Mr. and Mrs. W. P. Coldwell today received a telegram from their son, Lt. Commander Charles H. Coldwell of the navy, stating he had arrived in Long Beach, Calif., and would soon be on his way to Camp Wallace, Texas. Following his transfer to Camp Wallace he plans to visit his parents here.

Coldwell, 36, was born and reared in Cisco and is a graduate of Cisco high school and the College of Mines at El Paso. He was a star football player on the Cisco Lobo team and also on the College of Mines team. Prior to volunteering for service in July, 1942, he was employed as a geologist for the Sun Oil company in San Antonio. Since entering the navy he has served as ship navigator in the Pacific and Atlantic.

More than 30 inches of rain fell in Tampa, Florida, during the six weeks beginning with June 15th, following the longest dry spell on record.

Charles H. Fee, who died at 5:10 a. m., Sunday, in Harris Memorial hospital, Fort Worth, was laid to rest in Oakwood cemetery quick passage of a universal mili-It will be observed that Cisco Lumber Co., although winning but For 25c Increase indications were that control by the first by the same been a member and elder for more indications. indications were that congress than 30 years. would give his proposal a long and

Building Restrictions Are Being Lifted ...

This is the time to go ahead with your plans for repairs on your home or for new construction. Building and credit restrictions are being eased according to notice regarding new FHA regulations:

Effective October 15, 1945, Title I home repair and improvement loans will be exempt from the credit restrictions of Regulation W. Also, effective the same date, Conservation Order L-41 of the War Production Board will be revoked so that it will no longer be necessary to obtain a priority to begin construction.

The following terms will govern porperty improvement loans under Title 1:

PURPOSE OF LOAN Maximum Maximum Maturity Amount To repair, improve or modernize an existing structure 3 years \$2,500 To construct a new structure for other than residential use: i.e., garage or commercial buildings3 years \$3,000
