,700
Rising Star, 13%	52,650
Carbon, 2%	8,100
Olden, 1 1/4%	5,062
Desdemona, 3/4%	3,037

Our over-all quota will be set on May 14 and, added to the above Series E quota, is supposed to about total the amount of our over-all quota for the Sixth War Loan, which was \$645,000.

Our committees have already moved to their tasks!

Very kindly yours,
CYRUS B. FROST,
County Chairman.

BARROW DECLINES.

Lt. Qualls Writes Parents of Wound He Got in Battle

Lt. James L. Qualls of the Marines, son of Mr. and Mrs. L. H. Qualls of Cisco and well known and popular here, has been wounded in action says a letter he wrote March 25 and just received by the parents.

It is known that the Cisco boy participated in the Iwo Jima engagement, but when and where he was wounded has not been revealed. His letter follows:

Dear Folks: "You have no doubt received word that I have been wounded. I want you to know I am ok and it will just take time for my wound to heal. We have the best doctors and corpsmen to be found, so don't worry about me being properly cared for."

"The bullet entered the left side of my stomach and came out on the right. It isn't a very bad wound. They made an incision between the two holes and removed one-half of one of my shirt buttons. I guess my experience was about half as trying as those operations Marie and Elsworth went through. Things could have been worse and more harm done, so I feel lucky. My wounds will take some time to heal, but I wanted you to know that I will be all right."

"Pass this letter on to Marie, Edith and the other kids. Be sure and tell Marie to write my girl that I am doing fine and give her the scoop, as this will be the only letter I will write for some time. Tell everyone I will write later, when my writing position is more comfortable and I have the writing materials."

"Thanks for your prayers and the prayers of the church for me during the past experiences. I have Almighty God to thank for everything. Your son, JIMMY."

TEXAS RANKS SIXTH.
WASHINGTON, April 19. — Texas ranks sixth in the list of states with the number of their residents in service, the war department says. Army strength was 8,050,011 at the end of 1944 with New York leading the list of servicemen and women. From Texas, 395,000 men and 5,902 women, a total of 400,902, were in the service at the end of 1944.

Lions to Gather Used Clothing and Paper Friday

A business session consisting of financial reports of the condition of the club and announcement of some committees occupied the Lions at their noonday luncheon Wednesday. The usual entertainment features were omitted.

Another feature of business was the resignation of Jay Garrett as editor of the bulletin, resulting in the election of Lion W. A. Flynn to take his place.

Treasurer J. T. Eggen's report showed the club with some balance in the bank and with all bills paid.

President C. J. Turner announced the club had purchased a public address system and that Lion Birt and his students had repaired it at very small cost. Birt said it was now in perfect working condition.

Committees were announced to gather the scrap paper at the schools Thursday and for the city on Friday. The club will also pick up used clothing for the needy of Europe Friday afternoon between 5 and 6 o'clock.

Visitors present were W. R. Marris, Austin; Joe Graham, Ranger; L. Tom Janicek, San Antonio.

U. S. Coast Guard Need Cisco Women For Spars Service

Combat veterans of the United States coast guard, Walter Grabinski and Allen Matherne, will be in Cisco next Tuesday to interview young women between the ages of 20 and 36 for possible enlistment in the coast guard Spars. The visitors will be at Cisco post-office between the hours of 8:30 a. m. and 5 p. m.

In addition to the many opportunities offered, the Spars have access to the GI bill of rights and other benefits which are accorded servicemen. The government urges prospects to contact these recruiters during their stay here and secure all information as to qualifications for enlistment.

Senate OKs \$2,000,000 For Two State Buildings

AUSTIN, April 19.—The long-discussed proposal to provide state-owned buildings for state departments now paying \$67,000 annual rental for office space was a step nearer after the senate passed a measure appropriating nearly \$2,000,000 for the purchase of one structure and the erection of another.

The bill which now goes to the house, provides that the Tribune building, across the street from the governor's mansion, shall be purchased for the sum of \$812,380. It also appropriates \$1,000,000 for the erection of a courts memorial building to house the state supreme court, the court of criminal appeals and the third court of civil appeals as well as other state offices. The building is to be erected on state-owned land south of the capitol at the head of the wide Congress avenue. The Tribune building, twelve stories in height, was constructed in 1940.

ARMY HEAD SUMMONED.
WASHINGTON, April 19.—Gen. George C. Marshall, army chief of staff, rushed to the white house today for an unexpected visit. Marshall strode rapidly through the White House lobby about 10:30 a. m. and was ushered immediately into President Truman's outer office. His face was set and he looked neither right nor left as he moved through

the crowded lobby. Leonard Reinsch, secretary to the president, said Marshall came to the white house at the request of the president.

TRANSOCEAN BROADCAST SAYS SOVIETS HAVE ADVANCED TO WITHIN 18 MILES OF CAPITAL

LONDON, April 19. — Huge Russian fighting forces have taken Seelow and Wriezen and advanced to within 15 to 18 miles of the eastern limits of the once great city of Berlin, a Transocean broadcast said today.

Reporting a series of deep penetrations in the four-day old Russian offensive by 2,500,000 Soviet soldiers, Berlin radio announcements said Forst, a Neisse river stronghold 65 miles southeast of Berlin, had also fallen.

Transocean's correspondent, Karl Bluecher, broadcast that "the battle for Berlin in the east is approaching its climax."

He said the Russians were but four kilometers northeast of Muencheberg, or about 18 miles due east of Berlin's city limits, and were east of Buckow, also 18 miles east of Berlin.

Wriezen, 23 miles northeast of Berlin, had been captured, he said, along with Seelow, 25 miles due east.

"Deep but narrow" penetrations had been made from the Russian bridgeheads along the Neisse, he said, so that the Russians were now due south of Cottbus, Spree river stronghold 55 miles southeast of Berlin.

Other spearheads were due south of Spremberg, 13 miles south of Cottbus and 69 miles southeast of Berlin, and east of Bautzen, 24 miles east of Dresden and but 40 miles from American positions north of Chemnitz.

Russian advances to Spremberg would represent a gain of 24 miles from the Neisse above Goerlitz, and advances to Spremberg would be a gain of 16 miles from Forst on the Neisse.

Other Berlin broadcasts reported that the Russians had established bridgeheads across the Spree, the winding, lake-linking waterway which forms the most important part of Berlin's southeastern defenses.

The Germans indicated the Russians were driving toward Finsterwalde, 26 miles west of Spremberg and 46 miles from American positions at Wurzen.

Among other Russian successes reported by Berlin was the entry of Bliedorf, 24 miles northeast of the capital.

All these penetrations were virtually confirmed by the German high command which mentioned breaches east of Muencheberg, south of Wriezen, north of Goerlitz, east of Bautzen and northwest of Weisswasser, 12 miles southwest of Spremberg.

A Russian penetration to a point northwest of Weisswasser would place the Russians well along the road toward Finsterwalde and a union with the Americans.

Texans to Give Their Best Aid to the President

AUSTIN, April 19. — Texans high in the councils of the Democratic party continue to send messages of fealty to President Harry S. Truman and one of the strongest was dispatched by Lt. Gov. John Lee Smith.

Gov. Coke R. Stevenson had already pledged his allegiance and loyalty and said he would write a personal letter to President Truman, making it unanimous from the executive branch of the Texas government.

Stevenson and Smith have not been classed as new dealers, in fact, as standing apart from new dealers though strong party adherents who refused to follow the Texas Regulars or the Republicans. Their pledges to Truman

assume political importance, a possible rebirth of the Democratic party in Texas minus the sores, wounds and estrangements of last summer's bitter differences. Smith's message to the president included the following:

"Your address before the congress sent a thrill of reassurance to a disturbed country and a world that was distressed with uncertainty.

"The spirit of humility and sincerity in which it was uttered gave token that President Roosevelt has been succeeded by an honest American who is worthy of the nation's trust. You asked for the help of the congress and the country in the performance of the appalling tasks that press upon you for solution. You are certainly entitled to that and no good American will withhold such help as is within his power to give to you in this hour of our country's need.

"Honest difference of opinion as to method can of course be expected but the solution of those differences should be arrived at in a spirit of mutual helpfulness.

"You have dedicated your effort to achieve victory and establish peace in a spirit that should rally men of all political faiths to your support."

Big Job to Count Nazi Prisoners as Germans Fold Up

PARIS, April 19. — Leipzig is now entirely in the hands of First Army troops and other Americans today destroyed the last organized resistance in the industrial Ruhr, thus perhaps completing the greatest single victory of the war against Hitler's Nazis.

Patton's Third Army is driving relentlessly down into Czechoslovakia within gunshot of Asch, after bisecting Germany geographically and cutting routes into the hideout for Nazi "big shots" in the Bavarian Alps.

Other Americans fought hand-picked SS troops through the streets of the Bavarian Nazi center of Nuernberg, now virtually surrounded.

The British reached the lower Elbe, last river before Berlin, and advanced to within 16 miles of Hamburg in a mighty effort to cut the North Sea ports from Berlin, beleaguered by Russian troops reported 17 miles east and Americans 45 miles west. The siege of Bremen was intensified.

"All organized resistance in the Ruhr pocket has ceased and Allied forces have virtually completed mopping up the last enemy stragglers," supreme headquarters announced.

This meant that the great cities of Duesseldorf (539,000), Solingen (138,587), Remscheid (103,437) and Barmen (165,100) were in First and Ninth army hands, along with the great Ruhr factories which produced 75 percent of Hitler's war material as late as 1942.

Gen. Omar Bradley said 316,930 Germans were taken from the Ruhr pocket and that more remained to be counted. This compared with 330,000 Germans captured and killed at Stalingrad, the greatest previous German disaster. The Allies have not yet estimated the number of Germans slain and wounded in the Ruhr. The pocket was wiped out Wednesday, Bradley said.

Bradley's First, Third, Ninth and 15th armies have captured 842,864 prisoners since crossing the Rhine less than a month ago.

DESTRUCTION.

The Axis has been doing its best to destroy the civilization of other countries. One effective method, used to the utmost, is the destruction of libraries, in which the accumulated wisdom of the past is made available.

Over 200 libraries have been destroyed in Europe, according to the Department of State, 50 of them in England alone. The British Museum lost over 100,000 volumes. Canterbury Cathedral and Exeter lost their libraries. At Louvain in Belgium 900,000 books were burned. Caen, Falaise, Dieppe, Milan, Rome, Naples, Palermo, Aachen and Leipzig have had libraries destroyed. Poland has lost 60 to 70 per cent of its buildings, and the rest of its libraries were looted. Russian libraries in the invaded areas were destroyed, as also in Czechoslovakia and Yugoslavia. Belgium and presumably Holland have suffered the same fate, and doubtless many other cases have not been reported.

To make good these losses at least in part, is a task which the Rockefeller Foundation has set itself. It has spent \$400,000 on magazines covering the war years, and on assembling the gifts of other benefactors. Foreign national groups in the United States have also been buying books for libraries in the lands of their birth, particularly Norway, Denmark and Belgium.

Destruction of libraries is one of the meanest forms of devastation. Restoring them is one of the most useful phases of reconstruction.

CIGARETS.

In Ohio there are more cigarettes on the market than there were in 1940. It may be hard to believe, for Ohioans who stand in long lines for rare packs, but so the figures of the state tax receipts indicate. In the first quarter of 1940, when all the cigarettes anyone wanted could be found in any store, revenues from the tax

were \$1,838,740. In the same period of 1945 when securing a pack a week had become a major operation, the tax yield was \$2,056,848. The increase is more than ten per cent.

More people are smoking than in 1940 — in dining rooms and everywhere. More women, certainly. Also war-workers with more money to spend. And in Ohio, as in most states, plenty of men in training camps — not to mention Spars, Waves and other women working in the services.

DAUGHTER.

By Thomas Jefferson.

Thomas Jefferson, born April 13, 1743, was not only a great statesman, but a man personally devoted to his family. His wife died after ten years of happy marriage and all his life he depended much on his elder daughter Martha. Here is part of a letter to her, advising her how to help a younger sister:

"Teach her above all things to be good, because without that we can neither be valued by others nor set any value on ourselves.

Teach her to be always true; no vice is so mean as the want of truth, and at the same time so useless. Teach her never to be angry; anger only serves to torment ourselves, to divert others and alienate their esteem. And teach her industry, and application to useful pursuits. I will venture to assure you that, if you inculcate this in her mind, you will make her a happy being in herself, a most inestimable friend to you, and precious to all the world.

"In teaching her these dispositions of mind, you will be more fixed in them yourself, and render yourself dear to all your acquaintances. Practice them, then, without ceasing. If ever you find yourself in difficulty, and doubt how to extricate yourself, do what is right, and you will find it the easiest way of getting out of the difficulty."

Important Notice to Tax Payers of Eastland County.

The commissioners' court of Eastland county has for many years diligently worked at the job of collecting current and delinquent taxes. Of 15 counties along the T & P. railroad, Eastland county is by far the lowest in percentage of collections on both current and delinquent taxes. The records show that, over a period of 25 years, there is better than \$900,000 in delinquent taxes in Eastland county. Our present tax rate is \$1.16 per hundred dollars valuation. The commissioners' court believes that from \$250,000 to \$400,000 of these delinquent taxes can be collected without seriously hurting the taxpayers and that if there will ever be a time when they can and should be collected, it is now, and that by so doing the tax rate can be reduced from 25 to 50 cents or more, per hundred dollars valuation, within a period of two years, thereby relieving the great majority of those who do pay their taxes of the penalty that is forced upon them by failure of some to pay their just proportion of taxes.

For these reasons and believing that great savings can be effected for the tax payers of the county, the court has voted unanimously to enter into a delinquent tax campaign, and to this end the commissioners' court of Eastland county will, on or about the first day of May, A. D. 1945, enter into a contract for the purpose of collecting delinquent taxes.

There should be no occasion for alarm on the part of those who owe taxes. The court will insist and demand that suits not be filed, except in those cases where fair and workable agreements over a reasonable period of time and at regular intervals can not be had with the taxpayer. The whole purpose and desire of the court is to work out ways and means whereby delinquent taxes CAN AND WILL be paid without serious injury to the taxpayer.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. This waste may start nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Duan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Duan's Pills.

ALL HONOR TO THOSE BRAVE TEXANS OF 1836 WHO WON OUR INDEPENDENCE ON APRIL 21 AT SAN JACINTO.

In the war today Texas ranks as the sixth state in men in service and in doing its share in supplying food and materials of war. In Texas of 1836, there was little food for the men and only ammunition that could be bought from other states — powder and balls for the rifles and Bowie knives made by local frontier blacksmiths.

But fired with a desire for freedom for themselves and their families and hatred for any kind of tyranny, they fought against many times their number and won with their battle cry: "Remember the Alamo!"

Texas will never forget such bravery and love for Liberty.

MRS. ARTHUR JOHNSON HOSTESS TO CIRCLE.
Mrs. Arthur Johnson was hostess to circle four of First Baptist missionary union in her home Tuesday afternoon, with Mrs. W. W. Fowell presiding. A visitor, Mrs. J. B. Winfield of Brownwood, was welcomed. The meeting was opened with prayer by the hostess and minutes of previous meeting were read by Mrs. W. D. Hazel, secretary, and adopted by the body. A card of thanks was read from a boy whom the circle had visited and cheered while he was a hospital patient. Mrs. Fowell appointed chairmen to complete list of officers as follows: Stewardship chairman, Mrs. C. S. Surlis; community missions, Mrs. F. B. Clamitt; benevolence, Mrs. F. E. Shepard.

The meeting was then turned to Mrs. Johnson, who directed a most interesting study of the sixth and seventh chapters of the Book of Revelations.

Refreshments were passed to Mrs. J. B. Winfield, Mrs. W. W. Fowell, Mrs. W. D. Hazel, Mrs. O. J. Russell, Mrs. C. S. Surlis, Mrs. J. V. Heyser, Mrs. F. E. Shepard, Mrs. W. L. Pippen and the hostess, Mrs. Johnson.

MRS. GEORGE ATKINS HOSTESS TO GROUP.
Mrs. George Atkins was hostess when group three of the women's council of First Christian church met for regular meeting in her home Tuesday afternoon. Mrs. C. R. West offered the opening prayer and gave the Bible devotional lesson from the Book of Acts. Due to absence of Mrs. J. E. Elkins, the missionary lesson was omitted. Mrs. H. H. Tompkins conducted the business session which followed. Routine business was transacted and minutes, read by Mrs. Atkins, were approved by the group.

At the close of the meeting the hostess was assisted by her daughter Miss Katy Lou Atkins in passing refreshments to Mrs. C. R. West, Mrs. Guy Ward, Mrs. H. H. Tompkins, Mrs. W. R. Winston, Mrs. H. J. Woolbridge and Mrs. L. A. Brunkenhoefer.

WOMEN'S CIRCLE TWO IN LEWIS HOME TUESDAY.
Circle two of First Baptist women's missionary union met Tuesday afternoon in the home of Mrs. D. D. Lewis. Mrs. W. V. Gardenhire presided in the absence of Mrs. W. M. Isehnover and opened the meeting with prayer by Miss Miriam Ghormley. Minutes were read by Mrs. D. D. Lewis and report was made of 15 visits to sick people and new members.

Mrs. J. R. Burnett brought an

interesting lesson on "Worship," using verses from Psalms 107 and 148 as scripture basis. A social hour was held at the close of the meeting.

Those present were Mrs. W. I. Ghormley, Miss Miriam Ghormley, Mrs. Don McEachern, Mrs. W. V. Gardenhire, Mrs. J. R. Burnett and Mrs. D. D. Lewis.

COUNCIL GROUP TWO WITH MRS. FLOURNOY.
Women's council group two, First Christian church, met with Mrs. J. M. Flournoy Tuesday evening in her home on West Eighth street.

Mrs. H. H. Davis, group leader, was in charge and opened the meeting with prayer by Mrs. James Haynie. Mrs. Troy Powell brought a splendid devotional, "Christians Face The Future."

Mrs. Callie W. McAfee reviewed an article from World Call magazine. "The Highlander Discovers America."

Mrs. Davis conducted a short business session and minutes were read by Mrs. Lonnie Shockley. Miss Ethel Mae Wilson was appointed World Call chairman and Mrs. Troy Powell devotional leader for May. The meeting closed by all repeating the missionary benediction.

A refreshment plate with drink was served to Mrs. Ida Painter, Mrs. H. H. Davis, Mrs. Sam Baugh, Mrs. Callie W. McAfee, Mrs. George Swartz, Mrs. Troy Powell, Mrs. J. D. Browning, Mrs. James Haynie, Mrs. Lonnie Shockley, Miss Ethel Mae Wilson, Mrs. Willie Logan, Mrs. E. H. Hester, Mrs. G. W. Troxell, Miss Olga Faye Ford, Patty Nell Haynie, Mrs. F. M. Hooks and Mrs. Flournoy.

Summer's accent on the midriff means more than a wide, net-in-band to show off a small waistline. Any number of fashions by New York designers bare the midriff, either boldly as in two-piece sundresses and playsuits, or moderately, as in the pink and black dress shown above, in Gibson Girl stripes. This is made all in one piece with grosgrain bows at the center of the bodice, and with the skirt fullness in the center front, a feature of many of this season's styles.

Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off ungainly weight and help bring back alluring curves and graceful slenderness. Just get from any drugist, four ounces of liquid Barcol Concentrate. Add enough grapefruit juice to make a pint. Then just take two tablespoons twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.
