

THE CISCO DAILY PRESS

COMBINED WITH CISCO DAILY NEWS AND CISCO AMERICAN AND ROUND-UP, NOVEMBER 1, 1937

CISCO—One of the healthiest areas in U.S.A., with a countryside devoted to blooded cattle, hogs, sheep, peanuts, cotton, fruits, feeds, poultry, gas, oil; two railroads; Bankhead highway; huge concrete swimming pool; bass and crappie fishing.

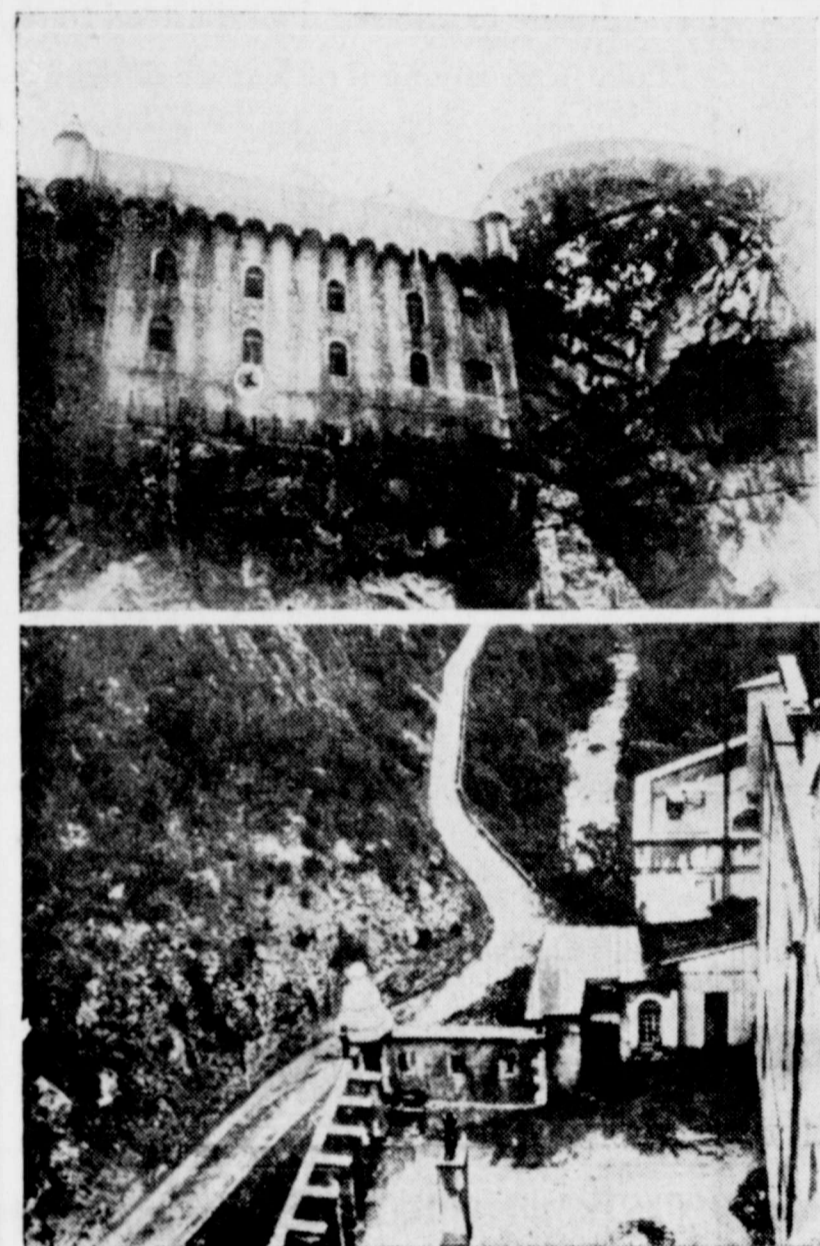

CISCO — 1,614 ft. above sea; Lake Cisco — three miles long, 87 ft. deep at Williamson hollow concrete dam; fish hatchery; 127 blocks paving; A-1 high school; Junior college; natural gas, electric and ice plants; home of THE BOSS WALLOPER Work Glove

VOLUME XXVI.

CISCO, TEXAS, TUESDAY, SEPTEMBER 11, 1945.

NUMBER 7

TOJO SOUGHT THE EASY ROUTE

PETAIN'S ADDRESS—CELL NO. 5—French Marshal Henri Petain, convicted of treachery to his country, will spend his remaining days as a prisoner at Fort Portalet. X marks the spot, upper right, of the prisoner's cell in gloomy building situated in mountainous country of France. A long road winds through the mountains, lower right, but Petain may walk only in the walled court below, bared of everything, including benches. Cell No. 5, left, contains only the bare essentials with a stiff, narrow bed. The door, equipped with multiple locks, is opened only four times a day when the prisoner may go out for meals and short walks in the inside court of the prison.

Wm. Parmer, Substantial Citizen Passes at Age 83

William L. Parmer, 83, died at 9 o'clock Monday night at his home four miles west of Cisco, after an illness of nine months.

Mr. Parmer was a good citizen, a successful farmer and stockman and one of the oldest continuous residents of the Cisco area. Born near Jacksboro, Jack county, Nov. 9, 1862, the family moved to Cleburne soon after his birth. They came to Eastland county and settled on the land where he died when he was about 17 years of age, or in 1879. That was before the city of Cisco was established and securing food and other necessary supplies from the little village of Ft. Worth was an arduous task. There were no direct or defined roads, only rough, devious wagon trails, and it was necessary to make the voyage by way of Stephenville. The trip from Cleburne to Eastland county was made by ox wagon.

The funeral will be held at Cisco First Methodist church at 4 o'clock Wednesday afternoon, with three ministers participating — Rev. Luther Pryor, Harlingen; Rev. W. A. Flynn, Cisco; Rev. H. E. McClain, San Benito. The latter is a grandson of deceased. Burial will be in Oakwood cemetery by Thomas Funeral Home. The remains will rest at the late home until time for the funeral. Pallbearers — Leon Maner, J. D. Lauderdale, A. D. Anderson, Marvin Osborn, Roy Phippen, Marshall Thomas.

Four sons and five daughters survive Mr. Parmer, as follows: Travis and Melvin Farmer, Cisco; Ernest Farmer, Sudan; Martin Parmer, Anherst; Mrs. Grover Cleveland, Cisco; Mrs. O. H. Phillips, Kilgore; Mrs. E. E. Baneman, Houston; Mrs. H. Mangum, Harlingen; Mrs. J. J. McRoberts, Ft. Worth. Brothers and sisters are Van Parmer, Mrs. Sarah Tickner, Mrs. Myrtle Agnew, Cisco. There are also 28 grand children and 16 great grand children.

FORMER JAP PREMIER AND TERROR OF ASIA SHOT HIMSELF AS YANKS SOUGHT TO ARREST HIM

SAN FRANCISCO, Sept. 11. — Former Premier Hideki Tojo—the man who plunged Japan into war with America via Pearl Harbor—shot and critically wounded himself today just as American counter-intelligence officers reached his home to arrest him. Nearly three hours afterward, however, his heart was still beating—bolstered by transfused American blood plasma—and doctors gave him a 50-50 chance for life.

A Japanese doctor who bandaged the wound but refused to treat Tojo further, said the little general was dying and nothing could save him. Tojo himself insisted, "I want to die."

After he earlier had placed Tojo on his "wanted" list, MacArthur tonight added 39 other names, including 10 members of Japan's Pearl Harbor cabinet and Lt. Gen. Masaharu Homa of Philippines infamy—the man who ordered the Death March from Bataan. One American was named among the 39—a man listed only as "Street-er," former Wake Island employe accused of preparing a manuscript for the Tokyo radio.

U. S. naval officers meanwhile discovered 1,556 more Allied prisoners of war in four remote camps in mountainous Hokkaido, and dropped supplies; while in China, Chinese forces under General Luhan entered Hanoi, French Indochina. Chinese also reported arrival of their troops "in force" at Hankow yesterday.

Tojo only yesterday had told Associated Press Correspondents Russell Brines and Murlin Spencer, "you won't see me again."

Before the shooting, Tojo twice opened one of his big sliding windows of his home, smiled his hard-chill smile at the officers, then slammed the window shut.

As the officers moved toward the door, they heard a shot fired. They broke in, smashed the lock on a second door inside, and found the wounded one-time terror of Asia.

General MacArthur's order for Tojo's arrest went to Japanese as well as Americans yesterday, but although Tojo's home was encircled by Japanese guards there had been no immediate arrest.

MacArthur did not say why Tojo was wanted, but he was listed unofficially as Japan's No. 1 war criminal.

Admiral Nimitz meanwhile formally confirmed reports he will move from Guam to Pearl Harbor "in the near future," and said the move was designed to facilitate transportation of released naval personnel to America.

The supreme Allied commander earlier sought to quiet Korean demonstrations against continuance of Japanese administration—under American control—by assuring Koreans that their rights would be respected. The Japanese kept in office, he said, were "only working for the Americans."

MacArthur's headquarters yesterday abolished Japanese imperial (military) headquarters, effected censorship of Japanese radio and press, and directed occupation troops to spread their control of Japan to inland-sea naval bases and Osaka next month. The Sixth Army meanwhile sent units across Kyushu, southernmost home island.

Formal surrender of Japanese forces at Hong Kong was scheduled today near Victoria jail—in which a half-dozen Japanese already were held for war-crime trials. On Mindanao in the Philippines, 9,500 Nipponese surrendered Saturday, and others at New Guinea, will surrender Thursday.

In Kobe, rescuers seeking 400 Allied prisoners found 4,000—and Lt. Col. Walter E. Karfggen of the liberation forces said they were in good condition, that the Japanese cheered their departure, and that

Clock Be Moved Back where grandfather Had It

WASHINGTON, Sept. 11.—The House Interstate Commerce Committee voted unanimously today to do away with war time at the end of the month.

The action, if approved by the whole Congress—and such approval seems certain—would turn the nation's clocks back one hour.

The legislation provides for re-establishing standard time at 2 a. m. Sunday, September 30, last day of the month.

Rep. Boren (D-Okla.), author of the measure, said he expected to bring it before the House tomorrow and predicted it would pass there without a dissenting voice.

253 U. S. Naval Craft Sunk, Damaged at Okinawa

WASHINGTON, Sept. 11.—The navy disclosed today 253 naval craft were sunk or damaged during the battle for Okinawa.

Thirty ships were sent to the bottom, most of them by Japanese Kamikaze (suicide) planes. The largest were destroyers.

The 253 damaged included 19 battleships, 13 aircraft carriers, three heavy cruisers, two light cruisers and 67 destroyers. Twelve were damaged accidentally by our own gunfire.

CAR BACKS OVER CHILD. AUSTIN, Sept. 11.—Betty Wilder, 17-months-old daughter of overseas Lt. Jack Wilder, died here yesterday afternoon from injuries suffered when she was run over by an automobile being backed out of a driveway. The child ran behind the car which was being driven by her uncle. Her head was crushed.

Thompson Charter Member 136 AAA Gun Battalion

NINTH AIR FORCE SERVICE COMMAND UNIT, BAD AIBLING, Germany. — Raymond E. Thompson, fifth grade technician, is a charter member of the 136th AAA Gun Bn., which helped blast the Luftwaffe to bits before V-E Day and secured the commendation of Field Marshall Bernard L. Montgomery, commander of the British expeditionary force, and Brigadier Generals Badger and Armstrong.

For three months since V-E Day Thompson and the men of the 136th have been toiling and sweating in the hard work of flak disarmament, for which there probably will be no commendation.

A battle-wise gun battalion, the 136th first saw action at Omaha Beach on D-Day, then provided an air defense for the port of Cherbourg, and again proved its merit at Antwerp by stopping Nazi buzz bombs, which threatened destruction of the Belgian port. In early April of 1945, the 136th was still in the thick of it as the only 90 mm gun battalion protecting the lone railroad bridge spanning the Rhine at Wesel.

MERITORIOUS SERVICE.

FT. SAM HOUSTON, San Antonio. — Staff Sgt. Horace M. Latson, 1500 west fourth street, Cisco, Texas, Corps of Engineers Engr. Combat Bn., was awarded the bronze star medal for meritorious service in support of operations against the enemy. During the period 7 November 1944 to 1 February 1945, Staff Sergeant Latson distinguished himself by the initiative, efficiency and devotion to duty which he displayed as company supply sergeant.

HUEY PROMOTED.

ABOARD A LIGHT CRUISER IN THE PACIFIC. — J. P. Huey, 31, Olney, Tex., has been advanced to chief machinist's mate. His wife, Mary, lives at 5267 Maple Spring Drive, Dallas, Tex. His father, Mrs. E. S. Huey, lives at Cisco, Tex.

Texas Tree-Ripened Lemons Far Superior to Others

The Texas lemon season is now in full swing and word from the Rio Grande Valley is that production—which is increasing each year—will soon provide a sufficient supply for the entire state.

This year for the first time Cisco and the Cisco Country will have a weekly service to retailers of nature-colored, tree-ripened TEX-LEMS. TEX-LEMS contain more juice and flavor than any other lemons, with an abundance of vitamins C and B.

In the past yellow lemons from Italy and the Pacific West have supplied the Texas market, and users have become accustomed to their characteristic color. The Texas or Meyer lemon, however, is a variety which the famous government plant explorer of that name brought to this country years ago and which at last has established itself in the Magic Valley, and bids fair to become a major asset of that great producing area.

This new lemon gives more juice and acid than artificially colored lemons, authoritative tests prove. The Texas lemon's greatest merit is that it is not pulled from the trees till it is ripe, though it appears to be as green as the proverbial grass. The Texas lemon crop is estimated at 200 cars and its acreage is being greatly increased as people of this state and elsewhere consume this product in increasing quantity.

The Texas lemon demonstration show, can be substituted for competing varieties from this country or abroad. It makes as good lemonade as it does lemon pies or other confections. Its bright green color is really its badge of merit. It deserves large patronage.

TEX-LEM lemons are marketed in their natural color—a rich green, golden tinted. They are not made yellow by artificial methods. They are fresh from the tree—not stored for months in warehouses. Texas people are strong for Texas lemons as they get more for their money when they buy TEX-LEMS.

Humble to Radio Adults 75 Cents. Football Games Children 35 At For 11th Season Cleburne Game

HOUSTON, Sept. 11.—Humble Oil & Refining company announces that it will again broadcast South-west Conference football games this fall. This will be the eleventh consecutive year that these games have been broadcast under Humble's sponsorship.

Humble will bring listeners all conference games and many other important inter-sectional games in which conference teams play. A full schedule of interesting games has been arranged, and with many service men back in college uniforms for the first time since Pearl Harbor, the 1945 season promises fans the best football they've enjoyed in years.

Back at the mike will be these old favorites, veterans of many Humble broadcasts, Kern Tips, Ves Box, Charlie Jordan, Bill Michaels, Dave Russell and others. These top Texas sports announcers will give accurate and colorful play-by-play accounts of each game, as well as bring listeners the interesting highlights that add so much to the enjoyment of the game.

Following its past custom, the Humble company is also distributing pocket-sized schedules which are now available at all Humble stations. These schedules show all games in which conference teams participate and indicate which games will be played at night.

THE PROGRESSIVE KATY.

ST. LOUIS, Sept. 11.—Missouri-Kansas-Texas Lines officials announce the granting of a contract to the American Car and Foundry Co. for 50 new 70-ton steel hopper cars. The cars, to cost in excess of \$200,000, were ordered to meet increasing demands by shippers of bulk cement in the southwest. To be built at American Car's Madison, Ill., plant, they will be delivered early in 1946.

SAN ANGELO.—Pastors of three Mexican churches here today asked Gov. Stevenson to "dispatch as many Texas rangers as possible" to San Angelo to protect Mexican nationals who they said have been "abused, beaten, and maltreated" by an organized gang.

Lights were turned on at Chesley Field for night football practice last night as the Lobo squad prepared for the game with Cleburne here Friday night at 8:30.

It was the first time in about ten years that the field was illuminated, and it signaled a triumph on the part of the Cisco Athletic association which raised the funds for the lighting equipment and for repairing and repainting the stands.

Coaches Fischer and Overall sent their charges through spirited sessions of passing, punting and dummy scrimmage, topped off by a period of head-knocking to accustom the boys to solid work. Tonight there will be more of the real variety, with a number of ex-Lobos helping the seconds furnish opposition for the first team.

Tickets for the Cleburne game have been printed. They will sell at 75 cents for adults and 35 cents for school children. Principal O. L. Stamey announced.

Swift & Co. Will Expand Their Operations in Texas

AUSTIN, Sept. 11.—Swift & Company's permit to operate in Texas had been enlarged today by a new authorization from the secretary of state's office here.

Under the new permit the meat packing company is authorized to buy livestock, poultry and products and to manufacture, process and sell such products and by-products. It also is authorized to buy, manufacture and sell feeds, fertilizers, insecticides and fungicides.

Charter application of the People's Committee for Preservation of Personal Liberty of Moustoun was returned for additional explanation of the purposes. Proposed incorporators listed in the application were W. G. Appleby, R. A. J. Dawson and Ben H. Cummings.

MIGHT BE GOOD IDEA.

TOKYO, Sept. 11.—American liberated prisoners of war resented the freedom given the Japanese and urged today that the Chinese be allowed to take their vengeance on them.

"Let the Chinese, or the Russians, handle these Jap bastards," one American said. "They'll know what to do."

General MacArthur's order for Tojo's arrest went to Japanese as well as Americans yesterday, but although Tojo's home was encircled by Japanese guards there had been no immediate arrest.

MacArthur did not say why Tojo was wanted, but he was listed unofficially as Japan's No. 1 war criminal.

Admiral Nimitz meanwhile formally confirmed reports he will move from Guam to Pearl Harbor "in the near future," and said the move was designed to facilitate transportation of released naval personnel to America.

The supreme Allied commander earlier sought to quiet Korean demonstrations against continuance of Japanese administration—under American control—by assuring Koreans that their rights would be respected. The Japanese kept in office, he said, were "only working for the Americans."

MacArthur's headquarters yesterday abolished Japanese imperial (military) headquarters, effected censorship of Japanese radio and press, and directed occupation troops to spread their control of Japan to inland-sea naval bases and Osaka next month. The Sixth Army meanwhile sent units across Kyushu, southernmost home island.

Formal surrender of Japanese forces at Hong Kong was scheduled today near Victoria jail—in which a half-dozen Japanese already were held for war-crime trials. On Mindanao in the Philippines, 9,500 Nipponese surrendered Saturday, and others at New Guinea, will surrender Thursday.

In Kobe, rescuers seeking 400 Allied prisoners found 4,000—and Lt. Col. Walter E. Karfggen of the liberation forces said they were in good condition, that the Japanese cheered their departure, and that

ALL DRESSED UP in her party dress, seven-year-old Betty Sue Simmons looks like she can hardly wait for the ice cream and cake. Small actress from Alamosa, Colo., is appearing in film, "Frontier Gal." Her soldier father, M/Sgt. William Simmons, is in Belgium.

Released by U. S. War Department, Bureau of Public Relations. AAF WATER WORKS ON OKINAWA—The No. 1 problem on every Pacific island in the Army Air Forces' hop, skip and jump toward Tokyo has been water. Water for canteen cups, water for a helmet shave, water for showers, and water—great quantities of it—for wetting down the coral airstrips of the fighters and bombers. It is piped from caves. Above, the pipelines completed, Cpl. Donald Schliesman, Spokane, Wash., pulls the lever that starts the water up the face of the cliff. The pump is at the entrance to the cave from which fresh water is obtained. Below, from his trickle of water the aviation engineers set out to produce enough water to supply the equal of a city of 15 to 20 thousand people. Left to right, T/5 Joseph N. Studley, Lynn, Mass.; T/5 David M. Lewis, Jr., Woodstown, N. J.; T/4 Charles Colacina, Newark, N. J.

SHOWER IN CRAWFORD HOME FOR NEWLY WEDS.

Mr. and Mrs. R. C. Crawford entertained in their home on west Tenth street Monday night with a miscellaneous shower honoring Mr. and Mrs. Dale Page, recently married. The house was festive with decorations of fall flowers attractively arranged about the rooms. Upon arrival of guests they were directed to the table where Mrs. W. N. Jenkins presided at the bride's book.

A period of conversation was enjoyed preceding the presentation of a nice array of gifts to the honorees by Donald Gorr and Zearl Smith. Mrs. Tom Page, mother of the bridegroom, assisted in opening the packages and displaying the gifts.

Refreshments of ice cream and cookies were served to Mr. and Mrs. Dale Page, Mr. and Mrs. L. B. Norvell, Mr. and Mrs. Chester Norvell and daughter, Sandra Gray Norvell, Mrs. L. S. Jenkins, Mr. and Mrs. Howell Sledge and daughter, Patricia Jean; Mr. and Mrs. Earl Smith and Zearl; Mrs. Pauline Miller, Mr. and Mrs. Eugene Parkinson, Mr. and Mrs. Carl Gorr and Rochelle, Mr. and Mrs. Albert Hansen, Misses Jeanne, Jeanette and Dixie Hansen, Ollie Townsend, Mr. and Mrs. A. T. Gorr and son, Donald; Mr. and Mrs. R. L. Brown, Mr. and Mrs. Tom Page and daughter, Patricia Gale and the hosts, Mr. and Mrs. Crawford.

Gifts were sent by Mr. and Mrs. L. J. Leech and son Jackie.

The Wise Man is Wise --

... only if he acts before, not after an emergency. And wise indeed is he who looks into the title before he pays out his money for real estate. The best way to find out about a title is to get an abstract and have your attorney examine it. If he tells you the title is sufficient you may feel safe in making the purchase. Otherwise, don't buy — regardless of the other favorable factors.

BRIEFLY TOLD

Many Ciscoans will be glad to learn that Mr. and Mrs. Emil T. Gunther, popular residents here about 15 years ago, are in good health, have prospered and that they reside at 1106 Shepard Drive, Houston. Mr. Gunther was in the electrical business, was highly civic-minded and a consistent chamber of commerce worker. Their only child, a son, is married and he too has a son. Houston, it may be mentioned, is the home of a very large number of substantial former Cisco people, which may have helped make it one of the most progressive cities of Texas.

Mrs. L. A. Burkett and Mrs. L. B. Mayhew have returned from Houston where they visited relatives the latter part of the week.

Thomas Graves was expected to return today from Big Spring where he transacted business.

Judge and Mrs. J. R. Burnett transacted business in Eastland Monday. Mrs. Burnett attended a meeting of the county board of education.

Mrs. Irene Hallmark, who spent the summer with her mother at Gatesville, arrived this week to resume her duties as teacher in the Cisco schools.

Guests last week in the home of Mr. and Mrs. Albert Hansen were Mr. and Mrs. Archie B. Shoemaker of San Diego, Calif., and Mr. and Mrs. L. H. Adams of Houston.

A. D. and Dick Anderson have returned to Lubbock where they are students of Texas-Tech college.

Mr. and Mrs. F. P. Curry and two children left today for their new home at Ballinger after visits in Cisco with his mother Mrs. Charles Curry and her parents Mr. and Mrs. Frank Turknett.

Miss Martha Helen Brecheen left Monday for Lubbock where she will enter Texas-Tech college. Miss Brecheen is a graduate of Cisco high school.

Celebrating the sixth wedding anniversary of her son and wife Sgt. and Mrs. Eldon Anderson, Mrs. Myrtle Anderson had them as guests in her home Sunday. Others present were their son Michael Anderson and Mrs. Vida Stephens. The condition of Mrs. Eldon Anderson, a polo patient, is rapidly improving and she is now able to be around with the aid of crutches.

Born to Staff Sgt. and Mrs. Jere Y. Hart, Sunday, September 9—a daughter, Barbara Joama; weight six pounds and eight ounces. Mrs. Hart is the daughter of Mr. and Mrs. M. H. French and was reared in Cisco. Sergeant Hart is with the armed forces at Aberdeen, Md.

Miss Ella Mae Fiddler of Olden has accepted a position in the Cisco public schools and is making her home with Mrs. L. A. White on west Eighth street.

Misses Sandra Coplin and Bettie Sue Armstrong left Sunday for Columbus, Mo., to enter Stephens College.

A new supply of yarn has been received by the local Red Cross and knitters are needed at once to make a supply of socks for the army and marine forces. Those interested may call Mrs. W. W. Wallace, telephone 435, or Mrs. Simon Coplin, telephone 644.

Mr. and Mrs. H. E. Skipper of Big Spring visited her sister Mrs. Myrtle Anderson here Monday while enroute home from Dallas.

Mrs. A. J. Olson returned Monday from a visit at Wichita Falls with her daughter and son-in-law Mr. and Mrs. D. E. Franklin. While there she participated in a celebration which honored her grand daughter little Paulina Franklin on her fourth birthday.

Mrs. Letha Murray and son recently of California, are visiting her grandmother Mrs. George W. Brabbin. They plan to move to Cisco in the near future.

J. M. Wilson is in McCamey where he will spend several weeks on business.

Capt. and Mrs. Gerald Merket and son of Big Spring visited Captain Merket's parents Mr. and Mrs. R. W. Merket here over the weekend. The son remained for a longer visit.

Pvt. Billy Britain of Camp Hood visited his parents Mr. and Mrs. Joe Britain and his grandmother Mrs. Chas. Teague over the weekend.

Mrs. Frances Collins and small son Robert Charles have returned from a visit in Fort Worth.

Karl Armstrong went to College Station last week where he has entered A&M college.

Guests of Mrs. L. E. Wink, Mrs. John Purcell and Mrs. A. W. White the past weekend were Mr. and Mrs. M. W. Cummings of Monroe, La., and Mr. and Mrs. Roy Little and children of Orange, Tex.

Miss Emmalee Jones, daughter of Rev. and Mrs. R. L. Jones, was able to return to Cisco from Fort Worth hospital where she has been a polo patient. She improved greatly in a remarkably short time, it is reported.

When You Were Three

Tying your own shoes was a tough job. But your parents let you try. They knew it would help you to help yourself. Remember the thrill when the knot stayed tied?

Shifting for yourself has always been an American custom. As boy or man, just give an American an even break—a chance to get ahead—and he'll do the rest.

But when government goes into business, in competition with its citizens, the American idea of an even break is destroyed... for government in business takes special privileges that are denied the people.

Consider government power projects for example. They are TAX SLACKERS—DO NOT pay federal taxes; but get YOUR money from the U. S. Treasury at little or no interest; make up losses out of the pockets of the patriotic taxpayers.

On the other hand, America's business-managed power companies—owned and operated by millions

of folks like you—are on their own. They pay their full share of taxes (near one-third of each gross dollar collected). They pay through able management, fair interest on money loaned by people like you to build the property.

Maybe you run a store or service station or beauty shop. View then—a next-door government politically managed competitor who has little or no rent, or taxes, or interest to pay, and who is kept in business partly by your tax money.

It is a tribute to American self-reliance that tax-paying, self-supporting companies supply over 80% of the tremendous amount of electric power used in this country. And it is a further tribute to the American System of private initiative that these companies provide America with enough electricity to meet even the gigantic demands of war—and, when most things cost more—still deliver this electricity at low present prices and without political tax favors or subsidies.
